REVISION OF THE EXISTING ANNUAL CAPS

FOR CONTINUING CONNECTED TRANSACTIONS

IN RELATION TO FRAMEWORK AGREEMENT

Reference is made to the announcement of the Company dated 29 December 2016 in respect of the Continuing Connected Transactions in relation to the Framework Agreement.

On 25 July 2018, the Company (on behalf of itself and its subsidiaries (other than SJ Cayman, SJ Hong Kong and SJ Jiangyin)) and SJ Cayman (on behalf of itself and its wholly-owned subsidiaries SJ Hong Kong and SJ Jiangyin) entered into the Amendment Agreement to revise the Existing Annual Caps.

In compliance with the Listing Rules, the Company has been monitoring the Continuing Connected Transactions. In view of the continuous growth and expansion of the business operations of SJ Cayman (on behalf of itself and its wholly-owned subsidiaries SJ Hong Kong and SJ Jiangyin), the Company expects that the Existing Annual Caps will not be sufficient. The Company has therefore proposed to revise the Existing Annual Caps with the Revised Annual Caps.

*For identification purposes only

3

As the applicable percentage ratios (other than the profit ratio) set out in Rule 14.07 of the Listing Rules in respect of the Revised Annual Caps are more than 0.1% but less than 5%, pursuant to Rule 14A.76 of the Listing Rules, the Revised Annual Caps are subject to the reporting and announcement requirements, but are exempt from the circular and shareholders' approval requirements.

BACKGROUND

Reference is made to the announcement of the Company dated 29 December 2016 in respect of the Continuing Connected Transactions contemplated under the Framework Agreement.

On 25 July 2018, the Company (on behalf of itself and its subsidiaries (other than SJ Cayman, SJ Hong Kong and SJ Jiangyin)) and SJ Cayman (on behalf of itself and its wholly-owned subsidiaries SJ Hong Kong and SJ Jiangyin) entered into the Amendment Agreement to revise the Existing Annual Caps.

AMENDMENT AGREEMENT

Date

25 July 2018

Parties

(i) The Company (on behalf of itself and its subsidiaries (other than SJ Cayman, SJ Hong Kong and SJ Jiangyin));
and

(ii) SJ Cayman (on behalf of itself and its wholly-owned subsidiaries SJ Hong Kong and SJ Jiangyin)

Subject matter

Pursuant to the Amendment Agreement, the parties have agreed to revise the Existing Annual Caps such that the maximum annual transaction value for the supply of goods and services, transfer of equipment and provision of technical authorisation or licensing by the Company to SJ Cayman contemplated under the Framework Agreement shall be adjusted from US\$11 million (or its equivalent in other currencies) and US\$11 million (or its equivalent in other currencies) for the years ending 31 December 2018 and 2019, respectively, to US\$25 million (or its equivalent in other currencies) and US\$25 million (or its equivalent in other currencies) for the years ending 31 December 2018 and 2019, respectively.

Saved for the said revision, all other terms of the Framework Agreement shall remain unchanged and the Framework Agreement remains valid and enforceable.

The existing annual caps for the supply of goods and services and transfer of equipment by SJ Cayman to the Company contemplated under the Framework Agreement, which amounted to US\$100 million (or its equivalent in other currencies) and US\$100 million (or its equivalent in other currencies) for the years ending 31 December 2018 and 2019, respectively, shall remain unchanged.

HISTORICAL TRANSACTION FIGURES AND ANNUAL CAPS

The annual transaction value in respect of the supply of goods and services, transfer of equipment and provision of technical authorisation or licensing by the Company to SJ Cayman contemplated under the Framework Agreement, together with the relevant annual caps, are as follows:

Total Transaction Period	Value	Annual Caps
	(US\$)	(US\$)
For the year ended 31 December 2017	0.9 million	11 million (or its equivalent in other currencies)
For the six months ended 30 June 2018	3.4 million	11 million (or its equivalent in other currencies)

REASONS FOR AND BENEFITS OF THE REVISED ANNUAL CAPS

In compliance with the Listing Rules, the Company has been monitoring the Continuing Connected Transactions. In view of the continuous growth and expansion of the business operations of SJ Cayman (on behalf of itself and its wholly-owned subsidiaries SJ Hong Kong and SJ Jiangyin), the Company expects that the Existing Annual Caps will not be sufficient. Details of the Existing Annual Caps, which will be replaced with the Revised Annual Caps pursuant to the Amendment Agreement, are as follows:

Period	Existing Annual Caps	Revised Annual Caps
	(US\$)	(US\$)
For the year ending 31 December 2018	11 million (or its equivalent in other currencies)	25 million (or its equivalent in other currencies)
For the year ending 31 December 2019	11 million (or its equivalent in other currencies)	25 million (or its equivalent in other currencies)

As at the date of this announcement, the Company confirms that the relevant existing annual caps for Continuing Connected Transactions are not exceeded.

The Revised Annual Caps have been determined by the Company, after arm's length negotiation between the Company and SJ Cayman with reference to the market price, having taken into account of (i) the historical transactions amount and prices in respect of the supply of goods and services, transfer of equipment and provision of technical authorisation or licensing by the Company to SJ Cayman; (ii) the anticipated future expansion in the scope

and scale of the supply of goods and services, transfer of equipment and provision of technical authorisation or licensing that SJ Cayman may require from the Company for the financial year ending 31 December 2018 and 2019; and (iii) the business plans of the Group to achieve a healthy and sustainable growth.

5

The Directors (including the independent non-executive Directors) consider that the Continuing Connected Transactions and the entering into of the Amendment Agreement are in the ordinary and usual course of business of the Group and on normal or better commercial terms and the terms of the Continuing Connected Transactions and the Revised Annual Caps are fair and reasonable and in the interests of the Company and its shareholders as a whole.

LISTING RULES IMPLICATION

As at the date of this announcement, the Company holds approximately 56.0% equity interest in SJ Cayman. As China IC Fund holds approximately 14.82% equity interest in the Company through its wholly-owned subsidiary, Xinxin (Hongkong) Capital Co., Limited, it is a connected person of the Company at the issuer level under the Listing Rules. China IC Fund also holds approximately 29.4% equity interest in SJ Cayman through its wholly-owned subsidiary, Xun Xin. SJ Cayman is therefore a connected subsidiary of the Company as defined under Rule 14A.16 of the Listing Rules and thus a connected person of the Company under the Listing Rules.

Pursuant to Rule 14A.54(1) of the Listing Rules, the Company is required to re-comply with the applicable requirements before the relevant Existing Annual Caps are exceeded.

As the applicable percentage ratios (other than the profit ratio) set out in Rule 14.07 of the Listing Rules in respect of the Revised Annual Caps are more than 0.1% but less than 5%, pursuant to Rule 14A.76 of the Listing Rules, the Revised Annual Caps are subject to the reporting and announcement requirements, but are exempt from the circular and shareholders' approval requirements. The Continuing Connected Transactions are also subject to the annual review requirements set out in Rule 14A.55 and Rule 14A.56 of the Listing Rules.

None of the Directors has a material interest in the Continuing Connected Transactions or the Amendment Agreement, nor was any of the Directors required to abstain from voting on the Board resolutions approving the Revised Annual Caps.
