PROXY STATEMENT

Information Concerning the Solicitation

This statement is furnished in connection with the solicitation of proxies to be used at the Annual Meeting of Shareholders of City Holding Company (the “Company” or “City”) to be held on April 27, 2016.

The solicitation of proxies in the enclosed form is made on behalf of the Board of Directors of the Company. The cost of preparing, assembling, and mailing the proxy material and of reimbursing brokers, nominees, and fiduciaries for the out-of-pocket and clerical expenses of transmitting copies of the proxy material to the beneficial owners of shares held of record by such persons will be borne by the Company. The Company does not currently intend to solicit proxies otherwise than by use of the mail, but certain officers and regular employees of the Company or its subsidiaries, without additional compensation, may use their best efforts, by telephone or otherwise, to obtain proxies. The proxy materials are being mailed, on or about March 23, 2016, to shareholders of record at the close of business on March 11, 2016 (the “Record Date”).

Annual Reports

The Company’s Annual Report to Shareholders for the fiscal year ended December 31, 2015, is being furnished with this Proxy Statement to shareholders of record on the Record Date. The Annual Report to Shareholders does not constitute a part of this Proxy Statement or the proxy solicitation material.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON APRIL 27, 2016

This Proxy Statement and the 2015 Annual Report and any amendments thereto that are required to be furnished to shareholders are available online at www.ViewMaterial.com/CHCO.

Householding

The Securities and Exchange Commission (“SEC”) has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process is commonly referred to as “householding.”

The Company has implemented “householding” in an effort to reduce the number of duplicate mailings to the same address. This process benefits both shareholders and the Company because it eliminates unnecessary mailings delivered to your home and helps to reduce the Company’s expenses. “Householding” will not be used, however, if the Company has received contrary instructions from one or more of the shareholders sharing an address. We will continue to “household” indefinitely until you instruct us otherwise. You may notify the Company that you would like to receive separate copies of the Company’s annual report and proxy statement in the future, or that you would like to receive one copy for multiple shareholders sharing an address, by calling Computershare Investor Services, LLC at 1-800-568-3476, or by mail to the attention of City Holding Company, c/o Computershare Investor Services, LLC, P. O. Box 43078, Providence, RI 02940-3078. If you would like to receive a separate copy of the Company’s

2015 Proxy Statement and Annual Report, please contact Victoria A. Faw, Corporate Secretary, City Holding Company, 25 Gatewater Road, Cross Lanes, WV 25313 or call 304-769-1100. Even if your household receives only one annual report and one proxy statement, the Company will continue to send a separate proxy card for each shareholder residing at your address. Please note, however, that if a broker holds shares of the Company on your behalf, (that is, in "street name" (e.g., in a brokerage account or retirement plan account)) you may continue to receive duplicate mailings.

Voting Methods

The accompanying proxy is for use at the Annual Meeting if a shareholder either will be unable to attend in person or will be able to attend but wishes to vote by proxy. Shares may be voted by completing the enclosed proxy card and mailing it in the postage-paid envelope provided, voting over the Internet, or using a toll-free telephone number. Please refer to the proxy card or the information forwarded by your bank, broker or other holder of record to see which options are available. (If your shares are held in the name of a bank, broker or other

-1-

holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting.) Shareholders who vote over the Internet may incur costs, such as Internet access charges, for which the shareholder is responsible. The Internet and telephone voting facilities for eligible shareholders of record will close at 6:00 a.m., Eastern Time, on April 27, 2016. Specific instructions to be followed by any shareholder interested in voting via the Internet or telephone are shown on the enclosed proxy card. The Internet and telephone voting procedures are designed to authenticate the shareholder's identity and to allow shareholders to vote their shares and confirm that their instructions have been properly recorded. In the event that a shareholder's proxy does not reference Internet or telephone information because the shareholder is not the registered owner of the shares, the shareholder should complete and return the paper proxy card in the self-addressed, postage-paid envelope provided.

The proxy may be revoked at any time before the shares subject to it are voted by (i) notifying, in writing, Victoria A. Faw, Corporate Secretary, City Holding Company, P. O. Box 7520, Charleston, WV 25356-0520, (ii) executing a proxy bearing a later date (including a proxy given over the Internet or by telephone), or (iii) voting in person at the Annual Meeting the shares represented by the proxy. (Your attendance at the Annual Meeting will not, by itself, revoke your proxy; you must vote in person at the Annual Meeting.) If your shares are held by a broker on your behalf (that is, in street name), you must contact your broker or nominee to revoke your proxy.

If you participate in City Holding Company's 401(k) Plan & Trust and hold shares of Company common stock in your plan account as of the Record Date, you will receive a request for voting instructions from the tabulation agent on behalf of the trustee (City National Bank) with respect to your plan shares. If you hold Company common stock outside of the plan, you will vote those shares separately. You are entitled to direct City National Bank how to vote your plan shares.

