PROXY STATEMENT FOR THE  
2015 ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON APRIL 10, 2015  
QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why am I receiving these materials?

We have sent you this proxy statement and the enclosed proxy card because the Board of Directors, or the Board, of Aerie Pharmaceuticals, Inc. is soliciting your proxy to vote at the 2015 Annual Meeting of Stockholders. This proxy statement and proxy card is being mailed to stockholders on or about February 27, 2015. As used in this proxy statement, the “Company,” “we,” “us” and “our” refer to Aerie Pharmaceuticals, Inc. The term “Annual Meeting,” as used in the proxy statement, includes any adjournment or postponement of such meeting.

Who can vote at the Annual Meeting?

Only stockholders of record as of the close of business on February 13, 2015, will be entitled to vote at the Annual Meeting. On this date, there were 24,038,664 shares of common stock issued and outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on February 13, 2015, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card by mail or vote by proxy over the telephone or the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on February 13, 2015, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting.

As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted.

Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of our outstanding shares entitled to vote at the Annual Meeting are present at the Annual Meeting in person or represented by proxy.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting or vote by proxy over the telephone or the Internet as instructed below. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the chairperson of the meeting or the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

What am I voting on and how many votes are needed to approve each proposal?

Proposal 1: Election of Directors. Directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of directors.

Plurality means that the individuals who receive the largest number of “FOR” votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Accordingly, the two nominees receiving the most “FOR” votes will be elected as directors.

Proposal 2: Approval of the Aerie Pharmaceuticals, Inc. Amended and Restated Omnibus Incentive Plan. The approval of the Aerie Pharmaceuticals, Inc. Amended and Restated Omnibus Incentive Plan (the “Omnibus Plan”) will require “FOR” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person

or represented by proxy and entitled to vote on this proposal.

Table of Contents

Proposal 3: Ratification of Appointment of Independent Registered Public Accounting Firm. The ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015, will require “FOR” votes from a majority of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on this proposal.

Abstentions and “broker non-votes” will not be counted as votes cast and will have no effect on the voting on the proposals referenced above.

What are broker non-votes?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee may vote the shares with respect to matters that are considered to be “routine,” but may not vote the shares with respect to “non-routine” matters. The election of directors (Proposal 1) and approval of the Omnibus Plan (Proposal 2) are matters considered “non-routine” under applicable rules. The ratification of the appointment of our independent registered public accounting firm (Proposal 3) is a matter considered “routine” under applicable rules.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of February 13, 2015.

What does it mean if I receive more than one proxy card?

You may receive more than one proxy card if your shares are registered in more than one name or are registered in different accounts. Please vote in the manner described below under “How do I vote?” for each proxy card to ensure that all of your shares are voted.

How does the Board recommend that I vote my shares?

Unless you give other instructions on your proxy card, the persons named as proxies on the card will vote in accordance with the recommendations of the Board. The Board’s recommendation is set forth together with the description of each item in this proxy statement. The Board recommends a vote:

• “FOR” the election of the two nominees to the Board;

• “FOR” the approval of the Omnibus Plan; and

• “FOR” the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015.

With respect to any other matter that properly comes before the Annual Meeting, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion in the best interest of the Company and its stockholders. As of the date of this proxy statement, the Board had no knowledge of any business other than that described herein that would be presented for consideration at the Annual Meeting.

How do I vote?

You may vote (1) “FOR ALL,” to vote for all of the nominees to the Board; (2) “WITHHOLD ALL,” to withhold your vote from all of the nominees to the Board; or (3) “FOR ALL EXCEPT,” to vote for all of the nominees to the Board except for any nominee that you specify in the space provided. An instruction to withhold authority to vote for one or more of the nominees will result in those nominees receiving fewer votes, but will not count as a vote against the nominees. For the other matters to be voted on, you may vote “FOR” or “AGAINST,” or you may “ABSTAIN” from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may (a) vote in person at the Annual Meeting or (b) vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card by mail or vote by proxy over the

Table of Contents

telephone or the Internet as instructed below to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy, as described under “May I change my vote after submitting my proxy card?” below.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote by proxy, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, the designated proxy holders will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and account number from the enclosed proxy card. Your vote must be received by 11:59 P.M., Eastern Time on April 9, 2015, to be counted.

To vote on the Internet, go to [www.proxyvote.com](http://www.proxyvote.com) to complete an electronic proxy card. You will be asked to provide the company number and account number from the enclosed proxy card. Your vote must be received by 11:59 P.M., Eastern Time on April 9, 2015, to be counted.

If you sign the proxy card but do not make specific choices, your proxy will vote your shares “FOR” each of the nominees to the Board, “FOR” the approval of the Omnibus Plan and “FOR” the ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm.

If any other matter is presented, the proxies will vote as recommended by the Board or, if no recommendation is given, in their own discretion in the best interest of the Company and its stockholders. As of the date of this proxy statement, we know of no other matters that may be presented at the Annual Meeting, other than that listed in the Notice of Annual Meeting of Stockholders.

**Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Other Agent**

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card and voting instructions to ensure that your vote is counted. Alternatively, you may vote by telephone or over the Internet as instructed by your broker, bank or other agent, if applicable. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact your broker, bank or other agent to request a proxy form.

**May I change my vote after submitting my proxy card?**

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the stockholder of record of your shares, you may revoke your proxy in any one of the following four ways:

- send a timely written revocation of the proxy to our Secretary;
- submit a signed proxy card bearing a later date;
- enter a new vote over the Internet or by telephone; or
- attend and vote in person at the Annual Meeting.

If your shares are not registered in your own name, you will need the appropriate documentation from the stockholder of record to vote personally at the Annual Meeting. If your shares are held by your broker, bank or another party as a nominee or agent, you should follow the instructions provided by such party.

Your personal attendance at the Annual Meeting does not revoke your proxy. Your last vote, prior to or at the Annual Meeting, is the vote that will be counted.

**Who will bear the expense of soliciting proxies?**

We will bear the cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by solicitation by telephone, via the Internet or in person by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or

other regular employees for such services.

## PROPOSAL 1

## ELECTION OF DIRECTORS

Our Board currently comprises seven directors. Our amended and restated certificate of incorporation provides for a classified Board consisting of three classes of directors, each of which shall consist, as nearly as may be possible, of one-third of the total number of directors. Currently, two classes consist of two directors and one class consists of three directors. Each class serves a staggered three-year term. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election. The terms of our Class II directors, Geoffrey Duyk, MD, PhD and Murray A. Goldberg, will expire at the Annual Meeting, and the terms of our Class III directors and Class I directors will expire at the annual meeting of stockholders to be held in 2016 and 2017, respectively.

Upon the recommendation of the nominating and corporate governance committee, our Board has nominated Dr. Duyk and Mr. Goldberg for re-election as Class II directors at the Annual Meeting.

There are no arrangements or understanding between any director, or nominee for directorship, pursuant to which such director or nominee was selected as a director or nominee. We know of no reason why any nominee may be unable to serve as a director. If any nominee is unable to serve, your proxy may vote for another nominee proposed by the Board. If for any reason these nominees prove unable or unwilling to stand for election, the Board will nominate alternates or reduce the size of the Board to eliminate the vacancy. The Board has no reason to believe that its nominees would prove unable to serve if elected. Proxies cannot be voted for a greater number of persons than the number of nominees named in this proxy statement.

## Nominees for Election as Directors

Set forth below are the names, ages, principal occupations, and business experience, as well as their prior service on the Board, if any, for the nominees for election as directors at the Annual Meeting. Unless otherwise indicated, principal occupations shown for each director have extended for five or more years. If the nominees listed below are elected, they will hold office until the annual meeting of stockholders to be held in 2018 or until their successors have been duly elected and qualified.

Murray A. Goldberg has served as a member of our Board since August 2013. Mr. Goldberg has been Senior Vice President, Administration, of Regeneron Pharmaceuticals, Inc. since October 2013 and Assistant Secretary since

We believe that Mr. Goldberg's business and finance experience at various companies in the pharmaceutical industry provides him with the qualifications and skills to serve as a member of our Board.

**Vote Required**

Directors are elected by a plurality of the votes cast at the meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The two nominees receiving the highest number of "For" votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named above. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by our Board.

**Our Recommendation**

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES SET FORTH ABOVE.**

Information about the Board of Directors and Corporate Governance

Board of Directors

The Board oversees our business and monitors the performance of our management. In accordance with our corporate governance procedures, the Board does not involve itself in the day-to-day operations of the Company. Our executive officers and management oversee the day-to-day operations. Our directors fulfill their duties and responsibilities by attending meetings of the Board, which are held from time to time.

The Board held 10 meetings during the year ended December 31, 2014. Each incumbent director attended at least 75% of the total of (i) the meetings of the Board held during the period for which he or she has been a director and (ii) the meetings of the committee(s) on which that director served during such period.

It is our policy to encourage our directors to attend the Annual Meeting. All nominees for election as Directors and all Directors continuing in office attended our 2014 Annual Meeting.

Board of Directors Independence

Under the listing requirements and rules of the NASDAQ Global Market, or NASDAQ, independent directors must compose a majority of a listed company's board of directors. In addition, applicable NASDAQ rules require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating committees must be independent within the meaning of applicable NASDAQ rules. Audit committee members must also satisfy the independence criteria set forth in

8

Table of Contents

Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Our Board has undertaken a review of the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. In making this determination, our Board considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. As a result of this review, our Board determined that Dr. Cagle, Dr. Duyk, Mr. Goldberg, Mr. Gryska, Dr. McGraw and Dr. Mehra qualify as “independent” directors within the meaning of the NASDAQ rules. The Board also determined that Dr. Conway, who served on our Board until the 2014 Annual Meeting of Stockholders, was independent, James V. Mazzo, who resigned from the Board in September 2014, was independent and Dr. Henner, who resigned from the Board in February 2015, was independent. As required under applicable NASDAQ rules, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present. The lead independent director may call an executive session. The purpose of these executive sessions is to promote open and candid discussion among the non-employee directors.

Among other things, the nominating and corporate governance committee considers whether the Board reflects the balance of knowledge, experience, skills, expertise, integrity, ability to make analytical inquiries, and diversity as a whole that the committee deems appropriate. The nominating and corporate governance committee has not adopted a policy regarding the consideration of diversity in identifying director nominees. The nominating and corporate governance committee may use outside consultants to assist in identifying or evaluating candidates. Final approval of director candidates is determined by the full Board.

Board Leadership

Dr. Anido, our chief executive officer, serves as chairman of our Board. Our Board believes that this leadership structure is appropriate for us, given Dr. Anido's extensive experience with and knowledge of the pharmaceutical industry and his ability to effectively identify strategic priorities for the Company. Furthermore, our Board believes that Dr. Anido's combined role of chief executive officer and chairman promotes effective execution of strategic goals and facilitates information flow between management and our Board. Dr. Anido chairs all Board meetings, except for executive sessions at which only independent directors are present and which are chaired by Mr. Gryska, our lead independent director.

Risk Oversight

Risk assessment and oversight are an integral part of our governance and management processes. Our Board encourages management to promote a culture that incorporates risk management into the Company's corporate strategy and day-to-day business operations. Management discusses strategic and operational risks at regular management meetings, and conducts specific strategic planning and review sessions during the year that include a focused discussion and analysis of the risks facing the Company. Throughout the year, senior management reviews these risks with the Board at regular Board meetings as part of management presentations that focus on particular business functions, operations or strategies, and presents the steps taken by management to mitigate or eliminate such risks. Our Board does not have a standing risk management committee, but rather administers this oversight function directly through our Board as a whole, as well as through various standing committees of our Board that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, and our audit committee is responsible for overseeing our significant financial and operational risk exposures and the steps our management has taken to monitor and control these exposures.

The audit committee also monitors compliance with legal and regulatory requirements. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines and considers and approves or disapproves any related-persons transactions. Our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our employees, officers and directors, including those officers responsible for financial reporting. The code of business conduct and ethics is available on our website at [www.aeriepharma.com](http://www.aeriepharma.com). We intend to satisfy applicable disclosure requirements regarding an amendment to, or a waiver from, a provision of our code of business conduct and ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, or persons performing similar functions, by posting such information on our website at the internet

PROPOSAL 2

APPROVAL OF THE AERIE PHARMACEUTICALS, INC. AMENDED AND RESTATED OMNIBUS INCENTIVE PLAN

Purpose of the Omnibus Plan

Our Board has approved and unanimously recommends that our stockholders approve the Aerie Pharmaceuticals, Inc. Amended and Restated Omnibus Incentive Plan (the “Omnibus Plan”). The Omnibus Plan is a critical tool for attracting qualified employee talent as we continue to build the company, as well as for retaining, incentivizing and motivating our existing employees, consultants, and non-employee directors to drive the success of our business. Equity awards granted under the Omnibus Plan provide participating individuals with a proprietary interest in our long-term success in a manner fully aligned with Aerie stockholders. All executive officers, employees and non-employee directors (approximately 53 in total, as of February 25, 2015) are currently eligible to receive stock-based incentive awards. Without our stockholders’ approval of the Omnibus Plan, Aerie will not have adequate ability to grant equity awards to accommodate the growth we expect over the next several years. The Omnibus Plan does not have a provision for an annual evergreen replenishment of shares. Aeries believe that it has consistently been excellent stewards of our equity pool and the additional shares requested herein are consistent with industry norms for annual equity grants. Based on our current growth strategy, we expect the additional shares requested by this Omnibus Plan will fund grants for the next four years.

