PROXY STATEMENT
FOR 2004 ANNUAL MEETING OF STOCKHOLDERS

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

WHY AM I RECEIVING THESE MATERIALS?

We are sending you this proxy statement and the enclosed proxy card because the board of directors of IEC Electronics Corp. ("IEC", the "Company", "we", "our", "us"). is soliciting your proxy to vote at the 2004 Annual Meeting of Stockholders. We invite you to attend the annual meeting and request that you vote on the proposal described in this proxy statement. The meeting will be held on Wednesday, January 21, 2004 at 9 a.m. local time at our office, 105 Norton Street, Newark, New York. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, date, sign and return the enclosed proxy card.

We are mailing this proxy statement, the accompanying proxy card, and our Annual Report to Stockholders for the fiscal year ending September 30, 2003 ("Fiscal 2003") on or about January 2, 2004 to all stockholders of record entitled to vote at the annual meeting.

WHO CAN VOTE AT THE ANNUAL MEETING?

Only stockholders of record at the close of business on December 24, 2003 will be entitled to vote at the annual meeting. On this record date, there were approximately 8,056,960 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on December 24, 2003, your shares were registered directly in your name with our transfer agent, Mellon Investor Services, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on December 24, 2003, your shares were held in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

WHAT AM I VOTING ON?

There is one matter scheduled for a vote: the election of seven directors to serve until the 2005 Annual Meeting of Stockholders. Our board of directors does not intend to bring any other matters before the meeting and is not aware of anyone else who will submit any other matters to be voted on.. However, if any other matters properly come before the meeting, the people named on the proxy card, or their substitutes, will be authorized to vote on those matters in their own judgment.

HOW DO I VOTE?

You may either vote "For" all the nominees to the board of directors or you may abstain from voting for any nominee you specify. The procedures for voting are set forth below:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the annual meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

Page 3 of 24

- * To vote in person, come to the annual meeting and we will give you a ballot when you arrive.
- * To vote using the proxy card, simply complete, date and sign the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is counted. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

proxy form.

HOW MANY VOTES DO I HAVE?

On each matter to be voted upon, you have one vote for each share of common stock you owned as of December 24, 2003.

WHAT IF I RETURN A PROXY CARD BUT DO NOT MAKE SPECIFIC CHOICES?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted "For" the election of the seven nominees for director. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his best judgment.

WHO IS PAYING FOR THIS PROXY SOLICITATION?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. We will not pay our directors and employees any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, date, sign and return each proxy card to ensure that all of your shares are voted.

CAN I CHANGE MY VOTE AFTER SUBMITTING MY PROXY?

Yes. You can revoke your proxy at any time before the final vote at the meeting. You may revoke your proxy in any one of three ways:

- * You may submit another properly completed proxy card with a later date.
- * You may send a written notice that you are revoking your proxy to Secretary, IEC Electronics Corp., 105 Norton Street, Newark, NY 14513.
- * You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

HOW ARE THESE VOTES COUNTED?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count "For" and "Withheld" votes, abstentions and broker non-votes. "Broker non-votes" occur when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner (despite voting on at least one other proposal for which it does have discretionary authority or for which it has received instructions). Abstentions will have no effect on the election of directors. Abstentions or broker non-votes will not be counted for or against any other matter that may be acted on at the meeting.

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

HOW MANY VOTES ARE NEEDED TO APPROVE PROPOSAL NO. 1?

To be approved, Proposal No. 1, the election of directors, the seven nominees receiving the most "For" votes (among votes properly cast in person or by proxy) will be elected. Abstentions and broker non-votes will have no effect.

Page 4 of 24

WHAT IS THE QUORUM REQUIREMENT?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares entitled to vote are represented at the meeting or by proxy. On the record date, there were approximately 8,056,960 shares outstanding and entitled to vote.

Your shares will be counted towards the quorum only if you submit a valid proxy vote or vote at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

HOW CAN I FIND OUT THE RESULTS OF THE VOTING AT THE ANNUAL MEETING?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the second quarter ending March 26, 2004.

