The Audit Committee makes recommendations to the full Board as to the firm of independent accountants to be selected, reviews the methods, scope and results of audits and fees charged by such independent accountants, and reviews the Fund's internal accounting procedures and controls. The Fund has no nominating or compensation committee.

The Fund has an Audit Committee comprised of only "Independent Trustees" (as defined in the regulations of the New York Stock Exchange ("NYSE") of the Fund, who are also not "interested persons" (as defined in the Investment Company Act of 1940) of the Fund. The Audit Committee reviews the process for preparing and reviewing financial statements and other audit-related matters as they arise throughout the year. The Audit Committee makes recommendations to the full Board as to the firm of independent accountants to be selected. In making its recommendations, the Audit Committee reviews the nature and scope of the services to be provided.

In discharging its oversight responsibility as to the audit process, the Audit Committee discussed with management the process for preparation and review of the audited financial statements for the last fiscal year. The Audit Committee also reviewed the non-audit services to be provided by the independent accountants of the Fund. The independent accountants, PricewaterhouseCoopers LLP ("PWC"), discussed with the Board the matters required to be discussed by Statement on Auditing Standards No. 61. In addition, the Audit Committee obtained from the independent accountants a formal written statement consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," describing all relationships between the independent accountants and the Fund that might bear on the independent accountants' independence. The Audit Committee also discussed with the independent accountants any relationships that may impact their objectivity and independence and satisfied itself as to the independent accountants' independence. The Board also reviewed the fees

5

charged by such independent accountants for the various services provided and reviewed the Fund's internal accounting procedures and controls.

The Board of Trustees has adopted a written charter which sets forth the Audit Committee's structure, duties and powers, and methods of operation which is attached hereto as Appendix A. Each member of the Audit Committee must be financially literate and at least one member must have prior accounting experience or related financial management expertise. The Board of Trustees has determined, in accordance with applicable regulations of the NYSE, that each member of the Audit Committee is financially literate and has prior accounting experience or related financial management expertise. The Audit Committee members for 2000 were Messrs. Birnbaum, Grinnell, Lowry and Neuhauser. All members of the Audit Committee meet the independence standards of the NYSE listing standards.

PROPOSAL 2. TO APPROVE PORTFOLIO MANAGEMENT AGREEMENT WITH MASTRAPASQUA & ASSOCIATES, INC. ("MASTRAPASQUA")

BACKGROUND - THE MULTI-MANAGER METHODOLOGY

The Fund allocates its portfolio assets on an approximately equal basis among a number of independent investment management firms ("Portfolio Managers") recommended by Liberty Asset Management, currently five in number, each of which employs a different investment style, and from time to time rebalances the portfolio among the Portfolio Managers so as to maintain an approximately equal allocation of the portfolio among them throughout all market cycles. The Fund's multi-manager methodology is based on the premise that most investment management firms consistently employ a distinct investment style which causes them to emphasize stocks with particular characteristics, and that, because of changing investor preferences, any given investment style will move into and out of market

11

favor and will result in better performance under certain market conditions but poorer performance under other conditions. The Fund's multi-manager methodology seeks to achieve more consistent and less volatile performance over the long-term than if a single Portfolio Manager were employed.

The Portfolio Managers recommended by Liberty Asset Management represent a blending of different styles which, in its opinion, is appropriate for the Fund's investment objective and which is sufficiently broad so that at least one of such styles can reasonably be expected to be in relative market favor in all reasonably foreseeable market conditions. Liberty Asset Management continuously analyzes and evaluates the investment performance and portfolios of the Fund's Portfolio Managers and from time to time recommends changes in the Portfolio Managers. Such recommendations could be based on factors such as a change in a Portfolio Manager's investment style or a Portfolio Manager's divergence from the investment style for which it was selected, changes deemed by Liberty Asset Management to be potentially adverse in a Portfolio Manager's personnel or ownership or other structural or organizational changes affecting the Portfolio Manager, or a deterioration in a Portfolio Manager's investment performance when compared to that of other investment management firms employing similar investment styles. Portfolio Manager changes may also be made to change the mix of investment styles employed by the Fund's Portfolio Managers. Portfolio Manager changes, as well as rebalancings of the Fund's portfolio among the Portfolio Managers, may result in portfolio turnover in excess of what would otherwise be the case. Increased portfolio turnover results in increased brokerage commission and transaction costs, and may result in the recognition of additional capital gains.