The closing price of a share of our common stock (a “Share”) on February 25, 2015 was \$28.03.

Vote Required

Stock-based incentive awards are a key component of our compensation program for our executive officers and other senior management employees, in large part, due to our Board’s belief that stock-based awards incentivize the creation of long-term stockholder value. In approving the amended Omnibus Plan, the Board approved an increase in the number of shares that may be issued pursuant to Awards granted under the Omnibus Plan of 2,500,000 shares. Without approval by the stockholders of this increase in shares under the Omnibus Plan, our ability to provide stock-based awards will be extremely limited, thus restricting our ability to continue to retain and incentivize key employees and to attract new talent. Our Board believes the Omnibus Plan contains a number of features that are consistent with stockholder protection and sound corporate governance practices and is in the best interests of our Company and our stockholders.

The proposal to adopt the Omnibus Plan requires an affirmative vote of the majority of the shares represented in person or by proxy at the Annual Meeting and entitled to vote on the proposal.

Shares Available Under the Omnibus Plan

As originally adopted, the Omnibus Plan provided for the issuance of up to 3,229,068 Shares pursuant to awards granted under the plan. As of February 25, 2015, 1,206,403 Shares remain available for issuance pursuant to new awards under the Omnibus Plan. If this Proposal is approved, the aggregate number of Shares issuable under the plan will be increased to 5,729,068, of which 3,706,403 will be available for future awards.

Our Recommendation

**THE BOARD APPROVES AND UNANIMUOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF AERIE PHARMACEUTICALS, INC. AMENDED AND RESTATED OMNIBUS PLAN.**

General Information

The following is a summary of the other material features of the Omnibus Plan. This summary is subject to and qualified by reference to the actual text of the Omnibus Plan, a complete copy of which is attached as an appendix to this proxy statement.

Administration. A committee of our Board (for purposes of this Proposal, the “Committee”) will administer the Omnibus Plan. The Committee will consist of at least two directors and may consist of the entire Board. To the extent

that an award is intended to qualify as “performance-based compensation” under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), the Committee will consist of at least two directors considered to be “outside directors” under Section 162(m) of the Code and non-employee directors for purposes of Section 162(m) of the Code.

Table of Contents

**Plan Term.** The Omnibus Plan became effective on October 22, 2013 when it was initially adopted by our Board. The Amended and Restated Omnibus Plan became effective on February 25, 2015, subject to stockholder approval, and will terminate on the tenth (10th) anniversary thereof, unless earlier terminated by the board.

**Eligibility.** Under the Omnibus Plan, the “Eligible Individuals” includes officers, employees, consultants and non-employee directors providing services to the Company and its subsidiaries and affiliates. The Committee will determine which Eligible Individuals will receive grants of stock options or other awards.

**Incentives Available.** Under the Omnibus Plan, the Committee may grant any of the following types of awards to an Eligible Individual: incentive stock options (“ISOs”) and nonqualified stock options (“NQSO” and together with ISOs, “Options”); stock appreciation rights (“SARs”); Restricted Stock; restricted stock units (“RSUs”); Performance Awards; Dividend Equivalent Rights; and Share Awards (each type of grant, considered an “Award”).

**Shares Available.** Subject to any adjustment as provided in the Omnibus Plan, the maximum number of Shares that may be issued pursuant to Awards granted under the Plan from its inception shall not exceed 5,729,068, no more than 5,729,068 of which may be issued upon the exercise of ISOs. The aggregate number of Shares that may be the subject of Options, SARs, Performance-Based Restricted Stock and Performance Share Units, as defined below, granted to an Eligible Individual in any calendar year may not exceed 1,200,000 and the maximum dollar amount of cash or the fair market value of Shares that any individual may receive in any calendar year in respect of Performance Units may not exceed \$5,000,000. If an Award or any portion thereof (i) expires or otherwise terminates without all of the Shares covered by such Award having been issued or (ii) is settled in cash, such expiration, termination or settlement will not reduce (or otherwise offset) the number of Shares that may be available for issuance under the Omnibus Plan. If any Shares issued pursuant to an Award are forfeited and returned back to or reacquired by the Company because of the failure to meet a contingency or condition required to vest such Shares in the participant, then the Shares that are forfeited or reacquired will again become available for issuance under the Omnibus Plan. Any Shares tendered or withheld (i) to pay the option price of an Option granted under this Omnibus Plan or (ii) to satisfy tax withholding obligations associated with an Award granted under this Omnibus Plan shall become available again for issuance under this Omnibus Plan.

**Stock Options**

The Committee may grant Options (which may be ISOs or NQSOs) to Eligible Individuals. An ISO is an Option intended to qualify for tax treatment applicable to ISOs under Section 422 of the Code. An ISO may only be granted to Eligible Individuals that are employees of the Company or any of its subsidiaries. A NQSO is an Option that is not subject to statutory requirements and limitations required for certain tax advantages allowed under Section 422 of the Code.

**Vesting and Exercise Periods.** Each Option granted under the Omnibus Plan may be subject to certain vesting requirements and will become exercisable in accordance with the specific terms and conditions of the Option, as determined by the Committee at the time of grant and set forth in an award agreement. The term of an Option generally may not exceed ten years from the date it is granted (five years in the case of an ISO granted to a ten-percent stockholder); provided, however, that unless the Committee provides otherwise (i) upon the death of a participant prior to the expiration of an Option (other than an ISO), the Option may be exercised for up to one year following the date of the participant’s death, even if such period extends beyond ten years and (ii) if, at the time an Option (other than an ISO) would otherwise expire at the end of its term, the exercise of the Option is prohibited by applicable law or the Company’s insider trading policy, the term shall be extended until thirty (30) days after the prohibition no longer applies. Each Option, to the extent it becomes exercisable, may be exercised at any time in whole or in part until its expiration or termination, unless otherwise provided in applicable award agreement.

**Exercise Price.** The purchase price per Share with respect to any Option granted under the Omnibus Plan may be not less than 100 percent (100%) of the fair market value of a Share on the date the Option is granted (110 percent (110%) in the case of an ISO granted to a ten-percent stockholder). The option price for any Shares purchased pursuant to the exercise of an Option shall be paid in any of, or any combination of, the following forms: (a) cash or its equivalent (e.g., a check) or (b) if permitted by the Committee, the transfer, either actually or by attestation, to the

Company of Shares that have been held by the Participant for at least six (6) months (or such lesser period as may be permitted by the Committee) prior to the exercise of the Option, such transfer to be upon such terms and conditions as determined by the Committee or (c) in the form of other property as determined by the Committee. In addition, (a) the Committee may provide for the payment of the option price through Share withholding as a result of which the number of Shares issued upon exercise of an Option would be reduced by a number of Shares having a fair market value equal to the option price and (b) an Option may be exercised through a registered broker-dealer pursuant to such cashless exercise procedures that are, from time to time, deemed acceptable by the Committee.

Prohibition on Repricings. The Committee will have no authority to make any adjustment or amendment (other than in connection with certain changes in capitalization or certain corporate transactions in accordance with the terms of the Omnibus Plan, as

## Table of Contents

generally described below) that reduces, or would have the effect of reducing, the exercise price of an Option or SAR previously granted under the Omnibus Plan, unless the Company's stockholders approve such adjustment or amendment.

**Limits on Incentive Stock Options.** In order to comply with the requirements for ISOs in the Code, no person may receive a grant of an ISO for stock that would have an aggregate fair market value in excess of \$100,000, determined when the ISO is granted, that would be exercisable for the first time during any calendar year. If any grant of an ISO is made in excess of such limit, the portion that is over the \$100,000 limit would be a NQSO.

### **SARs**

The Committee may grant SARs to Eligible Individuals on terms and conditions determined by the Committee at the time of grant and set forth in an award agreement. An SAR may be granted (a) at any time if unrelated to an Option or (b) if related to an Option, either at the time of grant or at any time thereafter during the term of the Option.

**Amount and Form of Payment.** An SAR is a right granted to a participant to receive an amount equal to the excess of the fair market value of a Share on the last business day preceding the date of exercise of such SAR over the fair market value of a Share on the date the SAR was granted (the "base price"). A SAR may be settled or paid in cash, Shares, or a combination of each, as determined by the Committee.

**Vesting and Exercise Periods.** Each SAR granted under the Omnibus Plan may be subject to certain vesting requirements and will become exercisable in accordance with the specific terms and conditions of the SAR, as determined by the Committee at the time of grant and set forth in an award agreement. The term of a SAR generally may not exceed ten years from the date it is granted; provided, however, that unless the Committee provides otherwise (i) upon the death of a participant prior to the expiration of the SAR, the SAR may be exercised for up to one year following the date of the participant's death, even if such period extends beyond ten years and (ii) if, at the time a SAR would otherwise expire at the end of its term, the exercise of the SAR is prohibited by applicable law or the Company's insider trading policy, the term shall be extended until thirty (30) days after the prohibition no longer applies. Each SAR, to the extent it becomes exercisable, may be exercised at any time in whole or in part until its expiration or termination, unless otherwise provided in applicable award agreement.

### **Dividend Equivalent Rights**

The Committee may grant dividend equivalent rights ("Dividend Equivalent Rights"), either in tandem with an Award or as a separate Award, to Eligible Individuals on terms and conditions determined by the Committee at the time of grant and set forth in an award agreement. A Dividend Equivalent Right is a right to receive cash or Shares based on the value of dividends that are paid with respect to the Shares. Amounts payable in respect of Dividend Equivalent Rights may be payable currently or, if applicable, deferred until the lapsing of restrictions on such dividend equivalent rights or until the vesting, exercise, payment, settlement or other lapse of restrictions on the Award to which the Dividend Equivalent Rights relate, subject to compliance with Section 409A of the Code. Dividend Equivalent Rights may be settled in cash or Shares or a combination thereof, in a single installment or multiple installments, as determined by the Committee.

### **Restricted Stock; RSUs**

The Committee may grant Restricted Stock or RSUs, in each case subject to such vesting requirements and other terms and conditions as determined by the Committee at the time of grant and set forth in an award agreement.

**Restricted Stock.** Unless the Committee determines otherwise, upon the issuance of shares of Restricted Stock, the participant shall have all of the rights of a stockholder with respect to such Shares, including the right to vote the Shares and to receive all dividends or other distributions made with respect to the Shares. The Committee may determine that the payment to the participant of dividends, or a specified portion thereof, declared or paid on such Shares shall be deferred until the lapsing of the restrictions imposed upon such Shares and held by the Company for the account of the participant until such time. Payment of deferred dividends in respect of shares of Restricted Stock shall be made upon the lapsing of restrictions imposed on the shares of Restricted Stock in respect of which the deferred dividends were paid, and any dividends deferred in respect of any shares of Restricted Stock shall be forfeited upon the forfeiture of such shares of Restricted Stock.

RSUs. Each RSU shall represent the right of the participant to receive a payment upon vesting of the RSU, or on any later date specified by the Committee, of an amount equal to the fair market value of a Share as of the date the RSU becomes vested, or such later date as determined by the Committee at the time the RSU is granted (and which will be set forth in the applicable grant agreement). An RSU may be settled or paid in cash, Shares, or a combination of each, as determined by the Committee.

Performance Awards

Performance awards (“Performance Awards”) (including performance units (“Performance Units”), performance share units (“Performance Share Units”) and performance-based restricted stock (“Performance-Based Restricted Stock”)) may be granted to Eligible Individuals on terms and conditions determined by the Committee and set forth in an award agreement.

**Performance Units and Performance Share Units.** Performance Units shall be denominated in a specified dollar amount and, contingent upon the attainment of specified performance objectives within a performance cycle and such other vesting conditions as may be determined by the Committee (including without limitation, a continued employment requirement following the end of the applicable performance period), represent the right to receive payment of the specified dollar amount or a percentage of the specified dollar amount depending on the level of performance objective attained; provided, however, that the Committee may at the time a Performance Unit is granted specify a maximum amount payable in respect of a vested Performance Unit. Performance Share Units shall be denominated in Shares and, contingent upon the attainment of specified performance objectives within a performance cycle and such other vesting conditions as may be determined by the Committee (including without limitation, a continued employment requirement following the end of the applicable performance period), represent the right to receive payment of the fair market value of a Share on the date the Performance Share Unit was granted, the date the Performance Share Unit became vested or any other date specified by the Committee or a percentage of such amount depending on the level of performance objective attained; provided, however, that the Committee may at the time a Performance Share Unit is granted specify a maximum amount payable in respect of a vested Performance Share Unit. The award agreement for each Performance Unit and Performance Share Unit shall specify the number of Performance Units or Performance Share Units to which it relates, the performance objectives and other conditions which must be satisfied in order for the Performance Unit or Performance Share Unit to vest and the performance cycle within which such performance objectives must be satisfied (which will not be less than one (1) year) and the circumstances under which the award will be forfeited. Performance Units and Performance Share Units may be settled or paid in cash, Shares, or a combination of each, as determined by the Committee.