All shares of the Company's common stock, par value \$2.50 per share (the "Common Stock") represented by valid proxies received pursuant to this solicitation, and not revoked before they are exercised, will be voted in the manner specified therein. The Board of Directors unanimously recommends a vote:

1. FOR the nominees for director listed in these materials and on the proxy card;
2. FOR the ratification of the selection of the Company's independent registered public accounting firm; and
3. FOR the approval, on an advisory basis, of the compensation of the Company's named executive officers as disclosed in these materials.

In the absence of voting instructions to the contrary, shares represented by validly executed proxies will be voted in accordance with the foregoing recommendations. If any other matters are properly presented for consideration at the Annual Meeting, the persons named as proxies and acting thereunder will have discretion to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. At this time, the Company is not aware of any other matters that may come before the Annual Meeting.

Outstanding Voting Shares

The Company's only authorized voting equity security is its Common Stock.

Only shareholders of record at the close of business on March 11, 2016, the Record Date, are entitled to vote at the Annual Meeting. On that day, there were issued and outstanding 15,150,303 shares of Common Stock (after deducting an aggregate of 3,362,979 shares held in treasury). Each share is entitled to one vote. The presence, in person or by properly executed proxy, of the holders of a majority of the outstanding shares of the Company's Common Stock entitled to a vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Abstentions will be counted as shares present for purposes of determining the presence of a quorum. A quorum must be present before

any business, including the shareholder votes listed above, can be conducted.

With respect to Proposal 1, directors are elected by a plurality of the votes cast; therefore, the directors that receive the most “for” votes will be elected and a vote withheld will not affect the outcome of the election. In elections of directors, each shareholder shall have the right to cast one vote for each share of stock owned by him for as many persons as there are directors to be elected, or, upon notice to the Company at least 48 hours before the Annual Meeting and in accordance with West Virginia law, he may cumulate such votes and give one candidate as many votes as the number of directors to be elected multiplied by the number of his shares of stock, or he may distribute them on the same principle among as many candidates and in such manner as he shall desire. If one shareholder duly gives notice in accordance with West Virginia law that he intends to cumulate votes, all shareholders may do so. If any shares are voted for the election of directors, the persons named in the accompanying proxy card may, unless otherwise directed, cumulate their votes at their discretion and vote for less than all such nominees. For all other purposes, each share is entitled to only one vote.

With respect to Proposal 2, the number of votes cast “for” the approval of the ratification of the selection of Ernst & Young LLP as the Company’s independent registered public accounting firm must exceed the number of votes cast “against” the proposal. “Abstain” votes will not affect the outcome of Proposal 2.

With respect to Proposal 3, the number of votes cast “for” the approval of the compensation of the named executive officers as discussed in these materials must exceed the number of votes cast “against” the proposal. “Abstain” votes will not affect the outcome of Proposal 3.

If your shares are held by a broker on your behalf (that is, in “street name”), and you do not instruct the broker as to how to vote these shares on Proposals 1 or 3, the broker may not exercise discretion to vote for or against those proposals. This would be a “broker non-vote” and these shares will not be counted as having been voted on the applicable proposal. With respect to Proposal 2, the broker may exercise its discretion to vote for or against that proposal in the absence of your instruction. Please instruct your bank or broker so your vote can be counted.

COMMON STOCK OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Beneficial Ownership of Directors and Named Executive Officers

Information included in this table is based upon the “beneficial ownership” rules issued under the Securities Exchange Act of 1934, as amended (the “Securities Exchange Act”). Under these rules, a person is deemed to be a beneficial owner of any shares of our common stock if that person has or shares “voting power,” which includes the power to vote or direct the voting of the shares, or “investment power,” which includes the right to dispose or direct the disposition of the shares. Thus, under the rules, more than one person may be deemed to be a beneficial owner of the same shares. A person is also deemed to be a beneficial owner of any shares as to which that person has the right to acquire beneficial ownership within 60 days.

The table below presents certain information as of March 2, 2016 regarding beneficial ownership of shares of Common Stock by directors, named executive officers listed under “Executive Officers of City Holding Company” on page 15, and all directors and executive officers as a group.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires the Company's officers, directors and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the SEC. Such officers, directors and 10% or more shareholders are also required by SEC rules to furnish the Company with copies of all Section 16(a) forms they file.

Based solely upon the review of copies of such reports furnished to the Company through the date hereof, or written representations that no reports were required, the Company believes that during the fiscal year ended December 31, 2015, all filing requirements applicable to its executive officers and directors were met.

GOVERNANCE AND NOMINATING COMMITTEE REPORT

The Governance and Nominating Committee of the Board of Directors (the “Governance Committee”) is comprised of five independent directors and operates under a written charter adopted by the Board of Directors. The Governance Committee is charged with the responsibilities of: (i) identifying individuals qualified to become Board members; (ii) selecting or recommending that the Board select the director nominees for the next annual meeting of shareholders; and (iii) overseeing corporate governance matters for the Company.

