SUMMARY

This summary highlights information contained in this prospectus. For a more complete understanding of our business, you should read this entire prospectus, particularly the discussion set forth under the heading “Risk Factors,” and our historical consolidated financial statements and the respective notes to those statements, as well as the documents incorporated herein by reference.

Our Company

We are a gold and silver producer with mines located in the United States, Mexico, and Bolivia. The Palmarejo complex, the Rochester, Kensington, Wharf, and San Bartolomé mines constitute our principal sources of revenue. In addition, we own the La Preciosa project in Mexico, a silver-gold exploration stage project, and we conduct exploration activities in North and South America.

Our strategy is to discover, acquire, develop and operate low-cost silver and gold mines that produce long-term cash flow, provide opportunities for growth through continued exploration, and generate superior and sustainable returns for stockholders. Management focuses on maximizing net cash flow through identifying and implementing revenue enhancement opportunities, reducing operating and non-operating costs, consistent capital discipline, and efficient working capital management.

Overview of Mining Properties and Interests

Our most significant operating properties and interests are described below:

We own 100% of Coeur Mexicana S.A. de C.V. (“Coeur Mexicana”), which has operated the underground and surface Palmarejo silver and gold mine (the “Palmarejo mine”) in Mexico since 2009. Coeur Mexicana controls a large land position around its existing operations, including the adjacent San Miguel project acquired from Paramount Gold and Silver Corp. (“Paramount”) in April 2015. The combined property now consists of (1) the Palmarejo mine and mill; (2) the Guadalupe underground mine, located about 8 kilometers southeast of the Palmarejo mine; (3) the Independencia underground mine, located approximately 800 meters northeast of the Guadalupe underground mine, and (4) other nearby deposits and exploration targets (together, the “Palmarejo complex”). The Palmarejo complex produced 4.4 million ounces of silver and 73,913 ounces of gold in 2016.

In 2009, Coeur Mexicana entered into a gold production royalty with a subsidiary of Franco-Nevada Corporation covering 50% of life of mine gold production for the portion of the Palmarejo complex owned by Coeur Mexicana prior to completion of the Paramount acquisition. In July 2016 the gold production royalty terminated effective upon completion of a minimum ounce delivery requirement and, subsequently, a new gold stream agreement with a subsidiary of Franco-Nevada Corporation became effective.

We own 100% of Coeur Rochester, Inc. (“Coeur Rochester”), which has operated the Rochester mine, a silver and gold surface mining operation located in northwestern Nevada, since 1986. The Rochester mine produced 4.6 million ounces of silver and 50,751 ounces of gold in 2016.

We own 100% of Coeur Alaska, Inc., which has operated the Kensington mine, an underground gold mine located north of Juneau, Alaska since 2010. Kensington produced 124,331 ounces of gold in 2016.

We own 100% of Wharf Resources (U.S.A.), Inc., which operates the Wharf mine, an open-pit gold mine located near Lead, South Dakota. The Wharf mine is located in the Black Hills mining district of South Dakota and has been in production for over 30 years, during which it has produced over 2.1 million ounces of gold. Coeur acquired Wharf in February 2015 from Goldcorp Inc. for cash consideration of \$99.4 million. The Wharf mine produced 109,175 ounces of gold in 2016.

Edgar Filing: Coeur Mining, Inc. - Form S-4

We own 100% of Empresa Minera Manquiri S.A., a Bolivian company that controls the mining rights for the San Bartolomé mine, which is a surface silver mine in Bolivia where Coeur commenced commercial production in 2008. The San Bartolomé mine produced 5.5 million ounces of silver in 2016.

• We own 100% of the La Preciosa silver-gold exploration project in the State of Durango, Mexico.

The terms of the New Notes offered in the exchange offer are substantially identical to the terms of the Outstanding Notes, except that the New Notes will be registered under the Securities Act and certain transfer restrictions, registration rights and additional interest provisions relating to the Outstanding Notes do not apply to the New Notes. For a more complete description, see “Description of the New Notes.”

The Exchange Offer

We are offering to issue registered New Notes in exchange for a like principal amount and like denomination of our Outstanding Notes. We are offering to issue these registered New Notes to satisfy our obligations under a registration rights agreement that we entered into with the initial purchaser of the Outstanding Notes when we sold the Outstanding Notes in a transaction that was exempt from the registration requirements of the Securities Act. You may tender your Outstanding Notes for exchange by following the procedures described in the section entitled “The Exchange Offer” elsewhere in this prospectus.

Tenders; Expiration Date; Withdrawal

The exchange offer will expire at 5:00 p.m., New York City time, on _____, 2017 (such time, the “expiration date”), which is 21 business days after the exchange offer is commenced, unless we extend it. If you decide to exchange your Outstanding Notes for New Notes, you must acknowledge that you are not engaging in, and do not intend to engage in, a distribution of the New Notes. Your exchange of Outstanding Notes for New Notes to be issued in the exchange offer will not result in your realizing any gain or loss for U.S. federal income tax purposes. For additional information, see “Material U.S. Federal Income Tax Considerations.” You should consult your own tax advisor as to the tax consequences to you of the exchange offer, as well as tax consequences of the ownership and disposition of the New Notes.

Except in limited circumstances with respect to specific types of holders of Outstanding Notes, we will have no further obligation to register the Outstanding Notes. If you do not participate in the exchange offer, the liquidity of your Outstanding Notes could be adversely affected. See “The Exchange Offer—Consequences of Failure to Exchange Outstanding Notes.”

Consequences of Exchanging Your Outstanding Notes

Based on interpretations of the staff of the SEC, we believe that you may offer for resale, resell or otherwise transfer the New Notes that we issue in the exchange offer without complying with the registration and prospectus delivery requirements of the Securities Act if you:

See “Plan of Distribution” for a description of the prospectus delivery obligations of broker-dealers in the exchange offer.

Interest on Outstanding Notes Exchanged in the Exchange Offer

Holders of such New Notes as of the record date for the first interest payment date for the New Notes offered hereby following the consummation of the exchange offer, will receive interest accruing from May 31, 2017 or, if later, the most recent date to which interest has been paid on the Outstanding Notes.

Optional Redemption

The Notes (including the New Notes) are redeemable at our option, in whole or in part, at any time on or after June 1, 2020, at the redemption prices set forth in this prospectus, together with accrued and unpaid interest, if any, to the date of redemption.

At any time prior to June 1, 2020, we may redeem up to 35% of the original principal amount of the Notes (including the New Notes and any additional notes) with an amount of cash not greater than the net proceeds of certain equity offerings at a redemption price of 105.875% of the principal amount of the Notes, together with accrued and unpaid interest, if any, to the date of redemption.

At any time prior to June 1, 2020, we may also redeem some or all of the Notes at a price equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest, plus a "make-whole premium." See "Description of the New Notes—Optional Redemption."

Change of Control Offer

Upon the occurrence of specific change of control events, you will have the right, as holders of the New Notes, to cause us to repurchase some or all of your notes at 101% of their face amount, plus accrued and unpaid interest to, but not including, the repurchase date. See "Description of the New Notes—Repurchase at the Option of Holders—Change of Control."

Certain Covenants

We will issue the New Notes under the Indenture, which contains certain covenants for your benefit. The Indenture limits our ability and the ability of our restricted subsidiaries to:

- incur additional indebtedness;
- pay dividends or make other distributions or repurchase or redeem our capital stock;

TABLE OF CONTENTS

- prepay, redeem or repurchase certain debt;
- make loans and investments;
- sell, transfer or otherwise dispose of assets;
- incur or permit to exist certain liens;
- enter into transactions with affiliates;
 - enter into agreements restricting our subsidiaries' ability to pay dividends; and
- consolidate, amalgamate, merge or sell all or substantially all of our assets.

However, these limitations will be subject to a number of important qualifications and exceptions. See “Description of the New Notes—Certain Covenants.”

Certain of these covenants will be suspended if, on any date following the issue date, the notes are rated investment grade by Moody’s Investors Service, Inc. and Standard & Poor’s Ratings Group. If either rating on the notes should subsequently decline to below investment grade, the suspended covenants will be reinstated. See “Description of the New Notes—Certain Covenants—Changes in Covenants when Notes Rated Investment Grade.”

Events of Default

For a discussion of events that will permit acceleration of the payment of the principal of and accrued interest on the Notes, see “Description of the New Notes—Events of Default and Remedies.”

Additional Notes

Coeur may issue additional notes under the Indenture from time to time. The Notes (including the New Notes) and any additional notes subsequently issued under the Indenture will be treated as a single class for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase.

No Established Trading Market

The New Notes are a new issue of securities with no established trading market. The New Notes will not be listed on any securities exchange or on any automated dealer quotation system. We cannot assure you that an active or liquid trading market for the New Notes will develop. If an active or liquid trading market for the New Notes does not develop, the market price and liquidity of the New Notes may be adversely affected. The initial purchaser has advised us that it currently intends to make a market in the New Notes. However, it is not obligated to do so, and any market making with respect to the New Notes may be discontinued without notice.

TABLE OF CONTENTS

Beneficial interests in the New Notes will be evidenced by, and transfers thereof will be effected only through, records maintained by participants of DTC.

Governing Law

Risk Factors

Investing in the New Notes involves substantial risks and uncertainties. See “Risk Factors” and other information included in this prospectus for a discussion of factors you should carefully consider before deciding to purchase any notes.

TABLE OF CONTENTS

RISK FACTORS

Investing in the New Notes involves various risks, including the risks described below and in the documents we incorporate by reference herein, including our Annual Report on Form 10-K for the year ended December 31, 2016 and in our Quarterly Report on Form 10-Q for the six months ended June 30, 2017. You should carefully consider these risks and the other information included and incorporated by reference in this prospectus before deciding to invest in the New Notes. Our financial condition, results of operations or cash flows could be materially adversely affected by any of these risks. In any such case, the trading price of the New Notes could decline, and you could lose all or part of your investment. The risks and uncertainties described below are not the only risks and uncertainties that you may face.

Risks Relating to the Exchange Offer and the New Notes

You may be adversely affected if you fail to exchange Outstanding Notes

We will issue New Notes to you only if your Outstanding Notes are timely received by the exchange agent, together with all required documents, including a properly completed and signed letter of transmittal. Therefore, you should allow sufficient time to ensure timely delivery of the Outstanding Notes, and you should carefully follow the instructions on how to tender your Outstanding Notes. Neither we nor the exchange agent are required to tell you of any defects or irregularities with respect to your tender of the Outstanding Notes. If you are eligible to participate in the exchange offer and do not tender your Outstanding Notes or if we do not accept your Outstanding Notes because you did not tender your Outstanding Notes properly, then, after we consummate the exchange offer, you will continue to hold Outstanding Notes that are subject to the existing transfer restrictions and will no longer have any registration rights or be entitled to any special interest with respect to the Outstanding Notes. In addition:

if you tender your Outstanding Notes for the purpose of participating in a distribution of the New Notes, you will be required to comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale of the New Notes; and

if you are a broker-dealer that receives New Notes for your own account in exchange for Outstanding Notes that you acquired as a result of market-making activities or other trading activities, you will be required to acknowledge that you will deliver a prospectus in connection with any resale of those New Notes.

After the exchange offer is consummated, if you continue to hold any Outstanding Notes, you may have difficulty selling them because there will be fewer Outstanding Notes outstanding.

The terms of our debt, including the New Notes, impose restrictions or limitations on our operations, which would could adversely affect our financial condition.

The agreements governing our outstanding indebtedness, including the New Notes, include a number of significant negative covenants. These covenants, among other things:

- limit our ability to obtain additional financing, repurchase outstanding equity or debt or issue additional debt securities which may reduce our ability to fund future working capital, capital expenditures, acquisitions or other general corporate requirements;
- require a portion of our cash flows to be dedicated to debt service payments instead of other purposes, thereby reducing the amount of cash flows available for working capital, capital expenditures, acquisitions, investments and other general corporate purposes;
- sell, transfer or otherwise dispose of assets;
- enter into transactions with affiliates;
- enter into agreements restricting our subsidiaries' ability to pay dividends;

• consolidate, amalgamate, merge or sell all or substantially all of our assets;
• increase our vulnerability to general adverse economic and industry conditions;

10

TABLE OF CONTENTS

limit our flexibility in planning for and reacting to changes in the industry in which we compete; and place us at a disadvantage compared to other, less leveraged competitors.

A breach of any of these covenants could result in an event of default under the applicable agreement governing our outstanding indebtedness, including the notes, that, if not cured or waived, could give the holders of the defaulted debt the right to terminate commitments to lend and cause all amounts outstanding with respect to the debt to be due and payable immediately. Acceleration of any debt could result in cross-defaults under our other debt instruments. Our assets and cash flow may be insufficient to repay borrowings fully under all of our outstanding debt instruments if any of our debt instruments are accelerated upon an event of default, which could force us into bankruptcy or liquidation. See “Description of the New Notes—Certain Covenants.”

We may not be able to generate sufficient cash to service all of our indebtedness, including the Notes, and may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.

As of June 30, 2017, Coeur had approximately \$284.8 million of outstanding indebtedness, of which \$39.9 million effectively ranked senior to the Notes. As of June 30, 2017, our non-guarantor subsidiaries had \$200.0 million of total liabilities (including trade payables, deferred tax liabilities and royalty obligations, but excluding intercompany liabilities), all of which would have been structurally senior to the Notes. Our ability to make scheduled payments on or refinance our debt obligations, including the Notes, depends on our financial condition and operating performance, which are subject to prevailing economic and competitive conditions and to certain financial, business, legislative, regulatory and other factors beyond our control. We may be unable to maintain a level of cash flows from operating activities sufficient to permit us to pay the principal, premium, if any, and interest on our indebtedness, including the Notes.

If our cash flows and capital resources are insufficient to fund our debt service obligations, we could face substantial liquidity problems and could be forced to reduce or delay investments and capital expenditures or to dispose of material assets or operations, seek additional debt or equity capital or restructure or refinance our indebtedness, including the Notes. We may not be able to effect any such alternative measures on commercially reasonable terms or at all and, even if successful, those alternative actions may not allow us to meet our scheduled debt service obligations. The Indenture will restrict our ability to dispose of assets and use the proceeds from those dispositions and may also restrict our ability to raise debt or equity capital to be used to repay other indebtedness when it becomes due. We may not be able to consummate those dispositions or to obtain proceeds in an amount sufficient to meet any debt service obligations then due.

In addition, we conduct substantially all of our operations through our subsidiaries, certain of which will not be guarantors of the Notes or our other indebtedness. Accordingly, repayment of our indebtedness, including the Notes, is dependent on the generation of cash flow by our subsidiaries and their ability to make such cash available to us, by dividend, debt repayment or otherwise. Unless they are guarantors of the Notes or our other indebtedness, our subsidiaries do not have any obligation to pay amounts due on the Notes or our other indebtedness or to make funds available for that purpose. Our subsidiaries may not be able to, or may not be permitted to, make distributions to enable us to make payments in respect of our indebtedness, including the Notes. Each subsidiary is a distinct legal entity and, under certain circumstances, legal and contractual restrictions may limit our ability to obtain cash from our subsidiaries. While the Indenture will limit the ability of our subsidiaries to incur consensual restrictions on their ability to pay dividends or make other intercompany payments to us, these limitations are subject to qualifications and exceptions. In the event that we do not receive distributions from our subsidiaries, we may be unable to make required principal and interest payments on our indebtedness, including the Notes.

Our inability to generate sufficient cash flows to satisfy our debt obligations, or to refinance our indebtedness on commercially reasonable terms or at all, would materially and adversely affect our financial position and results of operations and our ability to satisfy our obligations under the Notes.

If we cannot make scheduled payments on our debt, we will be in default and holders of the Notes could declare all outstanding principal and interest to be due and payable, the lenders for any future secured indebtedness could foreclose against the assets securing their borrowings and we could be forced into bankruptcy or liquidation. Any of these events could result in your losing your investment in the Notes.