**Performance-Based Restricted Stock.** Performance-Based Restricted Stock shall consist of an award of shares of Restricted Stock, issued in the participant’s name and subject to appropriate restrictions and transfer limitations. Unless the Committee determines otherwise and as set forth in the applicable award agreement, upon issuance of shares of Performance-Based Restricted Stock, the participant shall have all of the rights of a shareholder with respect to such Shares, including the right to vote the Shares and to receive all dividends or other distributions paid or made with respect to Shares. The award agreement for each award of Performance-Based Restricted Stock will specify the number of shares of Performance-Based Restricted Stock to which it relates, the performance objectives and other conditions that must be satisfied in order for the Performance-Based Restricted Stock to vest, the performance cycle within which the performance objectives must be satisfied (which will not be less than one (1) year) and the circumstances under which the award will be forfeited. At the time the Award of Performance-Based Restricted Stock is granted, the Committee may determine that the payment to the participant of dividends, or a specified portion thereof, declared or paid on Shares represented by such Award which have been issued by the Company to the participant shall be deferred until the lapsing of the restrictions imposed upon such Performance-Based Restricted Stock and held by the Company for the account of the participant until such time. Payment of deferred dividends in respect of shares of Performance-Based Restricted Stock shall be made upon the lapsing of restrictions imposed on the Performance-Based Restricted Stock in respect of which the deferred dividends were paid, and any dividends deferred in respect of any Performance-Based Restricted Stock shall be forfeited upon the forfeiture of such Performance-Based Restricted Stock.

**Performance Objectives.** Performance objectives (“Performance Objectives”) will be designed to support our business strategy and align the interests of participants with the interests of our stockholders. With respect to any Performance Awards intended to constitute “performance-based compensation” within the meaning of Section 162(m) of the Code, Performance Objectives may be expressed in terms of: (i) earnings per share, (ii) operating income, (iii) return on equity or assets, (iv) cash flow, (v) net cash flow, (vi) cash flow from operations, (vii) EBITDA, (viii) increased

revenues, (ix) revenue ratios, (x) cost reductions, (xi) cost ratios, (xii) overall revenue or sales growth, (xiii) expense reduction or management, (xiv) market position, (xv) total stockholder return, (xvi) return on investment, (xvii) earnings before interest and taxes (EBIT), (xviii) net income, (xix) return on net assets, (xx) economic value added, (xxi) stockholder value added, (xxii) cash flow return on investment, (xxiii) net operating profit, (xxiv) net operating profit after tax, (xxv) return on capital, (xxvi) return on invested capital or (xxvii) any combination of the foregoing. With respect to Performance Awards not intended to constitute “performance-based compensation,” under Section 162(m) of the Code, Performance Objectives may be based on any of the foregoing or any other performance criteria as may be established by the Committee. In either event, Performance Objectives may be based on our performance, one or more of our subsidiaries or divisions, or any combination thereof. In addition, Performance Objectives may be either absolute or relative (to our prior performance or to the performance of one or more other entities or external indices) and may be expressed in terms of a progression within a specified range. For Performance Awards intended to constitute “performance-based compensation,” within the meaning of Section 162(m) of the Code, the Performance Objectives with respect to a particular performance cycle will be established in writing by the Committee by the earlier of (1) the date on which a quarter of the performance cycle has elapsed and

## Table of Contents

(2) the date which is 90 days after the commencement of the performance cycle and in any event while the performance relating to the Performance Objectives remain substantially uncertain.

Effect of Certain Events. The Committee may, at the time the Performance Objectives in respect of a Performance Award are established, provide for the manner in which performance will be measured against the Performance Objectives to reflect the impact of specified events on the Company as a whole or any part of our business or operations, including, generally, (1) changes in accounting principles or tax laws that become effective during the applicable performance period; (2) events that are extraordinary or unusual in nature or infrequent in occurrence; (3) the disposition of a business, or the sale of investments or non-core assets; (4) settlements or recoveries related to claims or litigation; or (5) investments or acquisitions made during the year or, to the extent provided by the Committee, any prior year. Any adjustments based on the effect of this type of event are to be determined in accordance with generally accepted accounting principles and standards, unless another objective method of measurement is designated by the Committee and, in respect of Performance Awards intended to constitute “performance-based compensation” under Section 162(m) of the Code, such adjustments shall be permitted only to the extent permitted under Section 162(m) of the Code and the regulations promulgated thereunder.

Determination of Performance. Prior to the vesting, payment, settlement or lapsing of any restrictions with respect to any Performance Award, the Committee shall certify in writing that the applicable Performance Objectives have been satisfied to the extent necessary for such Award to qualify as “performance-based compensation” under Section 162(m) of the Code. In respect of a Performance Award, the Committee may, in its sole discretion, reduce the amount of cash paid or number of Shares to be issued or that have been issued and that become vested or on which restrictions lapse. The Committee shall not be entitled to exercise any discretion if doing so would cause the compensation attributable to such Awards to fail to qualify as “performance-based compensation” under Section 162(m) of the Code.

### Share Awards

The Committee may grant an award of Shares (“Share Awards”) to an Eligible Individual on such terms and conditions as the Committee may determine at the time of grant. A Share Award may be made as additional compensation for services rendered by the Eligible Individual or may be in lieu of cash or other compensation to which the Eligible Individual is entitled from the Company.

### Adjustments

In the event of a Change in Capitalization (as defined in the Omnibus Plan) the Committee shall conclusively determine the appropriate adjustments, if any, to (a) the maximum number and class of shares or other stock or securities with respect to which Awards may be granted under the Omnibus Plan (including the limits on the individual awards that may be made in any calendar year (as described above)), (b) the maximum number and class of shares or other stock or securities that may be issued upon exercise of ISOs, (c) the number and kind of Shares or other securities covered by any or all outstanding Awards that have been granted under the Omnibus Plan, (d) the option price of outstanding Options and the base price of outstanding SARs, and (e) the Performance Objectives applicable to outstanding Performance Awards.

### Amendment or Termination of the Omnibus Plan

The Omnibus Plan may be amended or terminated by the Board without shareholder approval unless shareholder approval of the amendment or termination is required under applicable law, regulation or exchange requirement. No amendment may impair or adversely impact any Awards that had been granted under the Omnibus Plan prior to the amendment without the impacted participant’s consent. The Omnibus Plan will terminate on the tenth anniversary of its effective date; however, when the Omnibus Plan terminates, any applicable terms will remain in effect for administration of any Awards outstanding at the time of the Omnibus Plan’s termination.

### Effect of Certain Transactions

Generally, the award agreement evidencing each Award will provide any specific terms applicable to that award in the event of a Change in Control (as defined in the Omnibus Plan). Unless otherwise provided in an award agreement, in connection with a merger, consolidation, reorganization, recapitalization or other similar change in the capital stock of the Company, or a liquidation or dissolution of the Company or a Change in Control (each a “Corporate Transaction”), Awards shall either: (a) continue following such Corporate Transaction, which may include, in the discretion of the

Committee or the parties to the Corporate Transaction, the assumption, continuation or substitution of the Awards, in each case with appropriate adjustments to the number, kind of shares, and exercise prices of the awards; or (b) terminate.

Options and SARs. If Options or SARs are to terminate in the event of a Corporate Transaction, the holders of vested Options or SARs must be provided either (a) fifteen days to exercise their Options or SARs or (b) payment (in cash or other consideration) in respect of each Share covered by the Option of SAR being cancelled in an amount equal to the excess of the per share price to

## Table of Contents

be paid to stockholders in the Corporate Transaction over the price of the Option or the SAR. If the per share price to be paid to stockholders in the Corporate Transaction is less than the exercise price of the Option or SAR, the Option or SAR may be terminated without payment of any kind. The holders of unvested Options or SARs may also receive payment, at the discretion of the Committee, in the same manner as described above for vested Options and SARs. The Committee may also accelerate the vesting on any unvested Option or SAR and provide holders of such Options or SARs a reasonable opportunity to exercise the award.

**Other Awards.** If Awards other than Options and SARs are to terminate in connection with a Corporate Transaction, the holders of vested Awards will be provided, and holders of unvested Awards may be provided, at the discretion of the Committee, payment (in cash or other consideration upon or immediately following the Corporate Transaction, or, to the extent permitted by Section 409A of the Code, on a deferred basis) in respect of each Share covered by the Award being cancelled in an amount equal to the per share price to be paid to stockholders in the Corporate Transaction, where the value of any non-cash consideration will be determined by the Committee in good faith. The Committee may, in its sole discretion, provide for different treatment for different Awards or Awards held by different parties, and where alternative treatment is available for a participant's Awards, may allow the participant to choose which treatment will apply to his or her Awards.

### Transferability

The Omnibus Plan generally prohibits the transfer of any Award, except (a) transfers by will or the laws of descent and distribution or (b) to a beneficiary designated by the participant, to whom any benefit under the Omnibus Plan is to be paid or who may exercise any rights of the participant in the event of the participant's death before he or she receives any or all of such benefit or exercises an award.

### Federal Income Tax Consequences

The following is only a brief summary of the U.S. federal income tax consequences to a recipient and the Company of a stock incentive award, and does not discuss the effect of income tax law of any other jurisdiction (such as state income tax law) in which the recipient may reside.

**Options.** Options may be granted in the form of ISOs or NSOs. ISOs granted to employees are eligible for favorable federal income tax treatment that is provided under Section 422 of the Code if certain requirements are satisfied. An ISO must have an option price that is not less than the fair market value of the stock at the time the Option is granted, and must be exercisable within ten years from the date of grant. An employee granted an ISO or NSO generally does not realize compensation income for federal income tax purposes upon the grant of the Option. At the time of exercise of an ISO, no compensation income is realized by the holder of the Option other than tax preference income for purposes of the federal alternative minimum tax on individual income. If the Shares acquired on exercise of an ISO are held for at least two years after grant of the Option and one year after exercise, the excess of the amount realized on sale over the exercise price will be taxed as capital gain. If the Shares acquired on exercise of an ISO are disposed of within less than two years after grant or one year of exercise, the holder will realize taxable compensation income equal to the excess of the fair market value of the Shares on the date of exercise or the date of sale, whichever is less, over the option exercise price. Any additional amount realized will be taxed as capital gain. At the time of exercise of an NSO the holder of the Option will realize taxable compensation income in an amount of the spread between the exercise price of the Option and the fair market value of the Shares acquired on the date of exercise. The Company will be entitled to a federal income tax deduction at the time of exercise equal to the amount of compensation income that is realized by the holder of an Option.

**SARs.** At the time of exercise of a SAR the holder of the SAR will realize taxable compensation income in an amount of the spread between the base price of the SAR and the fair market value of the Shares acquired on the date of exercise. The Company will be entitled to a federal income tax deduction at the time of exercise equal to the amount of compensation income that is realized by the holder of the SAR.

**Restricted Stock and Performance-Based Restricted Stock.** Employees granted Restricted Stock or Performance-Based Restricted Stock under the Omnibus Plan generally recognize as taxable compensation income the fair market value of

the Restricted Stock or Performance-Based Restricted Stock on the date the restrictions lapse unless the employee has elected to include the restricted award in income at the time of grant under Section 83(b) of the Code. The Company will be entitled to a federal income tax deduction at the time and in the amount equal to the compensation income that is recognized by the holder of the Restricted Stock or Performance-Based Restricted Stock. The Company will also be entitled to a federal income tax deduction with respect to any dividends paid to an employee during the restricted period equal to the amount of compensation income realized by the holder of the Restricted Stock or Performance-Based Restricted Stock in respect of such dividends (unless the employee has elected to include the restricted award in income when granted under Section 83(b) of the Code).

Restricted Stock Units, Performance Units and Performance Share Units. Employees granted RSUs, Performance Units or Performance Share Units under the Omnibus Plan generally recognize as taxable compensation income the cash or the fair market value the Shares or other property paid upon settlement of the RSUs, Performance Units and Performance Awards . The Company will be entitled to a federal income tax deduction at the time of payment equal to the amount of compensation income realized by

Table of Contents

the holder of the RSUs, Performance Units or Performance Share Units. The Company will also be entitled to a federal income tax deduction with respect to any dividend equivalents paid to an employee during the restricted period equal to the amount of compensation income realized by the holder of the RSUs, Performance Units or Performance Share Units.

**Share Awards.** Share Awards are in the nature of Shares of the Company (as opposed to phantom stock). Employees granted Share Awards under the Omnibus Plan generally recognize as taxable compensation income the aggregate of fair market value of the Share Award on the date the Share Award is no longer subject to a substantial risk of forfeiture. The Company will be entitled to a federal income tax deduction at the time a Share Award is not subject to a substantial risk of forfeiture equal to the amount of compensation income realized by the holder of the Share Award. Code Section 162(m). Subject to stockholder approval of the Omnibus Plan, compensation deemed paid by us to Eligible Individuals who are granted Awards or Options under the Omnibus Plan may qualify as “performance-based compensation” for purposes of Section 162(m) of the Code and may not have to be taken into account for purposes of the \$1.0 million limitation per covered individual on the federal income tax deduction by us of compensation paid by us to certain executive officers. The \$1.0 million limitation does not apply to compensation deemed paid with respect to those Awards or Options that qualify as performance-based compensation.

**Excise Taxes.** The effect of a Corporate Transaction on Options or other Awards, if any, may include accelerated vesting or lapse of restrictions with respect to Options or other Awards. Under certain circumstances, the accelerated vesting or lapse of restrictions with respect to Options or other Awards in connection with a Corporate Transaction may be deemed an “excess parachute payment” for purposes of the golden parachute tax provisions of Section 280G of the Code. To the extent it is so considered, a participant may be subject to a 20% excise tax and we may be denied a tax deduction.

