If you are a holder of shares of Class B Common Stock, you may submit a proxy for those shares by telephone or the Internet by following the instructions on the Notice of Internet Availability of Proxy Materials, or if you requested a paper proxy card, you may submit your proxy by mail if you prefer. If you attend the Annual Meeting, you may vote your shares in person at the Annual Meeting. Please review the instructions on the proxy card or the information forwarded by your broker, bank or other nominee regarding the voting instructions. You may vote your shares of Class B Common Stock in person at the Annual Meeting even if you previously submitted a proxy. Please note, however, that if your shares of Class B Common Stock are held of record by a broker, bank or other nominee and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy issued in your name from such broker, bank or other nominee. **Whether or not you plan to attend the Annual Meeting, we urge you to submit a proxy for your shares of Class B Common Stock by telephone or the Internet or, if you requested a paper proxy card, by completing and returning the proxy card as promptly as possible, prior to the Annual Meeting, to ensure that your shares will be represented at the Annual Meeting.**

If you are planning to attend the Annual Meeting in person, you will be asked to register before entering the Annual Meeting. **You must request an admission ticket in advance and your request must be received by October 9, 2015. All attendees will be required to present an admission ticket and a valid, government-issued photo identification (e.g., driver's license or passport) to enter the Annual Meeting. If you are a stockholder of record, you may request an admission ticket by:**

visiting newscorp.com/2015am and following the instructions provided;
sending an e-mail to the Corporate Secretary at 2015AnnualMeeting@newscorp.com providing the name under which you hold shares of record or a properly executed proxy card;
calling the Corporate Secretary at (212) 416-3400; or
sending a fax to the Corporate Secretary at (212) 852-7217 providing the name under which you hold shares of record or a properly executed proxy card.

If you are a stockholder of record, your ownership of the Company's common stock will be verified against the list of stockholders of record as of the Record Date prior to you being issued an admission ticket.

If you are not a stockholder of record and hold your shares of common stock in street name, i.e., your shares of common stock are held in a brokerage account or by a bank or other nominee, you will need to send a request for an admission ticket either by e-mail or fax (to the email address and fax number indicated above) along with evidence of beneficial ownership as of the Record Date, such as an account statement or letter from your broker, bank or nominee indicating that you were the beneficial owner of the shares on the Record Date.

Requests for admission tickets will be processed in the order in which they are received and must be received by October 9, 2015.

Seating at the Annual Meeting will begin at 9:00 a.m. (Eastern Time). Prior to entering the Annual Meeting, all bags will be subject to search and all persons may be subject to a metal detector and/or hand wand search. We suggest arriving at least 30 minutes early to the Annual Meeting to allow sufficient time to complete the admission process. Registration will close ten minutes before the Annual Meeting begins. **If you do not provide an admission ticket and a valid, government-issued photo identification or do not comply with the other registration and security procedures described above, you will**

not be admitted to the Annual Meeting. The Company reserves the right to remove persons from the Annual Meeting who disrupt the Annual Meeting or who do not comply with the rules and procedures for the conduct of the Annual Meeting.

TABLE OF CONTENTS

In accordance with the rules of the Securities and Exchange Commission, instead of mailing a printed copy of the Company's proxy statement, annual report and other materials (the proxy materials) relating to the Annual Meeting to stockholders, the Company may furnish proxy materials to stockholders on the Internet by mailing a Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability) to inform stockholders when the proxy materials are available on the Internet. If you receive the Notice of Internet Availability by mail, you will not receive a printed copy of the proxy materials unless you specifically request one. Instead, the Notice of Internet Availability will instruct you on how you may access and review all of the Company's proxy materials, as well as how to submit your proxy, over the Internet. If you receive a Notice of Internet Availability and would still like to receive a printed copy of the Company's proxy materials, including a proxy card or voting instruction card, you should follow the instructions for requesting these materials included in the Notice of Internet Availability.

If you would like to register to receive materials relating to next year's annual meeting of stockholders electronically instead of by mail, please go to newscorp.com/investor-relations/electronic-delivery and follow the instructions to enroll. We highly recommend that you consider electronic delivery of these documents as it helps lower the Company's costs and reduce the amount of paper mailed to your home.

Annual Meeting of Stockholders—October 14, 2015

GENERAL

This proxy statement is furnished in connection with the solicitation by the Board of Directors (the Board) of News Corporation (the Company or News Corp) of proxies for use at an Annual Meeting of Stockholders (the Annual Meeting) to be held on October 14, 2015 at 10:00 a.m. (Eastern Time) in the Auditorium at the New York Institute of Technology, 1871 Broadway, New York, New York 10023 and at any adjournment or postponement thereof.

The Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability), or a printed copy of the proxy materials, as applicable, is first being mailed to stockholders on or about September 1, 2015. You are requested to submit your proxy in order to ensure that your shares are represented at the Annual Meeting.

Questions and Answers about the Annual Meeting

When and where is the Annual Meeting?

The Annual Meeting will be held on October 14, 2015 at 10:00 a.m. (Eastern Time) in the Auditorium at the New York Institute of Technology, 1871 Broadway, New York, New York 10023. **Please see the map and directions in Appendix A. We suggest arriving at least 30 minutes early to the Annual Meeting to allow sufficient time to complete the admission process.**

Who is entitled to vote at the Annual Meeting?

The Company has two classes of common stock, Class A Common Stock, par value \$0.01 per share (Class A Common Stock), and Class B Common Stock, par value \$0.01 per share (Class B Common Stock, and together with the Class A Common Stock, the Common Stock). Holders of Class B Common Stock are entitled to one vote per share on all matters to be presented at the Annual Meeting. Holders of Class A Common Stock are not entitled to vote on the matters to be presented at the Annual Meeting. Unless the context dictates otherwise, all references to you, your, yours or other words of similar import in this proxy statement refer to holders of Class B Common Stock.

As of the Record Date, there were 199,630,240 shares of Class B Common Stock outstanding and entitled to vote at the Annual Meeting and 381,592,648 shares of non-voting Class A Common Stock outstanding.

The Company's shares are also traded on the Australian Securities Exchange (ASX) in the form of CHESS Depository Interests (CDIs). CDIs are exchangeable, at the option of the holder, into shares of either Class A Common Stock or Class B Common Stock, whichever is applicable, at the rate of one CDI per one such share of Common Stock.

Holders of CDIs exchangeable for Class B Common Stock (Class B CDIs) have a right to direct CHESS Depository Nominees Pty Ltd. (CDN), the issuer of the CDIs, on how it should vote with respect to the proposals described in this

proxy statement.

What is the difference between a stockholder of record and a stockholder who holds in street name?

If your shares of Class A Common Stock or Class B Common Stock are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are a stockholder of record, and these proxy materials are being sent directly to you from the Company.

TABLE OF CONTENTS

GENERAL

If your shares of Class A Common Stock or Class B Common Stock are held in street name, meaning your shares of Class A Common Stock or Class B Common Stock are held in a brokerage account or by a bank or other nominee, you are the beneficial owner of these shares and these proxy materials are being forwarded to you by your broker, bank or nominee, who is considered the stockholder of record with respect to such shares. As the beneficial owner of Class B Common Stock as of the Record Date, you have the right to direct your broker, bank or nominee on how to vote and you will receive instructions from your broker, bank or other nominee describing how to vote your shares of Class B Common Stock.

What is the Record Date?

The Board has fixed the close of business on August 17, 2015 as the record date for determining which of the Company's stockholders are entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof in person or by proxy (the Record Date).

How do I inspect the list of stockholders of record?

A list of the stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and at the Company's principal executive offices during the ten (10) days prior to the Annual Meeting.

Why did I receive a Notice in the mail regarding the Internet Availability of Proxy Materials?

In accordance with the rules of the Securities and Exchange Commission (the SEC), instead of mailing a printed copy of the Company's proxy statement, annual report and other materials (the proxy materials) relating to the Annual Meeting to stockholders, the Company may furnish proxy materials to stockholders on the Internet by providing a Notice of Internet Availability of Proxy Materials (the Notice of Internet Availability) to inform stockholders when the proxy materials are available on the Internet. If you receive the Notice of Internet Availability by mail, you will not receive a printed copy of the proxy materials unless you specifically request one. Instead, the Notice of Internet Availability will instruct you on how you may access and review all of the Company's proxy materials, as well as how to submit your proxy, over the Internet. **The proxy materials are available at www.proxyvote.com.**

How may I request a printed copy of the proxy materials?

If you are a stockholder, you may request a printed copy of the proxy materials and our 2015 annual report to stockholders by any of the following methods: via Internet at www.proxyvote.com; by telephone at 1-800-579-1639; or by sending an e-mail to sendmaterial@proxyvote.com.

If you are a CDI holder, you may also request a printed copy of the proxy materials and our 2015 annual report to stockholders by any of the following methods: via Internet at www.investorvote.com.au; or by telephone at 1300-721-559 (within Australia) or +61-3-9946-4461 (outside of Australia).

Will I get more than one copy of the Notice or proxy materials if multiple stockholders share my address?

