## PROXY STATEMENT

### Annual Meeting of Stockholders

This proxy statement (the “Proxy Statement”) is being furnished to the stockholders of Crimson Wine Group, Ltd., a Delaware corporation (the “Company”), in connection with the solicitation of proxies by the Company’s Board of Directors (the “Board”) for use in voting at the Annual Meeting of Stockholders to be held on July 22, 2016, and at any adjournments or postponements thereof (the “Annual Meeting”).

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on July 22, 2016:

The U.S. Securities and Exchange Commission, or SEC, has adopted rules that allow us to use a “Notice and Access” model to make our proxy statement and other annual meeting materials available to you. On or about June 6, 2016, we will begin mailing a notice to our stockholders, called the Notice of Internet Availability of Proxy Materials (the “Notice”), advising that our proxy statement, Annual Report—Executive Summary, and voting instructions can be accessed on the Internet upon the commencement of such mailing. You may then access these materials and vote your shares via the Internet or by telephone or you may request that a printed copy of the proxy materials be sent to you. You will not receive a printed copy of the proxy materials unless you request one in the manner described in the Notice. Using the Notice allows us to conserve natural resources and reduces the costs of printing and distributing the proxy materials while providing our stockholders with access to the proxy materials in a fast and efficient manner via the Internet.

The Notice of Annual Meeting, Proxy Statement, and Annual Report—Executive Summary are available at <http://crimsonwinegroup.investorroom.com/sec-filings>.

## The Meeting

### Date, Time and Place

The Annual Meeting will be held on July 22, 2016 at 10:00 a.m., local time, at Pine Ridge Vineyards, 5901 Silverado Trail, Napa, California 94558.

### Matters to be Considered

At the meeting, stockholders will be asked to consider and vote to elect seven directors, and to ratify the selection of independent auditors.

See “ELECTION OF DIRECTORS” and “RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS.” The Board of Directors does not know of any matters to be brought before the meeting other than as set forth in the notice of meeting. If any other matters properly come before the meeting, the persons named in the enclosed form of proxy or their substitutes will vote in accordance with their best judgment on such matters.

### Record Date; Shares Outstanding and Entitled to Vote

Stockholders of record as of the close of business on May 26, 2016 (the “Record Date”), are entitled to notice of and to vote at the Annual Meeting. As of the record date, there were 24,141,083 common shares outstanding and entitled to vote, with each share entitled to one vote.

### Broker Non-Votes

A “broker non-vote” occurs when a brokerage firm or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have authority to vote on that particular proposal without receiving voting instructions from the beneficial owner. Under New York Stock Exchange rules applicable to brokers (which are also applicable to companies whose securities are traded through the OTC Bulletin Board), brokers may not vote on “non-routine” proposals unless they have received voting instructions from the beneficial owner, and to the extent that they have not received voting instructions, brokers report such number of shares as “non-votes.” The proposal to elect directors is considered a “non-routine” item, which means that brokerage firms may not vote in their discretion regarding that item on behalf of beneficial owners who have not furnished voting instructions. The proposal to ratify the selection of independent auditors, however, is considered a “routine” item, which means that brokerage firms may vote in their discretion regarding the selection of independent auditors on behalf of beneficial owners who have not furnished voting instructions. Because at least one routine item is to be voted upon at the meeting, broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the 2016 Annual Meeting.

### Required Votes for Each Proposal

**Election of Directors.** Under Delaware law, the affirmative vote of the holders of a plurality of the common shares voted at the meeting is required to elect each director. Consequently, only shares that are voted in favor of a particular nominee will be counted toward the nominee’s achievement of a plurality. Shares present at the meeting that are not voted for a particular nominee, broker non-votes or shares present by proxy where the stockholder withholds authority to vote for the nominee will not be counted toward the nominee’s achievement of a plurality.

**Selection of Auditors.** Ratification of the selection of Moss Adams LLP as our independent auditors requires the affirmative vote of the holders of a majority of the common shares voted on the matter. Abstentions, if any, will not

be counted as votes cast and therefore will have no effect for the purpose of determining whether the proposal has been approved.