**Section 409A.** Section 409A of the Code generally imposes an additional 20% income tax, as well as interest and penalties, on recipients of deferred compensation that does not comply with Section 409A of the Code. “Deferred compensation” for this purpose generally consists of compensation to which an individual has a legally binding right in a taxable year and which is to be paid in a later taxable year. In addition to the taxes, interest and penalties, deferred compensation that does not comply with Section 409A of the Code may be required to be taken into income earlier than is intended. Awards under the Omnibus Plan are intended either not to be subject to Section 409A of the Code or to comply with Section 409A of the Code. If Awards under the Omnibus Plan are subject to Section 409A of the Code and do not comply with Section 409A of the Code, participants may be liable for the tax, interest and penalties imposed by the statute.

**Plan Benefits**

No determination has been made as to which of the individuals eligible to participate in the Omnibus Plan will receive awards under the Omnibus Plan in the future and, therefore, the future benefits to be allocated to any individual or to various groups of eligible participants are not presently determinable. However, please refer to the “Executive Compensation” section in this proxy statement, which provides information on the grants made in the last fiscal year, and the “Director Compensation” section in this proxy statement, which provides a description of grants made to our non-employee directors in the last fiscal year.

## PROPOSAL 3

RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's stockholders are being asked by the audit committee of the Board to ratify the appointment of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm. The audit committee is solely responsible for selecting the Company's independent registered public accounting firm, and stockholder approval is not required to appoint PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015. However, the Board believes that submitting the appointment of PricewaterhouseCoopers LLP to the stockholders for ratification is good corporate governance. If the stockholders do not ratify this appointment, the audit committee will reconsider whether to retain PricewaterhouseCoopers LLP. If the selection of PricewaterhouseCoopers LLP is ratified, the audit committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time it decides that such a change would be in the best interest of the Company and its stockholders.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. These representatives will be provided an opportunity to make a statement at the Annual Meeting if they desire to do so and will be available to respond to appropriate questions from stockholders.

## Vote Required

The proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015, requires an affirmative vote of the majority of the shares represented in person or by proxy at the Annual Meeting and entitled to vote on the proposal.

All of the services described below were approved by our audit committee.

During the fiscal years ended December 31, 2014 and December 31, 2013, respectively, we retained PricewaterhouseCoopers LLP to provide audit services. ## Executive Agreements

Vicente Anido, Jr. On September 20, 2013, we entered into an employment agreement with Vicente Anido, Jr. (the “Anido Employment Agreement”) to memorialize his appointment as our Chief Executive Officer, which appointment was effective as of July 25, 2013. The Anido Employment Agreement provides for a four-year term during which Dr. Anido will receive an annual base salary of \$475,000, which may be increased annually at the Board’s discretion, and may be decreased only in connection with an overall reduction in executive officer salaries. Dr. Anido is eligible to receive an annual performance bonus of up to 50% of his base salary for the relevant calendar year. After an overall review of Dr. Anido’s compensation package, on March 13, 2014 our Board approved an increase in Dr. Anido’s base salary to \$515,000 and an increase in his target bonus opportunity to 60% of his base salary. The Anido Employment Agreement also provides that Dr. Anido will be granted an option to purchase 922,468 shares of common stock which will vest, subject to his continued employment with (or provision of services to) us through the applicable vesting date, 25% on July 25, 2014, and thereafter will vest ratably on each of the 36 monthly anniversaries of July 25, 2014. After an overall review of Dr. Anido’s compensation package, on February 25, 2015 our Board approved an increase in Dr. Anido’s base salary to \$530,450. Additionally, Dr. Anido was granted an option to purchase 133,125 shares of common stock which will vest, subject to his continued employment with (or provision of services to) us through the applicable vesting date, ratably on each of the 48 monthly anniversaries of February 25, 2015. Dr. Anido

was also granted 22,188 shares of restricted stock which will vest, subject to his continued employment with (or provision of services to) us through the applicable vesting date, in four equal annual installments on the anniversary of February 25, 2015. For the four-year period commencing on September 20, 2013, in the event that any of the payments or benefits provided by us to Dr. Anido would constitute a “parachute payment” within the meaning of Section 280G of the Internal Revenue Code

of 1986, as amended (the “Code”), and would be subject to the excise tax imposed under Section 4999 of the Code, Dr. Anido will be entitled to a “gross-up” payment equal to the sum of such excise tax and related interest or penalties plus the amount necessary to put him in the same after-tax position that he would have been in had he not incurred any tax liability under Section 4999 of the Code.

The Anido Employment Agreement also provides that he shall not (and shall not assist any person to), directly or indirectly, without our prior written consent (a) during the employment term and for a period of 6 months thereafter contact, induce or solicit for employment any person who is, or within three months prior to such hiring, contacting, inducing or soliciting, was an employee of us or any of our affiliates, or (b) during the employment term and for a period of 12 months thereafter, (x) induce or solicit any customer, client or vendor of, or other person having a business relationship with us or any of our affiliates to terminate its relationship or otherwise cease doing business in whole or in part with us or any of our affiliates, or (y) interfere with any relationship between us or any of our affiliates and any of our respective customers, clients, vendors or any other business contacts.

Thomas A. Mitro. On July 31, 2013, we entered into an employment agreement with Thomas A. Mitro (the “Mitro Employment Agreement”), which was amended and restated and effective as of December 18, 2013 (the “Restated Mitro Employment Agreement”), pursuant to which Mr. Mitro continues to serve as our President and Chief Operating Officer. The Mitro Employment Agreement had provided for an annual base salary of \$335,000 and an annual performance bonus opportunity of up to 20% of his base salary then in effect. Pursuant to the Restated Mitro Employment Agreement, Mr. Mitro is entitled to an annual base salary of \$380,000 and is eligible to earn an annual performance bonus of up to 50% of his base salary. Mr. Mitro’s base salary may be increased annually at the discretion of the Board, and may be decreased only in connection with an overall reduction in executive officer salaries.

The Restated Mitro Employment Agreement provides that if, during the four-year period commencing on December 18, 2013, any of the payments or benefits provided by the Company to Mr. Mitro would constitute a “parachute payment” within the meaning of Section 280G of the Code that would be subject to the excise tax imposed under Section 4999 of the Code or any interest or penalties with respect to such excise tax, Mr. Mitro will be entitled to an additional payment equal to the sum of such excise tax and related interest or penalties plus the amount necessary to put him in the same after-tax position that he would have been in had he not incurred any tax liability under Section 4999 of the Code.

The Restated Mitro Employment Agreement also provides that during the Mitro Agreement Term and for a period of 12 months thereafter, Mr. Mitro shall not, directly or indirectly, without the Company’s prior written consent (a) hire, contact, induce or solicit for employment any person who is, or within six months prior to the date of such hiring, contacting, inducing or soliciting was, an employee of the Company or any of its affiliates, or (b) induce or solicit any customer, client or vendor of, or other person having a business relationship with, the Company or any of its affiliates to terminate its relationship or otherwise cease doing business in whole or in part with the Company or any of its affiliates, or interfere with any relationship between the Company or any of its affiliates and any of their respective customers, clients, vendors or any other business contacts.

automatically be renewed for successive one-year periods unless either party provides 90 days' notice of non-renewal (the initial term and any renewal term, collectively, the "Levy Agreement Term"). Dr. Levy's base salary may be increased annually at the discretion of the Board, and may be decreased only in connection with an overall reduction in executive officer salaries.

The Restated Levy Employment Agreement provides that to the extent any of the payments or benefits provided by the Company to Dr. Levy would constitute a "parachute payment" within the meaning of Section 280G of the Code that would be subject to Section 4999 of Code, then such payments will be payable either (i) in full or (ii) as to such lesser amount which would result in no portion of such payment being subject to Section 4999 of the Code; whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the excise tax imposed by Section 4999, results in Dr. Levy's receipt on an after-tax basis, of the greatest amount of economic benefits, notwithstanding that all or some portion of such benefits may be taxable under Section 4999 of the Code.

The Restated Levy Employment Agreement also provides that during the Levy Agreement Term and for a period of 12 months thereafter, Dr. Levy shall not, directly or indirectly, without the Company's prior written consent (a) hire, contact, induce or solicit for employment any person who is, or within six months prior to the date of such hiring, contacting, inducing or soliciting was, an employee of the Company or any of its affiliates, or (b) induce or solicit any customer, client or vendor of, or other person having a business relationship with, the Company or any of its affiliates to terminate its relationship or otherwise cease doing business in whole or in part with the Company or any of its affiliates, or interfere with any relationship between the Company or any of its affiliates and any of their respective customers, clients, vendors or any other business contacts.

The Restated Rubino Employment Agreement provides that Mr. Rubino will receive an annual base salary of \$365,000 and, beginning with the 2014 calendar year, be eligible to receive an annual performance bonus of up to 45% of his base salary for the relevant calendar year. Mr. Rubino's base salary may be increased annually at the discretion of the Board, and may be decreased only in connection with an overall reduction in executive officer salaries.

The Restated Rubino Employment Agreement provides that to the extent any of the payments or benefits provided by the Company to Mr. Rubino would constitute a "parachute payment" within the meaning of Section 280G of the Code that would be subject to Section 4999 of Code, then such payments will be payable either (i) in full or (ii) as to such lesser amount which would result in no portion of such payment being subject to Section 4999 of the Code; whichever of the foregoing amounts, taking into account the applicable federal, state and local income taxes and the excise tax imposed by Section 4999, results in Mr. Rubino's receipt on an after-tax basis, of the greatest amount of economic benefits, notwithstanding that all or some portion of such benefits may be taxable under Section 4999 of the Code. The Restated Rubino Employment Agreement also provides that during the Rubino Agreement Term and for a period of 12 months thereafter, Mr. Rubino shall not, directly or indirectly, without the Company's prior written consent (a) hire, contact, induce or solicit for employment any person who is, or within six months prior to the date of such hiring, contacting, inducing or soliciting was, an employee of the Company or any of its affiliates, or (b) induce or

solicit any customer, client or vendor of, or other person having a business relationship with, the Company or any of its affiliates to terminate its relationship or otherwise cease doing business in whole or in part with the Company or any of its affiliates, or interfere with any relationship between the Company or any of its affiliates and any of their respective customers, clients, vendors or any other business contacts.

## Equity Incentive Awards

Our named executive officers have historically been eligible to receive long-term equity-based incentive awards under the Aerie Pharmaceuticals, Inc. 2005 Stock Option Plan (the “2005 Plan”) and are currently eligible to receive long-term equity-based incentive awards under the Aerie Pharmaceuticals, Inc. 2013 Omnibus Incentive Plan (the “2013 Equity Plan”). While we believe that long-term equity awards are an important element of the “mix” of compensation paid to our named executive officers, we do not maintain any formal grant-making policy. Instead, the Board (or the compensation committee) periodically reviews the total level and mix of compensation paid to each of our named executive officers in order to determine the appropriate timing and amounts of long-term equity awards so as to continue to promote the alignment of our executive officers’ interests with those of our stockholders.

Potential Payments Upon Termination or Change in Control

Vicente Anido, Jr. In the event of a termination of Dr. Anido's employment by us without Cause (as such term is defined in the Anido Employment Agreement) or by Dr. Anido for Good Reason (as such term is defined in the Anido Employment Agreement), Dr. Anido will be entitled to (i) a lump sum severance payment equal to six months of base salary, (ii) commencing on the date that is six months following the termination date, continued payment of Dr. Anido's base salary at the rate in effect at the time of termination for a period of six months, (iii) 12 months of Company-paid COBRA continuation coverage less the amount payable by an active employee for such coverage, and (iv) payment of the greater of (x) the target annual performance bonus for the year in which termination occurs and (y) the average of the annual performance bonus received by Dr. Anido for the three years immediately preceding the year in which termination occurs (together with the payments provided under (i), (ii) and (iii), the "Anido Severance Payments"). In the event Dr. Anido's employment is terminated by us with or without Cause, or he resigns for or without Good Reason, he will have a post-termination exercise period of 90 days during which he may exercise the portion of the options that was vested as of the termination date. In the event of a termination by us without Cause or by Dr. Anido for Good Reason at any time during the 12 months following a Transfer of Control, he will be entitled to (i) the Anido Severance Payments (provided that the base salary continuation and COBRA continuation coverage shall continue for a period of 18 months following termination if we are a publicly reporting company at the time of the Transfer of Control) and (ii) full vesting of all options and other equity incentive awards which were unvested immediately prior to such termination. In the event that the Board approves a decision to liquidate, dissolve, or terminate our business or operations (other than in connection with the sale of the assets or merger of our company), Dr. Anido will immediately resign from all then-held employment, officer and director positions, and will not be required to oversee, participate or assist in any in such liquidation, provided, however, that in the event of such resignation, Dr. Anido would not be entitled to any severance benefits or payments.

Under the terms of each Employment Agreement for Messrs. Mitro, Levy and Rubino, in the event of a termination by the Company without Cause (as such term is defined in the applicable Employment Agreement) or by the executive for Good Reason (as such term is defined in the applicable Employment Agreement), the executive is entitled to (i) base salary continuation for a period of 12 months following the date of termination and (ii) COBRA continuation coverage for himself and his dependents for a period of 12 months (or, if earlier, such time as the executive obtains new employment) (collectively, the "Severance Benefits"). In the event of a termination by the Company with or without Cause, or by the executive for any reason, the vesting applicable to equity awards then held by the executive shall cease and the executive will have a period of 90 days following such termination during which he may exercise the portion of such equity awards that was vested as of the termination date. If, following a Change in Control (as defined in the Company's 2013 Equity Plan) during the Term, either (a) the successor corporation (or a parent or subsidiary of the successor corporation) does not offer the executive employment on terms comparable to the executive's then existing terms of employment with the Company and in connection therewith, the executive terminates employment or (b) the executive's employment is terminated by the successor corporation without Cause or by the executive for Good Reason within the one-year period following the Change in Control, the executive shall be entitled to (i) the Severance Benefits; (ii) a performance bonus equal to the greater of (x) the target bonus for the applicable calendar year and (y) the average of the performance bonus received by the executive for the two years immediately preceding termination; and (iii) immediate vesting of all of his then unvested equity awards. The executive will have a period of 90 days following such termination during which he may exercise such equity awards.