Only one copy of the Notice of Internet Availability or the proxy materials, as applicable, is being delivered to multiple stockholders sharing an address unless one or more of the stockholders at that address have notified the Company of their desire to receive multiple copies. The Company will promptly deliver, upon oral or written request, a separate copy of the Notice of Internet Availability or proxy materials, as applicable, to any stockholder residing at a

shared address to which only one copy was delivered. Requests for additional copies of these materials for the current year or future years should be directed to the Corporate Secretary at News Corporation, 1211 Avenue of the Americas, New York, New York 10036. Alternatively, additional copies may be requested via Internet at www.proxyvote.com, by telephone at 1-800-579-1639, or by sending an email to sendmaterial@proxyvote.com. Stockholders of record residing at the same address and currently receiving multiple copies of the Notice of Internet Availability or proxy materials, as applicable, may contact the Corporate Secretary to request that only a single copy be delivered in the future.

What does it mean to give a proxy?

The persons named on the proxy card and on the Company's voting website at www.proxyvote.com (the proxy holders) have been designated by the Board to vote the shares represented by proxy at the Annual Meeting. The proxy holders are officers of the Company. They will vote the shares represented by each properly executed and timely received proxy in accordance with the stockholder's instructions, or if no instructions are specified, the shares represented by the proxy will be voted FOR Proposals 1, 2, and 3, and AGAINST Proposal 4 in accordance with the recommendations of the Board as described in this proxy statement. If any other matter properly comes before the Annual Meeting or any adjournment or postponement thereof, the proxy holders will vote on that matter in their discretion.

Can I listen to the Annual Meeting on the Internet?

The Annual Meeting will be audiocast live on the Internet at www.newscorp.com.

How many shares must be represented in person or by proxy to hold the Annual Meeting?

In order for the Company to conduct the Annual Meeting, the holders of a majority in voting power of all of the outstanding shares of the stock entitled to vote as of the Record Date (a quorum) must be present in person or represented by proxy at the Annual Meeting. Abstentions and broker non-votes (as described below) will be counted for purposes of establishing a quorum at the Annual Meeting. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares of Class B Common Stock by submitting your proxy by telephone or the Internet or, if you requested a hard copy of the proxy card or voting instruction card, by completing and returning the proxy card or voting instruction card as promptly as possible in the accompanying postage-paid envelope prior to the Annual Meeting to ensure that your shares of Class B Common Stock will be represented at the Annual Meeting if you are unable to attend and so that the Company will know as soon as possible that enough votes will be present for the Annual Meeting to be held.

What votes are required to approve each of the proposals?

Election of Directors. In an uncontested election, each Director shall be elected by a majority of the votes cast. This means that the number of votes cast FOR

a Director's election must exceed the number of votes cast AGAINST that Director's election. Abstentions and broker non-votes will not be counted as a vote cast either FOR or AGAINST with respect to the Director or Directors indicated. In a contested election where the number of nominees for Director exceeds the number of Directors to be elected, each Director shall be elected by a plurality of the votes cast. The election of the 12 Director nominees at the Annual Meeting will be an uncontested election.

Ratification of Selection of Independent Registered Public Accounting Firm. Ratification of the selection of Ernst & Young LLP (E&Y) as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2016 (fiscal 2016) requires a majority of the votes cast at the Annual Meeting to be voted FOR the proposal. Abstentions and broker non-votes will not be counted as a vote cast either FOR or AGAINST this proposal.

Advisory Vote to Approve Executive Compensation. We will consider this proposal to be approved, on an advisory basis, if a majority of the votes cast at the Annual Meeting is voted FOR the proposal. Abstentions and broker non-votes will not be counted as a vote cast either FOR or AGAINST this proposal.

Vote on the Stockholder Proposal. If properly presented at the Annual Meeting, we will consider the proposal to be approved if a majority of the votes cast at the Annual Meeting is voted FOR the proposal. Abstentions and broker non-votes will not be counted as a vote cast either FOR or AGAINST the proposal.

What is a broker non-vote?

A broker non-vote occurs when you do not give instructions to your broker, bank or nominee of shares you beneficially own in street name on how to vote your shares of Class B Common Stock. In these circumstances, if you do not provide voting instructions, the broker, bank or nominee may nevertheless vote your shares on your behalf with respect to the ratification of the selection of E&Y as the Company's independent registered public accounting firm, but cannot vote your shares on any other matters being considered at the Annual Meeting.

TABLE OF CONTENTS

GENERAL

Who will tabulate the vote?

A representative of American Election Services, LLC has been appointed to act as independent Inspector of Elections for the Annual Meeting and will tabulate the votes.

Who bears the cost of this proxy solicitation?

The expense of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mail, but Directors, officers and regular employees of the Company may solicit proxies personally, by telephone or special letter without any additional compensation. Also, the Company will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for any reasonable expenses in forwarding proxy materials to beneficial owners.

Secretary at News Corporation, 1211 Avenue of the Americas, New York, New York 10036. If the Company amends or waives the *Standards of Business Conduct* or the *Code of Ethics* with respect to an

executive officer or Director, it will post the amendment or waiver at the same location on its website.

Director Independence

The Nominating and Corporate Governance Committee (the NCG Committee) has adopted the definition of Independent Director as set forth in NASDAQ Listing Rule 5605(a)(2) to assist the Board in its annual determination of whether a Director shall be deemed to be independent of the Company. However, the Board may determine that a Director is not independent for any reason it deems appropriate.

During its review of Director independence, the Board considered transactions and relationships between each Director, or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The Board also examined

transactions and relationships between the Directors, or their affiliates and members of the Company's senior management or their affiliates. The purpose of this review is to determine whether any such relationships or transactions are inconsistent with a determination that the Director is independent.

As a result of its review, the Board affirmatively determined that Mmes. Bancroft, Chao and Pessoa and Messrs. Aznar, Barnes, Elkann and Siddiqui are independent of the Company and its management under the standards adopted by the Company and set forth in the NASDAQ listing rules.

Board Leadership Structure

Executive Chairman: K. Rupert Murdoch

Co-Chairman: Lachlan K. Murdoch

Independent Lead Director: Peter L. Barnes

Chief Executive: Robert J. Thomson

Mr. K.R. Murdoch serves as the Executive Chairman of the Board, while Mr. Thomson serves as the Chief Executive and a Director. Both Mr. K.R. Murdoch and Mr. Thomson are considered executive officers of the Company. The Board does not have a policy on whether the Chairman of the Board shall be an independent member of the Board. However, if the Chairman is not an Independent Director, an independent, Non-Executive Director shall be designated by a majority of the independent, Non-Executive Directors of the Board as Lead Director. Mr. Barnes, an independent, Non-Executive Director, currently serves as our Lead Director. The remaining Directors include Mr. L.K. Murdoch, our Co-Chairman, and eight other Directors (six of whom are independent). A majority of the Directors are independent.

The Board believes our current leadership structure is effective and serves the best interests of our stockholders at this time. The Board believes that this structure allows our Chief Executive to focus on his duties in managing the day-to-day operations of the Company, while benefitting from Mr. K.R. Murdoch's and Mr. L.K. Murdoch's invaluable knowledge and expertise regarding the Company's businesses. In addition, the Board believes that the role of the Lead

Director is structured with sufficient authority to serve as a counter-balance to management. The Lead Director's responsibilities include:

presiding over all meetings of the Board at which the Chairman is not present, including executive sessions of the Non-Executive Directors and the Independent Directors;
communicating to the Chairman feedback from executive sessions as appropriate;
serving as liaison between the Chairman and the Independent Directors;
meeting with the Audit Committee and/or the Compliance Steering Committee periodically;
approving meeting agendas and information sent to the Board;
approving meeting schedules to assure that there is sufficient time for discussion of all agenda items;
calling meetings of the Non-Executive Directors and/or Independent Directors, if desired;

participating in the Compensation Committee's evaluation of the performance of the CEO; supervising the self-evaluations of the Directors in coordination with the NCG Committee; supervising the Board's determination of the independence of its Directors; and ensuring his or her availability for consultation and direct communications, if requested by major stockholders.

The Board believes its independent oversight function is further enhanced by the fact that our Audit, Compensation and NCG Committees are comprised entirely of Independent Directors. In addition, it is the policy of the Board to hold regular

executive sessions of the Non-Executive Directors and the Independent Directors without management present. During fiscal 2015, the Non-Executive Directors and the Independent Directors held five executive sessions.

The Board reviews its leadership structure at least annually taking into account the responsibilities of the leadership positions and the Directors qualified to hold such positions. In conducting this review, the Board considers, among other things: (i) our policies and practices that provide independent Board oversight, (ii) the effect a particular leadership structure may have on Company performance, (iii) the structure that serves the best interests of our stockholders, and (iv) any relevant legislative or regulatory developments.

Board Oversight of Risk

Risk management is primarily the responsibility of management; however, the Board oversees management's identification and management of risks to the Company. The Board does not view risk in isolation; it considers risks in making significant business decisions and as part of the Company's overall business strategy. The Board uses various means to fulfill this oversight responsibility. The Board, and its committees as appropriate, regularly discuss and receive periodic updates from the CEO, CFO, General Counsel and other members of senior management regarding significant risks to the Company, including in connection with the annual review of the Company's business plan and its review of budgets, strategy and major transactions. These discussions include operational, strategic, legal and regulatory, financial and reputational risks, and the plans to address these risks.

