PROXY STATEMENT FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS

April 29, 2016

GENERAL PROXY INFORMATION

Information About Solicitation and Voting

The accompanying proxy is solicited on behalf of the Board of Directors of Castlight Health, Inc. (“we”, “us” or the “Company”) for use at our 2016 Annual Meeting of Stockholders (the “meeting”) to be held at the Company’s offices at Two Rincon Center, 121 Spear Street, Suite 300, San Francisco, California 94105, on Wednesday, June 22, 2016, at 8:00 a.m. (Pacific Time), and any adjournment or postponement thereof. If you held shares of our common stock on April 25, 2016, (the “record date”), you are invited to attend the meeting and vote on the proposal described in this proxy statement.

Internet Availability of Proxy Materials

Under rules adopted by the U.S. Securities and Exchange Commission (the “SEC”), we are furnishing proxy materials to our stockholders via the Internet, instead of mailing printed copies of those materials to each stockholder. On or about April 29, 2016, we expect to send to our stockholders a Notice of Internet Availability of Proxy Materials (“Notice of Internet Availability”) containing instructions on how to access our proxy materials, including our proxy statement and our annual report. The Notice of Internet Availability also provides instructions on how to vote by telephone or through the Internet and includes instructions on how to receive a paper copy of the proxy materials by mail.

This process is designed to reduce our environmental impact and lowers the costs of printing and distributing our proxy materials without impacting our stockholders’ timely access to this important information. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice of Internet Availability.

General Information About the Meeting

Purpose of the Meeting

At the meeting, stockholders will act upon the proposals described in this proxy statement. In addition, following the meeting, management will respond to questions from stockholders.

Record Date; Quorum

Only holders of record of common stock at the close of business on April 25, 2016, the record date, will be entitled to vote at the meeting. At the close of business on April 25, 2016, we had 96,885,751 shares of common stock outstanding and entitled to vote. The holders of a majority of the voting power of the shares of stock entitled to vote at the meeting as of the record date must be present at the meeting in order to hold the meeting and conduct business. This presence is called a quorum. Your shares are counted as present at the meeting if you are present and vote in

person at the meeting or if you have properly submitted a proxy.

1

Voting Rights; Required Vote

With respect to all matters that will come before the meeting, each holder of shares of common stock is entitled to one vote for each share of common stock held as of the close of business on April 25, 2016, the record date. Holders of our Class A common stock and of our Class B common stock will vote together as a single class. You may vote all shares owned by you as of April 25, 2016, including (1) shares held directly in your name as the stockholder of record and (2) shares held for you as the beneficial owner in street name through a broker, bank, trustee, or other nominee.

Stockholder of Record: Shares Registered in Your Name. If on April 25, 2016 your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are considered the stockholder of record with respect to those shares. As a stockholder of record, you may vote at the meeting or vote by telephone, through the Internet, or if you request or receive paper proxy materials by mail, by filling out and returning the proxy card.

Beneficial Owner: Shares Registered in the Name of a Broker or Nominee. If on April 25, 2016 your shares were held in an account with a brokerage firm, bank or other nominee, then you are the beneficial owner of the shares held in street name. As a beneficial owner, you have the right to direct your nominee on how to vote the shares held in your account. However, the organization that holds your shares is considered the stockholder of record for purposes of voting at the meeting. Because you are not the stockholder of record, you may not vote your shares at the meeting unless you request and obtain a valid proxy from the organization that holds your shares giving you the right to vote the shares at the meeting.

Each director will be elected by a plurality of the votes cast, which means that the two individuals nominated for election to our Board of Directors at the meeting receiving the highest number of “FOR” votes will be elected. You may either vote “FOR” all of the nominees or “WITHHOLD” your vote with respect to any of the nominees. Approval of Proposal 2 will be obtained if the number of votes cast “FOR” such proposal at the meeting exceeds the number of votes “AGAINST” such proposal. Abstentions (shares present at the meeting and voted “abstain”) are counted for purposes of determining whether a quorum is present, and have no effect on the outcome of the matters voted upon. Broker non-votes occur when shares held by a broker for a beneficial owner are not voted either because (i) the broker did not receive voting instructions from the beneficial owner, or (ii) the broker lacked discretionary authority to vote the shares. Broker non-votes are counted for purposes of determining whether a quorum is present, and have no effect on the outcome of the matters voted upon. Note that if you are a beneficial holder and do not provide specific voting instructions to your broker, the broker that holds your shares will not be authorized to vote on the election of directors. Accordingly, we encourage you to provide voting instructions to your broker, whether or not you plan to attend the meeting.