Director candidates are nominated by the Governance Committee. The Governance Committee will consider director candidates recommended by shareholders (see “Shareholder Proposals and Nominations” on page 40), other members of the Board, officers and employees of the Company and other sources that the Governance Committee deems appropriate. The Governance Committee’s written charter directs the Governance Committee to evaluate the candidates based upon the totality of the merits of each candidate and not based upon minimum qualifications or attributes. In considering individual nominees, the Governance Committee takes into account the qualifications of other Board members to ensure that a broad variety of skill sets and experience beneficial to the Company and its business are represented on the Board of Directors. The Governance Committee evaluates all director candidates in the same manner regardless of the source of the recommendation. Some of the criteria used by the Governance Committee to evaluate the candidates, including those selected for nomination at the 2016 Annual Meeting, include:

- Personal and professional integrity
- Prior business experience, including knowledge of the banking business
- Education
- Age
- Skills that may be relevant to the Company’s business
- Geographic distribution of the candidates
- Prior board experience with the Company or other publicly traded companies
- Involvement in community, business and civic affairs

In the context of nominating directors, the Company has no official policy regarding diversity. Nevertheless, the Board’s Governance Committee believes that its existing Board is, in fact, well diversified with regard to geographical representation, business backgrounds, civic involvement, and experience on bank boards or comparable organizations – all factors that the Governance Committee believes to be important to representing the interests of the Company’s shareholders.

The Governance Committee is also empowered to retain outside advisors to assist in the performance of its functions with the sole authority to agree to fees and other terms of engagement. The Governance Committee did not hire any outside advisors to assist them with respect to the selection of candidates for director nominations in 2015 and has not hired one for evaluation of the current slate of directors nominated in these materials.

The Governance Committee has nominated for election as Class II directors, all of whom currently serve as Class II directors of the Company, Charles W. Fairchild, William H. File III, Tracy W. Hylton II, C. Dallas Kayser and Sharon H. Rowe, to serve three-year terms expiring at the 2019 Annual Meeting. In addition, the Governance Committee recommended, and the Board of Directors approved, Mr. Patrick C. Graney III to stand for election as a Class III nominee at the 2016 Annual Meeting to serve for a one-year term expiring at the 2017 Annual Meeting.

Respectfully submitted,

ELECTION OF DIRECTORS

(Proposal 1)

The Board of Directors of the Company currently consists of thirteen (13) members. In accordance with the Company's Amended and Restated Bylaws, the Board of Directors is classified into three classes as nearly equal in number as the then total number of Directors constituting the whole Board permits. Each class is to be elected to separate three-year terms with each term expiring in different years. At each Annual Meeting, the directors or nominees constituting one class are elected for a three-year term. The term of Class II directors expires at the 2016 Annual Meeting. There are five nominees for election as Class II directors to serve for terms of three years expiring at the Annual Meeting in 2019. Messrs. Fairchilds, File, Hylton and Kayser and Ms. Rowe currently serve as directors of the Company and will stand for re-election as Class II directors. Mr. Graney was appointed as a director by the Board of Directors in 2015 and has been recommended and approved by the Board of Directors to stand for election as a Class III director. In accordance with the Company's Amended and Restated Bylaws, he is required to stand for election by the shareholders at the annual meeting next following his appointment.

Each director elected will continue in office until a successor has been elected. If any nominee is unable to serve, which the Board of Directors has no reason to expect, the persons named on the accompanying proxy card intend to vote for the balance of those named and, if they deem it advisable, for a substitute nominee. The names of the nominees for directors submitted by the Governance Committee and the names of the directors of the Company whose terms of office will continue after the Annual Meeting are listed below. Director ages are shown as of the Annual Meeting date, April 27, 2016.

The Board of Directors recommends that shareholders vote "FOR" all of the Class II nominees shown below and "FOR" Class III nominee Patrick C. Graney III.

(which manufactures products for commercial and industrial clients). Mr. Rossi also serves on the Board of Directors of Fruth Pharmacy, which operates 25 retail pharmacies in WV, KY and OH and employs over 600 people. ADDITIONAL INFORMATION CONCERNING THE BOARD OF DIRECTORS

Board of Directors

The Company is managed under the direction of the Board of Directors, which has adopted Codes of Business Conduct and Ethics and charters for the Governance and Nominating Committee, Compensation Committee and the Audit Committee that set forth certain corporate governance practices. These documents are available on the Company's Internet website at <http://www.bankatcity.com> under the Corporate Governance link located at the bottom of the page.

Board Leadership Structure and Oversight of Risk

The Company's CEO does not serve as the Chairman of the Board. During 2015, the Chairman was Philip McLaughlin. Mr. McLaughlin served as Chairman until his retirement on December 31, 2015. The Board elected C. Dallas Kayser to replace him as Chairman beginning on January 1, 2016. Both Mr. McLaughlin and Mr. Kayser are independent directors under the rules of the SEC and Nasdaq. The Chairman presides at all meetings of the Board and meetings of the independent directors. The decision to separate the roles of CEO and Chairman reflects internal control considerations and allows the Chairman to maintain an independent role in the oversight of management. The Chairman of the Board also chairs the Executive Committee, which is comprised of the chairmen of the other standing committees. The Board's involvement in risk management includes: monthly reports and presentations by the Company's Chief Credit Officer on credit trends, past-due loans, non-accruing loans, and classified loans; monthly reports and presentations by the Company's Executive Vice President ("EVP") of Commercial Banking on lending activity within the prior month; monthly reports on liquidity and transactions within the Company's investment portfolio; monthly reports on capital; quarterly reports on interest rate risk and enterprise risk management; oversight of the internal audit function, regulatory compliance and loan review by the Audit Committee; annual reports to the Board of Directors from the Company's primary regulators; oversight of significant legal risks presented by the Company's Chief Legal Counsel; oversight of governance issues by the Governance Committee; and through other reports from management on additional areas of risk as they are identified.