Each of the Board's committees assists the Board in overseeing the management of the Company's risks within the areas delegated to that committee, which

then reports to the full Board as appropriate. In particular:

- the Audit Committee oversees risks relating to its review of the Company's financial statements and financial reporting processes, and its oversight of the Company's Compliance Steering Committee;
- the Compensation Committee monitors risks associated with the design and administration of the Company's compensation programs; and
- the NCG Committee oversees risk as it relates to the Company's corporate governance processes.

Each committee has full access to management, as well as the ability to engage advisors. The Independent Directors also discuss the Company's significant risks when they meet in executive session without management.

Board Committees

The Board has three standing committees: the Audit Committee, the Compensation Committee and the NCG Committee. Each committee is governed by a written charter approved by the Board and is comprised entirely of Independent Directors, as required under the existing rules of the Securities Exchange Act of 1934, as amended (the

Exchange

Act) and the NASDAQ Stock Market (NASDAQ). In addition, each member of the Audit Committee and the Compensation Committee meets the additional independence criteria applicable to Directors serving on these committees under the NASDAQ listing rules.

CORPORATE GOVERNANCE MATTERS

Board and Committee Evaluations

The Lead Director and the NCG Committee are responsible for overseeing an annual self-evaluation process for the Board that includes an assessment, among other things, of the Board's maintenance and implementation of the Company's standards of conduct and corporate governance policies. The

review seeks to identify specific areas, if any, in need of improvement or strengthening and culminates in a discussion by the full Board of the results and any actions to be taken. Each standing committee of the Board evaluates its performance on an annual basis and reports to the Board on such evaluation.

CEO Succession Planning

Our *Statement of Corporate Governance* provides that the Board will annually review CEO succession. The Compensation Committee, in consultation with the CEO, reviews and assists with the development of executive succession plans. The CEO provides the

Compensation Committee with an assessment of members of senior management and their succession potential. The Compensation Committee reports the results of these assessments to the Board.

Director Nomination Process

The NCG Committee develops criteria for filling vacant Board positions, taking into consideration such factors as it deems appropriate, including the candidate's:

- education and background;
- leadership and ability to exercise sound judgment;
- general business experience and familiarity with the Company's businesses; and
- unique expertise or perspective that will be of value to the Company.

Candidates should not have any interests that would materially impair their ability to exercise independent judgment or otherwise discharge the fiduciary duties of our Directors. All candidates must possess personal integrity and ethical character, and value and appreciate these qualities in others. It is expected that each Director will devote the necessary time to fulfill the duties of a Director. In this regard, the NCG Committee will consider the number and nature of each Director's other commitments, including other directorships.

Although the Board does not have a formal policy with respect to diversity in identifying Director nominees, the NCG Committee seeks to promote through the nomination process an appropriate diversity on the Board of professional background, experience, expertise, perspective, age, gender, ethnicity and country of citizenship, and assess the effectiveness of these factors in the Director selection and nomination process. The current composition of the Board reflects those efforts and the importance of diversity to the Board. The Company also maintains a *Corporate Diversity Statement*, which describes our diversity and inclusion objectives and efforts. The full text of the *Corporate Diversity Statement* can be found on the Company's website at <http://newscorp.com/corporate-governance/corporate-diversity-statement>.

After completing its evaluation of a potential Director nominee, the NCG Committee will make a recommendation to the full Board, which makes the final determination whether to nominate or appoint the new Director.

Membership Criteria in the *Statement of Corporate Governance*. Director candidates recommended by stockholders who meet these Director qualifications will be considered by the Chairman of the NCG Committee, who will present the information on the candidate to the entire NCG Committee. All Director candidates recommended by stockholders will be considered by the NCG Committee in the same manner as any other candidate.

Communicating with the Board

Stockholders and other persons interested in communicating with any Director, any committee of the Board or the Board as a whole, may do so by submitting such communication in writing and sending it by regular mail to the attention of the appropriate party or to the attention of our Lead Director, Peter Barnes, at News Corporation, 1211 Avenue of the Americas, New York, New York 10036.

DIRECTOR COMPENSATION

Directors' fees are not paid to Directors who are executives or employees of the Company (the Executive Directors) because the responsibilities of Board membership are considered in determining compensation paid as part of the executives' normal employment conditions.

The basic fees payable to the Directors who are not executives of the Company (collectively, the Non-Executive Directors) are reviewed and recommended by the Compensation Committee and set by the Board. The Compensation Committee periodically reviews Director compensation against the Company's peers and other comparably sized companies of the Standard & Poor's 500 (S&P 500). In that review, the Compensation Committee considers the appropriateness of the form and amount of Director compensation and makes recommendations to the Board concerning Director compensation with a view toward attracting and retaining qualified Directors. The Company believes that compensation for Non-Executive Directors should be competitive and fairly reflect the work and skills required for a company of News Corporation's size and complexity. The Company also believes that Non-Executive Director compensation should include equity-based compensation in order to align Directors' interests with the long-term interests of stockholders.

During fiscal 2015, the Non-Executive Directors were Mmes. Bancroft, Chao and Pessoa and Messrs. L.K. Murdoch, Aznar, Barnes, Elkann, J.R. Murdoch and Siddiqui. The annual retainers paid to Non-Executive Directors for service on the Board and its committees for fiscal 2015 and fiscal 2016 are set forth in the table below; provided that, for fiscal 2016, the Board approved an increase to \$145,000 for the annual Deferred Stock Unit (DSU) retainer.

COMPENSATION DISCUSSION AND ANALYSIS

This section explains the Company's compensation philosophy and summarizes the material components of our executive compensation program. Our Named Executive Officers (the NEOs) for fiscal 2015 were:

Name	Title
K. Rupert Murdoch	Executive Chairman
Robert J. Thomson	Chief Executive Officer (CEO)
Bedi Ajay Singh	Chief Financial Officer (CFO)
David B. Pitofsky	General Counsel
Gerson Zweifach	Former General Counsel

The NEOs listed above represent all of the Company's executive officers as defined by SEC rules (other than Mr. Zweifach who ceased to be an executive officer when he resigned as General Counsel in February 2015). During his tenure as General Counsel, the Company compensated 21st Century Fox for Mr. Zweifach's services through a Transition Services Agreement between the

Company and 21st Century Fox, and Mr. Zweifach received no compensation (other than a one-time Launch Performance Award consisting of PSUs) in fiscal 2015 directly from the Company. As a result, the discussion below concerning NEO compensation for fiscal 2015 is focused primarily on the compensation decisions for Messrs. K.R. Murdoch, Thomson, Singh and Pitofsky.

Executive Summary

The Compensation Committee has established a compensation program that seeks to create long-term growth and value for our stockholders. To facilitate an understanding of our executive compensation program, certain key information is highlighted in this Executive Summary.

Compensation Philosophy

Our executive compensation program is designed to (i) drive Company performance, (ii) ensure our compensation practices support short- and long-term growth for stockholders, and (iii) attract, retain and motivate the top executive talent necessary for the Company's success. We have adopted the following approach to achieve these objectives:

Pay for Performance	Performance-related compensation opportunities are based on corporate and individual performance Short- and long-term at-risk compensation elements are designed to reward superior performance without encouraging unnecessary and excessive risk taking
Market Competitiveness	Competitive program enables the Company to attract the highest quality talent Compensation trends in relevant industries are considered
Compensation Mix	Program incorporates a mix of fixed and variable compensation, in the form of base salary, performance-based annual cash incentive compensation, long-term equity-based incentive compensation and retirement and other benefits Program is heavily weighted towards variable performance-based compensation

TABLE OF CONTENTS**COMPENSATION DISCUSSION AND ANALYSIS*****Stockholder Engagement and Recent Enhancements to the Executive Compensation Program***

The Company carefully considers feedback from our stockholders regarding our executive compensation program. Stockholders are invited to express their views to the Compensation Committee as described under Communicating with the Board in this Proxy Statement. During fiscal 2015, representatives of the Company had discussions with holders of more than a majority of the total number of shares of Class B Common Stock outstanding. In addition, the annual advisory vote on the compensation of the NEOs provides stockholders with an opportunity to communicate their views on our executive compensation program.

At our first Annual Meeting of Stockholders held in November 2014, an advisory, nonbinding vote on NEO compensation was held in order to comply with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) and to provide feedback to the Board and the Compensation Committee regarding the Company's executive compensation program. At the 2014 Annual Meeting, 84% of the votes cast were in favor of the proposal to approve the compensation of the NEOs. This result demonstrated that stockholders are generally supportive of the Company's executive compensation program. Upon consideration of the

2014 vote results and feedback from discussions with stockholders, the Compensation Committee made several enhancements to the executive compensation program to further align executives' interests with those of our stockholders. These improvements include:

- Increasing the stock ownership requirement for the CEO to three times his base salary from two times base salary;
- Implementing stock ownership requirements for the General Counsel; and
- Increasing the percentage of CEO and CFO at-risk pay.

