Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensation Arrangements of Certain Officers

New Employment Agreement for CEO. At a meeting held on December 19, 2007 (the "Meeting"), the Compensation Committee of the Board of Directors of the registrant (the "Committee") approved a new three year employment agreement between the registrant and its Chairman, President and Chief Executive Officer, Thomas L. Hoy. The agreement, which will become effective on January 1, 2008, replaces a similar three-year employment agreement entered into by the registrant with Mr. Hoy in December 2006. The earlier agreement was described in detail in the registrant's proxy statement for its 2007 annual meeting of shareholders. The Committee also determined that Mr. Hoy's annual base salary for 2008 will be increased to \$388,500.

Under Mr. Hoy's agreement, his annual base salary may be increased but will not be decreased during the three-year term of the agreement. The agreement provides that Mr. Hoy will receive certain other benefits, including medical, dental and life insurance benefits, eligibility to participate in compensation plans including the annual incentive (bonus) plan and stock option plans, and participation in various retirement and supplemental retirement plans.

Under the agreement, in the event Mr. Hoy is terminated without cause (as defined), he will receive a lump-sum payment equal to the greater of (a) the amount of base salary payable to him during the remaining term of his agreement, or (b) one year's base salary. Also under the agreement, in the event of a change-in-control of the registrant (as defined) or if Mr. Hoy is assigned less significant duties, he may elect early retirement and receive an amount payable in installments (or in a lump-sum, in the event of unforeseeable emergency) equal to approximately three times his average annual taxable compensation for the five years preceding the event, as adjusted. If any payment under the agreement results in Mr. Hoy's becoming subject to a so-called "golden parachute" tax under applicable tax law, he will receive additional payments so that his net after-tax benefit is equal to the benefit he would have received if no such tax applied to him. The agreement also contains non-competition provisions that may be triggered upon termination of employment.

The agreement provides that on or before each December 31st during the term of the agreement, the Committee will consider and vote upon a proposal to replace Mr. Hoy's agreement with a new three-year employment agreement having similar conditions and benefits.

Compensation Arrangement for CFO. Also at the Meeting, the Committee determined that the annual base salary of CFO Terry R. Goodemote will be increased to \$145,000 for 2008. Mr. Goodemote will receive other benefits typically made available to executive officers, including medical, dental and life insurance benefits and eligibility to participate in compensation plans including the annual incentive (bonus) plan and stock option plans, and participation in various retirement and supplemental retirement plans.

The Committee also approved a change-in-control agreement between the registrant and Mr. Goodemote, containing terms and conditions similar to those set forth in Mr. Goodemote's pre-existing change-in-control agreement. The agreement, which expires in two years, does not guarantee Mr. Goodemote continuing employment or a specified salary for any designated period of time, but merely provides that in the event of a change-in-control of the registrant occurring during his employment, he will receive a cash payment and certain benefits. Specifically, under the agreement, if there is a change-in-control of the registrant, Mr. Goodemote would be entitled to receive a lump-sum cash payment equal to two year's base salary, plus continuing medical, dental and life insurance coverage.

Other Executive Officers. At the Meeting the Committee also approved a 6 percent increase in base annual salary for John C. Van Leeuwen, Senior Vice President and Chief Credit Officer, effective January 1, 2008. The Committee also approved a change-in-control agreement between the registrant and Mr. Van Leeuwen, containing terms and conditions virtually identical to those set forth in Mr. Van Leeuwen's pre-existing change-in-control agreement. The agreement does not guarantee Mr. Van Leeuwen continuing employment or a specified salary for any designated period of time, but merely provides that in the event of a change-in-control of the registrant occurring during his employment, he will receive a cash payment and certain benefits. Specifically, under the agreement, if there is a change-in-control of the registrant, Mr. Van Leeuwen would be entitled to receive a lump-sum cash payment equal to two year's base salary, plus continuing medical, dental and life insurance coverage.