Independence of Directors

Nasdaq rules require that a majority of the directors of Nasdaq-listed companies be “independent.” An “independent director” generally means a person other than an officer or employee of the listed company or its subsidiaries, or any other individual having a relationship, which, in the opinion of the listed company’s board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Certain categories of persons are deemed not to be independent under the Nasdaq rules, such as persons employed by the listed company within the last three years, and persons who have received (or whose immediate family members have received) payments exceeding a specified amount from the listed company within the last three years, excluding payments that are not of a disqualifying nature (such as compensation for board service, payments arising solely from investments in the listed company’s securities, and benefits under a tax-qualified retirement plan). Nasdaq rules impose somewhat more stringent independence requirements on persons who serve as members of the audit committee and the compensation committee of a listed company.

Of the fourteen persons who served on our Board of Directors during 2015, we believe that Messrs. Elliot, Fairchilds, File, Fisher, Goldman, Graney, Hambrick, Hylton, Jones, Kayser, McLaughlin, Rossi and Ms. Rowe are “independent” for purposes of Nasdaq rules. Mr. Hageboeck is not considered independent because he is an officer of City Holding Company. The Board has also determined that no member of the Audit or

Compensation Committees has any material relationship with the Company (either directly or indirectly as a partner, shareholder or officer of an organization that has a relationship with the Company) and that all members of these committees meet the criteria for independence under the Nasdaq listing standards.

Meetings of Independent Directors

Independent members of the Board of Directors generally meet in executive sessions without management either immediately preceding or immediately following every regularly scheduled Board meeting. Other sessions may be called by the Chairman in his or her own discretion or at the request of the independent members of the Board. The independent directors met twelve times in 2015. Mr. McLaughlin, the independent Chairman, led both the regular meetings of the Company's directors as well as the executive sessions of independent directors during 2015. Mr. Kayser assumed this role beginning on January 1, 2016.

Shareholders and other interested persons may contact the Chairman of the Board or the independent members of the Board of Directors as a group through the method described in "Communications with the Board of Directors" below.

Attendance at Annual Meeting

Although there is no formal written policy, the Company expects all directors to attend the Annual Meeting of Shareholders each year and historically more than a majority have done so. All directors attended the Annual Meeting of Shareholders held on April 29, 2015.

Communications with the Board of Directors

The Board of Directors has unanimously approved a process for shareholders to send communications to the Board of Directors and individual directors. Shareholders and other interested persons may communicate with the full Board of Directors, a specified committee of the Board, the independent directors or a specified individual member of the Board in writing by mail c/o City Holding Company, 25 Gatewater Road, P. O. Box 7520, Charleston, WV 25356-0520, Attention: Victoria A. Faw, Corporate Secretary. All communications will be forwarded to the Board of Directors, the specified committee of the Board or the specified individual director, as appropriate. The Company screens all mail for security purposes.

Availability of Codes of Business Conduct and Ethics and Committee Charters

In December 2009, the Company adopted a new Code of Business Conduct and Ethics which applies to all employees (including its chief executive officer and chief financial officer). Members of the Board of Directors are governed by a separate Code of Business Conduct and Ethics approved in January 2004. All members of the Board of Directors attest to their continued compliance with the Code of Business Conduct and Ethics annually. Both of the Codes of Business Conduct and Ethics and the charters of the Audit Committee, Compensation Committee, and Governance and Nominating Committee are available on the Company's Internet website at <http://www.bankatcity.com> under the Corporate Governance link located at the bottom of the page. The Company intends to disclose any changes in or waivers from its Codes of Business Conduct and Ethics by posting such information on its website or by filing a Form 8-K.

Committees of the Board of Directors and Meeting Attendance

The full Board of Directors met twelve times during the fiscal year ended December 31, 2015. All of the members of the Board of Directors of the Company attended at least 75% of both the aggregate meetings of the Board of Directors and all committees on which such director served during 2015, other than Mr. Graney. Prior to Mr. Graney joining the Board in July 2015, he discussed with the Governance Committee that certain meetings of the Board held during the

remainder of the year were in conflict with previously arranged engagements. The matter was discussed by the Board of Directors and they acknowledged Mr. Graney's absences at the meetings.

The Executive Committee did not meet during the fiscal year ended December 31, 2015.

