Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Pursuant to a Certificate of Amendment to our Certificate of Incorporation filed with the State of Delaware and effective as of October 7, 2011, we (i) changed our corporate name from "China Youth Media, Inc." to "Midwest Energy Emissions Corp." (the "Corporate Name Change"), and (ii) effected a reverse stock split of all the outstanding shares of our common stock at an exchange ratio of one for one hundred ten (1:110) (the "Reverse Stock Split") and changed the number our authorized shares of common stock, par value \$.001 per share, from 500,000,000 to 100,000,000 (the "Authorized Share Amendment").

We will not issue any fractional share interests as a result of the Reverse Stock Split. Instead, all fractional shares will be rounded up, so that a holder of pre-split shares will receive, in lieu of any fraction of a post-split share to which the holder would otherwise be entitled, an entire post-split share. No cash payment will be made to reduce or eliminate any fractional share interest.

The Corporate Name Change, Reverse Stock Split and Authorized Share Amendment (collectively, the “Corporate Actions”) were approved by the Board of Directors and by the holders of shares representing a majority of our voting securities which holders have given their written consent to such actions. On August 24, 2011 (the “Record Date”), we received written consents to the foregoing actions from stockholders entitled to 2,962,936,737 votes (approximately 88.3% of the voting power of our shareholders as of the Record Date). Under Delaware corporation law, the consent of the holders of a majority of the voting power is effective as stockholders’ approval. In accordance with the requirements of the Securities Exchange Act of 1934 and Regulation 14C promulgated thereunder, an Information Statement was mailed to stockholders.

Immediately prior to the effectiveness of the Corporate Actions, we had outstanding 341,735,841 shares of common stock, 10,000 shares of Series B Convertible Preferred Stock and 5,582.5 shares of Series C Convertible Preferred Stock. As a result of the Reverse Stock Split and Authorized Share Amendment, the 341,735,841 shares of common stock outstanding have been reduced to approximately 3,106,690 shares of common stock. In addition, the 10,000 shares of Series B Convertible Preferred Stock outstanding have automatically converted into approximately 27,386,819 shares of common stock, and the 5,582.5 shares of Series C Convertible Preferred Stock outstanding have automatically converted into 507,500 shares of common stock. As a result, and following the effectiveness of the Corporate Actions, there are approximately 31,001,009 shares of common stock and no shares of preferred stock issued and outstanding.

As a result, effective as of the opening of trading on October 7, 2011 and for the next 20 business days, our stock will trade under the symbol “CHYUD”. Our new CUSIP number is 59833H101.

Holders of shares of our common stock are not required to exchange their certificates representing shares of common stock held prior to the Reverse Stock Split and Corporate Name Change for new certificates representing shares of common stock resulting from the Reverse Stock Split and Corporate Name Change.
