Questions and Answers about the 2016 Annual Meeting of Stockholders

Who is entitled to vote at the Annual Meeting?

The Record Date for the Annual Meeting is April 26, 2016. You are entitled to vote at the Annual Meeting only if you were a stockholder of record at the close of business on that date, or if you hold a valid proxy for the Annual Meeting. Each outstanding share of Common Stock is entitled to one vote for all matters before the Annual Meeting. At the close of business on the Record Date, there were 35,347,186 shares of Common Stock outstanding and entitled to vote at the Annual Meeting.

What is the difference between being a “record holder” and holding shares in “street name”?

A record holder holds shares in his or her name. Shares held in “street name” means shares that are held in the name of a bank or broker on a person’s behalf.

Am I entitled to vote if my shares are held in “street name”?

Yes. If your shares are held by a bank or a brokerage firm, you are considered the “beneficial owner” of those shares held in “street name.” If your shares are held in street name, these proxy materials are being provided to you by your bank or brokerage firm, along with a voting instruction card if you received printed copies of our proxy materials. As the beneficial owner, you have the right to direct your bank or brokerage firm how to vote your shares, and the bank or brokerage firm is required to vote your shares in accordance with your instructions. If your shares are held in street name, you may not vote your shares in person at the Annual Meeting, unless you obtain a legal proxy from your bank or brokerage firm.

How many shares must be present to hold the Annual Meeting?

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority in voting power of the Common Stock issued and outstanding and entitled to vote on the Record Date will constitute a quorum.

Who can attend the 2016 Annual Meeting of Stockholders?

You may attend the Annual Meeting only if you are an Aratana Stockholder who is entitled to vote at the Annual Meeting, or if you hold a valid proxy for the Annual Meeting. If you would like to attend the Annual Meeting, you must call 1-913-353-1023 no later than 5:00 p.m. Central time on June 22, 2016 to have your name placed on the attendance list. In order to be admitted into the Annual Meeting, your name must appear on the attendance list and you must present government-issued photo identification (such as a driver's license). If your bank or broker holds your shares in street name, you will also be required to present proof of beneficial ownership of our Common Stock on the Record Date, such as the Internet Notice you received from your bank or broker, or a bank or brokerage statement or a letter from your bank or broker showing that you owned shares of our Common Stock at the close of business on the Record Date.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present at the scheduled time of the Annual Meeting, (i) the Chairperson of the Annual Meeting or (ii) a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present in person or represented by proxy, may adjourn the Annual Meeting until a quorum is present or represented.

What does it mean if I receive more than one Internet Notice or more than one set of proxy materials?

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, for each Internet Notice or set of proxy materials, please submit your proxy by phone, via the Internet, or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope.

Questions and Answers about the 2016 Annual Meeting of Stockholders

How do I vote?

We recommend that stockholders vote by proxy even if they plan to attend the Annual Meeting and vote in person. If you are a stockholder of record, there are three ways to vote by proxy:

- by Telephone—You can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card;
- by Internet—You can vote over the Internet at www.proxyvote.com by following the instructions on the Internet Notice or proxy card; or
- by Mail—You can vote by mail by signing, dating and mailing the proxy card, which you may have received by mail.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on June 23, 2016.

If your shares are held in street name through a bank or broker, you will receive instructions on how to vote from the bank or broker. You must follow their instructions in order for your shares to be voted. Telephone and Internet voting also may be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you would like to vote your shares in person at the Annual Meeting, you should contact your bank or broker to obtain a legal proxy and bring it to the Annual Meeting in order to vote.

Can I change my vote after I submit my proxy?

Yes.

If you are a registered stockholder, you may revoke your proxy and change your vote:

- by submitting a duly executed proxy bearing a later date;
- by granting a subsequent proxy through the Internet or telephone;
- by giving written notice of revocation to the Secretary of Aratana prior to or at the Annual Meeting; or
- by voting in person at the Annual Meeting.

Your most recent proxy card or telephone or Internet proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Secretary before your proxy is voted or you vote in person at the Annual Meeting.

If your shares are held in street name, you may change or revoke your voting instructions by following the specific directions provided to you by your bank or broker, or you may vote in person at the Annual Meeting by obtaining a legal proxy from your bank or broker and submitting the legal proxy along with your ballot.

Who will count the votes?

A representative of Broadridge Financial Solutions, Inc., our inspector of election, will tabulate and certify the votes.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board of Directors. The Board of Directors' recommendations are indicated on page 2 of this proxy statement, as well as with the description of each proposal in this proxy statement.

Will any other business be conducted at the Annual Meeting?

We know of no other business that will be presented at the Annual Meeting. If any other matter properly comes before the stockholders for a vote at the Annual Meeting, however, the proxy holders named on the Company's proxy card will vote your shares in accordance with their best judgment.

Questions and Answers about the 2016 Annual Meeting of Stockholders

How many votes are required for the approval of the proposals to be voted upon and how will abstentions and broker non-votes be treated?

Proposal	Votes Required	Effect of Votes Withheld / Abstentions and Broker Non-Votes
Proposal 1: Election of Directors	The plurality of the votes cast. This means that the three nominees receiving the highest number of affirmative “FOR” votes will be elected as Class III Directors.	Votes withheld and broker non-votes will have no effect.
Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively.	Abstentions will have no effect. We do not expect any broker non-votes on this proposal.

What is an abstention and how will votes withheld and abstentions be treated?

A “vote withheld,” in the case of the proposal regarding the election of directors, or an “abstention,” in the case of the proposal regarding the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm, represents a stockholder’s affirmative choice to decline to vote on a proposal. Votes withheld and abstentions are counted as present and entitled to vote for purposes of determining a quorum. Votes withheld have no effect on the election of directors and abstentions have no effect on the ratification of the appointment of PricewaterhouseCoopers LLP.

What are broker non-votes and do they count for determining a quorum?

Generally, broker non-votes occur when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a particular proposal because the broker (1) has not received voting instructions from the beneficial

owner and (2) lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a beneficial owner on routine matters, such as the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm, without instructions from the beneficial owner of those shares. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on non-routine matters, such as the election of directors. Broker non-votes count for purposes of determining whether a quorum is present.