Total Direct Compensation

The following table presents the total direct compensation (TDC) awarded to Messrs. K.R. Murdoch, Thomson, Singh and Pitofsky for fiscal 2015. TDC differs from the amounts reported in the Summary Compensation Table, as required by the SEC, and reflects the amounts the Compensation Committee considers most relevant in assessing and determining executive compensation for the fiscal year. The TDC for the NEOs includes their annual base salary, target annual cash incentive and target value of long-term equity-based performance awards at grant.

Name	Base Salary	Target Annual Cash Incentive	Performance-Based		% of Target Pay At-Risk
			Long-Term Equity Awards	Total Direct Compensation	
K. Rupert Murdoch	\$ 1,000,000	\$ 2,000,000	\$ 2,000,000	\$ 5,000,000	80 %
Robert J. Thomson	\$ 2,000,000	\$ 3,000,000	\$ 4,300,000	\$ 9,300,000	78 %

NEO Compensation Program Practices

The table below highlights our current executive compensation practices, including practices we engage in because we believe they drive performance and those we do not engage in because they are inconsistent with our stockholders long-term interests:

What We Do

Majority of compensation at-risk — performance-based, variable pay comprised 80% of total target pay for the Executive Chairman, 78% for the CEO, 72% for the CFO and 55% for the General Counsel⁽¹⁾

Use of multiple performance metrics—the annual cash incentive and long-term equity incentive programs for NEOs rely on diversified performance metrics that incentivize and reward the achievement of multi-dimensional aspects of our operational and long-term business strategy

Cap on payouts under annual cash incentive and long-term equity incentive programs

Performance on ethics and compliance objectives impacts payout of discretionary portion of annual cash incentive awards

Clawback policies provide for recoupment, under certain circumstances, of performance-based cash and equity compensation

Stock ownership guidelines for the CEO, CFO, General Counsel and Non-Executive Directors

All NEO incentive compensation is subject to achievement of performance goals

What We Do Not Do

No single trigger cash severance or automatic vesting of equity awards based solely upon a change in control of the Company

No excise tax gross-ups or tax gross-ups on perquisites

NEO employment agreements do not contain provisions related to a change in control

No hedging of Company stock by Directors and NEOs

No re-pricing of stock options or SARs without stockholder approval

No dividends on unvested or unearned RSUs or PSUs

No excessive perquisites

No guaranteed bonuses

Do not maintain compensation programs that create risks reasonably likely to have a material adverse effect on the Company

(1) Mr. Pitofsky's fiscal 2015 Performance-Based Long-Term Equity-Based Incentive Award was granted prior to his appointment as General Counsel.

Aligning Compensation with Company Performance

The Compensation Committee is responsible for the oversight of the Company's executive compensation framework, and within that framework, aligning compensation with Company performance and providing incentives that reward sustained value creation and responsible risk-taking.

In recognition of the Company's strong performance, as highlighted below, the Compensation Committee determined that the payout for the fiscal 2015 Annual

Cash Incentive would be 100% of target. For fiscal 2015, the Compensation Committee set the midpoint of its adjusted Total Segment EBITDA target range at \$902 million and the Company achieved \$914 million, which generated a 100% payout of the quantitative portion of Annual Cash Incentive. The Compensation Committee also determined that a 100% payout of the qualitative portion of the fiscal 2015 Annual Cash Incentive was appropriate in light of the strategic leadership of the NEOs during fiscal 2015. For the fiscal 2014 Annual Cash Incentive, the quantitative

TABLE OF CONTENTS

COMPENSATION DISCUSSION AND ANALYSIS

payout was 141.1% of target, which reflected the Company's over-achievement of the midpoint of its adjusted Total Segment EBITDA target range of \$815 million by achieving \$906 million, and the qualitative payout was 120% in recognition of the NEOs' strong leadership during the Company's first year as a separate public company.

Fiscal 2015 annual performance highlights include:

Fiscal 2015 full year revenues of \$8.6 billion increased 1%, primarily due to increased revenues at the Book Publishing segment of \$233 million, primarily as a result of the acquisition of Harlequin in August 2014, and increased revenues at the Digital Real Estate Services segment of \$217 million, primarily as a result of the acquisition of Move in November 2014, and to a lesser extent, increased revenues at REA Group. These revenue increases were partially offset by a decrease in revenues at the News and Information Services segment of \$422 million for the fiscal year ended June 30, 2015, primarily resulting from weakness in the print advertising market and the negative impact of foreign currency fluctuations.

Fiscal 2015 full year Total Segment EBITDA improved by 11% to \$852 million driven by increased revenues in the Book Publishing segment due to the inclusion of Harlequin results and lower expenses, mainly at the Digital Education segment; partially offset by adverse foreign currency fluctuations, declines at the News and Information Services segment, which includes higher legal costs at News America Marketing, and stock-based compensation expense resulting from the acquisition of Move.

Fiscal 2015 full year free cash flow available to News Corporation of \$368 increased 1% over the prior year. Net loss attributable to News Corporation was \$147 million, which included a \$371 million impairment charge related to Amplify, the Company's digital education business.

In August 2014, the Company completed its acquisition of Harlequin from Torstar Corporation for a purchase price of \$414 million of cash, net of \$19 million of cash acquired. Harlequin is a leading publisher of women's fiction and extends HarperCollins' global platform, particularly in Europe and Asia Pacific. Harlequin operates as a division of HarperCollins, and its results are included within the Book Publishing segment.

Executive Compensation Practices

How Executive Compensation Decisions Are Made

The Compensation Committee considers level of responsibility, individual contributions, Company performance, achievement of strategic objectives, industry compensation practices and retention considerations when establishing and reviewing NEO compensation packages. NEOs do not participate in the Compensation Committee's deliberations or decisions with regards to their own compensation. Management, together with the Compensation Committee's compensation consultant, assists the Committee by providing data, analyses and recommendations regarding the Company's executive compensation practices and policies. In addition, the Executive Chairman and CEO present individual pay recommendations to the Compensation Committee for the other NEOs. These recommendations are based on their assessments of individual contributions, achievement of performance objectives and other qualitative factors. The Compensation Committee considers management input along with the advice of its independent compensation consultant in making decisions on compensation matters.

Role of Compensation Consultant

For fiscal 2015, Deloitte Consulting LLP (Deloitte) was the Compensation Committee's compensation consultant and was retained by the Committee. The role of the consultant is to advise the Compensation Committee on executive officer compensation arrangements by (i) attending Committee meetings, (ii) providing advice on proposed executive compensation and plan designs, and (iii) preparing and presenting analyses on compensation levels, including a competitive assessment of the Company's practices and policies. The total fees paid to Deloitte for these services during fiscal 2015 were approximately \$259,670.

During fiscal 2015, the Company's management retained other business units of Deloitte to provide other services to the Company. These services included tax compliance and consulting for domestic and international operating units, systems implementation assistance, operational consulting, internal audit assistance and due diligence. The total amount paid for such services (excluding the services as consultant to the Compensation Committee as discussed above) to Deloitte during fiscal 2015 was approximately \$18 million. Deloitte was engaged directly by management to provide these other services and, accordingly, Deloitte's engagement for these other services was not formally approved by the Board or by the Compensation Committee.

In June 2015, the Compensation Committee considered Deloitte's independence as its compensation consultant by taking into account the factors prescribed by the NASDAQ listing rules, policies and procedures Deloitte has in place and the use of separate consulting teams for the Compensation Committee and other Deloitte engagements. Based on such evaluation, the Compensation Committee determined that no conflict of interest exists.

Comparative Market Data and Industry Trends

In order to attract and retain top executives with the requisite skills and experience to successfully manage the Company's businesses, our executives' compensation packages must be competitive, particularly relative to a group of peer companies (the Peer Group).

The Compensation Committee considers the compensation practices of the Peer Group, as well as current market trends and practices generally, in developing competitive and appropriate

compensation packages for the NEOs. Given the diverse nature of the Company, which is comprised of businesses in multiple industries and markets, the Compensation Committee believes that strict benchmarking against the Peer Group does not provide a broad enough view for establishing executive compensation and it does not set compensation targets for the NEOs at a specific percentile of the Peer Group.

TABLE OF CONTENTS

COMPENSATION DISCUSSION AND ANALYSIS

FY2015 Peer Group

The Peer Group used for fiscal 2015 (the FY2015 Peer Group) was comprised of companies in the publishing and/or media industries, international media and digital companies that were similar in size to the Company, based on revenue and market capitalization, or competed with our key operational businesses. The FY2015 Peer Group consisted of the companies listed below:

Thomson Reuters Corporation
Pearson plc
Reed Elsevier plc
Gannett Co., Inc.
Wolters Kluwer NC
The New York Times Company
WPP plc
Omnicom Group Inc.
Charter Communications, Inc.
The Interpublic Group of Companies, Inc.
Shaw Communications
Yahoo! Inc.
AOL Inc.
Fairfax Media

FY2016 Peer Group

The Compensation Committee annually reviews the Peer Group and may update its composition to better reflect the Company's competitive landscape or, if necessary, to account for any corporate changes, including acquisitions and dispositions. Given the breadth of our business operations globally, it is challenging to find directly comparable companies.

