GROUP PROFIT SHARING, INCENTIVE AND EMPLOYER CONTRIBUTION PLAN (FRANCE)

NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED JUNE 30, 2002, 2001 AND 2000

1. PLAN DESCRIPTION

The following brief description of the Group Profit Sharing, Incentive and Employer Contribution Plan (France) (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

GENERAL - The Plan is an employee savings plan established on December 17, 1990 by agreement between the directly or indirectly, wholly-owned subsidiaries of Procter & Gamble Services France S.A.S. and those subsidiaries' respective COMITES CENTRAUX D'ENTREPRISE ("Employee Committees"), in order to provide a means for eligible employees to save

## Edgar Filing: PROCTER & GAMBLE CO - Form 11-K

and invest their income, group profit sharing, and incentive remuneration. The most recent Plan agreement took effect on January 1, 2000 and is signed by Procter & Gamble Services France S.A.S., Procter & Gamble France SNC, Procter & Gamble Amiens SNC, Laboratoire Lachartre SNC, Procter & Gamble Blois SAS, Procter & Gamble Pharmaceuticals France SA and Procter & Gamble Pharmaceuticals Longjumeau SAS (together, "P&G France"), and their related Employee Committees. Procter & Gamble Services France S.A.S. is a wholly-owned subsidiary of The Procter & Gamble Company, Inc. (the "Parent"). The Plan is subject to the laws and regulations of France. Plan assets are invested in four FONDS COMMUNS DE PLACEMENT D'ENTREPRISE ("FCPE") which are registered investment companies subject to the laws and regulations of France.

RECENT CHANGES - By agreement dated January 1, 2002 Procter and Gamble Orleans joined the plan. By agreement dated July 20, 2000, Procter & Gamble Blois SAS and Procter & Gamble Pharmaceuticals Longjumeau SAS joined the Plan. During the year ended June 30, 1999, Procter & Gamble Brionne SNC was sold, and ceased to participate in the plan.

ADMINISTRATION - Administration of the Plan is jointly executed by Procter & Gamble Services France S.A.S. and Interepargne S.A., the fund manager. Interepargne S.A. and the related FCPE fall under the supervision of the CONSEILS DE SURVEILLANCE ("Monitoring Committees") which are composed of both employee and employer representatives of P&G France.

CONTRIBUTIONS AND VESTING - Employees are eligible for Plan participation three months after their start date with P&G France. Contributions are made by Plan participants as well as by P&G France as follows :

Employee Contributions :

- VOLUNTARY, PERIODIC CONTRIBUTIONS - These amounts are usually contributed on a monthly basis and are eligible for matching contributions from P&G France. These contributions are automatically invested in FCPE Groupe Procter et Gamble (Option D).
  
- VOLUNTARY, COMPLEMENTARY CONTRIBUTIONS - Employees may make complementary contributions whenever they wish, although these amounts receive no matching contributions. These amounts are invested at the discretion of the employee.

Employer Contributions :

- EMPLOYER MATCHING CONTRIBUTIONS - P&G France makes matching contributions of between 54 and 100 percent, based on employees' voluntary, periodic contributions. These matching contributions are automatically invested in FCPE Groupe Procter et Gamble (Option D).
  
- PROFIT SHARING - P&G France calculates and distributes these amounts according to French law as well as a supplementary profit-sharing agreement. These amounts are invested at the discretion of the employee unless no investment direction has been given. In this case, amounts are automatically invested as per the last investment choice or, by default, in FCPE Groupe Procter et Gamble (Option D).
  
- INCENTIVE COMPENSATION - P&G France contributes incentive amounts to employees according to an incentive compensation agreement. Employees have the option of receiving these amounts directly, or of contributing these amounts to the Plan. Amounts contributed to the Plan are invested

## Edgar Filing: PROCTER & GAMBLE CO - Form 11-K

at the discretion of the employee, or automatically invested per the last investment choice.

- BONUS EMPLOYER MATCHING CONTRIBUTIONS - P&G France makes a one-off, bonus matching contribution to new Plan participants. This contribution is equal to twice the amount of the employee's voluntary, periodic contributions plus three times the employee's voluntary, complementary contributions, including incentive compensation, made during the Plan year. This contribution is capped based upon an average market value of one share of The Procter & Gamble Company. This contribution is automatically invested in FCPE Groupe Procter et Gamble (Option D).

All contributions are immediately 100 percent vested, however, there is a five-year waiting period for making withdrawals or receiving distributions (see below).

WITHDRAWALS - All contributions are "blocked" for a period of five years beginning on October 1st of the calendar year in which the contribution was made. After this period, amounts are available for withdrawal without restriction. Under certain circumstances, as defined by the Plan, a participant may withdraw "blocked" contributions. All amounts become immediately available for withdrawal upon the termination of employment.