Recommendations of our Board of Directors on Each of the Proposals Scheduled to be Voted on at the Meeting

The Board of Directors recommends that you vote FOR all of the Class II directors named in this proxy statement (Proposal 1), and FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 (Proposal 2).

Voting Instructions; Voting of Proxies

If you are a stockholder of record, you may:

- vote in person - we will provide a ballot to stockholders who attend the meeting and wish to vote in person;

-

vote via telephone or via the Internet - in order to do so, please follow the instructions shown on your Notice of Internet Availability or proxy card; or

vote by mail - if you request or receive a paper proxy card and voting instructions by mail, simply complete, sign and date the enclosed proxy card and return it before the meeting in the envelope provided.

Votes submitted by telephone or through the Internet must be received by 11:59 p.m., Pacific Time, on Tuesday, June 21, 2016. Submitting your proxy (whether by telephone, through the Internet or by mail if you request or received a paper proxy card) will not affect your right to vote in person should you decide to attend the meeting. If you are not the stockholder of record, please refer to the voting instructions provided by your nominee to direct it how to vote your shares. You may either vote "FOR" all of the nominees to

our Board of Directors, or you may withhold your vote from any nominee you specify. For Proposal 2, you may vote “FOR” or “AGAINST” or “ABSTAIN” from voting. Your vote is important. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure that your vote is counted.

All proxies will be voted in accordance with the instructions specified on the proxy card. If you sign a physical proxy card and return it without instructions as to how your shares should be voted on a particular proposal at the meeting, your shares will be voted in accordance with the recommendations of our Board of Directors stated above.

If you received a Notice of Internet Availability, please follow the instructions included on the notice on how to access your proxy card and vote by telephone or through the Internet. If you do not vote and you hold your shares in street name, and your broker does not have discretionary power to vote your shares, your shares may constitute “broker non-votes” (as described above) and will not be counted in determining the number of shares necessary for approval of the proposals. However, shares that constitute broker non-votes will be counted for the purpose of establishing a quorum for the meeting.

If you receive more than one proxy card or Notice of Internet Availability, your shares are registered in more than one name or are registered in different accounts. To make certain all of your shares are voted, please follow the instructions included on the Notice of Internet Availability on how to access each proxy card and vote each proxy card by telephone or through the Internet. If you requested or received paper proxy materials by mail, please complete, sign and return each proxy card to ensure that all of your shares are voted.

Expenses of Soliciting Proxies

The expenses of soliciting proxies will be paid by us. Following the original mailing of the soliciting materials, we and our agents may solicit proxies by mail, electronic mail, telephone, facsimile, by other similar means, or in person. Our directors, officers, and other employees, without additional compensation, may solicit proxies personally or in writing, by telephone, e-mail, or otherwise. Following the original mailing of the soliciting materials, we will request brokers, custodians, nominees and other record holders to forward copies of the soliciting materials to persons for whom they hold shares and to request authority for the exercise of proxies. In such cases, the Company, upon the request of the record holders, will reimburse such holders for their reasonable expenses. If you choose to access the proxy materials or vote through the Internet, you are responsible for any Internet access charges you may incur.

Revocability of Proxies

A stockholder of record who has given a proxy may revoke it at any time before it is exercised at the meeting by:

• delivering to our Corporate Secretary (by any means, including facsimile) a written notice stating that the proxy is revoked;

- signing and delivering a proxy bearing a later date; or

• attending and voting at the meeting (although attendance at the meeting will not, by itself, revoke a proxy).

Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to revoke a proxy, you must contact that firm to revoke any prior voting instructions.

Electronic Access to the Proxy Materials

The Notice of Internet Availability will provide you with instructions regarding how to:

•view our proxy materials for the meeting through the Internet; and
•instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will reduce the impact of our annual meetings of stockholders on the environment and lower the costs of printing and distributing our proxy materials. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

3

Voting Results

Voting results will be tabulated and certified by the inspector of elections appointed for the meeting. The final results will be tallied by the inspector of elections and filed with the SEC in a Current Report on Form 8-K within four business days of the meeting.

CORPORATE GOVERNANCE STANDARDS AND DIRECTOR INDEPENDENCE

We are strongly committed to good corporate governance practices. These practices provide an important framework within which our Board of Directors and management can pursue our strategic objectives for the benefit of our stockholders.

