Item 1.01 Entry into a Material Definitive Agreement

Equity Distribution Agreement

On July 27, 2017, Tandem Diabetes Care, Inc. (the “Company”) entered into an equity distribution agreement (the “Equity Distribution Agreement”) with Piper Jaffray & Co. (the “Agent”), pursuant to which the Company may offer and sell from time to time up to an aggregate of \$15,000,000 of shares of the Company’s common stock, par value \$0.001 per share (the “Shares”), through the Agent.

The Shares have been registered under the Securities Act of 1933, as amended (the “Securities Act”) pursuant to the Registration Statement on Form S-3 (File No. 333-200686) (the “Registration Statement”), which was originally filed with the Securities and Exchange Commission (“SEC”) on December 2, 2014 and declared effective by the SEC on December 19, 2014, the base prospectus contained within the Registration Statement, and a prospectus supplement that was filed with the SEC on July 27, 2017.

Sales of the Shares, if any, pursuant to the Equity Distribution Agreement, may be made in sales deemed to be “at-the-market” equity offerings as defined in Rule 415 promulgated under the Securities Act, including sales made directly on or through the NASDAQ Global Market, the existing trading market for our common stock, sales made to or through a market maker other than on an exchange, in negotiated transactions at market prices prevailing at the time of sale or at prices related to such prevailing market prices, and/or any other method permitted by law. The Agent will act as sales agent and will use commercially reasonable efforts to sell on the Company’s behalf all of the Shares requested to be sold by the Company, consistent with its normal trading and sales practices, on mutually agreed terms between the Agent and the Company.

The Company has no obligation to sell any of the Shares under the Equity Distribution Agreement, and may at any time suspend offers under the Equity Distribution Agreement or terminate the Equity Distribution Agreement. The Company intends to use the proceeds of the offering for working capital and other general corporate purposes.

The Equity Distribution Agreement contains customary representations, warranties and agreements by the Company, as well as indemnification obligations of the Company for certain liabilities under the Securities Act.

Under the terms of the Equity Distribution Agreement, the Company will pay the Agent a commission equal to 3.0% of the gross sales price of the Shares sold through it under the Equity Distribution Agreement. In addition, the Company has agreed to pay certain expenses incurred by the Agent in connection with the offering.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any securities, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.