Compensation Committee

During 2015, the Compensation Committee was comprised of Messrs. Kayser (Chairman), Elliot, File, and Jones. The Board of Directors has determined that each of the current members of the Compensation Committee is “independent” within the meaning of the general independence standards of the listing standards of Nasdaq. For a description of the function of the Compensation Committee, see “Board Compensation Committee Report on Executive Compensation” beginning on page 25. The Compensation Committee met three times during the fiscal year ended December 31, 2015 and each of its members attended 100% of the meetings held during their tenure.

Audit Committee

Prior to the Annual Meeting in April 2015, the Audit Committee consisted of Messrs. Rossi (Chairman), Fairchilds, Hambrick, and Hylton and Ms. Rowe. Following the 2015 Annual Meeting, the Audit Committee included Messrs. Rossi (Chairman), Fairchilds, Fisher, Hambrick, and Hylton and Ms. Rowe, none of whom is employed by the Company. The Board of Directors has determined that each of the current members of the Audit Committee is “independent” within the meaning of the enhanced independence standards for audit committee members in the

Securities Exchange Act and rules thereunder, and as incorporated into Nasdaq listing standards. The Board of Directors has also determined that James L. Rossi, Chairman of the Audit Committee, is an “audit committee financial expert” within the meaning of the rules promulgated by the SEC pursuant to the Sarbanes-Oxley Act of 2002 and is “independent” within the meaning of the general independence standards of the Nasdaq listing standards. The Audit Committee held six meetings during fiscal year 2015. The Audit Committee selects the Company’s independent registered public accounting firm (subject to shareholder ratification), considers the scope of the audit, reviews the activities and recommendations made by the Company’s internal auditors, and considers comments made by the independent registered public accounting firm with respect to the Company’s internal control structure.

Governance and Nominating Committee

During 2015, the Governance and Nominating Committee (“Governance Committee”) consisted of Messrs. Goldman (Chairman), Elliot, File, Fisher, and Kayser. The Board of Directors has determined that each of the current members of the Governance Committee is “independent” within the meaning of the general independence standards of the listing standards of Nasdaq. For a description of the function of the Governance Committee, see the “Governance and Nominating Committee Report” on page 5. The Governance Committee met one time during fiscal year 2015.

Director Candidate Recommendations and Nominations by Shareholders. The Governance Committee Charter provides that the Governance Committee will consider director candidate recommendations by shareholders. Any shareholder entitled to vote for the election of directors may (1) recommend candidates for election to the Board of Directors or (2) nominate persons for election to the Board of Directors if such shareholder complies with the procedures set forth in the Company’s Amended and Restated Bylaws, which are summarized in “Shareholder Proposals and Nominations” beginning on page 40.

Governance and Nominating Committee Process for Identifying and Evaluating Director Candidates. For a description of the Governance Committee’s process for identifying and evaluating candidates for election to the Board of Directors, see the “Governance and Nominating Committee Report” on page 5. The Governance Committee did not receive any recommendations from any shareholders in connection with the 2016 Annual Meeting.

Trust Committee

During 2015, Board representatives on the Trust Committee consisted of Messrs. File and Hylton. The Trust Committee met one time during fiscal year 2015. The Trust Committee exercises general oversight of the trust activities of the Company’s lead subsidiary, City National Bank.

Goldman, Kayser, McLaughlin and Rossi received committee chair and Chairman fees of \$5,000, \$5,000, \$25,000 and \$10,000, respectively. Expenses associated with attending meetings, such as travel costs and meals, are considered integrally and directly related to the performance of their duties as directors, are not considered to be personal benefits or perquisites and are not separately disclosed.

On February 25, 2015, the Board awarded \$24,983 of Company Common Stock, par value \$2.50, to each non-employee director of the Company as of the date of grant and pro-rated based upon their service during the prior year. The market price of Company Common Stock on the date of grant, February 25, 2015, was \$46.18 per share.

Bank of Raleigh Directors Deferred Compensation Plan

Between 1987 and 1998, ten directors of the former Bank of Raleigh deferred all or part of their director fees in exchange for compensation that was deferred until their 70th birthdays. The Bank of Raleigh was part of Horizon Bancorp, Inc., which merged with the Company on December 31, 1998. The shareholders of both corporations ratified that merger and the benefits due under the Bank of Raleigh Directors Deferred Compensation Plan when they approved the merger in 1998. Directors File and Hylton were directors of the former Bank of Raleigh, and are covered by these plans. Under the terms of these plans, directors were given the opportunity to defer all or a portion of their directors' fees for their service to the Bank of Raleigh beginning in 1987 through 1998. As a result of such deferrals, these directors (or their survivors) are entitled to payments for a period of 15 years upon reaching retirement age, as defined by the plans, or death. The methodology for calculating future benefits for these directors was established at the time that the deferrals were made, and is unaffected by their current service on the Board of the Company. The Company accrued the present value of these obligations on its Consolidated Balance Sheet. Their deferred benefits under the plan are as follows:

	Monthly Pension Benefit	Pension Start Date	Present Value of Benefit @ 12/31/15	Expense Recognized In 2015 In Regard to Benefits
William H. File III	\$6,631	7/1/2017	\$725,560	\$42,151

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors (the “Audit Committee”) is comprised of six independent directors and operates under a written charter adopted by the Board of Directors. The Audit Committee selects the Company’s independent registered public accounting firm, subject to shareholder ratification. Management is responsible for the Company’s internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company’s consolidated financial statements and for performing an audit of the Company’s internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing reports thereon. The Audit Committee’s responsibility is to monitor and oversee these processes. In this context, the Audit Committee has met and held discussions with management and Ernst & Young LLP (“Ernst & Young”), the Company’s independent registered public accounting firm.