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines that set forth expectations for directors, director independence standards, board committee structure and functions, and other policies for the governance of the company. Our Corporate Governance Guidelines are available on the Investor Relations section of our website, which is located at <http://ir.castlighthealth.com/investor-relations/corporate-governance/governance-documents/>, by clicking on “Corporate Governance Guidelines,” under “Governance Documents.” The Corporate Governance Guidelines are reviewed at least annually by our Nominating and Corporate Governance Committee, and changes are recommended to our Board of Directors as warranted.

Board of Directors Leadership Structure

Our Corporate Governance Guidelines provide that our Board of Directors believes that it is in the best interest of the Company for the roles of Chairperson and Chief Executive Officer to be separated, and for the office of Chairperson to be held by an independent director. The role given to the Chairperson helps ensure a strong, independent and active Board of Directors. Our Chairperson’s duties include, among other things, the nonexclusive authority to preside over meetings of the stockholders and the Board of Directors (including non-executive directors of our Board of Directors) and to hold such other powers and carry out such other duties as are also granted to the Chairman of our Board of Directors.

Our Board of Directors determined that selecting Bryan Roberts as our Chairperson was in our best interests and those of our stockholders. Maintaining separate roles of Chairperson and Chief Executive Officer provides us with optimally effective leadership. Dr. Roberts has led our Board of Directors as Chairperson since 2010. Since that time, our business has grown substantially, and our Board of Directors believes that Dr. Robert’s strategic vision for our business growth, historical perspective of our business and experience with facilitating the growth of health care, health care IT and biotechnology companies, make him well qualified to serve as Chairperson.

The Nominating and Corporate Governance Committee shall periodically consider the leadership structure of our Board of Directors and make such recommendations related thereto to our Board of Directors with respect thereto as the Nominating and Corporate Governance Committee deems appropriate. Our Corporate Governance Guidelines also provide that, the independent directors may, if deemed advisable, select a “Lead Independent Director.” Our independent directors have not selected a Lead Independent Director to date.

Role of the Board of Directors in Risk Oversight

One of the key functions of our Board of Directors is informed oversight of our risk management process. Our Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly as a whole, as well as through various standing committees of our Board of Directors that address risks inherent in their respective areas of oversight. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure and our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management are undertaken. The Audit Committee also monitors security management and compliance with legal and regulatory requirements. Our

Compensation and Talent Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking and reviews the steps management has taken to monitor or mitigate compensation-related risk exposures.

Independence of Directors

Our Board of Directors determines the independence of our directors by applying the independence principles and standards established by the New York Stock Exchange, or NYSE. These provide that a director is independent only if our Board of Directors affirmatively determines that the director has no direct or indirect material relationship with our company. They also specify various

5

relationships that preclude a determination of director independence. Material relationships may include commercial, industrial, consulting, legal, accounting, charitable, family and other business, professional and personal relationships.

Applying these standards, our Board of Directors annually reviews the independence of the company's directors, taking into account all relevant facts and circumstances. In its most recent review, our Board of Directors considered, among other things, the relationships that each non-employee director has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

Based upon this review, our Board of Directors has determined that the following director nominee and members of our Board of Directors are currently independent as determined under the rules of the NYSE:

Bryan Roberts David Ebersman
Ann Lamont Ed Park
David B. Singer

In addition, our Board of Directors has determined that Mr. Singer is an "audit committee financial expert" as defined in Item 407(d)(5)(ii) of Regulation S-K promulgated under the Securities Act. This designation does not impose on him any duties, obligations or liabilities that are greater than are generally imposed on members of our Audit Committee and our Board of Directors. Our Compensation and Talent Committee is comprised of Dr. Roberts and Mr. Park. Dr. Roberts is the chairman of our Compensation and Talent Committee. The composition of our Compensation and Talent Committee meets the requirements of independence under the NYSE rules and regulations. Each member of this committee is an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended. Our Compensation and Talent Committee is responsible for, among other things:

Our Nominating and Corporate Governance Committee is comprised of Dr. Roberts and Mr. Singer. Dr. Roberts is the chairman of our Nominating and Corporate Governance Committee. The composition of the Nominating and Corporate Governance Committee meets the requirements of independence under the NYSE rules and regulations. Any amendments or waivers of our Code of Business Conduct pertaining to a member of our Board of Directors or one of our executive officers will be disclosed on our website at the above-referenced address.