PARTICIPANT ACCOUNTS AND INVESTMENT OPTIONS - An account is maintained for each employee, and reflects employee and employer contributions as well as employee withdrawals. There is no provision for the allocation of income since the FCPE do not pay dividends. Participants are permitted to direct certain contributions into any of the four FCPE, however certain other contributions from employees and P&G France are mandatorily invested in FCPE Groupe Procter et Gamble (Option D). Amounts may be transferred from FCPE to FCPE except that "blocked" amounts may not be transferred out of FCPE Groupe Procter et Gamble (Option D).

Participants may allocate their account balances to one or all of the following investment options offered by the Plan:

- o FCPE GROUPE PROCTER ET GAMBLE ACTIONS (OPTION A) - The prospectus indicates that this fund invests in equity securities or in mutual funds which invest primarily in equity securities. As of June 30, 2002 and 2001, the net asset value per unit of this FCPE was 46.82 (euro) and 57.45 (euro), respectively. As of June 30, 2002 and 2001, the number of Plan participants invested in this fund was 2,053 and 2,021, respectively.
- o FCPE GROUPE PROCTER ET GAMBLE OBLIGATIONS (OPTION B) - The prospectus indicates that this fund invests in debt securities or in mutual funds which invest primarily in debt securities. As of June 30, 2002 and 2001, the net asset value per unit of this FCPE was 22.76 (euro) and 21.89 (euro), respectively. As of June 30, 2002 and 2001, the number of Plan participants invested in this fund was 1,790 and 1,641, respectively.
- o FCPE GROUPE PROCTER ET GAMBLE 5000 (OPTION C) - The prospectus indicates that this fund invests in at least 75% in French equity securities, or in mutual funds which are at least 60% comprised of French equity securities. As of June 30, 2002 and 2001, the net asset value per unit of this FCPE was 8.55 (euro) and 11.26 (euro), respectively. As of June 30, 2002 and 2001, the number of Plan participants invested in this fund was 906 and 853, respectively.

## Edgar Filing: PROCTER & GAMBLE CO - Form 11-K

- o FCPE GROUPE PROCTER ET GAMBLE (OPTION D) - The prospectus indicates that this fund invests uniquely in The Procter & Gamble Company, Inc. common stock. As of June 30, 2002 and 2001, the net asset value per unit of this FCPE was 90.23 (euro) and 72.38 (euro), respectively. As of June 30, 2002 and 2001, the number of Plan participants invested in this fund was 2,806 and 2,780, respectively.

	=====	=====	=====

The line item "other" is mainly composed of gain/loss on currency exchange and (euro) 1,183,370 of dividend (Option D only) re-invested in Procter and Gamble common stock.

PLAN TERMINATION - The Plan agreement must be renewed every three years by written agreement between P&G France and their related Employee Committees. Thus the present Plan will terminate on December 31, 2002. Although the Plan is expected to be renewed by all parties, any party has

## Edgar Filing: PROCTER & GAMBLE CO - Form 11-K

the right to decline to participate in the Plan.

In the event of Plan termination, and absent a substitute plan, the FCPE will either remain active or will be merged into alternative mutual funds. Thus, Plan participants will have the option to withdrawal "unblocked" amounts or to remain invested. Future employee and employer contributions to the Plan will be suspended, and any additional expenses will be paid by P&G France.

### 2. SIGNIFICANT ACCOUNTING POLICIES

**BASIS OF ACCOUNTING** - The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**PLAN INVESTMENTS** - The Plan's investments are fair-valued based upon the net asset value of the units of each FCPE held by the Plan at year end. The net asset values of the FCPEs are determined by the fund manager, Interepargne S.A., based upon the fair value of the FCPEs' underlying investments, less any liabilities.

Purchases and sales of investments are recorded on a trade date basis. The cost of investments sold is determined using the average cost.

**COST BASIS OF INVESTMENTS** - Due to administrative reasons, Procter & Gamble Services France S.A.S. has not calculated the cost basis of investments. Therefore, the cost basis of investments, the realized gain or loss on investments and the unrealized gain or loss on investments have not been separately disclosed in the Financial Statements except for the twelve month period ended June 30, 2002.

**EXPENSES OF THE PLAN** - Administrative and investment management expenses are paid by P&G France. These expenses amounted to 72,714 (euro), 27,703 (euro) and 85,798 (euro) for the years ended June 30, 2002, 2001 and 2000, respectively.

**COMMISSIONS ON SUBSCRIPTIONS** - Contributions made to the plan are subject to a commission of 1.50 percent. These commissions are treated as investment expense, and increase the purchase price of the investment.

**CONTRIBUTIONS AND WITHDRAWALS** - Contributions made to the plan are recorded when due from participants and employers. Withdrawals from the plan are recorded when paid.

**USE OF ESTIMATES** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### 3. TAX STATUS

The Plan and the underlying FCPEs are subject to the tax laws of France. Currently, the Plan and the underlying FCPEs are tax-exempt according to French tax law. Thus, no provision for income taxes has been reflected in the accompanying financial statements.

P&G France is exempt from taxation in the United States of America.
