ITEM 11. Executive Compensation Compensation Discussion and Analysis

The Company's Compensation Committee is empowered to review and approve, or recommend for the approval of the full Board of Directors, the annual compensation for the executive officers of the Company, as well as the officers of the subsidiary, SkyTerra LP. Our Compensation Committee takes an active role in reviewing compensation policies with respect to our executive officers who are also executive officers of SkyTerra LP, as SkyTerra LP is a consolidated subsidiary.

Objectives of Compensation Program

The primary objective of our compensation program, including our executive compensation program, is to attract and retain qualified management who can work in the Company's dynamic business environment. A further objective of our compensation program is to provide incentives and reward each member of management for their contribution to the Company. In addition, we strive to promote an ownership mentality among key leadership and the Board of Directors. Finally, we endeavor to ensure that our compensation program is perceived as fundamentally fair to all stakeholders.

What Our Compensation Program is Designed to Reward

Our compensation program is designed to reward each executive's contribution to the Company. In measuring the executive officers' contribution to the Company, the Compensation Committee considers numerous subjective factors, which historically have focused on the transactional nature of the Company's business in recent years, rather than more traditional metrics in light of the fluid nature of the Company's business.

Regarding most compensation matters, including executive and director compensation, our management provides recommendations to the Compensation Committee. The Compensation Committee has not historically delegated any of its functions to others in setting compensation. We do not currently engage any consultant related to executive and/or director compensation matters.

Stock price performance has not been a significant factor in determining annual compensation because the price of the Company's common stock is subject to significant fluctuations due to a variety of factors outside our control. The Company does not have an exact formula for allocating between cash and non-cash compensation, though historically we have provided little non-cash compensation, other than our equity programs. Cash compensation is generally paid as earned.

Elements of Our Compensation Plan and How They Relate to Our Objectives

Annual executive officer compensation consists of a base salary component and a discretionary annual bonus. It is the Compensation Committee's intention to set total executive cash compensation sufficiently high to attract and retain a strong motivated leadership team, and recognize our executives' roles in accomplishing extraordinary transactions. In 2008, in addition to their base salaries the Company's executive officers received discretionary bonuses in accordance, where applicable, with their respective employment agreements or offer letter. Except for Robert Lewis, our former Senior Vice President and General Counsel whose employment terminated in April 2008, these bonuses were awarded based on the respective officers' roles in helping the Company achieve or exceed certain pre-established objectives and operational milestones in 2008, including, among other things, completion of debt financings, achievement of technical milestones regarding our next generation network, and progress on strategic initiatives. The Compensation Committee considered these factors as well as other factors such as the

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form 10-K/A

current credit environment, individual officers' performance and experience, and other non-quantitative criteria in exercising discretion to determine the amounts of each officer's bonus payment.

In April 2008 the Company's Compensation Committee recommended revisions to certain aspects of Mr. Good's and Mr. Macleod's employment agreements in an effort to ensure retention of their services through a critical stage of the Company's development. The Company entered into new employment contracts with Mr. Good and Mr. Macleod on May 5, 2008, the details of which are described below under "Employment Contracts."

Similarly, in order to retain Mr. Caplan's services through a critical stage of the Company's development the Company's Compensation Committee determined it was prudent to provide Mr. Caplan incentives aimed at retaining his services. On August 4, 2008 the Company entered into an agreement with Mr. Caplan whereby it agreed to pay Mr. Caplan a retention bonus in two installments: the first installment of \$175,000 was paid on August 15, 2008, and the second installment of \$175,000 was paid on December 29, 2008. Pursuant to the terms of the agreement, if prior to August 15, 2010, Mr. Caplan's employment with the Company is terminated by the Company for Cause, as defined in the Company's 2006 Equity and Incentive Plan, or he terminates his employment with the Company for any reason or for no reason, he will repay to the Company that portion of the retention bonus that has previously been paid to him (without interest) within 30 days following actual termination. Additionally, as part of that agreement, the Company granted 50,000 shares of restricted stock to Mr. Caplan. The award was granted August 15, 2008 and will vest in full on August 15, 2010, unless Mr. Caplan's employment with the Company is terminated by the Company for Cause or he terminates his employment with the Company for any reason or for no reason.

Each of our executive officers has received stock option grants and/or restricted stock under either the Company's 2006 Equity and Incentive Plan or the Company's 1998 Long-Term Incentive Plan.