Where can I find the voting results of the 2016 Annual Meeting of Stockholders?

We plan to announce preliminary voting results at the Annual Meeting and we will report the final results in a Current Report on Form 8-K, which we intend to file with the SEC after the Annual Meeting.

PROPOSALS TO BE VOTED On—PROPOSAL 1

Election of Directors

At the Annual Meeting, three (3) Class III Directors are to be elected to hold office until the Annual Meeting of Stockholders to be held in 2019 and until such director's successor is elected and qualified or until such director's earlier death, resignation or removal.

We currently have nine (9) directors on our Board. The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the three nominees receiving the highest number of affirmative "FOR" votes will be elected as Class III Directors. Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

As set forth in our Restated Certificate of Incorporation, the Board of Directors is currently divided into three classes with staggered, three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. The current class structure is as follows: Class I, whose term will expire at the 2017 Annual Meeting of Stockholders and whose subsequent term will expire at the 2020 Annual Meeting of Stockholders; Class II, whose term will expire at the 2018 Annual Meeting of Stockholders and whose subsequent term will expire at the 2021 Annual Meeting of Stockholders; and Class III, whose term currently expires at the 2016 Annual Meeting of Stockholders and whose new term will expire at the 2019 Annual Meeting of Stockholders. The current Class I Directors are Laura A. Brege, Robert "Rip" Gerber and Wendy L. Yarno; the current Class II Directors are Irvine "Irv" O. Hockaday, Esq., Merilee Raines and John Vander Vort, Esq.; and the current Class III Directors are David Brinkley, Robert P. Roche and Steven St. Peter, M.D.

Our Restated Certificate of Incorporation and Amended and Restated Bylaws provide that the authorized number of directors may be changed only by resolution of the Board of Directors. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of our Board of Directors into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control of our Company. Our directors may be removed only for cause by the affirmative vote of the holders of at least two-thirds of our outstanding voting stock entitled to vote in the election of directors.

There are no family relationships among any of our executive officers or directors.

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote the shares of Common Stock represented thereby for the election as Class III Directors the persons whose names and biographies appear below. All of the persons whose names and biographies appear below are currently serving as our directors. In the event any of the nominees should become unable to serve, or for good cause will not serve, as a director, it is intended that votes will be cast for a substitute nominee designated by the Board of Directors or the Board may elect to reduce its size. The Board of Directors has no reason to believe that the nominees named below will be unable to

serve if elected. Each of the nominees has consented to being named in this proxy statement and to serve if elected.

Vote Required

The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the three nominees receiving the highest number of affirmative “FOR” votes will be elected as Class III Directors. Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR the election of the below Class III Director nominees.

proposal 1—election of directors

NOMINEES FOR CLASS III DIRECTORS (TERMS TO EXPIRE AT THE 2019 ANNUAL MEETING)

The current members of the Board of Directors who are also nominees for election to the Board of Directors as Class III Directors are as follows:

Name	Age	Served as a Director Since	Positions with Aratana
David L. Brinkley	58	2014	Director
Robert P. Roche	60	2014	Director
Steven St. Peter, M.D.	49	2010	President, Chief Executive Officer and Director

The principal occupations and business experience, for at least the past five years, of each Class III Nominee for election at the 2016 Annual Meeting are as follows:

David L. Brinkley Age 58

David L. Brinkley has been a member of our Board of Directors since March 2014. Mr. Brinkley worked for Theravance, Inc., a publicly-traded biopharmaceutical company, from 2000 to 2013, most recently as the Head of Business Development from November 2008 to July 2013. Mr. Brinkley had previously served as Senior Vice President, Commercial Development at Theravance from September 2000 through December 2007, when he left to start a consulting practice. From 1996 to 2000 he served as Worldwide Team Leader for Viagra at Pfizer Inc., leading the team that had full responsibility for the global launch and marketing of Viagra. Mr. Brinkley joined Pfizer in 1995 through its acquisition of SmithKline Beecham’s Animal Health operations and was Director of New Product Planning before leading the Viagra launch team. Mr. Brinkley held various management positions with SmithKline Animal Health from 1983 to 1995. Mr. Brinkley previously served on the Board of Directors of Ziarco Pharma Ltd., a privately-held pharmaceutical company. Mr. Brinkley holds an M.A. with honors in International Economics from the School of Advanced International Studies of the Johns Hopkins University and a B.A. in International Relations from Kent State University, where he graduated with University Honors. We believe Mr. Brinkley is qualified to serve on our Board due to his extensive leadership experience in the biopharmaceutical industry, including his roles at Theravance and Pfizer.

Robert L. Roche Age 60

Robert P. Roche has been a member of our Board of Directors since June 2014. Mr. Roche is the founding member of Robert Roche Associates, LLC, a consulting firm providing guidance to the pharmaceutical and healthcare industries. Mr. Roche created this firm upon his retirement from Cephalon, Inc., a biopharmaceutical company, in February 2010. Mr. Roche joined Cephalon in January 1995 as the Vice President of Sales and Marketing and was named Executive Vice President, Worldwide Pharmaceutical Operations of Cephalon in 2005. Before joining Cephalon, Mr. Roche served as Director and Vice President, Worldwide Strategic Product Development, for SmithKline Beecham's central nervous system and gastrointestinal products business. Mr. Roche also was Managing Director of SmithKline's pharmaceutical operations in the Philippines. Prior to that, he held senior marketing positions in Canada and Spain and had product planning responsibilities for SmithKline in Latin America. Mr. Roche began his pharmaceutical career in 1982 with SmithKline as a U.S. pharmaceutical sales representative. Mr. Roche has served as a Director of Antares Pharma, Inc., a publicly-traded specialty pharmaceutical company, since July 2013 and is currently a member of its governance and nominating committee and audit committee. Mr. Roche is also a director of Paragon Bioservices, Inc., a privately-held contract development and manufacturing organization. He formerly served as a Director of LifeCell Corp. until its acquisition in 2008, EKR Therapeutics until its acquisition in 2012, NuPathe Inc. until its acquisition in February 2014 and Civitas Therapeutics until its acquisition in November 2014. He also serves on the boards of Bryn Mawr Hospital and Westtown School. Mr. Roche earned his B.A. from Colgate University and his M.B.A. from The Wharton School at the University of Pennsylvania. We believe Mr. Roche is qualified to serve on our Board due to his executive and board leadership experience in the global pharmaceutical industry and his extensive commercial operations and product launch background.

