Form 10-Q
November 09, 2015

UNITED STATES
SECURITIES AND EXCHANGE COMMISSION
Washington, D.C. 20549

FORM 10-Q

(Mark One)

QUARTERLY REPORT PURSUANT TO SECTION 13 OR 15(d) OF THE SECURITIES EXCHANGE ACT OF 1934

For the Quarterly Period Ended September 30, 2015

or

TRANSITION REPORT PURSUANT TO SECTION 13 OR 15(d) OF THE SECURITIES EXCHANGE ACT OF 1934

For the transition period from _____ to _____

Commission File No. 1-10410

CAESARS ENTERTAINMENT CORPORATION
(Exact name of registrant as specified in its charter)

Delaware
(State or other jurisdiction of incorporation or organization)

62-1411755
(I.R.S. Employer Identification No.)

One Caesars Palace Drive, Las Vegas, Nevada
(Address of principal executive offices)
(702) 407-6000
(Registrant's telephone number, including area code)

89109
(Zip Code)

N/A
(Former name, former address and former fiscal year, if changed since last report)

Indicate by check mark whether the registrant (1) has filed all reports required to be filed by Section 13 or 15(d) of the Securities Exchange Act of 1934 during the preceding 12 months (or for such shorter period that the registrant was required to file such reports), and (2) has been subject to such filing requirements for the past 90 days. Yes No

Indicate by check mark whether the registrant has submitted electronically and posted on its corporate Web site, if any, every Interactive Data File required to be submitted and posted pursuant to Rule 405 of Regulation S-T (§232.405 of this chapter) during the preceding 12 months (or for such shorter period that the registrant was required to submit and post such files). Yes No

Indicate by check mark whether the registrant is a large accelerated filer, an accelerated filer, a non-accelerated filer, or a smaller reporting company. See the definitions of "large accelerated filer," "accelerated filer" and "smaller reporting company" in Rule 12b-2 of the Exchange Act. (Check one):

Large accelerated filer Accelerated filer

Non-accelerated filer (Do not check if a smaller reporting company) Smaller reporting company

Indicate by check mark whether the registrant is a shell company (as defined in Rule 12b-2 of the Exchange Act). Yes No

Edgar Filing: CAESARS ENTERTAINMENT Corp - Form 10-Q

Indicate the number of shares outstanding of each of the issuer's classes of common stock, as of the latest practicable date.

Class	Outstanding at November 1, 2015
Common stock, \$0.01 par value	144,908,313

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS
(UNAUDITED)

In this filing, the name “CEC” refers to the parent holding company, Caesars Entertainment Corporation, exclusive of its consolidated subsidiaries and variable interest entities, unless otherwise stated or the context otherwise requires. The words “Company,” “Caesars,” “Caesars Entertainment,” “we,” “our,” and “us” refer to Caesars Entertainment Corporation, inclusive of its consolidated subsidiaries and variable interest entities, unless otherwise stated or the context otherwise requires.

This Form 10-Q should be read in conjunction with our Annual Report on Form 10-K for the year ended December 31, 2014 (“2014 10-K”).

Note 1 - Organization

Organization

CEC is primarily a holding company with no independent operations of its own. It owns Caesars Entertainment Resort Properties, LLC (“CERP”) and an interest in Caesars Growth Partners, LLC (“CGP”). As of September 30, 2015, CERP and CGP owned a total of 12 casino properties in the United States, eight of which are in Las Vegas. These eight casino properties represented 53% and 52% of consolidated net revenues for the three and nine months ended September 30, 2015, respectively.

CEC also holds a majority interest in Caesars Entertainment Operating Company, Inc. (“CEOC”). As described in Note 4, the results of CEOC and its subsidiaries are no longer consolidated with Caesars subsequent to CEOC’s voluntarily filing for reorganization under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”) on January 15, 2015.

Caesars Enterprise Services, LLC

In 2014, CERP, CEOC and Caesars Growth Properties Holdings, LLC (“CGPH” and, collectively, the “Members”) formed Caesars Enterprise Services, LLC (“CES”), a services joint venture. CES provides certain corporate and administrative services for the Members’ casino properties, including substantially all of the 28 casino properties owned by CEOC, and ten casinos owned by unrelated third parties (including four Indian tribes). CES manages certain assets for the casinos to which it provides services and the other assets it owns, licenses or controls, and employs certain of the corresponding employees. Under the terms of the joint venture and the Omnibus License and Enterprise Services Agreement, we believe that CEC and its operating subsidiaries will continue to have access to the services historically provided to us by CEOC and its employees, its trademarks, and its programs despite the CEOC bankruptcy filing. Expenses incurred by CES are allocated to the casino properties directly or to the Members according to their allocation percentages, subject to annual review. Therefore, CES is a “pass-through” entity that serves as an agent on behalf of the Members at a cost-basis, and is contractually required to fully allocate its costs. CES is designed to have no operating cash flows of its own, and any net income or loss is generally immaterial and is typically subject to allocation to the Members in the subsequent period.

Caesars Interactive Entertainment, Inc. (“CIE”)

We also consolidated the results of CIE, a majority owned subsidiary of CGP that operates an online games business providing social games on Facebook and other social media websites and mobile application platforms; certain real money games in Nevada and New Jersey; and “play for fun” offerings in other jurisdictions. CIE also owns the World Series of Poker (“WSOP”) tournaments and brand and licenses trademarks for a variety of products and businesses related to this brand.

Reportable Segments

We view each casino property and CIE as operating segments and currently aggregate all such casino properties and CIE into three reportable segments based on management’s view of these casino properties, which aligns with their ownership and underlying credit structures: CERP, Caesars Growth Partners Casino Properties and Developments (“CGP Casinos”), and CIE. CGP Casinos is comprised of all subsidiaries of CGP excluding CIE. CEOC remained a reportable segment until its deconsolidation effective January 15, 2015.

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

Going Concern

Overview

The circumstances described in “CEC Liquidity” and “Litigation” below raise substantial doubt as to CEC’s ability to continue as a going concern. The accompanying consolidated condensed financial statements have been prepared assuming that Caesars will continue as a going concern and do not include any adjustments that might result from the outcome of any uncertainties related to our going concern assessment. The following provides our analysis and the factors that were considered in reaching this conclusion.

Financial Condition as of December 31, 2014

Over the three-year period ended December 31, 2014, we incurred cumulative net losses totaling \$7.2 billion, primarily due to \$7.0 billion of interest expense resulting from our highly-leveraged capital structure. As of December 31, 2014, we had a total accumulated deficit of \$13.1 billion and long term debt totaled \$23.0 billion, including current portion of \$15.8 billion. Our cumulative cash flows from operating activities were negative \$772 million over the three-year period, primarily due to total cash paid for interest of \$5.7 billion.

The substantial majority of the preceding negative financial factors occurred in our largest operating subsidiary, CEOC, which incurred cumulative net losses totaling \$7.1 billion resulting from interest expense of \$6.2 billion over the three-year period ended December 31, 2014. As of December 31, 2014, CEOC had a total accumulated deficit of \$11.4 billion, and long term debt totaled \$15.9 billion, including current portion of \$15.8 billion. CEOC had experienced negative cash flows from operating activities over the three-year period, primarily due to cash paid for interest.

