Sandata Technologies Enters into Nonbinding Agreement with Stockholders to Settle Lawsuit for \$2.21 per share

Port Washington, NY, January 3, 2003 - Sandata Technologies, Inc. (NASDAQ: SAND) announced today that it has executed a nonbinding Memorandum of Understanding among Sandata, the members of its Board of Directors and the plaintiffs in two purported class action lawsuits styled Seitler v. Sandata Technologies, Inc., et al. Civil Action No. 19886-NC, and Yetzer v. Sandata Technologies, Inc., et al. Civil Action No. 19903-NC. The lawsuits, which were consolidated pursuant to an Order of Consolidation entered on October 22, 2002 by the Court of Chancery of the State of Delaware, allege that the defendants breached their fiduciary duties to Sandata and its public stockholders in connection with Sandata Acquisition Corp.'s August 5, 2002 proposal to acquire all of the outstanding public shares of Sandata. The consolidated actions also allege, among other things, that the directors serving on the Special Committee of the Board of Directors of Sandata are not independent and that the consideration to be received under Sandata Acquisition Corp.'s proposal is inadequate.

Pursuant to the Memorandum, Sandata Acquisition Corp. agreed to increase its offer set forth in the Merger Agreement, dated as of October 28, 2002, by and among Sandata Acquisition Corp., Bert E. Brodsky, Hugh Freund, Gary Stoller and Sandata, to \$2.21 for each outstanding share of Sandata common stock. The Memorandum also provides for the parties to the lawsuits to use their best efforts to agree upon, execute, and present to the Court a formal Stipulation of Settlement in order to obtain the approval of the Court of the settlement and release of the consolidated actions. The parties agreed that the Stipulation of Settlement will provide, among other things, (i) that Sandata Acquisition Corp. will increase its offer contained in the merger agreement to \$2.21 per share of Sandata common stock and (ii) for a complete release and settlement of all claims against Sandata, the members of its Board, Sandata Acquisition Corp. and

The Memorandum further provides that the parties to the consolidated actions will petition the Court for final certification of a non-opt out class defined as all holders of Sandata common stock as of August 5, 2002, through and including the closing date of the Merger Agreement. The settlement contemplated by the Memorandum is subject to the execution of a formal Stipulation and Settlement, the consummation of the merger transaction with Sandata Acquisition Corp. for \$2.21 per share of Sandata common stock, final approval of the Court of the settlement, including certification of a class, and the dismissal of the consolidated actions by the Court. The Memorandum also provides that, subject to approval of the Court, Sandata will pay plaintiffs' attorneys fees and expenses in an amount not to exceed \$60,000.