TABLE OF CONTENTS

The New Notes will be structurally subordinated to all liabilities of our non-guarantor subsidiaries.

The New Notes are structurally subordinated to the indebtedness and other liabilities of our subsidiaries that are not guaranteeing the New Notes, which include all of our non-domestic subsidiaries and certain other subsidiaries. These non-guarantor subsidiaries are separate and distinct legal entities and have no obligation, contingent or otherwise, to pay any amounts due pursuant to the New Notes, or to make any funds available therefor, whether by dividends, loans, distributions or other payments. Any right that we or the guarantors have to receive any assets of any of the non-guarantor subsidiaries upon the liquidation or reorganization of those subsidiaries, and the consequent rights of holders of notes to realize proceeds from the sale of any of those subsidiaries' assets, will be effectively subordinated to the claims of those subsidiaries' creditors, including trade creditors and holders of preferred equity interests of those subsidiaries. Accordingly, in the event of a bankruptcy, liquidation or reorganization of any of our non-guarantor subsidiaries, these non-guarantor subsidiaries will pay the holders of their debts, holders of preferred equity interests and their trade creditors before they will be able to distribute any of their assets to us or any guarantor.

For the six months ended June 30, 2017, our non-guarantor subsidiaries represented approximately 47% of our sales of metals and 81% of our operating income. As June 30, 2017, our non-guarantor subsidiaries represented approximately 46% of our total assets and approximately 32% of our total liabilities (including trade payables, deferred tax liabilities and royalty obligations but excluding intercompany liabilities).

Many of the covenants contained in the indenture will be suspended if the New Notes are rated investment grade by Standard & Poor's and Moody's and no default or event of default has occurred and is continuing.

Many of the covenants in the indenture governing the New Notes will be suspended if the New Notes are rated investment grade by Standard & Poor's and Moody's provided at such time no default or event of default has occurred and is continuing. The covenants will restrict, among other things, our ability to pay dividends, incur debt and to enter into certain other transactions. There can be no assurance that the New Notes will ever be rated investment grade. However, suspension of these covenants would allow us to engage in certain transactions that would not be permitted while these covenants were in force, and the effects of any such transactions will be permitted to remain in place even if the New Notes are subsequently downgraded below investment grade. See "Description of the New Notes—Certain Covenants—Changes in Covenants when Notes Rated Investment Grade."

The New Notes will be subject to a change of control provision, but we may not have the ability to raise the funds necessary to fulfill our obligations under the New Notes following a change of control.

Under the indenture, upon the occurrence of a defined change of control, we will be required to offer to repurchase all outstanding notes at 101% of the principal amount thereof plus accrued and unpaid interest to the date of repurchase. However, we may not have sufficient funds at the time of the change of control to make the required repurchase of the New Notes. Our failure to make or complete a change of control offer would place us in default under the indenture governing the New Notes. However, we cannot assure you that we would be able to repay such debt at such time.

Holders of the New Notes may not be able to determine when a change of control giving rise to their right to have the New Notes repurchased has occurred following a sale of "substantially all" of our assets.

The definition of change of control in the indenture governing the New Notes will include a phrase relating to the sale of "all or substantially all" of our assets. There is no precise established definition of the phrase "substantially all" under applicable law. Accordingly, the ability of a holder of notes to require us to repurchase its notes as a result of a sale of less than all our assets to another person may be uncertain.

Federal and state statutes allow courts, under certain circumstances, to void guarantees and require note holders to return payments received from guarantors.

The New Notes will be guaranteed by certain of our existing and future subsidiaries. The guarantees may be subject to review under U.S. federal bankruptcy law and comparable provisions of state fraudulent conveyance laws, if a bankruptcy or insolvency proceeding or a lawsuit is commenced by or on behalf of us or one of our guarantors or by our unpaid creditors or the unpaid creditors of one of our guarantors. Under these laws, a court

TABLE OF CONTENTS

could void the obligations under the guarantee, subordinate the guarantee of the New Notes to that guarantor's other debt or take other action detrimental to the holders of the New Notes and the guarantees of the New Notes, if among other things, the guarantor, at the time it incurred the indebtedness evidenced by its guarantee:

- issued the guarantee to delay, hinder or defraud present or future creditors;
- received less than reasonably equivalent value or fair consideration for issuing the guarantee at the time it issued the guarantee;
- was insolvent or rendered insolvent by reason of issuing the guarantee;
- was engaged, or about to engage, in a business or transaction for which its remaining assets constituted unreasonably small capital to carry on its business;
- intended to incur, or believed that it would incur, debts beyond its ability to pay as they mature; or
- was a defendant in an action for money damages or had a judgment for money damages docketed against it, if in either case, after final judgment the judgment is unsatisfied.

In those cases where our solvency or the solvency of one of our guarantors is a relevant factor, the measures of insolvency will vary depending upon the law applied in any proceeding to determine whether a fraudulent transfer has occurred. Generally, however, a party would be considered insolvent if:

- the sum of its debts, including contingent liabilities, was greater than the fair saleable value of all of its assets;
- the present fair saleable value of its assets was less than the amount that would be required to pay its probable liability on its existing indebtedness, including contingent liabilities, as they become absolute and mature; or
- it could not pay its indebtedness as it becomes due.

We cannot be sure as to the standard that a court would use to determine whether or not a party was solvent at the relevant time, or, regardless of the standard that the court uses, that the issuance of the guarantees would not be voided or the guarantees would not be subordinated to the guarantors' other debt. If such a case were to occur, the guarantee could also be subject to the claim that, since the guarantee was incurred for our benefit and only indirectly for the benefit of the guarantor, the obligations of the applicable guarantor were incurred for less than fair consideration.

There is no established trading market for the New Notes.

There is currently no established trading market for the New Notes, and the New Notes will not be listed on any exchange or quoted on any automated dealer quotation system. A liquid market may not develop for the New Notes, which may affect the ability of the holders of the New Notes to sell their notes or the prices at which such holders would be able to sell their notes. The liquidity of any market for the New Notes will depend on the number of holders of the New Notes, the interest of securities dealers in making a market in the New Notes and other factors. The liquidity of a trading market for the New Notes may be adversely affected by a general decline in the market for similar securities and is subject to disruptions that may cause volatility in prices. It is possible that the market for the New Notes, if any, will be subject to disruptions. Any such disruption may have a negative effect on investors in the New Notes, regardless of our financial condition, results of operations and prospects. In addition, if the New Notes are traded, they may trade at a discount from their initial offering price depending upon prevailing interest rates, the market for similar securities, general economic conditions, our performance and business prospects and other factors. If a trading market does not develop or is not maintained, you may experience difficulty in selling the New Notes or may be unable to sell them at all. The initial purchaser has also advised us that it currently intends to make a market in the New Notes after the consummation of this offering, as permitted by applicable laws and regulations. However, the initial purchaser is not obligated to do so, and any market-making with respect to the New Notes may be discontinued at any time without notice. See "Plan of Distribution."

TABLE OF CONTENTS

Our credit ratings may not reflect all risks associated with an investment in the notes.

Credit rating agencies rate our debt securities on factors that include our results of operations, actions that we take, their view of the general outlook for our industry and their view of the general outlook for the economy. Actions taken by the rating agencies can include maintaining, upgrading, or downgrading the current rating or placing us on a watch list for possible future downgrading. Downgrading the credit rating of our debt securities or placing us on a watch list for possible future downgrading would likely increase our cost of financing, limit our access to the capital markets and have an adverse effect on the market price of our securities, including the New Notes offered hereby.

The Company might be unable to raise additional financing necessary to meet capital needs, conduct business, make payments when due or refinance debt.

The Company might need to raise additional funds in order to meet capital needs, implement its business plan, refinance debt or acquire complementary businesses or products. Any required additional financing might not be available on commercially reasonable terms, or at all. If the Company raises additional funds by issuing equity securities or securities convertible into equity securities, holders of its common stock could experience significant dilution of their ownership interest, and these securities could have rights senior to those of the holders of common stock.

TABLE OF CONTENTS**USE OF PROCEEDS**

We will not receive any cash proceeds from the issuance of the New Notes. In consideration for issuing the New Notes as contemplated by this prospectus, we will receive in exchange Outstanding Notes in like principal amount. We will cancel all Outstanding Notes exchanged for New Notes in the exchange offer.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our ratio of earnings to fixed charges for the periods indicated:

	Six Months Ended June 30, 2017	Year Ended December 31,				
	2016	2015	2014	2013	2012	
Ratio of earnings to fixed charges ⁽¹⁾	2.45x	1.04x	N/A ⁽²⁾	N/A ⁽²⁾	N/A ⁽²⁾	4.62x

For purposes of calculating the ratio of earnings to fixed charges, earnings consist of income from continuing (1) operations before income taxes, fixed charges and amortization of capitalized interest, and less interest capitalized. Fixed charges consist of interest and that portion of rent deemed representative of interest.

N/A—represents coverage ratio of less than 1. Our earnings were inadequate to cover fixed charges for 2013, 2014 and 2015. The amounts by which earnings were inadequate to cover fixed charges were approximately \$804.5 million in 2013, \$1.6 billion in 2014 and \$393.1 million in 2013. Earnings were sufficient to cover fixed charges in (2) 2012 and 2016 as well as the first two quarters of 2017.

THE EXCHANGE OFFER

General

When we sold the Outstanding Notes on May 31, 2017, Coeur Mining, as issuer, entered into a registration rights agreement (the “Registration Rights Agreement”) with the guarantors and Goldman Sachs & Co. LLC, as initial purchaser. Under the Registration Rights Agreement, Coeur Mining and the guarantors agreed:

- to prepare and file the registration statement of which this prospectus forms a part, regarding the exchange of the New Notes which will be registered under the Securities Act for the Outstanding Notes;
- to use our commercially reasonable efforts to cause the registration statement to be declared effective under the Securities Act;
- to use our commercially reasonable efforts to commence and consummate the exchange offer on or prior to November 27, 2017;
- to hold the exchange offer open for at least 20 business days; and
- to complete the exchange offer no later than 35 business days after the commencement of the exchange offer.

For each Outstanding Note validly tendered pursuant to the exchange offer and not withdrawn by the holder thereof, the holder of such Outstanding Note will receive in exchange a New Note having a principal amount equal to that of the tendered Outstanding Note. Interest on each New Note will accrue from the last interest payment date on which interest was paid on the tendered Outstanding Note in exchange therefor or, if no interest has been paid on such Outstanding Note, from the date of the original issue of such Outstanding Note.

Shelf Registration

Under the Registration Rights Agreement, we also agreed to use our commercially reasonable efforts to file and to have become effective a shelf registration statement relating to resales of the Outstanding Notes and to keep that shelf registration statement continuously effective for a period of at least two years (as may be extended pursuant to the Registration Rights Agreement) following May 31, 2017, or such shorter period as will terminate when all Entitled Securities (as defined in the Registration Rights Agreement) covered by such shelf registration statement have been sold pursuant thereto or are no longer Entitled Securities, in the event that:

- (1) we and the guarantors are not permitted to consummate the exchange offer because the exchange offer is not permitted by applicable law or SEC policy; or
- (2) any holder of Entitled Securities notifies us prior to the 20th business day following consummation of the exchange offer that:
 - (a) it is prohibited by law or SEC policy from participating in the exchange offer;
 - (b) it may not resell the New Notes acquired by it in the exchange offer to the public without delivering a prospectus and this prospectus is not appropriate or available for such resales; or
 - (c) it is a broker-dealer and owns Notes acquired directly from Coeur or an affiliate of Coeur.

We will, in the event of such a shelf registration, provide to each participating holder of Outstanding Notes copies of any registration statement or prospectus for such holder’s reasonable review and comment, furnish copies of the registration statement and prospectus to such holders and take certain other actions to permit resales of the Outstanding Notes. A holder of Outstanding Notes that sells Notes under the shelf registration statement generally will be required to make certain representations to us, to be named as a selling security holder in the related prospectus and to deliver a prospectus to purchasers, will be subject to certain of the civil liability provisions under the Securities Act in connection with those sales and will be bound by the provisions of the Registration Rights Agreement that are applicable to such a holder of Outstanding Notes (including certain indemnification obligations). Holders of Outstanding Notes will also be required to suspend their use of the prospectus included in the shelf registration statement under specified circumstances upon receipt of notice from us. Under applicable interpretations of the staff of

the SEC, our affiliates will not be permitted to exchange their Outstanding Notes for registered Notes in the exchange offer.

TABLE OF CONTENTS

Special Interest on Outstanding Notes

If a registration default occurs, then additional interest shall accrue on the principal amount of the Outstanding Notes that are Entitled Securities at a rate of 0.25% per annum for the 90-day period immediately following the occurrence of such registration default. The rate of the special interest shall increase by an additional 0.25% per annum with respect to each subsequent 90-day period until all registration defaults have been cured, up to a maximum rate of special interest for all registration defaults of 1.0% per annum of the principal amount of the Entitled Securities outstanding. The special interest will cease to accrue when the registration default is cured. A registration default occurs if (i) the exchange offer is not consummated on or prior to November 27, 2017; (ii) we and the guarantors fail to file any required shelf registration statement on or before the deadline specified in the Registration Rights Agreement; (iii) any such shelf registration statement is not declared effective by the SEC on or prior to the deadline specified in the Registration Rights Agreement; (iv) we and the guarantors fail to consummate the exchange offer within 35 business days after the commencement of the exchange offer; or (v) the shelf registration statement or the registration statement of which this prospectus forms a part is declared effective but thereafter ceases to be effective or usable in connection with resales of Entitled Securities during the periods specified in the Registration Rights Agreement. A registration default is cured, and special interest ceases to accrue with respect to Entitled Securities, when the exchange offer is completed or the shelf registration statement is filed or declared effective or the registration statement of which this prospectus forms a part or the shelf registration statement is again declared effective or made usable, as applicable.

Any amounts of special interest due will be payable in cash on the same original interest payment dates as interest on the Outstanding Notes is payable. The New Notes will be accepted for clearance through DTC.

This summary of the provisions of the Registration Rights Agreement does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the Registration Rights Agreement, copies of which are filed as exhibits to the registration statement of which this prospectus forms a part.

Terms of the Exchange Offer

This prospectus and the accompanying letter of transmittal together constitute the exchange offer. Upon the terms and subject to the conditions set forth in this prospectus and in the letter of transmittal, we will accept for exchange Outstanding Notes that are properly tendered on or before the expiration date and are not withdrawn as permitted below. We have agreed to use all commercially reasonable efforts to keep the registration statement effective for at least 20 business days from the date notice of the exchange offer is mailed. The expiration date for the exchange offer is 5:00 p.m., New York City time, on _____, 2017, or such later date and time to which we, in our sole discretion, extend the exchange offer.

The form and terms of the New Notes being issued in the exchange offer are the same as the form and terms of the Outstanding Notes, except that the New Notes being issued in the exchange offer:

- will have been registered under the Securities Act;
- will not bear the restrictive legends restricting their transfer under the Securities Act; and
- will not contain the registration rights and special interest provisions contained in the Outstanding Notes.

We expressly reserve the right, in our sole discretion:

- to extend the expiration date;
- to delay accepting any Outstanding Notes;
- to terminate the exchange offer and not accept any Outstanding Notes for exchange if any of the conditions set forth below under “—Conditions to the Exchange Offer” have not been satisfied; and

to amend the exchange offer in any manner.

We will give written notice of any extension, delay, non-acceptance, termination or amendment of the exchange offer as promptly as practicable by a public announcement, and in the case of an extension, no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled expiration date. During

an extension, all Outstanding Notes previously tendered will remain subject to the exchange offer and may be accepted for exchange by us. Any Outstanding Notes not accepted for exchange for any reason will be returned without cost to the holder that tendered them as promptly as practicable after the expiration or termination of the exchange offer.