In June 2015, following an in-depth review of the FY2015 Peer Group, in consultation with the compensation consultant, the Compensation Committee adopted an updated peer group for fiscal

2016 (the FY2016 Peer Group). To determine the FY2016 Peer Group, the Compensation Committee considered companies with the following general characteristics:

Companies with significant content production operations, including online/digital, print and television;
Companies of a similar size;
Competitors for key executive level talent;
Companies within the same GICS code as the Company; and
Companies identified as the Company's peers by proxy advisory firms.

The FY2016 Peer Group consists of the following companies:

Gannett Co., Inc.
Omnicom Group Inc.

The Interpublic Group of Companies, Inc.

Charter Communications, Inc.

Liberty Global plc

Dish Network Corp.

Cablevision Systems Corporation

Discovery Communications, Inc.

Yahoo! Inc.

Netflix, Inc.

Viacom, Inc.

iHeartMedia, Inc.

CBS Corporation

Sirius XM Holdings Inc.

The FY2016 Peer Group revenue ranges from \$3.0-\$18.2 billion which places News Corp at the 59th percentile (vs. 74th percentile against the FY2015 Peer Group). Market capitalization against the FY2016 Peer Group places News Corp at the 24th percentile (vs. 35th percentile against the FY2015 Peer Group).

- the NEO's term of service;
- internal pay parity;
- information on market compensation levels as described above, taking into account industry and geographic considerations; and

Messrs. Thomson, Singh and Pitofsky are each party to a negotiated employment agreement with a subsidiary of the Company. Mr. K.R. Murdoch does not have an employment agreement, but does have a letter agreement that contains termination provisions relating to his Annual Cash Incentive and Equity-Based Incentive Awards. TABLE OF CONTENTS

COMPENSATION DISCUSSION AND ANALYSIS

Fiscal 2015 Pay Mix

The Compensation Committee designed the fiscal 2015 executive compensation program so that the performance-based pay elements (annual cash incentive compensation and long-term equity-based incentive awards) constituted a significant portion of target TDC in support of our objective to align the NEOs' interests with those of our stockholders. The following chart demonstrates that these variable pay elements comprised 80%, 78%, 72% and 55%⁽¹⁾ of the targeted annual compensation for the Executive Chairman, Chief Executive, Chief Financial Officer and General Counsel, respectively.

(1) Mr. Pitofsky's fiscal 2015 Performance-Based Long-Term Equity-Based Incentive Award was granted prior to his appointment as General Counsel.

Base Salary

The Compensation Committee annually reviews the NEOs' base salaries and uses its judgment to make appropriate adjustments subject to the terms of individual employment agreements. The respective employment agreements of Messrs. Thomson, Singh and Pitofsky provide for a minimum base salary.

For fiscal 2015, the Committee approved an increase to Mr. Singh's base salary to \$1,200,000 in recognition of his achievements and contributions to the Company (as described below). Base salaries for Messrs. K.R. Murdoch and Thomson were not increased and remained at \$1,000,000 and \$2,000,000, respectively, which in Mr. Thomson's case represents the minimum annual base salary provided for in his employment agreement. Upon his promotion to the position of General Counsel in February 2015, Mr. Pitofsky received a base salary increase to \$950,000 (pro-rated for his service in this position during fiscal 2015), which is the minimum annual base salary provided for in his employment agreement.

Performance-Based Incentive Compensation

In order to align NEO compensation with stockholders' interests, the majority of each

executive's compensation is tied to two performance-based incentive plans, the Annual Cash Incentive and the Long-Term Equity-Based Incentive plans. Targets of the metrics for both of these compensation components are set at challenging, yet reasonably achievable levels each year in order to motivate a high degree of performance, focusing on the Company's long-term growth. These targets are set with a long-term focus in order to ensure no individual takes an inappropriate amount of risk to achieve them.

Fiscal 2015 Performance-Based Annual Cash Incentive Compensation

In August 2014, the Compensation Committee approved a framework for the Company's fiscal 2015 annual cash incentive program (the Annual Cash Incentive). The Compensation Committee believes the Annual Cash Incentive's mix of quantitative and qualitative factors motivates the NEOs to achieve the critical operating goals of the Company's businesses, while also recognizing and rewarding them for individual contributions. Individual Annual Cash Incentive awards are based two-thirds on achievement of target adjusted Total Segment EBITDA⁽¹⁾, and one-third on an assessment of qualitative considerations. Adjusted Total Segment

(1)

Consistent with the terms of the annual cash incentive plan, the performance factor was adjusted to reflect certain unusual events that occurred during the year. These adjustments can result in either increases or decreases in performance and, in fiscal 2015, included acquisitions of businesses, changes in foreign exchange rates, the relocation of the U.K. headquarters and certain litigation expenses. The fiscal 2015 adjustments are intended to ensure that award payments represent the underlying performance of the business and are not artificially inflated or deflated due to such items. The Compensation Committee reviewed all adjustments to ensure the adjustments are consistent with the Committee's philosophy on pay. For information on Total Segment EBITDA as defined by the Company, please see the Company's Annual Report on Form 10-K for the year ended June 30, 2015 filed with the SEC on August 13, 2015 on page 51.

42 |

2015 Proxy Statement

TABLE OF CONTENTS**COMPENSATION DISCUSSION AND ANALYSIS**

EBITDA was selected as the financial performance metric because it reflects the Company's key financial objective for the operations for which the NEOs have direct responsibility. The Compensation Committee also considers, based on a recommendation from the

Audit Committee regarding management's performance on ethics and compliance objectives, whether to reduce the qualitative portion of the payout of the Annual Cash Incentive and if so, the amount of such reduction.

For fiscal 2015, the Compensation Committee approved the following target and maximum amounts for the fiscal 2015 Annual Cash Incentive:

Named Executive Officer	Fiscal 2015 Annual Cash Incentive	
	Target	Maximum
K. Rupert Murdoch	\$ 2,000,000	\$ 4,000,000
Robert J. Thomson	\$ 3,000,000	\$ 6,000,000
Bedi Ajay Singh	\$ 1,500,000	\$ 3,000,000
David B. Pitofsky	\$ 750,000	\$ 1,500,000

For fiscal 2015, the Compensation Committee set a target range for adjusted Total Segment EBITDA of \$857 million – \$947 million based on the Company's annual plan. A target range is used, rather than a specific goal, to address challenges associated with setting performance goals with precision and to avoid unintended windfalls and shortfalls in actual

payouts to the NEOs. Performance within the target range generates a payout of 100% for the quantitative portion of the Annual Cash Incentive, with performance that falls between the specified performance levels to be interpolated on a linear basis.

TABLE OF CONTENTS**COMPENSATION DISCUSSION AND ANALYSIS**

To determine the fiscal 2015 Annual Cash Incentive for the NEOs, the Compensation Committee recognized that the Company's adjusted Total Segment EBITDA, for the purposes of this calculation, was approximately \$914 million and as a result, 100% of the quantitative portion of the Annual Cash Incentive was achieved. In light of this achievement and the individual accomplishments mentioned above, the Compensation Committee determined to award fiscal 2015 Annual Cash Incentives as set out below:

Named Executive Officers	Fiscal 2015 Target Annual Cash Incentive	Adjusted Total Segment EBITDA Performance			Qualitative Performance			Fiscal 2015 Total Annual Cash Incentive
		66.7% of Target	Multiple	Subtotal A	33.3% of Target	Multiple	Subtotal B	
K.R. Murdoch	\$ 2,000,000	\$ 1,333,333	100 %	\$ 1,333,333	\$ 666,667	100 %	\$ 666,667	\$ 2,000,000
Robert J. Thomson	\$ 3,000,000	\$ 2,000,000	100 %	\$ 2,000,000	\$ 1,000,000	100 %	\$ 1,000,000	\$ 3,000,000
Bedi Ajay Singh	\$ 1,500,000	\$ 1,000,000	100 %	\$ 1,000,000	\$ 500,000	100 %	\$ 500,000	\$ 1,500,000
David B. Pitofsky ⁽¹⁾	\$ 750,000	\$ 500,000	100 %	\$ 500,000	\$ 250,000	100 %	\$ 250,000	\$ 750,000

As Mr. Pitofsky was appointed as the Company's General Counsel during fiscal 2015, his fiscal 2015 Annual Cash Incentive was not originally subject to the calculation set forth in the table. However, in connection with (1) Mr. Pitofsky's appointment as General Counsel, the Committee determined to calculate his fiscal 2015 Annual Cash Incentive consistent with the other NEOs.