NEW PORTFOLIO MANAGER

Liberty Asset Management continuously monitors and evaluates the Fund's portfolio managers on a quantitative and qualitative basis. The evaluation

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

process focuses on the firm's philosophy, investment process, people and performance. It was concluded that after evaluation based on the aforementioned criteria that Liberty Asset Management deemed it necessary to terminate J.P. Morgan Investment Management Inc. ("J.P. Morgan"), a Portfolio Manager of the Fund since July 1, 1996, whose portfolio management agreement with the Fund had been ratified by shareholders on April 16, 1997. Liberty Asset Management in October, 2000, determined to replace J.P. Morgan with Mastrapasqua & Associates, Inc. ("Mastrapasqua"). Liberty Asset Management first analyzed information regarding the personnel, investment process and performance of a large number of investment management firms. Liberty Asset Management then analyzed the candidates in terms of their historic returns, volatility and portfolio characteristics when combined with those of the Fund's four other Portfolio Managers. In making its recommendation, the Board has relied upon and given equal consideration to each of the factors presented to them by Liberty Asset Management. Based on the foregoing and on Liberty Asset Management's qualitative analysis, Liberty Asset Management recommended, and the Board of Trustees on October 25, 2000, approved, the termination of the Fund's portfolio management agreement with J.P. Morgan and its replacement with Mastrapasqua, effective November 1, 2000.

Mastrapasqua, located at 814 Church Street, Suite 600, Nashville, TN 37203, is an independently-owned firm founded in 1993. Mastrapasqua provides a variety of investment management and investment advisory services. Ownership of Mastrapasqua lies 100% with its employees. The directors and principal executive officers (each of whose address is care of Mastrapasqua at the address listed above) of Mastrapasqua are Frank Mastrapasqua, Chairman and Chief Executive Officer, Thomas A. Trantum, President, and Mauro Mastrapasqua, First Vice President. As of December 31, 2000, Mastrapasqua had \$2.5 billion in assets under management. Messrs. Mastrapasqua and Trantum manage that portion of the Fund's portfolio assigned to Mastrapasqua. Both Messrs. Mastrapasqua and Trantum have over 30 years of investment experience.

12

Reference is made to MANAGEMENT - PORTFOLIO TRANSACTIONS AND BROKERAGE below for the direction by the Fund's Portfolio Managers, including Mastrapasqua, of Fund portfolio transactions to broker-dealers that make certain research services available to Liberty Asset Management.

Under the terms of an exemptive order issued to the Fund and Liberty Asset Management by the Securities and Exchange Commission, the Fund may enter into a portfolio management agreement with a new or additional Portfolio Manager recommended by Liberty Asset Management in advance of shareholder approval, provided that the new agreement is at a fee no higher than that provided in, and is on other terms and conditions substantially similar to, the Fund's agreements with its other Portfolio Managers, and that its continuance is subject to approval by shareholders at the Fund's regularly scheduled annual meeting next following the date of the portfolio management agreement with the new or additional Portfolio Manager. Accordingly, the Fund's portfolio management agreement with Mastrapasqua is being submitted for shareholder approval at the Meeting.

TERMS OF PORTFOLIO MANAGEMENT AGREEMENT WITH MASTRAPASQUA

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

The portfolio management agreement with Mastrapasqua is at the same fee rates and is on other terms and conditions substantially similar to those of the portfolio management agreements with the Fund's four other Portfolio Managers and to those of the portfolio management agreement with J.P. Morgan. A copy of the portfolio management agreement with Mastrapasqua is attached to this proxy statement as Appendix B.

Under the Fund's portfolio management agreements (including that with Mastrapasqua), each Portfolio Manager has discretionary investment authority (including the selection of brokers and dealers for the execution of the Fund's portfolio transactions) with respect to the portion of the Fund's assets allocated to it by Liberty Asset Management from time to time, subject to the Fund's investment objective and policies, to the supervision and control of the Trustees, and to instructions from Liberty Asset Management. The Portfolio Managers are required to use their best professional judgment in making timely investment decisions for the Fund. The Portfolio Managers, however, will not be liable for actions taken or omitted in good faith and believed to be within the authority conferred by their portfolio management agreements and without willful misfeasance, bad faith or gross negligence.

From the fund management fees it receives from the Fund (0.80% per annum of the Fund's average weekly net asset value up to \$400 million, 0.72% per annum of such average weekly net asset value exceeding \$400 million up to \$800 million, 0.648% of such average weekly net asset value exceeding \$800 million up to \$1.2 billion, and 0.584% of such average weekly net asset value in excess of \$1.2 billion), Liberty Asset Management pays each of the Fund's Portfolio Managers 0.40% per annum of the average weekly net asset value of the portion of the Fund's assets managed by that Portfolio Manager, with such rate reduced to 0.36% per annum of the Portfolio Managers' allocable portions of the Fund's average weekly net asset value in excess of \$400 million up to \$800 million, 0.324% of their allocable portions of such average weekly net asset value exceeding \$800 million up to \$1.2 billion, and 0.292% of their allocable portions of such average weekly net asset value exceeding \$1.2 billion. For the fiscal year ended December 31, 2000, Mastrapasqua received \$148,544 for its portfolio management services to the Fund. As of December 31, 2000, the Fund's net assets were \$1.4 billion.