PROPOSAL 2

Ratification of Appointment of Independent Registered Public Accounting Firm

Our Audit Committee has appointed PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016. Our Board has directed that this appointment be submitted to our stockholders for ratification. Although ratification of our appointment of PricewaterhouseCoopers LLP is not required, we value the opinions of our stockholders and believe that stockholder ratification of our appointment is a good corporate governance practice.

PricewaterhouseCoopers LLP also served as our independent registered public accounting firm for the fiscal year ended December 31, 2015. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors, providing audit and non-audit related services. A representative of PricewaterhouseCoopers LLP is expected to attend the Annual Meeting and to have an opportunity to make a statement and be available to respond to appropriate questions from stockholders.

In the event that the appointment of PricewaterhouseCoopers LLP is not ratified by the stockholders, the Audit Committee will consider this fact when it appoints the independent auditors for the fiscal year ending December 31, 2017. Even if the appointment of PricewaterhouseCoopers LLP is ratified, the Audit Committee retains the discretion to appoint a different independent auditor at any time if it determines that such a change is in the interests of the Company.

Vote Required

This proposal requires the affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively. Abstentions are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal. Because brokers have discretionary authority to vote on the ratification of the appointment of PricewaterhouseCoopers LLP, we do not expect any broker non-votes in connection with this proposal.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR the Ratification of the Appointment of PricewaterhouseCoopers LLP as our Independent Registered Public Accounting Firm.

Report of the Audit Committee of the Board of Directors

The Audit Committee has reviewed the Company's audited financial statements for the fiscal year ended December 31, 2015 and has discussed these financial statements with management and the Company's independent registered public accounting firm. The Audit Committee has also received from, and discussed with, the Company's independent registered public accounting firm various communications that such independent registered public accounting firm is required to provide to the Audit Committee, including the matters required to be discussed by statement on Auditing Standards No. 16, as adopted by the Public Company Accounting Oversight Board ("PCAOB").

The Company's independent registered public accounting firm also provided the Audit Committee with a formal written statement required by PCAOB Rule 3526 (Communications with Audit Committees Concerning Independence) describing all relationships between the independent registered public accounting firm and the Company, including the disclosures required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. In addition, the Audit Committee discussed with the independent registered public accounting firm its independence from Aratana Therapeutics, Inc. The Audit Committee also considered whether the independent registered public accounting firm's provision of certain other non-audit related services to the Company is compatible with maintaining such firm's independence.

Based on its discussions with management and the independent registered public accounting firm, and its review of the representations and information provided by management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

Audit Fees	\$ 636,769	\$ 979,901
Tax Fees	1,110	81,230
All Other Fees	2,600	2,600
Total Fees	\$ 640,479	\$ 1,063,731

For 2015, \$297,368 of the total fees were billed as of December 31, 2015. For 2014, \$855,775 of the total fees were billed as of December 31, 2014.

Audit Fees

Audit fees consist of fees for the audit of our consolidated financial statements, the review of the unaudited interim financial statements included in our quarterly reports on Form 10-Q and other professional services provided in connection with statutory and regulatory filings or engagements.

Tax Fees

Tax fees comprise fees for a variety of permissible services relating to tax compliance, tax planning, and tax advice pertaining to our January 2014 acquisition of Okapi Sciences NV.

All other fees

All other fees comprise fees for access to the PricewaterhouseCoopers LLP on-line accounting research database. These fees were pre-approved by the Audit Committee.

Audit Committee Pre-Approval Policy and Procedures

The Audit Committee has adopted a policy (the “Pre-Approval Policy”) that sets forth the procedures and conditions pursuant to which audit and non-audit services proposed to be performed by the independent auditor may be pre-approved. The Pre-Approval Policy generally provides that we will not engage PricewaterhouseCoopers LLP to render any audit, audit-related, tax or permissible non-audit service unless the service is either (i) explicitly approved by the Audit Committee (“specific pre-approval”) or (ii) entered into pursuant to the pre-approval policies and procedures described in the Pre-Approval Policy (“general pre-approval”). Unless a type of service to be provided by PricewaterhouseCoopers LLP has received general pre-approval under the Pre-Approval Policy, it requires specific pre-approval by the Audit Committee or by a designated member of the Audit Committee to whom the committee has delegated the authority to grant pre-approvals. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval. For both types of pre-approval, the Audit Committee will consider whether such services are consistent with the SEC’s rules on auditor independence. The Audit Committee will also consider whether the independent auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Company’s business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Company’s ability to manage or control risk or improve audit quality. All such factors will be considered as a whole, and no one factor should necessarily be determinative. On an annual basis, the Audit Committee reviews and generally pre-approves the services (and related fee levels or budgeted amounts) that may be provided by PricewaterhouseCoopers LLP without first obtaining specific pre-approval from the Audit Committee. The Audit Committee may revise the list of general pre-approved services from time to time, based on subsequent determinations.