## Voting and Revocation of Proxies

Stockholders are requested to vote either by proxy or in person at the Annual Meeting by written ballot. If you choose to vote by proxy, you may do so via the Internet or by telephone, or by requesting a printed copy of the proxy materials and mailing in the enclosed proxy card. Voting instructions are provided on the proxy card. Even if you plan to attend the Annual Meeting, the Board recommends that you submit a proxy in advance via the Internet, by telephone or by mail. In this way, your shares of common stock will be voted as directed by you even if you should become unable to attend the Annual Meeting. If a stockholder does not return a signed proxy card, and does not attend the meeting and vote in person, his or her shares will not be voted.

If your shares are held in the name of a bank or broker, follow the voting instructions on the form you receive from your record holder.

Shares of our common stock represented by properly executed proxies received by us which are not revoked will be voted at the meeting in accordance with the instructions contained therein. Subject to the broker non-vote rules discussed above under "Required Votes for Each Proposal," if instructions are not given, proxies will be voted for the election of each nominee for director named and for ratification of the selection of independent auditors.

Any proxy signed and returned by a stockholder may be revoked at any time before it is exercised by giving written notice of revocation to the Secretary of the Company, at our address set forth herein, by executing and delivering a later-dated proxy in writing or by voting in person at the meeting. Attendance at the meeting will not in and of itself constitute revocation of a proxy. If your shares are held in a brokerage, bank, or other institutional account, you must obtain a proxy from that entity showing that you were the record holder as of the close of business on May 26, 2016, in order to vote your shares at the meeting.

## Dissenters' Rights

Under Delaware law, stockholders are not entitled to dissenters' rights in connection with any of the proposals to be presented at the Annual Meeting or to demand appraisal of their shares as result of the approval of any of the proposals.

## Proxy Solicitation

We will bear the costs of solicitation of proxies for the meeting. In addition to solicitation by mail, directors, officers and our regular employees may solicit proxies from stockholders by telephone, in person or otherwise. These directors, officers and employees will not receive additional compensation, but may be reimbursed for out-of-pocket expenses in connection with this solicitation. Solicitation will be conducted by our directors, officers and employees and we will bear all costs associated with such solicitation. Brokers, nominees, fiduciaries and other custodians have been requested to forward soliciting material to the beneficial owners of our common stock held of record by them, and such custodians will be reimbursed for their reasonable expenses.

## Independent Auditors

We have been advised that representatives of Moss Adams LLP, our independent auditors for 2015, will attend the meeting, will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

## Election of Directors

At the meeting, seven directors are to be elected to serve until the next annual meeting or until their successors are elected and qualified. All of the following nominees are currently serving as directors. The persons named in the

enclosed form of proxy have advised that, unless contrary instructions are received, they intend to vote for the seven nominees named by the Board of Directors and listed on the following table. The Board of Directors expects that each of the nominees will be available for election as a director. However, if by reason of an

unexpected occurrence one or more of the nominees is not available for election, the persons named in the form of proxy have advised that they will vote for such substitute nominees as the Board of Directors may propose.

#### Information Concerning

##### The Board of Directors and Board Committees

##### Director Independence

The Board of Directors has determined that Messrs. Ian Cumming, John Cumming, Steinberg, Neikrug and Carlson and Ms. Schuler are independent applying the NASDAQ Stock Market's listing standards for independence.

##### Certain Relationships and Related Person Transactions

##### Policies and Procedures with Respect to Transactions with Related Persons

The Board has adopted a policy for the review, approval and ratification of transactions that involve "related persons" and potential conflicts of interest (the "Related Person Transaction Policy").

The Related Person Transaction Policy applies to each director and executive officer of the Company, any nominee for election as a director of the Company, any security holder who is known to own of record or beneficially more than five percent of any class of the Company's voting securities, any immediate family member of any of the foregoing persons, and any corporation, firm, association or other entity in which one or more directors of the Company are directors or officers, or have a substantial financial interest (each a "Related Person").

Under the Related Person Transaction Policy, a Related Person Transaction is defined as a transaction or arrangement involving a Related Person in which the Company is a participant or that would require disclosure in the Company's filings in accordance with SEC rules.