On August 6, 2008 we completed an offer to all SkyTerra LP option holders as of that date, to grant them new SkyTerra options, generally in exchange for surrender and termination of their SkyTerra LP options (the "Option Exchange"). All participating U.S. SkyTerra LP option holders received options to purchase shares of SkyTerra common stock pursuant to the terms of the Option Exchange at a ratio of 2.82 SkyTerra options for each SkyTerra LP option terminated, with an exercise price equal to the exercise price of the SkyTerra LP options terminated divided by 2.82. Sale of all shares subject to the options received upon exchange is subject to restriction until May 1, 2010, with certain exceptions that could result in earlier release of the restrictions. All of the Company's named executive officers identified in the Summary Compensation Table below who held SkyTerra LP options participated in the Option Exchange.

To date, the number of Company stock options or shares of Company restricted stock that have been granted to our named executive officers has been determined on a discretionary rather than a formula basis by the Compensation Committee. The 2006 fiscal year was the first year that we granted restricted stock, as opposed to options, to our named executive officers. The 2006 awards of restricted stock were designed to enhance retention and performance by providing for a three-year vesting schedule for one-third of the grant, and tying the other two-thirds to stock performance metrics. Subsequent grants were made without performance vesting elements, but in some cases included additional option grants that vested only upon achieving specified individual performance objectives, as summarized below.

On May 5, 2008 the Company granted Mr. Good and Mr. Macleod 600,000 and 400,000 shares, respectively, of restricted stock. Each award vests in three equal, annual tranches beginning January 1, 2009. No other SkyTerra or SkyTerra LP equity awards were granted to any of the named executive officers in 2008, other than the restricted stock grant made to Mr. Caplan as summarized above.

On February 23, 2009 the Company granted Mr. Montagner the following options to purchase common stock of the Company: an option to purchase 300,000 shares at a strike price of \$3.375 per share, which vests in three equal, annual tranches beginning on the first anniversary of the grant date, and an option to purchase 300,000 shares at a strike price of \$3.375 per share, which vests upon the achievement of at least one performance condition from among several outlined in the grant, including completion of specified capital raising, distribution, or other strategic transactions. Additionally, on February 23, 2009 the Company granted Mr. Montagner 100,000 shares of restricted stock of the Company which vest in three equal, annual tranches beginning on the first anniversary of the grant date.

On March 6, 2009 the Company granted Mr. Epstein the following options to purchase common stock of the Company: an option to purchase 300,000 shares at a strike price of \$2.85 per share, which vests in three equal,

annual tranches beginning on the first anniversary of the grant date, and an option to purchase 300,000 shares at a strike price of \$2.85 per share, which vests upon the achievement of at least one performance condition from among several outlined in the grant, including achievement of specified regulatory, spectrum and strategic milestones. Additionally, on March 6, 2009 the Company granted Mr. Epstein 100,000 shares of restricted stock of the Company which vest in three equal, annual tranches beginning on the first anniversary of the grant date.

How the Company Chose Amounts for Each Element

Each executive's current and prior compensation is considered in setting future compensation. In addition, we informally review the compensation practices of other companies. The elements of our plan (e.g., base salary, bonus and stock options or restricted stock) are similar to the elements used by many companies. The exact base pay, stock grant, and bonus are chosen in an attempt to balance our competing objectives of fairness to all stakeholders and attracting/retaining our executives. For additional information regarding the compensation of our named executive officers, please see the Summary Compensation Table below.

Grant Policies

Subject to certain exceptions set forth below, the Company's annual stock option grants to executives and others in recent years have coincided with the meeting of the Compensation Committee following year-end at which discretionary bonuses are considered. Except in the case of new hires, the Compensation Committee does not generally grant options on other dates. The grant date is established when the Company's Compensation Committee approves the grant. The exercise price of each of our stock options grants under the 2006 Equity and Incentive Plan is, in accordance with the 2006 Plan, to be at fair market value on the date of grant based on the average of the closing bid and ask price on the grant date. The 1998 Long-Term Incentive Plan similarly provides for grants at the fair market value on the date of grant, though we do not expect significant activity under that plan. If at the time of any planned option grant date any member of our Board of Directors or executive team is aware of material non-public information, the Company would not generally make the planned stock option grant. In such event, as soon as practical after material information is made public, the Compensation Committee will have a specially called meeting and/or otherwise take all necessary steps to authorize a stock option grant. The Compensation Committee has fixed the form of agreement for such grants and delegated authority within a narrowly defined matrix for the Chief Executive Officer of the Company to make grants of options to purchase shares of Company common stock at the time of beginning employment with the Company or any subsidiary to individuals at the level of Vice President and below. For additional information regarding the grants of stock options and restricted stock to our named executive officers in 2008, please see the table entitled 2008 Grants of Plan-Based Awards below.