Exchange Offer Procedures

When the holder of Outstanding Notes tenders and we accept Outstanding Notes for exchange, a binding agreement between us and the tendering holder is created, subject to the terms and conditions set forth in this prospectus and the accompanying letter of transmittal. Except as set forth below, a holder of Outstanding Notes who wishes to tender Outstanding Notes for exchange must, on or prior to the expiration date:

transmit a properly completed and duly executed letter of transmittal, including all other documents required by such letter of transmittal, to The Bank of New York Mellon, the exchange agent, at the address set forth below under the heading “The Exchange Agent;” or if Outstanding Notes are tendered pursuant to the book-entry procedures set forth below, the tendering holder must transmit an agent’s message to the exchange agent at the address set forth below under the heading “The Exchange Agent.”

In addition, either:

the exchange agent must receive the certificates for the Outstanding Notes and the letter of transmittal; the exchange agent must receive, prior to the expiration date, a timely confirmation of the book-entry transfer of the Outstanding Notes being tendered into the exchange agent’s account at DTC, along with the letter of transmittal or an agent’s message; or the holder must comply with the guaranteed delivery procedures described below.

The term “agent’s message” means a message, transmitted by DTC to and received by the exchange agent and forming a part of a book-entry transfer, referred to as a “book-entry confirmation,” which states that DTC has received an express acknowledgment that the tendering holder agrees to be bound by the letter of transmittal and that we may enforce the letter of transmittal against such holder.

The method of delivery of the Outstanding Notes, the letter of transmittal and all other required documents is at the election and risk of the holder. If such delivery is by mail, we recommend registered mail, properly insured, with return receipt requested. In all cases, you should allow sufficient time to assure timely delivery. No letters of transmittal or Outstanding Notes should be sent directly to us.

Signatures on a letter of transmittal or a notice of withdrawal, as the case may be, must be guaranteed unless the Outstanding Notes surrendered for exchange are tendered:

by a holder of Outstanding Notes who has not completed the box entitled “Special Issuance Instructions” or “Special Delivery Instructions” on the letter of transmittal; or for the account of an eligible institution.

An “eligible institution” is an “eligible guarantor institution” (as defined in Rule 17Ad-15 of the Exchange Act) meeting the requirements of the registrar for the Notes, which requirements include membership or participation in the Security Transfer Agent Medallion Program, or STAMP, or such other “signature guarantee program” as may be determined by the registrar for the Notes in addition to, or in substitution for, STAMP, all in accordance with the Exchange Act.

If signatures on a letter of transmittal or notice of withdrawal are required to be guaranteed, the guarantor must be an eligible institution. If Outstanding Notes are registered in the name of a person other than the signer of the letter of

transmittal, the Outstanding Notes surrendered for exchange must be endorsed by the registered holder, or accompanied by a written instrument or instruments of transfer or exchange, in satisfactory form as determined by us in our sole discretion, duly executed by the registered holder with the holder's signature guaranteed by an eligible institution.

TABLE OF CONTENTS

We will determine all questions as to the validity, form, eligibility, including time of receipt, and acceptance of Outstanding Notes tendered for exchange in our sole discretion. Our determination will be final and binding. We reserve the absolute right to:

• reject any and all tenders of any Outstanding Note improperly tendered;
• refuse to accept any Outstanding Note if, in our judgment or the judgment of our counsel, acceptance of the Outstanding Note may be deemed unlawful; and
• waive any defects or irregularities or conditions of the exchange offer as to any particular Outstanding Note either before or after the expiration date, including the right to waive the ineligibility of any class of holder who seeks to tender Outstanding Notes in the exchange offer.

Our interpretation of the terms and conditions of the exchange offer as to any particular Outstanding Notes either before or after the expiration date, including the letter of transmittal and the instructions to it, will be final and binding on all parties. Holders must cure any defects and irregularities in connection with tenders of Outstanding Notes for exchange within such reasonable period of time as we will determine, unless we waive such defects or irregularities. Neither we, the exchange agent nor any other person will be under any duty to give notification of any defect or irregularity with respect to any tender of Outstanding Notes for exchange, nor will any such persons incur any liability for failure to give such notification.

If a person or persons other than the registered holder or holders of the Outstanding Notes tendered for exchange signs the letter of transmittal, the tendered Outstanding Notes must be endorsed or accompanied by appropriate powers of attorney, in either case signed exactly as the name or names of the registered holder or holders that appear on the Outstanding Notes.

If trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity sign the letter of transmittal, any Outstanding Notes or any power of attorney, such persons should so indicate when signing, and you must submit proper evidence satisfactory to us of such person's authority to so act unless we waive this requirement.

By tendering, each holder will represent to us that, among other things, the person acquiring New Notes in the exchange offer is obtaining them in the ordinary course of its business, whether or not such person is the holder, and that neither the holder nor such other person has any arrangement or understanding with any person to participate in the distribution of the New Notes. If any holder or any such other person is an "affiliate," as defined in Rule 405 under the Securities Act, of ours, or is engaged in or intends to engage in or has an arrangement or understanding with any person to participate in a distribution of the New Notes, such holder or any such other person:

• may not rely on the applicable interpretations of the staff of the SEC; and
• must comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction.

Each broker-dealer that receives New Notes for its own account in exchange for Outstanding Notes, where such Outstanding Notes were acquired by such broker-dealer as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of such New Notes. The letter of transmittal states that by so acknowledging and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

Acceptance of Outstanding Notes for Exchange; Delivery of New Notes Issued in the Exchange Offer

Upon satisfaction or waiver of all of the conditions to the exchange offer, we intend to accept, promptly after the expiration date, all Outstanding Notes properly tendered and issue New Notes registered under the Securities Act. For purposes of the exchange offer, we will be deemed to have accepted properly tendered Outstanding Notes for

exchange when, as and if we have given written notice to the exchange agent. See “—Conditions to the Exchange Offer” for a discussion of the conditions that must be satisfied before we accept any Outstanding Notes for exchange.

For each Outstanding Note accepted for exchange, the holder will receive a New Note registered under the Securities Act having a principal amount equal to, and in the denomination of, that of the surrendered Outstanding Note. Accordingly, registered holders of New Notes on the relevant record date for the first interest

TABLE OF CONTENTS

payment date following the consummation of the exchange offer will receive interest accruing from May 31, 2017 or, if later, the most recent date to which interest has been paid. Outstanding Notes that we accept for exchange will cease to accrue interest from and after the date of consummation of the exchange offer. Under the Registration Rights Agreement, we may be required to make additional payments in the form of special interest to the holders of the Outstanding Notes under circumstances relating to the timing of the exchange offer, as discussed above.

In all cases, we will issue New Notes in the exchange offer for Outstanding Notes that are accepted for exchange only after the exchange agent timely receives:

- certificates for such Outstanding Notes or a timely book-entry confirmation of such Outstanding Notes into the exchange agent's account at DTC;
- a properly completed and duly executed letter of transmittal or an agent's message; and
- all other required documents.

If for any reason set forth in the terms and conditions of the exchange offer we do not accept any tendered Outstanding Notes, or if a holder submits Outstanding Notes for a greater principal amount than the holder desires to exchange, we will return such unaccepted or non-exchanged Outstanding Notes without cost to the tendering holder. In the case of Outstanding Notes tendered by book-entry transfer into the exchange agent's account at DTC, such non-exchanged Outstanding Notes will be credited to an account maintained with DTC. We will return the Outstanding Notes or have them credited to DTC as promptly as practicable after the expiration or termination of the exchange offer.

Book-Entry Transfers

The exchange agent will make a request to establish an account at DTC for purposes of the exchange offer within two business days after the date of this prospectus. Any financial institution that is a participant in DTC's system must make book-entry delivery of Outstanding Notes denominated in dollars by causing DTC to transfer the Outstanding Notes into the exchange agent's account at DTC in accordance with DTC's procedures for transfer. Such participant should transmit its acceptance to DTC on or prior to the expiration date or comply with the guaranteed delivery procedures described below. DTC will verify such acceptance, execute a book-entry transfer of the tendered Outstanding Notes into the exchange agent's account at DTC and then send to the exchange agent confirmation of such book-entry transfer. The confirmation of such book-entry transfer will include an agent's message confirming that DTC has received an express acknowledgment from such participant that such participant has received and agrees to be bound by the letter of transmittal and that we may enforce the letter of transmittal against such participant. Delivery of Outstanding Notes tendered in the exchange offer may be effected through book-entry transfer at DTC as applicable. However, the letter of transmittal or facsimile thereof or an agent's message, with any required signature guarantees and any other required documents, must:

- be transmitted to and received by the exchange agent at the address set forth below under "—The Exchange Agent" on or prior to the expiration date; or
- comply with the guaranteed delivery procedures described below.

Guaranteed Delivery Procedures

If a holder of Outstanding Notes desires to tender such Notes and the holder's Outstanding Notes are not immediately available, or time will not permit such holder's Outstanding Notes or other required documents to reach the exchange agent before the expiration date, or the procedure for book-entry transfer cannot be completed on a timely basis, a tender may be effected if:

- the holder tenders the Outstanding Notes through an eligible institution;
-

prior to the expiration date, the exchange agent receives from such eligible institution a properly completed and duly executed notice of guaranteed delivery, substantially in the form we have provided, by facsimile transmission, mail or hand delivery, setting forth the name and address of the holder of the Outstanding Notes being tendered and the amount of the Outstanding Notes being tendered. The notice of guaranteed delivery will state that the tender is being made and guarantee that by 5:00 p.m., New York City time, on the third business day after the date of execution and delivery of the notice of

guaranteed delivery (which execution and delivery must occur no later than the expiration date), the certificates for all physically tendered Outstanding Notes, in proper form for transfer, or a book-entry confirmation, as the case may be, together with a properly completed and duly executed letter of transmittal or agent's message with any required signature guarantees and any other documents required by the letter of transmittal will be deposited by the eligible institution with the exchange agent; and

the exchange agent receives the certificates for all physically tendered Outstanding Notes, in proper form for transfer, or a book-entry confirmation, as the case may be, together with a properly completed and duly executed letter of transmittal or agent's message with any required signature guarantees and any other documents required by the letter of transmittal, by 5:00 p.m., New York City time, on the third business day after the date of execution and delivery of the notice of guaranteed delivery (which execution and delivery must occur no later than the expiration date).

Withdrawal Rights

You may withdraw tenders of your Outstanding Notes at any time prior to 5:00 p.m., New York City time, on the expiration date. For a withdrawal to be effective, you must send a written notice of withdrawal to the exchange agent at the address set forth below under “—The Exchange Agent.” Any such notice of withdrawal must:

- specify the name of the person having tendered the Outstanding Notes to be withdrawn;
- identify the Outstanding Notes to be withdrawn, including the principal amount of such Outstanding Notes; and
- where certificates for Outstanding Notes are transmitted, specify the name in which such Outstanding Notes are registered, if different from that of the withdrawing holder.

If certificates for Outstanding Notes have been delivered or otherwise identified to the exchange agent, then, prior to the release of such certificates the withdrawing holder must also submit the serial numbers of the particular certificates to be withdrawn and signed notice of withdrawal with signatures guaranteed by an eligible institution unless such holder is an eligible institution. If Outstanding Notes have been tendered pursuant to the procedure for book-entry transfer described above, any notice of withdrawal must specify the name and number of the account at DTC to be credited with the withdrawn Outstanding Notes and otherwise comply with the procedures of such facility. We will determine all questions as to the validity, form and eligibility, including time of receipt, of such notices and our determination will be final and binding on all parties. Any tendered Outstanding Notes so withdrawn will be deemed not to have been validly tendered for exchange for purposes of the exchange offer. Any Outstanding Notes which have been tendered for exchange but which are not exchanged for any reason will be returned to the holder of those Outstanding Notes without cost to the holder. In the case of Outstanding Notes tendered by book-entry transfer into the exchange agent's account at DTC, the Outstanding Notes withdrawn will be credited to an account maintained with DTC for the Outstanding Notes. The Outstanding Notes will be returned or credited to this account as soon as practicable after withdrawal, rejection of tender or termination of the exchange offer. Properly withdrawn Outstanding Notes may be re-tendered by following one of the procedures described under “—Exchange Offer Procedures” at any time on or prior to 5:00 p.m., New York City time, on the expiration date.

Conditions to the Exchange Offer

We are not required to accept for exchange, or to issue New Notes in the exchange offer for, any Outstanding Notes. We may terminate or amend the exchange offer at any time before the acceptance of Outstanding Notes for exchange if:

- the exchange offer would violate any applicable federal law, statute, rule or regulation or any applicable interpretation of the staff of the SEC;
- any action or proceeding is instituted or threatened in any court or by or before any governmental agency challenging the exchange offer or that we believe might be expected to prohibit or materially impair our ability to proceed with the exchange offer;

any stop order is threatened or in effect with respect to either (1) the registration statement of which this prospectus forms a part or (2) the qualification of the Indenture governing the New Notes under the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”);

TABLE OF CONTENTS

any law, rule or regulation is enacted, adopted, proposed or interpreted that we believe might be expected to prohibit or impair our ability to proceed with the exchange offer or to materially impair the ability of holders generally to receive freely tradable New Notes in the exchange offer. See “—Consequences of Failure to Exchange Outstanding Notes”;

any change or a development involving a prospective change in our business, properties, assets, liabilities, financial condition, operations or results of operations taken as a whole, that is or may be adverse to us;

any declaration of war, armed hostilities or other similar international calamity directly or indirectly involving the United States, or the worsening of any such condition that existed at the time that we commence the exchange offer; or

we become aware of facts that, in our reasonable judgment, have or may have adverse significance with respect to the value of the Outstanding Notes or the New Notes to be issued in the exchange offer.

The preceding conditions are for our sole benefit and we may assert them regardless of the circumstances giving rise to any such condition. We may waive the preceding conditions in whole or in part at any time and from time to time in our sole discretion. If we do so, the exchange offer will remain open for at least three business days following any waiver of the preceding conditions. Our failure at any time to exercise the foregoing rights will not be deemed a waiver of any such right and each such right will be deemed an ongoing right which we may assert at any time and from time to time.

The Exchange Agent

The Bank of New York Mellon has been appointed as exchange agent for the exchange offer. You should direct questions and requests for assistance, requests for additional copies of this prospectus or of the letter of transmittal and requests for the notice of guaranteed delivery or the notice of withdrawal to the exchange agent addressed as follows:

Fees and Expenses

We will not make any payment to brokers, dealers or others soliciting acceptance of the exchange offer except for reimbursement of mailing expenses. We will pay the cash expenses to be incurred by us in connection with the exchange offer, including:

the SEC registration fee;
fees and expenses of the exchange agent and the trustee;
accounting and legal fees;
printing fees; and

Other related fees and expenses.

Transfer Taxes

Holders who tender their Outstanding Notes for exchange will not be obligated to pay any transfer taxes in connection with the exchange. If, however, the New Notes issued in the exchange offer are to be delivered to, or

24

TABLE OF CONTENTS

are to be issued in the name of, any person other than the holder of the Outstanding Notes tendered, or if a transfer tax is imposed for any reason other than the exchange of Outstanding Notes in connection with the exchange offer, then the holder must pay any of these transfer taxes, whether imposed on the registered holder or on any other person. If satisfactory evidence of payment of, or exemption from, these taxes is not submitted with the letter of transmittal, the amount of these transfer taxes will be billed directly to the tendering holder.

Consequences of Failure to Exchange Outstanding Notes

Holders who desire to tender their Outstanding Notes in exchange for New Notes registered under the Securities Act should allow sufficient time to ensure timely delivery. Neither the exchange agent nor we are under any duty to give notification of defects or irregularities with respect to the tenders of Outstanding Notes for exchange.

