PROXY STATEMENT

Approximate Mailing Date:
September 14, 2001

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Burlington Coat Factory Warehouse Corporation (the "Company") to be voted at the Annual Meeting of Stockholders of the Company to be held on Thursday, November 1, 2001, at the offices of the Company, 1830 Route 130, Burlington, New Jersey 08016 at 11:00 o'clock in the morning, New Jersey time, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

The Board of Directors has fixed the close of business on September 14, 2001, as the record date for the determination of stockholders entitled to receive notice of, and to vote at, the forthcoming Annual Meeting of Stockholders or any adjournment thereof. Any person giving a proxy in the form accompanying this statement has the power to revoke it at any time prior to its exercise. A proxy may be revoked by attendance and voting at the meeting or by written notice to the Secretary of the Company received at the Company's offices at 1830 Route 130, Burlington, New Jersey 08016 prior to the date of the Annual Meeting. When proxies are returned properly executed, the shares represented thereby will be voted as directed in the executed proxy.

The expenses for soliciting proxies for the forthcoming Annual Meeting of Stockholders are to be paid by the Company. Solicitation of proxies may be made by means of personal calls upon, or telephonic or telegraphic communications with, stockholders or their personal representatives by directors, officers and employees of the Company, who will not be specially compensated for such services.

The Bylaws of the Company provide that, except as provided by law or by the Company's Certificate of Incorporation, the holders of a majority of the capital stock issued and outstanding and entitled to vote at a meeting of stockholders, present in person or represented by proxy, shall constitute a quorum for the transaction of business. Neither Delaware law nor the Certificate of Incorporation of the Company provides for a different quorum for the matters to be submitted to a vote of the Stockholders at the forthcoming Annual Meeting of Stockholders. For the purposes of determining the presence of a quorum at the forthcoming Annual Meeting of Stockholders, all shares of stock represented by ballots or proxies presented at the meeting shall be counted whether or not such ballots or proxies shall include stockholder directed abstentions or broker non-votes on one or more matters; provided, however, that a ballot or proxy presented by a broker on which it has indicated that it does not have discretionary authority to vote on any matter shall not be counted towards the presence of a quorum.

Page 3 of 19

Directors will be elected by a plurality of the votes of the shares of stock cast by stockholders present in person or represented by proxy at the meeting and entitled to vote, assuming there is a quorum. Thus assuming there is a quorum, abstentions and broker non-votes will have no effect on determining the outcome of the election of directors. With respect to the ratification of the appointment of auditors, the affirmative vote of a majority of the shares of stock held by stockholders present in person or represented by proxy at the meeting and entitled to vote is required; therefore, abstentions and broker non-votes will be counted as negative votes.

All stockholder meeting proxies, ballots and tabulations that identify individual stockholders are kept confidential, and no such documents shall be available for examination, nor shall the identity of any stockholder be disclosed, except as may be required by law. Votes are counted by the employees of American Stock Transfer Company, the Company's independent transfer agent and registrar, and certified by the Inspector of Election, who is also an employee of American Stock Transfer Company.

During the fiscal year ended June 2, 2001, the Board of Directors held four meetings. Each director attended all of the meetings of the Board of Directors held during the fiscal year ended June 2, 2001. The Board of Directors has established an Executive Committee, an Audit Committee, and a Stock Incentive Committee, but has not established any nominating or compensation committee or any other committee performing similar functions. The Executive Committee consists of Monroe G. Milstein and Andrew R. Milstein. The Executive Committee acts, within certain limits, in the absence of the full Board on matters other than major corporate transactions, when convening the full

Board is impractical. During the fiscal year ended June 2, 2001, the Executive Committee took actions by unanimous written consent in lieu of formal meetings. The Stock Incentive Committee consists of Monroe G. Milstein and Harvey Morgan and administers the Company's 1998 Stock Incentive Plan. The Audit Committee oversees the general policies and practices of the Company concerning accounting, financial reporting, and internal auditing and financial controls and works with the Company's independent auditors. Audit Committee Report

The Board of Directors has approved and adopted a written charter for the Audit Committee setting forth the Audit Committee's duties and responsibilities. A copy of the charter is attached as Appendix A to this Proxy Statement. The Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended June 2, 2001 with management and with the Company's independent auditors, Deloitte & Touche LLP. The Audit Committee has discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit. The Audit Committee has received the written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with Deloitte & Touche their independence. For the fiscal year ended June 2, 2001, Deloitte & Touche LLP charged Company audit fees of \$299,800 and non-audit service fees of \$98,000, none of which was for financial information systems design and implementation. The Audit Committee has considered the compatibility of the provision of non-audit services with maintaining the auditor's independence. Based on the Audit Committee's review of the audited financial statements and the review and discussions described in this report, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended June 2, 2001 be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 2, 2001 for filing with the S.E.C.