Management represented to the Audit Committee that the Company’s audited consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and Ernst & Young.

The Audit Committee has discussed with Ernst & Young the matters required to be discussed by the statement on Auditing Standards No. 16 as adopted by the Public Company Accounting Oversight Board.

The Audit Committee has also received the written disclosures and the letter from Ernst & Young regarding that firm’s communication with the Audit Committee concerning independence as required by applicable requirements of the Public Company Accounting Oversight Board, and has discussed with Ernst & Young that firm’s independence from the Company. The Audit Committee has also considered whether the provision of non-audit related services by Ernst & Young is compatible with maintaining Ernst & Young’s independence and determined that Ernst & Young’s independence has not been impaired.

Based upon the Audit Committee’s discussions with management and Ernst & Young and the Audit Committee’s review of the representations of management and the report of Ernst & Young to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company’s Annual Report on Form 10-K for the year ended December 31, 2015 filed with the Securities and Exchange Commission.

Respectfully submitted,

Key Compensation Outcomes

Compensation outcomes for 2015 reflected the Company's strong performance during the year and included cash and equity awards that were generally above targeted performance levels as determined under the Company's executive incentive plans. The Board previously approved significant changes to the executive incentive plans, which were effective for the first time in 2011, to ensure that compensation reflects the Company's performance, supports shareholder value creation and is aligned with the Company's long-term safety and soundness.

Salaries: Salaries were set in 2015 based in part upon recommendations from an independent outside compensation consultant, McLagan Partners, Inc. ("McLagan"), an Aon Hewitt company.

Cash Incentives: The Company performed above targeted performance levels in 2015 and achieved its performance triggers relating to capital and asset quality. The Company's target ROATCE was 14% and its actual performance ROATCE was 16.1%. As a result, some executives received cash incentives above the targeted payout levels. Awards were 94-134% of targeted payout levels.

Long-Term Incentives: The Company granted restricted stock and stock options in early 2015 based on Company and executive performance in 2014. Awards values were determined based on both formalized performance goals and the Board's subjective assessment of Company and individual performance. Based on these factors, executives received equity equal to 105-140% of targeted payout levels.

Say-on-Pay Vote

The Compensation Committee evaluates the Company's executive compensation programs in light of market conditions, shareholder views, and governance considerations, and makes changes as appropriate. As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, the Company is required to permit a separate non-binding advisory shareholder vote to approve the compensation of its executives. In 2011, the Company's shareholders voted to hold this advisory "say-on-pay" vote every year. The shareholders will again vote on the frequency of say-on-pay votes at the 2017 Annual Meeting.

At the 2015 annual shareholders meeting, shareholders overwhelmingly approved the compensation of the executives, with 97.3% of shareholder votes cast in favor of the advisory say-on-pay proposal. The Company considered the number of votes cast in favor of the 2015 say-on-pay proposal to be a positive endorsement of its current pay practices and believes the vote result is evidence that its compensation policies and decisions have been in the best interests of shareholders. As a result, the Compensation Committee retained its overall approach to executive compensation and did not make significant changes to the executive compensation program. The Company will continue to monitor the level of support for each say-on-pay proposal in the future, including the results of Proposal 3 of the 2016 Annual Meeting described herein, and will consider this alongside other factors as it makes future executive compensation decisions.

Executive Compensation Philosophy

The Compensation Committee believes that its principal responsibility is to ensure that the Company's compensation practices allow it to keep qualified management and to focus management on achieving business and financial objectives intended to increase shareholder returns and drive sustained value creation without promoting excessive risk taking.

The Compensation Committee believes that overall compensation should reflect compensation levels of comparable executives at peer institutions while also taking into account individual responsibilities and contributions to the Company's overall performance as measured by profitability, the market price of the Company's stock, and progress made toward achieving long-term strategic objectives.

In line with its pay-for-performance philosophy, the Compensation Committee believes that executives whose companies have performed well should be better compensated than executives whose companies have performed poorly. As such, the Company has generally targeted base salaries near the peer group median, provided strong cash incentive opportunities when the Company performs well, and granted stock compensation that rewards management for long-term success. The Company has not emphasized tenure-based compensation such as defined benefit pension plans and SERPs. The Company's Board considers such forms of compensation to be misaligned with shareholder interests because it believes these forms of compensation generally reward tenure instead of performance. In short, the executives are accountable for the performance of the Company and the Board has designed the compensation program to reflect this.

