Questions and Answers about the 2019 Annual Meeting of Stockholders

Who is entitled to vote at the Annual Meeting?

The Record Date for the Annual Meeting is April 10, 2019. You are entitled to vote at the Annual Meeting only if you were a stockholder of record at the close of business on that date, or if you hold a valid proxy for the Annual Meeting. Each outstanding share of Common Stock is entitled to one vote for all matters before the Annual Meeting. At the close of business on the Record Date, there were 48,969,728 shares of Common Stock outstanding and entitled to vote at the Annual Meeting.

What is the difference between being a “record holder” and holding shares in “street name”?

A record holder holds shares in his or her name. Shares held in “street name” means shares that are held in the name of a bank or broker on a person’s behalf.

Am I entitled to vote if my shares are held in “street name”?

Yes. If your shares are held by a bank or a brokerage firm, you are considered the “beneficial owner” of those shares held in “street name.” If your shares are held in street name, these proxy materials are being provided to you by your bank or brokerage firm, along with a voting instruction card if you received printed copies of our proxy materials. As the beneficial owner, you have the right to direct your bank or brokerage firm how to vote your shares, and the bank or brokerage firm is required to vote your shares in accordance with your instructions. If your shares are held in street name, you may not vote your shares in person at the Annual Meeting, unless you obtain a legal proxy from your bank or brokerage firm.

How many shares must be present to hold the Annual Meeting?

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority in voting power of the Common Stock issued and outstanding and entitled to vote on the Record Date will constitute a quorum.

Who can attend the 2019 Annual Meeting of Stockholders?

You may attend the Annual Meeting only if you are an Aratana stockholder who is entitled to vote at the Annual Meeting, or if you hold a valid proxy for the Annual Meeting. If you would like to attend the Annual Meeting, you must call 1-913-353-1023 no later than 5:00 p.m. Central Time on June 4, 2019 to have your name placed on the attendance list. In order to be admitted into the Annual Meeting, your name must appear on the attendance list and you must present government-issued photo identification (such as a driver's license). If your bank or broker holds your shares in street name, you will also be required to present proof of beneficial ownership of our Common Stock on the Record Date, such as the Internet Notice you received from your bank or broker, or a bank or brokerage statement or a letter from your bank or broker showing that you owned shares of our Common Stock at the close of business on the

Record Date.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present at the scheduled time of the Annual Meeting, (i) the Chairperson of the Annual Meeting or (ii) a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present in person or represented by proxy, may adjourn the Annual Meeting until a quorum is present or represented.

What does it mean if I receive more than one Internet Notice or more than one set of proxy materials?

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, for each Internet Notice or set of proxy materials, please submit your proxy by phone, via the Internet, or, if you received printed copies of the proxy materials, by signing, dating and returning the enclosed proxy card in the enclosed envelope.

Questions and Answers about the 2019 Annual Meeting of Stockholders

How do I vote?

We recommend that stockholders vote by proxy even if they plan to attend the Annual Meeting and vote in person. If you are a stockholder of record, there are three ways to vote by proxy:

- by Telephone—You can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card;
 - by Internet—You can vote over the Internet at www.proxyvote.com by following the instructions on the Internet Notice or proxy card; or
 - by Mail—You can vote by mail by signing, dating and mailing the proxy card, which you may have received by mail.
- Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on June 5, 2019.

If your shares are held in street name through a bank or broker, you will receive instructions on how to vote from the bank or broker. You must follow their instructions in order for your shares to be voted. Telephone and Internet voting also may be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you would like to vote your shares in person at the Annual Meeting, you should contact your bank or broker to obtain a legal proxy and bring it to the Annual Meeting in order to vote.

Can I change my vote after I submit my proxy?

Yes.

If you are a registered stockholder, you may revoke your proxy and change your vote:

- by submitting a duly executed proxy bearing a later date;
- by granting a subsequent proxy through the Internet or telephone;
- by giving written notice of revocation to the Secretary of Aratana prior to or at the Annual Meeting; or
- by voting in person at the Annual Meeting.

Your most recent proxy card or telephone or Internet proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Secretary before your proxy is voted or you vote in person at the Annual Meeting.

If your shares are held in street name, you may change or revoke your voting instructions by following the specific directions provided to you by your bank or broker, or you may vote in person at the Annual Meeting by obtaining a legal proxy from your bank or broker and submitting the legal proxy along with your ballot.

Who will count the votes?

A representative of Broadridge Financial Solutions, Inc., our inspector of election, will tabulate and certify the votes.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board of Directors. The Board of Directors' recommendations are indicated on page 2 of this proxy statement, as well as with the description of each proposal in this proxy statement.

Will any other business be conducted at the Annual Meeting?

We know of no other business that will be presented at the Annual Meeting. If any other matter properly comes before the stockholders for a vote at the Annual Meeting, however, the proxy holders named on the Company's proxy card will vote your shares in accordance with their best judgment.

Questions and Answers about the 2019 Annual Meeting of Stockholders

How many votes are required for the approval of the proposals to be voted upon and how will abstentions and broker non-votes be treated?

	Votes Required	Effect of Votes Withheld, Abstentions and Broker Non-Votes
Proposal 1: Election of Directors	The plurality of the votes cast. This means that the four nominees receiving the highest number of affirmative “FOR” votes will be elected as Class III Directors.	Votes withheld and broker non-votes will have no effect.
Proposal 2:	The affirmative vote of the holders of a majority in voting power of the votes cast is required to approve, on a non-binding basis, this proposal.	Votes withheld and broker non-votes will have no effect.
Proposal 3:	The option of one year, two years or three years that receives a majority of votes cast at the Annual Meeting will be the frequency for the advisory vote that has been recommended by stockholders. In the event that no option receives a majority of votes cast, the Company will consider the option that receives the most votes to be the option selected by stockholders.	Votes withheld and broker non-votes will have no effect.
Proposal 4: Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively.	Abstentions will have no effect. We do not expect any broker non-votes on this proposal.

