Item 12. Results of Operations and Financial Condition

On Tuesday, April 6, 2004 the Company disseminated a press release, a copy attached as Exhibit A, announcing the Company's range of estimated earnings for the First Quarter of 2004.

A. M. Castle & Co.

/s/ Edward F. Culliton

Vice President, CFO

Date 04-06-04

Shareholders Value was completed during 2003. This cleanup, coupled with the lowered breakeven point and the favorable leverage that was created from structural cost reductions and productivity improvements, is producing strong profit growth on the increased volume , he continued.

The Company expects to release first quarter earnings before the market opens on May 4, 2004 and will hold its quarterly conference call later that day.

Founded in 1890, A. M. Castle & Co. provides highly engineered materials and value added services to a wide range of companies within the producer durable equipment sector of the economy. Its customer base includes many Fortune 500 companies as well as thousands of medium and smaller-sized firms spread across a wide spectrum of industries. Within its core metals business, it specializes in the distribution of carbon, alloy and stainless steels; nickel alloy; aluminum; copper and brass. Through its subsidiary, Total Plastics, Inc., the Company also distributes a broad range of value-added industrial plastics. Together, Castle operates over 60 locations throughout North America. Its common stock is traded on the American and Chicago Stock Exchange under the ticker symbol "CAS".

This release may contain forward-looking statements relating to future financial results. Actual results may differ materially as a result of factors over which the Company has no control. These risk factors and additional information are included in the Company s reports on file with the Securities and Exchange Commission.