Performance-Based Long-Term Equity-Based Incentive Awards***Fiscal 2015-2017 Performance-Based Long-Term Equity-Based Incentive Awards***

In August 2014, the Compensation Committee designed and approved a performance-based long-term equity-based incentive program for the Company's senior executives. The annual awards, which are granted under the LTIP, consist of PSUs that vest over a three-year performance measurement period. If earned, the PSUs awarded to: (i) Messrs. Singh and Pitofsky are settled in shares of Class A Common Stock, and (ii) Messrs. K.R. Murdoch and Thomson are settled in cash rather than shares based on the stock price on the trading day immediately prior to vesting. Accordingly, all of the NEOs' PSU payouts are fully at risk for both financial performance and stock price performance from the grant date until vesting. The practice of settling PSUs awarded to Messrs. K.R. Murdoch and Thomson in cash rather than stock conforms to the Company's policy of settling Directors' equity awards in cash to address certain requirements of the ASX.

Payouts will be determined based on the achievement of the performance goals established by the Compensation Committee at the beginning of the three-year performance period for three performance metrics. The performance metrics and their respective weightings for the fiscal 2015-2017 PSU Award are as follows:

- 40% based on cumulative adjusted earnings per share;
- 40% based on cumulative annual adjusted free cash flow; and
- 20% based on the Company's three-year TSR as measured against the three-year TSR of the S&P 500.

For the fiscal 2015-2017 PSU Award, the Compensation Committee decided to utilize a cumulative annual adjusted free cash flow measure instead of growth in average annual adjusted free cash flow, which was used for prior PSU awards, as the Compensation Committee believes the cumulative annual adjusted free cash flow metric better reflects the performance of the Company during the performance period.

The Compensation Committee seeks to motivate the NEOs to create stockholder value and therefore determined that cumulative adjusted earnings per share, cumulative annual adjusted free cash flow and three-year TSR as measured against the S&P 500 were the appropriate performance metrics to use in determining payouts.

At the beginning of each performance period, the Compensation Committee determines the target award opportunity, expressed as a dollar value (the PSU Target Value), for each of the NEOs. The PSU Target Value is converted to a target number of PSUs (the PSU Target), which, for the fiscal 2015-2017 PSU Award, was based on the volume weighted average price of the Company's Class A Common Stock for the last 20 trading days in fiscal 2014.

TABLE OF CONTENTS**COMPENSATION DISCUSSION AND ANALYSIS**

At the end of each performance period, the Compensation Committee will compare the actual results of the Company's performance against the targets set by the Compensation Committee and determine the Final PSU Award for each NEO, using the following formula:

Upon vesting, Messrs. K.R. Murdoch and Thomson will each receive a cash payment (after taxes are withheld) equal to the Final PSU Award multiplied by the closing price of the Class A Common Stock on the last trading day immediately prior to the Vest Date, subject to the limitations set forth in the LTIP. The Vest Date will be August 15 of the applicable year or the closest business day following August 15. Messrs. Singh and Pitofsky will receive shares of Class A Common Stock, after taxes are withheld, in settlement of their Final PSU Awards.

For the fiscal 2015-2017 PSU Award, the Compensation Committee approved the following PSU Target Values and corresponding number of PSUs for the NEOs:

Named Executive Officer	Fiscal 2015-2017 Target PSU Award Opportunity	
	\$ Value	Number of PSUs
K. Rupert Murdoch	\$ 2,000,000	113,746
Robert J. Thomson	\$ 4,300,000	244,555
Bedi Ajay Singh	\$ 1,600,000	90,997
David B. Pitofsky ⁽¹⁾	\$ 400,000	22,749

(1) Mr. Pitofsky's Fiscal 2015-2017 Target PSU Award Opportunity was determined prior to his appointment as General Counsel.

Launch Performance Award Granted to Former General Counsel

In September 2013, the Compensation Committee approved a one-time grant of PSUs to certain executives and key employees of the Company in recognition of their efforts in connection with the Separation (the Launch Performance Awards). Mr. Zweifach, our then General Counsel, did not receive a Launch Performance Award at that time. However, in August 2014, the Compensation Committee approved a Launch Performance Award for Mr. Zweifach in light of his accomplishments as the Company's General Counsel, including his efforts in connection with the Separation and his decision to extend his time in this role beyond the one-year transitional period originally contemplated by the Transition Services Agreement. Mr. Zweifach's Launch Performance Award has the same performance measurement period, performance metrics and other terms as the fiscal 2014-2016 PSU Award. The target opportunity for this award is \$1,000,000. Mr. Zweifach resigned as the Company's General Counsel in February 2015. His Launch Performance Award will continue to vest, subject to

the terms and conditions set forth in the LTIP and in the applicable award agreement. The amount earned, if any, will be paid on the same basis and at the same time as the other PSU participants.

Retirement Benefits

Prior to the Separation, Messrs. Thomson and Singh participated in certain U.S. qualified, U.K. registered (qualified) and U.K. unfunded non-qualified defined benefit plans, in each case, in connection with services rendered to 21st

Century Fox. The liabilities for these benefits have been assumed by the Company, and as of the Separation, there are no further accruals under these arrangements. For additional information on these arrangements, please see the Pension Benefits Table, together with its accompanying footnotes, and Description of Pension Benefits below. Mr. K.R. Murdoch continues to participate in the 21st Century Fox retirement plans following the Separation, and does not participate in News Corp's retirement plans.

The Company continues to provide Retirement Benefits in the form of a 401(k) plan as well as the NC Transaction, Inc. Restoration Plan (the Restoration

Plan), a non-qualified unfunded defined contribution retirement plan maintained for the benefit of certain management and other highly compensated employees of the Company, including the CEO, CFO and General Counsel. The Restoration Plan provides participants with retirement benefits which would have become payable under the Company's traditional qualified retirement plans but for limitations imposed by the Code. For additional information on the Restoration Plan, please see the Nonqualified Deferred Compensation Table, together with its accompanying footnotes, and Description of Restoration Plan below.

Perquisites

Consistent with the Company's compensation philosophy, the NEOs are provided with limited perquisites and other personal benefits that the Compensation Committee feels are reasonable and consistent with the Company's overall compensation philosophy. Perquisites constitute a very small percentage of each of the NEO's total compensation package.

Messrs. Thomson, Singh and Pitofsky are entitled to the benefits and perquisites available to the Company's other senior executives. The perquisites received by each NEO in fiscal 2015, as well as their incremental cost to the Company, are reported in the Summary Compensation Table and its accompanying footnotes below.

Severance Arrangements

The employment agreements of Messrs. Thomson, Singh and Pitofsky provide for certain payments and benefits upon their separation from the Company. Mr. K.R. Murdoch's letter agreement contains termination provisions relating to his Annual Cash Incentive and PSU Award. The relevant provisions in the employment agreements of Messrs. Thomson,

Singh and Pitofsky, and Mr. K.R. Murdoch's letter agreement, are more fully described in the section titled Potential Payments Upon Termination below. None of the NEOs' employment agreements contain provisions that provide benefits that are triggered in whole or in part solely by a change in control of the Company (i.e., no automatic single trigger benefits).

Stock Ownership Guidelines for Executive Officers

The Company believes that providing appropriate severance benefits helps to attract and retain highly-qualified executives by mitigating the risks associated with leaving a previous employer and accepting a new position with the Company, and by providing income continuity following an unexpected termination. These arrangements also allow the Company to protect its interests through corresponding confidentiality, non-competition and other restrictive covenants in the event of an executive's termination.

The Compensation Committee has adopted stock ownership guidelines for the CEO, CFO, and General Counsel, which require each officer to maintain a

substantial stake in the Company. In fiscal 2015, we increased the CEO's stock ownership guideline from two-times to three-times his base salary. The CFO's and General Counsel's stock ownership guideline is one-and-a-half times base salary and one times base salary, respectively. The stock ownership guidelines include unvested awards and count both cash-settled and stock-settled awards toward the applicable ownership requirements. Each officer will have five years from the later of July 1, 2013 or the officer's employment commencement date in which to comply with the

ownership requirement and each officer is making progress towards achieving the requirement.

Clawback Policies

The Board has adopted policies requiring the recoupment of performance-based cash and equity compensation paid to the NEOs in the event of certain financial restatements or of other bonus

compensation in certain other instances. The policies require reimbursement, to the extent permitted by governing law and any employment arrangements entered into prior to the adoption of the policies.

Prohibition on Hedging of News Corp Stock

The Company prohibits all Directors and employees, including the NEOs, from engaging in short sales of the Company's securities and investing in derivative

securities, including options, warrants, SARs or similar rights, whose value are derived from the value of the Company's Common Stock. This

TABLE OF CONTENTS

COMPENSATION DISCUSSION AND ANALYSIS

prohibition includes, but is not limited to, trading in Company-based put or call option contracts, trading in straddles and similar instruments designed to offset the risks of ownership of the Company's

Common Stock. However, holding and exercising employee stock options, RSUs or other equity-based awards granted under the Company's equity compensation plans are not prohibited.