As certain options issued by the Company to its employees were issued at exercise prices that were significantly above the then-fair market value of the underlying securities due to a significant decline in the trading value of the Company's common stock subsequent to their respective issuances, the Compensation Committee determined that in order to properly incent and retain its employees, the exercise price of those options should be modified to the current market value of the underlying securities. On February 22, 2008 the Board of Directors of the Company approved a modification of certain outstanding options to purchase the Company's common stock that decreased the exercise prices of certain options to an exercise price equal to the current fair market value of the underlying common stock.

Accounting and Tax Considerations

Under SFAS No. 123(R), *Share Based Payments*, we are required to value unvested stock options and restricted stock granted prior to our adoption of SFAS No. 123(R), and all options and restricted stock granted after our adoption of SFAS No. 123(R), under the fair value method and expense those amounts in the income statement over the stock option's vesting period.

We have generally structured our compensation program to comply with Internal Revenue Code Sections 162(m) and 409A. Under Section 162(m) of the Internal Revenue Code, a limitation is placed on tax deductions of any publicly-held corporation for individual compensation to certain executives of such corporation exceeding \$1,000,000 in any taxable year, unless the compensation is performance-based. If an executive is entitled to nonqualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income.

- continued payment of life and accident/long-term disability insurance, at the levels then in effect, for two years after termination;
- payment of all accrued but unpaid payments and benefits; and
- accelerated vesting of all Company and SkyTerra LP options and restricted stock and continued ability to exercise options through the options' original expiration date.

Mr. Good's employment may not be terminated for Good Reason unless he provides the Company and SkyTerra LP with written notice stating the basis of such termination and the Company and SkyTerra LP fail to cure the action or inaction constituting such basis within 30 days after receipt of such notice.

For purposes of Mr. Good's employment agreement, the term "Cause" means:

- (a) the willful and continued failure of the executive to substantially perform his duties with the Company and SkyTerra LP (other than any such failure resulting from incapacity due to physical or mental illness), after a written demand for substantial performance is delivered to the executive by the Boards of the Company and SkyTerra GP Inc., SkyTerra LP's corporate general partner, which specifically identifies the manner in which the Board believes that the executive has not substantially performed his duties;
- (b) the willful engaging by the executive in gross misconduct which is materially and demonstrably injurious to the Company or SkyTerra LP;
- (c) material breach of fiduciary duty to the Company or SkyTerra LP that results in personal profit to the executive at the expense of the Company or SkyTerra LP; or
- (d) the executive is convicted of or pleads nolo contendere to a state or Federal felony, or the executive willfully violates any law, rule or regulation (other than traffic violations, misdemeanors or similar offenses) or cease-and-desist order, court order, judgment or supervisory agreement, which violation is materially and demonstrably injurious to the Company or SkyTerra LP.

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form 10-K/A

For purposes of Mr. Good's employment agreement, the term "Good Reason" means:

- (a) a material diminution in the executive's duties inconsistent with the executive's position (including status, offices, titles and reporting requirements), authority, duties or responsibilities contemplated by the employment agreement, or any other action by the Company or SkyTerra LP which results in a material diminution in any respect in such position, authority, duties or responsibilities, excluding for this purpose an isolated, insubstantial and inadvertent action not taken in bad faith that is remedied by the Company or SkyTerra LP promptly after receipt of notice thereof given by the executive;
- (b) a change in the executive's reporting from solely and directly to the Boards of the Company and SkyTerra LP;
- (c) a material reduction in annual base salary or a material reduction in annual bonus from the existing level of 100% of base salary;
- (d) the Company or SkyTerra LP requiring the executive to be based at any office more than 25 miles from the executive's current office in Reston, VA;
- (e) a material diminution in the executive's benefits as a result of the failure by the Company or SkyTerra LP (i) to continue in effect any compensation plan in which the executive participates that is material to the executive's total compensation, unless he has been offered participation in an economically equivalent compensation arrangement or (ii) to continue the executive's participation in any such compensation plan on a basis not materially less favorable, both in terms of the amount of compensation provided and the level of the executive's participation relative to other participants, than existed prior to such failure;
- (f) the material failure by the Company or SkyTerra LP to continue to provide the executive with benefits substantially similar to those enjoyed by the executive under any of the Company's or SkyTerra LP's pension, life insurance, medical, health and accident, disability or other welfare plans in which the executive was participating immediately prior to such failure; or
- (g) a material breach by the Company or SkyTerra LP of the employment agreement.