Outstanding Notes that are not tendered or are tendered but not accepted will, following the consummation of the exchange offer, continue to be subject to the provisions in the Indenture regarding the transfer and exchange of the Outstanding Notes and the existing restrictions on transfer set forth in the legend on the Outstanding Notes and in the offering circular dated May 19, 2017, relating to the Outstanding Notes. Except in limited circumstances with respect to specific types of holders of Outstanding Notes, we will have no further obligation to provide for the registration under the Securities Act of such Outstanding Notes. In general, Outstanding Notes, unless registered under the Securities Act, may not be offered or sold except pursuant to an exemption from, or in a transaction not subject to, the Securities Act and applicable state securities laws. We do not currently anticipate that we will take any action to register the Outstanding Notes under the Securities Act or under any state securities laws.

Upon completion of the exchange offer, holders of the Outstanding Notes will not be entitled to any further registration rights under the Registration Rights Agreement, except under limited circumstances.

Holders of the New Notes and any Outstanding Notes that remain outstanding after consummation of the exchange offer will vote together as a single class for purposes of determining whether holders of the requisite percentage of the class have taken certain actions or exercised certain rights under the Indenture.

Consequences of Exchanging Outstanding Notes

Based on interpretations of the staff of the SEC, as set forth in no-action letters to third parties, we believe that the New Notes may be offered for resale, resold or otherwise transferred by holders of those New Notes, other than by any holder that is an "affiliate" of ours within the meaning of Rule 405 under the Securities Act. The New Notes may be offered for resale, resold or otherwise transferred without compliance with the registration and prospectus delivery provisions of the Securities Act, if:

- the New Notes issued in the exchange offer are acquired in the ordinary course of the holder's business; and
- the holder, other than a broker-dealer, has no arrangement or understanding with any person to participate in the distribution of the New Notes issued in the exchange offer.

However, the SEC has not considered the exchange offer in the context of a no-action letter and we cannot guarantee that the staff of the SEC would make a similar determination with respect to the exchange offer as in such other circumstances.

Each holder, other than a broker-dealer, must furnish a written representation, at our request, that:

- it is not an affiliate of ours;

- it is not engaged in, and does not intend to engage in, a distribution of the New Notes issued in the exchange offer and has no arrangement or understanding to participate in a distribution of New Notes issued in the exchange offer;

• it is acquiring the New Notes issued in the exchange offer in the ordinary course of its business; and
• it is not acting on behalf of a person who could not make the three preceding representations.

TABLE OF CONTENTS

Each broker-dealer that receives New Notes for its own account in exchange for Outstanding Notes must acknowledge that:

- such Outstanding Notes were acquired by such broker-dealer as a result of market-making or other trading activities; and

it will comply with the registration and prospectus delivery requirements of the Securities Act in connection with any resale transaction, including the delivery of a prospectus that contains information with respect to any selling holder required by the Securities Act in connection with any resale of New Notes issued in the exchange offer.

Furthermore, any broker-dealer that acquired any of its Outstanding Notes directly from us:

may not rely on the applicable interpretation of the SEC staff's position contained in Exxon Capital Holdings Corp., SEC No-Action Letter (April 13, 1989), Morgan, Stanley & Co., Incorporated, SEC No-Action Letter (June 5, 1991) and Shearman & Sterling, SEC No-Action Letter (July 2, 1983); and

- must also be named as a selling holder of the New Notes in connection with the registration and prospectus delivery requirements of the Securities Act relating to any resale transaction.

In addition, to comply with state securities laws of certain jurisdictions, the New Notes issued in the exchange offer may not be offered or sold in any state unless they have been registered or qualified for sale in such state or an exemption from registration or qualification is available and complied with by the holders selling the New Notes. We have agreed in the Registration Rights Agreement that, prior to any public offering of transfer restricted Notes, we will cooperate with the exchanging holders and their counsel in connection with the registration and qualification of the transfer restricted Notes under the securities or blue sky laws of such jurisdictions as the exchanging holders may request and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the transfer restricted Notes. We are not required to register or qualify as a foreign corporation where we are not now so qualified or to take any action that would subject us to the service of process in suits or to taxation, in any jurisdiction where we are not now so subject.

DESCRIPTION OF THE NEW NOTES

You can find the definitions of certain terms used in this description under “—Certain Definitions.” In this description, the term “Coeur” refers only to Coeur Mining, Inc. and not to any of its Subsidiaries. Coeur will issue the New Notes under an indenture dated as of May 31, 2017, among itself, the Guarantors party thereto and The Bank of New York Mellon, as trustee (the “Indenture”). We refer to the New Notes and the Outstanding Notes, collectively, as the “Notes.”

The terms of the New Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act. The terms of the New Notes are identical in all material respects to the terms of the Outstanding Notes, except the New Notes will not contain terms with respect to transfer restrictions, registration or any increase in annual interest rate.

The following description is a summary of the material provisions of the Indenture. It does not restate the Indenture in its entirety. We urge you to read the Indenture because it, not the summary below, defines your rights as holders of the Notes. Copies of the Indenture are available as set forth below under “—Additional Information.” Certain defined terms used in this description but not defined below under “—Certain Definitions” have the meanings assigned to them in the Indenture.

The registered holder of a Note will be treated as the owner of it for all purposes. Only registered holders will have rights under the Indenture.

Brief Description of the Notes and the Note Guarantees

The Notes

The New Notes will:

- form a single series of debt securities with any Outstanding Notes not exchanged in the exchange offer, which series is expected to have an aggregate principal amount of \$250,000,000 upon completion of the exchange offer;
- be general unsecured obligations of Coeur;
- be effectively subordinated to all existing and future secured Indebtedness of Coeur to the extent of the value of the collateral securing such Indebtedness;
- be *pari passu* in right of payment with all existing and future unsecured senior Indebtedness of Coeur;
- be senior in right of payment to any future subordinated Indebtedness of Coeur; and
 - be unconditionally Guaranteed by the Guarantors.

The Note Guarantees

The Outstanding Notes are Guaranteed by, and the New Notes will be Guaranteed initially by, the following Coeur subsidiaries: Coeur Alaska, Inc., Coeur Capital, Inc., Coeur Explorations, Inc., Coeur Rochester, Inc., Coeur South America Corp., Wharf Resources (U.S.A.), Inc., Wharf Resources Management Inc., Wharf Reward Mines Inc., Wharf Gold Mines Inc. and Golden Reward Mining Company Limited Partnership (collectively, the “Initial Guarantors”). In addition, the Notes, including the New Notes, will be Guaranteed by each of Coeur’s Restricted Subsidiaries that guarantees any Indebtedness of Coeur, if such Indebtedness exceeds \$20.0 million in aggregate principal amount.

Each Note Guarantee:

- will be a general unsecured obligation of the Guarantor;

- will be effectively subordinated to all existing and future secured Indebtedness of such Guarantor, to the extent of the value of the assets of such Guarantor securing such Indebtedness;
- will be *pari passu* in right of payment with all existing and future unsecured senior Indebtedness of that Guarantor;
- and
- will be senior in right of payment to any future subordinated Indebtedness of that Guarantor.

TABLE OF CONTENTS

Not all of our Subsidiaries will guarantee the Notes. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, the non-guarantor Subsidiaries will pay the holders of their debt and their trade creditors before they will be able to distribute any of their assets to us. For the six months ended June 30, 2017, our non-guarantor subsidiaries represented approximately 47% of our sales of metals and 81% of our operating income. For the year ended December 31, 2017, our non-guarantor subsidiaries represented approximately 36% of our sales of metals and 32% of our operating income. As of June 30, 2017, our non-guarantor subsidiaries represented approximately 46% of our total assets and approximately 32% of our total liabilities (including trade payables, deferred tax liabilities and royalty obligations but excluding intercompany liabilities).

Upon the closing of this exchange offer, all of our Subsidiaries will be “Restricted Subsidiaries.” However, under the circumstances described below under the caption “—Certain Covenants—Designation of Restricted and Unrestricted Subsidiaries,” we will be permitted to designate certain of our Subsidiaries as “Unrestricted Subsidiaries.” Our Unrestricted Subsidiaries will not be subject to many of the restrictive covenants in the Indenture. Our Unrestricted Subsidiaries will not guarantee the Notes.

Principal, Maturity and Interest

Coeur may issue additional Notes under the Indenture from time to time after this offering. Any issuance of additional Notes is subject to all of the covenants in the Indenture, including the covenant described below under the caption “—Certain Covenants—Incurrence of Indebtedness and Issuance of Preferred Stock.” The Outstanding Notes, the New Notes and any additional Notes subsequently issued under the Indenture will be treated as a single class for all purposes under the Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. Coeur will issue New Notes in denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000. The Notes will mature on June 1, 2024.

Interest on the New Notes will accrue at the rate of 5.875% per annum and will be payable semi-annually in arrears on June 1 and December 1, commencing on December 1, 2017. Interest on overdue principal, interest and Special Interest, if any, will accrue at a rate that is 1% higher than the then applicable interest rate on the Notes. Coeur will make each interest payment to the holders of record on the immediately preceding May 15 and November 15.

Interest on the New Notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid on the Notes. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Methods of Receiving Payments on the Notes

If a holder of Notes has given wire transfer instructions to Coeur, Coeur will pay all principal of, premium on, if any, and interest and Special Interest, if any, on that holder’s Notes in accordance with those instructions. All other payments on the Notes will be made at the office or agency of the paying agent and registrar within the City and State of New York unless Coeur elects to make interest payments by check mailed to the noteholders at their address set forth in the register of holders.

Paying Agent and Registrar for the Notes

The trustee will initially act as paying agent and registrar. Coeur may change the paying agent or registrar without prior notice to the holders of the Notes, and Coeur or any of its Subsidiaries may act as paying agent or registrar.

Transfer and Exchange

A holder may transfer or exchange Notes in accordance with the provisions of the Indenture. The registrar and the trustee may require a holder, among other things, to furnish appropriate endorsements and transfer documents in connection with a transfer of Notes. Holders will be required to pay all taxes due on transfer. Coeur will not be required to transfer or exchange any Note selected for redemption. Also, Coeur will not be required to transfer or exchange any Note for a period of 15 days before a selection of Notes to be redeemed.

Note Guarantees

The Outstanding Notes are Guaranteed by, and the New Notes will be Guaranteed initially by the Initial Guarantors. In addition, the Notes, including the New Notes, will be Guaranteed by each of Coeur's Restricted

Subsidiaries that guarantees any Indebtedness of Coeur, if such Indebtedness exceeds \$20.0 million aggregate principal amount, on a senior unsecured basis as described under “—Certain Covenants—Additional Note Guarantees.” These Note Guarantees will be joint and several obligations of the Guarantors. The obligations of each Guarantor under its Note Guarantee will be limited as necessary to prevent that Note Guarantee from constituting a fraudulent conveyance under applicable law. See “Risk Factors—Risks Related to the Notes—Federal and state statutes allow courts, under certain circumstances, to void guarantees and require Note holders to return payments received from guarantors.”

A Guarantor may not sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than Coeur or another Guarantor, unless:

- (1) immediately after giving effect to such transaction, no Default or Event of Default exists; and
- (2) either:
 - (a) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger unconditionally assumes all the obligations of that Guarantor under its Note Guarantee, the Indenture and the registration rights agreement pursuant to a supplemental indenture reasonably satisfactory to the trustee; or
 - (b) the transaction is made without violating the “Asset Sale” provisions of the Indenture.

The Note Guarantee of a Guarantor will be released:

- (1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor, by way of merger, consolidation or otherwise, to a Person that is not (either before or after giving effect to such transaction) Coeur or a Restricted Subsidiary of Coeur, if the sale or other disposition does not violate the “Asset Sale” provisions of the Indenture;
- (2) in connection with any sale or other disposition of Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) Coeur or a Restricted Subsidiary of Coeur, if the sale or other disposition does not violate the “Asset Sale” provisions of the Indenture and the Guarantor ceases to be a Restricted Subsidiary of Coeur as a result of the sale or other disposition;
- (3) if Coeur designates any Restricted Subsidiary that is a Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of the Indenture;
 - (4) in the case of any Initial Guarantor, if such Initial Guarantor becomes a non-Wholly Owned Subsidiary (as a result of a transaction that does not violate the “Asset Sale” provisions of the Indenture), an Immaterial Subsidiary or an Excluded Foreign Subsidiary, in each case so long as such Initial Guarantor is not then guaranteeing, or is released or discharged from its Guarantee of, any other Indebtedness of Coeur in an aggregate principal amount in excess of \$20.0 million; provided that if such released Guarantor ceases to be a non-Wholly Owned Subsidiary, an Immaterial Subsidiary or an Excluded Foreign Subsidiary, or guarantees Indebtedness of Coeur in an aggregate principal amount in excess of \$20.0 million, it will again provide a Note Guarantee;
- (5) if any Guarantor is released or discharged from its Guarantee of all Indebtedness of Coeur that resulted in the obligation of such Guarantor to Guarantee the Notes; provided that if such Person has incurred any Indebtedness in reliance on its status as a Guarantor under the covenant “—Certain Covenants—Incurrence of Indebtedness and Issuance of Preferred Stock,” such Guarantor’s obligations under such Indebtedness, as the case may be, so incurred are satisfied.”

See “—Repurchase at the Option of Holders—Asset Sales.”

Optional Redemption

At any time prior to June 1, 2020, Coeur may on any one or more occasions redeem up to 35% of the original aggregate principal amount of Notes issued under the Indenture (calculated after giving effect to any issuance of

additional Notes), upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 105.875%

TABLE OF CONTENTS

of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Special Interest, if any, to the date of redemption (subject to the rights of holders of Notes on the relevant record date to receive interest on the relevant interest payment date), with an amount of cash no greater than the net cash proceeds of all Equity Offerings by Coeur since the Issue Date; *provided* that:

at least 65% (calculated after giving effect to any issuance of additional Notes) of the original aggregate principal (1) amount of Notes issued under the Indenture (excluding Notes held by Coeur and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption; and

(2) the redemption occurs within 120 days of the date of the closing of such Equity Offering.

At any time prior to June 1, 2020, Coeur may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of and accrued and unpaid interest and Special Interest, if any, to the date of redemption, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date.

In addition, under certain circumstances following the completion of a Change of Control Offer as further described below under the caption “—Repurchase at the Option of Holders—Change of Control,” Coeur may redeem all of the Notes that then remain outstanding at a price equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption.

Except pursuant to the preceding paragraphs, the Notes will not be redeemable at Coeur's option prior to June 1, 2020.

On or after June 1, 2020, Coeur may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of the principal amount of Notes redeemed) set forth below, plus accrued and unpaid interest and Special Interest, if any, on the Notes redeemed, to (but excluding) the applicable date of redemption, if redeemed during the twelve-month period beginning on June 1 of the years indicated below, subject to the rights of holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Percentage
2020	102.938 %
2021	101.469 %
2022 and thereafter	100.000 %

Unless Coeur defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

Mandatory Redemption

Coeur is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

Repurchase at the Option of Holders

Change of Control

If a Change of Control occurs, each holder of Notes will have the right to require Coeur to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that holder's Notes pursuant to a Change of Control Offer on the terms set forth in the Indenture. In the Change of Control Offer, Coeur will offer a Change of Control Payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and

unpaid interest and Special Interest, if any, on the Notes repurchased to (but excluding) the date of purchase, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date. No later than 30 days following any Change of Control, Coeur will mail a notice to each holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the Change of Control Payment Date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed, pursuant to the procedures required by the Indenture and described in such notice. Coeur will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent

TABLE OF CONTENTS

that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Indenture, Coeur will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the Indenture by virtue of such compliance.

On the Change of Control Payment Date, Coeur will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by Coeur.