What is an abstention and how will votes withheld and abstentions be treated?

A “vote withheld,” in the case of the proposal regarding the election of directors (Proposal No. 1), or an “abstention,” in the case of the proposal regarding the say-on-pay vote (Proposal No. 2), the say on frequency vote (Proposal No. 3) or the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm (Proposal No. 4), represents a stockholder’s affirmative choice to decline to vote on a proposal. Votes withheld and abstentions are counted as present and entitled to vote for purposes of determining a quorum. Votes withheld have no effect on the election of directors and abstentions have no effect on the ratification of the appointment of PricewaterhouseCoopers LLP.

What are broker non-votes and do they count for determining a quorum?

Generally, broker non-votes occur when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a particular proposal because the broker (1) has not received voting instructions from the beneficial owner and (2) lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a

beneficial owner on routine matters, such as the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm (Proposal No. 4), without instructions from the beneficial owner of those shares. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on non-routine matters, such as the election of directors (Proposal No. 1), the say-on-pay vote (Proposal No. 2) and the say on frequency vote (Proposal No. 3). Broker non-votes count for purposes of determining whether a quorum is present.

Where can I find the voting results of the 2019 Annual Meeting of Stockholders?

We plan to announce preliminary voting results at the Annual Meeting and we will report the final results in a Current Report on Form 8-K, which we intend to file with the SEC after the Annual Meeting.

PROPOSALS TO BE VOTED On—PROPOSAL 1

Election of Directors

At the Annual Meeting, four (4) Class III Directors are to be elected to hold office until the Annual Meeting of Stockholders to be held in 2022 and until such director's successor is elected and qualified or until such director's earlier death, resignation or removal.

The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the four nominees receiving the highest number of affirmative "FOR" votes will be elected as Class III Directors. Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

As set forth in our Restated Certificate of Incorporation, the Board of Directors is currently divided into three classes with staggered, three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. In accordance with our Restated Certificate of Incorporation and Amended and Restated Bylaws, on March 14, 2019, the Board authorized a decrease in the size of the Board from ten (10) to nine (9) directors. Also on that date, former Class I Director Laura A. Brege resigned from the Board.

The current class structure is as follows: Class I, whose term will expire at the 2020 Annual Meeting of Stockholders and whose subsequent term will expire at the 2023 Annual Meeting of Stockholders; Class II, whose term will expire at the 2021 Annual Meeting of Stockholders and whose subsequent term will expire at the 2024 Annual Meeting of Stockholders; and Class III, whose term currently expires at the 2019 Annual Meeting of Stockholders and whose subsequent term will expire at the 2022 Annual Meeting of Stockholders. The current Class I Directors are Lowell W. Robinson and Wendy L. Yarno; the current Class II Directors are Irvine "Irv" O. Hockaday, Jr., Esq., Merilee Raines and John Vander Vort, Esq.; and the current Class III Directors are Craig A. Barbarosh, Esq., David Brinkley, Robert P. Roche, Jr. and Craig A. Tooman.

Our Restated Certificate of Incorporation and Amended and Restated Bylaws provide that the authorized number of directors may be changed only by resolution of the Board of Directors. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of our Board of Directors into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control of our Company. Our directors may be removed only for cause by the affirmative vote of the holders of at least two-thirds of our outstanding voting stock entitled to vote in the election of directors.

There are no family relationships among any of our executive officers or directors.

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote the shares of Common Stock represented thereby for the election as Class III Directors the persons whose names and biographies appear below. All of the persons whose names and biographies appear below are currently serving as our directors. In the event any of the nominees should become unable to serve, or for good cause will not serve, as a director, it is

intended that votes will be cast for a substitute nominee designated by the Board of Directors or the Board may elect to reduce its size. The Board of Directors has no reason to believe that the nominees named below will be unable to serve if elected. Each of the nominees has consented to being named in this proxy statement and to serve if elected.

Vote Required

The proposal regarding the election of directors requires the approval of a plurality of the votes cast. This means that the four nominees receiving the highest number of affirmative “FOR” votes will be elected as Class III Directors. Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal.

PROPOSAL 2

Advisory Vote to Approve NEO Compensation

As required by Section 14A of the Exchange Act, the Company is providing its stockholders with the opportunity to cast an advisory vote on executive compensation as described below. The Company believes that it is appropriate to seek the views of stockholders on the design and effectiveness of the Company's executive compensation program.

Our compensation program is designed to motivate, attract and retain the services of quality executives upon whose judgment, interest and special effort the successful conduct of the Company's operation is largely dependent and to promote the success and enhance the value of the Company by linking the individual interests of the executives to those of our stockholders and by providing such executives with an incentive for outstanding performance to generate superior returns to our stockholders. Our executive compensation program is administered by the Compensation Committee of our Board of Directors and is more fully described in "Committees of the Board - Compensation Committee" and "Executive and Director Compensation" below. We encourage you to carefully consider the entire compensation program in connection with your decision to vote on this proposal.

We are asking for stockholder approval of the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the policies and practices described in this proxy statement. Accordingly, we are asking you to approve the following resolution:

RESOLVED, that the compensation paid to the named executive officers of Aratana Therapeutics, Inc., as disclosed in the 2019 Proxy Statement of Aratana Therapeutics, Inc. pursuant to Item 402 of SEC Regulation S-K hereby is approved.