Corporate Governance

General

Our Board of Directors has adopted Corporate Governance Guidelines, a Code of Business Conduct and Ethics and charters for our Nominating and Corporate Governance Committee, Audit Committee and Compensation Committee to assist the Board in the exercise of its responsibilities and to serve as a framework for the effective governance of the Company. You can access our current committee charters, our Corporate Governance Guidelines and our Code of Business Conduct and Ethics in the “Corporate Governance” section of the “Investors” page of our website located at www.aratana.com, or by writing to our Secretary at our offices at 11400 Tomahawk Creek Parkway, Suite 340, Leawood, Kansas 66211.

board composition

Our Board of Directors currently consists of 9 members: Laura A. Brege, David L. Brinkley, Robert “Rip” Gerber, Irvine “Irv” O. Hockaday, Esq., Merilee Raines, Robert P. Roche, Steven St. Peter, M.D., John Vander Vort, Esq. and Wendy L. Yarno. As set forth in our Restated Certificate of Incorporation, the Board of Directors is currently divided into three classes with staggered, three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. Our Restated Certificate of Incorporation and Amended and Restated Bylaws provide that the authorized number of directors may be changed only by resolution of the Board of Directors. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of our Board of Directors into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control of our Company. Our directors may be removed only for cause by the affirmative vote of the holders of at least two-thirds of our outstanding voting stock entitled to vote in the election of directors.

director independence

All of our directors, other than Steven St. Peter, M.D., qualify as “independent” in accordance with the listing requirements of The NASDAQ Global Market (“NASDAQ”). In addition, the Board determined that Jay Lichter, Ph.D., who served on our Board until August 2015, was independent. The NASDAQ independence definition includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his family members has engaged in various types of business dealings with us. In addition, as required by NASDAQ rules, our Board of Directors has made a subjective

determination as to each independent director that no relationships exist, which, in the opinion of our Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board of Directors reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management. Dr. St. Peter is not independent because he is the President and Chief Executive Officer of Aratana. There are no family relationships among any of our directors or executive officers.

Director Candidates

The Nominating and Corporate Governance Committee is primarily responsible for searching for qualified director candidates for election to the Board and filling vacancies on the Board (although the Board may also consider candidates recommended by a majority of the independent directors in a vote in which only independent directors participate). To facilitate the search process, the Nominating and Corporate Governance Committee may solicit current directors and executives of the Company for the names of potentially qualified candidates or ask directors and executives to pursue their own business contacts for the names of potentially qualified candidates. The Nominating and Corporate Governance Committee may also consult with outside advisors or retain search firms to assist in the search for qualified candidates, or consider director candidates recommended by our stockholders. Once potential candidates are identified, the Nominating and Corporate Governance Committee reviews the backgrounds of those candidates, evaluates candidates' independence from the Company and potential conflicts of interest and determines if candidates meet the qualifications desired by the Nominating and Corporate Governance Committee of candidates for election as a director. David L.

CORPORATE GOVERNANCE

Brinkley and Robert P. Roche, Class III Director nominees elected to the Board in 2014, were recommended by the Chief Executive Officer and a non-management director, respectively.

In evaluating the suitability of individual candidates (both new candidates and current Board members), the Nominating and Corporate Governance Committee, in recommending candidates for election, and the Board, in approving (and, in the case of vacancies, appointing) such candidates, may take into account many factors, including: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; strong finance experience; experience relevant to the Company's industry; experience as a board member or executive officer of another publicly held company; relevant academic expertise or other proficiency in an area of the Company's operations; diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other board members; diversity of background and perspective, including, but not limited to, with respect to age, gender, race, place of residence and specialized experience; practical and mature business judgment, including, but not limited to, the ability to make independent analytical inquiries; and any other relevant qualifications, attributes or skills. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee may also consider the director's past attendance at meetings and participation in and contributions to the activities of the Board.

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting the names of the recommended individuals, together with appropriate biographical information and background materials, to the Nominating and Corporate Governance Committee, c/o Secretary, Aratana Therapeutics, Inc., 11400 Tomahawk Creek Parkway, Suite 340, Leawood, Kansas 66211. In the event there is a vacancy, and assuming that appropriate biographical and background material has been provided on a timely basis, the Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Communications from Stockholders

The Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our Secretary is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Secretary and Chairman of the Board consider to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications. Stockholders who wish to send communications on any topic to the Board should address such communications to the Board of Directors in writing: c/o Secretary, Aratana Therapeutics, Inc., 11400 Tomahawk Creek Parkway, Suite 340, Leawood, Kansas 66211.

Board Leadership Structure and Role in Risk Oversight

Our Amended and Restated Bylaws and Corporate Governance Guidelines provide our Board of Directors with flexibility to combine or separate the positions of Chairman of the Board and Chief Executive Officer in accordance with its determination that utilizing one or the other structure would be in the best interests of our Company. At the current time, Wendy L. Yarno, an independent director, serves as Chairman of the Board. Steven St. Peter M.D., our current President and Chief Executive Officer, also serves as a director. Our Board of Directors has concluded that our current leadership structure is appropriate at this time. However, our Board of Directors will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

Risk assessment and oversight are an integral part of our governance and management processes. Our Board of Directors encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing us. Throughout the year, senior management reviews these risks with the Board of Directors at regular board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks. Our Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through the Board of Directors as a whole, as well as through various standing committees of the Board of Directors that address risks inherent in their respective areas of oversight. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure, and our Audit Committee is responsible for overseeing our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The Audit

CORPORATE GOVERNANCE

Committee also monitors compliance with legal and regulatory requirements and considers and approves or disapproves any related person transactions. Our Nominating and Corporate Governance Committee monitors the effectiveness of the Corporate Governance Guidelines. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. The Board does not believe that its role in the oversight of our risks affects the Board's leadership structure.

annual board evaluation

Our Corporate Governance Guidelines require the Nominating and Corporate Governance Committee to oversee an annual assessment by the Board of the Board's performance. As provided in our Corporate Governance Guidelines, the Nominating and Corporate Governance Committee is responsible for establishing the evaluation criteria and implementing the process for such evaluation. The annual evaluation includes an evaluation of the Audit, Compensation and Nominating and Corporate Governance Committees.

Code of Ethics

We have a written Code of Business Conduct and Ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. We have posted a current copy of the code on our website, www.aratana.com. In addition, we intend to post on our website all disclosures that are required by law or the listing standards of NASDAQ concerning any amendments to, or waivers from, any provision of the code.

Attendance by Members of the Board of Directors at Meetings

There were six meetings of the Board of Directors during the fiscal year ended December 31, 2015. During the fiscal year ended December 31, 2015, each director attended at least 75% of the aggregate of all meetings of the Board of Directors and meetings of the committees on which the Director served during the period in which he or she served as a director.

Currently, we do not maintain a formal policy regarding director attendance at the Annual Meeting; however, it is expected that absent compelling circumstances directors will attend. Nine directors attended the 2015 Annual Meeting of Stockholders in person.