If approved by shareholders at the Meeting, the Portfolio Management Agreement with Mastrapasqua will remain in effect until October 31, 2002, and will continue thereafter until terminated by the Fund or the Portfolio Manager, provided such continuance is approved at least annually by the Board of Trustees,

including a majority of the independent Trustees, or by the vote of a "majority of the outstanding voting securities" (as defined under REQUIRED VOTE below) of the Fund.

REQUIRED VOTE

Approval of the portfolio management agreement with Mastrapasqua requires the affirmative vote of a "majority of the outstanding voting securities" of the Fund, which, under the Investment Company Act of 1940, means the affirmative vote of the lesser of (a) 67% or more of the shares of the Fund present at the Meeting or represented by proxy if the holders of more than 50% of the outstanding shares are present or represented by proxy, or (b) more than 50% of the outstanding shares. See INFORMATION ABOUT THE MEETING below.

In the event that the shareholders of the Fund fail to approve the portfolio management agreement with Mastrapasqua, the portfolio management agreement will terminate and Liberty Asset Management will cause the portfolio assets under management by Mastrapasqua to be reallocated to one or more of the other Portfolio Managers or invested in money market instruments or other cash equivalent holdings pending the reappointment of Mastrapasqua or the appointment of a new Portfolio Manager.

THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR APPROVAL OF THE PORTFOLIO MANAGEMENT AGREEMENT WITH MASTRAPASQUA.

PROPOSAL 3. RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS

By vote of the Board of Trustees, including the vote of the non-interested Trustees, the firm of PricewaterhouseCoopers LLP ("PWC") has been selected as independent accountants for the Fund for the year ending December 31, 2001. Such selection is being submitted to the shareholders for ratification. The employment of PWC is conditioned on the right of the Fund by majority vote of its shareholders to terminate such employment. Such firm has acted as independent accountants for the Fund since September 30, 1999. Prior to September 30, 1999, KPMG LLP acted as independent auditors for the Fund since its commencement of operations in 1986.

The services provided by the Fund's independent accountants include examination of its annual financial statements, assistance and consultation in connection with SEC filings, and review of the Fund's annual federal income tax returns. Representatives of PWC are

expected to be present at the Meeting, will be given the opportunity to make a statement if they should so desire and will be available to respond to appropriate questions.

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

REQUIRED VOTE

A majority of the votes cast at the Meeting, if a quorum is represented, is required for the ratification of selection of the independent accountants.

OTHER BUSINESS

The Board of Trustees knows of no other business to be brought before the Meeting. However, if any other matters properly come before the Meeting, it is the intention of the Board that proxies that do not contain specific instructions to the contrary will be voted on such matters in accordance with the judgment of the persons designated therein as proxies.

MANAGEMENT

Liberty Asset Management, 600 Atlantic Avenue, Boston, Massachusetts 02210, is the Fund's manager. Liberty Asset Management is an indirect wholly-owned subsidiary of LFC, the address of which is also 600 Atlantic Avenue, Boston, Massachusetts 02210. Approximately 72% of the common stock of LFC is owned through subsidiaries by Liberty Mutual Insurance Company, Boston, Massachusetts, and the balance is held by the public and listed on the NYSE. Liberty Asset Management's Board of Directors is comprised of William R. Parmentier, President, Chief Executive Officer and Chief Investment Officer, Liberty Asset Management and President of the Fund, Joseph R. Palombo, Chairman of the Board and Trustee of the Fund, and J. Andrew Hilbert an officer of LFC. Pursuant to its Fund Management Agreement with the Fund, Liberty Asset Management implements and operates the Fund's multi-manager methodology described under PROPOSAL 2 above and has overall supervisory responsibility for the general management and investment of the Fund's securities portfolio, subject to the Fund's investment objective and policies and any directions of the Trustees. Liberty Asset Management recommends to the Board of Trustees multiple independent investment management firms (currently five in number) for appointment as Portfolio Managers of the Fund, each of which employs a different investment style, and from time to time rebalances the Fund's portfolio among the Portfolio Managers so as to maintain an approximately equal allocation of the portfolio among the investment styles practiced by them throughout all market cycles. Liberty Asset Management continuously analyzes and evaluates the investment performance and portfolios of the Fund's Portfolio Managers and from time to time recommends changes in the Portfolio Managers. On November 1, 2000, LFC, an intermediate parent of Liberty Asset Management, announced that it had retained CS First Boston to help explore strategic alternatives, including the possible sale of Liberty Financial.