Mr. Good's employment agreement provides that, immediately prior to a change in control (as defined below), the vesting of all Company and SkyTerra LP options and restricted stock will be accelerated and, in the case of stock options, shall remain exercisable for their respective original terms.

For purposes of Mr. Good's employment agreement, the term "change in control" means any of the following:

- (a) any person or group of persons (as defined in Section 13(d) and 14(d) of the Securities Exchange Act of 1934), but other than Harbinger Capital Partners or affiliated funds of Harbinger Capital Partners, together with its affiliates, excluding employee benefit plans, is or becomes, directly or indirectly, the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act) of securities of the Company or SkyTerra LP representing 40% or more of the combined voting power of the Company's or SkyTerra LP's then outstanding securities;
- (b) the dissolution or liquidation of SkyTerra LP or a merger, consolidation, or reorganization of the Company or SkyTerra LP with one or more other entities in which the Company or SkyTerra LP is not the surviving entity, or the sale of substantially all of the assets of the Company or SkyTerra LP to another person or entity (excluding a merger of SkyTerra LP into the Company);
- (c) any transaction (including without limitation a merger or reorganization in which the Company or SkyTerra LP is the surviving entity) which results in any person or entity (other than Harbinger Capital Partners or affiliated funds of Harbinger Capital Partners) owning more than 50% of the combined voting power of all classes of securities of the Company or SkyTerra LP;
- (d) in instances where Harbinger Capital Partners or affiliated funds of Harbinger Capital Partners own or control more than 50% of the combined voting power of all classes of securities of the Company or SkyTerra LP, any transaction which results in a third party owning or controlling more than 50% of Harbinger Capital Partners' or

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form 10-K/A

affiliated funds of Harbinger Capital Partners' combined voting power of all classes of securities in the Company or SkyTerra LP; and

(e) individuals who at the beginning of any two-year period constitute the Board of Directors of the Company or SkyTerra GP Inc., plus new directors whose election or nomination for election by the Company's stockholders or SkyTerra LP's partners is approved by a vote of at least two-thirds of the directors of the Company or SkyTerra GP Inc. still in office who were directors at the beginning of such two-year period, cease for any reason during such two-year period to constitute at least two-thirds of the members of the applicable Board.

A change in control does not include (i) an initial public offering by SkyTerra LP or any successor thereto, (ii) the consummation of the conversion of SkyTerra LP or its business into a corporation or (iii) any transaction resulting in SkyTerra's ownership in SkyTerra LP increasing.

Mr. Good's employment agreement requires the Company and SkyTerra LP to make a "gross-up" payment to Mr. Good in an amount necessary to cover any excise tax imposed under Section 4999 of the Internal Revenue Code on payments to Mr. Good in the event of a change in control or if any other payments or benefits payable to Mr. Good under the employment agreement or otherwise are subject to such excise tax.

Mr. Macleod

Mr. Macleod has entered into an employment agreement with the Company (described above under "Employment Contracts"). Pursuant to the employment agreement, if Mr. Macleod's employment is terminated without Cause (as defined above in the description of Mr. Good's agreement) or upon Mr. Macleod's termination of his employment for Good Reason (as defined below), Mr. Macleod will be entitled to the following:

- a lump sum payment equal to the sum of his annual base salary and bonus at 75% of base salary;
- a pro rata bonus payment (at 75% of base salary) for the portion of the current year worked;
- continued coverage, at the levels then in effect, under the Company's health care plans (or equivalent payments to cover Mr. Macleod's COBRA premiums) for one year after termination;
- continued payment of life and accident/long-term disability insurance, at the levels then in effect, for one year after termination;
- payment of all accrued but unpaid payments and benefits; and
- accelerated vesting of all Company and SkyTerra LP options and restricted stock and continued ability to exercise options through the options' original expiration date.