Treatment of Equity in the Event of a Transfer of Control. The 2005 Plan provides that in the event of a Transfer of Control (as defined in the 2005 plan), each outstanding option shall be assumed or an equivalent option substituted by the successor corporation (or a parent or subsidiary of the successor corporation). If the successor corporation in a Transfer of Control refuses to assume or substitute for any outstanding option, the option shall fully vest and become exercisable. An option shall be considered assumed if, following the Transfer of Control, the option confers upon the holder the right to receive, in respect of each share underlying such option, the per share consideration (whether in the form of stock, cash or other securities or property) received by holders of our common stock (as of the effective date of the transaction) in the Transfer of Control, provided, however, that if such consideration received in the Transfer of Control is not solely capital stock of the successor corporation (or parent thereof), the Board may, with the consent of the successor corporation, provide for the consideration to

be received upon the exercise of the option, for each share subject to the option, to be solely capital stock of the successor corporation (or parent thereof) equal in fair market value to the per share consideration received by holders of our common stock in the Transfer of Control. Upon occurrence of a Transfer of Control, each outstanding option, to the extent not exercised prior to or concurrently with the Transfer of Control, shall terminate as of the effective time of the Transfer of Control, unless such option is assumed or replaced with an option to purchase shares of capital stock in the successor corporation. Notwithstanding the foregoing, if the successor corporation (or a parent or subsidiary of the successor corporation), either (A) does not offer employment to the executive on terms comparable to his then existing terms of employment (as determined by the Board) or (B) terminates the executive's employment without cause (as such term is defined in the executive's agreement or 2005 Plan, as applicable) within one year after the Transfer of Control, then the entire unexercisable portion of the outstanding option that would become exercisable during the twelve months following the occurrence of either of the events set forth in clauses (A) or (B) above, shall become immediately exercisable.

Treatment of Equity in the Event of a Corporate Transaction. The 2013 Equity Plan provides that in the event of a Corporate Transaction (as defined in the 2013 Equity Plan), each outstanding option may (a) continue following such Corporate Transaction, which may include, in the discretion of the compensation committee, the assumption, continuation or substitution of the options, in each case with appropriate adjustments to the number, kind of shares, and exercise prices; or (b) terminate. If the outstanding options are terminated in the event of a Corporate Transaction, the holders of vested options must be provided either (a) fifteen days to exercise their options or (b) payment (in cash or other consideration) in respect of each share covered by the option being cancelled in an amount equal to the excess of the per share price to be paid to stockholders in the Corporate Transaction over the price of the option. If the per share price to be paid to stockholders in the Corporate Transaction is less than the exercise price of the option, the options may be terminated without payment of any kind. Unvested options may be treated, at the discretion of the Committee, in the same manner as described above for vested options. The Committee may also accelerate the vesting on any unvested options and provide holders of such options a reasonable opportunity to exercise the award.

Notwithstanding the foregoing, in connection with a Corporate Transaction, the Committee may, in its sole and absolute discretion, cause any of the following actions to be taken effective upon or at any time prior to the Corporate Transaction (and such action may be made contingent upon the occurrence of the Corporate Transaction): (a) cause and or all unvested options to become fully vested and immediately exercisable and/or provide holders of options a reasonable period of time prior to the Corporate Transaction to exercise their options; or (b) with respect to unvested options that are terminated in connection with the Corporate Transaction, provide to holders a payment (in cash or other consideration) in respect of each share underlying the options equal to all or a portion of the excess, if any, of the per share price to be paid or distributed to stockholders in the Corporate Transaction over the exercise price of the option, which may be paid in accordance with the vesting schedule of the options as set forth in the applicable award agreement.

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information known to us regarding beneficial ownership of our common stock as of January 31, 2015 by:

- our named executive officers;
- our directors;
- all of our executive officers and directors as a group; and
- each person, or group of affiliated persons, known by us to be the beneficial owner of more than 5% of our common stock.

We have based our calculation of beneficial ownership on 24,038,664 shares of common stock outstanding as of January 31, 2015.

Information with respect to beneficial ownership is based upon information furnished to us by each director, executive officer or 5% or more stockholder, and Schedules 13D or 13G filed with the SEC, as the case may be. Beneficial ownership is determined in accordance with SEC rules. These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to those securities and include shares of common stock issuable upon the exercise of stock options or warrants that are immediately exercisable or exercisable within 60 days after January 31, 2015. Common stock subject to options or warrants that are currently exercisable or exercisable within 60 days of January 31, 2015 are deemed to be outstanding and beneficially owned by the person holding the options or warrants. These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person.

Except as otherwise indicated, all of the shares reflected in the table are shares of common stock and all persons listed below have sole voting and investment power with respect to the shares beneficially owned by them. The information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise indicated in the table below, addresses of named beneficial owners are in care of Aerie Pharmaceuticals, Inc., 2030 Main Street, Suite 1500, Irvine CA 92614.

AMENDED & RESTATED

OMNIBUS INCENTIVE PLAN

(Effective as of February 25, 2015)

1. Purpose.

The purpose of the Plan is to assist the Company with attracting, retaining, incentivizing and motivating officers and employees of, consultants to, and non-employee directors providing services to, the Company and its Subsidiaries and Affiliates and to promote the success of the Company's business by providing such participating individuals with a proprietary interest in the performance of the Company. The Company believes that this incentive program will cause participating officers, employees, consultants and non-employee directors to increase their interest in the welfare of the Company, its Subsidiaries and Affiliates and to align those interests with those of the stockholders of the Company, its Subsidiaries and Affiliates.

2. Definitions. For purposes of the Plan:

1. "Adjustment Event" shall have the meaning ascribed to such term in Section 12.1.

2. "Affiliate" shall mean with respect to any entity, any entity that the Company, either directly or indirectly through one or more intermediaries, is in common control with, is controlled by or controls, each within the meaning of the Securities Act.

3. "Award" means, individually or collectively, a grant of an Option, Restricted Stock, a Restricted Stock Unit, a Stock Appreciation Right, a Performance Award, a Dividend Equivalent Right, a Share Award or any or all of them.

4. "Award Agreement" means a written or electronic agreement between the Company and a Participant evidencing the grant of an Award and setting forth the terms and conditions thereof.

5. "Board" means the Board of Directors of the Company.

6. "Cause" means, with respect to the Termination of a Participant by the Company or any Subsidiary of the Company that employs such individual or to which the Participant performs services (or by the Company on behalf of any such Subsidiary), such Participant's (i) indictment for, conviction of or entering a plea of guilty or nolo contendere to a crime constituting a felony or his or her willful violation of any applicable law (other than a traffic violation or other offense or violation outside of the course of employment or services to the Company or its Subsidiaries which does not adversely affect the Company and its Subsidiaries or its reputation or the ability of the Participant to perform his or her employment-related duties or services or to represent the Company or any Subsidiary of the Company that employs such Participant or to which the Participant performs services), (ii) being or having been engaged in conduct constituting breach of fiduciary duty, willful misconduct or negligence relating to the Company or any of its Subsidiaries or the performance of the Participant's duties, (iii) willful failure to (A) follow a reasonable and lawful directive of the Company or of the Subsidiary at which the Participant is employed or provides services, or of the Board, or (B) comply with any written rules, regulations, policies or procedures of the Company or a Subsidiary at which the Participant is employed or to which the Participant provides services which, if not complied with, would reasonably be expected to have more than a de minimis adverse effect on the business or financial condition of the Company or any of its Subsidiaries, (iv) failure to reasonably cooperate, following a request to do so by the Company, in any internal or governmental investigation of the Company or any of its Subsidiaries or (v) material breach of any written covenant or agreement with the Company or any of its Subsidiaries not to disclose any information pertaining to the Company or such Subsidiary or not to compete or interfere with the Company or such Subsidiary; provided, that, in the case of any Participant who, as of the date of determination, is party to an effective services, severance or employment agreement with the Company or any Subsidiary, "Cause" shall have the meaning, if any, specified in such agreement.

7. "Change in Control" means the occurrence of any of the following:

- (a) An acquisition (other than directly from the Company) of any voting securities of the Company (the “Voting Securities”) by any Person, immediately after which such Person has “Beneficial Ownership” (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of fifty percent (50%) or more of the combined voting power of the Company’s then-outstanding Voting Securities; provided, however, that in determining whether a Change in Control has occurred pursuant to this Section 2.7(a), the acquisition of Voting Securities in a Non-Control Acquisition (as hereinafter defined) shall not constitute a Change in Control. A “Non-Control Acquisition” shall mean an acquisition by (i) an employee benefit plan (or a trust forming a part thereof) maintained by (A) the Company or (B) any corporation or other Person the majority of the voting power, voting equity securities or equity interest of which is owned, directly or indirectly, by the Company (for purposes of this definition, a “Related Entity”), (ii) the Company or any Related Entity or (iii) any Person in connection with a Non-Control Transaction (as hereinafter defined);
- (b) The individuals who, as of the Effective Date are members of the Board (the “Incumbent Board”), cease for any reason to constitute at least a majority of the members of the Board; provided, however, that if the election, or

nomination for election by the Company's common stockholders, of any new director was approved by a vote of at least two-thirds of the Incumbent Board, such new director shall, for purposes of this Plan, be considered as a member of the Incumbent Board; provided further, however, that no individual shall be considered a member of the Incumbent Board if such individual initially assumed office as a result of either an actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board (a "Proxy Contest") including by reason of any agreement intended to avoid or settle any Proxy Contest;

(c)The consummation of:

(i)A merger, consolidation or reorganization (x) with or into the Company or (y) in which securities of the Company are issued (a "Merger"), unless such Merger is a Non-Control Transaction. A "Non-Control Transaction" shall mean a Merger in which:

(A)the stockholders of the Company immediately before such Merger own directly or indirectly immediately following such Merger at least a majority of the combined voting power of the outstanding voting securities of (1) the corporation resulting from such Merger (the "Surviving Corporation"), if fifty percent (50%) or more of the combined voting power of the then outstanding voting securities of the Surviving Corporation is not Beneficially Owned, directly or indirectly, by another Person (a "Parent Corporation"), or (2) if there is one or more than one Parent Corporation, the ultimate Parent Corporation;

(B)the individuals who were members of the Board immediately prior to the execution of the agreement providing for such Merger constitute at least a majority of the members of the board of directors of (1) the Surviving Corporation, if there is no Parent Corporation, or (2) if there is one or more than one Parent Corporation, the ultimate Parent Corporation; and

(C)no Person other than (1) the Company or another corporation that is a party to the agreement of Merger, (2) any Related Entity, (3) any employee benefit plan (or any trust forming a part thereof) that, immediately prior to the Merger, was maintained by the Company or any Related Entity or (4) any Person who, immediately prior to the Merger, had Beneficial Ownership of Voting Securities representing more than fifty percent (50%) of the combined voting power of the Company's then-outstanding Voting Securities, has Beneficial Ownership, directly or indirectly, of fifty percent (50%) or more of the combined voting power of the outstanding voting securities of (x) the Surviving Corporation, if there is no Parent Corporation, or (y) if there is one or more than one Parent Corporation, the ultimate Parent Corporation;

(ii)A complete liquidation or dissolution of the Company; or

(iii)The sale or other disposition of all or substantially all of the assets of the Company and its Subsidiaries taken as a whole to any Person (other than (x) a transfer to a Related Entity or (y) the distribution to the Company's stockholders of the stock of a Related Entity or any other assets).

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any Person (the "Subject Person") acquired Beneficial Ownership of more than the permitted amount of the then outstanding Voting Securities as a result of the acquisition of Voting Securities by the Company which, by reducing the number of Voting Securities then outstanding, increases the proportional number of shares Beneficially Owned by the Subject Person; provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of Voting Securities by the Company and, after such acquisition by the Company, the Subject Person becomes the Beneficial Owner of any additional Voting Securities and such Beneficial Ownership increases the percentage of the then outstanding Voting Securities Beneficially Owned by the Subject Person, then a Change in Control shall occur.

To the extent the Board has reserved to itself or exercises the authority and responsibility of the Committee, the Board shall be deemed to be acting as the Committee for purposes of the Plan and references to the Committee in the Plan shall be to the Board.