Liberty Asset Management also is responsible under the Fund Management Agreement for the provision of administrative services to the Fund, including the provision of office space, shareholder and

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

Fund who are officers or employees of Liberty Asset Management or its affiliates, and supervision of transfer agency, dividend disbursing, custodial and other services provided by others. Certain of Liberty Asset Management's administrative responsibilities to the Fund have been delegated to its affiliate, Colonial, One Financial Center, Boston, Massachusetts 02111. For its administrative services the Fund pays Liberty Asset Management an annual fee at the rate of 0.20% of the Fund's average weekly net asset value up to \$400 million, 0.18% of such average weekly net asset value exceeding \$400 million up to \$800 million, 0.162% of such average weekly net asset value exceeding \$800 million up to \$1.2 billion, and 0.146% of such average weekly net asset value in excess of \$1.2 billion. This administrative service fee is in addition to the Fund management fees paid by the Fund to Liberty Asset Management described above.

Under the Fund's portfolio management agreements, each Portfolio Manager has discretionary investment authority with respect to the portion of the Fund's assets allocated to it by Liberty Asset Management from time to time, subject to the Fund's investment objective and policies, to the supervision and control of the Trustees, and to instructions from Liberty Asset Management. The Portfolio Managers are required to use their best professional judgment in making timely investment decisions for the Fund. The Portfolio Managers, however, will not be liable for actions taken or omitted in good faith and believed to be within the authority conferred by their portfolio management agreements and without willful misfeasance, bad faith or gross negligence.

PORTFOLIO TRANSACTIONS AND BROKERAGE

Each of the Fund's Portfolio Managers has discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the portion of the Fund's portfolio assets allocated to it, and to select the markets in which such transactions are to be executed. The portfolio management agreements with the Fund provide, in substance, that in executing portfolio transactions and selecting

brokers or dealers, the primary responsibility of the Portfolio Manager is to seek to obtain best net price and execution for the Fund.

The Portfolio Managers are authorized to cause the Fund to pay a commission to a broker or dealer who provides research products and services to the Portfolio Manager for executing a portfolio transaction which is in excess of the amount of commission another broker or dealer would have charged for effecting that transaction. The Portfolio Managers must determine in good faith, however, that such commission was reasonable in relation to the value of the research products and services provided to them, viewed in terms of that particular transaction or in terms of all the client accounts (including the Fund) over which the Portfolio Manager exercises investment discretion. It is possible that certain of the services received by a Portfolio Manager attributable to a particular transaction will primarily benefit one or more other accounts for which investment discretion is exercised by the Portfolio Manager.

In addition, under their portfolio management agreements with the Fund and Liberty Asset Management, the Portfolio Managers, in selecting brokers or dealers to execute portfolio transactions for the Fund, are authorized to consider (and Liberty Asset Management may request them to consider) brokers or dealers that provide to Liberty Asset Management, directly or through third parties, research products or services such as research reports; subscriptions to financial publications and research compilations; portfolio analyses; economic reports; compilations of securities prices, earnings, dividends and other data; computer hardware and software, quotation equipment and services used for research; and services of economic or other consultants. The commissions paid on such transactions may exceed the amount of commission another broker would have charged for effecting that transaction. Research products and services made available to Liberty Asset Management include performance and other qualitative and quantitative data relating to investment managers in general and the Portfolio Managers in particular; data relating to the historic performance of categories of securities associated with particular investment styles; mutual fund portfolio and performance data; data relating to portfolio manager changes by pension plan fiduciaries; and related computer hardware and software, all of which are used by Liberty Asset Management in connection with its selection and monitoring of Portfolio Managers, the assembly of an appropriate mix of investment styles, and the determination of overall portfolio strategies. These research products and services may also be used by Liberty Asset Management in connection with its management of its Liberty All-Star Funds. In instances where Liberty Asset Management receives from or through brokers and dealers products or services which are used both for research purposes and for administrative or other non-research purposes, Liberty Asset Management makes a good faith effort to determine the relative proportions of such products or services which may be considered as investment research, based primarily on anticipated usage, and pays for the costs attributable to the non-research usage in cash.

Liberty Asset Management from time to time reaches understandings with each of the Fund's Portfolio Managers as to the amount of the Fund's portfolio transactions initiated by such Portfolio Manager that are to be directed to brokers and dealers which provide or make available research products and services to Liberty Asset Management and the commissions to be charged to the Fund in connection therewith. These amounts may differ among the Portfolio Managers based on the nature of the market for the types of securities managed

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

by them and other factors.

Although the Fund does not permit a Portfolio Manager to act or have a broker-dealer affiliate act as broker for Fund portfolio transactions initiated by it, the Portfolio Managers are permitted to place Fund portfolio transactions initiated by them with another Portfolio Manager or its broker-dealer affiliate for execution on an agency basis, provided the commission does not exceed the usual and customary broker's commission being paid to other brokers for comparable transactions and is otherwise in

17

accordance with the Fund's procedures adopted pursuant to Rule 17e-1 under the Investment Company Act. During 2000, there were no Fund portfolio transactions placed with a Portfolio Manager or its affiliate.