Role of the Compensation Committee

The Compensation Committee is responsible for the design, implementation and administration of the compensation programs for executive officers and directors of the Company. The Compensation Committee completed the following actions relative to 2015 executive compensation:

- Reviewed and approved stock ownership requirements of named executive officers and directors, first effective in 2012

- Hired an independent compensation consultant to assist in a review of executive compensation, and with their assistance:

 - Reviewed and approved the compensation peer group

 - Reviewed base salaries for the named executive officers

 - Reviewed the Company's compensation philosophy

 - Reviewed and approved the 2015 cash incentive plan

 - Reviewed and approved equity awards to named executive officers

 - Reviewed and approved cash incentive payments for named executive officers

 - Reviewed the Compensation Committee Charter

Role and Relationship of the Compensation Consultant

As permitted by the Compensation Committee Charter, in 2015 the Compensation Committee engaged an independent outside compensation consultant, McLagan, an Aon Hewitt company, to provide independent executive compensation advice and market compensation information. During 2015, McLagan assisted the Compensation Committee with the following initiatives:

- Reviewed and updated a peer group of institutions for compensation benchmarking

- Compiled information relating to executive compensation from peer banks

- Advised the Compensation Committee on changes in industry compensation practices and provided insight on emerging regulations

- Provided recommendations to the Compensation Committee regarding salaries and the appropriate level of cash incentives and equity awards

- Assisted in the redesign of the Company's annual cash incentive for 2016

- Compiled information relating to board of director compensation from peer banks

 - Provided recommendations to the Compensation Committee with regard to structure and amount of Board of Director compensation for 2016

- Assisted in the development of the Company's Compensation Discussion and Analysis in the 2015 proxy statement

The Compensation Committee evaluated McLagan's analysis and recommendations alongside other factors when making compensation decisions affecting the Company's 2015 executive compensation program and when submitting its own recommendations to the Board on these matters.

Pursuant to the terms of its retention, McLagan reported directly to the Compensation Committee, which retains sole authority to select, retain, terminate, and approve the fees and other retention terms of its relationship with McLagan. McLagan did not provide any services outside those related to executive compensation and the Compensation Committee approved all projects completed by McLagan.

In March of 2016, the Compensation Committee reviewed its relationship with McLagan and considered McLagan's independence in light of all relevant factors, including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Securities Exchange Act and under the applicable Nasdaq listing rules. The Compensation Committee received a report from McLagan addressing its independence, including the following factors: (1) other services provided to the

Company by McLagan; (2) fees paid by the Company as a percentage of McLagan's total revenue; (3) policies or procedures maintained by McLagan that are designed to prevent a conflict of interest; (4) any business or personal relationships between the senior advisors and a member of the Compensation Committee; (5) any Company stock owned by the senior advisors; and (6) any business or personal relationships between the executives and the senior advisors. The Compensation Committee discussed these considerations and concluded that the work performed by McLagan and McLagan's senior advisors involved in the engagements did not raise any conflict of interest.

Role of Management

The CEO assists the Compensation Committee in recommending agenda items for its meetings and by gathering and producing information for these meetings. As requested by the Compensation Committee, the CEO participates in Compensation Committee meetings to discuss executive compensation, evaluate the performance of both the Company and individual executives, and provide pertinent financial, legal, or operational information. The CEO provides his insights and suggestions regarding compensation, but only Compensation Committee members, in executive session without the CEO or any other members of management present, vote on executive compensation decisions and other Company compensation matters under their purview for recommendation to the Board of Directors.

In 2015, the CEO made recommendations to the Compensation Committee regarding base salaries, incentive goals, and equity awards for executives other than himself. The Compensation Committee retained discretion to approve or modify recommendations prior to approval or, in the case of equity awards, prior to presentation before the Board of Directors for approval. The Compensation Committee discussed the CEO's recommendations with him, but made final deliberations in executive session, without the CEO or any members of management present.

Balancing Profitability and Risk

The Compensation Committee is responsible for establishing incentive plans for executive officers that achieve an appropriate balance between Company results and risk. The Compensation Committee recognizes that the business of banking inherently requires that the Company take on certain risks—in its lending activities, its depository activities, its investing activities, as well as many other facets of the traditional banking business. For instance, every loan made represents the extension of “risk” in exchange for a return in the form of interest paid by the customer to the bank. However, the Company recognizes that if incentive compensation is tied disproportionately to short-term performance metrics, or if proper controls and balances are not in place, there is some possibility that executives might be induced to take on excessive risk in pursuit of short-term gains, which would result in an undesirable risk-return balance.

To help ensure that incentive plans appropriately balance profitability and risk, the Compensation Committee has undertaken a comprehensive review of the Company's incentive plans in accordance with the final joint guidance issued by banking regulators regarding compensation risk. In support of its risk management goal, the Compensation Committee noted that the Company has established a compensation philosophy that balances short-term incentives paid for achieving strong short-term results with long-term stock incentives whose value would be negatively impacted by loan losses in the long-run. In addition, the executive incentive plans incorporate asset quality and capital triggers to help ensure that executives appropriately balance return and risk. The triggers also help ensure that incentives are appropriate and justifiable in the context of the Company's overall financial condition. If asset quality or capital levels deteriorate below thresholds prescribed by the Board, incentives would be reduced or eliminated.