CEOC Reorganization

All of the foregoing factors raised substantial doubt about CEOC’s ability to continue as a going concern as of December 31, 2014, and contributed to the decision for CEOC and certain of its United States subsidiaries (the “Debtors”) to voluntarily file for reorganization under Chapter 11 of the Bankruptcy Code on January 15, 2015, in the United States Bankruptcy Court for Northern District of Illinois in Chicago (the “Bankruptcy Court”) (see Note 4). Commitments Under the First Lien RSAs. As previously disclosed in Current Reports on Form 8-K, CEC and the Debtors are party to the (a) Fourth Amended and Restated Restructuring Support and Forbearance Agreement dated July 31, 2015, with certain holders of claims in respect of claims under CEOC’s first lien notes (the “First Lien Bond RSA”) (see also Note 19) and (b) Restructuring Support and Forbearance Agreement dated August 21, 2015, with certain holders of claims in respect of claims under CEOC’s first lien credit agreement (the “First Lien Bank RSA” and, together with the First Lien Bond RSA, the “First Lien RSAs”).

The Effective Date of the CEOC’s plan of reorganization (the “Restructuring”) (the material terms of which are contained in the First Lien RSAs as they may be modified by their terms) is the date upon which all required conditions of the Restructuring have been satisfied or waived and on which the CEOC reorganization and related transactions will become effective.

CEOC filed a plan of reorganization on October 7, 2015, with the Bankruptcy Court (the “Plan”) that reflects the terms of the First Lien RSAs. Under the Plan, CEC has agreed to pay the following amounts and take other actions:

• \$406 million for forbearance fees in connection with the Restructuring, general corporate purposes and to fund sources and uses (“Fixed Payments”);

• \$75 million to CEOC if there is insufficient liquidity as of the Effective Date;

• \$25 million per month for the period from February 1, 2016 through the Effective Date for the benefit of the First Lien Noteholders (“Additional Consideration”);

• Up to \$63 million in upfront payments to certain First Lien Bank Lenders (“Upfront Payments”);

• Purchase from the Settling First Lien Bank Lenders 100% of their respective First Lien Bank Obligations that survive the Effective Date (“Bank Guaranty Settlement”);

CAESARS ENTERTAINMENT CORPORATION
 NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
 (UNAUDITED)

- Purchase up to all of OpCo equity for \$700 million pursuant to the put rights, where holders of over 85% of the First Lien Notes have already indicated their intent to put their OpCo equity to CEC once received (“OpCo” refers to the proposed entity resulting from the Restructuring that will operate the CEOC Properties under a lease with PropCo. CEOC Properties refers to those properties owned by CEOC as of the Petition Date. See Note 4.);
- Purchase up to 14.8% of PropCo equity for \$269 million pursuant to the put rights (“PropCo” refers to the proposed entity resulting from the Restructuring that will own the CEOC Properties as of the Effective Date.);
- Give PropCo a right of first refusal on all new domestic non-Las Vegas opportunities, with CEC or OpCo leasing such properties;
- Give PropCo a call right to purchase Harrah’s Atlantic City and Harrah’s Laughlin;
- Guarantee OpCo’s monetary obligations to PropCo under the leases; and
- Enter into a guaranty of collection of the OpCo debt received by the First Lien Bank Lenders and First Lien Noteholders.

The Restructuring is subject to approval by the Bankruptcy Court and the receipt of required gaming regulatory approvals. Because more than a majority of the first lienholders have approved the First Lien RSAs, we believe it is probable that the contingent obligations will be paid and, therefore, we have accrued the items below in Deconsolidation and Restructuring of CEOC and Other in the consolidated condensed statements of operations:

Description (in millions)	Amount
Fixed payments ⁽¹⁾	\$406
Additional consideration ⁽²⁾	138
Upfront payments ⁽³⁾	63
Bank guaranty settlement	359
Total accrued restructuring and support expenses	\$966

⁽¹⁾ \$85 million was paid in fourth quarter of 2015

⁽²⁾ For the purposes of determining this amount, the Effective Date is estimated to be in the third quarter of 2016; however this date is outside of our control and is highly subject to change.

⁽³⁾ \$57 million was paid in fourth quarter of 2015

Additional Potential Commitments. In addition to terms described above relative to the First Lien RSAs, under the terms of the Plan, CEC will pay the following if certain classes of CEOC’s unsecured creditors vote in favor of the Plan and if the Plan is approved by the Court:

- Up to \$450 million in principal amount of 5% convertible notes to be issued by CEC;
- Up to 9.8% of PropCo equity purchased pursuant to the PropCo put rights and/or cash in an amount equal to the shortfall from 9.8% of PropCo equity (at Plan value) if the PropCo put rights are not fully exercised;
- The consideration CAC would have received under the Plan on account of CEOC’s unsecured notes held by CAC; and
- Give PropCo a call right to purchase Harrah’s New Orleans.

Payment to CEOC. In addition, and separate from the transactions and agreements described above, if there is not a comprehensive out of court restructuring of CEOC’s debt securities or a prepackaged or prearranged in-court restructuring with requisite voting support from each of the first and second lien secured creditor classes by February 15, 2016, CEC will be obligated upon demand to make an additional payment to CEOC of \$35 million. During the first quarter of 2015, we accrued this liability in Accrued Restructuring and Support Expenses on the consolidated condensed balance sheet.

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

Caesars' Financial Condition

During the nine months ended September 30, 2015, we recognized net income of \$6.0 billion, which includes a \$7.1 billion gain recognized upon the deconsolidation of CEOC, and generated operating cash flows of \$250 million, which includes \$220 million of negative operating cash flow attributable to CEOC prior its deconsolidation. As of September 30, 2015, subsequent to the deconsolidation of CEOC, we had a total accumulated deficit of \$7.1 billion and long term debt totaled \$7.0 billion, including current portion of \$189 million.

CEC Liquidity

CEC is primarily a holding company with no independent operations, employees, or material debt issuances of its own. Its primary assets at September 30, 2015, consist of \$349 million in cash and cash equivalents and its ownership interests in CEOC, CERP and CGP. The restrictions included in certain debt arrangements entered into by CERP and CGP (and/or their respective subsidiaries) generally do not allow for CERP, CGP, or their subsidiaries to provide dividends to CEC. In addition, CEC does not receive any financial benefit from CEOC during CEOC's bankruptcy, as all earnings and cash flows are retained by CEOC for the benefit of its creditors.

CEC has no requirement to fund the operations of CERP, CGP, or their subsidiaries. Accordingly, CEC cash outflows are primarily used for corporate development opportunities and other corporate-level activity. CEC is generally limited to raising additional capital through borrowings or equity transactions because it has no operations of its own and the restrictions on its subsidiaries under lending arrangements generally prevent the distribution of cash from the subsidiaries to CEC, except for certain restricted payments that CERP and CGPH are authorized to make in accordance with their lending arrangements.