On February 15, 2000, the SEC issued the Fund exemptive relief from Sections 10(f), 17(a) and 17(e) and Rule 17e-1 under the Investment Company Act of 1940 to permit (1) broker-dealers which are, or are affiliated with, Portfolio Managers of the Fund to engage in principal transactions with, and provide brokerage services to portion(s) of the Fund advised by another Portfolio Manager and (2) the Fund to purchase securities either directly from a principal underwriter which is an affiliate of a Portfolio Manager or from an underwriting syndicate of which a principal underwriter is affiliated with a Portfolio Manager of the Fund.

INFORMATION ABOUT THE MEETING

All proxies solicited by the Board of Trustees which are properly executed and returned in time to be voted at the Meeting will be voted at the Meeting in accordance with the instructions thereon. If no specification is made on a proxy, it will be voted FOR the election as Trustee of the nominees named under PROPOSAL 1, FOR approval of the Fund's Portfolio Management Agreement with Mastrapasqua referred to under PROPOSAL 2, and FOR ratification of the Board's selection of the Fund's independent accountants for 2001 referred to under PROPOSAL 3. Any proxy may be revoked at any time prior to its use by written notification received by the Fund's Secretary, by the execution of a later-dated proxy, or by attending the Meeting and voting in person.

The election of the Trustees is by plurality of votes cast at the Meeting. Approval of the Portfolio Management Agreement with Mastrapasqua requires the affirmative vote of a "majority of the outstanding voting securities" of the Fund, as defined under PROPOSAL 2 above. Ratification of the selection of the Fund's independent accountants requires the affirmative vote of a majority of the votes cast at the Meeting, a quorum being present. Only shareholders of record on February 1, 2001 may vote.

Abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum is present. If a proposal must be approved by a percentage of votes cast on the proposal, abstentions and broker non-votes will not be counted as "votes cast" on the proposal and will have no effect on the result of the vote. If the proposal must be approved by a percentage of shares present at the meeting or of the Fund's outstanding shares, abstentions and broker non-votes will have the effect of votes against the proposal. "Broker non-votes" occur where: (i) shares are held by brokers or nominees, typically in "street name;" (ii) instructions have not been received from the beneficial

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

owners or persons entitled to vote; and (iii) the broker or nominee does not have discretionary voting power on a particular matter.

All shareholders of record on February 1, 2001, are entitled to one vote for each share held. As of that date 101,112,652.473 shares of beneficial interest of the Fund were issued and outstanding. Based on filings made by such holders pursuant to Sections 13(d) and 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act"), the following entities owned beneficially more than five percent of the outstanding shares of the Fund:

Name and Address -----	No. of Shares Owned -----	Percent o Outstanding -----
Liberty Mutual Insurance Company and Liberty Mutual Fire Insurance Company 175 Berkeley Street Boston, MA 02117	101,883,648 shares	7.18%

Liberty Mutual Insurance Company ("Liberty Mutual") and Liberty Mutual Fire Insurance Company ("Liberty Fire") have sole voting and investment power with respect to 6,493,870 and 770,126 shares, respectively. Liberty Mutual and Liberty Fire are mutual insurance companies having identical Boards of Directors and certain common executive officers. Liberty Mutual indirectly owns a majority of the outstanding common stock of LFC, which indirectly owns all of the stock of Liberty Asset Management (see MANAGEMENT above). To the knowledge of the Fund, on the record date for the Meeting no other shareholder owned beneficially, as defined by Rule 13d-3 under the Exchange Act, more than 5% of the outstanding shares of the Fund.

In the event a quorum is present at the Meeting but sufficient votes to approve any of the above proposals have not been received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. A shareholder vote may be taken on one or more of the proposals referred to above prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies which they are entitled to vote FOR any such proposal in favor of such adjournment and will vote those proxies required to be voted for rejection of such proposal against any such adjournment.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

Section 16(a) of the Exchange Act requires the Fund's Trustees and officers and persons who own more than ten percent of the Fund's outstanding shares and certain officers and directors of Liberty Asset Management (collectively, "Section 16 reporting persons"), to file with the SEC initial reports of ownership and reports of changes in ownership of Fund shares. Section 16 reporting persons are required by SEC regulations to furnish the Fund with copies of all Section 16(a) forms they file. To the Fund's knowledge, based solely on a review of the copies of such reports furnished to the Fund and on representations made, all Section 16 reporting persons complied with all Section 16(a) filing requirements applicable to them.