Upon due consideration of these items, the Compensation Committee believes that the Company's incentive plans are designed in such a way as to encourage executives to take only prudent levels of risk in the pursuit of strong performance on behalf of shareholders. Furthermore, it believes that the Company's compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on its business or operations.

Competitive Benchmarking and Peer Groups

The Compensation Committee believes that it is important to periodically review compensation in the context of the Company's performance and the compensation offered by its peers in the market, which it considers to include companies of similar size, markets, and products. For fiscal year 2015, the Company reviewed its performance compared to two peer groups, as well as compensation of executives at peer banks.

National Peer Group – The National Peer Group includes publicly traded banks with total assets between \$2 and \$5 billion (105 banks as of December 31, 2015). This group was used for performance comparisons and was not used to conduct a formal market analysis of compensation.

Regional Peer Group – The Regional Peer Group was determined in 2015. The peer group is comprised of 21 banks, and was based on the following criteria:

Asset size in the range of \$2 billion - \$8 billion

ROAA & ROATCE > 0%

At least 15% of revenues from non-interest income

No TARP participants

Commercial loans < 85% of total loans

More than 20 branches

Operating in Indiana, Kentucky, Maryland, North Carolina, Ohio, Pennsylvania, Virginia, and New York (excluding New York City)

excludes companies in top 5 metro areas (MSA's)

Discussion of Executive Compensation Components

The following table outlines the major elements of 2015 total compensation for our executives:

Compensation Element	Description and Purpose	Link to Performance	Fixed/ Performance Based	Short/Long-Term
Base Salary	Helps attract and retain executives through periodic payments of market-competitive base pay	Based on individual performance, experience, and scope of responsibility. Used to establish cash and equity incentive award opportunities.	Fixed	Short-Term
Cash Incentives	Encourages achievement of financial performance metrics that create near-term shareholder value	Quantitatively ties the executive's compensation directly to factors that are judged important to the success of the Company and within each executive's own sphere of influence. Most executives share a common profitability goal, while a portion of the incentive plan for the EVP of Commercial Banking is tied to commercial loan growth. Incentives for all executives are conditioned on additional performance triggers that help ensure the Company remains positioned to perform over the long-term. Grant values are based partially on the achievement of predefined Company performance objectives and partially on the Board's subjective evaluation of performance. Resulting awards are designed to maintain a link to the long-term interests of shareholders and emphasize long-term demonstrated financial performance through a tie to the Company's stock price and dividend payments over time.	Performance Based	Short-Term
Long-Term Incentive Awards	Aligns long-term interests of executives and shareholders while creating a retention incentive through multi-year vesting	Resulting awards are designed to maintain a link to the long-term interests of shareholders and emphasize long-term demonstrated financial performance through a tie to the Company's stock price and dividend payments over time.	Performance Based	Long-Term
Other Compensation	Dividends on restricted stock and health and welfare benefits on the same basis as other employees	Dividends on restricted stock further enhance the executive's link to shareholders by ensuring they share in the distribution of income generated from ongoing financial performance.	Fixed & Performance Based	Short-Term & Long-Term

Base Salary

The Compensation Committee reviews executive salaries of its peers, but always bases determinations on the qualifications, experience and performance of the individual executives and value of the positions to the organization.

In 2015, the Compensation Committee reviewed the performance of individual executives within the scope of their own responsibilities in the Company. The CEO's performance was evaluated based upon the performance of the Company as a whole. The Compensation Committee also reviewed the results of the market compensation study performed by McLagan and noted that the salaries for the executives were generally below the median of its peers.

After reviewing peer salary levels, recommendations from McLagan, and noting the performance of the Company and individual executives, the Compensation Committee recommended, and the Board approved, salaries as described below:

Name	Title	2013 Salary	2014 Salary	2015 Salary
Charles R. Hageboeck	President & CEO	\$460,000	\$500,000	\$525,000

Cash Incentives

The Company's cash incentive plan is designed to motivate executives to achieve the Company's annual performance objectives by tying a portion of compensation directly to factors that will create both short-term and long-term value to the Company's shareholders.

The Board has determined that Return on Average Tangible Common Equity ("ROATCE") represented the best measure of the Company's success on behalf of its shareholders and determined to use ROATCE as the primary performance goal in the cash incentive plan for most executives

and departmental performance goal for the EVP of Commercial Banking. Cash incentive payments are subject to capital and asset quality triggers to discourage excessive risk-taking and ensure the plan balances profitability with the Company's safety and soundness as a financial institution.

The tables below show the 2015 performance goals and results, weighting within the cash incentive plan, total cash incentive award opportunities, and payouts under the plan for 2015.

Name	Title	Goal Weighting