While we do have sufficient liquidity at present to meet existing obligations and continue operations, we made material commitments under the Restructuring described above that have been accrued as of September 30, 2015. The completion of the previously announced merger of Caesars and CAC is expected to aid CEC in meeting these commitments; however, based on our current forecasts, we estimate that CEC will require additional sources of funding to meet its commitments because CEC has no operations of its own or through its subsidiaries that contribute to its liquidity. We are evaluating additional sources of liquidity that will ensure that CEC can meet its commitments under the Restructuring, but have not yet secured additional funding. Furthermore, if the merger with CAC is not completed for any reason, CEC would still be liable for these contributions.

Guarantee of Collection

In 2014, CEOC amended its senior secured credit facilities (the "Bank Amendment") resulting in, among other things, a modification of CEC's guarantee under the senior secured credit facilities such that CEC's guarantee was limited to a guarantee of collection ("CEC Collection Guarantee") with respect to obligations owed to the lenders who consented to the Bank Amendment. The CEC Collection Guarantee requires the creditors to exhaust all rights and remedies at law and in equity that the creditors or their agents may have against CEOC or any of its subsidiaries and its and their respective property to collect, or obtain payment of, the guaranteed amounts. As part of the Bank Guaranty Settlement disclosed above, the CEOC creditors have agreed to eliminate the CEC Collection Guarantee, and we recorded \$359 million as an estimate of the liability based on the terms of the agreement.

Litigation

In addition to financial commitments described above, we have the following outstanding uncertainties for which we have not accrued any amounts, all of which are described in Note 5:

• Litigation commenced by Wilmington Savings Fund Society, FSB on August 4, 2014 (the "Delaware Second Lien Lawsuit");

• Litigation commenced by parties on September 3, 2014 and October 2, 2014 (the "Senior Unsecured Lawsuits");

• Litigation commenced by UMB Bank on November 25, 2014 (the "Delaware First Lien Lawsuit");

• Demands for payment made by Wilmington Savings Fund Society, FSB on February 13, 2015 (the "February 13 Notice");

• Demands for payment made by BOKF, N.A., on February 18, 2015 (see "February 18 Notice");

⚡ Litigation commenced by BOKF, N.A. on March 3, 2015 (the “New York Second Lien Lawsuit”);

⚡ Litigation commenced by UMB Bank on June 15, 2015 (the “New York First Lien Lawsuit”);

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

Litigation commenced by Wilmington Trust, National Association on October 20, 2015 (the “New York Senior Notes Lawsuit”); and

Litigation commenced by Trustees of the National Retirement Fund in January 2015 (“NRF Litigation”).

Summary

The circumstances described in “CEC Liquidity” above raise substantial doubt as to CEC’s ability to continue as a going concern beyond the Effective Date while continuing to meet its commitments under the Restructuring. Additionally, in each of the litigation matters, claims have been made or could be made against CEC that, if resolved against us, raise substantial doubt about CEC’s ability to continue as a going concern. Under the terms of the Plan that was filed with the Bankruptcy Court, all of the above litigation should be resolved. However, in the event of a material adverse ruling on one or all of the litigation matters set forth above, it is likely that a reorganization under Chapter 11 of the Bankruptcy Code would be necessary.

Note 2 — Basis of Presentation and Consolidation

Basis of Presentation

The accompanying unaudited consolidated condensed financial statements of Caesars have been prepared under the rules and regulations of the Securities and Exchange Commission (“SEC”) applicable for interim periods, and therefore, do not include all information and footnotes necessary for complete financial statements in conformity with accounting principles generally accepted in the United States (“GAAP”). The results for the interim periods reflect all adjustments (consisting primarily of normal recurring adjustments) that management considers necessary for a fair presentation of financial position, results of operations, and cash flows. The results of operations for our interim periods are not necessarily indicative of the results of operations that may be achieved for the entire 2015 fiscal year. All amounts presented in these consolidated condensed financial statements and notes thereto exclude the operating results and cash flows of CEOC subsequent to January 15, 2015, and the assets, liabilities, and equity of CEOC as of September 30, 2015.

Consolidation of Subsidiaries and Variable Interest Entities

We consolidate into our financial statements the accounts of all subsidiaries in which we have a controlling financial interest and variable interest entities (“VIEs”) for which we or one of our consolidated subsidiaries is the primary beneficiary. Control generally equates to ownership percentage, whereby (1) affiliates that are more than 50% owned are consolidated; (2) investments in affiliates of 50% or less but greater than 20% are generally accounted for using the equity method where we have determined that we have significant influence over the entities; and (3) investments in affiliates of 20% or less are generally accounted for using the cost method.

We consolidate a VIE when we have both the power to direct the activities that most significantly impact the results of the VIE and the right to receive benefits or the obligation to absorb losses of the entity that could be potentially significant to the VIE. For VIEs that are under common control with affiliates, in lieu of an assessment of the power to direct the activities that most significantly impact the results of the VIE, we may be required to assess a number of other factors to determine the consolidating entity, including the following: (i) the closeness of the association that the VIE has with the businesses of the affiliated entities, (ii) the entity from which the VIE obtained its assets; (iii) the nature of ongoing management and other agreements; and (iv) the obligation to absorb losses and the right to receive residual returns that could potentially be significant to the VIE. Along with the VIEs that are consolidated in accordance with the above guidelines, we also hold variable interests in other VIEs that are not consolidated because we are not the primary beneficiary. We continually monitor both consolidated and unconsolidated VIEs to determine if any events have occurred that could cause the primary beneficiary to change. A change in determination could have a material impact on our financial statements.

Despite a majority financial interest, we may only possess non-substantive voting rights that do not confer upon us the ability to control key activities of the entity, such as determining operating budgets, payment of obligations, management of assets, and/or other activities necessary for the ordinary course of business. We continually monitor both consolidated and unconsolidated VIEs to determine if any events have occurred that could cause the primary

beneficiary to change.

Consolidation of Caesars Growth Partners

Because the equity holders in CGP receive returns disproportionate to their voting interests and substantially all the activities of CGP are related to Caesars, CGP has been determined to be a VIE. CAC is the sole voting member of CGP. Common control exists between CAC and Caesars through the majority beneficial ownership of both by Hamlet Holdings (as defined in Note 18). The

11

CAESARS ENTERTAINMENT CORPORATION
 NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
 (UNAUDITED)

assets held by CGP originally came from Caesars and continue to be intrinsically closely associated with Caesars through the nature of the business, as well as ongoing service and management agreements. Additionally, Caesars is expected to receive the majority of the benefits or absorb the majority of the losses from its higher economic participation in CGP. Since Caesars is more closely associated with CGP than CAC, we have determined that Caesars is the primary beneficiary of CGP and is required to consolidate them. Neither CAC nor CGP guarantees any of CEC's debt, and the creditors or beneficial holders of CGP have no recourse to the general credit of CEC.

CGP generated net revenues of \$601 million and \$486 million for the three months ended September 30, 2015 and 2014, respectively, and \$1.7 billion and \$1.1 billion for the nine months ended September 30, 2015 and 2014, respectively. Net loss attributable to Caesars related to CGP was \$6 million and \$32 million for the three months ended September 30, 2015 and September 30, 2014, respectively. There was no material net income attributable to Caesars related to CGP for the nine months ended September 30, 2015 compared with net loss of \$119 million for the nine months ended September 30, 2014.