SUBMISSION OF CERTAIN SHAREHOLDER PROPOSALS

Under the proxy rules of the SEC, shareholder proposals meeting tests contained in those rules may, under certain conditions, be included in the Fund's proxy material for a particular annual shareholders meeting. Under the foregoing proxy rules, proposals submitted for inclusion in the proxy material for the 2002 Annual Meeting must be received by the Fund on or before October 26, 2001. The fact that the Fund receives a shareholder proposal in a timely manner does not ensure its inclusion in its proxy material, since there are other requirements in the proxy rules relating to such inclusion.

APPENDIX B
PORTFOLIO MANAGEMENT AGREEMENT

November 1, 2000

Mastrapasqua & Associates, Inc.
814 Church Street
Suite 600
Nashville, TN 37203

Re: Portfolio Management Agreement

Ladies and Gentlemen:

Liberty All-Star Equity (the "Fund") is a diversified closed-end investment company registered under the Investment Company Act of 1940 (the "Act"), and is subject to the rules and regulations promulgated thereunder.

Liberty Asset Management Company (the "Fund Manager") evaluates and recommends portfolio managers for the assets of the Fund, and is responsible for the day-to-day administration of the Fund.

1. EMPLOYMENT AS A PORTFOLIO MANAGER. The Fund being duly authorized hereby employs Mastrapasqua & Associates, Inc. (the "Portfolio Manager") as a discretionary portfolio manager, on the terms and conditions set forth herein, of that portion of the Fund's assets which the Fund Manager determines to assign to the Portfolio Manager (those assets being referred to as the "Portfolio Manager Account"). The Fund Manager may, from time to time, allocate and reallocate the Fund's assets among the Portfolio Manager and the other portfolio managers of the Fund's assets.

2. ACCEPTANCE OF EMPLOYMENT; STANDARD OF PERFORMANCE. The Portfolio Manager accepts its employment as a discretionary portfolio manager and agrees to use its best professional judgment to make timely investment decisions for the Portfolio Manager Account in accordance with the provisions of this Agreement.

3. PORTFOLIO MANAGEMENT SERVICES OF PORTFOLIO MANAGER. In providing portfolio management services to the Portfolio Manager Account, the Portfolio Manager shall be subject to the investment objectives, policies and restrictions of the Fund as set forth in its current Registration Statement under the Act, as the same may be modified from time to time (the "Registration Statement"), and the investment restrictions set forth in the Act and the Rules thereunder (as and to the extent set forth in the Registration Statement or in other documentation furnished to the Portfolio Manager by the Fund or the Fund Manager), to the supervision and control of the Board of Trustees of the Fund, and to instructions from the Fund Manager. The Portfolio Manager shall not, without the prior approval of the Fund or the Fund Manager, effect any transactions which would cause the Portfolio Manager Account, treated as a separate fund, to be out of compliance with any of such restrictions or policies.

4. TRANSACTION PROCEDURES. All portfolio transactions for the Portfolio

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

Manager Account will be consummated by payment to or delivery by the custodian of the Fund (the "Custodian"), or such depositories or agents as may be designated by the Custodian in writing, as custodian for the Fund, of all cash and/or securities due to or from the Portfolio Manager Account, and the Portfolio Manager shall not have possession or custody thereof or any responsibility or liability with respect to such custody. The Portfolio Manager shall advise and confirm in writing to the Custodian all investment orders for the

23

Portfolio Manager Account placed by it with brokers and dealers at the time and in the manner set forth in Schedule A hereto (as amended from time to time by the Fund Manager). The Fund shall issue to the Custodian such instructions as may be appropriate in connection with the settlement of any transaction initiated by the Portfolio manager. The Fund shall be responsible for all custodial arrangements and the payment of all custodial charges and fees, and, upon giving proper instructions to the Custodian, the Portfolio Manager shall have no responsibility or liability with respect to custodial arrangements or the acts, omissions or other conduct of the Custodian.

5. ALLOCATION OF BROKERAGE. The Portfolio Manager shall have authority and discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the Portfolio Manager Account, and to select the markets on or in which the transaction will be executed.

A. In doing so, the Portfolio Manager's primary responsibility shall be to seek to obtain best net price and execution for the Fund. However, this responsibility shall not obligate the Portfolio Manager to solicit competitive bids for each transaction or to seek the lowest available commission cost to the Fund, so long as the Portfolio Manager reasonably believes that the broker or dealer selected by it can be expected to obtain a "best execution" market price on the particular transaction and determines in good faith that the commission cost is reasonable in relation to the value of the brokerage and research services (as defined in Section 28(e) (3) of the Securities Exchange Act of 1934) provided by such broker or dealer to the Portfolio Manager viewed in terms of either that particular transaction or of the Portfolio Manager's overall responsibilities with respect to its clients, including the Fund, as to which the Portfolio Manager exercises investment discretion, notwithstanding that the Fund may not be the direct or exclusive beneficiary of any such services or that another broker may be willing to charge the Fund a lower commission on the particular transaction.

