**ITEM 4.01. CHANGES IN REGISTRANT’S CERTIFYING ACCOUNTANT**

**(a) Dismissal of Current Accountants**

On April 12, 2006, Navistar International Corporation (the company) filed a Current Report on Form 8-K (the April 12<sup>th</sup> 8-K) announcing, among other items, the dismissal of the company’s independent registered public accounting firm, Deloitte & Touche LLP (Deloitte). The April 12<sup>th</sup> 8-K is hereby incorporated herein by reference. In addition to the matters reported therein, the company notes that Deloitte previously identified the following significant deficiencies in company’s internal controls that existed on October 31, 2004 and that in Deloitte’s judgment were considered to be material weaknesses: (i) the design of internal controls to appropriately apply certain generally accepted accounting principles at the company’s finance subsidiary, Navistar Financial Corporation (NFC), that resulted in a restatement of the financial statements; (ii) the lack of timely resolution of outstanding reconciling items in NFC’s collection (suspense) account reconciliations; and (iii) the lack of sufficient controls to enable the company to previously identify and reconcile in a timely fashion accounts payable recorded by its Mexican manufacturing operations.

In accordance with Item 4.01 of Form 8-K and Item 304 of Regulation S-K, the company provided Deloitte with a copy of its disclosures contained in the April 12<sup>th</sup> 8-K and requested that Deloitte furnish the company with a letter addressed to the Securities and Exchange Commission (SEC) stating whether or not it agrees with the statements made by the company in the April 12<sup>th</sup> 8-K. On April 26, 2006, the company received Deloitte’s response letter; a copy of that letter is attached hereto as Exhibit 16. By filing the letter as an exhibit as required by SEC regulations, the company is not necessarily indicating its agreement with the statements contained therein.

**ITEM 8.01. OTHER EVENTS.**

As disclosed in the April 12<sup>th</sup> 8-K, the company’s Audit Committee initiated an investigation into the propriety of accounting and auditing confirmation matters relating to vendor rebates in fiscal year 2005. This investigation is substantially complete, and in an interim report to the Audit Committee the independent investigator indicated that based upon the evidence reviewed so far, the independent investigator has not concluded that there was any fraud or intentional misconduct.

As disclosed in the April 12<sup>th</sup> 8-K, the company announced the employment of James A. Blanda as interim Corporate Controller. Because of the interim nature of his employment, Mr. Blanda was not elected as an executive officer and therefore the terms of his employment arrangement will not be disclosed.