Under the Related Person Transaction Policy, Related Persons must disclose to the Audit Committee any potential Related Person Transactions and must disclose all material facts with respect to such transaction. All Related Person Transactions will be reviewed by the Audit Committee and, in its discretion, approved or ratified. In determining whether to approve or ratify a Related Person Transaction the Audit Committee will consider the relevant facts and circumstances of the Related Person Transaction, which may include factors such as the relationship of the Related Person with the Company, the materiality or significance of the transaction to the Company and the Related Person, the business purpose and reasonableness of the transaction, whether the transaction is comparable to a transaction that could be available to the Company on an arms-length basis, and the impact of the transaction on the Company's business and operations.

From time to time, our directors and officers may engage in purchases of our products at substantial discounts (but not below cost) as determined to be reasonable under the circumstances. Generally, we do not believe any such transactions to be material to the Company or the related person and do not believe that any such transactions would impair the independence of any director. The Board has considered these possible purchases under the Related Person Transaction Policy and has determined that no such purchase will require prior approval by the Audit Committee.

#### Our Relationship with Leucadia Following the Distribution

Prior to February 25, 2013, Crimson was a wholly-owned subsidiary of Leucadia. On February 1, 2013, Leucadia declared a pro rata dividend of all of the outstanding shares of Crimson's common stock in a manner that was structured to qualify as a tax-free spin-off for U.S. federal income tax purposes (the "Distribution"). Leucadia's common stockholders received one share of Crimson common stock for every ten common shares of Leucadia, with cash in lieu of fractional shares, on February 25, 2013. Following the Distribution, Crimson and Leucadia have operated their businesses separately, each as an independent company. We have entered into certain agreements with Leucadia that are described below.

#### Separation Agreement

The separation agreement provides for the allocation among the parties of rights and obligations under existing insurance policies with respect to occurrences prior to the separation and sets forth procedures for the administration of insured claims. In addition, the separation agreement allocates between the parties the right to proceeds and the obligation to incur certain deductibles under certain insurance policies. Leucadia is required, subject to the terms of the agreement, to obtain certain directors' and officers' insurance policies to apply against pre-separation claims.

Other matters governed by the separation agreement include, among others, access to financial and other records and information, intellectual property, legal privilege, confidentiality, access to and provision of records and treatment of outstanding guarantees.

#### Tax Matters Agreement

We and Leucadia have entered into a tax matters agreement which governs the parties' respective rights, responsibilities and obligations with respect to taxes, the preparation and filing of tax returns, the control of audits and other tax proceedings and assistance and cooperation in respect of tax matters (the "Tax Matters Agreement"). As a former member of Leucadia's consolidated U.S. federal income tax group, we have joint and several liability with Leucadia for the consolidated U.S. federal income taxes of the Leucadia group relating to the taxable periods in which we were part of the group. Under the Tax Matters Agreement, however, Leucadia has agreed to indemnify us against this liability and any similar liability for U.S., state or local income taxes that are determined on a consolidated,

combined, unitary or similar basis for each taxable period in which we are included in

9

---

such consolidated, combined, unitary or similar group with Leucadia. We remain responsible for any income taxes that are not determined on a consolidated, combined, unitary or similar basis with Leucadia.

Under the Tax Matters Agreement, we have agreed not to take actions that would jeopardize the tax-free nature of the Distribution. The Tax Matters Agreement also provides rules for allocating tax liabilities in the event that the Distribution is not tax-free. We agreed to indemnify Leucadia for such tax liabilities that are attributable to the failure of certain representations made by us or our affiliates to be true when made, certain actions by us or our affiliates or changes in ownership of our common stock.

Our obligations under the Tax Matters Agreement are not contractually limited in amount or subject to any cap. Further, even if we are not responsible for tax liabilities of Leucadia and its subsidiaries under the Tax Matters Agreement, we nonetheless could be liable under applicable tax law for such liabilities if Leucadia were to fail to pay them or to indemnify us under the Tax Matters Agreement.

#### Meetings and Committees

During 2015, the Board of Directors met three times. Five of our then six directors attended our 2015 Annual Meeting of Stockholders.

The Board of Directors of the Company has a standing Audit Committee. It does not have a compensation or nominating committee. As our common stock is traded on the OTC Market, we are not subject to listing standards that would require us to have a compensation committee or that would require director nominees to be selected or recommended by a majority of independent directors or a nominating committee comprised solely of independent directors. The Board believes it is appropriate to have all directors involved in setting executive and director compensation and in the process of nominating directors, rather than delegate these responsibilities to a smaller group of directors. Under the listing standards of the NASDAQ Stock Market, Messrs. Ian Cumming, John Cumming, Steinberg, Carlson and Neikrug and Ms. Schuler are independent directors serving on the Board. The Company will continue to evaluate the need for a compensation committee and a nominating committee in the future.

