EXPLANATORY NOTE Non-Shell Status of the Company Securities Act Rule 405 and Exchange Act Rule 12b-2 define a shell company as a company with no or nominal operations and either no or nominal assets, assets consisting solely of cash and cash equivalents, or assets consisting of any amount of cash and cash equivalents and nominal other assets. As stated in the Companys 10-K Fiscal Yearend July 31st, 2011 filed on November 3rd, 2011 File No. 333-169503/ Film No. 111175531. This filing clearly indicates that the company has never been a SHELL under the Securities Act Rule 405 and Exchange Act Rule 12b-2 define a shell company. The company clearly check marked that it was not a SHELL. Additionally, the company had operations, which is evident in the first 10-K and additional 10-Q fillings. These fillings where also Audited by GBH. Santo Pita Corporation was incorporated in the State of Nevada on July 8, 2009. Its business operations were divided into two segments. The first segment which was launched in mid-May, ahead of its slated completion date of June, 2011 is DR DENTAL SPA, which will be an informative and interactive website portal, where both dentists and patients can access dental information and, in the future, have video-to-video online consultations. In September 21st, 2010 the company files an S-1 Registration to the Securities Exchange under the Securities Act of 1933. Santo Pita Corporation Filed its 10-K Fiscal Yearend July 31st, 2011 on November 3rd, 2011 File No. 333-169503/Film No. 111175531. This filing clearly indicates that the company has never been a SHELL. The company clearly check marked that it was not a SHELL. File No. 333-169503/Film No. 12994770 referencing FORM 10 DISCLOSURE The Company was a shell company as such term is defined in Rule 12b-2 under the Exchange Act immediately before the acquisition of the Claim. Accordingly, pursuant to the requirements of Item 2.01(a)(f) of Form 8-K, set forth below is the information that would be required if the Company was required to file a general form for registration of securities on Form 10 under the Exchange Act with respect to its common stock (which is the only class of the Companys securities subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act upon acquiring the Claim). Any information required by Form 10 that is not included herein, is incorporated by reference the Companys Annual Report on Form 10-K for the fiscal year ended July 31, 2011, filed with the U.S. Securities and Exchange Commission (the Commission) on November 2, 2011. Is totally a contradiction to the 10-K Fiscal Yearend July 31st, 2011 on November 3rd, 2011 File No. 333-169503/Film No. 111175531. In Addition, all other mentions of the company being a SHELL under the 8-K filed on July 31st, 2012 by Santo Mining Corp. File No. 333-169503/Film No. 12994770, is incorrect and evident on Santo Pita Corporation Filed its 10-K Fiscal Yearend July 31st, 2011 on November 3rd, 2011 File No. 333-169503/Film No. 111175531 and including two legal opinions by two independent SEC Attorneys and a Sworn Affidavit from the previous CEO of Santo Mining Corp. DESCRIPTION OF BUSINESS Corporate History and Background We were incorporated in the State of Nevada on July 8, 2009. From our inception, we were engaged in the operation of a website portal, www.drdentalspa.com, where both dentists and patients could access dental information, as well as operating a teeth whitening business. Recently, our management decided to redirect our business focus towards identifying and pursuing options regarding the acquisition of mineral exploration property with the focus on gold and other precious metals. From July 8, 2009 through to the date of the acquisition of the Claim, discussed above, we were a designated shell company with minimal operations. As described above, on July 30, 2012, we entered into the Acquisition Agreement and as a result of the transfer of title to the Claim to us, we began operations and ceased to be a shell. Item 5.06 Change in Shell Company Status Reference is made to the disclosure set forth under Items 2.01 of this Report, which disclosure is incorporated herein by reference. Item 9.01 Financial Statements and Exhibits (c) Shell Company Transactions. Reference is made to the financials in the Companys Annual Report on Form 10-K for the fiscal year ended July 31, 2011, filed with the U.S. Securities and Exchange Commission on November 2, 2011, which is incorporated herein by reference.