B. Subject to the requirements of paragraph A above, the Fund Manager shall have the right to request that transactions giving rise to brokerage commissions, in an amount to be agreed upon by the Fund Manager and the Portfolio Manager, shall be executed by brokers and dealers that provide brokerage or research services to the Fund Manager, or as to which an on-going relationship will be of value to the Fund in the management of its assets, which services and relationship may, but need not, be of direct benefit to the Portfolio Manager Account.

C. The Portfolio Manager shall not execute any portfolio transactions for the Portfolio Manager Account with itself or any broker or dealer which is an "affiliated person" (as defined in the Act) of the Fund, the Portfolio Manager or any other Portfolio Manager of the Fund without the prior written approval of the Fund except in accordance with SEC Exemptive

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

Order No. 24288 dated February 15, 2000, a copy of which has been furnished to the Portfolio Manager, and Rule 17e-1 procedures as approved by the Fund's Trustees from time to time. The Fund Manager will provide the Portfolio Manager with a list of brokers and dealers which are "affiliated persons" of the Fund or its Portfolio Managers.

6. PROXIES. The Fund will vote or direct the voting of all proxies solicited by or with respect to the issuers of securities in which assets of the Portfolio Manager Account may be invested in accordance with authorization provided by the Fund Manager from time to time.

7. FEES FOR SERVICES. The compensation of the Portfolio Manager for its services under this Agreement shall be calculated and paid by the Fund Manager in accordance with the attached Schedule C. Pursuant to the Fund Management Agreement between the Fund and the Fund Manager, the Fund Manager is solely responsible for the payment of fees to the Portfolio Manager from the fund management fees paid

24

to it by the Fund, and the Portfolio Manager agrees to seek payment of its fees solely from the Fund Manager.

8. OTHER INVESTMENT ACTIVITIES OF PORTFOLIO MANAGER. The Fund acknowledges that the Portfolio Manager or one or more of its affiliates has investment responsibilities, renders investment advice to and performs other investment advisory services for other individuals or entities ("Client Accounts"), and that the Portfolio Manager, its affiliates or any of its or their directors, members, officers, agents or employees may buy, sell or trade in any securities for its or their respective accounts ("Affiliated Accounts"). Subject to the provisions of paragraph 2 hereof, the Fund agrees that the Portfolio Manager or its affiliates may give advice or exercise investment responsibility and take such other action with respect to other Client Accounts and Affiliated Accounts which may differ from the advice given or the timing or nature of action taken with respect to the Portfolio Manager Account, provided that the Portfolio Manager acts in good faith, and provided further, that it is the Portfolio Manager's policy to allocate, within its reasonable discretion, investment opportunities to the Portfolio Manager Account over a period of time on a fair and equitable basis relative to the Client Accounts and the Affiliated Accounts, taking into account the cash position and the investment objectives and policies of the Fund and any specific investment restrictions applicable thereto. The Fund acknowledges that one or more Client Accounts and Affiliated Accounts may at any time hold, acquire, increase, decrease, dispose of or otherwise deal with positions in investments in which the Portfolio Manager Account may have an interest from time to time, whether in transactions which involve the Portfolio Manager Account or otherwise. The Portfolio Manager shall have no obligation to acquire for the Portfolio Manager Account a position in any investment which any Client Account or Affiliated Account may acquire, and the Fund shall have no first refusal, coinvestment or other rights in respect of any such investment, either for the Portfolio Manager Account or otherwise.

9. LIMITATION OF LIABILITY. The Portfolio Manager shall not be liable for any action taken, omitted or suffered to be taken by it in its reasonable judgment, in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement, or in accordance with (or in the absence of) specific directions or instructions from the Fund, provided, however, that such acts or omissions shall not have resulted from the Portfolio Manager's willful misfeasance, bad faith or gross negligence,

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

a violation of the standard of care established by and applicable to the Portfolio Manager in its actions under this Agreement or breach of its duty or of its obligations hereunder (provided, however, that the foregoing shall not be construed to protect the Portfolio Manager from liability in violation of Section 17 of the Act).

10. CONFIDENTIALITY. Subject to the duty of the Portfolio Manager and the Fund to comply with applicable law, including any demand of any regulatory or taxing authority having jurisdiction, the parties hereto shall treat as confidential all information pertaining to the Portfolio Manager Account and the actions of the Portfolio Manager and the Fund in respect thereof.