The paying agent will promptly mail or wire transfer to each holder of Notes properly tendered the Change of Control Payment for such Notes, and the trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. Coeur will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

The provisions described above that require Coeur to make a Change of Control Offer following a Change of Control will be applicable whether or not any other provisions of the Indenture are applicable. Except as described above with respect to a Change of Control, the Indenture does not contain provisions that permit the holders of the Notes to require that Coeur repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

Coeur will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by Coeur and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) notice of redemption has been given pursuant to the Indenture as described above under the caption "—Optional Redemption," unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

The definition of Change of Control includes a phrase relating to the direct or indirect sale, lease, transfer, conveyance or other disposition of "all or substantially all" of the properties or assets of Coeur and its Subsidiaries taken as a whole. Although there is a limited body of case law interpreting the phrase "substantially all," there is no precise established definition of the phrase under applicable law. Accordingly, the ability of a holder of Notes to require Coeur to repurchase its Notes as a result of a sale, lease, transfer, conveyance or other disposition of less than all of the assets of Coeur and its Subsidiaries taken as a whole to another Person or group may be uncertain.

If holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and Coeur, or any third party making a Change of Control Offer in lieu of Coeur as described above, purchases all of the Notes validly tendered and not withdrawn by such holders, Coeur or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to the applicable Change of Control Payment plus, to the extent not included in the Change of Control Payment, accrued and unpaid interest thereon to (but excluding) the date of redemption. Coeur will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. Notwithstanding anything to the contrary herein, to the extent that the provisions of any securities laws or regulations conflict with the provisions of

the Indenture, Coeur will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

Asset Sales

Coeur will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless:

- Coeur (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least
- (1) equal to the Fair Market Value (measured as of the date of the definitive agreement with respect to such Asset Sale) of the assets or Equity Interests issued or sold or otherwise disposed of; and
 - (2) at least 75% of the consideration received in the Asset Sale by Coeur or such Restricted Subsidiary is in the form of cash or Cash Equivalents. For purposes of this provision, each of the following will be deemed to be cash:
 - (a) any liabilities, as shown on Coeur's most recent consolidated balance sheet, of Coeur or any Restricted Subsidiary (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation or indemnity agreement that releases Coeur or such Restricted Subsidiary from or indemnifies against further liability; any securities, Notes or other obligations received by Coeur or any such Restricted Subsidiary from such transferee
 - (b) that are contemporaneously, subject to ordinary settlement periods, converted by Coeur or such Restricted Subsidiary into cash, to the extent of the cash received in that conversion; any Designated Non-cash Consideration received by Coeur or any of its Restricted Subsidiaries in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of (x) \$55.0 million and (y)
 - (c) 2.5% of Consolidated Net Tangible Assets at the time of the receipt of such Designated Non-cash Consideration (with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value); and
 - (d) any stock or assets of the kind referred to in clauses (3) or (5) of the next paragraph of this covenant.

Within 365 days after the receipt of any Net Proceeds from an Asset Sale, Coeur (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

- (1) to repay Indebtedness that is secured by a Lien;
 - to repay Obligations under other Indebtedness (other than Disqualified Stock or subordinated Indebtedness), other than Indebtedness owed to Coeur or an Affiliate of Coeur; provided that Coeur shall equally and ratably reduce the Obligations under the Notes as provided under “—Optional Redemption,”
 - (2) through open market purchases (to the extent such purchases are at or above 100% of the principal amount thereof) or by making an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all holders to purchase their Notes at 100% of the principal amount thereof, plus the amount of accrued but unpaid interest and Special Interest, if any, on the amount of the Notes that would otherwise be prepaid;
 - to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after
 - (3) giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of Coeur;
 - (4) to make a capital expenditure;
 - (5) to acquire other assets that are not classified as current assets under U.S. GAAP and that are used or useful in a Permitted Business; or
 - (6) any combination of the foregoing;
- provided that*, in the case of clauses (3) and (5) above, a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as Coeur or such Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds will be applied to satisfy such commitment within 180 days of the date thereof; *provided that* if any commitment is later canceled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds from and after the date of such cancelation or termination.

TABLE OF CONTENTS

Pending the final application of any Net Proceeds, Coeur (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by the Indenture.

Any Net Proceeds from Asset Sales that are not applied or invested as provided in the second paragraph of this covenant will constitute “*Excess Proceeds*.” When the aggregate amount of Excess Proceeds exceeds \$50.0 million, within five days thereof, Coeur will make an offer (an “*Asset Sale Offer*”) to all holders of Notes and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in the Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Special Interest, if any, to (but not including) the date of purchase, prepayment or redemption, subject to the rights of holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, Coeur may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered in (or required to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, the trustee will select the Notes and the applicable agent shall select such other *pari passu* Indebtedness to be purchased on a *pro rata* basis, based on the amounts tendered or required to be prepaid or redeemed (with such adjustments as may be deemed appropriate by Coeur so that only Notes in denominations of \$2,000, or an integral multiple of \$1,000 in excess thereof, will be purchased). Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

Coeur will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to an Asset Sale Offer. Notwithstanding anything to the contrary herein, to the extent that the provisions of any securities laws or regulations conflict with the provisions of the Indenture, Coeur will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in the Indenture by virtue thereof.

Selection and Notice

If less than all of the Notes are to be redeemed at any time, the Notes will be selected for redemption on a *pro rata* basis (or, in the case of Notes issued in global form as discussed under “—Book-Entry, Delivery and Form,” by lot or otherwise in accordance with applicable procedures of DTC) unless otherwise required by law or applicable stock exchange or depositary requirements.

No Notes of \$2,000 or less can be redeemed in part. Notices of redemption will be mailed by first-class mail (or, in the case of Notes issued in global form, electronic transmission) at least 30 but not more than 60 days before the redemption date to each holder of Notes to be redeemed at its registered address, except that redemption notices may be mailed (or electronically transmitted to DTC) more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture.

If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount of that Note that is to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the holder of Notes upon cancellation of the original Note. Notes called for redemption without condition become due on the date fixed for redemption. On and after the redemption date, interest ceases to accrue on Notes or portions of Notes called for redemption.

In connection with any redemption of the Notes (including with the net cash proceeds of an Equity Offering), any such redemption may, at Coeur's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a sale of common stock or other corporate transaction (including any related Equity Offering). In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in Coeur's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

TABLE OF CONTENTS

Certain Covenants

Changes in Covenants when Notes Rated Investment Grade

If on any date following the date of the Indenture:

the Notes are rated Baa3 or better by Moody's and BBB- or better by S&P (or, if either such entity ceases to rate the Notes for reasons outside of the control of Coeur, the equivalent investment grade credit rating from any other (1) "nationally recognized statistical rating organization" within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act selected by Coeur as a replacement agency); and (2) no Default or Event of Default shall have occurred and be continuing, then, beginning on that day and subject to the provisions of the following paragraph, the covenants specifically listed under the following captions in this prospectus will be suspended:

- (1) "—Repurchase at the Option of Holders—Asset Sales;"
- (2) "—Restricted Payments;"
- (3) "—Incurrence of Indebtedness and Issuance of Preferred Stock;"
- (4) "—Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries;"
- (5) "—Transactions with Affiliates;"
- (6) clause (4) of the covenant described below under the caption "—Merger, Consolidation or Sale of Assets;" and
- (7) "—Additional Note Guarantees."

During any period that the foregoing covenants have been suspended, Coeur's Board of Directors may not designate any of its Subsidiaries as Unrestricted Subsidiaries pursuant to the covenant described below under the caption "—Designation of Restricted and Unrestricted Subsidiaries" or the definition of "Unrestricted Subsidiary."

Notwithstanding the foregoing, if the rating assigned by either such rating agency should subsequently decline to below Baa3 or BBB-, respectively, the foregoing covenants will be reinstated as of and from the date of such rating decline ("Reinstatement Date"). Calculations under the reinstated "Restricted Payments" covenant will be made as if the "Restricted Payments" covenant had been in effect since the date of the Indenture except that no default will be deemed to have occurred solely by reason of a Restricted Payment made while that covenant was suspended or for any other failure to comply with any suspended covenants during a period when the covenants were suspended (a "Suspension Period"). Notwithstanding the foregoing, the continued existence after any reinstatement of the foregoing covenants of obligations arising from transactions that occurred during a Suspension Period shall not constitute a breach of any covenant set forth in the Indenture or cause an Event of Default thereunder.

On the Reinstatement Date, all Indebtedness incurred during a Suspension Period will be classified to have been incurred or issued pursuant to the first paragraph of "—Incurrence of Indebtedness and Issuance of Preferred Stock" or one of the clauses set forth in the second paragraph of "—Incurrence of Indebtedness and Issuance of Preferred Stock" (in each case to the extent such Indebtedness would be permitted to be incurred thereunder as of the Reinstatement Date and after giving effect to Indebtedness incurred prior to the Suspension Period and outstanding on the Reinstatement Date). To the extent such Indebtedness would not be so permitted to be incurred pursuant to the first or second paragraph of "—Incurrence of Indebtedness and Issuance of Preferred Stock" such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as Existing Indebtedness under clause (2) of the second paragraph of "—Incurrence of Indebtedness and Issuance of Preferred Stock."

There can be no assurance that the Notes will ever achieve an investment grade rating or that any such rating will be maintained.

Restricted Payments

Coeur will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly:

- declare or pay any dividend or make any other payment or distribution on account of Coeur's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving Coeur or any of its Restricted Subsidiaries) or to the direct or indirect holders of Coeur's or any of its Restricted Subsidiaries' Equity Interests in their capacity as such (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of Coeur and other than dividends or distributions payable to Coeur or a Restricted Subsidiary of Coeur);
- (1) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving Coeur) any Equity Interests of Coeur or any direct or indirect parent of Coeur; make any payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any
- (2) Indebtedness of Coeur or any Guarantor that is contractually subordinated in right of payment to the Notes or to any Note Guarantee (excluding any intercompany Indebtedness between or among Coeur and any of its Restricted Subsidiaries), except a payment of interest or principal at the Stated Maturity thereof; or
- (3) make any Restricted Investment
- (4) (all such payments and other actions set forth in these clauses (1) through (4) above being collectively referred to as "Restricted Payments"),

unless, at the time of and after giving effect to such Restricted Payment:

- (a) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;
- (b) Coeur would, at the time of such Restricted Payment and after giving pro forma effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of the covenant described below under the caption "—Incurrence of Indebtedness and Issuance of Preferred Stock;" and such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by Coeur and its Restricted Subsidiaries since April 1, 2013 (excluding Restricted Payments permitted by clauses (2), (3), (4), (5), (6), (7), (8), (9), (11), (13) and (14) of the next succeeding paragraph), is less than the sum, without duplication, of:
 - (1) 50% of the Consolidated Net Income of Coeur for the period (taken as one accounting period) from April 1, 2013 to the end of Coeur's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*
 - (2) 100% of the aggregate net cash proceeds and the fair market value, as determined in good faith by the Board of Directors, of property and marketable securities received by Coeur since April 1, 2013 as a contribution to its common equity capital or from the issue or sale of Qualifying Equity Interests of Coeur (other than in a Permitted Warrant Transaction) or from the issue or sale of convertible or exchangeable Disqualified Stock of Coeur or convertible or exchangeable debt securities of Coeur, in each case that have been converted into or exchanged for Qualifying Equity Interests of Coeur (other than Qualifying Equity Interests and convertible or exchangeable Disqualified Stock or debt securities sold to a Subsidiary of Coeur); *plus*
 - (3) to the extent that any Restricted Investment that was made after April 1, 2013 is (a) sold or otherwise cancelled, liquidated or repaid, or (b) made in an entity that subsequently becomes a Restricted Subsidiary of Coeur, the initial amount of such Restricted Investment (or, if less, the amount of cash or the fair market value, as determined in good faith by the Board of Directors, of property and marketable securities, in each case received upon repayment or sale); *plus*

TABLE OF CONTENTS

to the extent that any Unrestricted Subsidiary of Coeur designated as such after the date of the Indenture is redesignated as a Restricted Subsidiary after the date of the Indenture, the lesser of (i) the Fair Market Value of (4) Coeur's Restricted Investment in such Subsidiary as of the date of such redesignation or (ii) such Fair Market Value as of the date on which such Subsidiary was originally designated as an Unrestricted Subsidiary after the date of the Indenture; *plus*

100% of any dividends received in cash and the fair market value, as determined in good faith by the Board of Directors, of property and marketable securities received by Coeur or a Restricted Subsidiary of Coeur that is a (5) Guarantor after the date of the Indenture from an Unrestricted Subsidiary of Coeur, to the extent that such dividends were not otherwise included in the Consolidated Net Income of Coeur for such period.

As of June 30, 2017, the amount available for Restricted Payments pursuant to this clause (c), assuming Coeur was also in compliance with clauses (a) and (b) above, would have been approximately \$427.4 million.

The preceding provisions will not prohibit:

- (1) the payment of any dividend or the consummation of any irrevocable redemption within 60 days after the date of declaration of the dividend or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or redemption payment would have complied with the provisions of the Indenture;
- (2) the making of any Restricted Payment in exchange for, or out of or with the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of Coeur) of, Equity Interests of Coeur (other than Disqualified Stock) or from the substantially concurrent contribution of common equity capital to Coeur; *provided* that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will not be considered to be net proceeds of Qualifying Equity Interests for purposes of clause (c)(2) of the preceding paragraph and will not be considered to be net cash proceeds from an Equity Offering for purposes of the "Optional Redemption" provisions of the Indenture;
- (3) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Restricted Subsidiary of Coeur to the holders of its Equity Interests on a pro rata basis;
- (4) the repurchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of Coeur or any Guarantor that is contractually subordinated in right of payment to the Notes or to any Note Guarantee with the net cash proceeds from a substantially concurrent incurrence of Permitted Refinancing Indebtedness; so long as no Default or Event of Default has occurred and is continuing, the repurchase, redemption or other acquisition or retirement for value of any Equity Interests of Coeur or any Restricted Subsidiary of Coeur held by any current or former officer, director, employee or consultant of Coeur or any of its Restricted Subsidiaries, or their estates or the beneficiaries of such estates, pursuant to any management equity plan or stock option plan, (5) stockholders' agreement or any other management or employee benefit plan or agreement or arrangement; *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests may not exceed \$15.0 million in any twelve-month period (with unused amounts in any twelve-month period being carried over to the next succeeding twelve-month period, but no further);
- (6) the repurchase of Equity Interests deemed to occur upon the exercise of stock options to the extent such Equity Interests represent a portion of the exercise price of those stock options or withholding of Capital Stock to pay related withholding taxes with regard to the exercise of such stock options or the vesting of any such restricted stock, restricted stock units, deferred stock units, performance shares or other securities awarded pursuant to Coeur's equity incentive plans; so long as no Default or Event of Default has occurred and is continuing, the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of Coeur or any preferred (7) stock of any Restricted Subsidiary of Coeur issued on or after the date of the Indenture in accordance with the Fixed Charge Coverage Ratio test described below under the caption "—Incurrence of Indebtedness and Issuance of Preferred Stock;"

Coeur will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to

(collectively, “*incur*”) any Indebtedness (including Acquired Debt), and Coeur will not issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; *provided, however*, that Coeur may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the

TABLE OF CONTENTS

Guarantors may incur Indebtedness (including Acquired Debt) or issue preferred stock, if the Fixed Charge Coverage Ratio for Coeur's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.0 to 1.0, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

The first paragraph of this covenant will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "*Permitted Debt*"):

- the incurrence by Coeur and any of its Restricted Subsidiaries of Indebtedness and letters of credit under Credit Facilities in an aggregate principal amount outstanding under this clause (1) (with letters of credit being deemed to

- (2) the incurrence by Coeur and its Restricted Subsidiaries of the Existing Indebtedness; the incurrence by Coeur and the Guarantors of Indebtedness represented by the Notes and the related Note

 - if Coeur or any Guarantor is the obligor on such Indebtedness and the payee is not Coeur or a Guarantor,
 - (a) such Indebtedness must be unsecured and expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of Coeur, or the Note Guarantee, in the case of a Guarantor; and

- (12) Subsidiary or was otherwise acquired by Coeur, either: (a) Coeur would have been able to incur \$1.00 of additional Indebtedness pursuant to the first paragraph of this covenant after giving effect to the incurrence or issuance of such Indebtedness, Disqualified Stock or preferred stock pursuant to this clause (12); or (b) the Fixed Charge Coverage Ratio of Coeur and its Restricted Subsidiaries would have been greater than such ratio immediately prior to such acquisition, merger, arrangement or consolidation, in each case after giving effect to the incurrence or issuance of such Indebtedness, Disqualified Stock or preferred stock pursuant to this clause (12);
- Indebtedness consisting of unpaid insurance premiums owed to any Person providing property, casualty, liability or other insurance to Coeur or any Restricted Subsidiary in any fiscal year, pursuant to reimbursement or
- (13) indemnification obligations to such Person; provided that such Indebtedness is incurred only to defer the cost of such unpaid insurance premiums for such fiscal year and is outstanding only during such fiscal year;
- Indebtedness of Coeur, to the extent the net proceeds thereof are substantially concurrently (a) used to purchase

- the incurrence of Indebtedness by any Restricted Subsidiary of Coeur that is not a Guarantor in an aggregate
- (16) principal amount (or accreted value, as applicable) outstanding pursuant to this clause (16), not to exceed, as of any date of incurrence, the greater of (x) \$40.0 million and (y) 2.5% of Consolidated Net Tangible Assets.
- Coeur will not incur, and will not permit any Guarantor to incur, any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of Coeur or such Guarantor unless such Indebtedness will be contractually subordinated in right of payment to the Notes and the applicable

Note Guarantee to at least the same extent as such other Indebtedness; provided, however, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of Coeur solely by virtue of being unsecured or by virtue of being secured on a junior priority basis.

