Item 2.02 Results of Operations and Financial Condition.

As previously reported, on July 20, 2016 PPG Industries, Inc. (the "Company") reached a definitive agreement to sell the assets of its flat glass manufacturing and glass coatings operations to Vitro S.A.B. de C.V., a leading producer of flat glass and specialty products. The transaction is expected to close by the end of 2016, subject to customary closing conditions. The Company will begin to report results of the flat glass business as discontinued operations in its third quarter 2016 interim financial results.

Supplemental Earnings Information

The Company is furnishing as Exhibit 99.1 an unaudited reconciliation of net income (attributable to PPG) and earnings per share – assuming dilution from continuing operations and discontinued operations to adjusted net income (attributable to PPG) and adjusted earnings per share – assuming dilution from continuing operations and discontinued operations, excluding certain items to reflect the the Company's flat glass business as discontinued operations for the historical periods from the first quarter of 2013 through the second quarter of 2016.

Certain historical periods have previously been recast to reflect the Company's sale of its Transitions Optical joint venture and its optical sunlens business in March 2014, and the separation of its commodity chemicals business in January 2013. The sales and operating results of these businesses are reported as discontinued operations.

Segment Reporting

The Glass reportable segment will now be comprised of only the fiber glass operating segment. Historical unaudited results of the Company's segment reporting, which have been recast to reflect the sales and operating results of PPG's flat glass business as discontinued operations, are attached hereto as Exhibit 99.2. This presentation change has no impact on the historical or future consolidated financial position, results of operations or cash flows of the Performance Coatings and Industrial Coatings reportable segments.

This information includes the Company's unaudited net sales, segment income, items not allocated to segments and income before taxes. For further information about the Company's financial results, see PPG's Annual Report on Form 10-K for the year ended December 31, 2015, which is available at [www.ppg.com](http://www.ppg.com).

The information furnished pursuant to this Item 2.02 shall in no way be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended ("the Exchange Act"), or otherwise subject to the liability of that section, except if PPG specifically incorporates it by reference into a filing under the Securities Act of 1933, as amended, or the Exchange Act.