WHEN ARE STOCKHOLDER PROPOSALS DUE FOR NEXT YEAR'S ANNUAL MEETING?

At our annual meeting each year, our board of directors submits to stockholders its nominees for election as directors. In addition, the board of directors may submit other matters to the stockholders for action at the annual meeting.

Our stockholders also may submit proposals for inclusion in the proxy material. These proposals must meet the stockholder eligibility and other requirements of the Securities and Exchange Commission. ELECTION OF DIRECTORS

(Proposal 1)

The number of directors is established by the board and is currently set at seven. At this annual meeting, seven persons will be nominated as directors. All the nominees for director are incumbent directors and were elected at the last annual meeting.

Nominations of persons for election to our board may be made at a meeting of stockholders only (i) by or at the direction of the board or (ii) by any stockholder who has complied with the notice procedures set forth in our bylaws. Stockholders who wish to communicate with the board concerning potential director candidates may do so by corresponding with our Secretary as set forth in the section entitled "Questions and Answers About This Proxy Material and Voting - When are stockholder proposals due for next year's annual meeting?"

It is intended that the accompanying proxy will be voted in favor of the persons listed below to serve as directors unless the stockholder indicates to the contrary on the proxy. All nominees have consented to serve if elected. We expect that each of the nominees will be available for election, but if any of them is not a candidate at the time the election occurs, it is intended that such proxy will be voted for the election of another nominee to be designated by the board to fill any such vacancy.

For the election of directors, only proxies and ballots marked "FOR all nominees", "WITHHELD for all nominees" or specifying that votes be withheld for one or more designated nominees are counted to determine the total number of votes cast; votes that are withheld are excluded entirely from the vote and will have no effect. Abstentions will have no effect on the vote for the election of directors. Directors are elected by a plurality of the votes cast. This means that the seven nominees will be elected if they receive more affirmative votes than any other nominees.

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

The term of office of each person elected as a director will continue until the next annual meeting or until his successor has been elected and qualified, or until the director's death, resignation or removal.

Information Regarding the Board and its Committees

During Fiscal 2003, our board held two in-person regular meetings and five telephonic meetings, and acted by unanimous written consent four times.

During Fiscal 2003, each director, except Mr. Kidd, attended more than 75% of the meetings of the board and the committees upon which such director served. Mr. Kidd attended 64% of such meetings

Our board has an audit committee, a compensation committee, a corporate governance committee and an executive committee. We have no standing nominating committee; its functions are the responsibility of the corporate governance committee.

The audit committee oversees our corporate accounting and financial reporting processes. On August 18, 2003, the audit committee approved and recommended for adoption by the board an Amended and Restated Charter, containing certain amendments and clarifications it deemed advisable in light of current and proposed changes to applicable regulations of the Securities and Exchange Commission. The Amended and Restated Charter, attached as Appendix A hereto, was approved by the full board of directors on August 19, 2003. Pursuant to the Amended and Restated Charter, the audit committee is responsible for the appointment, dismissal, compensation and oversight of our independent auditors, including the engagement of our auditors for the next fiscal year, the review with the independent auditors and approval of the plan of the auditing engagement, the review with the independent auditors of the results of their audit, the review of the scope and results of the evaluation of our procedures for internal auditing, the inquiry as to the adequacy of our internal accounting controls and our disclosure controls and procedures, the approval of audit and non-audit services to be provided to us by the independent auditors, and overseeing compliance matters for us. The audit committee also reviews with financial management and the independent auditors our annual report on Form 10-K and the interim financial statements prior to the filing of our quarterly reports on Form 10-Q. The audit committee also monitors compliance with our Code of Conduct, our conflict of interest policy and our policy concerning trading in our securities. The minutes of audit committee meetings, as well as all of the recommendations of the audit committee, are submitted to the full board. In Fiscal 2003, the audit committee, whose current members are Messrs. Rowe (Chairman), Kidd and Beaubien, held four meetings and acted by unanimous written consent three times. The board of directors has determined that in its judgment each member of the audit committee meets the applicable laws and regulations regarding "independence" and that Mr. Rowe qualifies as an audit committee financial expert in accordance with the applicable rules and regulations of the SEC.