Mr. Macleod's employment may not be terminated for Good Reason unless he provides the Company and SkyTerra LP with written notice stating the basis of such termination and the Company and SkyTerra LP fail to cure the action or inaction constituting such basis within 30 days after receipt of such notice.

For purposes of Mr. Macleod's employment agreement, the term "Good Reason" has the same meaning as described above for Mr. Good under his employment agreement, except that clause (b) in such definition refers to a change in the executive's reporting from solely and directly to Mr. Good (other than by reason of Mr. Good's voluntary termination, termination due to death or disability, or termination for Cause).

Mr. Macleod's employment agreement provides that, immediately prior to a change in control (as defined above in the description of Mr. Good's agreement), the vesting of all Company and SkyTerra LP options and restricted stock will be accelerated and, in the case of stock options, shall remain exercisable for their respective original terms.

Mr. Macleod's employment agreement requires the Company and SkyTerra LP to make a "gross-up" payment to Mr. Macleod in an amount necessary to cover any excise tax imposed under Section 4999 of the Internal Revenue Code on payments to Mr. Macleod in the event of a change in control or if any other payments or benefits payable to Mr. Macleod under the employment agreement or otherwise are subject to such excise tax.

Restricted Stock Awards for Messrs. Good and Macleod

The agreements governing Mr. Good's and Mr. Macleod's Company restricted stock awards provide that upon the termination by the Company of the executive's employment other than for "Cause" (as defined in the agreement and as described below), or as a result of death or disability, or if the executive voluntarily terminates his employment with the Company for Good Reason (as defined in the agreement and as described below), all vesting restrictions will lapse with respect to any time vesting shares, and performance vesting shares will remain outstanding on such terms as are set forth in the agreement. Upon a change of control of the Company, the restricted stock will remain outstanding and subject to the vesting restrictions contained in the agreement.

For purposes of Mr. Good's and Mr. Macleod's restricted stock award agreements, "Cause" means (i) the willful and continued failure by the executive substantially to perform his or her duties and obligations to the Company or a subsidiary, including without limitation, repeated refusal to follow the reasonable directions of the employer, knowing violation of law in the course of performance of the duties of the executive's employment with the Company or a subsidiary, repeated absences from work without a reasonable excuse, or intoxication with alcohol or illegal drugs while on the premises of the Company or a subsidiary during regular business hours (other than any such failure resulting from his or her incapacity due to physical or mental illness); (ii) fraud, dishonesty or other conduct that negatively affects the Company or a subsidiary, or other willful misconduct by the executive that is in the good faith opinion of the Compensation Committee injurious to the Company or a subsidiary; (iii) a conviction or plea of guilty or nolo contendere to a felony or a crime involving material dishonesty; or (iv) refusal to cooperate in any lawful internal investigation approved by the Board or a committee thereof.

For purposes of Mr. Good's and Mr. Macleod's restricted stock award agreements, "Good Reason" means the occurrence (without the executive's express written consent) of any of the following events: (i) a ten or more percent reduction in the executive's annual base salary (including any base salary paid by SkyTerra LP to executive) as in effect immediately prior the date of the agreement; (ii) being stripped of the title of CEO or CFO, as the case may be, at either the Company or SkyTerra LP; or (iii) the relocation of the executive's principal place of employment to a location more than fifty (50) miles from the executive's principal place of employment immediately prior to the date hereof or the Company's requiring the executive to be based anywhere other than such principal place of employment (or permitted relocation thereof) except for required travel on the Company's business to an extent substantially consistent with the executive's business travel obligations prior to the date of the agreement.

Mr. Caplan

Mr. Caplan's offer letter provides that if his employment is terminated during the three year period following January 29, 2007 without cause, Mr. Caplan is entitled to (i) the sum of his annual base salary and target bonus and (ii) immediate vesting of and continued ability to exercise options for one year following termination of employment and continued vesting or exercise of restricted stock.

The agreement covering Mr. Caplan's Company stock options provides that: (i) upon the termination by SkyTerra LP of Mr. Caplan's employment other than for Cause (as defined in the 2006 Equity and Incentive Plan), all unvested options will immediately vest and remain exercisable for one year from the date of termination; (ii) upon the termination by Mr. Caplan of his employment with the Company for good reason within one year following a change of control of the Company, all unvested options will immediately vest and remain exercisable for one year from the date of such termination; and (iii) upon the termination by Mr. Caplan of his employment with the Company, other than for good reason, within one year following a change of control of the Company, Mr. Caplan has 90 days from the termination to exercise any vested options and all unvested options are extinguished on the date of such termination.