Committees of the Board

Our Board has established three standing committees—Audit, Compensation and Nominating and Corporate Governance—each of which operates under a written charter that has been approved by our Board. All of the members of each of the Board’s three standing committees are independent as defined under the NASDAQ rules. In addition, all members of the Audit Committee meet the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934, or the Exchange Act, and all members of the Compensation Committee meet the heightened standard for independence specific to members of a compensation committee under the NASDAQ rules.

The members of each of the Board committees and committee Chairs are set forth in the following chart.

COMMITTEES OF THE BOARD

Compensation Committee

Our Compensation Committee reviews, approves and recommends to the Board of Directors policies relating to compensation and benefits of our officers and other employees. At least annually, the Compensation Committee reviews and recommends corporate goals and objectives relevant to the compensation of our Chief Executive Officer, evaluates the performance of the Chief Executive Officer in light of those goals and objectives and reviews and recommends to the Board of Directors the compensation of the Chief Executive Officer. The Compensation Committee generally considers the Chief Executive Officer's recommendations when making decisions regarding the compensation of senior executives and executive officers other than the Chief Executive Officer.

The Compensation Committee also grants and recommends to our Board of Directors for approval issuances of stock options and other awards under our equity plans. In addition, the Compensation Committee periodically reviews and recommends to the Board compensation for service on the Board and any committees of the Board. The Compensation Committee may delegate its authority under its charter to one or more subcommittees as it deems appropriate from time to time as further described in its charter. The Compensation Committee may also delegate to an officer the authority to grant or amend equity awards to certain employees, as further described in its charter and subject to the terms of our equity plans.

The Compensation Committee has the authority to retain or obtain the advice of compensation consultants, legal counsel and other advisors to assist in carrying out its responsibilities. In 2015, the Compensation Committee engaged Radford, a compensation consulting firm, to assist in making decisions regarding the amount and types of compensation to provide our executives and non-employee directors. As part of this process, the Compensation Committee reviewed a compensation assessment provided by Radford comparing our compensation to that of a group of peer companies within our industry and met with Radford to discuss our executive and non-employee director compensation and to receive input and advice. Radford reports directly to the Compensation Committee. During the year ended December 31, 2015, the fees we paid to Radford for services other than the services provided to the Compensation Committee described above did not exceed \$120,000. The Compensation Committee reviews and evaluates, at least annually, the performance of the Compensation Committee and its members, including compliance by the Compensation Committee with its charter. The members of our Compensation Committee are Mr. Brinkley, Mr. Roche and Ms. Yarno. Mr. Roche serves as the Chairperson of the committee.

The Compensation Committee met six times during 2015.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for making recommendations to our Board of Directors regarding candidates for directorships and the size and composition of our Board of Directors. In addition, the Nominating and Corporate Governance Committee is responsible for overseeing our corporate governance policies and reporting and making recommendations to our Board of Directors concerning governance matters. The Nominating and Corporate Governance Committee also oversees an annual assessment by the Board of the Board's performance. The members of our Nominating and Corporate Governance Committee are Mr. Gerber, Mr. Hockaday

and Mr. Vander Vort. Mr. Vander Vort serves as the Chairperson of the committee.

The Nominating and Corporate Governance Committee met four times in 2015.

NARRATIVE DISCLOSURE TO COMPENSATION TABLES

Employment Agreements

Steven St. Peter, M.D.

In September 2012, we entered into an employment agreement with Dr. St. Peter to serve as our President and Chief Executive Officer for an unspecified term. The agreement was amended effective June 26, 2013 in connection with our initial public offering. The employment agreement, as amended, provides for a cash bonus under our annual cash incentive bonus program, or the Cash Bonus Plan, targeted at 50% of Dr. St. Peter's annual base salary.

Under the terms of Dr. St. Peter's employment agreement, if we terminate his employment without cause or he resigns for good reason, then, subject to his executing a general release of claims, Dr. St. Peter will be entitled to receive 12 months of continued base salary, reimbursement of up to 12 months of insurance premiums for continuation coverage under our group health plans and accelerated vesting of all equity awards which would have vested during the 12 months following his termination had he remained employed with us, provided that if we terminate Dr. St. Peter's employment without cause after providing him notice that his performance of certain services or activities for other entities is interfering with his performance of duties for us, then Dr. St. Peter shall only be entitled to one-half of these severance benefits. If we terminate Dr. St. Peter's employment without cause or he resigns for good reason on account of or within the 12-month period following a change in control, referred to below as the Double-Trigger Period, then in lieu of the foregoing amounts and subject to his executing a general release of claims, Dr. St. Peter will be entitled to receive 150% of the sum of his base salary in effect at the time of termination plus the target cash bonus in effect for the year of termination, paid in equal installments over a period of 18 months, reimbursement of up to 18 months of insurance premiums for continuation coverage under our group health plans and accelerated vesting in full of all outstanding equity awards. If Dr. St. Peter's employment is terminated due to his death or disability, he will be entitled to receive accelerated vesting of all equity awards which would have vested during the 12 months following his termination had he remained employed with us.

"Cause" for purposes of Dr. St. Peter's employment agreement means (i) the conviction of a felony or crime involving moral turpitude or dishonesty, (ii) participation in a fraud against the Company, (iii) willful and material breach of duties, (iv) intentional and material damage to Company property or (v) material breach of his non-disclosure and assignment agreement with the Company, in each case, after a reasonable opportunity (or 30 days with respect to willful and material breach of duties) to cure the condition constituting cause has expired. "Good reason" means (a) a material diminution in authority, duties or responsibilities, (b) a material change in work location, (c) a material diminution in base compensation or (d) a material breach of the employment agreement which remains uncured for 30 days following receipt of notice.

Dr. St. Peter's employment agreement contains covenants pursuant to which Dr. St. Peter has agreed not to compete with the Company or solicit Company employees for one year following his termination of employment for any reason, provided that this period is extended to 18 months if Dr. St. Peter's employment is terminated by us without cause or by him for good reason during the Double-Trigger Period. The agreement further provides that any payments received by Dr. St. Peter under the employment agreement in connection with a change in control that are subject to excise taxes under Section 4999 of the Internal Revenue Code will be reduced to the extent the reduction results in a greater amount being paid to Dr. St. Peter on an after-tax basis.