CGP is obligated to issue additional non-voting membership units to CEC in 2016 to the extent that the earnings from CIE's social and mobile games business exceeds a specified threshold amount in 2015. CGP recorded a liability representing the fair value of the additional contingently issuable non-voting membership units of \$238 million and \$347 million as of September 30, 2015 and December 31, 2014, respectively. Such liability is eliminated in our consolidation of CGP.

Consolidation of Caesars Enterprise Services

A steering committee acts in the role of a board of managers for CES with each Member entitled to appoint one representative to the steering committee. Each Member, through its representative, is entitled to a single vote on the steering committee, accordingly, the voting power of the Members does not equate to their ownership percentages. We have determined that because Caesars consolidates two of the Members (CERP and CGPH), Caesars is deemed to have a controlling financial interest in CES through our ownership of that interest.

As described in Note 4, effective January 15, 2015, CEOC is no longer a consolidated subsidiary. Therefore, CEOC's ownership interest in CES, totaling \$16 million, is accounted for as noncontrolling interest.

Consolidation Considerations for Caesars Entertainment Operating Company

As described in Note 4, CEOC's filing for reorganization was a reconsideration event for Caesars Entertainment to reevaluate whether consolidation of CEOC continued to be appropriate. We have concluded that CEOC is a VIE and that we are not the primary beneficiary of CEOC. See Note 18 for additional information on the carrying amounts and classification of assets and liabilities that relate to our variable interest in CEOC.

Note 3 — Liquidity Considerations

We are a highly-leveraged company and had \$7.1 billion in face value of debt outstanding as of September 30, 2015. As a result, a significant portion of our liquidity needs are for debt service, including significant interest payments. Our estimated consolidated debt service obligation for the remainder of 2015 is \$274 million, consisting of \$62 million in principal maturities and \$212 million in required interest payments. Our estimated consolidated debt service obligation for 2016 is \$710 million, consisting of \$141 million in principal maturities and \$569 million in required interest payments.

Consolidated cash and cash equivalents, excluding restricted cash, as of September 30, 2015 as shown in the table below, includes amounts held by CERP, CGP, and CES, which are not readily available to CEC. Parent reflects CEC and its various non-operating subsidiaries.

See Note 12 for details of our debt outstanding and related restrictive covenants, including the restrictions on our subsidiaries to pay dividends to CEC or otherwise transfer cash to CEC. This detail includes, among other information, a table presenting details of our individual borrowings outstanding as of September 30, 2015 and December 31, 2014, as well as discussion of recent changes in our debt outstanding, and changes in the terms of existing debt subsequent to September 30, 2015.

Note 4 — Deconsolidation of Caesars Entertainment Operating Company
 Chapter 11 Filing for Reorganization

As previously disclosed in our 2014 10-K, on January 15, 2015 (the “Petition Date”), CEOC and certain of its United States subsidiaries (the “Debtors”) voluntarily filed for reorganization under Chapter 11 of the Bankruptcy Code in order to implement a restructuring plan for balance sheet deleveraging. The Debtors will continue to operate their businesses as “debtors-in-possession” under the jurisdiction of the Bankruptcy Court and in accordance with the applicable provisions of the Bankruptcy Code and orders of the Bankruptcy Court. CEC, exclusive of its subsidiaries, CERP, and CGP are separate entities with independent capital structures and have not filed for bankruptcy relief. In addition, all Caesars Entertainment properties, and those owned by CEOC, are continuing to operate in the ordinary course. Under the proposed plans, Caesars Entertainment will make substantial cash and other contributions as part of implementing the ultimate restructuring plans if they are agreed upon by the applicable parties and approved by the Bankruptcy Court (see “CEOC Reorganization” in Note 1).

Deconsolidation of CEOC

CEOC’s filing for reorganization was a reconsideration event for Caesars Entertainment to reevaluate whether consolidation of CEOC continued to be appropriate. We have concluded that CEOC is a VIE, subsequent to its filing for bankruptcy, because the holders of equity at risk (including us) as a group no longer had the power to make the primary decisions. Our assessment focused on indicators that CEC did not have significant influence over the operating and financial policies of CEOC, primarily including:

CEOC expanded its board of directors and added two independent directors. The CEOC board then delegated certain key decision-making authority regarding the bankruptcy and related party matters to two committees, which are comprised of primarily the independent directors. Additionally, as a result of the bankruptcy proceedings, critical decisions are now subject to the overall jurisdiction of the Bankruptcy Court and the Creditors Committee (described below).

The Bankruptcy Court established the Creditors Committee to represent the rights of the creditors during the bankruptcy proceedings. Through the Creditors Committees, creditors have the right to object to recommendations presented by CEOC’s management or the Board of Directors.

CEOC’s executive leadership is comprised of individuals who are independent of CEC.

Accordingly, we are not the primary beneficiary of CEOC because we have concluded that the equity owners, including CEC, only possess non-substantive voting rights; CEC is not operating CEOC as debtor-in-possession as the CEC Board has ceded its authority to the Bankruptcy Court; CEC management cannot carry on activities necessary for the ordinary course of business without Bankruptcy Court approval; and CEOC still manages day-to-day operations,

but does not have discretion to make significant capital or operating budgetary changes or decisions, purchase or sell significant assets, or approve management or employee

13

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

compensation arrangements. Ultimately, CEOC's material decisions are still subject to review by the Creditors Committees and the Bankruptcy Court.

In addition to the above, we assessed the inherent uncertainties associated with the outcome of the Chapter 11 reorganization process and the anticipated duration thereof, and concluded that it was appropriate to deconsolidate CEOC effective on the Petition Date.

We further considered how to account for our continuing investment in CEOC after deconsolidation and concluded that for similar reasons, we do not have significant influence over CEOC during the pendency of the bankruptcy; therefore, Caesars Entertainment accounts for its investment in CEOC as a cost method investment subsequent to the deconsolidation.

Upon the deconsolidation of CEOC, Caesars Entertainment recognized a \$7.1 billion gain and recorded a cost method investment in CEOC of zero due to the negative equity associated with CEOC's underlying financial position. In addition, as of December 31, 2014, CEOC represented total assets of \$11.0 billion, total liabilities of \$18.6 billion, and total long-term debt of \$15.9 billion. For the 2015 period prior to the deconsolidation, CEOC segment net revenues totaled \$158 million, net loss attributable to Caesars totaled \$76 million, and negative cash flow from operating activities totaled \$220 million.

During the third quarter of 2015, we recorded a \$32 million increase to the gain recognized on the deconsolidation of CEOC due to a correction to the allocation of deferred taxes to CEOC determined as part of our return to provision reconciliation.

Related Party Relationship

Subsequent to the Petition Date, CEOC will continue to fund all expenses related to its operations that are being provided by CES and can continue to perform on its intercompany obligations to all Caesars entities. However, upon filing for Chapter 11 and the subsequent deconsolidation, transactions with CEOC are no longer eliminated in consolidation and are treated as related party transactions for Caesars Entertainment. These transactions include items such as casino management fees paid to CEOC, insurance expenses related to insurance coverage provided to CEOC by Caesars Entertainment, and rent payments by CEOC to CERP under the Octavius Tower lease agreement (see Note 18).