The agreement covering Mr. Caplan's Company restricted stock provides that: (i) upon the termination by SkyTerra LP of Mr. Caplan's employment other than for Cause (as defined in the 2006 Equity and Incentive Plan), all unvested restricted stock will immediately vest.

Under Mr. Caplan's Change of Control Agreement with SkyTerra LP, if a change of control of SkyTerra LP (as defined in the agreement) occurs and, within two years following such change of control, SkyTerra LP terminates Mr. Caplan's employment without cause or Mr. Caplan terminates his employment for good reason, Mr. Caplan is entitled to (i) a lump sum severance payment in an amount equal to the sum of Mr. Caplan's base salary and his average bonus for 12 months; and (ii) continued coverage of group term life insurance, health insurance, accident and long-term disability insurance benefits for a period of 12 months following the termination.

Ms. Segal

Ms. Segal has entered into an executive severance agreement with the Company. The term of the agreement extends through June 30, 2012, with provisions for annual extensions or termination beginning July 1, 2011, on 15 months' notice. Pursuant to the severance agreement, if Ms. Segal's employment is terminated without Cause (as defined above in the description of Mr. Good's agreement) or upon Ms. Segal's termination of her employment for Good Reason (as defined below), Ms. Segal will be entitled to the following:

- a lump sum payment equal to the sum of her annual base salary and target annual bonus (currently 50% of base salary);
- a pro rata portion of the target annual bonus (currently 50% of base salary) for the portion of the current year worked;
- continued coverage, at the levels then in effect, under the Company's health care plans (or equivalent payments to cover Ms. Segal's COBRA premiums) for one year after termination;
- continued payment of life and accident/long-term disability insurance, at the levels then in effect, for one year after termination;
- if requested by Ms. Segal, outplacement services for a period of one year after termination; and
- accelerated vesting of all Company options and restricted stock and continued ability to exercise options through the options' original expiration date.

Ms. Segal may not terminate her employment for Good Reason unless she provides the Company with written notice stating the basis of such termination, the Company fails to cure the action or inaction constituting such basis within 30 days after receipt of such notice, and Ms. Segal then terminates her employment within six months following the initial existence of such Good Reason.

For purposes of Ms. Segal's agreement, the term "Good Reason" has the same meaning as described above for Mr. Good under his employment agreement, except that clause (a) provides that "Good Reason" would include any change in Ms. Segal's function, status and/or title so that she is no longer the chief officer responsible for her function at the Company, clause (b) is not included, and clause (c) references Ms. Segal's target bonus.

Messrs. Montagner and Epstein

Under Messrs. Montagner's and Epstein's offer letters, if their respective employment is terminated without Cause (as defined below) or upon their respective termination of employment for Good Reason (as defined below), each of them would be entitled to the following:

- a lump sum payment equal to the sum of his annual base salary and bonus at 75% of base salary;
- reimbursement or payment for COBRA costs for continuing health care insurance for one year after termination;
- reimbursement of reasonable business expenses incurred prior to termination; and
- accelerated vesting of all time- and performance-based Company options and restricted stock.

Messrs. Montagner and Epstein's employment may not be terminated for Good Reason unless they provide the Company with written notice stating the basis of such termination and the Company fails to cure the action or inaction constituting such basis within 30 days after receipt of such notice.

For purposes of Messrs. Montagner and Epstein's offer letters, the following definitions are provided:

The term "Cause" shall mean (i) the willful and continued failure of the executive to substantially perform his duties with the company (other than as may result from incapacity due to physical or mental illness); (ii) the willful engaging by the executive in gross misconduct which is materially and demonstrably injurious to the Company; (iii) material breach of fiduciary duty to the Company that results in personal profit to the executive at the expense of the Company; or (iv) the executive is convicted or pleads nolo contendere to a felony under Federal or state law or willfully violates any law, rule or regulation, or any cease-and-desist order, court order, judgment or supervisory agreement, which violation is materially and demonstrably injurious to the Company.