This vote is advisory and therefore not binding on the Company, the Company's Compensation Committee, or the Board of Directors. However, the Board of Directors and the Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the NEO compensation as disclosed in this proxy statement, we will consider those stockholders' concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Vote Required

The affirmative vote of the holders of a majority in voting power of the votes cast is required to approve, on a non-binding basis, this proposal. Votes withheld and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR the approval of the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to Item 402 of SEC Regulation S-K.

PROPOSAL 3

Advisory Vote on the Frequency of Holding Future Advisory Votes on Executive Compensation

As described in Proposal No. 2 above, our stockholders are being provided the opportunity to cast an advisory vote on the Company's executive compensation program. The advisory vote on executive compensation described in Proposal 2 above is referred to as a "say-on-pay vote."

This Proposal 3 affords stockholders the opportunity to cast an advisory vote on how often the Company should include a say-on-pay vote in its proxy materials for future annual stockholder meetings (or special stockholder meetings for which the Company must include executive compensation information in the proxy statement for that meeting). Under this Proposal 3, stockholders may vote to have the say-on-pay vote every year, every two years or every three years or may abstain.

The Company believes that say-on-pay votes should be conducted every year so that stockholders may annually express their views on our executive compensation program. The Compensation Committee of the Board of Directors, which administers the Company's executive compensation program, values the opinions expressed by stockholders in these votes and will continue to consider the outcome of these votes in making its decisions on executive compensation.

For the purposes of the non-binding advisory vote on this Proposal 3, the Company will take into consideration the stockholder vote on each of the alternatives set forth in the proxy card with respect to this proposal.

Vote Required

The option of one year, two years or three years that receives a majority of votes cast at the Annual Meeting will be the frequency for the advisory vote that has been recommended by stockholders. In the event that no option receives a majority of votes cast, the Company will consider the option that receives the most votes to be the option selected by stockholders.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote for holding the "say-on-pay" frequency advisory vote every "One Year."

PROPOSAL 4

Ratification of Appointment of Independent Registered Public Accounting Firm

Our Audit Committee has appointed PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019. Our Board has directed that this appointment be submitted to our stockholders for ratification. Although ratification of our appointment of PricewaterhouseCoopers LLP is not required, we value the opinions of our stockholders and believe that stockholder ratification of our appointment is a good corporate governance practice.

PricewaterhouseCoopers LLP also served as our independent registered public accounting firm for the fiscal year ended December 31, 2018. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors, providing audit and non-audit related services. A representative of PricewaterhouseCoopers LLP is expected to attend the Annual Meeting and to have an opportunity to make a statement and be available to respond to appropriate questions from stockholders.

In the event that the appointment of PricewaterhouseCoopers LLP is not ratified by the stockholders, the Audit Committee will consider this fact when it appoints the independent auditors for the fiscal year ending December 31, 2019. Even if the appointment of PricewaterhouseCoopers LLP is ratified, the Audit Committee retains the discretion to appoint a different independent auditor at any time if it determines that such a change is in the interests of the Company.

Vote Required

This proposal requires the affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively. Abstentions are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote on this proposal. Because brokers have discretionary authority to vote on the ratification of the appointment of PricewaterhouseCoopers LLP, we do not expect any broker non-votes in connection with this proposal.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends a vote FOR the Ratification of the Appointment of PricewaterhouseCoopers LLP as our Independent Registered Public Accounting Firm.

Report of the Audit Committee of the Board of Directors

In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with the management of the Company and the Company's independent registered public accounting firm the Company's audited consolidated financial statements for the fiscal year ended December 31, 2018, and the results of management's assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's audit of internal control over financial reporting. The Audit Committee has also received from, and discussed with, the Company's independent registered public accounting firm various communications that such independent registered public accounting firm is required to provide to the Audit Committee, including the matters required to be discussed by statement on Auditing Standards No. 1301 (Communications with Audit Committees), as adopted by the Public Company Accounting Oversight Board ("PCAOB"). The Audit Committee also meets periodically with management and, with and without management present, the independent registered public accounting firm and the Company's internal auditors to discuss the Company's disclosure controls and procedures, internal control over financial reporting, and the overall quality of the Company's financial reporting.

The Company's independent registered public accounting firm also provided the Audit Committee with a formal written statement required by PCAOB Rule 3526 (Communications with Audit Committees Concerning Independence) describing all relationships between the independent registered public accounting firm and the Company, including the disclosures required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. In addition, the Audit Committee discussed with the independent registered public accounting firm its independence from the Company. The Audit Committee also considered whether the independent registered public accounting firm's provision of certain other non-audit related services to the Company is compatible with maintaining such firm's independence.

Based on its discussions with management and the independent registered public accounting firm and its review of the representations and information provided by management and the independent registered public accounting firm referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018 for filing with the SEC.

Laura A. Brege (Chairperson)*

David L. Brinkley

Lowell W. Robinson

This Audit Committee Report is not deemed “soliciting material” and is not deemed filed with the SEC or subject to Regulation 14A or the liabilities under Section 18 of the Exchange Act.

* Ms. Brege was a member of the Audit Committee at the time of preparation of the Report of the Audit Committee of the Board of Directors contained herein but, as disclosed above, resigned from the Board of Directors and the Audit Committee effective March 14, 2019. Mr. Robinson was appointed as Chairperson of the Audit Committee, effective March 14, 2019. John Vander Vort, Esq. was appointed to the Audit Committee, effective March 14, 2019, but did not take part in the reviews and discussions referred to in this Report of the Audit Committee of the Board of Directors.

Independent Registered Public Accounting Firm Fees and Other Matters

The following table summarizes the fees of PricewaterhouseCoopers LLP, our independent registered public accounting firm, billed to us for each of the last two fiscal years for audit services and billed to us in each of the last two fiscal years for other services:

All Other Fees	2,782	2,782
Total Fees	\$ 851,032	\$ 631,789
Audit Fees		

Audit fees consist of fees for the audit of our consolidated financial statements, the review of the unaudited interim financial statements included in our quarterly reports on Form 10-Q and other professional services provided in connection with statutory and regulatory filings or engagements.