Note 5 — Litigation

Litigation

Noteholder Disputes

On August 4, 2014, Wilmington Savings Fund Society, FSB, solely in its capacity as successor Indenture Trustee for the 10.00% Second-Priority Senior Secured Notes due 2018 (the "10.00% Second-Priority Notes"), on behalf of itself and, it alleges, derivatively on behalf of CEOC, filed a lawsuit (the "Delaware Second Lien Lawsuit") in the Court of Chancery in the State of Delaware against CEC and CEOC, CGP, CAC, CERP, CES, Eric Hession, Gary Loveman, Jeffrey D. Benjamin, David Bonderman, Kelvin L. Davis, Marc C. Rowan, David B. Sambur, and Eric Press. The lawsuit alleges claims for breach of contract, intentional and constructive fraudulent transfer, breach of fiduciary duty, aiding and abetting breach of fiduciary duty, and corporate waste. The lawsuit seeks (1) an award of money damages; (2) to void certain transfers, the earliest of which dates back to 2010; (3) an injunction directing the recipients of the assets in these transactions to return them to CEOC; (4) a declaration that CEC remains liable under the parent guarantee formerly applicable to the 10.00% Second-Priority Notes; (5) to impose a constructive trust or equitable lien on the transferred assets; and (6) an award to plaintiffs for their attorneys' fees and costs. CEC believes this lawsuit is without merit and will defend itself vigorously. A motion to dismiss this action was filed by CEC and other defendants in September 2014, and the motion was argued in December 2014. During the pendency of its Chapter 11 bankruptcy proceedings, the action has been automatically stayed with respect to CEOC. The motion to dismiss with respect to CEC was denied on March 18, 2015. Subsequently, plaintiffs advised the judge presiding over the CEOC bankruptcy proceeding that they would pursue in this litigation only those claims alleging that CEC remains liable under the parent guarantee formerly applicable to the 10.00% Second-Priority Notes. We believe that fact discovery in the case is substantially complete. No trial date has been set.

On August 5, 2014, CEC, along with CEOC, filed a lawsuit in the Supreme Court of the State of New York, County of New York, against certain institutional first and second lien note holders. The complaint states that such institutional first and second lien note holders have acted against the best interests of CEOC and other creditors, including for the purpose of inflating the value of their credit default swap positions or improving other unique securities positions. The complaint asserts claims for tortious interference with prospective economic advantage, declaratory judgment and breach of contract and seeks, among other things, (1) money damages; (2) a declaration that no default or event of default has occurred or is occurring and that CEC and CEOC have not breached their fiduciary duties or engaged in fraudulent transfers or other violation of law; and (3) a preliminary and permanent

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

injunction prohibiting the defendants from taking further actions to damage CEC or CEOC. Defendants filed motions to dismiss this action in October 2014. On January 16, 2015, the claims against the first lien note holder defendant were voluntarily dismissed and on June 29, 2015, the declaratory judgment claim against the second lien note holder defendants was also voluntarily dismissed. On July 6, 2015, the claim for tortious interference with prospective economic advantage brought by CEOC against the second lien note holders was voluntarily dismissed as well, without prejudice, leaving in the action only the tortious interference with prospective economic advantage claim brought by CEC against the second lien note holder defendants. On July 20, 2015, the Court granted the second lien note holder defendants' motion to dismiss that claim and ordered that the action be marked disposed.

On September 3, 2014, holders of approximately \$21 million of CEOC 6.50% Senior Unsecured Notes due 2016 and 5.75% Senior Unsecured Noted due 2017 (collectively, the "Senior Unsecured Notes") filed suit in federal district court in Manhattan against CEC and CEOC, claiming broadly that an August 12, 2014 Note Purchase and Support Agreement between CEC and CEOC (on the one hand) and certain other holders of the Senior Unsecured Notes (on the other hand) impaired their own rights under the Trust Indenture Act of 1939 and the indentures governing the Senior Unsecured Notes. The lawsuit seeks both declaratory and monetary relief. On October 2, 2014, a holder of CEOC's 6.50% Senior Unsecured Notes due 2016 purporting to represent a class of all persons who held these Notes from August 11, 2014 to the present filed a substantially similar suit in the same court, against the same defendants, relating to the same transactions. Both lawsuits (the "Senior Unsecured Lawsuits") have been assigned to the same judge. The claims against CEOC have been automatically stayed during its Chapter 11 bankruptcy proceedings. The court denied a motion to dismiss both lawsuits with respect to CEC. The parties have completed fact discovery with respect to both plaintiffs' claims against CEC. Plaintiffs in the action that involves both tranches of Senior Unsecured Notes have moved for summary judgment, and under the schedule imposed by the court, briefing on such motion will be completed by December 2, 2015. Plaintiffs in the other action, brought on behalf of holders of CEOC's 6.50% Senior Unsecured Notes, have indicated that they will move for class certification, and under the schedule imposed by the court for this motion, briefing will be completed by February 1, 2016.

On November 25, 2014, UMB Bank ("UMB"), as successor indenture trustee for CEOC's 8.50% Senior Secured Notes due 2020 (the "8.50% Senior Secured Notes"), filed a verified complaint (the "Delaware First Lien Lawsuit") in Delaware Chancery Court against CEC, CEOC, CERP, CAC, CGP, CES, and against individual past and present Board members Loveman, Benjamin, Bonderman, Davis, Press, Rowan, Sambur, Hession, Colvin, Kleisner, Swann, Williams, Housenbold, Cohen, Stauber, and Winograd, alleging generally that defendants improperly stripped CEOC of certain assets, wrongfully affected a release of CEC's parent guarantee of the 8.50% Senior Secured Notes and committed other wrongs. Among other things, UMB Bank asked the court to appoint a receiver over CEOC. In addition, the suit pleads claims for fraudulent conveyances/transfers, insider preferences, illegal dividends, declaratory judgment (for breach of contract as regards to the parent guarantee and also as to certain covenants in the bond indenture), tortious interference with contract, breach of fiduciary duty, usurpation of corporate opportunities, and unjust enrichment, and seeks monetary, equitable and declaratory relief. The lawsuit has been automatically stayed with respect to CEOC during its Chapter 11 bankruptcy process. Pursuant to the First Lien Bond RSA, the lawsuit also has been stayed in its entirety, with the consent of all of the parties to it. The consensual stay will expire upon the termination of the First Lien Bond RSA.

On February 13, 2015, Caesars Entertainment received a Demand For Payment of Guaranteed Obligations (the "February 13 Notice") from Wilmington Savings Fund Society, FSB, in its capacity as successor Trustee for CEOC's 10.00% Second-Priority Notes. The February 13 Notice alleges that CEOC's commencement of its voluntary Chapter 11 bankruptcy case constituted an event of default under the indenture governing the 10.00% Second-Priority Notes; that all amounts due and owing on the 10.00% Second-Priority Notes therefore immediately became payable; and that Caesars Entertainment is responsible for paying CEOC's obligations on the 10.00% Second-Priority Notes, including CEOC's obligation to timely pay all principal, interest, and any premium due on these notes, as a result of a parent guarantee provision contained in the indenture governing the notes that the February 13 Notice alleges is still binding. The February 13 Notice accordingly demands that Caesars Entertainment immediately pay Wilmington Savings Fund

Society, FSB, cash in an amount of not less than \$3.7 billion, plus accrued and unpaid interest (including without limitation the \$184 million interest payment due December 15, 2014 that CEOC elected not to pay) and accrued and unpaid attorneys' fees and other expenses. The February 13 Notice also alleges that the interest, fees and expenses continue to accrue.

