The offering of the Notes is expected to close on July 12, 2016, subject to customary closing conditions. The Partnership expects to use the net proceeds from the offering to repay a portion of the amount outstanding under its revolving credit facility.

The offering was made pursuant to the Partnership’s shelf registration statement on Form S-3 (File No. 333-193828), which became effective on February 7, 2014.

The Underwriting Agreement contains customary representations, warranties and agreements, conditions to closing, indemnification obligations, including for liabilities under the Securities Act of 1933, and termination provisions. The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 hereto and incorporated by reference herein.

From time to time, certain of the underwriters and their related entities have engaged, and may in the future engage, in commercial and investment banking transactions with the Partnership in the ordinary course of their business. They have received, and expect to receive, customary compensation and expense reimbursement for these commercial and investment banking transactions. In addition, affiliates of certain of the underwriters are lenders under the Partnership’s revolving credit facility and, as such, will receive a substantial portion of the proceeds from the offering pursuant to the repayment of borrowings under such facility.