(b) Subject to applicable law, the Board or the Committee may delegate, in whole or in part, any of the authority of the Committee hereunder (subject to such limits as may be determined by the Board) to any individual or committee of individuals (who need not be Directors), including without limitation the authority to make Awards to Eligible Individuals who are not officers or directors of the Company or any of its Subsidiaries and who are not subject to Section 16 of the Exchange Act. (a) determine those Eligible Individuals to whom Awards shall be granted under the Plan and determine the number of Shares or amount of cash in respect of which each Award is granted, prescribe the terms and conditions (which need not be identical) of each such Award, including, (i) in the case of Options, the exercise price per Share and the duration of the Option and (ii) in the case of Stock Appreciation Rights, the Base Price per Share and the duration of the Stock Appreciation Right, and make any amendment or modification to any Agreement consistent with the terms of the Plan;

(b) construe and interpret the Plan and the Awards granted hereunder, establish, amend and revoke rules, regulations and guidelines as it deems are necessary or appropriate for the administration of the Plan, including, but not limited to, correcting any defect, supplying any omission or reconciling any inconsistency in the Plan or in any Award Agreement in the manner and to the extent it shall deem necessary or advisable, including so that the Plan and the operation of the Plan comply with Rule 16b-3 under the Exchange Act, the Code to the extent applicable and other applicable law, and otherwise make the Plan fully effective;

(c) determine the duration and purposes for leaves of absence which may be granted to a Participant on an individual basis without constituting a Termination for purposes of the Plan;

(d) cancel, with the consent of the Participant, outstanding Awards or as otherwise permitted under the terms of the Plan;

(e) exercise its discretion with respect to the powers and rights granted to it as set forth in the Plan; and

(f) generally, exercise such powers and perform such acts as are deemed necessary or advisable to promote the best interests of the Company with respect to the Plan.

5. Non-Uniform Determinations. The Committee's determinations under the Plan need not be uniform and may be made by it selectively among Persons who receive, or are eligible to receive, Awards (whether or not such Persons are similarly situated). Without limiting the generality of the foregoing, the Committee shall be entitled, among other things, to make non-uniform and selective determinations, and to enter into non-uniform and selective Award Agreements, as to the Eligible Individuals to receive Awards under the Plan and the terms and provision of Awards under the Plan.

6. Non-U.S. Employees. Notwithstanding anything herein to the contrary, with respect to Participants working outside the United States, the Committee may determine the terms and conditions of Awards and make such adjustments to the terms thereof as are necessary or advisable to fulfill the purposes of the Plan taking into account matters of local law or practice, including tax and securities laws of jurisdictions outside the United States.

7. Indemnification. No member of the Committee shall be liable for any action, failure to act, determination or interpretation made in good faith with respect to the Plan or any transaction hereunder. The Company hereby agrees to indemnify each member of the Committee for all costs and expenses and, to the extent permitted by applicable law, any liability incurred in connection with defending against, responding to, negotiating for the settlement of or otherwise dealing with any claim, cause of action or dispute of any kind arising in connection with any actions in administering the Plan or in authorizing or denying authorization to any transaction hereunder.

8. No Repricing of Options or Stock Appreciation Rights. The Committee shall have no authority to (i) make any adjustment (other than in connection with an Adjustment Event, a Corporate Transaction or other transaction where an adjustment is permitted or required under the terms of the Plan) or amendment, and no such adjustment or amendment shall be made, that reduces or would have the effect of reducing the exercise price of an Option or Stock Appreciation Right previously granted under the Plan, whether through amendment, cancellation or replacement grants or other means, or (ii) cancel for cash or other consideration any Option whose Option Price is greater than the then Fair Market Value of a Share or Stock Appreciation Right whose Base Price is greater than the then Fair Market Value of a Share unless, in either case the Company's stockholders shall have approved such adjustment, amendment or cancellation.

Table of Contents

4. Stock Subject to the Plan; Grant Limitations.

1. Aggregate Number of Shares Authorized for Issuance. Subject to any adjustment as provided in the Plan, the maximum number of Shares that may be issued pursuant to Awards granted under the Plan shall not exceed 5,729,068, no more than 5,729,068 of which may be issued upon the exercise of Incentive Stock Options. The Shares to be issued under the Plan may be, in whole or in part, authorized but unissued Shares or issued Shares which shall have been reacquired by the Company and held by it as treasury shares.

2. Individual Participant Limit. With respect to Awards granted on or after the Restatement Effective Date, (a) the aggregate number of Shares that may be the subject of Options, Stock Appreciation Rights, Performance-Based Restricted Stock and Performance Share Units granted to an Eligible Individual in any calendar year may not exceed 1,200,000 and (b) the maximum dollar amount of cash or the Fair Market Value of Shares that any individual may receive in any calendar year in respect of Performance Units may not exceed \$5,000,000.

3. Calculating Shares Available. If an Award or any portion thereof (i) expires or otherwise terminates without all of the Shares covered by such Award having been issued or (ii) is settled in cash (i.e., the Participant receives cash rather than Shares), such expiration, termination or settlement will not reduce (or otherwise offset) the number of Shares that may be available for issuance under the Plan. If any Shares issued pursuant to an Award are forfeited and returned back to or reacquired by the Company because of the failure to meet a contingency or condition required to vest such Shares in the Participant, then the Shares that are forfeited or reacquired will again become available for issuance under the Plan. Any Shares tendered or withheld (i) to pay the Option Price of an Option granted under this Plan or (ii) to satisfy tax withholding obligations associated with an Award granted under this Plan, shall become available again for issuance under this Plan.

5. Stock Options.

1. Authority of Committee. The Committee may grant Options to Eligible Individuals in accordance with the Plan, the terms and conditions of the grant of which shall be set forth in an Award Agreement. Incentive Stock Options may be granted only to Eligible Individuals who are employees of the Company or any of its Subsidiaries on the date the Incentive Stock Option is granted. Options shall be subject to the following terms and provisions:

2. Option Price. The Option Price or the manner in which the exercise price is to be determined for Shares under each Option shall be determined by the Committee and set forth in the Award Agreement; provided, however, that the exercise price per Share under each Option shall not be less than the greater of (i) the par value of a Share and (ii) 100% of the Fair Market Value of a Share on the date the Option is granted (110% in the case of an Incentive Stock Option granted to a Ten-Percent Shareholder).

3. Maximum Duration. Options granted hereunder shall be for such term as the Committee shall determine; provided, however, that an Incentive Stock Option shall not be exercisable after the expiration of ten (10) years from the date it is granted (five (5) years in the case of an Incentive Stock Option granted to a Ten-Percent Shareholder) and a Nonqualified Stock Option shall not be exercisable after the expiration of ten (10) years from the date it is granted; provided, further, however, that unless the Committee provides otherwise (i) an Option (other than an Incentive Stock Option) may, upon the death of the Participant prior to the expiration of the Option, be exercised for up to one (1) year following the date of the Participant's death, even if such period extends beyond ten (10) years from the date the Option is granted and (ii) if, at the time an Option (other than an Incentive Stock Option) would otherwise expire at the end of its term, the exercise of the Option is prohibited by applicable law or the Company's insider trading policy, the term shall be extended until thirty (30) days after the prohibition no longer applies. The Committee may, subsequent to the granting of any Option, extend the period within which the Option may be exercised (including following a Participant's Termination), but in no event shall the period be extended to a date that is later than the earlier of the latest date on which the Option could have been exercised and the 10th anniversary of the date of grant of the Option, except as otherwise provided herein in this Section 5.3.

4. Vesting. The Committee shall determine and set forth in the applicable Award Agreement the time or times at which an Option shall become vested and exercisable. To the extent not exercised, vested installments shall accumulate and be exercisable, in whole or in part, at any time after becoming exercisable, but not later than the date the Option expires. The Committee may accelerate the exercisability of any Option or portion thereof at any time.

5.Limitations on Incentive Stock Options. To the extent that the aggregate Fair Market Value (determined as of the date of the grant) of Shares with respect to which Incentive Stock Options granted under the Plan and “incentive stock options” (within the meaning of Section 422 of the Code) granted under all other plans of the Company or its Subsidiaries (in either case determined without regard to this Section 5.5) are exercisable by a Participant for the first time during any calendar year exceeds \$100,000, such Incentive Stock Options shall be treated as Nonqualified Stock Options. In applying the limitation in the preceding sentence in the case of multiple Option grants, unless otherwise required by applicable law, Options which were intended to be Incentive Stock Options shall be treated as Nonqualified Stock Options according to the order in which they were granted such that the most recently granted Options are first treated as Nonqualified Stock Options.

6.Method of Exercise. The exercise of an Option shall be made only by giving notice in the form and to the Person designated by the Company, specifying the number of Shares to be exercised and, to the extent applicable, accompanied by payment therefor and otherwise in accordance with the Award Agreement pursuant to which the Option was granted. The Option Price for any Shares purchased pursuant to the exercise of an Option shall be paid in any of, or any combination of, the following forms: (a) cash or its equivalent (e.g., a check) or (b) if permitted by the Committee, the transfer, either actually or by

Table of Contents

attestation, to the Company of Shares that have been held by the Participant for at least six (6) months (or such lesser period as may be permitted by the Committee) prior to the exercise of the Option, such transfer to be upon such terms and conditions as determined by the Committee or (c) in the form of other property as determined by the Committee. In addition, (a) the Committee may provide for the payment of the Option Price through Share withholding as a result of which the number of Shares issued upon exercise of an Option would be reduced by a number of Shares having a Fair Market Value equal to the Option Price and (b) an Option may be exercised through a registered broker-dealer pursuant to such cashless exercise procedures that are, from time to time, deemed acceptable by the Committee. No fractional Shares (or cash in lieu thereof) shall be issued upon exercise of an Option and the number of Shares that may be purchased upon exercise shall be rounded down to the nearest number of whole Shares.

7. Rights of Participants. No Participant shall be deemed for any purpose to be the owner of any Shares subject to any Option unless and until (a) the Option shall have been exercised pursuant to the terms thereof, (b) the Company shall have issued and delivered Shares (whether or not certificated) to the Participant, a securities broker acting on behalf of the Participant or such other nominee of the Participant and (c) the Participant's name, or the name of his or her broker or other nominee, shall have been entered as a shareholder of record on the books of the Company. Thereupon, the Participant shall have full voting, dividend and other ownership rights with respect to such Shares, subject to such terms and conditions as may be set forth in the applicable Award Agreement.

8. Effect of Change in Control. Any specific terms applicable to an Option in the event of a Change in Control and not otherwise provided in the Plan shall be set forth in the applicable Award Agreement.

6. Stock Appreciation Rights.

1. Grant. The Committee may grant Stock Appreciation Rights to Eligible Individuals in accordance with the Plan, the terms and conditions of which shall be set forth in an Award Agreement. A Stock Appreciation Right may be granted (a) at any time if unrelated to an Option or (b) if related to an Option, either at the time of grant or at any time thereafter during the term of the Option. Awards of Stock Appreciation Rights shall be subject to the following terms and provisions.

2. Terms; Duration. Stock Appreciation Rights shall contain such terms and conditions as to exercisability, vesting and duration as the Committee shall determine, but in no event shall they have a term of greater than ten (10) years; provided, however, that unless the Committee provides otherwise (i) a Stock Appreciation Right may, upon the death of the Participant prior to the expiration of the Award, be exercised for up to one (1) year following the date of the Participant's death even if such period extends beyond ten (10) years from the date the Stock Appreciation Right is granted and (ii) if, at the time a Stock Appreciation Right would otherwise expire at the end of its term, the exercise of the Stock Appreciation Right is prohibited by applicable law or the Company's insider trading policy, the term shall be extended until thirty (30) days after the prohibition no longer applies. The Committee may, subsequent to the granting of any Stock Appreciation Right, extend the period within which the Stock Appreciation Right may be exercised (including following a Participant's Termination), but in no event shall the period be extended to a date that is later than the earlier of the latest date on which the Stock Appreciation Right could have been exercised and the 10th anniversary of the date of grant of the Stock Appreciation Right, except as otherwise provided herein in this Section 6.2.

3. Vesting. The Committee shall determine and set forth in the applicable Award Agreement the time or times at which a Stock Appreciation Right shall become vested and exercisable. To the extent not exercised, vested installments shall accumulate and be exercisable, in whole or in part, at any time after becoming exercisable, but not later than the date the Stock Appreciation Right expires. The Committee may accelerate the exercisability of any Stock Appreciation Right or portion thereof at any time.

4. Amount Payable. Upon exercise of a Stock Appreciation Right, the Participant shall be entitled to receive an amount determined by multiplying (i) the excess of the Fair Market Value of a Share on the last business day preceding the date of exercise of such Stock Appreciation Right over the Fair Market Value of a Share on the date the Stock Appreciation Right was granted (the "Base Price") by (ii) the number of Shares as to which the Stock Appreciation Right is being exercised (the "SAR Payment Amount"). Notwithstanding the foregoing, the Committee may limit in any manner the amount payable with respect to any Stock Appreciation Right by including such a limit in the Award

Agreement evidencing the Stock Appreciation Right at the time it is granted.

5.Method of Exercise. Stock Appreciation Rights shall be exercised by a Participant only by giving notice in the form and to the Person designated by the Company, specifying the number of Shares with respect to which the Stock Appreciation Right is being exercised.

6.Form of Payment. Payment of the SAR Payment Amount may be made in the discretion of the Committee solely in whole Shares having an aggregate Fair Market Value equal to the SAR Payment Amount, solely in cash or in a combination of cash and Shares. If the Committee decides to make full payment in Shares and the amount payable results in a fractional Share, payment for the fractional Share will be made in cash.

7.Effect of Change in Control. Any specific terms applicable to a Stock Appreciation Right in the event of a Change in Control and not otherwise provided in the Plan shall be set forth in the applicable Award Agreement.

7.Dividend Equivalent Rights.