#### Procedures for Recommending Nominees

A stockholder entitled to vote in the election of directors may nominate one or more persons for election as director at a meeting if written notice of that stockholder's intent to make the nomination has been given to us, with respect to an election to be held at an annual meeting of stockholders, no earlier than 150 days and no later than 120 days before the first anniversary of our proxy statement in connection with the last annual meeting, and, with respect to an election to be held at a special meeting of stockholders, no earlier than 150 days before such special meeting and no later than 120 days before such special meeting, or if the first public notice of such special meeting is less than 130 days prior to the date of such special meeting, the tenth day following the date on which public notice of the meeting is first given to stockholders. The notice shall provide such information as required under the Company's By-laws, including, without limitation, the name and address of the stockholder and his or her nominees, a representation that the stockholder is entitled to vote at the meeting and intends to nominate the person, a description of all arrangements or understandings between the stockholder and each nominee, other information as would be required to be included in a proxy statement soliciting proxies for the election of the stockholder's nominees, the consent of each nominee to serve as a director of the Company if so elected, information concerning the stockholder's direct and indirect ownership of securities of the Company, including with respect to any beneficial owner of securities of the Company held by the stockholder, and compensation received by or relationships between such stockholder with respect to the securities of the Company from any beneficial owner of such securities. We may require any proposed nominee to furnish other information as we may reasonably require to determine the eligibility of the proposed nominee to serve as a director of the Company.

We did not receive any nominations from stockholders for election as directors at the meeting. See “PROPOSALS BY STOCKHOLDERS” below for the deadline for nominating persons for election as directors for the 2016 annual meeting.

The Board of Directors has adopted a charter for the Audit Committee, which is available on our website, [www.crimsonwinegroup.com](http://www.crimsonwinegroup.com). The Audit Committee consists of Mr. Carlson, who serves as the Chairman, and Mr. Neikrug. The Board of Directors has determined that Mr. Carlson is qualified as an audit committee financial expert within the meaning of regulations of the SEC and that each of Mr. Carlson and Mr. Neikrug is independent applying the NASDAQ Stock Market's listing standards for independence and the SEC's independence requirements for audit committee members. During 2015, the Audit Committee met four times.

#### Board Structure and Risk Oversight

John D. Cumming serves as our Chairman and is the son of Ian M. Cumming, our former Chairman and a significant shareholder of the Company. Patrick M. DeLong serves as our President and Chief Executive Officer. As Chairman Mr. Cumming focuses primarily on long-term strategic issues facing the Company, along with the rest of the Board. As President and Chief Executive Officer, Mr. DeLong focuses primarily on the Company's day-to-day operations and management of the Company's business. The Board believes that this is an effective leadership structure from which the Company has benefited as it strengthens the Company's ability to pursue its strategic and operational objectives.

The Board is responsible for the general oversight of risks that affect the Company. The Board regularly receives reports on the operations of the Company from the President and other members of management and discusses the risks related thereto. The Board also fulfills its oversight role through the operation of its Audit Committee, which is composed of independent directors. The Audit Committee has responsibility for risk oversight in connection with its review of the Company's financial reports filed with the SEC. The Audit Committee receives reports from the Company's principal financial officer, the Company's principal executive officer and the Company's independent auditors in connection with the review of the Company's quarterly and annual financial statements regarding significant transactions, accounting and reporting matters, critical accounting estimates and management's exercise of judgment in accounting matters. When reporting on such matters, the Company's independent auditors also communicate their assessment of management's conclusions. The Audit Committee also oversees the Related Person Transactions Policy.

#### Attendance

In 2015, all directors attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings of the committees on which they served. It is the Company's policy that each director is expected to dedicate sufficient time to the performance of his duties as a director, including by attending meetings of the stockholders, the Board of Directors and committees of which he is a member.