NOMINATIONS PROCESS AND DIRECTOR QUALIFICATIONS

Nomination to our Board of Directors

Candidates for nomination to our Board of Directors are selected by our Board of Directors based on the recommendation of the Nominating and Corporate Governance Committee in accordance with the committee's charter, our certificate of incorporation and bylaws, our Corporate Governance Guidelines, and the criteria adopted by our Board of Directors regarding director candidate qualifications. In recommending candidates for nomination, the Nominating and Corporate Governance Committee considers candidates recommended by directors, officers, employees, stockholders and others, using the same criteria to evaluate all candidates. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate and, in addition, the Nominating and Corporate Governance Committee may engage consultants or third-party search firms to assist in identifying and evaluating potential nominees.

The Nominating and Corporate Governance Committee considers stockholder recommendations for director candidates. The Nominating and Corporate Governance Committee has established the following procedure for stockholders to submit director nominee recommendations:

Our bylaws establish procedures pursuant to which a stockholder may nominate a person for election to our Board of Directors;

If a stockholder would like to recommend a director candidate for the next annual meeting, he or she must submit the recommendations by mail to our Corporate Secretary at our principal executive offices, not less than 75 or more than 105 days prior to the first anniversary of the previous year's annual meeting;

Recommendations for a director candidate must be accompanied by all information relating to such person as would be required to be disclosed in solicitations of proxies for election of such nominee as a director pursuant to Regulation 14A under the Securities Exchange Act of 1934, including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected;

The Nominating and Corporate Governance Committee considers nominees based on our need to fill vacancies or to expand our Board of Directors, and also considers our need to fill particular roles on our Board of Directors or committees thereof (e.g. independent director, Audit Committee financial expert, etc.); and

The Nominating and Corporate Governance Committee evaluates candidates in accordance with its charter and policies regarding director qualifications, qualities and skills discussed above.

EXECUTIVE COMPENSATION DISCUSSION AND ANALYSIS

The following tables and accompanying narrative provide information about the compensation provided to the following executive officers, to whom we refer collectively in this proxy as the “named executive officers”:

Giovanni M. Colella, our Chief Executive Officer, Co-Founder and Director (our “CEO”);
John C. Doyle, our Chief Financial Officer, Chief Operating Officer and Treasurer; and
Jonathan Rende, our Chief Research and Development Officer

We operate in a highly competitive business environment, which is characterized by frequent technological advances, rapidly changing market requirements, and the emergence of new market entrants. To succeed in this environment, we must continually develop and refine new and existing products and services, devise new business models, and demonstrate an ability to quickly identify and capitalize on new business opportunities. To achieve these objectives, we need a highly talented and seasoned team of technical, sales, marketing, operations, and other business professionals.

We compete with many other companies in seeking to attract and retain a skilled management team. To meet this challenge, we have embraced a compensation philosophy of offering our executive officers competitive compensation and benefits packages that are focused on long-term value creation and rewarding them for achieving our financial and strategic objectives. This focus on long-term value creation is driven in part by our heavy weighting toward equity compensation. In 2015, we provided a significant portion of our executives’ realizable compensation in the form of time-vesting restricted stock unit awards and performance-based restricted stock unit awards. We rely more heavily on equity compensation to ensure that a significant portion of a named executive officer’s realizable compensation opportunity is related to factors that directly and indirectly influence stockholder value. Equity participation establishes a sense of ownership and aligns executives’ interests with those of other shareholders.

Moreover, certain of our named executive officers received substantial proportion of their equity-based compensation in the form of performance-based restricted stock unit awards. An executive receiving a performance-based restricted stock unit award may realize varying degrees of compensation from a performance-based award if certain company performance objectives are met or exceeded, and lower or no realization at all if company performance falls below certain pre-determined thresholds. The performance-based restricted stock unit awards were granted with a target number of shares reflected in the Summary Compensation Table footnotes, and actual realization on the awards, if any, could range from 50% of target up to 150% of target depending on performance achievement including satisfaction of certain minimum performance thresholds to be achieved during calendar year 2015. In addition, the number of shares subject to these awards to be earned based on performance achievement were subject to further time-based vesting of approximately two years after the earned number of shares was determined. We continued our emphasis on performance-based equity awards for 2016 and granted certain of our executive officers a greater proportion of their equity in the form of performance-based restricted stock unit awards.

We observe the following core principles in formulating our compensation policies and making compensation decisions:

- creating a direct and meaningful link between company business results, individual performance, and rewards;
- providing for significant differentiation in compensation opportunities for performance that is below, at, and above target levels;
- providing equity awards that establish a clear alignment between the interests of our executive officers and our stockholders;
- ensuring that compensation plans and arrangements are simple to communicate and understand; and
- offering total compensation that is competitive and fair.