Craig A. Tooman

In November 2013, we entered into an employment agreement with Mr. Tooman to serve as our Chief Financial Officer for an unspecified term. Mr. Tooman's employment agreement provides for a bonus under the Cash Bonus Plan targeted at 35% of Mr. Tooman's annual base salary.

Under the terms of Mr. Tooman's employment agreement, if we terminate his employment without cause or he resigns for good reason, then, subject to his executing a general release of claims, Mr. Tooman will be entitled to receive six months of continued base salary, reimbursement of up to six months of insurance premiums for continuation coverage under our group health plans and accelerated vesting in full of all stock options granted to him for service as a director, provided that if the termination occurs during the Double-Trigger Period, Mr. Tooman will instead be entitled to receive 12 months of continued base salary, reimbursement of up to 12 months of insurance premiums for continuation coverage under our group health plans and accelerated vesting in full of all outstanding equity awards. If Mr. Tooman's employment is terminated due to his death or disability, he will be entitled to receive accelerated vesting of all equity awards which would have vested during the 12 months following his termination had he remained employed with us.

The terms "cause" and "good reason" have substantially the same definition in Mr. Tooman's employment agreement as in Dr. St. Peter's employment agreement.

Mr. Tooman's employment agreement contains covenants pursuant to which Mr. Tooman has agreed not to compete with the Company for six months or solicit Company employees for one year following his termination of employment for any reason. The agreement further provides that any payments received by Mr. Tooman under the employment agreement in

In December 2012, we entered into an employment agreement with Ms. Stephanus to serve as our Chief Commercial Officer for an unspecified term. Ernst Heinen, D.V.M., Ph.D.

In March 2013, we entered into an employment agreement with Dr. Heinen for an unspecified term. The agreement was amended effective June 26, 2013 in connection with our initial public offering. If Dr. Heinen's employment is terminated due to his death or disability, he will be entitled to receive accelerated vesting of all equity awards which would have vested during the 12 months following his termination had he remained employed with us.

The terms “cause” and “good reason” have substantially the same definition in Dr. Heinen’s employment agreement as in Dr. St. Peter’s employment agreement.

Dr. Heinen’s employment agreement contains covenants pursuant to which Dr. Heinen has agreed not to compete with the Company for six months or solicit Company employees for one year following his termination of employment for any reason. The agreement further provides that any payments received by Dr. Heinen under the employment agreement in connection with a change in control which are subject to excise taxes under Section 4999 of the Internal Revenue Code will be reduced to the extent the reduction results in a greater amount being paid to Dr. Heinen on an after-tax basis.

In addition, if Dr. Rhodes resigns her employment with the Company without good reason after March 5, 2015, then, subject to her executing a general release of claims, Dr. Rhodes will be entitled to receive payment of \$112,500, payable in installments over six months. If Dr. Rhodes's employment is terminated due to her death or disability, she will be entitled to receive accelerated vesting of all equity awards which would have vested during the 12 months following her termination had she remained employed with the Company.

On December 29, 2015, Dr. Rhodes notified the Company of her intent to retire effective May 15, 2016.

Base Salaries

We pay our named executive officers a base salary to compensate them for the satisfactory performance of services rendered to our Company. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities. Base salaries for our named executive officers have generally been set at levels deemed necessary to attract and retain individuals with superior talent.

Effective January 1, 2015, our Board of Directors approved an increase in Ms. Stephanus's base salary from \$302,500 to \$325,000 in recognition of her efforts and following an executive compensation benchmarking analysis by the Compensation Committee. None of our other named executive officers received a base salary increase in 2015.

2015 Cash Bonus Plan

All named executive officers are eligible to participate in our discretionary Cash Bonus Plan. For each named executive officer, bonuses under the Cash Bonus Plan are generally determined by multiplying (a) base salary, by (b) target cash bonus percentage, by (c) the level of achievement of Company performance objectives and, for each named executive officer other than Drs. St. Peter and Rhodes, individual performance objectives. For each named executive officer other than Drs. St. Peter and Rhodes, the achievement of 2015 corporate objectives was weighted 70% and the achievement of individual objectives was weighted 30%. Drs. St. Peter's and Rhodes's 2015 bonuses were weighted 100% on corporate objectives.

Cash bonuses under the plan are typically prorated to reflect a partial year of service, and the Board of Directors reserves discretion to adjust bonuses for our named executive officers based on its own evaluations and recommendations of our Compensation Committee. The named executive officers' employment agreements establish their target annual cash bonuses, expressed as a percentage of base salary, as described above in the section titled

“—Employment Agreements.”

Corporate objectives for the 2015 Cash Bonus Plan were approved in January 2015 by our Board of Directors in consultation with management and based on recommendations by our Compensation Committee. The 2015 goals (and their relative weighting) generally related to advancing our product (17.5%) and pre-development pipelines (10%), executing on specialty commercial strategies while preparing for primary care products (22.5%), funding the Company utilizing non-dilutive sources (15%), and managing and growing our business portfolio (20%) as well as managing the integration and growth of the acquired businesses (15%). For each named executive officer other than Drs. St. Peter and Rhodes, individual objectives focused on the named executive officer’s area of responsibility within our Company. In January 2016, the Compensation Committee determined in consultation with management that the Company’s percentage achievement of corporate objectives under the 2015 Cash Bonus Plan was 90% and, after determining the level of achievement of individual objectives for each named executive officer (other than Drs. St. Peter and Rhodes), recommended bonuses for our named executive officers to the Board for approval. The actual award granted to each named executive officer under the 2015 Cash Bonus Plan is set forth in our 2015 Summary Compensation Table above.