All other fees

All other fees comprise fees for access to the PricewaterhouseCoopers LLP online accounting and financial reporting research tools. These fees were pre-approved by the Audit Committee.

Audit Committee Pre-Approval Policy and Procedures

The Audit Committee has adopted a policy (the “Pre-Approval Policy”) that sets forth the procedures and conditions pursuant to which audit and non-audit services proposed to be performed by the independent auditor may be pre-approved. The Pre-Approval Policy generally provides that we will not engage PricewaterhouseCoopers LLP to render any audit, audit-related, tax or permissible non-audit service unless the service is either (i) explicitly approved by the Audit Committee (“specific pre-approval”) or (ii) entered into pursuant to the pre-approval policies and procedures described in the Pre-Approval Policy (“general pre-approval”). Unless a type of service to be provided by PricewaterhouseCoopers LLP has received general pre-approval under the Pre-Approval Policy, it requires specific pre-approval by the Audit Committee or by a designated member of the Audit Committee to whom the committee has delegated the authority to grant pre-approvals. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval. For both types of pre-approval, the Audit Committee will consider whether such services are consistent with the SEC’s rules on auditor independence. The Audit Committee will also consider whether the independent auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Company’s business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Company’s ability to manage or control risk or improve audit

quality. All such factors will be considered as a whole, and no one factor should necessarily be determinative. On an annual basis, the Audit Committee reviews and generally pre-approves the services (and related fee levels or budgeted amounts) that may be provided by PricewaterhouseCoopers LLP without first obtaining specific pre-approval from the Audit Committee. The Audit Committee may revise the list of general pre-approved services from time to time, based on subsequent determinations.

All of our current directors, other than Craig A. Tooman, qualify as “independent” in accordance with the listing requirements of The Nasdaq Global Market (“Nasdaq”). Laura A. Brege also qualified as independent while she served on our Board. The Nasdaq independence definition includes a series of objective tests, including that the director is not, and has not been for at least three years, one of our employees and that neither the director nor any of his or her family members has engaged in various types of business dealings with us. In addition, as required by Nasdaq rules, our Board of Directors has made a subjective determination as to each independent director that no relationships exist, which, in the opinion of our Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board of Directors reviewed and discussed

information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management. Mr. Tooman is not independent because he is the President and Chief Executive Officer of Aratana. There are no family relationships among any of our directors or executive officers.

CORPORATE GOVERNANCE

Director Candidates

The Nominating and Corporate Governance Committee is primarily responsible for searching for qualified director candidates for election to the Board and filling vacancies on the Board (although the Board may also consider candidates recommended by a majority of the independent directors in a vote in which only independent directors participate). To facilitate the search process, the Nominating and Corporate Governance Committee may solicit current directors and executives of the Company for the names of potentially qualified candidates or ask directors and executives to pursue their own business contacts for the names of potentially qualified candidates. The Nominating and Corporate Governance Committee may also consult with outside advisors or retain search firms to assist in the search for qualified candidates, or consider director candidates recommended by our stockholders. Once potential candidates are identified, the Nominating and Corporate Governance Committee reviews the backgrounds of those candidates, evaluates candidates' independence from the Company and potential conflicts of interest and determines if candidates meet the qualifications desired by the Nominating and Corporate Governance Committee of candidates for election as a director.

In evaluating the suitability of individual candidates (both new candidates and current Board members), the Nominating and Corporate Governance Committee, in recommending candidates for election, and the Board, in approving (and, in the case of vacancies, electing) such candidates, may take into account many factors, including: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; strong finance experience; experience relevant to the Company's industry; experience as a board member or executive officer of another publicly held company; relevant academic expertise or other proficiency in an area of the Company's operations; diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other board members; diversity of background and perspective, including, but not limited to, with respect to age, gender, race, place of residence and specialized experience; practical and mature business judgment, including, but not limited to, the ability to make independent analytical inquiries; and any other relevant qualifications, attributes or skills. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee may also consider the director's past attendance at meetings and participation in and contributions to the activities of the Board.

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting the names of the recommended individuals, together with appropriate biographical information and background materials, to the Nominating and Corporate Governance Committee, c/o Secretary, Aratana Therapeutics, Inc., 11400 Tomahawk Creek Parkway, Suite 340, Leawood, Kansas 66211. In the event there is a vacancy, and assuming that appropriate biographical and background material has been provided on a timely basis, the Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Communications from Stockholders

The Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our Secretary is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the directors as he considers appropriate. Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Secretary and Chairperson of the Board consider to be important for the directors to know. In general,

communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications. Stockholders who wish to send communications on any topic to the Board should address such communications to the Board of Directors in writing: c/o Secretary, Aratana Therapeutics, Inc., 11400 Tomahawk Creek Parkway, Suite 340, Leawood, Kansas 66211.