The compensation committee reviews and approves our compensation philosophy covering executive officers and other key management employees, reviews the competitiveness of our total compensation practices, reviews and approves the terms and conditions of proposed incentive plans applicable to executive officers and other key employees, approves and administers our stock option plans, reviews and makes recommendations with respect to management compensation, including salaries and bonus awards, examines the impact and effect of various benefits and incentive plans and reviews and recommends

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

changes or amendments to such programs to the board, and reviews and approves hiring and severance arrangements with executive officers. In Fiscal 2003, the compensation committee held several informal meetings and acted by unanimous written consent three times. The members of the compensation committee are Messrs. Beaubien (Chairman), O'Flanagan and Rowe.

Page 8 of 24

The corporate governance committee reviews and makes recommendations to the board regarding board size, composition, compensation and structure and the compensation and duties of board committees, develops policies relating to the recruitment of directors and performs the functions of a nominating committee, ensures that mechanisms exist for the evaluation of the Chief Executive Officer and for a self-evaluation of the board's effectiveness, and receives periodically from the Chief Executive Officer recommendations relating to the development of executive talent, management succession and our executive management needs. In Fiscal 2003, the corporate governance committee did not meet; its functions were handled by the full board. Members of the corporate governance committee are Messrs. Moulton (Chairman), O'Flanagan and Vigdor.

The executive committee exercises the powers of the board in the interval between regular meetings of the full board. In Fiscal 2003, the executive committee, whose current members are Messrs. Gilbert, Moulton and Rowe, held several informal telephonic meetings.

Compensation of Directors

Each of our non-employee directors receives an annual retainer of \$8,000, payable in four equal quarterly installments. In addition, each non-employee director is paid \$1,000 for each in-person meeting of the board attended. Directors are also reimbursed for their expenses in attending board meetings. No fees are paid to non-employee directors for telephonic board meetings or for attendance at committee meetings. The chairmen of the audit and compensation committees each receive an additional \$750 per quarter. Employee directors are not compensated for their service on the board or on committees of the board. For the last three quarters of Fiscal 2003 the non-employee directors received an aggregate of \$44,000, which was paid in both cash and shares of common stock. No fees were paid to the non-employee directors for the first quarter of Fiscal 2003. The fees for that quarter together with the fees for Fiscal 2002, which had not previously been paid to the non-employee directors, were deferred by the directors and are evidenced by our promissory notes dated in December 2002. These deferred fees are payable in twenty-four equal monthly installments, which commenced in January 17, 2003. In Fiscal 2003, the non-employee directors received an aggregate of \$31,570 pursuant to this payment arrangement.

Non-employee directors may also receive consulting fees for special projects requested by management or by the board. No such fees were paid to the non-employee directors in Fiscal 2003. In addition, pursuant to a resolution adopted by the board on October 31, 2000, if a non-employee director retires from the board after having served at least five years as a director, such director is entitled to receive the equivalent of one year's annual retainer fee (\$8,000) in the form of shares of common stock. No director retired in Fiscal 2003.

Our 2001 Stock Option and Incentive Plan (the "2001 Plan"), which was approved by the stockholders at the 2002 annual meeting, authorizes the granting of non-statutory stock options to the non-employee directors in such amounts and at such times as may be determined by the board of directors. Pursuant to the 2001 Plan, a non-statutory stock option ("NSO") for 5,000 shares was granted to each of the non-employee directors on March 12, 2003 at an exercise price of \$0.20 per share (the fair market value of our shares on the date of grant). Said

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

NSOs vest in three equal installments on September 12, 2003, March 12, 2004 and March 12, 2005, respectively, and terminate on March 11, 2008.

All of our directors, except Mr. Gilbert, are non-employee directors.

