Item 8.01 Other Events

On June 12, 2018, the Board of Directors authorized a share repurchase program under which up to \$300 million of the Company’s outstanding common stock may be repurchased. The share repurchase program, which is effective as of June 12, 2018, replaces the prior \$300 million authorization announced in August 2016, of which \$34.9 million remained available thereunder. The prior share repurchase authorization has been cancelled. Shares may be repurchased from time to time in open market transactions at prevailing market prices, in privately negotiated transactions, under Rule 10b5-1 plans, or by other means in accordance with federal securities laws. The actual timing, number and value of shares repurchased under the program will be determined by management at its discretion and will depend on a number of factors, including the market price of the Company’s stock, general market and economic conditions, applicable legal requirements, and compliance with the terms of the Company’s senior secured credit facility. Shares purchased under the program will be retired. The program does not have an expiration date and may be suspended, modified or discontinued at any time without prior notice.
