Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As previously reported in public filings of TE Connectivity Ltd. (the Company or TE), the Company awards Performance Stock Units (PSUs) annually to certain Company employees, including the named executive officers, that provide the opportunity to earn shares of the Company's stock based on the Company's EPS growth relative to the Standard & Poor's 500 Non-Financial Companies Index over a three-year performance cycle. Under the program, a three-year average EPS growth metric is used to determine relative performance and to calculate the number of shares earned at the end of the three-year performance period. For purposes of the fiscal year 2017 and fiscal year 2018 PSU award cycles, the calculation of the EPS baseline and annual EPS results for each of the three-year cycles have been adjusted consistent with the terms of the PSU program to eliminate the financial results of the Company's SubCom business, including repurchases of TE shares conducted using the proceeds from the sale of the SubCom business, as the SubCom business was divested on November 2, 2018.