OPTION GRANTS IN FISCAL 2003

Name	Individual Grants			
	Number of Securities Underlying Options Granted (#)	Percent of Total Options Granted to Employees in Fiscal 2003 (2)	Exercise or Base Price (\$/Share) (3)	Expiration Date (4)
W. Barry Gilbert	275,000	44.847%	\$0.95	3/31/09
	100,000	16.308%	\$0.09	1/09/08

Brian H. Davis	40,000	6.523%	\$0.21	3/16/10

(1) The potential realizable value portion of the foregoing table illustrates value that might be realized upon exercise of the options immediately prior to the expiration of their term, assuming the specified compounded rates of appreciation on our shares over the term of the options. This hypothetical value is based entirely on assumed annual growth rates of 5% and 10% in the value of our stock price over the term of the options granted in Fiscal 2003. The assumed rates of growth were selected by the Securities and Exchange Commission for illustration purposes only, and are not intended to predict future stock prices, which will depend upon market conditions and the our future performance and prospects. These numbers do not take into account provisions of certain options providing for termination of the option following termination of employment, nontransferability or vesting over various periods.

(2) Percentage indicated is based upon a total of 613,000 options granted to employees, including the Named Executive Officers.

(3) The option exercise price per share is 100% of the fair market value of our shares on the date of grant and may be paid in our shares which are owned by the executive officer, in cash, or by a combination of these methods.

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

(4) Mr. Gilbert's option for 275,000 shares becomes vested and exercisable in five equal installments at such times as the closing price of the shares equals or exceeds \$1.50, \$2.00, \$3.00, \$4.00 and \$5.00 per share for 30 consecutive days respectively, between August 12, 2003 and August 12, 2006. If the closing price does not reach the specified performance targets prior to August 12, 2006, the option will become fully vested and exercisable after September 30, 2008 and maybe exercised from October 1, 2008 until March 31, 2009, at which time it expires. In addition, no portion of the option will vest unless Mr. Gilbert is our Chief Executive Officer at the time of the vesting of such portion. At September 30, 2003, no portion of the option had vested.

Mr. Gilbert's option for 100,000 shares vests in two equal installments on January 10, 2003 and January 10, 2004.

Mr. Anderson's options for 60,000 shares vests in three equal installments on August 12, 2004, August 12, 2005 and August 12, 2006.

Mr. Davis' options for 40,000 shares vests in four equal installments on March 17, 2003, March 17, 2004, March 17, 2005 and March 17, 2006.

Bill R. Anderson	0	0	115,000	115,000
Brian H. Davis	0	0	10,000	30,000

(1) The closing price for our shares as reported in the Over the Counter Bulletin Board on September 30, 2003 was \$1.10. Value is calculated on the basis of the difference between the option price and \$1.10 multiplied by the number of shares underlying the option. An option is in-the-money if the market value of the shares subject to the option exceeds the option price.

Employment, Severance and Change in Control Arrangements

On March 17, 2003, we entered into a letter agreement with Brian H. Davis to serve as our Chief Financial Officer and Controller. We agreed to compensate him at an annual salary of \$115,000 and he will receive a hiring bonus of \$30,000 payable after January 1, 2004. Further, we agreed to grant to Mr. Davis an option to purchase 40,000 shares of our common stock vesting in four equal annual installments, with the first installment vesting on the date of grant (March 17, 2003). The exercise price was \$0.21 per share, the fair market value of our shares on the date of grant. In the event we terminate Mr. Davis without cause, Mr. Davis will receive his base salary and health benefits for a period of six months.

Our 2001 Stock Option and Incentive Plan provides that upon a change in control, unless the board otherwise determines, all outstanding options will immediately become fully vested and exercisable.

