Item 1.01 Entry Into a Material Definitive Agreement.

On March 31, 2010, Audiovox Corporation (the "Company") entered into a Credit Agreement (the "Credit Agreement") by and among the lenders party thereto and JPMorgan Chase Bank, N.A. as Administrative Agent for the lenders. The Company also entered into a Security Agreement in connection with the Credit Agreement. The Credit Agreement provides for a \$15 million secured revolving credit facility. The credit facility matures on March 31, 2013.

Pursuant to the terms of the Credit Agreement, the Company will pay commitment fees equal to 0.50% per year on the unused portion of the revolving credit facility. In addition, the fee for each letter of credit under the Credit Agreement will be 0.125% per annum and for each standby letter of credit the fee will be Libor plus 4.50% per annum.

The borrowing under the credit facility, will, at the Company's option, be classified as either LIBO Rate or Alternate Base Rate loans (both as defined in the Credit Agreement). The rate of interest payable by the Company in respect of outstanding loans under the credit facility is (i) with respect to LIBO Rate loans, the Adjusted LIBO Rate (as defined in the Credit Agreement) for the Interest Period plus 4.5%, or (ii) with respect to ABR Loans, the Adjusted Base Rate (as defined in the Credit Agreement) then in effect plus 0.50%.

The Credit Agreement requires the Company to comply with various affirmative and negative covenants which include, among other things, a minimum net worth requirement. Events of default under the Credit Agreement include, among other things, payment defaults, breaches of representations, warrants or covenants, defaults under Material Indebtedness (as defined in the Credit Agreement), certain events of bankruptcy or insolvency, judgment defaults, certain defaults or events relating to employee benefit plans or a Change in Control (as defined in the Credit Agreement). An Event of Default would permit the Administrative Agent to terminate the revolving commitments and accelerate the maturity of the Loans.

The new revolving credit facility is secured by a first security priority security interest in the Company's assets and those of the Company's subsidiaries party to the Credit Agreement.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to the complete terms of the Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information required by this Item 2.03 is set forth under Item 1.01 of this Current Report on Form 8-K, which is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.

Exhibit No.	Description
10.1	Credit Agreement, dated March 31, 2010, by and among the Company, the lenders party thereto and JPMorgan Chase Bank, N.A. as Administrative Agent for the lenders.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.
