|        | <p>Please note that for Registered Share meetings in Germany there is now a requirement that any shareholder who holds an aggregate total of 3 per cent or more of the outstanding share capital must register under their beneficial owner details before the appropriate deadline to be able to vote. Failure to comply with the declaration requirements as stipulated in section 21 of the Securities Trade Act (WpHG) may prevent the shareholder from voting at the general meetings. Therefore, your custodian may request that we register beneficial owner data for all voted accounts to the respective sub custodian. If you require further information with regard to whether such BO registration will be conducted for your custodian's accounts, please contact your CSR for more information.</p> | Non-Voting    |               |
|        | <p>The sub custodians have advised that voted shares are not blocked for trading purposes i.e. they are only unavailable for settlement. In order to deliver/settle a voted position before the deregistration date a voting instruction cancellation and de-registration request needs to be sent to your CSR or Custodian. Failure to de-register the shares before settlement date could result in the settlement being delayed. Please also be aware that although some issuers permit the deregistration of shares at deregistration date, some shares may remain registered up until meeting date. If you are considering settling a traded voted position prior to the meeting date of this event, please contact your CSR or custodian to ensure your shares have been deregistered.</p>                   | Non-Voting    |               |
|        | <p>The Vote/Registration Deadline as displayed on ProxyEdge is subject to change and will be updated as soon as Broadridge receives confirmation from the sub custodians regarding their instruction deadline. For any queries please contact your Client Services Representative.</p>   | Non-Voting    |               |

|        | Please note that for Registered Share meetings in Germany there is now a requirement that any shareholder who holds an aggregate total of 3 per cent or more of the outstanding share capital must register under their beneficial owner details before the appropriate deadline to be able to vote. Failure to comply with the declaration requirements as stipulated in section 21 of the Securities Trade Act (WpHG) may prevent the shareholder from voting at the general meetings. Therefore, your custodian may request that we register beneficial owner data for all voted | Non-Voting    |               |

accounts to the respective sub custodian. If you require further information with regard to whether such BO registration will be conducted for your custodian's accounts, please contact your CSR for more information.

The sub custodians have advised that voted shares are not blocked for trading purposes i.e. they are only unavailable for settlement. In order to deliver/settle a voted position before the deregistration date a voting instruction cancellation and de-registration request needs to be sent to your CSR or Custodian. Failure to de-register the shares before settlement date could result in the settlement being delayed. Please also be aware that although some issuers permit the deregistration of shares at deregistration date, some shares may remain registered up until meeting date. If you are considering settling a traded voted position prior to the meeting date of this event, please contact your CSR or custodian to ensure your shares have been deregistered.

The Vote/Registration Deadline as displayed on ProxyEdge is subject to change and will be updated as soon as Broadridge receives confirmation from the sub custodians regarding their instruction deadline. For any queries please contact your Client Services Representative.

|        | Please note that for Registered Share meetings in Germany there is now a requirement that any shareholder who holds an aggregate total of 3 per cent or more of the outstanding share capital must register under their beneficial owner details before the appropriate deadline to be able to vote. Failure to comply with the declaration requirements as stipulated in section 21 of the Securities Trade Act (WpHG) may prevent the shareholder from voting at the general meetings. Therefore, your custodian may request that we register beneficial owner data for all voted accounts to the respective sub custodian. Failure to de-register the shares before settlement date could result in the settlement being delayed. If you are considering settling a traded voted position prior to the meeting date of this event, please contact your CSR or custodian to ensure your shares have been deregistered.

The Vote/Registration Deadline as displayed on ProxyEdge is subject to change and will be updated as soon as Broadridge receives confirmation from the sub custodians regarding their instruction deadline. For any queries please contact your Client Services Representative.
