Item 7.01 Regulation FD Disclosure.

On February 17, 2016, Electronic Arts Inc. (“EA”) issued a press release describing its intended offering of senior notes (the “senior notes offering”) pursuant to an effective shelf registration statement on Form S-3 that has previously been filed with the Securities and Exchange Commission. A copy of the press release is attached hereto as Exhibit 99.1. Neither the information contained in this Item 7.01 of this Form 8-K nor the information in the press release shall be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

Item 8.01 Other Events.

On February 3, 2016, EA’s Board of Directors authorized a new program to repurchase up to \$500 million of EA’s common stock contingent upon the launch of the senior notes offering. EA expects to complete this new program, which expires on May 31, 2016, over the next several months. This new program is incremental to the existing two-year \$1 billion stock repurchase program announced in May 2015, of which approximately \$599 million remains outstanding and is expected to be completed over the next 15 months.

Under the stock repurchase programs, EA may purchase stock in the open market or through privately negotiated transactions in accordance with applicable securities laws, including pursuant to pre-arranged stock trading plans. The timing and actual amount of the stock repurchases will depend on several factors including price, capital availability, regulatory requirements, alternative investment opportunities and other market conditions. EA is not obligated to repurchase any specific number of shares under the programs and the repurchase programs may be modified, suspended or discontinued at any time.