Certain Transactions

On June 6, 2002, Thomas W. Lovelock resigned as President, Chief Executive Officer and as a director. Pursuant to the terms of a Severance Agreement dated June 6, 2002 between Mr. Lovelock and us, as modified by a supplemental agreement dated December 6, 2002, we paid Mr. Lovelock his salary and benefits through August 20, 2002, the expiration date of his employment agreement, and agreed to pay him an aggregate amount equal to six months of his base salary, said amount to be paid in installments, with the final installment to be paid on September 27, 2003. Of said amount, \$20,769 was paid in Fiscal 2002 and \$140,192 was paid in Fiscal 2003. No further payments are owing to Mr. Lovelock. In addition, we continued to provide Mr. Lovelock with health insurance coverage through October 1, 2003 (Mr. Lovelock paid the standard "employee" portion of the premium effective May 1, 2003) and with life and accident, death and disability insurance through March 31, 2003. Certain obligations in Mr. Lovelock's prior employment agreement relating to confidentiality remain in effect in accordance with their terms, but we released Mr. Lovelock from the non-competition provisions contained in his employment agreement.

As part of the new financing arrangements we entered into on January 14,

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

2003, our lenders required that our directors provide us with a cash infusion aggregating \$100,000. Three of our directors (Messrs. Moulton, Rowe and Vigdor) purchased from us an aggregate of 249,999 shares of our common stock for an aggregate consideration of \$50,000 or \$0.20 per share. The closing price of our shares in the Over-the-Counter Bulletin Board on January 14, 2003, the date of purchase, was \$0.10 per share. Three of our directors (Messrs. Gilbert, Beaubien and Kidd) loaned us an aggregate of \$50,000. The loans were evidenced by our subordinated promissory notes bearing interest at the rate of 7% per annum and with principal to be repaid upon the sale of our plant located in Edinburg, Texas. When the Texas facility was sold on February 28, 2003, the loans were repaid. An aggregate of \$437 was paid in interest.

Justin L. Vigdor, a director and our Assistant Secretary, is senior counsel to Boylan, Brown, Code, Vigdor & Wilson, LLP, and Martin S. Weingarten, our Corporate Secretary, is of counsel to that firm, which provided legal services to us in Fiscal 2003.

We have entered into indemnity agreements with certain officers and directors which provide, among other things, that we will indemnify such officer or director, under the circumstances and to the extent provided for in those agreements, for expenses, damages, judgments, fines and settlements he may be required to pay in actions or proceedings which he is or may be made a party by reason of his position as one of our directors, officers or other agents, and otherwise to the fullest extent permitted under Delaware law and our bylaws.

Any transactions we enter into with our officers, directors, affiliates or controlling stockholders will be on terms no less favorable than could be obtained from unaffiliated third parties, and must be approved by a majority of our directors, including a majority of our independent disinterested directors.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD
OF DIRECTORS ON EXECUTIVE COMPENSATION

The compensation committee is comprised of three non-employee directors of our board, Messrs. Beaubien, Rowe and O'Flanagan. Mr. O'Flanagan became a member of the committee in March 2003. The committee is responsible for setting and administering policies governing compensation of executive officers.

The goals of our compensation policy are (i) to support the attainment of our long and short-term strategic and financial objectives; (ii) to provide a competitive total compensation program that enables us to attract, motivate and retain the key executives needed to accomplish our goals; (iii) to provide variable compensation opportunities that are directly related to our performance; (iv) to align executive compensation with growth in stockholder value; and (v) to recognize and reward executives for their contributions and commitment to our growth and profitability. We believe this policy is generally best accomplished by providing a competitive total compensation package, a significant portion of which is variable and at risk and related to established performance goals.

To assist us in developing and maintaining a competitive level of compensation, in Fiscal 2003 we utilized the services of an independent compensation consultant who provided us with an analysis of compensation information for companies similar in size and in our industry.

Our compensation program for executive officers is comprised of the following key elements: base salary, annual cash incentives and equity based incentives. Salary and annual incentive payments are mainly designed to reward current and past performances. Equity based incentives are primarily designed to provide strong incentives for long-term future performance. The components of the compensation program for executives are described below.