Board Leadership Structure and Role in Risk Oversight

Our Amended and Restated Bylaws and Corporate Governance Guidelines provide our Board of Directors with flexibility to combine or separate the positions of Chairperson of the Board and Chief Executive Officer in accordance with its determination that utilizing one or the other structure would be in the best interests of our Company. At the current time, Wendy L. Yarno, an independent director, serves as Chairperson of the Board. Craig A. Tooman, our current President and Chief Executive Officer, also serves as a director. Our Board of Directors has concluded that our current leadership structure is appropriate at this time. However, our Board of Directors will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

CORPORATE GOVERNANCE

Risk assessment and oversight are an integral part of our governance and management processes. Our Board of Directors encourages management to promote a culture that incorporates risk management into our corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing us. Throughout the year, senior management reviews these risks with the Board of Directors at regular board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks. Our Board of Directors does not have a standing risk management committee, but rather administers this oversight function directly through the Board of Directors as a whole, as well as through various standing committees of the Board of Directors that address risks inherent in their respective areas of oversight. The full Board oversees management's execution and continued implementation of business technology initiatives, as well as cybersecurity risks. Our Board of Directors is responsible for monitoring and assessing strategic risk exposure, and our Audit Committee is responsible for overseeing our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The Audit Committee also monitors compliance with legal and regulatory requirements and considers and approves or disapproves any related person transactions. Our Nominating and Corporate Governance Committee monitors the effectiveness of the Corporate Governance Guidelines. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. The Board does not believe that its role in the oversight of our risks affects the Board's leadership structure.

annual board evaluation

Our Corporate Governance Guidelines require the Nominating and Corporate Governance Committee to oversee an annual assessment by the Board of the Board's performance. As provided in our Corporate Governance Guidelines, the Nominating and Corporate Governance Committee is responsible for establishing the evaluation criteria and implementing the process for such evaluation. The annual evaluation includes an evaluation of the Audit, Compensation and Nominating and Corporate Governance Committees.

CORPORATE GOVERNANCE

Code of Ethics

We have a written Code of Business Conduct and Ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. We have posted a current copy of the code on our website, www.aratana.com. In addition, we intend to post on our website all disclosures that are required by law or the listing standards of Nasdaq concerning any amendments to, or waivers from, any provision of the code.

Attendance by Members of the Board of Directors at Meetings

There were ten meetings of the Board of Directors during the fiscal year ended December 31, 2018. During the fiscal year ended December 31, 2018, each incumbent director attended at least 75% of the aggregate of all meetings of the Board of Directors and meetings of the committees on which the Director served during the period in which he or she served as a director.

Currently, we do not maintain a formal policy regarding director attendance at the Annual Meeting; however, it is expected that absent compelling circumstances directors will attend. All nine of our directors then serving attended the 2018 Annual Meeting of Stockholders in person or via teleconference.

Committees of the Board

Our Board has established three standing committees—Audit, Compensation and Nominating and Corporate Governance—each of which operates under a written charter that has been approved by our Board. All of the members of each of the Board’s three standing committees are independent as defined under the Nasdaq rules. In addition, all members of the Audit Committee meet the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934, or the Exchange Act, and all members of the Compensation Committee meet the heightened standard for independence specific to members of a compensation committee under the Nasdaq rules.

The members of each of the Board committees and committee Chairs are set forth in the following chart.

- reviewing and discussing with management and the independent registered public accounting firm our annual and quarterly financial statements and related disclosures;

- preparing the Audit Committee Report required by SEC rules (which is included on page 15 of this proxy statement).

The members of the Audit Committee are Mr. Brinkley, Mr. Robinson and Mr. Vander Vort. Mr. Robinson serves as the Chairperson of the committee. The members of our Audit Committee meet the requirements for financial literacy under the applicable rules of the SEC and Nasdaq. Our Board of Directors has determined that Mr. Robinson is an “audit committee financial expert” as defined by Item 407(d)(5)(ii) of Regulation S-K.

The Audit Committee met seven times in 2018.

Compensation Committee

Our Compensation Committee reviews, approves and recommends to the Board of Directors policies relating to compensation and benefits of our officers and other employees. At least annually, the Compensation Committee reviews and recommends corporate goals and objectives relevant to the compensation of our Chief Executive Officer, evaluates the performance of the Chief Executive Officer in light of those goals and objectives and reviews and recommends to the Board of Directors the compensation of the Chief Executive Officer. The Compensation Committee generally considers the Chief Executive Officer’s recommendations when making decisions regarding the compensation of senior executives and executive officers other than the Chief Executive Officer.

COMMITTEES OF THE BOARD

The Compensation Committee also grants and recommends to our Board of Directors for approval issuances of stock options and other awards under our equity plans. In addition, the Compensation Committee periodically reviews and recommends to the Board compensation for service on the Board and any committees of the Board. The Compensation Committee may delegate its authority under its charter to one or more subcommittees as it deems appropriate from time to time as further described in its charter. The Compensation Committee may also delegate to an officer the authority to grant or amend equity awards to certain employees, as further described in its charter and subject to the terms of our equity plans.

The Compensation Committee has the authority to retain or obtain the advice of compensation consultants, legal counsel and other advisors to assist in carrying out its responsibilities. In 2018, the Compensation Committee engaged Radford, a compensation consulting firm, to assist in making decisions regarding the amount and types of compensation to provide our executives and non-employee directors. As part of this process, the Compensation Committee reviewed a compensation assessment provided by Radford comparing our compensation to that of a group of peer companies within our industry and met with Radford to discuss our executive and non-employee director compensation and to receive input and advice. Radford reported directly to the Compensation Committee. During the year ended December 31, 2018, the fees we paid to Radford for services other than the services provided to the Compensation Committee described above did not exceed \$120,000. The Compensation Committee reviews and evaluates, at least annually, the performance of the Compensation Committee and its members, including compliance by the Compensation Committee with its charter. In January 2019, the Compensation Committee elected to engage Frederic W. Cook & Co., Inc., a compensation consulting firm, to replace Radford with the role of assisting the Compensation Committee in making decisions regarding the amount and types of compensation to provide our executives and non-employee directors. The members of our Compensation Committee are Mr. Barbarosh, Mr. Brinkley and Mr. Roche. Mr. Roche serves as the Chairperson of the committee.