For purposes of determining compliance with this “Incurrence of Indebtedness and Issuance of Preferred Stock” covenant, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (1) through (16) above, or is entitled to be incurred pursuant to the first paragraph of this covenant, Coeur will be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this covenant. The accrual of interest or preferred stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on preferred stock or Disqualified Stock in the form of additional shares of the same class of preferred stock or Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or Disqualified Stock for purposes of this covenant; *provided*, in each such case, that the amount thereof is included in Fixed Charges of Coeur as accrued. For purposes of determining compliance with any U.S.-dollar-denominated restriction on the incurrence of Indebtedness, the U.S.-dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred. Notwithstanding any other provision of this covenant, the maximum amount of Indebtedness that Coeur or any Restricted Subsidiary may incur pursuant to this covenant shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

Notwithstanding clause (12) of the second paragraph of this covenant, in connection with any Limited Condition Acquisition, at the option of Coeur by internal documentation, any Indebtedness and/or Lien incurred to finance such Limited Condition Acquisition shall be deemed to have been incurred on the date the definitive acquisition agreement relating to such Limited Condition Acquisition was entered into (and not at the time such Limited Condition Acquisition is consummated) and the Fixed Charge Coverage Ratio shall be tested (x) in connection with such incurrence, as of the date the definitive acquisition agreement relating to such Limited Condition Acquisition was entered into, giving pro forma effect to such Limited Condition Acquisition, to any such Indebtedness or Lien, and to all transactions in connection therewith in a manner consistent with the pro forma adjustment provisions set forth in the definition of “Fixed Charge Coverage Ratio” and (y) in connection with any other incurrence of any Indebtedness or Lien after the date the definitive acquisition agreement relating to such Limited Condition Acquisition was entered into and prior to the earlier of the consummation of such Limited Condition Acquisition and the termination of such definitive agreement, both (i) on the basis set forth in clause (x) above and (ii) without giving effect to such Limited Condition Acquisition or the incurrence of any Indebtedness or Lien incurred to finance such Limited Condition Acquisition or the other transactions in connection therewith.

The amount of any Indebtedness outstanding as of any date will be:

- (1) the accreted value of the Indebtedness, in the case of any Indebtedness issued with original issue discount;
- (2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
- (3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
 - (a) the Fair Market Value of such assets at the date of determination; and
 - (b) the amount of the Indebtedness of the other Person.

TABLE OF CONTENTS

Liens

Coeur will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind securing Indebtedness on any asset now owned or hereafter acquired, except Permitted Liens, unless contemporaneously therewith:

- (1) in the case of any Lien securing an obligation that ranks *pari passu* with the Notes or a Note Guarantee, effective provision is made to secure the Notes or such Note Guarantee, as the case may be, at least equally and ratably with or prior to such obligation with a Lien on the same assets of Coeur or such Restricted Subsidiary, as the case may be; and
- (2) the case of any Lien securing Indebtedness subordinated in right of payment to the Notes or a Note Guarantee, effective provision is made to secure the Notes or such Note Guarantee, as the case may be, with a Lien on the same assets of Coeur or such Restricted Subsidiary, as the case may be, that is prior to the Lien securing such subordinated Indebtedness.

Dividend and other Payment Restrictions Affecting Restricted Subsidiaries

Coeur will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (1) pay dividends or make any other distributions on its Capital Stock to Coeur or any of its Restricted Subsidiaries, or with respect to any other interest or participation in, or measured by, its profits, or pay any indebtedness owed to Coeur or any of its Restricted Subsidiaries (it being understood that the priority of any preferred stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock);
- (2) make loans or advances to Coeur or any of its Restricted Subsidiaries (it being understood that the subordination of loans or advances made to Coeur or any Restricted Subsidiary to other Indebtedness incurred by Coeur or any Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances); or
- (3) sell, lease or transfer any of its properties or assets to Coeur or any of its Restricted Subsidiaries (it being understood that such transfers shall not include any type of transfer described in clause (1) or (2) above).

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

- (1) agreements governing Existing Indebtedness and Credit Facilities as in effect on the date of the Indenture and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings, in the good faith judgment of Coeur, (x) are not materially more restrictive, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the date of the Indenture and (y) will not materially affect Coeur's ability to make anticipated principal and interest payments on the Notes when due;
- (2) the Indenture, the Notes and the Note Guarantees;
- (3) agreements governing other Indebtedness permitted to be incurred under the provisions of the covenant described above under the caption “—Incurrence of Indebtedness and Issuance of Preferred Stock” and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that in the good faith judgment of Coeur, such encumbrances and restrictions will not materially affect Coeur's ability to make anticipated principal and interest payments on the Notes when due;
- (4) applicable law, rule, regulation or order;
- (5) any instrument governing Indebtedness or Capital Stock of a Person acquired by Coeur or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the

Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of the Indenture to be incurred;

- (6) customary non-assignment provisions in leases, subleases, licenses and other contracts entered into in the ordinary course of business;
- purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations
- (7) that impose restrictions on the property purchased or leased of the nature described in clause (3) of the preceding paragraph;
- (8) any agreement for the sale or other disposition of all or a portion of the Capital Stock or assets of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending its sale or other disposition;
- Permitted Refinancing Indebtedness; *provided* that, in the good faith judgment of Coeur, the encumbrances and restrictions contained in the agreements governing such Permitted Refinancing Indebtedness (x) are not materially
- (9) more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced and (y) will not materially affect Coeur's ability to make anticipated principal and interest payments on the Notes when due;
- (10) Liens permitted to be incurred under the provisions of the covenant described above under the caption "—Liens" that limit the right of the debtor to dispose of the assets subject to such Liens;
- provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements (including
- (11) agreements entered into in connection with a Restricted Investment), which limitation is applicable only to the assets that are the subject of such agreements;
- (12) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;
- (13) reciprocal easements entered into in the ordinary course of business; and
- encumbrances or restrictions arising from a Deferred Revenue Financing Arrangement entered into subsequent to
- (14) the Issue Date and provided that at the time of entering into, Coeur in good faith believes that such encumbrance or restriction shall not adversely affect Coeur's ability to make principal and interest payments on the Notes in any material respect.

Merger, Consolidation or Sale of Assets

Coeur will not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not Coeur is the surviving corporation), or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of Coeur and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

- either: (a) Coeur is the surviving corporation; or (b) the Person formed by or surviving any such consolidation or merger (if other than Coeur) or to which such sale, assignment, transfer, conveyance or other disposition has been
- (1) made is an entity organized or existing under the laws of the United States, any state of the United States or the District of Columbia; and, if such entity is not a corporation, a co-obligor of the Notes is a corporation organized or existing under any such laws;
- the Person formed by or surviving any such consolidation or merger (if other than Coeur) or the Person to which
- (2) such sale, assignment, transfer, conveyance or other disposition has been made assumes all the obligations of Coeur under the Notes, the Indenture and the registration rights agreement pursuant to agreements reasonably satisfactory to the trustee;
- (3) immediately after such transaction, no Default or Event of Default exists;
- (4) Coeur or the Person formed by or surviving any such consolidation or merger (if other than Coeur), or to which such sale, assignment, transfer, conveyance or other disposition has been made would, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period (i) be permitted to incur at least \$1.00 of additional

Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in the first paragraph of

TABLE OF CONTENTS

the covenant described above under the caption “—Incurrence of Indebtedness and Issuance of Preferred Stock” or (ii) have had a Fixed Charge Coverage Ratio greater than the actual Fixed Charge Coverage Ratio for Coeur for such four-quarter period; and

(5) Coeur has delivered to the trustee an Officer’s Certificate and an opinion of counsel, each stating that any such event complies with the foregoing.

In addition, Coeur will not, directly or indirectly, lease all or substantially all of the properties and assets of it and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to any other Person.

This “Merger, Consolidation or Sale of Assets” covenant will not apply to any sale, assignment, transfer, conveyance, lease or other disposition of assets between or among Coeur and any one or more of its Restricted Subsidiaries or between or among any one or more of Coeur’s Restricted Subsidiaries. Clauses (3) and (4) of the first paragraph of this covenant will not apply to (1) any merger or consolidation of Coeur with or into one of its Restricted Subsidiaries for any purpose or (2) with or into an Affiliate solely for the purpose of reincorporating Coeur in another jurisdiction.

Transactions with Affiliates

Coeur will not, and will not permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of Coeur (each, an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$10.0 million, unless:

- the Affiliate Transaction is on terms that are no less favorable to Coeur or the relevant Restricted Subsidiary than
- (1) those that would have been obtained in a comparable transaction by Coeur or such Restricted Subsidiary with an unrelated Person; and
- (2) Coeur delivers to the trustee:
 - with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$15.0 million, a resolution of the Board of Directors of Coeur set forth in an Officer’s
 - (a) Certificate certifying that such Affiliate Transaction complies with this covenant and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of Coeur; and
 - with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$50.0 million, an opinion as to the fairness to Coeur or such Restricted
 - (b) Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

The following items will be deemed not to be Affiliate Transactions and, therefore, will not be subject to the provisions of the prior paragraph:

- any employment agreement, employee benefit plan, officer or director indemnification agreement or any similar
- (1) arrangement entered into by Coeur or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;
- (2) transactions between or among Coeur and/or its Restricted Subsidiaries;
- (3) transactions with a Person (other than an Unrestricted Subsidiary of Coeur) that is an Affiliate of Coeur solely because Coeur owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;
- (4) payment of reasonable and customary fees and reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of officers, directors, employees or consultants of Coeur or any of its Restricted Subsidiaries;
- (5) any issuance of Equity Interests (other than Disqualified Stock) of Coeur to Affiliates of Coeur;
- (6) Restricted Payments that do not violate the provisions of the Indenture described above under the caption “—Restricted Payments” and Permitted Investments;

TABLE OF CONTENTS

- any agreement as in effect as of the Issue Date, as these agreements may be amended, modified, supplemented, extended or renewed from time to time, so long as any such amendment, modification, supplement, extension or renewal is not more disadvantageous to the holders of Notes in any material respect than the terms of the agreements in effect on the Issue Date;
- (7) any agreement between any Person and an Affiliate of such Person existing at the time such Person is acquired by, merged into or amalgamated, arranged or consolidated with Coeur or any of its Restricted Subsidiaries; *provided* that such agreement was not entered into in contemplation of such acquisition, merger, amalgamation, arrangement or consolidation and any amendment thereto (so long as any such amendment is not more disadvantageous to the holders of Notes in any material respect than the applicable agreement as in effect on the date of such acquisition, merger, amalgamation, arrangement or consolidation);
- (8) transactions between Coeur or any of its Restricted Subsidiaries and any Person that is an Affiliate solely because one or more of its directors is also a director of Coeur or any of its Restricted Subsidiaries; *provided* that such director abstains from voting as a director of Coeur or such Restricted Subsidiary, as the case may be, on any matter involving such other Person; and
- (9) any transaction or series of related transactions for which Coeur or any of its Restricted Subsidiaries delivers to the trustee an opinion as to the fairness to Coeur or the applicable Restricted Subsidiary of such transaction or series of related transactions from a financial point of view issued by an accounting, appraisal or investment banking firm of national recognized standing qualified to perform the task for which it has been engaged.
- (10)

Business Activities

Coeur will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to Coeur and its Restricted Subsidiaries taken as a whole.

Additional Note Guarantees

Coeur will cause each of its Restricted Subsidiaries that is not a Guarantor and that guarantees, on the Issue Date or any time thereafter, any Indebtedness of Coeur, which other Indebtedness exceeds \$20.0 million in aggregate principal amount, to become a Guarantor by executing a supplemental indenture and delivering an opinion of counsel reasonably satisfactory to the trustee within 10 business days thereafter.

Designation of Restricted and Unrestricted Subsidiaries

The Board of Directors of Coeur may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by Coeur and its Restricted Subsidiaries in the Subsidiary designated as Unrestricted will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under the covenant described above under the caption “—Restricted Payments” or under one or more clauses of the definition of Permitted Investments, as determined by Coeur. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of Coeur may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

Any designation of a Subsidiary of Coeur as an Unrestricted Subsidiary will be evidenced to the trustee by filing with the trustee a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officer’s Certificate certifying that such designation complied with the preceding conditions and was permitted by the covenant described above under the caption “—Restricted Payments.” If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of the Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of Coeur as of such date and, if such Indebtedness is not permitted to be incurred as of such date under the

covenant described under the caption “—Incurrence of Indebtedness and Issuance of Preferred Stock,” Coeur will be in default of such covenant. The Board of Directors of Coeur may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of

TABLE OF CONTENTS

Coeur; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of Coeur of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under the covenant described under the caption “—Incurrence of Indebtedness and Issuance of Preferred Stock,” calculated on a pro forma basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation.

Reports

Whether or not required by the rules and regulations of the SEC, so long as any Notes are outstanding, Coeur will furnish to the trustee and to the holders of Notes (or file with the SEC for public availability), within the time periods specified in the SEC’s rules and regulations:

- (1) all quarterly and annual reports that would be required to be filed with the SEC on Forms 10-Q and 10-K if Coeur were required to file such reports, including a “Management’s Discussion and Analysis of Financial Condition and Results of Operations” and, with respect to the annual information only, a report thereon by Coeur’s certified independent accountants; and
- (2) all current reports that would be required to be filed with the SEC on Form 8-K if Coeur were required to file such reports.

All such reports will be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. In addition, Coeur will file a copy of each of the reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing) and will post the reports on its website within those time periods. Coeur will at all times comply with § 314(a) of the Trust Indenture Act once the Indenture has been qualified under the Trust Indenture Act.

If Coeur is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, Coeur will nevertheless continue filing the reports specified in the preceding paragraphs of this covenant with the SEC within the time periods specified above unless the SEC will not accept such a filing. Coeur will not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept Coeur’s filings for any reason, Coeur will post the reports referred to in the preceding paragraphs on its website within the time periods that would apply if Coeur were required to file those reports with the SEC.

If Coeur has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by the preceding paragraphs will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in “Management’s Discussion and Analysis of Financial Condition and Results of Operations,” of the financial condition and results of operations of Coeur and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of Coeur.