11. ASSIGNMENT. This Agreement shall terminate automatically in the event of its assignment, as that term is defined in Section 2(a)(4) of the Act. The Portfolio Manager shall notify the Fund in writing sufficiently in advance of any proposed change of control, as defined in Section 2(a)(9) of the Act, as will enable the Fund to consider whether an assignment as defined in Section 2(a)(4) of the Act will occur, and whether to take the steps necessary to enter into a new contract with the Portfolio Manager.

12. REPRESENTATIONS, WARRANTIES AND AGREEMENTS OF THE FUND. The Fund represents, warrants and agrees that:

A. The Portfolio Manager has been duly appointed to provide investment services to the Portfolio Manager Account as contemplated hereby.

25

B. The Fund has delivered to the Portfolio Manager such instructions governing the investment of the Portfolio Manager Account as are necessary for the Portfolio Manager to carry out its obligations under this Agreement.

C. Upon certification by the Portfolio Manager that it has adopted a written code of ethics and procedures reasonably necessary to prevent access persons, as defined by said code of ethics, from violating the anti-fraud provisions of Rule 17j-1 under the Act, the Fund will not unreasonably withhold its approval of the code of ethics adopted by the Portfolio Manager provided that the Portfolio Manager certifies to the Fund that in all other material respects the Portfolio Manager's code of ethics complies with Rule 17j-1.

13. REPRESENTATIONS, WARRANTIES AND AGREEMENTS OF THE PORTFOLIO MANAGER. The Portfolio Manager represents, warrants and agrees that:

A. It is registered as an "Investment Adviser" under the Investment Advisers Act of 1940 ("Advisers Act").

B. It will maintain, keep current and preserve on behalf of the Fund, in the manner required or permitted by the Act and the Rules thereunder, the records identified in Schedule B (as Schedule B may be amended from time to time by the Fund Manager). The Portfolio Manager agrees that such records are the property of the Fund, and will be surrendered to the Fund promptly upon request.

C. It will adopt and maintain a written code of ethics complying with the requirements of Rule 17j-1 and submit same and any amendments thereto promptly to the Fund, but not less often than annually. The Portfolio

Manager agrees that it will notify the Fund within 15 days of adopting material changes to its code of ethics. While this Agreement is in effect, an officer or general partner of the Portfolio Manager shall certify annually to the Fund that the Portfolio Manager has complied with the requirements of Rule 17j-1 during the previous year and has procedures reasonably necessary to prevent access persons from violating the Portfolio Manager's code of ethics. On an annual basis, the Portfolio Manager shall provide a written report to the Fund describing any issues arising under its code of ethics or procedures since the last report was so submitted, including information about material violations of the code or procedures and any action taken in response to such violations. Upon the written request of the Fund, the Portfolio Manager shall permit the Fund to examine the reports required to be maintained by the Portfolio Manager under Rule 17j-1(c)(1).

D. Upon request, the Portfolio Manager will promptly supply the Fund with any information concerning the Portfolio Manager and its stockholders, employees and affiliates which the Fund may reasonably require in connection with the preparation of its Registration Statement or amendments thereto, proxy material, reports and other documents required to be filed under the Act, the Securities Act of 1933, or other applicable securities laws.

14. AMENDMENT. This Agreement may be amended at any time, but (except for Schedules A and B which may be amended by the Fund Manager acting alone) only by written agreement among the Portfolio Manager, the Fund Manager and the Fund, which amendment, other than amendments to Schedules A and B, is subject to the approval of the Board of Trustees and the Shareholders of the Fund as and to the extent required by the Act.

26

15. EFFECTIVE DATE; TERM. This Agreement shall continue in effect until November 1, 2002 and shall continue in effect thereafter provided such continuance is specifically approved at least annually by (i) the Fund's Board of Trustees or (ii) a vote of a "majority" (as defined in the Act) of the Fund's outstanding voting securities, provided that in either event such continuance is also approved by a majority of the Board of Trustees who are not "interested persons" (as defined in the Act) of any party to this Agreement, by vote cast in person at a meeting called for the purpose of voting on such approval. The aforesaid requirement that continuance of this Agreement be "specifically approved at least annually" shall be construed in a manner consistent with the Act and the Rules and Regulations thereunder.

16. TERMINATION. This Agreement may be terminated by any party, without penalty, immediately upon written notice to the other parties in the event of a breach of any provision thereof by a party so notified, or otherwise upon not less than thirty (30) days' written notice to the Portfolio Manager in the case of termination by the Fund or the Fund Manager, or ninety (90) days' written notice to the Fund and the Fund Manager in the case of termination by the Portfolio Manager, but any such termination shall not affect the status, obligations or liabilities of any party hereto to the other parties.

17. APPLICABLE LAW. To the extent that state law is not preempted by the provisions of any law of the United States heretofore or hereafter enacted, as the same may be amended from time to time, this Agreement shall be administered, construed and enforced according to the laws of the Commonwealth of Massachusetts.

18. SEVERABILITY.