The Compensation Committee met seven times in 2018.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for making recommendations to our Board of Directors regarding candidates for directorships and the size and composition of our Board of Directors. In addition, the Nominating and Corporate Governance Committee is responsible for overseeing our corporate governance policies and reporting and making recommendations to our Board of Directors concerning governance matters. The Nominating and Corporate Governance Committee also oversees an annual assessment by the Board of the Board's performance. The members of our Nominating and Corporate Governance Committee are Mr. Hockaday, Mr. Vander Vort and Ms. Yarno. Mr. Vander Vort serves as the Chairperson of the committee.

The Nominating and Corporate Governance Committee met five times in 2018.

Employment Agreements

Steven St. Peter, M.D.

On January 17, 2019, in connection with his resignation as President and Chief Executive Officer of the Company, Dr. St. Peter and the Company entered into a Letter Agreement, which provided that Dr. St. Peter and the Company agreed that he will be entitled to post-termination severance payments and benefits under the terms of his employment agreement (as described below) as if his resignation was a resignation for good reason. Prior to his resignation, under the terms of the employment agreement, as amended, Dr. St. Peter was eligible to receive a cash bonus under our annual cash incentive bonus program, or the Cash Bonus Plan, targeted at 55% of Dr. St. Peter's annual base salary.

Under the terms of Dr. St. Peter's employment agreement, which was entered into in September 2012 and amended on June 26, 2013 in connection with our initial public offering, upon termination of employment for good reason, then, subject to his execution of a general release of claims, Dr. St. Peter is entitled to receive 12 months of continued base salary, reimbursement of up to 12 months of insurance premiums for continuation coverage under our group health plans and accelerated vesting of all equity awards which would have vested during the 12 months following his termination had he remained employed with us. In addition, the Company agreed to extend the exercise period of Dr. St. Peter's vested options through the earlier of the first anniversary of entering into the Letter Agreement and the original expiration date set forth in the applicable award agreement and accelerate the vesting of 48,309 shares of Dr. St. Peter's outstanding restricted stock, in each case, subject to his execution and non-revocation of a release of claims in the Company's favor which he provided the Company in January 2019.

Dr. St. Peter's employment agreement contained covenants pursuant to which Dr. St. Peter has agreed not to compete with the Company or solicit Company employees for one year following his termination of employment for any reason.

EXECUTIVE AND DIRECTOR COMPENSATION

Craig A. Tooman

In November 2013, we entered into an employment agreement with Mr. Tooman to serve as our Chief Financial Officer for an unspecified term. Mr. Tooman's employment agreement was amended and restated on January 18, 2019 in connection with his appointment as President and Chief Executive Officer of the Company. Mr. Tooman's employment agreement, as amended and restated, provides for a bonus under the Cash Bonus Plan targeted at 55% of Mr. Tooman's annual base salary.

Under the terms of Mr. Tooman's employment agreement, as amended and restated, upon resignation for good reason or a termination without cause, then, subject to his executing a general release of claims, Mr. Tooman will be entitled to receive: (i) 100% (or, in the event such termination occurs within 12 months following a change in control of the Company, 150%) of the sum of his annual base salary plus target bonus in effect for the year of termination, paid in equal installments over 12 months (or, in the event such termination occurs within 12 months following a change in control of the Company, 18 months) following the termination date, (ii) accelerated vesting of his equity awards which would have vested during the 12 months following his termination had he remained employed with the Company (or, in the event such termination occurs within 12 months following a change of control, accelerated vesting of all of his outstanding equity awards), and (iii) payment over a period of 12 months (or, in the event such termination occurs within 12 months following a change of control of the Company, 18 months) of insurance premiums for continuation coverage under our group health plans if Mr. Tooman elects such coverage. If Mr. Tooman's employment is terminated due to his death or disability, he will be entitled to receive accelerated vesting of all equity awards which would have vested during the 12 months following his termination had he remained employed with us.

"Cause" for purposes of Mr. Tooman's employment agreement means (i) the indictment of any felony or being charged with any lesser crime involving moral turpitude or dishonesty or involving or related to the Company, (ii) participation in a fraud against the Company, (iii) willful and material breach of duties, (iv) intentional and material damage to Company property or (v) material breach of his non-disclosure and assignment agreement with the Company, in each case, after a reasonable opportunity (or 30 days with respect to willful and material breach of duties) to cure the condition constituting cause has expired. "Good reason" means (a) a material diminution in authority, duties or responsibilities, (b) a material diminution in base compensation, (c) any failure to elect Mr. Tooman as a member of the Board at the 2019 annual meeting of stockholders of the Company and thereafter any failure to nominate Mr. Tooman as a member of the Board at an annual meeting of stockholders at which is then-current term will expire, or (d) a material breach of the employment agreement which remains uncured for 30 days following receipt of notice.

Mr. Tooman's employment agreement, as amended and restated, contains covenants pursuant to which Mr. Tooman has agreed not to compete with the Company for twelve months or solicit Company employees for one year following his termination of employment for any reason. The agreement further provides that any payments received by Mr. Tooman under the employment agreement in connection with a change in control which are subject to excise taxes under Section 4999 of the Internal Revenue Code will be reduced to the extent the reduction results in a greater amount being paid to Mr. Tooman on an after-tax basis.

Brent Standridge

On December 31, 2018, Mr. Standridge retired from service as Chief Operating Officer with the Company. Mr. Standridge agreed to remain with the Company as a consultant through June 30, 2019 during which he will perform a variety of duties for the Company, including assisting with the transition of his various responsibilities within the

Company's commercial organization. Prior to his retirement, under the terms of his employment agreement entered into in June 2016, Mr. Standridge served as our Chief Operating Officer. The employment agreement provided for a cash bonus under the Cash Bonus Plan targeted at 35% of Mr. Standridge's base salary.

Mr. Standridge's employment agreement contains covenants pursuant to which Mr. Standridge has agreed not to compete with the Company for six months or solicit Company employees for one year following his termination of employment for any reason.