In addition, Coeur and the Guarantors agree that, for so long as any Notes remain outstanding, if at any time they are not required to file with the SEC the reports required by the preceding paragraphs, they will furnish to the holders of Notes and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Events of Default and Remedies

Each of the following is an “*Event of Default*”:

- (1) default for 30 days in the payment when due of interest and Special Interest, if any, on the Notes;

- (2) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes;
- (3) failure by Coeur or any of its Restricted Subsidiaries to comply with the provisions described under the caption “—Certain Covenants—Merger, Consolidation or Sale of Assets;”
- (4) failure by Coeur or any of its Restricted Subsidiaries for 30 days after notice to Coeur by the trustee or the holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class

TABLE OF CONTENTS

to comply with the provisions described under the captions “—Repurchase at the Option of Holders—Change of Control” or “—Repurchase at the Option of Holders—Asset Sales”;

failure by Coeur or any of its Restricted Subsidiaries for 60 days after notice to Coeur by the trustee or the holders (5) of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in the Indenture;

default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Coeur or any of its Restricted Subsidiaries (or the (6) payment of which is guaranteed by Coeur or any of its Restricted Subsidiaries), whether such Indebtedness or Guarantee now exists, or is created after the date of the Indenture, if that default:

(a) is caused by a failure to pay principal of, premium on, if any, or interest, if any, on, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a “*Payment Default*”); or

(b) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$50.0 million or more;

failure by Coeur or any Significant Subsidiary or any group of its Restricted Subsidiaries that, taken together (as of the date of the latest audited consolidated financial statements of Coeur and its Restricted Subsidiaries), would constitute a Significant Subsidiary, to pay final judgments (net of any amounts covered by insurance policies (7) issued by a reputable and creditworthy insurance company that is not contesting liability for such amounts) entered by a court or courts of competent jurisdiction aggregating in excess of \$50.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days;

except as permitted by the Indenture, any Note Guarantee of a Significant Subsidiary or any group of Guarantors that, taken together (as of the date of the latest audited consolidated financial statements of Coeur and its Restricted Subsidiaries), would constitute a Significant Subsidiary, is held in any judicial proceeding to be unenforceable or

(8) invalid or ceases for any reason to be in full force and effect, or any Guarantor that is a Significant Subsidiary or any group of Guarantors that, taken together (as of the date of the latest audited consolidated financial statements of Coeur and its Restricted Subsidiaries), would constitute a Significant Subsidiary, or any Person acting on behalf of any such Guarantor, denies or disaffirms its obligations under its Note Guarantee; and

(9) certain events of bankruptcy or insolvency described in the Indenture with respect to Coeur or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary.

In the case of an Event of Default arising from certain events of bankruptcy or insolvency, with respect to Coeur, any Restricted Subsidiary of Coeur that is a Significant Subsidiary or any group of Restricted Subsidiaries of Coeur that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

Subject to certain limitations, holders of a majority in aggregate principal amount of the then outstanding Notes may direct the trustee in its exercise of any trust or power. The trustee may withhold from holders of the Notes notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal, premium, if any, and interest and Special Interest, if any.

Subject to the provisions of the Indenture relating to the duties of the trustee, in case an Event of Default occurs and is continuing, the trustee will be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any holders of Notes unless such holders have offered to the trustee

TABLE OF CONTENTS

indemnity or security reasonably satisfactory to the trustee against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, interest or Special Interest, if any, when due, no holder of a Note may pursue any remedy with respect to the Indenture, the Notes or the Notes Guarantees unless:

- (1) such holder has previously given the trustee written notice that an Event of Default is continuing;
- (2) holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the trustee to pursue the remedy;
- (3) such holder or holders offer and, if requested, provide to the trustee security or indemnity reasonably satisfactory to the trustee against any loss, liability or expense;
- (4) the trustee does not comply with such request within 60 days after receipt of the request and the offer of security or indemnity; and
- (5) during such 60-day period, holders of a majority in aggregate principal amount of the then outstanding Notes do not give the trustee a direction inconsistent with such request.

The holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the trustee may, on behalf of the holders of all of the Notes, rescind an acceleration or waive any existing Default or Event of Default and its consequences under the Indenture, if the rescission would not conflict with any judgment or decree, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, interest or Special Interest, if any, on the Notes.

Coeur is required to deliver to the trustee annually a statement regarding compliance with the Indenture. Upon becoming aware of any Default or Event of Default, Coeur is required to deliver to the trustee a statement specifying such Default or Event of Default.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of Coeur or any Guarantor, as such, will have any liability for any obligations of Coeur or the Guarantors under the Notes, the Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Legal Defeasance and Covenant Defeasance

Coeur may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have all of its obligations discharged with respect to the outstanding Notes and all obligations of the Guarantors discharged with respect to their Note Guarantees ("*Legal Defeasance*") except for:

- (1) the rights of holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, interest or Special Interest, if any, on such Notes when such payments are due from the trust referred to below; Coeur's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated,
- (2) destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (3) the rights, powers, trusts, duties and immunities of the trustee under the Indenture, and Coeur's and the Guarantors' obligations in connection therewith; and
- (4) the Legal Defeasance and Covenant Defeasance provisions of the Indenture.

In addition, Coeur may, at its option and at any time, elect to have the obligations of Coeur and the Guarantors released with respect to certain covenants (including its obligation to make Change of Control Offers and Asset Sale Offers) that are described in the Indenture ("*Covenant Defeasance*") and thereafter any omission to comply with those

covenants will not constitute a Default or Event of Default with respect to the Notes. In the event Covenant Defeasance occurs, all Events of Default described under “—Events of Default and Remedies” (except those relating to payments on the Notes or bankruptcy, receivership, rehabilitation or insolvency events) will no longer constitute an Event of Default with respect to the Notes.

TABLE OF CONTENTS

In order to exercise either Legal Defeasance or Covenant Defeasance:

- Coeur must irrevocably deposit with the trustee, in trust, for the benefit of the holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of premium on, if any, interest and Special Interest, if any, on the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and Coeur must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;
- (1) in the case of Legal Defeasance, Coeur must deliver to the trustee an opinion of U.S. tax counsel reasonably acceptable to the trustee confirming that (a) Coeur has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (b) since the date of the Indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;
 - in the case of Covenant Defeasance, Coeur must deliver to the trustee an opinion of U.S. tax counsel reasonably acceptable to the trustee confirming that the beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;
 - (3) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);
 - (4) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of or constitute a default under, any material agreement or instrument (other than the Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which Coeur or any of the Guarantors is a party or by which Coeur or any of the Guarantors is bound;
 - (5) Coeur must deliver to the trustee an Officer's Certificate stating that the deposit was not made by Coeur with the intent of defeating, hindering, delaying or defrauding any creditors of Coeur or others; and
 - (6) Coeur must deliver to the trustee an Officer's Certificate and an opinion of counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.
- Amendment, Supplement and Waiver

Except as provided in the next two succeeding paragraphs, the Indenture, the Notes or the Note Guarantees may be amended or supplemented with the consent of the holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of the Notes), and any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, interest or Special Interest, if any, on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Indenture, the Notes or the Note Guarantees may be waived with the consent of the holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes).

Without the consent of each holder of Notes affected, an amendment, supplement or waiver may not (with respect to any Notes held by a non-consenting holder):

- (1) reduce the principal amount of Notes whose holders must consent to an amendment, supplement or waiver;

TABLE OF CONTENTS

- reduce the principal of or change the fixed maturity of any Note or alter or waive any of the provisions
 - (2) with respect to the redemption of the Notes (except those provisions relating to the covenants described above under the caption “—Repurchase at the Option of Holders”);
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any Note; waive a Default or Event of Default in the payment of principal of, premium on, if any, interest or Special Interest,
- (4) if any, on the Notes (except a rescission of acceleration of the Notes by the holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any Note payable in money other than that stated in the Notes;
- (6) make any change in the provisions of the Indenture relating to waivers of past Defaults or the rights of holders of Notes to receive payments of principal of, premium on, if any, interest or Special Interest, if any, on the Notes;
- (7) waive a redemption payment with respect to any Note (other than a payment required by one of the covenants described above under the caption “—Repurchase at the Option of Holders”);
- (8) release any Guarantor from any of its obligations under its Note Guarantee or the Indenture, except in accordance with the terms of the Indenture; or
- (9) make any change in the preceding amendment and waiver provisions.

Notwithstanding the preceding, without the consent of any holder of Notes, Coeur, the Guarantors and the trustee may amend or supplement the Indenture, the Notes or the Note Guarantees:

- (1) to cure any ambiguity, defect or inconsistency; to provide for the assumption of Coeur’s or a Guarantor’s obligations to holders of Notes and Note Guarantees in the
 - (2) case of a merger or consolidation or sale of all or substantially all of Coeur’s or such Guarantor’s assets, as applicable;
 - (3) to make any change that would provide any additional rights or benefits to the holders of Notes or that does not adversely affect the legal rights under the Indenture of any holder;
 - (4) to comply with requirements of the SEC in order to effect or maintain the qualification of the Indenture under the Trust Indenture Act, if applicable; to conform the text of the Indenture, the Notes, the Note Guarantees to any provision of this Description of the
 - (5) Notes to the extent that such provision in this Description of the Notes was intended to be a verbatim recitation of a provision of the Indenture, the Notes, the Note Guarantees, which intent may be evidenced by an Officer’s Certificate to that effect;
 - (6) to provide for the issuance of additional Notes in accordance with the limitations set forth in the Indenture as of the date of the Indenture; or
 - (7) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes.
- Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect as to all Notes issued thereunder, when:

- (1) either:
 - all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and
 - (a) Notes for whose payment money has been deposited in trust and thereafter repaid to Coeur, have been delivered to the trustee for cancellation; or
 - all Notes that have not been delivered to the trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise, will become due and payable within one year or will be called for
 - (b) redemption within one year under irrevocable arrangements reasonably satisfactory to the trustee under the Indenture, and Coeur or any Guarantor has irrevocably deposited or

caused to be deposited with the trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the trustee for cancellation for principal of, premium on, if any, interest and Special Interest, if any, on the Notes to the date of maturity or redemption;

in respect of clause 1(b), no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and, in each case, the granting of Liens to secure such borrowings) and the deposit will not result in a breach or violation of, or constitute a default under, any other

(2) instrument to which Coeur or any Guarantor is a party or by which Coeur or any Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(3) Coeur or any Guarantor has paid or caused to be paid all sums payable by it under the Indenture; and

(4) Coeur has delivered irrevocable instructions to the trustee under the Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, Coeur must deliver an Officer's Certificate and an opinion of counsel to the trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Concerning the Trustee

If the trustee becomes a creditor of Coeur or any Guarantor, the Indenture limits the right of the trustee to obtain payment of claims in certain cases, or to realize on certain property received in respect of any such claim as security or otherwise. The trustee will be permitted to engage in other transactions; however, if the trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee (if the Indenture has been qualified under the Trust Indenture Act) or resign.

The holders of a majority in aggregate principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee, subject to certain exceptions. The Indenture provides that in case an Event of Default has occurred and is continuing, the trustee will be required, in the exercise of its power, to use the degree of care of a prudent person in the conduct of such person's own affairs. Subject to such provisions, the trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any holder of Notes, unless such holder has offered to the trustee indemnity or security reasonably satisfactory to it against any loss, liability or expense.

Anyone who receives this prospectus may obtain a copy of the Indenture and the registration rights agreement without charge by writing to Coeur Mining, Inc., 104 S. Michigan Avenue, Suite 900, Chicago, Illinois 60603, Attention: Corporate Secretary.

Book-Entry, Delivery and Form

Except as set forth below, the Notes will be issued in registered, global form in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Notes will be issued at the closing of this offering only against payment in immediately available funds.

The New Notes initially will be represented by one or more Notes in registered, global form without interest coupons (the “*Global Notes*”). The Global Notes will be deposited upon issuance with the trustee as custodian for DTC, in New York, New York, and registered in the name of DTC or its nominee, in each case, for credit to an account of a direct or indirect participant in DTC as described below. Except as set forth below, the Global Notes may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. Beneficial interests in the Global Notes may not be exchanged for definitive Notes in registered certificated form (“*Certificated Notes*”) except in the limited circumstances described below. See “—Exchange of Global Notes for Certificated Notes.” Except in the limited circumstances described below, owners of beneficial interests in the Global Notes will not be entitled to receive physical delivery of Notes in certificated form.

TABLE OF CONTENTS

Transfers of beneficial interests in the Global Notes will be subject to the applicable rules and procedures of DTC and its direct or indirect participants (including, if applicable, those of Euroclear and Clearstream), which may change from time to time.

Depository Procedures

The following description of the operations and procedures of DTC, Euroclear and Clearstream are provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. Coeur takes no responsibility for these operations and procedures and urges investors to contact the system or their participants directly to discuss these matters.

DTC has advised Coeur that DTC is a limited-purpose trust company created to hold securities for its participating organizations (collectively, the “*Participants*”) and to facilitate the clearance and settlement of transactions in those securities between the Participants through electronic book-entry changes in accounts of its Participants. The Participants include securities brokers and dealers (including the initial purchaser), banks, trust companies, clearing corporations and certain other organizations. Access to DTC’s system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the “*Indirect Participants*”). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

DTC has also advised Coeur that, pursuant to procedures established by it:

- (1) upon deposit of the Global Notes, DTC will credit the accounts of the Participants designated by the initial purchaser with portions of the principal amount of the Global Notes; and
- (2) ownership of these interests in the Global Notes will be shown on, and the transfer of ownership of these interests will be effected only through, records maintained by DTC (with respect to the Participants) or by the Participants and the Indirect Participants (with respect to other owners of beneficial interest in the Global Notes).

All interests in a Global Note, including those held through Euroclear or Clearstream, may be subject to the procedures and requirements of DTC. Those interests held through Euroclear or Clearstream may also be subject to the procedures and requirements of such systems. The laws of some states require that certain Persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer beneficial interests in a Global Note to such Persons will be limited to that extent. Because DTC can act only on behalf of the Participants, which in turn act on behalf of the Indirect Participants, the ability of a Person having beneficial interests in a Global Note to pledge such interests to Persons that do not participate in the DTC system, or otherwise take actions in respect of such interests, may be affected by the lack of a physical certificate evidencing such interests.

Except as described below, owners of interests in the Global Notes will not have Notes registered in their names, will not receive physical delivery of Notes in certificated form and will not be considered the registered owners or “holders” thereof under the Indenture for any purpose.

Payments in respect of the principal of, premium on, if any, interest and Special Interest, if any, on a Global Note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered holder under the Indenture. Under the terms of the Indenture, Coeur and the trustee will treat the Persons in whose names the Notes, including the Global Notes, are registered as the owners of the Notes for the purpose of receiving payments and for all other purposes. Consequently, neither Coeur, the trustee nor any agent of Coeur or the trustee has or will have any responsibility or liability for:

- any aspect of DTC's records or any Participant's or Indirect Participant's records relating to or payments made on account of beneficial ownership interest in the Global Notes or for maintaining, supervising or reviewing any of
- (1) DTC's records or any Participant's or Indirect Participant's records relating to the beneficial ownership interests in the Global Notes; or
 - (2) any other matter relating to the actions and practices of DTC or any of its Participants or Indirect Participants.

TABLE OF CONTENTS

DTC has advised Coeur that its current practice, upon receipt of any payment in respect of securities such as the Notes (including principal and interest), is to credit the accounts of the relevant Participants with the payment on the payment date unless DTC has reason to believe that it will not receive payment on such payment date. Each relevant Participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the Participants and the Indirect Participants to the beneficial owners of Notes will be governed by standing instructions and customary practices and will be the responsibility of the Participants or the Indirect Participants and will not be the responsibility of DTC, the trustee or Coeur. Neither Coeur nor the trustee will be liable for any delay by DTC or any of the Participants or the Indirect Participants in identifying the beneficial owners of the Notes, and Coeur and the trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Subject to transfer restrictions set forth under “Notice to Investors,” transfers between the Participants will be effected in accordance with DTC’s procedures, and will be settled in same-day funds, and transfers between participants in Euroclear and Clearstream will be effected in accordance with their respective rules and operating procedures.

