The consideration paid to ManTech by GP consisted of a five-year 5% note in the principal amount of \$5,250,955 (the "GP Note"). Each year during the term of the GP Note, the holder of the GP Note will have the option to convert up to 20% of the original principal amount of the GP Note into GP common stock at the then market price of GP common stock, but only in the event that GP common stock is trading at \$10 per share or more.

### Item 4. Purpose of Transaction

This transaction increased GP's ownership of the Common Stock from approximately 22% to approximately 58%, assuming conversion of the Note, which is contemplated to take place shortly, and as a result GP now controls the Company and the financial results of the Company will now be included in GP's consolidated financial statements. Simultaneously with the closing of this transaction, three directors nominated by GP were added to the Company's board of directors.

In connection with the transaction, GP and ManTech entered into a five-year Teaming Agreement pursuant to which GP and ManTech will work together to give GP the opportunity to provide training services to ManTech's customers.