Base Salaries

We pay our named executive officers a base salary to compensate them for the satisfactory performance of services rendered to our Company. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities. Base salaries for our named executive officers have generally been set at levels deemed necessary to attract and retain individuals with superior talent.

EXECUTIVE AND DIRECTOR COMPENSATION

In January 2018, the Compensation Committee reviewed executive officer compensation and determined that increases in the base salaries of certain of our named executive officers were appropriate. As part of its review, the Compensation Committee considered an analysis of market compensation provided by Radford. Effective January 1, 2018, our Board of Directors, after considering the recommendation of the Compensation Committee, approved an increase in Dr. St. Peter's base salary from \$513,000 to \$528,390 to maintain his base salary at a market competitive level. Also, effective January 1, 2018, our Compensation Committee approved an increase in the base salary of Mr. Standridge to \$315,000 (from \$307,500) in recognition of his efforts and to maintain his base salary at a market competitive level.

2018 Cash Bonus Plan

All named executive officers are eligible to participate in our discretionary Cash Bonus Plan. For each named executive officer, bonuses under the Cash Bonus Plan are generally determined by multiplying (a) base salary, by (b) target cash bonus percentage, by (c) the level of achievement of Company performance objectives and, for each named executive officer other than Dr. St. Peter, individual performance objectives. For each named executive officer other than Dr. St. Peter, the achievement of 2018 corporate objectives was weighted 70% and the achievement of individual objectives was weighted 30%. Dr. St. Peter's 2018 bonus was weighted 100% on corporate objectives.

The Board of Directors reserves discretion to adjust bonuses for our named executive officers based on its own evaluations and recommendations of our Compensation Committee. The named executive officers' employment agreements establish their target annual cash bonuses, expressed as a percentage of base salary, as described above in the section titled "—Employment Agreements."

Corporate objectives for the 2018 Cash Bonus Plan were approved in January 2018 by our Board of Directors in consultation with management and based on recommendations by our Compensation Committee. The 2018 goals (and their relative weighting) generally related to successful commercial launch of multiple products (50%), achievement of desired clinical and regulatory outcomes (17.5%), optimization of commercial manufacturing (15%), successful business and corporate development initiatives (10%), and extension of organizational capabilities (7.5%). In January 2019, the Compensation Committee determined, in consultation with management, that the Company's percentage achievement of corporate objectives for our named executive officers under the 2018 Cash Bonus Plan was 85% and, recommended bonuses for our named executive officers to the Board for approval. The actual award granted to each named executive officer under the 2018 Cash Bonus Plan is set forth in our 2018 Summary Compensation Table above.

Equity Compensation

We offer stock options and restricted stock awards to our employees, including the named executive officers, as the long-term incentive component of our compensation program. We typically grant equity awards to new hires upon their commencing employment with us and from time to time thereafter. Our stock options allow employees to purchase shares of our common stock at a price per share equal to the fair market value of our common stock on the date of grant and may or may not be intended to qualify as "incentive stock options" for U.S. federal income tax purposes. Generally, the stock options we grant vest as to 25% of the total number of option shares on the first anniversary of the date of grant and in equal monthly installments over the ensuing 36 months, subject to the employee's continued employment with us on the vesting date.

We also grant restricted stock awards to our employees consisting of shares of our common stock which are subject to forfeiture at the time the employee's service with us terminates. Generally, these forfeiture restrictions lapse over a

number of years in accordance with time-based vesting schedules designed to encourage the recipient’s continued employment.

Stock options and restricted stock awards granted to our named executive officers may be subject to accelerated vesting in certain circumstances. For additional discussion, please see “—Employment Agreements” above and “—Other Elements of Compensation—Change in Control Benefits” below.

The following table sets forth the number of options and restricted shares granted to our named executive officers in 2018:

Named Executive Officer	Number of Options (#)	Number of Restricted Shares (#)
Steven St. Peter, M.D.	205,000	135,600
Craig A. Tooman	60,000	39,700
Brent Standridge	60,000	39,700

These stock option awards vest according to our standard stock option vesting schedule described above. The restricted stock awards for our named executive officers vest in equal quarterly installments over three years following the date of grant, subject to the named executive officer’s continued employment with us through each vesting date, provided that if the named executive officer’s employment with us terminates for a reason other than cause or due to the named executive officer’s resignation without good reason, a prorated portion of the shares otherwise scheduled to vest on the

EXECUTIVE AND DIRECTOR COMPENSATION

next scheduled vesting date will vest, with the proration based on the number of whole months elapsed since the vesting date immediately preceding the employment termination date.

Other Elements of Compensation

Retirement Plans

We maintain a 401(k) retirement savings plan that allows eligible employees to defer a portion of their compensation, within limits prescribed by the Internal Revenue Code, on a pre-tax basis through contributions to the plan. Our named executive officers are eligible to participate in the 401(k) plan on the same terms as other full-time employees generally. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage, and these matching contributions are fully vested as of the date on which the contribution is made. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan, and making fully vested matching contributions, adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies.

Employee Benefits and Perquisites

Our named executive officers are eligible to participate in our health and welfare plans to the same extent as all full-time employees generally. We do not generally provide our named executive officers with perquisites or other personal benefits, although we have on occasion reimbursed moving expenses for named executive officers who relocate in connection with performing services for us.

No Tax Gross-Ups

We do not make gross-up payments to cover our named executive officers' personal income taxes that may pertain to any of the compensation paid or provided by our Company.

Change in Control Benefits

As described above in the section titled “—Employment Agreements,” our named executive officers may become entitled to enhanced severance benefits upon a qualifying termination of employment that occurs in connection with a change in control of our Company.