Report on Executive Compensation

The Company's current executive compensation program consists of primarily two elements: (1) base salary, reviewed annually and adjusted in light of the Company's performance for the year and the individual executive's contribution to that performance, and (2) incentive compensation consisting of stock awards, principally stock options. Additionally, Company executives participate in the Company's 401(k) Profit Sharing Plan (a defined contribution retirement plan).

Executive compensation is determined primarily by Monroe G. Milstein, the Company's founder and Chairman. In making decisions on compensation, Monroe Milstein consults with certain of the Company's principal executive officers, namely, Andrew R. Milstein, Stephen E. Milstein and Mark A. Nesci, who, together with Monroe G. Milstein, act as an informal compensation committee. However, the decision on executive compensation is made by Monroe Milstein, based on his evaluation of the executive's performance for the Company, subject to review by the Board of Directors.

An executive's performance at the Company is evaluated based upon the executive's areas of responsibility at the Company. While objective factors such as increase in sales and profitability in areas under an executive's management are considered, subjective factors such as the executive's ability to manage people and to contribute to the cohesiveness of the management structure as well as the creativity and innovativeness with which an executive performs his duties for the Company are weighed. The executive's compensation then, in turn, is linked to his or her performance and tied to the long-term financial success of the Company, as measured by stock performance, by the use of stock awards. The Company believes that the value of such stock awards will, in the long-term, reflect the financial performance of the Company.

In determining an executive's compensation, the executive's ownership of a substantial amount of stock of the Company and familial relationship to the Company's founder are considered in addition to such executive's performance at the Company. For this reason, such executives are relatively less well compensated in terms of salary than such individuals otherwise might be.

In keeping with this philosophy, the salary of Monroe G. Milstein, the Company's Chairman and Chief Executive Officer, has not been increased in the past three years, and, in fact, is approximately \$72,000 less than his salary was in 1983, the year of the Company's initial public offering. Net income of the Company was approximately \$12 million at the end of fiscal 1983 and approximately \$71 million at the end of fiscal 2001. Stockholders equity at the end of fiscal 1983 was approximately \$79,504,000 and at the end of fiscal 2001 was \$655,371,000. For fiscal 2001, the Company's Common Stock traded in a range from \$10.8125 to \$21.980 and traded at \$19.95 at the end of the fiscal year.

This report is submitted by the Board of Directors:

Insider Participation

Monroe G. Milstein, Chairman of the Board, President and Chief Executive Officer, is principally responsible for determining compensation for all executive officers of the Company. In making compensation decisions, Monroe G. Milstein consults from time to time with Andrew R. Milstein, Stephen E. Milstein and Mark A. Nesci, who are officers of the Company. In addition, Monroe G. Milstein is a member of the Stock Incentive Committee. However, he is not eligible to receive options under the Company's 1998 Stock Incentive Plan.

Compensation of Directors

For the fiscal year ended June 2, 2001, each director who was not an employee of the Company received a fee of \$15,000 for his services as a director. No additional compensation is paid for membership on any committee established by the Board of Directors. The Company also reimburses directors for travel and out-of-pocket expenses incurred in connection with the directors' services to the Company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

SECTION 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's officers and directors and persons who own more than ten percent of a class of the Company's equity securities registered under the Exchange Act (collectively, the "Reporting Persons") to file reports of ownership and changes in ownership with the Securities and Exchange Commission and to furnish the Company with these reports.

Based upon the Company's review of the copies of reports received by it and upon written representations received from the Reporting Persons, the Company believes that all filings required to be made by the Reporting Persons during the period from June 4, 2000 to June 2, 2001 were made on a timely basis.

PROPOSAL NUMBER TWO

RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS

Stockholders are being asked to vote for a proposal to ratify the appointment of Deloitte & Touche LLP as the independent public accountants of the Company for the fiscal year ending June 1, 2002. Neither the firm of Deloitte & Touche LLP nor any of its associates has any relationship with the Company except as independent certified public accountants of the Company. If the stockholders, by affirmative vote of the holders of a majority of the votes cast, do not ratify this appointment, the Board of Directors will reconsider its action and select other independent public accountants without further stockholder action.

A representative of Deloitte & Touche LLP is expected to be present at the Annual Meeting to respond to appropriate questions and will be given the opportunity to make a statement if such representative desires to do so.

The Board of Directors recommends that the stockholders vote FOR ratification of the appointment of Deloitte & Touche LLP as the independent public accountants of the Company.

APPENDIX A

BURLINGTON COAT FACTORY WAREHOUSE CORPORATION CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

I. PURPOSE

The Audit Committee (the "Committee") is appointed by the Board of Directors (the "Board") of Burlington Coat Factory Warehouse Corporation (hereinafter referred to, along with its subsidiaries, as the "Corporation") to assist the Board in fulfilling its oversight responsibilities. The Committee's primary duties and responsibilities are to monitor the integrity of the Corporation's financial reporting process and systems of internal controls regarding finance, accounting, and legal compliance; to monitor the independence and performance of the Corporation's independent accountants; and to provide an avenue of communication among the independent accountants, management, and the Board.