Subject to transfer restrictions set forth under “Notice to Investors,” cross-market transfers between the Participants, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC’s rules on behalf of Euroclear or Clearstream, as the case may be, by their respective depositories; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its respective depository to take action to effect final settlement on its behalf by delivering or receiving interests in the relevant Global Note in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

DTC has advised Coeur that it will take any action permitted to be taken by a holder of Notes only at the direction of one or more Participants to whose account DTC has credited the interests in the Global Notes and only in respect of such portion of the aggregate principal amount of the Notes as to which such Participant or Participants has or have given such direction. However, if there is an Event of Default under the Notes, DTC reserves the right to exchange the Global Notes for legended Notes in certificated form, and to distribute such Notes to its Participants.

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures to facilitate transfers of interests in the Global Notes among participants in DTC, Euroclear and Clearstream, they are under no obligation to perform or to continue to perform such procedures, and may discontinue such procedures at any time. None of Coeur, the trustee and any of their respective agents will have any responsibility for the performance by DTC, Euroclear or Clearstream or their respective participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

Exchange of Global Notes for Certificated Notes

A Global Note is exchangeable for Certificated Notes if:

- (1) DTC (a) notifies Coeur that it is unwilling or unable to continue as depository for the Global Notes or (b) has ceased to be a clearing agency registered under the Exchange Act and, in either case, Coeur fails to appoint a successor depository;
- (2) Coeur, at its option, notifies the trustee in writing that it elects to cause the issuance of the Certificated Notes; or
- (3) there has occurred and is continuing a Default or Event of Default with respect to the Notes.

In addition, beneficial interests in a Global Note may be exchanged for Certificated Notes upon prior written notice given to the trustee by or on behalf of DTC in accordance with the Indenture. In all cases, Certificated Notes delivered in exchange for any Global Note or beneficial interests in Global Notes will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depository (in accordance

TABLE OF CONTENTS

with its customary procedures) and will bear the applicable restrictive legend referred to in “Notice to Investors,” unless that legend is not required by applicable law.

Exchange of Certificated Notes for Global Notes

Certificated Notes may not be exchanged for beneficial interests in any Global Note unless the transferor first delivers to the trustee a written certificate (in the form provided in the Indenture) to the effect that such transfer will comply with the appropriate transfer restrictions applicable to such Notes. See “Notice to Investors.”

Same Day Settlement and Payment

Coeur will make payments in respect of the Notes represented by the Global Notes, including principal, premium, if any, interest and Special Interest, if any, by wire transfer of immediately available funds to the accounts specified by DTC or its nominee. Coeur will make all payments of principal, premium, if any, interest and Special Interest, if any, with respect to Certificated Notes by wire transfer of immediately available funds to the accounts specified by the holders of the Certificated Notes or, if no such account is specified, by mailing a check to each such holder’s registered address. The Notes represented by the Global Notes are expected to be eligible to trade in DTC’s Same-Day Funds Settlement System, and any permitted secondary market trading activity in such Notes will, therefore, be required by DTC to be settled in immediately available funds. Coeur expects that secondary trading in any Certificated Notes will also be settled in immediately available funds.

Because of time zone differences, the securities account of a Euroclear or Clearstream participant purchasing an interest in a Global Note from a Participant will be credited, and any such crediting will be reported to the relevant Euroclear or Clearstream participant, during the securities settlement processing day (which must be a business day for Euroclear and Clearstream) immediately following the settlement date of DTC. DTC has advised Coeur that cash received in Euroclear or Clearstream as a result of sales of interests in a Global Note by or through a Euroclear or Clearstream participant to a Participant will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC’s settlement date.

Certain Definitions

Set forth below are certain defined terms used in the Indenture. Reference is made to the Indenture for a full disclosure of all defined terms used therein, as well as any other capitalized terms used herein for which no definition is provided.

“*Acquired Debt*” means, with respect to any specified Person:

- (1) Indebtedness of any other Person existing at the time such other Person is merged with or into or became a Subsidiary of such specified Person, whether or not such Indebtedness is incurred in connection with, or in contemplation of such other Person merging with or into, or becoming a Restricted Subsidiary of, such specified Person; and
- (2) Indebtedness secured by a Lien encumbering any asset acquired by such specified Person.

“*Affiliate*” of any specified Person means any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with such specified Person. For purposes of this definition, “control,” as used with respect to any Person, means the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of such Person, whether through the ownership of voting securities, by agreement or otherwise; *provided* that beneficial ownership of 10% or more of the Voting Stock of a Person will be deemed to be control. For purposes of this definition, the terms “controlling,” “controlled by” and “under common control with” have

correlative meanings.

“*Applicable Premium*” means, with respect to any Note on any redemption date, the greater of:

(1) 1.0% of the principal amount of the Note; or

MATERIAL U.S. FEDERAL INCOME TAX CONSIDERATIONS

The following discussion summarizes the material U.S. federal income tax consequences of the exchange of Outstanding Notes for New Notes. This discussion is based upon the Code, the Treasury Regulations promulgated thereunder, administrative pronouncements, rulings and judicial decisions, all as in effect on the date hereof and all of which are subject to change or differing interpretations, possibly with retroactive effect. This summary addresses only the U.S. federal income tax consequences of the exchange of New Notes that are acquired in this offering in exchange for Outstanding Notes originally acquired at their initial offering for an amount of cash equal to their issue price and held as “capital assets” within the meaning of Section 1221 of the Code.

This summary does not address all of the U.S. federal income tax considerations that may be relevant to a particular holder in light of the holder’s individual circumstances or to holders subject to special rules under U.S. federal income tax laws, such as banks and other financial institutions, insurance companies, real estate investment trusts, regulated investment companies, tax-exempt organizations, entities and arrangements classified as partnerships for U.S. federal income tax purposes and other pass-through entities, dealers in securities or currencies, traders in securities that elect to use a mark-to-market method of accounting, persons liable for U.S. federal alternative minimum tax, holders whose functional currency is not the U.S. dollar, U.S. expatriates, and persons holding notes as part of a “straddle,” “hedge,” “conversion transaction,” or other integrated investment. The discussion does not address any foreign, state, local or non-income tax consequences of the exchange of Outstanding Notes for New Notes.

This discussion is for general information purposes only, and is not intended to be and should not be construed to be, legal or tax advice to any particular Holder. Holders are urged to consult their own tax advisors regarding the application of the U.S. federal income tax laws to their particular situations and the consequences under U.S. federal estate or gift tax laws, as well as foreign, state, or local laws and tax treaties, and the possible effects of changes in tax laws.

U.S. Federal Income Tax Consequences of the Exchange Offer to Holders of Outstanding Notes

The exchange of Outstanding Notes for New Notes pursuant to the exchange offer will not be a taxable transaction for U.S. federal income tax purposes. Holders of Outstanding Notes will not realize gain or loss as a result of the exchange and will have the same adjusted issue price, tax basis and holding period in the New Notes as they had in the Outstanding Notes immediately before the exchange. The U.S. federal income tax consequences of holding and disposing of the New Notes will be the same as those applicable to the Outstanding Notes.

MATERIAL ERISA CONSIDERATIONS

The following is a summary of certain considerations associated with the purchase and holding of the New Notes by employee benefit plans that are subject to Title I of the United States Employee Retirement Income Security Act of 1974 (“ERISA”), plans, individual retirement accounts and other arrangements that are subject to Section 4975 of the Code or provisions under any other federal, state, local, non-U.S. or other laws, rules or regulations that are similar to such provisions of ERISA or the Code (collectively, “Similar Laws”), and entities whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”).

General Fiduciary Matters

ERISA and the Code impose certain duties on persons who are fiduciaries of a Plan subject to Title I of ERISA or Section 4975 of the Code (an “ERISA Plan”) and prohibit certain transactions involving the assets of an ERISA Plan and its fiduciaries or other interested parties. Under ERISA and the Code, any person who exercises any discretionary authority or control over the administration of such an ERISA Plan or the management or disposition of the assets of such an ERISA Plan, or who renders investment advice for a fee or other compensation to such an ERISA Plan, is generally considered to be a fiduciary of the ERISA Plan.

In considering an investment in the New Notes of a portion of the assets of any Plan, a fiduciary should determine whether the investment is in accordance with the documents and instruments governing the Plan and the applicable provisions of ERISA, the Code or any Similar Law relating to a fiduciary’s duties to the Plan including, without limitation, the prudence, diversification, delegation of control and prohibited transaction provisions of ERISA, the Code and any other applicable Similar Laws.

Prohibited Transaction Issues

Section 406 of ERISA and Section 4975 of the Code prohibit ERISA Plans from engaging in specified transactions involving plan assets with persons or entities who are “parties in interest,” within the meaning of ERISA, or “disqualified persons,” within the meaning of Section 4975 of the Code, unless an exemption is available. A party in interest or disqualified person who engages in a non-exempt prohibited transaction may be subject to excise taxes and other penalties and liabilities under ERISA and the Code. In addition, the fiduciary of the ERISA Plan that engages in such a non-exempt prohibited transaction may be subject to penalties and liabilities under ERISA and the Code. The acquisition and/or holding of New Notes by an ERISA Plan with respect to which the issuer, the initial purchasers or the guarantors are considered a party in interest or a disqualified person may constitute or result in a direct or indirect prohibited transaction under Section 406 of ERISA and/or Section 4975 of the Code, unless the investment is acquired and is held in accordance with an applicable statutory, class or individual prohibited transaction exemption.

In this regard, the U.S. Department of Labor has issued prohibited transaction class exemptions (“PTCEs”) that may apply to the acquisition and holding of the New Notes. These class exemptions include, without limitation, PTCE 84-14 respecting transactions determined by independent qualified professional asset managers, PTCE 90-1 respecting insurance company pooled separate accounts, PTCE 91-38 respecting bank collective investment funds, PTCE 95-60 respecting life insurance company general accounts, and PTCE 96-23 respecting transactions determined by in-house asset managers. In addition, Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code provide relief from the prohibited transaction provisions of ERISA and Section 4975 of the Code for certain transactions, provided that neither the issuer of the securities nor any of its affiliates (directly or indirectly) have or exercise any discretionary authority or control or render any investment advice with respect to the assets of any ERISA Plan involved in the transaction and, provided, further that the ERISA Plan pays no more than adequate consideration in connection with the transaction. There can be no assurance that all of the conditions of any such exemptions will be satisfied.

Because of the foregoing, the Outstanding Notes should not be exchanged for New Notes by any person investing “plan assets” of any Plan, unless such exchange will not constitute a non-exempt prohibited transaction under ERISA and the Code or similar violation of any applicable Similar Laws.

Representation

Accordingly, by acceptance of a New Note, each purchaser and subsequent transferee will be deemed to have represented and warranted that either (i) no portion of the assets used by such purchaser or transferee to acquire

TABLE OF CONTENTS

or hold the New Notes constitutes assets of any Plan or (ii) the exchange of the Outstanding Notes for the New Notes or the holding of the New Notes by such purchaser or transferee will not constitute a non-exempt prohibited transaction under Section 406 of ERISA, Section 4975 of the Code or a similar violation under any applicable Similar Laws.

The foregoing discussion is general in nature and is not intended to be all-inclusive. Due to the complexity of these rules and the penalties that may be imposed upon persons involved in non-exempt prohibited transactions, it is particularly important that fiduciaries, or other persons considering purchasing the New Notes (and holding the New Notes) on behalf of, or with the assets of, any Plan, consult with their counsel regarding the potential applicability of ERISA, Section 4975 of the Code and any Similar Laws to such transactions and whether an exemption would be applicable to the purchase and holding of the New Notes (and exchange of the New Notes).

Purchasers of the New Notes have the exclusive responsibility for ensuring that their purchase and holding of the New Notes complies with the fiduciary responsibility rules of ERISA and does not violate the prohibited transaction rules of ERISA, the Code or Similar Laws.

PLAN OF DISTRIBUTION

Each broker-dealer that receives New Notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such New Notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of New Notes received in exchange for Outstanding Notes where such Outstanding Notes were acquired as a result of market-making activities or other trading activities. We have agreed that for a period of 180 days after the expiration of the exchange offer, we will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale.

We will not receive any proceeds from any sale of New Notes by brokers-dealers. New Notes received by broker-dealers for their own account pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the New Notes or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or at negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer and/or the purchasers of any such New Notes. Any broker-dealer that resells New Notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of such New Notes may be deemed to be an “underwriter” within the meaning of the Securities Act and any profit on any such resale of New Notes and any commissions or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act. The letter of transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an “underwriter” within the meaning of the Securities Act.

For a period of 180 days after the expiration of the exchange offer, we will promptly send additional copies of this prospectus and any amendment or supplement to this prospectus to any broker-dealer that requests such documents in the letter of transmittal. We have agreed to pay all expenses incident to the exchange offer, other than commissions or concessions of any brokers or dealers and will indemnify the holders of the notes (including any broker-dealers) against certain liabilities, including liabilities under the Securities Act.

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Indemnification with respect to Coeur Mining, Inc. and the guarantors incorporated in Delaware

Section 102(b)(7) of the Delaware General Corporation Law (“DGCL”) permits a corporation to adopt a provision in its certificate of incorporation eliminating or limiting the personal liability of a director to the corporation and its stockholders for monetary damages for breach of fiduciary duty as a director. The DGCL currently provides that this limitation of liability does not apply to: (a) breach of the duty of loyalty, (b) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) unlawful distributions to stockholders under Section 174 of the DGCL or (d) a transaction from which the director derived an improper personal benefit.

Section 145(a) of the DGCL provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person’s conduct was unlawful.

With respect to actions by or in the right of the corporation, a similar standard applies under Section 145(b) of the DGCL, except that indemnification only extends to expenses (including attorneys’ fees) incurred in connection with the defense or settlement of such action, and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation.

Section 145(c) of the DGCL provides that a director or officer who is successful, on the merits or otherwise, in defense of any proceeding subject to the DGCL’s indemnification provisions shall be indemnified against expenses (including attorneys’ fees) actually and reasonably incurred in connection therewith.

Section 145(e) of the DGCL provides that expenses incurred by a director or officer in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of the action, suit or proceeding upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined that he or she is not entitled to be indemnified by the corporation because he or she has not met the relevant standard of conduct described above.

Indemnification with respect to Coeur Mining, Inc.

Article X, Section 10.1 of Coeur Mining, Inc.’s Certificate of Incorporation provides that, to the fullest extent permitted by the DGCL as the same exists or may hereafter be amended, no director will be personally liable to Coeur Mining, Inc. or its stockholders for monetary damages for breach of fiduciary duty as a director.

Article VI of Coeur Mining, Inc.’s Amended and Restated Bylaws requires indemnification and the advancement of defense expenses to directors, officers and employees to the fullest extent permitted by the DGCL. The rights to indemnification and advancement granted under the DGCL and the Bylaws are not exclusive of any other rights any person may have or acquire under any law, agreement, vote of stockholders or directors, provisions of a charter or

bylaws, or otherwise.

Coeur Mining, Inc. maintains insurance for the benefit of its directors and officers to insure these persons against certain liabilities, whether or not Coeur Mining, Inc. would have the power to indemnify them against these liabilities under the DGCL.

Coeur Mining, Inc. also has entered into certain indemnification agreements with its directors and officers. The indemnification agreements provide Coeur Mining, Inc.'s directors and officers with further indemnification, to the maximum extent permitted by the DGCL.

Item 22. Undertakings.

Each undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
 - (ii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;
- (2)

Edgar Filing: Coeur Mining, Inc. - Form S-4

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

II-3

TABLE OF CONTENTS

That, for purposes of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no (4) statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of (5) securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

To respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form S-4, within one business day of receipt of such request, and to send the incorporated (6) documents by first-class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

To supply by means of a post-effective amendment all information concerning a transaction, and the company (7) being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the (8) payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