EXECUTIVE AND DIRECTOR COMPENSATION

- ² The option was granted to Mr. Tooman as compensation for his services as a director prior to becoming an employee in November 2013.
- ³ The restricted stock vests in equal quarterly installments over three years following the date of grant, as described in “—Equity Compensation” above.
- ⁴ Determined by multiplying the number of unvested shares by \$6.13, the closing price of our common stock on December 31, 2018.
- ⁵ In connection with Mr. Standridge’s retirement on December 31, 2018, his unvested option and stock awards were forfeited and cancelled.

PROHIBITIONS ON HEDGING AND PLEDGING OF COMPANY STOCK

Our Insider Trading Policy prohibits hedging or monetization transactions, such as zero-cost collars and forward sale contracts, which allow officers, directors or employees to continue to own the Company’s securities, but without the full risks and rewards of ownership. In addition, our Insider Trading Policy prohibits purchases of our securities on margin and pledging our securities as collateral to secure a loan. The prohibition on pledging does not apply to any broker-assisted cashless exercise of equity awards.

DIRECTOR COMPENSATION

Our director compensation program is intended to provide a total compensation package that enables us to attract and retain qualified and experienced individuals to serve as directors and to align our directors’ interests with those of our stockholders. Directors who are also employees of our Company do not receive compensation for their service on our Board of Directors.

Under our director compensation program, non-employee directors receive a cash retainer for service on the Board of Directors and for service on each standing committee of which the director is a member. The Chairperson of the Board and of each committee receives a higher retainer for such service. Cash retainers are payable quarterly in arrears and prorated for any partial year of service. Additionally, non-employee directors are compensated for service on certain ad hoc committees of the Board on a per-meeting cash payment basis that typically range from \$750 - \$1,500 per meeting depending on the director’s service as a member or Chairperson of such committee. The fees paid to non-employee directors for service on the Board of Directors and for service on each standing committee of the Board of Directors on which the director is a member are as follows:

Name	Member Annual Fee	Chairman Additional Annual Fee
Board of Directors	\$ 35,000	\$ 25,000
Audit Committee	\$ 7,500	\$ 7,500
Compensation Committee	\$ 5,000	\$ 5,000
Nominating and Corporate Governance Committee	\$ 3,500	\$ 4,000

We also continue to reimburse our non-employee directors for reasonable travel and out-of-pocket expenses incurred in connection with attending Board of Directors and committee meetings.

In addition, under our director compensation program, each non-employee director elected to our Board of Directors receives an option to purchase 30,000 shares of our common stock upon commencing service on the Board. These options vest in equal annual installments over a four-year period measured from the date of grant, subject to full accelerated vesting upon a change in control of our Company. Further, on the date of each annual meeting of stockholders, each non-employee director that has served on our Board of Directors for at least six months and will continue to serve immediately following such meeting receives an option to purchase 7,500 shares of our common stock and 4,500 shares of restricted stock. These awards vest in full on the earlier of (a) the first anniversary of the date of grant and (b) the day immediately preceding the next annual meeting of stockholders following the date of grant, subject to accelerated vesting upon a change in control of our Company. All options are granted with an exercise price equal to the fair market value of our common stock on the date of grant.

Security Ownership of Certain Beneficial Owners and Management

Common Stock

The following table sets forth certain information with respect to holdings of our Common Stock by (i) stockholders who beneficially owned more than 5% of the outstanding shares of our Common Stock, and (ii) each of our directors (which includes all nominees), each of our named executive officers and all directors and named executive officers as a group as of April 1, 2019, unless otherwise indicated. The number of shares beneficially owned by each stockholder is determined under rules issued by the SEC. Under these rules, beneficial ownership includes any shares as to which a person has sole or shared voting power or investment power. Applicable percentage ownership is based on 48,969,728 shares of Common Stock outstanding as of April 1, 2019. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options, warrants or other rights held by such person that are currently exercisable or will become exercisable within 60 days of April 1, 2019 are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person.

Unless otherwise indicated, the address of each beneficial owner listed below is 11400 Tomahawk Creek Parkway, Suite 340, Leawood, Kansas 66211. We believe, based on information provided to us that each of the stockholders listed below has sole voting and investment power with respect to the shares beneficially owned by the stockholder unless noted otherwise, subject to community property laws where applicable.

Certain Relationships

policies and procedures for Related Person Transactions

Our Board of Directors has adopted a written Related Person Transaction Policy, setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, where the amount involved exceeds \$120,000 in any fiscal year and a related person had, has or will have a direct or indirect material interest. In reviewing and approving any such transactions, our Audit Committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction and the extent of the related person's interest in the transaction. The following are certain transactions, arrangements and relationships with our directors, executive officers and stockholders owning 5% or more of our outstanding Common Stock.

employment agreements

We have entered into employment agreements with our named executive officers. For more information regarding these agreements, see the section in this proxy statement entitled "Executive and Director Compensation—Narrative Disclosure to Compensation Tables—Employment Agreements."

indemnification agreements

We have entered into indemnification agreements with each of our directors and executive officers. These agreements, among other things, require us or will require us to indemnify each director (and in certain potential scenarios, their related venture capital funds) and executive officer to the fullest extent permitted by Delaware law, including indemnification of expenses such as attorneys' fees, judgments, fines and settlement amounts incurred by the director or executive officer in any action or proceeding, including any action or proceeding by or in right of us, arising out of the person's services as a director or executive officer.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and stockholders who beneficially own more than 10% of any class of our equity securities registered pursuant to Section 12 of the Exchange Act (collectively, the “Reporting Persons”) to file initial statements of beneficial ownership of securities and statements of changes in beneficial ownership of securities with respect to our equity securities with the SEC. All Reporting Persons are required by SEC regulation to furnish us with copies of all reports that such Reporting Persons file with the SEC pursuant to Section 16(a).