The Committee may grant Dividend Equivalent Rights, either in tandem with an Award or as a separate Award, to Eligible Individuals in accordance with the Plan. The terms and conditions applicable to each Dividend Equivalent Right shall

be specified in the Award Agreement evidencing the Award. Amounts payable in respect of Dividend Equivalent Rights may be payable currently or, may be, deferred until the lapsing of restrictions on such Dividend Equivalent Rights or until the vesting, exercise, payment, settlement or other lapse of restrictions on the Award to which the Dividend Equivalent Rights relate; provided, however, that a Dividend Equivalent Right granted in tandem with another Award that vests based on the achievement of performance goals shall be subject to restrictions and risk of forfeiture to the same extent as the Awards with respect to which such dividends are payable. In the event that the amount payable in respect of Dividend Equivalent Rights is to be deferred, the Committee shall determine whether such amount is to be held in cash or reinvested in Shares or deemed (notionally) to be reinvested in Shares. Dividend Equivalent Rights may be settled in cash or Shares or a combination thereof, in a single installment or multiple installments, as determined by the Committee.

8. Restricted Stock; Restricted Stock Units.

1. Restricted Stock. The Committee may grant Awards of Restricted Stock to Eligible Individuals in accordance with the Plan, the terms and conditions of which shall be set forth in an Award Agreement. Each Award Agreement shall contain such restrictions, terms and conditions as the Committee may, in its discretion, determine and (without limiting the generality of the foregoing) such Award Agreements may require that an appropriate legend be placed on Share certificates. With respect to Shares in a book entry account in a Participant's name, the Committee may cause appropriate stop transfer instructions to be delivered to the account custodian, administrator or the Company's corporate secretary as determined by the Committee in its sole discretion. Awards of Restricted Stock shall be subject to the following terms and provisions:

(a) Rights of Participant. Shares of Restricted Stock granted pursuant to an Award hereunder shall be issued in the name of the Participant as soon as reasonably practicable after the Award is granted provided that the Participant has executed an Award Agreement evidencing the Award (which, in the case of an electronically distributed Award Agreement, shall be deemed to have been executed by an acknowledgement of receipt or in such other manner as the Committee may prescribe) and any other documents which the Committee may require as a condition to the issuance of such Shares. At the discretion of the Committee, Shares issued in connection with an Award of Restricted Stock may be held in escrow by an agent (which may be the Company) designated by the Committee. Unless the Committee determines otherwise and as set forth in the Award Agreement, upon the issuance of the Shares, the Participant shall have all of the rights of a shareholder with respect to such Shares, including the right to vote the Shares and to receive all dividends or other distributions paid or made with respect to the Shares.

(b) Terms and Conditions. Each Award Agreement shall specify the number of Shares of Restricted Stock to which it relates, the conditions which must be satisfied in order for the Restricted Stock to vest and the circumstances under which the Award will be forfeited.

(c) Delivery of Shares. Upon the lapse of the restrictions on Shares of Restricted Stock, the Committee shall cause a stock certificate or evidence of book entry Shares to be delivered to the Participant with respect to such Shares of Restricted Stock, free of all restrictions hereunder.

(d) Treatment of Dividends. At the time an Award of Restricted Stock is granted, the Committee may, in its discretion, determine that the payment to the Participant of dividends, or a specified portion thereof, declared or paid on such Shares by the Company shall be (i) deferred until the lapsing of the restrictions imposed upon such Shares and (ii) held by the Company for the account of the Participant until such time; provided, however, that a dividend payable in respect of Restricted Stock that vests based on the achievement of performance goals shall be subject to restrictions and risk of forfeiture to the same extent as the Restricted Stock with respect to which such dividends are payable. In the event that dividends are to be deferred, the Committee shall determine whether such dividends are to be reinvested in Shares (which shall be held as additional Shares of Restricted Stock) or held in cash. Payment of deferred dividends in respect of Shares of Restricted Stock (whether held in cash or as additional Shares of Restricted Stock), shall be made upon the lapsing of restrictions imposed on the Shares in respect of which the deferred dividends were paid, and any dividends deferred in respect of any Shares of Restricted Stock shall be forfeited upon the forfeiture of such Shares.

(e)Effect of Change in Control. Any specific terms applicable to Restricted Stock in the event of a Change in Control and not otherwise provided in the Plan shall be set forth in the applicable Award Agreement.

2.Restricted Stock Unit Awards. The Committee may grant Awards of Restricted Stock Units to Eligible Individuals in accordance with the Plan, the terms and conditions of which shall be set forth in an Award Agreement. Each such Award Agreement shall contain such restrictions, terms and conditions as the Committee may, in its discretion, determine. Awards of Restricted Stock Units shall be subject to the following terms and provisions:

(a)Payment of Awards. Each Restricted Stock Unit shall represent the right of the Participant to receive one Share upon vesting of the Restricted Stock Unit or on any later date specified by the Committee; provided, however, that the Committee may provide for the settlement of Restricted Stock Units in cash equal to the Fair Market Value of the Shares that would otherwise be delivered to the Participant (determined as of the date of the Shares would have been delivered), or a combination of cash and Shares. The Committee may, at the time a Restricted Stock Unit is granted, provide a limitation on the amount payable in respect of each Restricted Stock Unit.

(b)Effect of Change in Control. Any specific terms applicable to Restricted Stock Units in the event of a Change in Control and not otherwise provided in the Plan shall be set forth in the applicable Award Agreement.

With respect to Shares in a book entry account in a Participant's name, the Committee may cause appropriate stop transfer instructions to be delivered to the account custodian, administrator or the Company's corporate secretary as determined by the Committee in its sole discretion. Awards of Performance-Based Restricted Stock shall be subject to the following terms and provisions:

Performance-Based Restricted Stock shall be issued in the name of the Participant as soon as reasonably practicable after the Award is granted or at such other time or times as the Committee may determine; provided, however, that no Performance-Based Restricted Stock shall be issued until the Participant has executed an Award Agreement evidencing the Award (which, in the case of an electronically distributed Award Agreement, shall be deemed to have been executed by an acknowledgement of receipt or in such other manner as the Committee may prescribe), and any other documents which the Committee may require as a condition to the issuance of such Performance-Based Restricted Stock. At the discretion of the Committee, Shares issued in connection with an Award of Performance-Based Restricted Stock may be held in escrow by an agent (which may be the Company) designated by the Committee. Unless the Committee determines otherwise and as set forth in the Award Agreement, upon issuance of the Shares, the Participant shall have all of the rights of a shareholder with respect to such Shares, including the right to vote the Shares and to receive all dividends or other distributions paid or made with respect to

the Shares.

(c)Treatment of Dividends. At the time the Award of Performance-Based Restricted Stock is granted, the Committee may, in its discretion, determine that the payment to the Participant of dividends, or a specified portion thereof, declared or paid on Shares represented by such Award which have been issued by the Company to the Participant shall be (i) deferred until the lapsing of the restrictions imposed upon such Performance-Based Restricted Stock and (ii) held by the Company for the account of the Participant until such time; provided, however, that a dividend payable in respect of Performance-Based Restricted Stock shall be subject to restrictions and risk of forfeiture to the same extent as the Performance-Based Restricted Stock with respect to which such dividends are payable. With respect to Performance Awards not intended to constitute Performance-Based Compensation, Performance Objectives may be based on any of the foregoing or any other performance criteria as may be established by the Committee. Performance Objectives may be in respect of the performance of the Company, any of its Subsidiaries, any of its Divisions or any combination thereof. Performance Objectives may be absolute or relative (to prior performance of the Company or to the performance of one or more other entities or external indices) and may be expressed in terms of a progression within a specified range. In the case of a Performance Award which is intended to constitute Performance-Based Compensation, the Performance Objectives with respect to a Performance Cycle shall be established in writing by the Committee by the earlier of (i) the date on which a quarter of the Performance Cycle has elapsed and (ii) the date which is ninety (90) days after the commencement of the Performance Cycle and in any event while the performance relating to the Performance Objectives remains substantially uncertain.

(b)Effect of Certain Events. The Committee may, at the time the Performance Objectives in respect of a Performance Award are established, provide for the manner in which performance will be measured against the Performance Objectives to reflect the impact of specified events, including any one or more of the following with respect to the Performance Period (i) the gain, loss, income or expense resulting from changes in accounting principles or tax laws that become effective during the Performance Period; (ii) the gain, loss, income or expense reported publicly by the Company with respect to the Performance Period that are extraordinary or unusual in nature or infrequent in occurrence; (iii) the gains or losses resulting from and the direct expenses incurred in connection with, the disposition of a business, or the sale of investments or non-core assets; (iv) the gain or loss from all or certain claims and/or litigation and all or certain insurance recoveries relating to claims or litigation; or (v) the impact of investments or acquisitions made during the year or, to the extent provided by the Committee, any prior year. Any adjustments based on the effect of certain events are to be determined in accordance with generally accepted accounting principles and standards, unless another objective method of measurement is designated by the Committee and, in respect of Performance Awards intended to constitute Performance-Based Compensation, such adjustments shall be permitted only to the extent permitted under Section 162(m) without adversely affecting the treatment of any Performance Award as Performance-Based Compensation.

(c)Determination of Performance. Prior to the vesting, payment, settlement or lapsing of any restrictions with respect to any Performance Award, the Committee shall certify in writing that the applicable Performance Objectives have

been satisfied to the extent necessary for such Award to qualify as Performance-Based Compensation. In respect of a Performance Award, the Committee may, in its sole discretion, reduce the amount of cash paid or number of Shares to be issued or that have been issued and that become vested or on which restrictions lapse. The Committee shall not be entitled to exercise any discretion otherwise authorized hereunder with respect to any Performance Award intended to constitute Performance-Based Compensation if the ability to exercise such discretion or the exercise of such discretion itself would cause the compensation attributable to such Awards to fail to qualify as Performance-Based Compensation.

(d)Effect of Change in Control. Any specific terms applicable to a Performance Award in the event of a Change in Control and not otherwise provided in the Plan shall be set forth in the applicable Award Agreement.

#### 10. Share Awards.

(a) Non-Transferability of Awards. Except as set forth in Section 11.2(c) or (d) or as otherwise permitted by the Committee and as set forth in the applicable Award Agreement, either at the time of grant or at anytime thereafter, no Award shall be (i) sold, transferred or otherwise disposed of, (ii) pledged or otherwise hypothecated or (iii) subject to attachment, execution or levy of any kind; and any purported transfer, pledge, hypothecation, attachment, execution or levy in violation of this Section 11.2 shall be null and void.

Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such designation or if any such designation is not effective under applicable law as determined by the Committee, benefits under Awards remaining unpaid at the Participant's death and rights to be exercised following the Participant's death shall be paid to or exercised by the Participant's estate.

12. Adjustment upon Changes in Capitalization.

1. In the event that (a) the outstanding Shares are changed into or exchanged for a different number or kind of shares of stock or other securities or other equity interests of the Company or another corporation or entity, whether through merger, consolidation, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, substitution or other similar corporate event or transaction or (b) there is an extraordinary dividend or distribution by the Company in respect of its Shares or other capital stock or securities convertible into capital stock in cash, securities or other property (any event described in (a) or (b), an "Adjustment Event"), the Committee shall determine the appropriate adjustments (if any) to (i) the maximum number and kind of shares of stock or other securities or other equity interests as to which Awards may be granted under the Plan (including the individual participant limits set forth in Section 4.2)), (ii) the maximum number and class of Shares or other stock or securities that may be issued upon exercise of Incentive Stock Options, (iii) the number and kind of Shares or other securities covered by any or all outstanding Awards that have been granted under the Plan, (iv) the Option Price of outstanding Options and the Base Price of outstanding Stock Appreciation Rights, and (v) the Performance Objectives applicable to outstanding Performance Awards.

2. Any such adjustment in the Shares or other stock or securities (a) subject to outstanding Incentive Stock Options (including any adjustments in the exercise price) shall be made in such manner as not to constitute a modification as

3.If, by reason of an Adjustment Event, pursuant to an Award, a Participant shall be entitled to, or shall be entitled to exercise an Award with respect to, new, additional or different shares of stock or securities of the Company or any other corporation, such new, additional or different shares shall thereupon be subject to all of the conditions, restrictions and performance criteria which were applicable to the Shares subject to the Award, prior to such Adjustment Event.

(b)outstanding Awards shall terminate upon the consummation of the Corporate Transaction; provided, however, that vested Awards shall not be terminated without:

(i)in the case of vested Options and Stock Appreciation Rights (including those Options and Stock Appreciation Rights that would become vested upon the consummation of the Corporate Transaction), (1) providing the holders of affected Options and Stock Appreciation Rights a period of at least fifteen (15) calendar days prior to the date of the consummation of the Corporate Transaction to exercise the Options and Stock Appreciation Rights, or (2) providing the holders of affected Options and Stock Appreciation Rights payment (in cash or other consideration upon or immediately following the consummation of the Corporate Transaction, or, to the extent permitted by Section 409A, on a deferred basis) in respect of each Share covered by the Option or Stock Appreciation Rights being cancelled an amount equal to the excess, if any, of the per Share price to be paid or distributed to stockholders in the Corporate Transaction (the value of any non-cash consideration to be determined by the Committee in good faith) over the Option Price of the Option or the Base Price of the Stock Appreciation Rights, or

(ii)in the case vested Awards other than Options or Stock Appreciation Rights (including those Awards that would become vested upon the consummation of the Corporate Transaction), providing the holders of affected Awards payment (in cash or other consideration upon or immediately following the consummation of the Corporate Transaction, or, to the extent permitted by Section 409A, on a deferred basis) in respect of each Share covered by the Award being cancelled of the per Share price to be paid or distributed to stockholders in the Corporate Transaction, in each case with the value of any non-cash consideration to be determined by the Committee in good faith.

