**Item 6. Indemnification of Directors and Officers**

Section 145 of the Delaware General Corporation Law ("Section 145") permits indemnification of directors, officers, agents and controlling persons of a corporation under certain conditions and subject to certain limitations. Article THIRTEENTH of the Company's Amended and Restated Certificate of Incorporation (the "Certificate") requires the Company to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in

---

the right of the Company) by reason of the fact that he is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation or other enterprise. The Company will indemnify any such person against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. In the case of an action by or in the right of the Company, no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Company unless and only to the extent that despite the adjudication of liability, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. The Certificate further provides that to the extent a director, officer, employee or agent of the Company has been successful in the defense of any third-party or corporate proceeding referred to above or in the defense of any claim, issue or matter therein, he shall be indemnified against expenses actually and reasonably incurred by him in connection therewith. The Certificate specifies the procedures for determination of entitlement to indemnification.

In addition, Section 145 and the Certificate permit the Company to purchase and maintain insurance that protects its directors, officers, employees and agents or persons who serve in such positions for another corporation or other enterprise at the request of the Company, against any liabilities incurred in connection with their service in such position whether or not the Company would otherwise have the power to indemnify under the Certificate. The Company maintains such insurance.

The Company has entered into indemnification agreements (the "Indemnification Agreements") with each of its directors. The Indemnification Agreements, which were approved by the Company's Board of

Directors and stockholders, provide for prompt indemnification "to the fullest extent permitted by applicable law" and for the prompt advancement of expenses, including reasonable attorneys' fees and other costs and expenses incurred in connection with any action suit or proceeding in which the director is a witness or which is brought against the director in his capacity as a director, officer, employee, agent, or fiduciary of the Company or of any enterprise which the director was serving at the request of the Company. A director cannot be indemnified under the agreement if he did not act in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Company; and with respect to criminal proceedings, a director cannot be indemnified if he had reasonable cause to believe his conduct was unlawful. The agreements provide specific guidelines as to when and under what circumstances indemnification may be provided and/or expenses may be advanced, and also require that, if directors' and officers' liability insurance is maintained, each director be provided with the maximum coverage provided to any other director. Rights of directors under the Indemnification Agreements are in addition to any other rights available to them under Delaware law, directors' and officers' liability insurance, the Company's Certificate, as amended, or otherwise, but double payment is prohibited by the terms of the Indemnification Agreements. The Indemnification Agreements continue until and terminate upon the later of ten years after the date that the indemnitee shall have ceased to serve as a director of the Company of the final termination of all pending proceedings in respect of which the indemnitee is granted rights of indemnification or advancement of expenses.

**Item 9. Undertakings**

The undersigned hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

Edgar Filing: UNI MARTS INC - Form S-8 POS

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that subparagraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those subparagraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

The undersigned company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or

---

otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