On February 18, 2015, Caesars Entertainment received a Demand For Payment of Guaranteed Obligations (the "February 18 Notice") from BOKF, N.A. ("BOKF"), in its capacity as successor Trustee for CEOC's 12.75% Second-Priority Senior Secured Notes due 2018 (the "12.75% Second-Priority Notes"). The February 18 Notice alleges that CEOC's commencement of its voluntary Chapter 11 bankruptcy case constituted an event of default under the indenture governing the 12.75% Second-Priority Notes; that all amounts due and owing on the 12.75% Second-Priority Notes therefore immediately became payable; and that CEC is responsible for paying CEOC's obligations on the 12.75% Second-Priority Notes, including CEOC's obligation to timely pay all principal,

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

interest and any premium due on these notes, as a result of a parent guarantee provision contained in the indenture governing the notes that the February 18 Notice alleges is still binding. The February 18 Notice therefore demands that CEC immediately pay BOKF cash in an amount of not less than \$750 million, plus accrued and unpaid interest, accrued and unpaid attorneys' fees, and other expenses. The February 18 Notice also alleges that the interest, fees and expenses continue to accrue.

In accordance with the terms of the applicable indentures and as previously disclosed under Item 8.01 in our Current Report on Form 8-K filed August 22, 2014, CEC is not subject to the above-described guarantees. As a result, we believe the demands for payment are meritless.

On March 3, 2015, BOKF filed a lawsuit (the "New York Second Lien Lawsuit") against CEC in federal district court in Manhattan, in its capacity as successor trustee for CEOC's 12.75% Second-Priority Notes. On June 15, 2015, UMB filed a lawsuit (the "New York First Lien Lawsuit") against CEC, also in federal district court in Manhattan, in its capacity as successor trustee for CEOC's 11.25% Senior Secured Notes due 2017, 8.50% Senior Secured Notes due 2020, and 9.00% Senior Secured Notes due 2020. Plaintiffs in these actions allege that CEOC's filing of its voluntary Chapter 11 bankruptcy case constitutes an event of default under the indenture governing these notes, causing all principal and interest to become immediately due and payable, and that CEC is obligated to make those payments pursuant to a parent guarantee provision in the indentures governing these notes that plaintiffs allege are still binding. Both plaintiffs bring claims for violation of the Trust Indenture Act of 1939, breach of contract, breach of duty of good faith and fair dealing and for declaratory relief and BOKF brings an additional claim for intentional interference with contractual relations. The cases have both been assigned to the same judge presiding over the other Parent Guarantee Lawsuits (as defined below) that are taking place in Manhattan. CEC filed its answer to the BOKF complaint on March 25, 2015, and to the UMB complaint on August 10, 2015. On June 25, 2015, and June 26, 2015, BOKF and UMB, respectively, moved for partial summary judgment, specifically on their claims alleging a violation of the Trust Indenture Act of 1939, seeking both declaratory relief and damages. On August 27, 2015, those motions were denied. The court, on its own motion, certified its order with respect to the interpretation of the Trust Indenture Act for interlocutory appeal to the United States Court of Appeals for the Second Circuit, where it remains pending. Meanwhile, the parties have completed fact discovery in both actions and currently are engaged in expert discovery. On October 20, 2015, Wilmington Trust, National Association ("Wilmington Trust"), filed a lawsuit (the "New York Senior Notes Lawsuit" and, together with the Delaware Second Lien Lawsuit, the Delaware First Lien Lawsuit, the Senior Unsecured Lawsuits, the New York Second Lien Lawsuit, and the New York First Lien Lawsuit, the "Parent Guarantee Lawsuits") against CEC in federal district court in Manhattan in its capacity as successor indenture trustee for CEOC's 10.75% Senior Notes due 2016 (the "10.75% Senior Notes"). Plaintiff alleges that CEC is obligated to make payment of amounts due on the 10.75% Senior Notes pursuant to a parent guarantee provision in the indenture governing those notes that plaintiff alleges is still in effect. Plaintiff raises claims for violations of the Trust Indenture Act of 1939, breach of contract, breach of the implied duty of good faith and fair dealing, and for declaratory judgment, and seeks monetary and declaratory relief. CEC's initial response to the complaint is currently scheduled to be filed on or before November 12, 2015.

On March 11, 2015, CEOC filed an adversary proceeding in bankruptcy court requesting that the Parent Guarantee Lawsuits be enjoined against all defendants through plan confirmation; in subsequent submissions, CEOC stated that it sought a temporary stay of those lawsuits until 60 days after the issuance of a final report by the Bankruptcy Examiner. CEOC argued that contemporaneous prosecution of related claims against CEC would impair the bankruptcy court's jurisdiction over the Debtors' reorganization by threatening the Debtors' ability to recover estate property for the benefit of all creditors, diminishing the prospects of a successful reorganization, and depleting property of the estate. On July 22, 2015, the bankruptcy court denied CEOC's request. The denial was affirmed by the United States District Court for the Northern District of Illinois in October 2015, and currently is on appeal to the United States Court of Appeals for the Seventh Circuit, with oral arguments scheduled for December 10, 2015. The bankruptcy court's ruling does not address the merits of the Parent Guarantee Lawsuits.

We believe that the claims and demands described above against CEC are without merit and we intend to defend the company vigorously. The claims against CEOC have been stayed due to the Chapter 11 process and, in some instances, the actions against CEC have been allowed to continue. See additional disclosure relating to CEOC's Chapter 11 filing in Note 4. We believe that the Noteholder Disputes and the Parent Guarantee Lawsuits have a reasonably possible likelihood of an adverse outcome, but should these matters ultimately be resolved through litigation outside of the financial restructuring of CEOC (the "Financial Restructuring"), and should a court find in favor of the claimants in some or all of the Noteholder Disputes, such determination would likely lead to a reorganization under Chapter 11 of the Bankruptcy Code (see Note 1). We are not able to estimate a range of reasonably possible losses should any of the Noteholder Disputes ultimately be resolved against us, although they could potentially exceed \$11 billion.