Compensation Deductibility Policy

In approving compensation arrangements, the Compensation Committee takes into account Section 162(m) of the Code, which generally limits to \$1 million the U.S. federal tax deductibility of compensation paid in one year to the NEOs (other than, pursuant to Internal Revenue Service pronouncements, the CFO). However, the Compensation Committee reserves the flexibility to take actions that may be based on considerations other than tax deductibility pursuant to

Section 162(m) of the Code for performance-based compensation. The Compensation Committee believes that stockholder interests are best served by not restricting the Committee's discretion and flexibility in crafting compensation programs, even if such programs may result in certain non-deductible compensation expenses. Accordingly, the Compensation Committee may choose to approve components of compensation for certain officers that are not deductible.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors has reviewed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K and discussed it with the Company's management. Based on the Compensation Committee's review and discussions with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included

in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2015 and this proxy statement.

THE COMPENSATION COMMITTEE:

Masroor Siddiqui (Chairman)
Natalie Bancroft
Peter L. Barnes

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2015, the Compensation Committee consisted of the following Non-Executive Directors: Masroor Siddiqui (Chairman), Peter L. Barnes, Natalie Bancroft (appointed to the Committee in August 2014) and John Elkann (resigned from the Committee

in August 2014). The Board has determined that Ms. Bancroft and Messrs. Siddiqui, Barnes and Elkann are independent in accordance with the NASDAQ listing rules. There are no interlocking relationships as defined in the applicable SEC rules.

RISKS RELATED TO COMPENSATION POLICIES AND PRACTICES

The Compensation Committee has been delegated the authority to oversee the risk assessment of the Company's compensation policies and practices. At the direction of the Compensation Committee, members of senior management conducted the risk assessment. Such members gathered and reviewed information regarding pay practices and risk-mitigation factors within the Company's principal business units and its corporate division. Following an analysis of the data with the Compensation Committee, the Compensation Committee does not believe there are any risks from the Company's compensation policies and practices for its

employees that are reasonably likely to have a material adverse effect on the Company. In addition, the Company's compensation programs include sufficient risk mitigation features, such as significant management discretion and oversight, a balance of annual and long-term incentives for senior executives, the use of multiple performance metrics which are generally set at the beginning of the performance period, award opportunities that are fixed or capped, and recoupment provisions for NEOs' bonus compensation in the event of certain financial restatements or certain other instances.

(a) All of the base salaries were paid in U.S. dollars.

(b) The amounts set forth in the Stock Awards column represent the aggregate grant date fair value of stock awards

granted during the applicable fiscal years based on target performance calculated in accordance with FASB ASC Topic 718. At the maximum level of performance, the grant date fair value of the 2015-2017 PSU Awards would be: Mr. K.R. Murdoch—\$4,135,350; Mr. Thomson—\$8,891,042; Mr. Singh—\$3,308,286; and Mr. Pitofsky—\$827,062. Please see the Grants of Plan-Based Awards table for more information regarding the stock awards granted in fiscal 2015. For fiscal 2014, the amounts set forth in the Stock Awards column reflect the grant date fair value for both the 2014-2016 PSU Award and the Launch Performance Award. The Launch Performance Award was a one-time grant of PSUs in connection with the Separation that was not considered part of our regular annual executive compensation program.

The values reported in the Change in Pension Value and Nonqualified Deferred Compensation Earnings column are theoretical as these amounts are calculated pursuant to SEC requirements and are based on a retirement assumption of age 60 for Mr. Thomson and age 65 for Mr. Singh, and other assumptions used in preparing the Company's Consolidated Financial Statements for the fiscal years ended June 30, 2015, 2014 and 2013. The change in actuarial present value for each NEO's accumulated pension benefits under the applicable Company pension plan(s) from year to year as reported in the Summary Compensation Table is subject to market volatility and may not represent, nor does it affect, (c) the value that a NEO will actually accrue under the Company's pension plans during any given fiscal year. Mr. Thomson and Mr. Singh's changes in pension value are denominated in British pounds sterling, except for Mr. Singh's NC Transaction, Inc. Pension Plan, which is denominated in U.S. dollars. For those plans denominated in British pounds sterling, amounts reflected in this table have been converted into U.S. dollars using the average exchange rate for the year ended June 28, 2015, which was U.S. \$1 = GBP0.6356, as reported on Bloomberg. There were no above-market earnings or preferential earnings on any compensation that was deferred pursuant to a nonqualified deferred compensation plan or on any other basis that is not tax-qualified.

For those plans denominated in British pounds sterling, amounts reflected in this table have been converted into U.S. dollars using the spot exchange rate as of June 26, 2015, the last business day of the fiscal year ended June 30, 2015, which was U.S. \$1 = GBP0.6350, as reported on Bloomberg.

The present value of Mr. Singh's accumulated benefit at June 30, 2015 under the NC Transaction, Inc. Pension (c) Plan was calculated assuming commencement of benefits at age 65, a discount rate of 4.50% and a mortality assumption of RP-2014 generational table projected with Scale MP-2014 for future improvements.

Description of Pension Benefits

Each of Mr. Thomson and Mr. Singh has pension benefits from Company-sponsored plans that were earned in connection with their employment by 21st Century Fox in periods prior to the Separation. Both Messrs. Thomson and Singh earned pension benefits as described below during their employment with 21st Century Fox in the U.K. and U.S. prior to the Separation. The News International Pension and Life Assurance Plan for Senior Executives (the Registered Plan) provided select U.K. executives with pension benefits for services rendered. The Registered Plan was frozen to additional future benefits effective March 31, 2011 and benefits were determined based on two formulas that were based on the period of employment. The applicable formula for Mr. Thomson was an annual benefit accrual of 1/45th of pensionable salary (limited to the pension salary cap where applicable) and is payable at age 60 in the form of a member annuity plus a 50% survivor annuity. The benefit at retirement is adjusted annually in payment for inflation as measured by the change in retail price index capped at 5%. The applicable formula for Mr. Singh was an annual benefit accrual of 1/60th of pensionable salary (limited to the pension salary cap where applicable) and is payable at age 65 in the form of member annuity plus a 50% survivor annuity. The benefit at retirement is adjusted annually at a fixed rate of 5%. The Registered Plan will also provide to Mr. Singh upon retirement an

additional pension benefit granted based on a transfer into the Registered Plan of pension rights he had accrued with a prior employer.

Mr. Thomson also participated in the News International Unapproved Pension and Life Assurance Plan (the Supplementary Plan). The Supplementary Plan is a non-registered plan that provided benefits that were not available in the Registered Plan as a result of the application of the U.K. statutory earnings cap and was also frozen to additional future benefits effective March 31, 2011. Upon Mr. Thomson's transfer to the U.S., the Company extended to Mr. Thomson benefits through the Employer-Financed Retirement Benefits Scheme (the EFRBS) equivalent to the benefit amounts provided by the Registered and Supplementary Plans. The EFRBS is subject to Section 409A of the Code, and the full commuted value of the EFRBS benefit is payable as a single lump sum upon separation of employment. The EFRBS was frozen as of June 30, 2013 for future service.

Upon Mr. Singh's transfer to the U.S. in 1995, Mr. Singh participated for two years in 21st Century Fox's U.S. pension plan that was the predecessor to the NC Transaction, Inc. Pension Plan. The benefit he earned under this U.S. tax qualified pension plan was equal to 1% of monthly compensation times years of credited service, plus 0.6% of average monthly compensation in excess of average covered compensation times years of credited service. The NC Transaction, Inc. Pension Plan has been frozen to additional future benefits effective February 28, 2014.

Description of Restoration Plan

In September 2013, the Compensation Committee adopted the Restoration Plan, a non-qualified unfunded defined contribution retirement plan maintained for the benefit of certain management and other highly compensated employees of the Company, including the CEO, CFO and General Counsel. The Restoration Plan provides participants with retirement benefits which would have become payable under the Company's traditional qualified retirement plans but for limitations imposed by the Code.

Under the Restoration Plan, participants whose employer contributions under the Company's qualified retirement plans are limited by the Code are eligible to receive an amount credited to their

account equal to 5.5% of their compensation in excess of the compensation limits of the Code, subject to a compensation cap of \$5,000,000 for each of the CEO and CFO and \$2,000,000 for the General Counsel. The amounts credited to each participant's account are fully vested following attainment of two years of service with the Company. Participants in the plan have the ability to direct their assets into the same fund choices as found in the Company's qualified retirement plans. Amounts in a participant's account will be credited with gains and losses associated to the participant's fund elections. Participants will receive distributions of vested benefits upon termination of employment in accordance with the payment schedule set forth under the plan rules.

Potential Payments Upon Termination

As discussed under Employment Agreements above, the employment agreements of each of Messrs. Thomson, Singh and Pitofsky provide for certain payments and benefits upon their respective separation from the Company. In addition, Mr. K.R. Murdoch's letter agreement contains certain termination provisions relating to his performance-based annual bonus and PSUs. These provisions are summarized below.

Murdoch's addiction to drugs or alcohol that results in a material

breach of his duties and responsibilities and that results in material harm to the Company and its affiliates, which addiction is not remedied within 30 days after receipt of written notice specifying such breach.

the greater of (i) his compensation and other payments and benefits through the term of the agreement, and (ii) one year's base salary and a bonus payment in an amount equal to his target bonus;

an amount equal to his annual bonus for the year of termination, determined based on actual performance for the year of termination, multiplied by a fraction the numerator of which is the number of calendar days in the fiscal year that have elapsed as of the date of his termination and the denominator of which is 365;

continued vesting of his outstanding PSUs for a period of one year, unless the Compensation Committee determines to extend such vesting period beyond one year; and

Company paid premiums under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, for him and his eligible dependents for one year.