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form 10-K/A

The term "Good Reason" shall mean any material adverse change to the offer letter, including (i) a material reduction of salary or bonus; (ii) a material reduction in title and/or scope of responsibilities; and (iii) relocation of the office to greater than 50 miles from the Reston office location.

Mr. Wiseman

Mr. Wiseman's offer letter provides that if his employment is terminated during the two year period following August 20, 2007 without cause, Mr. Wiseman is entitled to six months of salary and target bonus.

The agreement covering Mr. Wiseman's Company stock options provides that: (i) upon the termination by the Company or SkyTerra LP of Mr. Wiseman's employment other than for Cause (as defined in the 2006 Equity and Incentive Plan), all unvested options will immediately vest and remain exercisable for one year from the date of termination; (ii) upon the termination by Mr. Wiseman of his employment with the Company for good reason within one year following a change of control of the Company, all unvested options will immediately vest and remain exercisable for one year from the date of such termination; and (iii) upon the termination by Mr. Wiseman of his employment with the Company, other than for good reason, within one year following a change of control of the Company, Mr. Wiseman has 90 days from the termination to exercise any vested options and all unvested options are extinguished on the date of such termination.

Under Mr. Wiseman's Change of Control Agreement with SkyTerra LP, if a change of control of SkyTerra LP (as defined in the agreement) occurs and, within two years following such change of control, SkyTerra LP terminates Mr. Wiseman's employment without cause or Mr. Wiseman terminates his employment for good reason, Mr. Wiseman is entitled to (i) a lump sum severance payment in an amount equal to the sum of Mr. Wiseman's base salary and his average bonus for 12 months; and (ii) continued coverage of group term life insurance, health insurance, accident and long-term disability insurance benefits for a period of 12 months following the termination.

Assuming that the named executive officer's employment was terminated on the last day of our 2008 fiscal year, the table below shows the amounts that would have been paid to each of our named executive officers based on the termination circumstances set forth in the table.

Excludes the value of 266,666 unvested shares of the Company's restricted stock that have performance vesting conditions that would not have been met as of the last day of our 2008 fiscal year.

- (3) Represents the value of the continuation of benefits upon a termination, including twenty-four (24) months of continued medical and dental insurance coverage and continued payment of life and accident/long-term disability insurance, at the levels then in effect, upon termination following a change in control or termination without cause.

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form 10-K/A

This amount also includes the value of 30,000 SkyTerra LP phantom units that would vest upon termination following a change in control of SkyTerra LP or termination without cause. Because the phantom award is payable in shares of SkyTerra stock instead of SkyTerra LP limited partnership interests, the market value shown is based on the market value of \$1.815 per share of SkyTerra common stock on December 31, 2008 and a conversion ratio of 2.82 shares of SkyTerra common stock per unit of SkyTerra LP limited partnership interest. Excludes the value of 133,333 unvested shares of the Company's restricted stock that have performance vesting conditions that would not have been met as of the last day of our 2008 fiscal year.

Compensation of Directors

Prior to April 2008, each non-employee director received a per meeting fee of \$1,000 for each meeting of the Board of Directors and \$500 for each committee meeting attended, along with expenses incurred in connection with attending each meeting.

In April 2008, as a result of a study demonstrating that the Company's existing Board compensation arrangements were significantly below the norm for similar companies in its industry, the Board approved a revised compensation program for outside directors. As of April 2008, each non-employee director is paid an annual retainer of \$30,000, each member of the Audit Committee is paid an annual retainer of \$7,500, and each member of the Compensation Committee is paid an annual retainer of \$2,500. These annual retainers are in lieu of payments on a per meeting basis. A one time payment of \$50,000 and \$25,000 was made in 2008 to the special committee chair and to the members, respectively, and they receive quarterly retainers of \$15,000 and \$10,000, respectively.

On May 1, 2008 the Company granted an option to purchase 20,000 shares of common stock, with an exercise price of \$8.15 per share, to each non-executive director serving as of that date. From time to time, directors may be granted additional options to purchase common stock, or other equity awards, under our 2006 Equity and Incentive Plan.