(c)For the avoidance of doubt, if the amount determined pursuant to clause (b)(i)(2) above is zero or less, the affected Option or Stock Appreciation Rights may be terminated without any payment therefor.

2. Without limiting the generality of the foregoing or being construed as requiring any such action, in connection with any such Corporate Transaction the Committee may, in its sole and absolute discretion, cause any of the following actions to be taken effective upon or at any time prior to any Corporate Transaction (and any such action may be made contingent upon the occurrence of the Corporate Transaction):

(a)cause any or all unvested Options and Stock Appreciation Rights to become fully vested and immediately exercisable (as applicable) and/or provide the holders of such Options and Stock Appreciation Rights a reasonable period of time prior to the date of the consummation of the Corporate Transaction to exercise the Options and Stock Appreciation Rights;

(b)with respect to unvested Options and Stock Appreciation Rights that are terminated in connection with the Corporate Transaction, provide to the holders thereof a payment (in cash and/or other consideration) in respect of each Share covered by the Option or Stock Appreciation Right being terminated in an amount equal to all or a portion of the excess, if any, of the per Share price to be paid or distributed to stockholders in the Corporate Transaction (the value of any non-cash consideration to be determined by the Committee in good faith) over the exercise price of the Option or the Base Price of the Stock Appreciation Right, which may be paid in accordance with the vesting schedule of the Award as set forth in the applicable Award Agreement, upon the consummation of the Corporate Transaction or, to the extent permitted by Section 409A, at such other time or times as the Committee may determine;

(c)with respect to unvested Awards (other than Options or Stock Appreciation Rights) that are terminated in connection with the Corporate Transaction, provide to the holders thereof a payment (in cash and/or other consideration) in respect of each Share covered by the Award being terminated in an amount equal to all or a portion of the per Share price to be paid or distributed to stockholders in the Corporate Transaction (the value of any non-cash

consideration to be determined by the Committee in good faith), which may be paid in accordance with the vesting schedule of the Award as set forth in the applicable Award Agreement, upon the consummation of the Corporate Transaction or, to the extent permitted by Section 409A, at such other time or times as the Committee may determine.

(d) For the avoidance of doubt, if the amount determined pursuant to clause (b) above is zero or less, the affected Option or Stock Appreciation Rights may be terminated without any payment therefor.

3. Notwithstanding anything to the contrary in this Plan or any Agreement,

(a) the Committee may, in its sole discretion, provide in the Transaction Agreement or otherwise for different treatment for different Awards or Awards held by different Participants and, where alternative treatment is available for a Participant's Awards, may allow the Participant to choose which treatment shall apply to such Participant's Awards;

(b) any action permitted under this Section 13 may be taken without the need for the consent of any Participant. To the extent a Corporate Transaction also constitutes an Adjustment Event and action is taken pursuant to this

Table of Contents

Section 13 with respect to an outstanding Award, such action shall conclusively determine the treatment of such Award in connection with such Corporate Transaction notwithstanding any provision of the Plan to the contrary (including Section 12).

(c) to the extent the Committee chooses to make payments to affected Participants pursuant to Section 13.1(b)(i)(2) or (ii) or Section 13.2(b) or (c) above, any Participant who has not returned any letter of transmittal or similar acknowledgment that the Committee requires be signed in connection with such payment within the time period established by the Committee for returning any such letter or similar acknowledgement shall forfeit his or her right to any payment and his or her associated Awards may be cancelled without any payment therefor.

14. Interpretation.

1. Section 16 Compliance. The Plan is intended to comply with Rule 16b-3 promulgated under the Exchange Act and the Committee shall interpret and administer the provisions of the Plan or any Award Agreement in a manner consistent therewith. Any provisions inconsistent with such Rule shall be inoperative and shall not affect the validity of the Plan.

2. Compliance with Section 409A. All Awards granted under the Plan are intended either not to be subject to Section 409A or, if subject to Section 409A, to be administered, operated and construed in compliance with Section 409A and all regulations and other guidance issued thereunder. Notwithstanding this or any other provision of the Plan to the contrary, the Committee may amend the Plan or any Award granted hereunder in any manner or take any other action that it determines, in its sole discretion, is necessary, appropriate or advisable (including replacing any Award) to cause the Plan or any Award granted hereunder to comply with Section 409A and all regulations and other guidance issued thereunder or to not be subject to Section 409A. Any such action, once taken, shall be deemed to be effective from the earliest date necessary to avoid a violation of Section 409A and shall be final, binding and conclusive on all Eligible Individuals and other individuals having or claiming any right or interest under the Plan.

3. Section 162(m). Performance-Based Compensation Awards. Unless otherwise determined by the Committee at the time of grant, each Performance Award granted to an Eligible Individual who is also a Covered Employee, and each Option and Stock Appreciation Right (whether or not granted to a Covered Employee), is intended to constitute Performance-Based Compensation. If any provision of the Plan or any Award Agreement relating to an Award that is intended to constitute Performance-Based Compensation does not comply or is inconsistent with Section 162(m), such provision shall be construed or deemed amended to the extent necessary to conform to such requirements and, in the case of any Performance Award, no provision of the Plan or any Award Agreement shall be deemed to confer upon the Committee any discretion to increase the amount of compensation otherwise payable in connection with any such Award upon the attainment of the Performance Objectives.

15. Effective Date and Term.

The Plan was effective as of October 22, 2013 (the "Effective Date"), the date it was initially adopted by the Board. This amended and restated Plan shall be effective as of February 25, 2015 (the "Restatement Effective Date"), subject to the approval of the Company's stockholders within twelve (12) months after the Restatement Effective Date. The Plan shall terminate on the Plan Termination Date and no Award shall be granted after that date. The applicable terms of the Plan and any terms and conditions applicable to Awards granted prior to the Plan Termination Date shall survive the termination of the Plan and continue to apply to such Awards.

16. Plan Termination and Amendment of the Plan; Modification of Awards.

1. Plan Amendment or Plan Termination. The Board may earlier terminate the Plan and the Board may at any time and from time to time amend, modify or suspend the Plan; provided, however, that:

(a) no such amendment, modification, suspension or termination shall materially impair or materially and adversely alter any Awards theretofore granted under the Plan, except with the consent of the Participant, nor shall any amendment, modification, suspension or termination deprive any Participant of any Shares which he or she may have acquired through or as a result of the Plan; and

(b) to the extent necessary under any applicable law, regulation or exchange requirement or as provided in Section 3.8, no other amendment shall be effective unless approved by the stockholders of the Company in accordance with applicable law, regulation or exchange requirement.

2.Modification of Awards. No modification of an Award shall adversely alter or impair any rights or obligations under the Award without the consent of the Participant.

17.Non-Exclusivity of the Plan.

The adoption of the Plan by the Board shall not be construed as amending, modifying or rescinding any previously approved incentive arrangement or as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

18.Limitation of Liability.

As illustrative of the limitations of liability of the Company, but not intended to be exhaustive thereof, nothing in the Plan shall be construed to:

(a)give any person any right to be granted an Award other than at the sole discretion of the Committee;

(b)limit in any way the right of the Company or any of its Subsidiaries to terminate the employment of or the provision of services by any person at any time;

(c)be evidence of any agreement or understanding, express or implied, that the Company will pay any person at any particular rate of compensation or for any particular period of time; or

(d)be evidence of any agreement or understanding, express or implied, that the Company will employ any person at any particular rate of compensation or for any particular period of time.

19.Regulations and Other Approvals; Governing Law.

1.Governing Law. Except as to matters of federal law, the Plan and the rights of all persons claiming hereunder shall be construed and determined in accordance with the laws of the State of Delaware without giving effect to conflicts of laws principles thereof.

2.Compliance with Law.

(a)The obligation of the Company to sell or deliver Shares with respect to Awards granted under the Plan shall be subject to all applicable laws, rules and regulations, including all applicable federal and state securities laws, and the obtaining of all such approvals by governmental agencies as may be deemed necessary or appropriate by the Committee.

(b)The Board may make such changes as may be necessary or appropriate to comply with the rules and regulations of any government authority or to obtain for Eligible Individuals granted Incentive Stock Options the tax benefits under the applicable provisions of the Code and regulations promulgated thereunder.

(c)Each grant of an Award and the issuance of Shares or other settlement of the Award is subject to compliance with all applicable federal, state and foreign law. Further, if at any time the Committee determines, in its discretion, that the listing, registration or qualification of Shares issuable pursuant to the Plan is required by any securities exchange or under any federal, state or foreign law, or that the consent or approval of any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the grant of an Award or the issuance of Shares, no Awards shall be or shall be deemed to be granted or payment made or Shares issued, in whole or in part, unless listing, registration, qualification, consent or approval has been effected or obtained free of any conditions that are not acceptable to the Committee. Any person exercising an Option or receiving Shares in connection with any other Award shall make such representations and agreements and furnish such information as the Board or Committee may request to assure compliance with the foregoing or any other applicable legal requirements.

3.Transfers of Plan Acquired Shares. Notwithstanding anything contained in the Plan or any Award Agreement to the contrary, in the event that the disposition of Shares acquired pursuant to the Plan is not covered by a then current registration statement under the Securities Act and is not otherwise exempt from such registration, such Shares shall be restricted against transfer to the extent required by the Securities Act and Rule 144 or other regulations promulgated thereunder. The Committee may require any individual receiving Shares pursuant to an Award granted under the Plan, as a condition precedent to receipt of such Shares, to represent and warrant to the Company in writing that the Shares acquired by such individual are acquired without a view to any distribution thereof and will not be sold or transferred other than pursuant to an effective registration thereof under the Securities Act or pursuant to an exemption applicable under the Securities Act or the rules and regulations promulgated thereunder. The certificates evidencing any of such Shares shall be appropriately amended or have an appropriate legend placed thereon to reflect their status as restricted securities as aforesaid.

20.Miscellaneous.

1.Award Agreements. Each Award Agreement shall either be (a) in writing in a form approved by the Committee and executed on behalf of the Company by an officer duly authorized to act on its behalf, or (b) an electronic notice in a form approved by the Committee and recorded by the Company (or its designee) in an electronic recordkeeping system used for the purpose of tracking Awards as the Committee may provide. If required by the Committee, an Award Agreement shall be executed or otherwise electronically accepted by the recipient of the Award in such form and manner as the Committee may require. The Committee may authorize any officer of the Company to execute any or all Award Agreements on behalf of the Company.

2. Forfeiture Events; Clawback. The Committee may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, clawback or recoupment upon the occurrence of certain specified events or as required by law, in addition to any otherwise applicable forfeiture provisions that apply to the Award.

3. Multiple Agreements. The terms of each Award may differ from other Awards granted under the Plan at the same time or at some other time. The Committee may also grant more than one Award to a given Eligible Individual during the term of the Plan, either in addition to or, subject to Section 3.8, in substitution for one or more Awards previously granted to that Eligible Individual.

4. Withholding of Taxes. The Company or any of its Subsidiaries may withhold from any payment of cash or Shares to a Participant or other Person under the Plan an amount sufficient to cover any withholding taxes which may become required with respect to such payment or take any other action it deems necessary to satisfy any income or other tax withholding requirements as a result of the grant, exercise, vesting or settlement of any Award under the Plan. The Company or any of its Subsidiaries shall have the right to require the payment of any such taxes or to withhold from wages or other amounts otherwise payable to a Participant or other Person, and require that the Participant or other Person furnish all information deemed necessary by the Company or any of its Subsidiaries to meet any tax reporting obligation as a condition to exercise or before

making any payment or the issuance or release of any Shares pursuant to an Award. If the Participant or other Person shall fail to make such tax payments as are required, the Company or its Subsidiaries shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to such Participant or other Person or to take such other action as may be necessary to satisfy such withholding obligations. If specified in an Award Agreement at the time of grant or otherwise approved by the Committee, a Participant may, in satisfaction of his or her obligation to pay withholding taxes in connection with the exercise, vesting or other settlement of an Award, elect to (i) make a cash payment to the Company, (ii) have withheld a portion of the Shares then issuable to him or her or (iii) deliver Shares owned by the Participant prior to the exercise, vesting or other settlement of an Award, in each case having an aggregate Fair Market Value equal to the withholding taxes. To the extent that Shares are used to satisfy withholding obligations of a Participant pursuant to this Section 20.4 (whether previously-owned Shares or Shares withheld from an Award), they may only be used to satisfy the minimum tax withholding required by law (or such other amount as will not have any adverse accounting impact as determined by the Committee).

5. Disposition of ISO Shares. If a Participant makes a disposition, within the meaning of Section 424(c) of the Code and regulations promulgated thereunder, of any Share or Shares issued to such Participant pursuant to the exercise of an Incentive Stock Option within the two-year period commencing on the day after the date of the grant or within the one-year period commencing on the day after the date of transfer of such Share or Shares to the Participant pursuant to such exercise, the Participant shall, within ten (10) days of such disposition, notify the Company thereof, by delivery of written notice to the Company at its principal executive office

6. Plan Unfunded. The Plan shall be unfunded. Except for reserving a sufficient number of authorized Shares to the extent required by law to meet the requirements of the Plan, the Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure payment of any Award granted under the Plan.