Base Salary

Base salaries and increases for executive officers, other than for the Chief Executive Officer, are determined by the Chief Executive Officer within the guidelines established by the committee and are based upon the officer's current performance, experience, the scope and complexity of his position and the external competitive marketplace for comparable positions at peer companies. Base salaries are normally reviewed annually. In structuring the compensation package, it has been our policy to emphasize bonuses based upon our performance rather than increases in base salary. Accordingly, the base salaries of the executive officers generally remain below the market median. As a result of our economic and financial difficulties in Fiscal 2002 and in order to restore our financial stability and economic viability, it was necessary for us to reduce our costs, including, among other things, our payroll and compensation. Accordingly, in Fiscal 2002, the salaries of all employees, including executive officers, were reduced by 10%. Such salary reductions continued through all of Fiscal 2003.

Annual Incentive

Recognizing that no salary adjustments were made in Fiscal 2003 and believing that we had achieved a turnaround by the end of Fiscal 2003 so that we were able to generate net income of \$2.6 million as compared to a net loss of (\$11.0) million in Fiscal 2002, the committee considered it appropriate to

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

reward those officers and employees who were key to this achievement. We established a bonus pool of \$196,500 which was distributed among 179 employees. The bonuses for the Named Executive Officers are set forth in the Summary Compensation Table.

Equity Based Incentives

The committee strongly believes that equity ownership by executive officers provides incentives to build stockholder value and align the interests of executive officers with the stockholders. Executive officers and other key employees receive grants of stock options pursuant to our 2001 Stock Option and Incentive Plan. Stock option grants are discretionary and reflect the current performance and continuing contribution of the individual to our success. The committee is responsible for determining, subject to the terms of the Plan, the individuals to whom grants should be made, the time of grants and the number of shares subject to each option. Stock options are granted with an exercise price equal to the fair market value of our shares on the day of grant. Any value received by the executive from an option grant depends completely upon increases in the price of our shares. Consequently, the full value of an executive's compensation package cannot be realized unless an appreciation in the price of the shares occurs over a period of years.

There is no established grant cycle for executive officers; rather, grants are made on an intermittent basis reflecting a discretionary assessment of future contributions to our longer term growth and the need to provide a competitive retention incentive. For the fiscal year ending September 30, 2003, stock grants were made to the Named Executive Officers listed in the Summary Compensation Table and to most other employees.

Page 14 of 24

Chief Executive Officer Compensation

Effective upon Mr. Gilbert's appointment as Acting Chief Executive Officer on June 6, 2002, the board established his salary at the rate of \$2,500 per week. In accordance with the salary reductions effective for all employees as of July 12, 2002, Mr. Gilbert's salary was likewise reduced to \$2278.89 per week (or \$118,501 on an annual basis). There was no change in Mr. Gilbert's base salary in Fiscal 2003. Based upon the report from our outside compensation consultant, Mr. Gilbert's salary is 43.4% less than the market median.

In Fiscal 2003, Mr. Gilbert received two bonuses aggregating \$57,500. In January 2003, the board awarded Mr. Gilbert a special bonus in the amount of \$30,000 and at the end of the fiscal year, at the same time bonuses were awarded to other officers and employees, he received a bonus in the amount of \$27,500. When Mr. Gilbert's bonuses are added to his salary, his aggregate cash compensation (\$176,001) is approximately 56% below the market median for total cash compensation.

We granted two stock options to Mr. Gilbert in Fiscal 2003. We issued these options to Mr. Gilbert after a determination by our board that such options were appropriate and advisable in order to retain his services and in view of the fact that his salary is significantly below the mid-point of comparable data. The vesting and exercisability of one of his stock options (275,000 shares) is tied directly to the performance of our stock. For a description of his stock options, see "EXECUTIVE OFFICER COMPENSATION - Options and Stock Appreciation Rights."

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

Mr. Gilbert receives no extra remuneration as a director or as chairman of the board.

Tax Considerations

Section 162(m) of the Internal Revenue Code generally limits the corporate tax deduction for compensation paid to the Named Executive Officers to \$1,000,000 each. However, compensation is exempt from this limit if it qualifies as "performance based compensation." The committee has carefully considered the impact of this tax code provision and our normal practice is to take such action as is necessary to preserve our tax deduction. Our 2001 Stock Option and Incentive Plan complies with the provisions of Section 162(m). Accordingly, any gains realized upon the exercise of stock options granted under the Plan will qualify as "performance-based compensation" and will be fully deductible by us. We believe that all of our compensation expense for Fiscal 2003 will be deductible for federal income tax purposes.