On April 8, 2008, the Board also made grants of restricted stock to Mr. Killeen and Mr. Stasior, both of whom are independent directors, in recognition of their long-time service to the Board during periods when the Board's director compensation arrangements were below industry norms. Mr. Killeen was granted a restricted stock award of 80,000 shares, and Mr. Stasior was granted a restricted stock award of 55,000 shares. Both of these awards were scheduled to vest upon the earlier of December 1, 2008, two days following the filing by the Company of its quarterly report on Form 10-Q for the quarter ended September 30, 2008, or such date as the director is not re-nominated for election to the Board of Directors. On November 10, 2008 the Compensation Committee of the Company modified the vesting conditions of Mr. Killeen's grant. As a result of this modification Mr. Killeen's option is scheduled to vest on the earlier of July 1, 2009 or such date he is not re-nominated for the Board. Mr. Stasior's option vested in accordance with the original terms on November 12, 2008.

Review and Approval of Transactions with Related Persons

Under our standing practices and procedures, transactions with related persons must be approved by the independent members of our Board of Directors. Certain limited transactions, such as transactions previously approved by our Board of Directors and disclosed in our Form 10-Ks and proxy statements, compensation arrangements between us and our officers and directors and transactions entered into the ordinary course of business are excluded from these requirements.

We do not have a written conflicts of interest policy, but it is specifically understood by us and our Board of Directors, that each of our directors, officers and employees has a responsibility to avoid, and to cause their immediate family members to avoid, any interest, activity or relationship that may interfere or conflict with, the performance of his or her duties to the company in a loyal and effective manner to the best of his or her ability and in the company's best interest. It is also recognized that conflicts of interest do not include any interest, relationship or activity in which an interested person has a direct or indirect involvement or interest if the terms of such interest, relationship or activity are at least as favorable to the company as terms that would be available at the time for a comparable interest, relationship or activity in arm's length dealings with unrelated third parties.

Other

Certain of our directors and officers serve on the board of directors of affiliates, including SkyTerra LP. Such directors and officers have received stock-based compensation from such affiliates for their service. The amount of stock-based compensation received by our directors and officers is comparable to stock-based compensation awarded to other non-executive members of the affiliates' board of directors.

On December 15, 2006, our Board of Directors approved a form of Indemnification Agreement (the "Indemnification Agreement") to be entered into between us and our directors and officers. Effective as of December 18, 2006, we entered into a separate Indemnification Agreement with each of the following persons: Andrew Africk, Alexander Good, Jeffrey Killeen, Jeffrey Leddy, Robert Lewis, Scott Macleod, William Stasior, Aaron Stone and Michael Weiner. We may from time to time enter into additional indemnification agreements with future directors and officers or other key personnel.

Each of the Indemnification Agreements provides, among other things, that we will, to the extent permitted by applicable law, indemnify and hold harmless each indemnitee if, by reason of such indemnitee's status as a director or officer of SkyTerra, such indemnitee was, is or is threatened to be made a party or a participant (as a witness or otherwise) in any threatened, pending or completed proceeding, whether of a civil, criminal, administrative or investigative nature, against all losses, judgments, fines, penalties and amounts paid in settlement (if such settlement is approved in writing in advance by us) and incurred by such indemnitee in connection with such proceeding. In addition, each of the Indemnification Agreements provides for the advancement of expenses incurred by the indemnitee in connection with any proceeding covered by the agreement, subject to certain exceptions. None

Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form 10-K/A

of the Indemnification Agreements precludes any other rights to indemnification or advancement of expenses to which the indemnitee may be entitled, including but not limited to, any rights arising under our governance documents, or any other agreement, any vote of our stockholders or any applicable law.

CORPORATE GOVERNANCE

We operate our business according to high standards of ethical conduct, integrity and accountability. We have implemented governance policies and practices, that we believe meet or exceed the standards defined in the applicable laws and regulations, including the rules adopted by the Securities and Exchange Commission.

DIRECTOR INDEPENDENCE

In determining the independence of our directors, the Board of Directors has adopted independence standards that mirror exactly the criteria specified by the Marketplace Rules of the Nasdaq Stock Market. Applying these independence standards, our Board has determined that all of our directors other than Mr. Good are “independent” within the meaning of the Marketplace Rules of the Nasdaq Stock Market. In making this determination, the Board of Directors considered all transactions in which we and any director were participants, including those discussed under “Certain Relationships and Related Transactions” above and other transactions that were ordinary course of business transactions in which the independent directors did not have a material direct or indirect interest. Mr. Good, our President and Chief Executive Officer, is not “independent” within the meaning of the Marketplace Rules of the Nasdaq Stock Market.