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

CEC-CAC Merger Litigation

On December 30, 2014, Nicholas Koskie, on behalf of himself and, he alleges, all others similarly situated, filed a lawsuit (the “Merger Lawsuit”) in the Clark County District Court in the State of Nevada against CAC, CEC and members of the CAC board of directors Marc Beilinson, Philip Erlanger, Dhiren Fonseca, Don Kornstein, Karl Peterson, Marc Rowan, and David Sambur (the individual defendants collectively, the “CAC Directors”). The Merger Lawsuit alleges claims for breach of fiduciary duty against the CAC Directors and aiding and abetting breach of fiduciary duty against CAC and CEC. It seeks (1) an order directing the CAC Directors to fulfill alleged fiduciary duties to CAC in connection with the proposed merger between CAC and CEC announced on December 22, 2014 (the “Proposed Merger”), specifically by announcing their intention to (a) cooperate with bona fide interested parties proposing alternative transactions, (b) ensure that no conflicts exist between the CAC Directors’ personal interests and their fiduciary duties to maximize shareholder value in the Proposed Merger, or resolve all such conflicts in favor of the latter, and (c) act independently to protect the interests of the shareholders; (2) an order directing the CAC Directors to account for all damages suffered or to be suffered by plaintiff and the putative class as a result of the Proposed Merger; and (3) an award to plaintiff for his costs and attorneys’ fees. It is unclear whether the Merger Lawsuit also seeks to enjoin the Proposed Merger. CEC believes that this lawsuit is without merit and will defend itself vigorously. The deadline to respond to the Merger Lawsuit has been adjourned without a date by agreement of the parties.

Employee Benefit Obligations

In December 1998, Hilton Hotels Corporation (“Hilton”) spun-off its gaming operations as Park Place Entertainment Corporation (“Park Place”). In connection with the spin-off, Hilton and Park Place entered into various agreements, including an Employee Benefits and Other Employment Allocation Agreement dated December 31, 1998 (the “Allocation Agreement”) whereby Park Place assumed or retained, as applicable, certain liabilities and excess assets, if any, related to the Hilton Hotels Retirement Plan (the “Hilton Plan”) based on the benefits of Hilton employees and Park Place employees. CEOC is the ultimate successor to this Allocation Agreement. In 2013, a lawsuit was settled related to the Hilton Plan, which retroactively and prospectively increased total benefits to be paid under the Hilton Plan. In 2009, we received a letter from Hilton, notifying us of a lawsuit related to the Hilton Plan that alleged that CEC had a potential liability for the additional claims under the terms of the Allocation Agreement. Based on conversations between our representative and a representative of the defendants, we recorded a charge of \$25 million during the second quarter 2010, representing CEC’s (including subsidiaries) allocated share of the total damages estimate.

In December 2013, we received a letter from Hilton notifying us that all final court rulings have been rendered in relation to this matter. We were subsequently informed that CEC’s obligation under the Allocation Agreement was approximately \$54 million, and that approximately \$19 million relates to contributions for historical periods and approximately \$35 million relates to estimated future contributions. We met with Hilton representatives in March 2014 and had discussions subsequently. We cannot currently predict the ultimate outcome of this matter, but continue to believe that we may have various defenses against such claims, including defenses as to the amount of liabilities.

On November 21, 2014, in response to a letter from Hilton, we agreed to attempt to mediate a resolution of the matter. On December 24, 2014, Hilton sued CEC and CEOC in federal court in Virginia primarily under the Employee Retirement Income Security Act (“ERISA”), and also under state contract and unjust enrichment law theories, for monetary and equitable relief in connection with this ongoing dispute. Hilton amended its lawsuit in January 2015 to remove CEOC as a defendant. We moved to dismiss the lawsuit in February 2015, and that motion was argued in March 2015. On April 14, 2015, the Court issued an Opinion dismissing with prejudice the unjust enrichment claim, and transferring the purported contract and ERISA claims to the Northern District of Illinois, as had been requested by CEC. The Northern District of Illinois subsequently referred the case to the Bankruptcy Court presiding over the CEOC bankruptcy, and the matter remains pending.

Other Matters

In January 2015, a majority of the Trustees of the National Retirement Fund (“NRF”), a multi-employer defined benefit pension plan, voted to expel CEC and its participating subsidiaries (“CEC Group”) from the plan. NRF claims that

CEOC's bankruptcy presents an "actuarial risk" to the plan because, depending on the outcome of the bankruptcy proceeding, CEC might no longer be liable to the plan for any partial or complete withdrawal liability. NRF has advised the CEC Group that its expulsion has triggered withdrawal liability with a present value of approximately \$360 million, payable in 80 quarterly payments of about \$6 million.

Prior to NRF's vote, the CEC Group reiterated its commitment to remain in the plan and not seek rejection of any collective bargaining agreements in which the obligation to contribute to NRF exists. It is completely current with respect to pension contributions. We opposed the NRF actions in the appropriate legal forums including seeking a declaratory judgment in federal district court challenging NRF's authority to expel the CEC Group and also seeking relief in the CEOC bankruptcy proceeding. The parties entered into a Standstill Agreement in March 2015 staying the CEC Group's obligation to commence quarterly payments and instead continue making its monthly contributions, and also setting a briefing schedule in the bankruptcy proceeding for both

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

CEOC's motion that NRF's action violated the automatic stay and our motion to extend the stay to encompass NRF's collection lawsuit against CEC. Both matters have been fully briefed, but the Bankruptcy Court has yet to rule. NRF has filed a motion to dismiss the federal district court action asserting that the governing statute requires that the issue must first be arbitrated. All briefs have been submitted, but the court has yet to rule.

We believe our legal arguments against the actions undertaken by NRF are strong and will pursue them vigorously. Because legal proceedings with respect to this matter are at the preliminary stages, we cannot currently provide assurance as to the ultimate outcome of the matters at issue.

In recent years, governmental authorities have been increasingly focused on anti-money laundering ("AML") policies and procedures, with a particular focus on the gaming industry. In October 2013, CEOC's subsidiary, Desert Palace, Inc. (the owner of and referred to herein as Caesars Palace), received a letter from the Financial Crimes Enforcement Network of the United States Department of the Treasury ("FinCEN"), stating that FinCEN was investigating Caesars Palace for alleged violations of the Bank Secrecy Act to determine whether it is appropriate to assess a civil penalty and/or take additional enforcement action against Caesars Palace. Caesars Palace responded to FinCEN's letter in January 2014. Additionally, we were informed in October 2013 that a federal grand jury investigation regarding anti-money laundering practices of the Company and its subsidiaries had been initiated. CEC and Caesars Palace have been cooperating with FinCEN, the Department of Justice and the Nevada Gaming Control Board (the "GCB") on this matter. On September 8, 2015, FinCEN announced a settlement pursuant to which Caesars Palace agreed to an \$8 million civil penalty for its violations of the Bank Secrecy Act, which penalty shall be treated as a general unsecured claim in Caesars Palace's bankruptcy proceedings. In addition, Caesars Palace agreed to conduct periodic external audits and independent testing of its AML compliance program, report to FinCEN on mandated improvements, adopt a rigorous training regime, and engage in a "look-back" for suspicious transactions. The terms of the FinCEN settlement are subject to bankruptcy court approval.

CEOC and the GCB reached a settlement on the same facts as above, wherein CEC agreed to pay \$1.5 million and provide to the GCB the same information that is reported to FinCEN and to resubmit its updated AML policies. On September 17, 2015, the settlement agreement was approved by the Nevada Gaming Commission.

CEOC continues to cooperate with the Department of Justice in its investigation of this matter. We do not believe the outcome will have a material impact on our consolidated financial position, results of operations, or cash flows.