Employment Arrangements

26

With the exception of our CEO, we have entered into employment offer letters with each of the named executive officers in connection with his commencement of employment with us. Each of these offer letters was negotiated on our behalf by our CEO, with the oversight and approval of our Board of Directors and, since February 2011, our Compensation and Talent Committee.

Typically, these arrangements provided for at-will employment and included the named executive officer's initial base salary, a discretionary annual incentive bonus opportunity, and standard employee benefit plan participation. These arrangements also provided for a recommended stock option grant to be submitted to our Board of Directors, or, after February 2011, our Compensation and Talent Committee, for approval, with an exercise price, in the case of stock options, equal to the fair market value of our common stock on the date of grant and subject to our specified vesting requirements. These offers of employment were each subject to execution of our standard confidential information and invention assignment agreement.

Potential Payments upon Termination or Change in Control

Under the terms of our 2008 Stock Incentive Plan and our 2014 Equity Incentive Plan, each named executive officer who is terminated other than for cause may exercise any previously-vested stock options that he or she held at the time of termination for a period of three months following the termination date. If a named executive officer is terminated for cause, all stock options held by such officer terminate as of the date of termination. For more information about the named executive officers' outstanding equity awards as of December 31, 2015, see "2015 Outstanding Equity Awards at Fiscal Year-End Table" above.

In October 2009, the Board of Directors approved a double trigger acceleration policy applicable to all employee stock options, including options granted to the named executive officers. Under the double trigger acceleration policy, if any named executive officer's employment is terminated without good cause or if the named executive officer resigns for good reason (each as defined in the policy) within three months before or twelve months following the consummation of a change of control (as defined in the policy), any unvested stock options held by such named executive officer will vest as to 100% of the unvested shares of our common stock subject to the options.

Stockholder Proposals to be Presented at Next Annual Meeting

The Company's bylaws provide that, for stockholder nominations to the Board of Directors or other proposals to be considered at an annual meeting, the stockholder must give timely notice thereof in writing to the Corporate Secretary at Castlight Health, Inc., Two Rincon Center, 121 Spear Street, Suite 300, San Francisco, California 94105, Attn: Corporate Secretary.

To be timely for the 2017 annual meeting, a stockholder's notice must be delivered to or mailed and received by our Corporate Secretary at the principal executive offices of the Company not earlier than 5:00 p.m. Pacific Time on March 9, 2017 and not later than 5:00 p.m. Pacific Time on April 8, 2017. A stockholder's notice to the Corporate Secretary must set forth as to each matter the stockholder proposes to bring before the annual meeting the information required by the Company's bylaws.

Stockholder proposals submitted pursuant to Rule 14a-8 under the Exchange Act and intended to be presented at our 2017 annual meeting must be received by us not later than December 30, 2016 in order to be considered for inclusion in our proxy materials for that meeting.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and any persons who own more than 10% of our common stock, to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulation to furnish us with copies of all Section 16(a) forms that they file. Based solely on its review of the copies of such forms furnished to us and written representations from the directors and executive officers, we believe that all Section 16(a) filing requirements were timely met in 2015.

“Householding” — Stockholders Sharing the Same Last Name and Address

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called “householding.” Under this procedure, multiple stockholders who reside at the same address may receive a single copy of our annual report and proxy materials, including the Notice of Internet Availability, unless the affected stockholder has provided contrary instructions. This procedure reduces printing costs and postage fees, and helps protect the environment.

This year, a number of brokers with account holders who are our stockholders will be “householding” our annual report and proxy materials, including the Notice of Internet Availability. A single Notice of Internet Availability and, if applicable, a single set of annual report and other proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received by the brokers from the affected stockholders. Once you have received notice from your broker that it will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. Stockholders may revoke their consent at any time by contacting their brokers.

Upon written or oral request, we will promptly deliver a separate copy of the Notice of Internet Availability and, if applicable, annual report and other proxy materials to any stockholder at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice of Internet Availability and, if applicable, annual report and other proxy materials, you may write or call our Investor Relations department at Two Rincon Center, 121 Spear Street, Suite 300, San Francisco, California 94105, Attn: Investor Relations, telephone number (415) 829-1680.

Any stockholders who share the same address and currently receive multiple copies of our Notice of Internet Availability or annual report and other proxy materials who wish to receive only one copy in the future can contact their bank, broker or other holder of record to request information about householding or our Investor Relations department at the address or telephone number listed above.

STOCKHOLDER COMMUNICATIONS

Our Corporate Secretary will forward these letters and emails directly to our Board of Directors. Stockholders may indicate in their letters and email messages if their communication is intended to be provided to certain director(s) only.
