**Item 1.01 Entry into a Definitive Material Agreement.**

NII Holdings, Inc. (“NII”), together with certain of its U.S. and Luxembourg-domiciled direct and indirect subsidiaries (collectively, the “NII Debtors”) that are debtors and debtors-in-possession in chapter 11 cases (the “Chapter 11 Cases”) pending in the U.S. Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”), holders of approximately \$1.93 billion, or 70%, of the senior notes issued by NII Capital Corp. (“NII Capital”) and approximately \$1.15 billion, or 72%, of the senior notes issued by NII International Telecom S.C.A. (“NIIT”) (collectively, the “Consenting Noteholders”), and the official committee of unsecured creditors appointed in the Chapter 11 Cases (the “Committee”) have reached agreement regarding the terms of a revised plan of reorganization (the “Plan”).

The NII Debtors will file and propose the Plan in the Chapter 11 Cases jointly with the Committee (together with the NII Debtors, the “Plan Proponents”). The Plan will implement a consensual reorganization of the NII Debtors following the completion of the proposed sale of NII’s operations in Mexico pursuant to the Purchase and Sale Agreement dated January 26, 2015 among NII and certain of its subsidiaries and New Cingular Wireless Services, Inc., an indirect subsidiary of AT&T, Inc. The terms of the proposed Plan are memorialized in a term sheet agreed among the Plan Proponents and the Consenting Noteholders (the “Plan Term Sheet”).

On March 5, 2015, the NII Debtors, the Consenting Noteholders and the Committee entered into a Plan Support Agreement (the “PSA”) that will govern the respective parties’ obligations in connection with the formulation and filing of the Plan and the solicitation of votes with respect to the Plan. The PSA will become effective as to the NII Debtors upon the entry of an order of the Bankruptcy Court approving the PSA and authorizing their entry into it. A copy of the Plan Term Sheet is attached to the PSA, which is included as an exhibit to this Current Report on Form 8-K.

Among other things, the PSA requires (i) the Plan Proponents to file and solicit votes on the Plan, (ii) the Consenting Noteholders to vote in favor of and otherwise support the Plan, and (iii) the parties thereto to use commercially reasonable efforts in furtherance of obtaining confirmation of the Plan and consummating the transactions contemplated under the Plan Term Sheet. The PSA contains certain milestone events that must be achieved by specified dates, which include the Bankruptcy Court’s approval and completion of the sale of NII’s operations in Mexico, confirmation of the Plan and the occurrence of the effective date of the Plan. The PSA may be terminated under various circumstances, including the failure of any of these milestone events to occur by the applicable date specified in the PSA.

In accordance with the PSA, the Plan will be consistent with the Plan Term Sheet and provide for, among other things, the conversion of the senior notes issued by NII Capital and NIIT (the “Senior Notes”) into a combination of cash representing a portion of the net proceeds received from the sale of NII’s operations in Mexico and equity interests in the reorganized NII. The Plan will also implement a proposed settlement of certain estate claims and claims related to the purported release of certain guarantees of the Senior Notes issued by NII Capital due 2016 and due 2019. The Plan Term Sheet also contemplates that the Consenting Noteholders will provide postpetition financing to the NII Debtors to provide liquidity to the NII Debtors pending the completion of the sale of the operations in Mexico.

The foregoing descriptions of the PSA and the Plan Term Sheet are qualified in their entirety by reference to the PSA attached hereto as Exhibit 10.1 and the Plan Term Sheet, a copy of which is attached to the PSA.