#### Communicating with the Board

Stockholders and other parties interested in communicating directly with the Board of Directors as a group may do so by writing to the Board of Directors, c/o Corporate Secretary, Crimson Wine Group, 2700 Napa Valley Corporate Drive, Suite B, Napa, California 94558. The Corporate Secretary will review all correspondence and regularly forward to the Board of Directors a summary of all such correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board or committees thereof or that the Corporate Secretary otherwise determines requires attention. Directors may at any time review a log of all correspondence received by the Company that is addressed to members of the Board and request copies of all such correspondence. Concerns relating to accounting, internal controls or auditing matters will immediately be brought to the attention of the Chairman of the Audit Committee.

#### Code of Business Practice

We have a Code of Business Practice, which is applicable to all of our directors, officers and employees, and includes a Code of Practice applicable to our principal executive officers and senior financial officers. Both the Code of Business Practice and the Code of Practice are available on our website. We intend to post amendments to or waivers from our Code of Practice on our website as required by applicable law.

Cede & Co. held such shares as a nominee for broker-dealer members of The Depository Trust Company, which conducts clearing and settlement operations for securities transactions involving its members.

As described herein, our common stock is subject to transfer restrictions that are designed to reduce the possibility that certain changes in ownership could result in limitations on the use of our tax attributes. Our certificate of incorporation contains provisions that generally restrict the ability of a person or entity from acquiring ownership (including through attribution under the tax law) of 5% or more of our common shares and the ability of persons or entities now owning 5% or more of our common shares from acquiring additional common shares. Stockholders (and prospective stockholders) are advised that, under the tax law rules incorporated in these provisions, the acquisition of even a single share of common stock may be proscribed under our certificate of incorporation, given (among other things) the tax law ownership attribution rules as well as the tax law rules applicable to acquisitions made in coordination with or in concert with others. The restriction will remain until the earliest of (a) December 31, 2022, (b) the repeal of Section 382 of the Internal Revenue Code (or any comparable successor provision) and (c) the beginning of our taxable year to which these tax attributes may no longer be carried forward. The restriction may be waived by our Board of Directors.

Stockholders are advised to carefully monitor their ownership of our common stock and consult their own legal advisors and/or us to determine whether their ownership of our common shares approaches the proscribed level.

#### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who beneficially own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Based solely upon a review of the copies of such forms furnished to us and written representations from our executive officers, directors and greater than 10% beneficial stockholders, we believe that all persons subject to the reporting requirements of Section 16(a) filed the required reports on a timely basis, except for one late filing on Form 4 by Ian Cumming.

#### Executive Compensation

#### Introduction

As previously stated, the Board does not have a standing compensation committee and, as a result, the Board of Directors in its entirety will perform such functions as would otherwise be performed by a compensation committee. evaluate the desirability of forming a compensation committee in the future.

Factors that could affect these amounts include the timing during the year of any such event.

Patrick M. DeLong. In the event Mr. DeLong's employment is terminated by us without cause, by him with good reason or by a successor (whether direct, indirect, by purchase, merger, consolidation or otherwise) before a change in control, he shall be entitled to continue to receive as severance, payment, in accordance with our current payroll practices, of his base salary in effect at the time of termination for 12 months.

## Compensation Policies and Risk Management

The Company does not have a formal compensation plan for any of its employees. Annually, the Board of Directors will consider making incentive compensation awards that are purely discretionary, taking into account the employee's individual performance as well as the Company's performance for the particular year. Accordingly, the Company believes that its compensation policies do not reward employees for imprudent risk taking.

## Equity Compensation Plan Information

In connection with the Distribution, our Board of Directors adopted an equity compensation plan, which allows the Company to grant incentive stock options, nonqualified stock options, stock appreciation rights, restricted stock, and other stock-based awards, and performance-based compensation awards to its officers, employees, and non-employee directors. The equity compensation plan will be administered by our Board of Directors, which is authorized to select the officers, employees and non-employee directors to whom awards will be granted, and to determine the type and amount of such awards. The maximum number of shares available for issuance under the plan is 1 million. To the extent permitted by Section 162(m) of the Code, our Board of Directors is authorized to design any award so that the amounts or shares payable or distributed pursuant to such award will be treated as "qualified performance-based compensation" within the meaning of Section 162(m) of the Code and related regulations. The equity compensation plan was filed as an Exhibit to the Company's Form 8-K, filed on February 25, 2013. This summary of the plan is qualified in its entirety by reference to the full text of the plan. As of the date of this report, no grants have been made under the plan.