II. COMPOSITION AND MEETINGS

As of June 14, 2001, the Committee shall be comprised of three or more directors, as determined by the Board, each of whom shall have no relationship to the Corporation that may interfere with the exercise of their independence from management and the Corporation or that would violate the rules of the New York Stock Exchange with regard to independence of Audit Committee Members. Each member of the Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after appointment to the Committee. At least one member of the Committee shall have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. The Committee shall meet at least annually, and more often as warranted, with the independent accountants to discuss any matters that the Committee or the independent accountants believe should be discussed. The Committee shall meet annually, and more often as warranted, with management of the Corporation regarding the Corporation's systems of internal control, accuracy of financial reporting and results of audits.

III. RESPONSIBILITIES AND DUTIES

The Committee's responsibility is oversight, and it recognizes that the Corporation's management is responsible for

preparing the Corporation's financial statements. Additionally, the Committee recognizes that financial management, as well as the independent accountants, have more knowledge and more detailed information about the Corporation than do the members of the Committee. Consequently, in carrying out its oversight responsibilities the Committee is not providing any expert or special assurance as to the Corporation's financial statements or any professional certification as to the independent accountants' work.

The following functions shall be the common recurring activities of the Committee in carrying out its oversight responsibilities. In carrying out its responsibilities, the Committee believes its policies and procedures should remain flexible, in order to react to changing conditions and to ensure to the Board and the Corporation's stockholders that the Corporation's accounting and reporting practices are in accordance with all requirements and are of the highest quality. Accordingly, these functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate.

Review with a representative of financial management and the independent accountants the financial information contained in the Corporation's Quarterly Report on Form 10-Q prior to its filing, the Corporation's earnings announcements prior to release, and the results of the independent accountants' review of Interim Financial Information pursuant to Statement on Auditing Standards ("SAS") No. 71 (Interim Financial Information) issued by the Auditing Standards Board. The chair of the Committee may represent the entire Committee, either in person or by telephone conference call, for purposes of this review.

Review the following with management and the independent accountants at the completion of the annual audit of the Corporation's consolidated financial statements included in the Annual Report on Form 10-K for the last fiscal year and prior to its filing: (a) the Corporation's annual consolidated financial statements and related footnotes; (b) the independent accountants' audit of the consolidated financial statements and their report; (c) any serious difficulties or disputes with management encountered during the course of the audit; and (d) other matters related to the conduct of the audit, which are to be communicated to the Committee under general accepted auditing standards including, discussions relating to the independent accountants' judgments about such matters as the quality, not just the acceptability, of the Corporation's accounting practices and other items set forth in SAS 61 (Communication with Audit Committees) or other such auditing standards that may in time modify, supplement or replace SAS 61.

On an annual basis, the Committee should ensure receipt of, and review with the independent accountants, a written statement required by Independence Standards Board ("ISB") Standard No. 1, as may be modified or supplemented, and discuss with the accountants their independence. The Committee will recommend that the Board take appropriate action on any disclosed relationships that may reasonably be thought to bear on the independence of the accountants and satisfy itself that the Corporation has engaged independent accountants as required by the Securities Acts administered by the Securities and Exchange Commission.

The Committee will prepare and review the Audit Committee Report for inclusion in the annual stockholders' meeting proxy statement. The Audit Committee Report must state whether the Committee has: (a) reviewed and discussed the audited consolidated financial statements with management; (b) discussed with the independent accountants the matters required to be discussed by SAS 61, as may be modified, supplemented or replaced; (c) received the written disclosures from the independent accountants required by ISB Standard No. 1, as may be modified or supplemented, and has discussed with the accountants their independence; and (d) recommended to the Board, based on the review and discussions referred to in above items (a) through (c), that the Corporation's consolidated financial statements be included in the Annual Report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission.

The Committee and Board are responsible for the selection, evaluation and, where appropriate, replacement of the independent accountants. Selection for the ensuing calendar year will be submitted to the stockholders for ratification

or rejection at the annual meeting of stockholders. Consistent with these responsibilities, it is recognized that the independent accountants are ultimately accountable to the Board and the Committee.

Review and reassess the adequacy of this Audit Committee Charter on an annual basis. The charter will be included as an appendix to the annual stockholders' meeting proxy statement triennially or in the next annual stockholders' meeting proxy statement after any significant amendment to the charter.

In consultation with the independent accountants and management, regularly review the integrity of the Corporation's financial reporting processes and system of internal control.

Perform any other activities consistent with this Charter, the Company's by-laws, and governing law, as the Committee or the Board deems necessary or appropriate.

Maintain minutes of meetings and periodically report to the Board on significant results of the foregoing activities.
