PART I

EXPLANATORY NOTE

Ocean Bio-Chem, Inc. ("we," "us" or the "Company") has prepared this Registration Statement in accordance with the requirements of Form S-8 under the Securities Act of 1933, as amended (the "Act"), to register shares of Common Stock, \$.01 par value, of the Company issued to employees of the Company pursuant to the Company's 1994 Incentive Stock Option Plan (the "Plan").

This Registration Statement contains two parts. The first part contains a reoffer Prospectus prepared in accordance with the requirements of Part I of Form S-3 pursuant to Section C of the General Instructions to Form S-8. The reoffer Prospectus may be used for reofferings and resales on a continuous or delayed basis in the future of "control securities" which have been or may be issued pursuant to the Plan to employees of the Company who may be considered affiliates as defined by Rule 405 under the Act.

The second part contains "Information Required in the Registration Statement" pursuant to Part II of Form S-8. Pursuant to the Note to Part I of Form S-8, the information relating to the Plan specified by Part I is not filed with the Securities and Exchange Commission (the "Commission"), but documents containing such information have been or will be sent or given to employees and directors as specified by Rule 428(b)(1). Such document(s) are not being filed with the Commission but constitute (along with the documents incorporated by reference into the Registration Statement pursuant to Item 3 of Part II hereof) a Prospectus that meets the requirements of Section 10(a) of the Act.

The Company is a "small business issuer" as defined in Regulation S-B, and the disclosures made herein comply with the requirements of Regulation S-B.

PROSPECTUS

Ocean Bio-Chem, Inc.

159,500 Shares
Common Stock
(\$.01 par value)

Certain of our stockholders are using this Prospectus to offer up to 159,500 shares of our Common Stock, \$.01 par value (the "Shares") that they received from us pursuant to the Ocean Bio-Chem, Inc. 1994 Incentive Stock Option Plan (collectively, the "Plan"). Some of these stockholders may be considered our "affiliates," as defined in Rule 405 under the Securities Act of

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

1933, as amended.

We expect that sales made pursuant to this Prospectus will be made:

- in broker's transactions;
- in transactions directly with market makers; or
- in negotiated sales or otherwise.

The selling stockholders will determine when they will sell their Shares, and in all cases they will sell their Shares at the current market price or at prices negotiated at the time of the sale. We will not receive any proceeds from these sales, although we have received cash from the sale of the Shares to selling shareholders who exercised options received under the Plans to acquire the Shares. All expenses incurred in connection with the preparation and filing of this Prospectus and related Registration Statement are being borne by us.

The brokers and dealers the selling stockholders utilize in selling these Shares may receive compensation in the form of underwriting discounts, concessions, or commissions from the sellers or purchasers of the Shares. Any compensation may exceed customary commissions. The selling stockholders and the brokers and dealers they utilize may be deemed to be "underwriters" within the meaning of the securities laws, and any commissions received and any profits realized by them on the sale of Shares may be considered to be underwriting compensation.

The Shares are listed on the NASDAQ under the symbol "OCBI." The last reported sale price of the Shares as reported on NASDAQ was \$1.35 per share on August 1, 2005.

INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE

The following documents filed by us with the Securities and Exchange Commission (the "Commission") are incorporated herein by reference as of their respective dates of filing and shall be deemed to be a part hereof:

1. Our Annual Report on Form 10-K for the year ended December 31, 2004;
2. Our Proxy Statement for the Annual Meeting of Shareholders held on June 01, 2005.
3. Our quarterly reports on Form 10-Q for the quarters ended March 31, and June 30, 2005.
4. The description of our Common Stock contained in our Registration Statement on Form S-18 filed on March 26, 1981, including any amendments or reports filed for the purpose of updating that description.

4

5. All documents filed by us pursuant to Section 13(a), 13(c), 14, or 15(d) of the Securities Exchange Act of 1934, as amended (the "1934 Act") subsequent to the date of this Prospectus and before the termination of this offering shall be deemed to be incorporated by reference and a part of this Prospectus from the date on which such documents are filed.

For purposes of this Prospectus, any statement in a document incorporated or deemed incorporated by reference is modified or superseded to the extent that a statement in this Prospectus, or in any subsequently filed document which is or is deemed to be incorporated by reference, modifies or supersedes it. Any statement so modified or superseded is not, except as so modified or superseded, to constitute a part of this Prospectus.

RISK FACTORS

Before you invest in our Common Stock, you should consider carefully the following risk factors and cautionary statements, as well as other information set forth in and incorporated by reference into this prospectus. If any of the following risks actually occur, our business, financial condition or results of operation may suffer. As a result, the trading price of our Common Stock could decline, and you could lose a substantial portion of the money you paid to buy our Common Stock. The risks and uncertainties we describe below are not the only ones we face. Additional risks and uncertainties that we do not currently know or that we currently believe to be immaterial may also adversely affect our business.

1. We are engaged in a very competitive business. We have several national and regional competitors in the marine market place. The competition is based on brand recognition, price, service and the ability to deliver products on a timely basis.
2. There are many entities in the automotive market place, both national

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

and regional which compete with us. Many of these competitors are more established and have greater financial resources. We must compete on the basis of brand recognition, price, service and the ability to deliver products on a timely basis with larger and financially stronger competitors.