## Audit Committee Report

The following is the report of our Audit Committee with respect to our audited financial statements for the fiscal year ended December 31, 2015.

### Review with Management

The Audit Committee reviewed and discussed our audited financial statements with management.

### Review and Discussions with Independent Auditors

The Audit Committee discussed the Company's audited financial statements with management, which has primary responsibility for the financial statements. Moss Adams LLP, our independent auditors, is responsible for expressing an opinion on the conformity of the Company's audited financial statements with accounting principles generally accepted in the United States of America. The Audit Committee has discussed with Moss Adams LLP the matters that are required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee also received the written disclosures and the letter from Moss Adams LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding Moss Adams LLP's communications with the Audit Committee concerning independence; and has discussed with Moss Adams LLP their independence. The Audit Committee also concluded that Moss Adams LLP's provision of audit and non-audit services to the Company and its subsidiaries, as described in this proxy statement, is compatible with Moss Adams LLP's independence.

### Conclusion

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that our audited consolidated financial statements be included in our Form 10-K for the year ended December 31, 2015 for filing with the Securities and Exchange Commission and selected Moss Adams LLP as the independent auditor for 2016.

Submitted by the Audit Committee of the  
Board of Directors

Avraham M. Neikrug

## Independent Accounting Firm Fees

Prior to formation of the Audit Committee, the Board of Directors adopted a policy for pre-approval by the Audit Committee of all audit and non-audit work performed by the Company's independent registered public accounting firm, Moss Adams LLP, and has pre-approved (i) certain general categories of work where no specific case-by-case approval is necessary ("general pre-approvals") and (ii) categories of work which require the specific pre-approval of the Audit Committee ("specific pre-approvals"). For additional services or services in an amount above the annual amount that has been pre-approved, additional authorization from the Audit Committee is required. The Audit Committee has delegated to the Chairman of the Audit Committee the ability to pre-approve all of these services in the absence of the full committee. Any pre-approval decisions made by the Chairman of the Audit Committee under this delegated authority will be reported to the full Audit Committee. All requests for services to be provided by Moss Adams LLP that do not require specific approval by the Audit Committee must be submitted to the Chief Financial Officer of the Company, who determines whether such services are in fact within the scope of those services that have received the general pre-approval of the Audit Committee. The Chief Financial Officer reports to the Audit Committee periodically, at a minimum quarterly.

In accordance with the SEC's definitions and rules, Audit Fees are fees paid to Moss Adams LLP for professional services for the audit of the Company's consolidated financial statements included in the Company's Form 10-K, the review of financial statements included in the Company's Form 10-Qs, services that are normally provided in connection with statutory and regulatory filings or engagements, assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. Audit Related Fees include professional services for the audit of the Company's 401K plan, including compliance with regulatory matters, and consulting with respect to technical accounting and disclosure rules. Tax fees relate to services that are normally provided in connection with statutory and regulatory filings.

The following table sets forth the aggregate fees incurred by us for the following periods relating to our independent accounting firm, Moss Adams LLP:

	Year Ended December 31,	
	2015	2014
Audit Fees	\$ 296,100	\$ 240,400
Audit Related Fees	5,100	11,600
Tax Fees	-	1,300
Total	\$ 301,200	\$ 253,300

### Ratification of Selection of Independent Auditors

The ratification of the selection of Moss Adams LLP as independent auditors is being submitted to stockholders because we believe that this action follows sound corporate practice and is in the best interests of the stockholders. If the stockholders do not ratify the selection by the affirmative vote of the holders of a majority of the common shares voted at the meeting, the Audit Committee of the Board of Directors will reconsider the selection of independent auditors, but such a vote will not be binding on the Audit Committee. If the stockholders ratify the selection, the Audit Committee, in its discretion, may still direct the appointment of new independent auditors at any time during the year if they believe that this change would be in our and our stockholders' best interests.

The Board of Directors recommends that the stockholders ratify the selection of Moss Adams LLP, an independent registered public accounting firm, as the independent auditors to audit our accounts for 2016. The Audit Committee approved the selection of Moss Adams LLP as our independent auditors for 2016. Moss Adams LLP are currently our independent auditors.

The Board of Directors recommends a vote FOR this proposal.