EXECUTIVE AND DIRECTOR COMPENSATION

Equity Compensation

We offer stock options and stock awards to our employees, including named executive officers, as the long-term incentive component of our compensation program. We typically grant equity awards to new hires upon their commencing employment with us and from time to time thereafter. Our stock options allow employees to purchase shares of our common stock at a price per share equal to the fair market value of our common stock on the date of grant and may or may not be intended to qualify as “incentive stock options” for U.S. federal income tax purposes. Generally, the stock options we grant vest as to 25% of the total number of option shares on the first anniversary of the date of grant and in equal monthly installments over the ensuing 36 months, subject to the employee’s continued employment with us on the vesting date. Stock option grants that were made prior to our initial public offering generally allow employees the opportunity to “early exercise” unvested stock options by purchasing shares underlying the unvested portion of an option subject to our right to repurchase any unvested shares for the lesser of the exercise price paid for the shares and the fair market value of the shares on the date of the holder’s termination of service if the employee’s service with us terminates prior to the date on which the option vests.

We also grant restricted stock awards to our employees consisting of shares of our common stock which are subject to forfeiture at the time the employee’s service with us terminates. Generally, these forfeiture restrictions lapse over a number of years in accordance with time-based vesting schedules designed to encourage the recipient’s continued employment.

Stock options and stock awards granted to our named executive officers may be subject to accelerated vesting in certain circumstances. For additional discussion, please see “—Employment Agreements” above and “—Other Elements of Compensation—Change in Control Benefits” below.

The following table sets forth the number of options and restricted shares granted to our named executive officers in 2015:

NAMED EXECUTIVE OFFICER	NUMBER	
	OF OPTIONS (#)	NUMBER OF RESTRICTED SHARES (#)
Steven St. Peter, M.D.	125,000	85,900
Craig A. Tooman	32,500	22,300
Julia A. Stephanus	25,000	17,200
Ernst Heinen, D.V.M., Ph.D.	25,000	17,200
Linda Rhodes, V.M.D., Ph.D.	—	17,200

These stock option awards vest according to our standard stock option vesting schedule described above. Except for the restricted stock award granted to Dr. Rhodes, the restricted stock awards for our named executive officers vest in equal annual installments on the first three anniversaries of the date of grant, subject to the named executive officer's continued employment with us through each vesting date, provided that if the named executive officer's employment with us terminates for a reason other than cause or due to his resignation without good reason, a prorated portion of the shares otherwise scheduled to vest on the next scheduled vesting date will vest, with the proration based on the number of whole months elapsed since the vesting date immediately preceding the employment termination date. Dr. Rhodes's restricted stock award vests in equal one-third installments on July 31, 2015, January 29, 2016 and January 29, 2017, subject to her continued employment with us through each vesting date.

Other Elements of Compensation

Retirement Plans

We maintain a 401(k) retirement savings plan that allows eligible employees to defer a portion of their compensation, within limits prescribed by the Internal Revenue Code, on a pre-tax basis through contributions to the plan. Our named executive officers are eligible to participate in the 401(k) plan on the same terms as other full-time employees generally. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage, and these matching contributions are fully vested as of the date on which the contribution is made. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan, and making fully vested matching contributions, adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies.

Employee Benefits and Perquisites

Our named executive officers are eligible to participate in our health and welfare plans to the same extent as all full-time employees generally. We do not generally provide our named executive officers with perquisites or other personal

EXECUTIVE AND DIRECTOR COMPENSATION

benefits, although we have on occasion reimbursed moving expenses for named executive officers who relocate in connection with performing services for us.

No Tax Gross-Ups

We do not make gross-up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation paid or provided by our Company.

Change in Control Benefits

As described above in the section titled “—Employment Agreements,” our named executive officers may become entitled to enhanced severance benefits upon a qualifying termination of employment that occurs in connection with a change in control of our Company. In addition, all equity awards granted to Dr. St. Peter prior to our initial public offering, will vest in full upon a change in control.

EXECUTIVE AND DIRECTOR COMPENSATION

PROHIBITIONS ON HEDGING AND PLEDGING OF COMPANY STOCK

Our Insider Trading Policy prohibits hedging or monetization transactions, such as zero-cost collars and forward sale contracts, which allow officers, directors or employees to continue to own the Company's securities, but without the full risks and rewards of ownership. In addition, our Insider Trading Policy prohibits purchases of our securities on margin and pledging our securities as collateral to secure a loan. The prohibition on pledging does not apply to any broker-assisted cashless exercise of equity awards.

DIRECTOR COMPENSATION

Our director compensation program is intended to provide a total compensation package that enables us to attract and retain qualified and experienced individuals to serve as directors and to align our directors' interests with those of our stockholders. Directors who are also employees of our Company do not receive compensation for their service on our Board of Directors.

Under our director compensation program, as amended during 2015, non-employee directors receive a cash retainer for service on the Board of Directors and for service on each committee of which the director is a member. The Chairperson of the Board and of each committee receives a higher retainer for such service. Cash retainers are payable quarterly in arrears. The fees paid to non-employee directors for service on the Board of Directors and for service on each committee of the Board of Directors on which the director is a member are as follows:

NAME	MEMBER ANNUAL FEE	CHAIRMAN ANNUAL FEE
Board of Directors	\$ 35,000	\$ 60,000
Audit Committee	\$ 7,500	\$ 15,000
Compensation Committee	\$ 5,000	\$ 10,000
Nominating and Corporate Governance Committee	\$ 3,500	\$ 7,500

We also continue to reimburse our non-employee directors for reasonable travel and out-of-pocket expenses incurred in connection with attending Board of Directors and committee meetings.

In addition, under our director compensation program, each non-employee director elected to our Board of Directors receives an option to purchase 20,000 shares of our common stock upon commencing service on the Board. These options vest in equal annual installments over a four-year period measured from the date of grant, subject to full accelerated vesting upon a change in control of our Company. Further, on the date of each annual meeting of stockholders, each non-employee director that has served on our Board of Directors for at least six months receives an

option to purchase 10,000 shares of our common stock. These options vest in full on the earlier of (a) the first anniversary of the date of grant and (b) the day immediately preceding the next annual meeting of stockholders following the date of grant, subject to accelerated vesting upon a change in control of our Company. All options are granted with an exercise price equal to the fair market value of our common stock on the date of grant.