3. We also have competitors in the recreational vehicle appearance and maintenance market. Our competitors are national and regional and we must compete in a similar manner as our competition the marine market.

4. Our five largest customers represented approximately 55% of consolidated gross revenues for the years ended December 31, 2004 and 2003; and 77% and 76% of consolidated accounts receivable at December 31, 2004 and 2003, respectively. We have had a longstanding relationship with each of these entities and have always collected open receivable balances. However, the loss of any of these customers could have an adverse impact on our operations.

5. Certain aspects of the company business, primarily in the marine industry are greatly influenced by the economy and the weather. A bad economy directly impacts our sales to the recreational boating public and cold or other inclement weather either delays the start or shortens the length of the boating season and has an adverse impact on our sales.

6. We depend on the delivery of quality products on a timely basis on both our own manufactured capacity as well as our third party suppliers. If our manufacturing facilities or any of our suppliers' facilities are unable to timely meet demand, the company's sales and reputation would be damaged.

7. As manufacturers of products, we are exposed to products liability claims and lawsuits.

8. We depend upon the continued services of a small number of executives, and the loss of any of those executives could create a void in management that we are unable to fill with a person having appropriate expertise and experience with our business.

OUR COMPANY

We were organized on November 13, 1973 under the laws of the state of Florida. We are principally engaged in the manufacturing, marketing and distribution of a broad line of appearance and maintenance products for boats, recreational vehicles, automotive and aircraft under the "Star brite" name within the United States of America and Canada. Item 6. Indemnification of Directors and Officers.

FLORIDA BUSINESS CORPORATION ACT. Section 607.0831 of the Florida Business Corporation Act (the "Florida Act") provides that a director is not personally liable for monetary damages to the corporation or any person for any statement, vote, decision or failure to act regarding corporate management or policy, by a director, unless: (a) the director breached or failed to perform his duties as a director; and (b) the director's breach of, or failure to perform, those duties constitutes: (i) a violation of criminal law unless the director had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful; (ii) a transaction from which the director derived an improper personal benefit, either directly or indirectly; (iii) a circumstance under which the director is liable for an improper distribution; (iv) in a proceeding by or in the right of the corporation to procure a judgment in its favor or by or in the right of a shareholder, conscious disregard for the best interests of the corporation, or willful misconduct; or (v) in a proceeding by or in the right of someone other than the corporation or a shareholder, recklessness or an act or omission which was committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety or property.

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

Section 607.0850 of the Florida Act provides that a corporation shall have the power to indemnify any person who was or is a party to any proceeding (other than an action by, or in the right of, the corporation), by reason of the fact that he is or was a director, officer or employee or agent of the corporation against liability incurred in connection with such proceeding if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 607.0850 also provides that a corporation shall have the power to indemnify any person who was or is a party to any proceeding by, or in the right of, the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, against expenses and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof.

Section 607.0850 further provides that such indemnification may be authorized if such person acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification shall be made under this provision in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, shall determine upon application that, despite the adjudication of liability, but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper. Section 607.0850 further provides that to the extent that a director, officer, employee or agent has been successful on the merits or otherwise in defense of any of the foregoing proceedings, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith. Under Section 607.0850, any indemnification under the foregoing provisions, unless pursuant to a determination by a court, shall be made by the corporation only as authorized in the specific case upon a determination that the indemnification of the director, officer, employee or agent is proper under the circumstances because he has met the applicable standard of conduct. In addition to the foregoing, Section 607.0850 permits a corporation further to indemnify such persons by other means unless a judgment or other final adjudication establishes that such person's actions or omissions which were material to the cause of action constitute (1) a crime (unless such person had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe it unlawful), (2) a transaction from which he derived an improper personal benefit, (3) a transaction in violation of Florida Statutes 607.0834 (unlawful distributions to shareholders), or (4) willful misconduct or conscious disregard for the best interests of the corporation in a proceeding by or in the right of the corporation to procure a judgment in its favor or in a proceeding by or in the right of a shareholder. Notwithstanding the failure of a corporation to provide indemnification, and despite any contrary determination by the corporation in a specific case, a director, officer, employee or agent of the corporation who is or was a party to a proceeding may apply for indemnification to the appropriate court and such court may order indemnification if it determines that such person is entitled to indemnification under the applicable standard.

Section 607.0850 also provides that a corporation shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of Section 607.0850.

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

BY-LAWS. The Registrant's by-laws provide that it shall indemnify its officers and directors and former officers and directors to the full extent permitted by law.

DIRECTOR AND OFFICER LIABILITY INSURANCE. The Registrant's directors and officers are covered by insurance policies indemnifying them against certain liabilities, including liabilities under the federal securities laws (other than liability under Section 16(b) of the Exchange Act), which might be incurred by them in such capacities.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

4(a) Ocean Bio-Chem, Inc. 1994 Incentive Stock Option Plan incorporated by reference to Form S-8 filed by the Ocean Bio-Chem, Inc. on February 02, 2004.

23(a) Consent of Levi Cahlin & Co.

23(b) Consent of Berkovits, Lago and Company, LLP.

Item 9. Undertakings.

The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any Prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act").

(ii) To reflect in the Prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement.

(iii) To include any additional or changed material information with respect to the plan of distribution not previously disclosed in the Registration Statement;

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of this offering.

Edgar Filing: OCEAN BIO CHEM INC - Form S-8

4. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
