

Item 1.01 Entry into a Material Definitive Agreement

On October 11, 2017, Global Marine Systems Limited (“GMSL”), an indirect subsidiary of HC2 Holdings, Inc. (the “Company”), entered into a Business Purchase Agreement (the “BPA”) and a Warranty and Indemnity Agreement (the “W&I Agreement”), in each case by and among Fugro N.V., a public limited liability company incorporated in the Netherlands (“Fugro”), GMSL and Global Marine Holdings LLC, an indirect subsidiary of the Company and an indirect parent company of GMSL (“GMHL”). Pursuant to the BPA, GMSL agreed to acquire the trenching and cable laying business of Fugro (the “Acquisition”), consisting of, among other things, 23 employees, one vessel, two trenching systems and working capital. The obligation of each party to consummate the Acquisition is subject to certain conditions, including, among others, Fugro furnishing certain audited financial statements of the business to be acquired, customary conditions relating to the accuracy of the other party’s representations and warranties (subject to certain materiality exceptions) and the other party having performed in all material respects its obligations under the BPA.

As consideration for the Acquisition, (a) GMSL agreed to pay \$7,500,000 (the “Cash Consideration”) to Fugro for a Q1400 Trenching System (the “Trencher”), and (b) GMHL agreed to issue to a subsidiary of Fugro (the “Fugro Member”) membership units representing a 23.6% equity interest in GMHL (excluding management incentive units), valued at \$65,000,000. The limited liability company agreement of GMHL will be amended and restated upon consummation of the Acquisition to reflect such issuance and to provide the Fugro Member with certain rights, including the right to designate two out of the up to seven members of its board of directors, the right to approve certain actions outside the ordinary course of business, certain “tag-along” rights to participate in sales of membership units by other members and, after five years and subject to the Fugro Member first offering its membership units to the other members at a price based upon independent valuations, cause GMHL to be put up for sale in a process led by an investment banking firm.

In order to finance the Cash Consideration, GMSL agreed to incur a loan of \$7,500,000 from a subsidiary of Fugro, which bears interest, payable quarterly, at 4% per annum through December 31, 2017, and at 10% per annum thereafter, and matures 365 days following the Acquisition. The Trencher will serve as collateral security for the repayment of the loan pursuant to the terms of a lien agreement.

Pursuant to the W&I Agreement, each party has certain rights to damages or indemnification in connection with breaches of certain representations, warranties and covenants given by the other party. The W&I Agreement includes, among other things, thresholds establishing the minimum amount of losses that must be incurred before damages may be claimed and caps with respect the maximum amount of each party’s payment obligations.

In order to provide for transitional and general services between the parties after the Acquisition, Fugro and GMSL agreed to enter into a Transitional Services and Framework Services Agreement upon consummation of the Acquisition pursuant to which, among other things, (a) GMSL will use Fugro as a preferred provider for a range of survey, marine site investigation, asset integrity, ROV (operation) and other services required by GMSL in relation to the Acquisition, (b) Fugro and GMSL will cooperate on future work prospects in the “non-trenching”, “non-cable laying” market in the event that Fugro requires additional vessel capacity, and (c) Fugro will provide certain transitional services to GMSL for a period of time following the Acquisition.

The foregoing information is a summary of the agreements described above (collectively, the “Transaction Agreements”) and, as such, is not complete, and is qualified in its entirety by reference to the full text of the Transaction Agreements, copies of which are filed as exhibits to this Current Report on Form 8-K.