For purposes of the Pitofsky Agreement, the term "good reason" means, (i) a material breach of the agreement by the Company which breach is not cured within 20 days after written notice specifying the alleged breach; (ii) if Mr.

Pitofsky is required to be based and essentially render services in areas other than within 50 miles of New York City at the principal offices of the Company; (iii) if he is required to report to any executive other than the CEO; or (iv) a material diminution in Mr. Pitofsky's duties.

PROPOSAL NO. 3

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Dodd-Frank Act and Section 14A of the Exchange Act require that the Company provide our stockholders with the opportunity to approve, on an advisory, nonbinding basis, the compensation of our NEOs as disclosed in this proxy statement in accordance with the rules of the SEC.

As described in detail in the Compensation Discussion and Analysis, the Compensation Committee seeks to closely align the interests of our NEOs with the interests of the Company's stockholders. The Company's executive compensation program is designed to drive Company performance, ensure our compensation practices support short- and long-term growth for stockholders, and attract, retain and motivate the top executive talent necessary for the Company's success. The compensation framework designed by the Company emphasizes a pay for performance model, a focus on long-term growth and diversified performance metrics. The Compensation Committee believes that our compensation framework effectively aligns pay with individual and Company performance as further described on page 37 under the heading Aligning Compensation with Company Performance. In addition, as described on page 42 under the heading Fiscal 2015 Pay Mix, the compensation framework places a significant majority of the Executive Chairman's, CEO's, CFO's and General Counsel's total direct compensation at-risk and dependent upon performance, with a significant portion of total direct compensation tied to the Company's long-term results and future stock

price performance. The Company has also implemented a number of executive compensation practices, as described beginning on page 39, which the Compensation Committee considers to be effective at driving performance and supporting long-term growth for our stockholders.

The Board recommends that stockholders indicate their support for the Company's compensation of its NEOs. The vote on this resolution, commonly known as a "say on pay" resolution, is not intended to address any specific element of compensation but rather the overall NEO compensation program as described in this proxy statement. Although this vote is advisory and not binding on the Company or the Board, the Compensation Committee, which is responsible for developing and administering the Company's executive compensation philosophy and program, will consider the results as part of its ongoing review of the Company's executive compensation program.

Accordingly, we ask our stockholders to vote on the following resolution:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in the Company's proxy statement for the 2015 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Fiscal 2015 Summary Compensation Table and the other related tables and disclosure.

THE BOARD UNANIMOUSLY RECOMMENDS AN ADVISORY VOTE FOR THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

PROPOSAL NO. 4

STOCKHOLDER PROPOSAL

ELIMINATE THE COMPANY'S DUAL CLASS CAPITAL STRUCTURE

The Nathan Cummings Foundation (Nathan Cummings), 475 Tenth Avenue, 14th Floor, New York, NY 10018, which is the beneficial owner of 960 shares of Class B Common Stock as of the date of submission, has given notice that it intends to present for action at the Annual Meeting the resolution set forth below. Legal & General Assurance (Pensions Management) Limited, the beneficial owner of 3,798 shares of Class B Common Stock as of the date of submission, on behalf of its client Hermes Equity Ownership Services, joins Nathan Cummings as a co-filer of this proposal. In accordance with applicable proxy rules, the proposal and supporting statements, for which the Company accepts no responsibility, is set forth below:

RESOLVED, that stockholders of News Corporation (News Corp. or the Company) request that the Board of Directors take the necessary steps (excluding those steps that must be taken by the Company's stockholders) to adopt a recapitalization plan that would eliminate News Corp.'s dual-class capital structure and provide that each outstanding share of common stock has one vote.

Supporting Statement

News Corp. had 583,193,671 shares of common stock outstanding as of April 30, 2015, according to the Company's Form 10-Q filed on May 6, 2015. Holders of the 383,563,431 outstanding shares of Class A common stock, nearly 66% of the Company's equity base, have no voting rights. Holders of Class B common stock, of which 199,630,240 shares were outstanding, have one vote per share.

According to a May 2015 SEC filing, News Corp. executive chairman K. Rupert Murdoch may be deemed to beneficially own 39.4% of the Class B shares and less than 1% of Class A shares. Thus, despite owning only about 14% of outstanding shares, Mr. Murdoch controls nearly 40% of the voting power, allowing him outsized influence on the outcome of shareholder votes.

Dual-class structures can distort incentives and increase agency costs by misaligning economic

incentives and voting power. High-profile scandals at companies like Hollinger and Adelphia illustrate the dangers of dual-class structures in facilitating the extraction of private benefits for management. Governance expert Charles Elson has stated that dual-class structures create a culture with no accountability. (Geoff Colvin, The Trembling at News Corp. Has Only Begun, CNNMoney, July 19, 2011)

Dual-class structures are associated with poorer company performance. A 2008 study by Harvard's Paul Gompers and two co-authors found that dual-class structures with disparate voting rights were correlated with lower firm value. (Paul Gompers et al., Extreme Governance (working paper 2008) (available at http://papers.ssm.com/sol3/papers.cfm?abstract_id=562511))

In a preliminary proxy statement filed in 2013, News Corp. identified certain negative consequences associated with the existing dual-class capital structure, including the possibility that significant voting stockholders could pursue their own interests to the detriment of other stockholders. Indeed, we believe that the Murdoch family's effective control over News Corp. has resulted in decisions that are not in public stockholders' best interests.

A derivative suit filed after the phone hacking scandal and settled in 2013 for \$139,000,000 alleged that the Board failed in its oversight duties on a number of fronts. Among other things, the plaintiffs alleged that, "The Board has a long track record of pursuing transactions that clearly help the controlling family, while providing questionable benefits or objective injury to the public shareholders." While the suit targeted News Corporation prior to its split into two distinct, publicly traded companies, a majority of the current News Corp. directors served during some or all of the period covered by the suit.

Accordingly, we believe that eliminating the dual-class structure, and installing a one-share/one-vote arrangement, would benefit News Corporation and its public stockholders.

PROPOSAL NO. 4 STOCKHOLDER PROPOSAL — ELIMINATE THE COMPANY S DUAL CLASS CAPITAL STRUCTURE

THE BOARD S STATEMENT IN OPPOSITION TO PROPOSAL NO. 4

The Board recommends that stockholders vote against this Proposal No. 4. The Company s dual class capital structure has been in place since the Company became an independent, publicly traded company and the Board believes that retaining this structure is in the best interest of the Company and its stockholders. The Board believes that many purchasers of the Company s Common Stock are attracted to it because of the Company s dual class capitalization structure, which: (a) promotes stability and continuity in the leadership and management of the Company, which allows the Company to focus on long-term objectives, (b) enhances the Company s ability to attract, retain and motivate highly qualified key employees, and (c) provides the Company with greater flexibility in financing its growth. The Board s reasons for its position are described in more detail below.

Continuity and Stability. In the face of difficult challenges, management of companies with a single class of common stock can become singularly focused on maximizing short-term value and performance at the expense of long-range planning. The Board believes that the Company s dual class structure helps insulate the Company from short-term pressures and allows our Board and management to pursue strategies that enhance the Company s long-term profitability. Through his leadership and vision, Mr. K.R. Murdoch, the Company s Executive Chairman, and his family have been, and will continue to be, an extremely important part of the Company s long-term success, in which they have a special interest as a direct result of the dual class capital structure.

Retention of Key Employees. The Company s ability to issue Class A Common Stock-based equity awards

increases its flexibility in structuring compensation plans so that management and key employees can participate in the growth of the Company without diluting the voting power of the Class B stockholders, which enhances the Company s ability to attract, retain and motivate highly qualified key employees.

Financing Flexibility. The dual class capital structure provides the Company with greater flexibility to pursue transactions that enhance long-term stockholder value. The Board believes that the Company s ability to issue Class A Common Stock, for which there is already a sizeable and liquid market, better positions the Company to finance growth opportunities without significantly diluting the voting interest of the Company s Class B stockholders. The Board believes that a company with a single class of stock may run the risk of foregoing stock issuances (thereby foregoing strategic transactions that potentially could be of great benefit to stockholders) simply out of concerns over dilution of control. The Company, however, has the flexibility to issue its Class A Common Stock for a variety of corporate purposes, including the financing of significant mergers and acquisitions and the raising of needed capital to fund growth. As such, the decision by the Company to issue stock in acquisitions or capital raising transactions is based solely on the perceived economic benefits of the transaction to the Company and all of its stockholders.

Approval of this Proposal 4 would not itself eliminate the Company s dual class capital structure, but rather it would be an advisory recommendation to the Board to submit such a proposal to the Company s Class B stockholders in the future.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE AGAINST THIS STOCKHOLDER PROPOSAL TO ELIMINATE THE COMPANY S DUAL CLASS CAPITAL STRUCTURE.