The following table sets forth information regarding the compensation of our non-employee directors earned during 2015:

Security Ownership of Certain Beneficial Owners and Management

Common Stock

The following table sets forth certain information with respect to holdings of our Common Stock by (i) stockholders who beneficially owned more than 5% of the outstanding shares of our Common Stock, and (ii) each of our directors (which includes all nominees), each of our named executive officers and all directors and executive officers as a group as of April 1, 2016, unless otherwise indicated. The number of shares beneficially owned by each stockholder is determined under rules issued by the SEC. Under these rules, beneficial ownership includes any shares as to which a person has sole or shared voting power or investment power. Applicable percentage ownership is based on 35,347,186 shares of Common Stock outstanding as of April 1, 2016. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options, warrants or other rights held by such person that are currently exercisable or will become exercisable within 60 days of April 1, 2016 are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person.

Unless otherwise indicated, the address of each beneficial owner listed below is 11400 Tomahawk Creek Parkway, Suite 340, Leawood, Kansas 66211. We believe, based on information provided to us, that each of the stockholders listed below has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

Certain Relationships

policies and procedures for Related Person Transactions

Our Board of Directors has adopted a written Related Person Transaction Policy, setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, where the amount involved exceeds \$120,000 in any fiscal year and a related person had, has or will have a direct or indirect material interest. In reviewing and approving any such transactions, our Audit Committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction and the extent of the related person's interest in the transaction. The following are certain transactions, arrangements and relationships with our directors, executive officers and stockholders owning 5% or more of our outstanding Common Stock.

lease agreement

From May 2013 through December 2015, we leased our corporate headquarters, which were located in an office building in Kansas City, Kansas, from MPM Heartland House LLC. Steven St. Peter, M.D., our President and Chief Executive Officer, holds 99.99% of the outstanding membership interests of this entity. In May 2013, we entered into a lease and a services agreement with MPM Heartland House LLC for our corporate headquarters, and in September 2015 we entered into an amendment to the lease and the services agreement extending the term of both the lease and the services agreement from a termination date of September 30, 2015 to a termination date of December 31, 2015. As a result of the lease amendment, the rent paid under the lease was \$15,183 per month. The services agreement with MPM Heartland House LLC included the lease of the furniture, janitorial and other services to care for the property which totaled approximately \$33,000 in 2015. We believe the terms of our services agreement and lease agreement with MPM Heartland House, as amended, were no less favorable to us than those that we could have obtained from an unaffiliated third party. In mid-December 2015, we relocated our corporate headquarters to Leawood, Kansas. We have no further obligations or agreements with MPM Heartland House LLC.

employment agreements

We have entered into employment agreements with our named executive officers. For more information regarding these agreements, see the section in this proxy statement entitled "Executive and Director Compensation—Narrative Disclosure to Compensation Tables—Employment Agreements."

indemnification agreements

We have entered into indemnification agreements with each of our directors and executive officers. These agreements, among other things, require us or will require us to indemnify each director (and in certain cases their related venture capital funds) and executive officer to the fullest extent permitted by Delaware law, including indemnification of expenses such as attorneys' fees, judgments, fines and settlement amounts incurred by the director or executive officer in any action or proceeding, including any action or proceeding by or in right of us, arising out of the person's services as a director or executive officer.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and stockholders who beneficially own more than 10% of any class of our equity securities registered pursuant to Section 12 of the Exchange Act (collectively, the “Reporting Persons”) to file initial statements of beneficial ownership of securities and statements of changes in beneficial ownership of securities with respect to our equity securities with the SEC. All Reporting Persons are required by SEC regulation to furnish us with copies of all reports that such Reporting Persons file with the SEC pursuant to Section 16(a). Based solely on our review of the copies of such forms received by us and upon written representations of the Reporting Persons received by us, we believe that there has been compliance with all Section 16(a) filing requirements applicable to such Reporting Persons with respect to the year ended December 31, 2015.

Compensation Committee Interlocks and Insider Participation

During the fiscal year ended December 31, 2015, David L. Brinkley, Robert P. Roche and Wendy L. Yarno served as members of our Compensation Committee. In addition, Jay Lichter, Ph.D. served on our Compensation Committee during 2015 until his resignation from the Board in August 2015. No member of our Compensation Committee during 2015 is or was our current or former officer or employee. During 2015, none of our executive officers served as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any other entity that has one or more of its executive officers serving as a member of our Board of Directors or Compensation Committee.

Stockholders' Proposals

Stockholders who intend to have a proposal considered for inclusion in our proxy materials for presentation at our 2017 Annual Meeting of Stockholders pursuant to Rule 14a-8 under the Exchange Act must submit the proposal to our Secretary at our offices at 11400 Tomahawk Creek Parkway, Suite 340, Leawood, Kansas 66211 in writing not later than January 6, 2017.

Stockholders intending to present a proposal at the 2017 Annual Meeting of Stockholders, but not to include the proposal in our proxy statement, or to nominate a person for election as a director, must comply with the requirements set forth in our Amended and Restated Bylaws. Our Amended and Restated Bylaws require, among other things, that our Secretary receive written notice from the stockholder of record of their intent to present such proposal or nomination not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the anniversary of the preceding year's annual meeting. Therefore, the Company must receive notice of such a proposal or nomination for the 2017 Annual Meeting of Stockholders no earlier than the close of business on February 24, 2017 and no later than the close of business on March 26, 2017. The notice must contain the information required by the Amended and Restated Bylaws, a copy of which is available upon request to our Secretary. In the event that the date of the 2017 Annual Meeting of Stockholders is more than 30 days before or more than 60 days after June 24, 2017, then our Secretary must receive such written notice not earlier than the close of business on the 120th day prior to the 2017 Annual Meeting and not later than the close of business on the 90th day prior to the 2017 Annual Meeting or, if later, the 10th day following the day on which public disclosure of the date of such meeting is first made by the Company. SEC rules permit management to vote proxies in its discretion in certain cases if the stockholder does not comply with this deadline and, in certain other cases notwithstanding the stockholder's compliance with this deadline.

We reserve the right to reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these or other applicable requirements.

Other Matters

Our Board of Directors is not aware of any matter to be presented for action at the Annual Meeting other than the matters referred to above and does not intend to bring any other matters before the Annual Meeting.