Although we will continue to consider deductibility under Section 162(m) with respect to future compensation arrangements with executive officers, deductibility will not be the sole factor used in determining appropriate levels or methods of compensation. Since our objectives may not always be consistent with the requirements for full deductibility, we may enter into compensation arrangements under which payments are not deductible under Section 162(m). It is not expected that the compensation of any executive officer will exceed \$1,000,000 in Fiscal 2004.

The information contained in the above Compensation Committee Report shall not be deemed "soliciting material" or "filed" with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into such filings.

Compensation Committee Interlocks and Insider Participation

The members of the compensation committee consist of Messrs. Beaubien (Chairman), O'Flanagan and Rowe. Each member is a non-employee director and does not have any direct or indirect material interest in or relationship with us outside of his position as director.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE.

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the Securities and Exchange Commission ("SEC") reports of ownership and changes in ownership of common stock and our other equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Page 15 of 24

SEC regulations require us to identify any one who filed a required report late during the most recent fiscal year. Based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended September 30, 2003, we

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

believe that, during Fiscal 2003, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with, except that Mr. Gilbert filed a late Form 4 with respect to his receipt of a stock option for 100,000 shares in January 2003 and Mr. Davis filed a late Form 3 to reflect his initial beneficial ownership of shares when he became an officer.

AUDIT COMMITTEE REPORT

Membership and Role of Audit Committee

The audit committee of our board is responsible for providing independent, objective oversight and review of our accounting functions, internal controls and financial reporting process. The audit committee is comprised of Messrs. Rowe, Beaubien and Kidd. Mr. Beaubien became a member of the committee in March 2003. Our board has adopted an amended and restated charter which is attached as Appendix A. We believe that each of the members of the audit committee is independent as defined by applicable laws and regulations.

Management has the primary responsibility for the financial statements and the reporting process, including our system of internal controls, and for the preparation of the consolidated financial statements in accordance with generally accepted accounting principles. Our independent accountants are responsible for performing an independent audit of those financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The audit committee's responsibility is to monitor and oversee these processes on behalf of the board. The members of the audit committee are not professional accountants or auditors and their functions are not intended to duplicate or certify the activities of management and the independent auditors.

Review of our Audited Financial Statements

In fulfilling its oversight responsibilities, the audit committee reviewed the audited financial statements in our Annual Report on Form 10-K with management and discussed the quality and acceptability of our accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in our financial statements.

The audit committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality and acceptability of our accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards, including the Statement on Auditing Standards No. 71 (Communications with Audit Committees). In addition, the audit committee has discussed with the independent auditors the auditors' independence from management and us, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independent Discussions with Audit Committees), which were submitted to us, and considered the compatibility of non-audit services with the auditors' independence.

The audit committee discussed with our independent auditors the overall scope and plans for their audit. The audit committee met with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the audit committee recommended to our board of directors (and our board has approved) that the audited financial statements be included in the Annual Report on Form

Edgar Filing: IEC ELECTRONICS CORP - Form DEF 14A

10-K for the year ended September 30, 2003 for filing with the Securities and Exchange Commission.

Audit Committee:

James C. Rowe, Chairman
David J. Beaubien
Robert P.B. Kidd

The information contained in the above Audit Committee Report shall not be deemed "soliciting material" or "filed" with the SEC, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into such filings.

INDEPENDENT PUBLIC ACCOUNTANTS

The board, based on the recommendation of the audit committee, appointed Rotenberg & Co., LLP as our independent public accountants for Fiscal 2003.

Changes in Independent Auditors

The independent public accounting firm of Arthur Andersen, LLP was initially engaged as our auditors for the fiscal year ended September 30, 2002. On May 20, 2002, the board terminated the engagement of Arthur Andersen LLP as our independent auditors. Arthur Andersen's reports on our financial statements for each of the two fiscal years ended September 30, 2001 and 2000 (collectively, the "Prior Fiscal Periods") were qualified in their reference to the uncertainty of our ability to continue as a going concern. Except as set forth in the preceding sentence, such reports did not contain an adverse opinion or disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope, or accounting principles.

There were no disagreements between us and Arthur Andersen, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures ("Disagreements") during either (i) the Prior Fiscal Periods or (ii) the period from October 1, 2001 through May 20, 2002 (the "Interim Period"), which Disagreements, if not resolved to the satisfaction of Arthur Andersen, LLP would have caused Arthur Andersen, LLP to make reference to the subject matter of the Disagreements in connection with its reports for the Prior Fiscal Periods and there were no reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K. Arthur Andersen, LLP furnished a letter to the Securities and Exchange Commission stating that it agreed with the foregoing statements.

Following a thorough evaluation process, the board appointed the firm of Rotenberg & Co., LLP as our independent auditors for the fiscal year ending September 30, 2002. We did not consult Rotenberg & Co., LLP with respect to either the Prior Fiscal Periods or the Interim Period as regards (i) either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements or (ii) any matter that was either the subject of any Disagreements or Reportable Events or any reportable events, as defined in Item 304(a)(1)(v) of Regulation S-K.

The Committee shall be directly responsible for the appointment, retention, termination, compensation and oversight of the work of the independent auditors employed by the Company (including resolution of any disagreements between management and the independent auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or other services for the Company. The independent auditors shall report directly to the Committee.
- (b) Pre-approval of Services. In accordance with the requirements of the Relevant Stock Market and any other applicable legal and regulatory requirements, the Committee shall pre-approve all auditing services and permitted non-audit services to be provided by the independent auditors and the related fees, and shall establish policies and procedures for the pre-approval of such engagements. The Committee shall consider whether the provision of any such non-audit services is compatible with the independence of the independent auditors. The Committee may delegate to subcommittees consisting of one or more members the authority to grant preapprovals of permitted non-audit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the full Committee at its next scheduled meeting. The Committee may consult with management regarding these matters but may not delegate this authority to management. The Committee shall review with the lead audit partner whether any of the senior audit team members receive any discretionary compensation from the audit firm with respect to non-audit services performed by the independent auditors.
- (c) Auditor Independence. In connection with the retention of the Company's independent auditors and the evaluation by the Committee of the qualifications, performance and independence of the independent auditors, the Committee shall, at least annually, review and discuss the information provided by management and the auditors relating to the independence of the firm, including, among other things, information related to the non-audit services provided and expected to be provided by the firm to the Company. The Committee shall (i) ensure that the independent auditors submit at least annually to the Committee a formal written statement delineating all relationships between the firm and the Company consistent with Independence Standards Board Standard No. 1, (ii) actively engage in a dialogue with the auditors regarding any disclosed relationship or services that may impact the objectivity and independence of the auditors, and (iii) take appropriate action in response to the auditors' report to satisfy itself of the firm's independence. In connection with its evaluation of the auditors' independence, the Committee shall also review and evaluate the lead audit partner and shall ensure the regular rotation of the lead audit partner and the reviewing audit partner of the independent auditors in accordance with applicable law.
- (d) Quality Control of Auditors. The Committee shall obtain and review with the lead audit partner and, if the Committee deems it appropriate, a more senior representative of the independent auditors, annually or more frequently as the Committee considers appropriate, a report by the independent auditors describing: the independent auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry, review or investigation by governmental or professional or other regulatory authorities, within the preceding five years, respecting independent audits carried out by the independent auditors, and any steps taken to deal with these issues; and (to assess the independent auditors' independence) all relationships between the independent auditors and the Company.

- (e) Hiring Employees of Auditors. The Committee shall establish policies for the hiring by the Company of current or former partners, principals, shareholders or professional employees of the independent auditors, which policies shall meet the requirements of applicable law and listing standards.