Caesars is party to other ordinary and routine litigation incidental to our business. We do not expect the outcome of any such litigation to have a material effect on our consolidated financial position, results of operations, or cash flows, as we do not believe it is reasonably possible that we will incur material losses as a result of such litigation.

Note 6 — Recently Issued Accounting Pronouncements

In May 2014, the FASB issued authoritative guidance amending the FASB Accounting Standards Codification and creating a new Topic 606, Revenue from Contracts with Customers. The new guidance is intended to clarify the principles for recognizing revenue and to develop a common revenue standard for United States GAAP applicable to revenue transactions. This guidance provides that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Existing industry guidance will be eliminated, including revenue recognition guidance specific to the gaming industry. In addition, interim and annual disclosures will be substantially revised. In August 2015, the FASB issued an update to defer the effective date to annual reporting periods beginning after December 15, 2017, including interim periods within those reporting periods. Earlier application is permitted only as of annual reporting periods beginning after December 15, 2016, including interim reporting periods within that reporting period. We will adopt this standard effective January 1, 2017. We are currently assessing the impact the adoption of this standard will have on our disclosures and results of operations.

In August 2014, the FASB issued authoritative guidance amending the existing requirements for disclosing information about an entity's ability to continue as a going concern. This guidance explicitly requires management to assess an entity's ability to continue as a going concern and to provide related footnote disclosure in certain circumstances. This guidance is effective for annual reporting periods ending after December 15, 2016, and for annual

and interim reporting periods thereafter. Early adoption is permitted. We are currently assessing the impact the adoption of this standard will have and expect to adopt this standard effective for our year ending December 31, 2016. In February 2015, the FASB issued authoritative guidance amending Topic 810, Consolidation. The amendments affect reporting entities that are required to evaluate whether they should consolidate certain legal entities. In addition to reducing the number of consolidation models from four to two, the new standard simplifies the accounting standard by placing more emphasis on risk of

CAESARS ENTERTAINMENT CORPORATION
 NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
 (UNAUDITED)

loss when determining a controlling financial interest. A reporting organization may no longer have to consolidate a legal entity in certain circumstances based solely on its fee arrangement, when certain criteria are met. Further, the ASU reduces the frequency of the application of related-party guidance when determining a controlling financial interest in a variable interest entity ("VIE") and changes consolidation conclusions in several industries that typically make use of VIEs. The ASU will be effective for periods beginning after December 15, 2015 for public companies. Early adoption is permitted, including adoption in an interim period. We are currently assessing the impact the adoption of this standard will have on our disclosures and results of operations.

Note 7 — Discontinued Operations

Discontinued Operations

Discontinued operations primarily include properties owned by CEOC, which was deconsolidated effective January 15, 2015 (see Note 4).

(In millions)	Three Months Ended September 30,		Nine Months Ended September 30,	
	2015	2014	2015	2014

Continuing operations	\$—	\$53	\$—	\$61
Discontinued operations	—	—	—	68
Total	\$—	\$53	\$—	\$129

We recorded tangible asset impairment charges related to continuing operations totaling \$53 million and \$61 million for the three and nine months ended September 30, 2014, respectively. In the third quarter of 2014, due to a decline in recent performance and downward adjustments to expectations of future performance, we determined it was necessary to perform an assessment for impairment for certain of our properties, which resulted in an impairment charge of \$50 million.

We recorded tangible asset impairment charges of \$67 million in the first quarter of 2014, as a result of our decision to close Harrah's Tunica. We have presented the operations of the Harrah's Tunica casino as discontinued operations in the Consolidated Condensed Statements of Operations.

Note 9 — Goodwill and Other Intangible Assets

Changes in Carrying Value of Goodwill and other Intangible Assets

December 31, 2014				
Assets:				
Equity securities	\$15	\$15	\$—	\$—
Government bonds	70	—	70	—
Total assets at fair value	\$85	\$15	\$70	\$—

Investments consist of equity and debt securities that are traded in active markets, have readily determined market values and have maturity dates of greater than three months from the date of purchase. The majority of these investments are in deferred charges and other assets in our Consolidated Balance Sheets, while a portion is included in prepayments and other current assets. As of September 30, 2015 and December 31, 2014, gross unrealized gains and losses on marketable securities were not material.

Derivative Instruments

Interest Rate Swap Agreements

As of December 31, 2014, CEOC had eight interest rate swap agreements that were not designated as accounting hedges and had notional amounts totaling \$5.8 billion and a total fair value liability of \$6 million. These interest rate swaps expired and were settled for \$17 million by Caesars during the first quarter of 2015. We did not renew the swap agreements or enter into any replacement instruments.

Total expense related to derivatives	Interest expense	—	3	7	12

(1) The derivative settlements under the terms of the interest rate swap agreements were recognized as interest expense and were paid monthly or quarterly prior to their expiration in January 2015.

Items Measured at Fair Value on a Non-recurring Basis

We had contingent earnout liabilities totaling \$66 million as of December 31, 2014, primarily related to the CIE acquisition of Pacific Interactive. The liabilities were paid during the first and second quarter of 2015.

We classify the items measured at fair value on a non-recurring basis within level 3 in the fair value hierarchy.

Note 11 — Contractual Commitments and Contingent Liabilities

Contractual Commitments

Except as described in Note 1, during the nine months ended September 30, 2015, we have not entered into any material contractual commitments outside of the ordinary course of business that have materially changed our contractual commitments as compared to December 31, 2014.

Interest Payments

As of September 30, 2015, our estimated interest payments for the rest of the year ending December 31, 2015 are \$212 million, for the years ended December 31, 2016 through 2019 are \$569 million, \$567 million, \$579 million, and \$588 million, respectively, and \$803 million in total thereafter through maturity. See Note 12 for details of our debt outstanding.

Contingent Liabilities

Self-Insurance

Prior to the deconsolidation of CEOC, we were self-insured for employee medical (health, dental and vision) and risk insurance, including workers compensation, and our insurance claims and reserves included accruals of estimated settlements for known claims, as well as accruals of actuarial estimates of incurred but not reported claims. As of December 31, 2014, we had total self-insurance liability accruals of \$185 million. We continue to be self-insured for workers compensation and other risk insurance as of September 30, 2015, with a total estimated self-insurance liability of \$158 million, and estimated employee medical insurance claims of \$15 million have been funded as of September 30, 2015.

Deferred Compensation and Employee Benefits

Deferred Compensation Plans

As of September 30, 2015, certain current and former employees of Caesars, and our subsidiaries and affiliates, have balances under the Harrah's Entertainment, Inc. Executive Supplemental Savings Plan, the Harrah's Entertainment, Inc. Executive Supplemental Savings Plan II, the Park Place Entertainment Corporation Executive Deferred Compensation Plan, the Harrah's Entertainment, Inc. Deferred Compensation Plan, and the Harrah's Entertainment, Inc. Executive Deferred Compensation Plan. These plans are deferred compensation plans that allow certain employees an opportunity to save for retirement and other purposes.

Each of the plans is now frozen and is no longer accepting contributions. However, participants may still earn returns on existing plan balances based upon their selected investment alternatives, which are reflected in their deferral accounts.

Plan obligations in respect of all of these plans were previously included in Caesars' consolidated financial statements as liabilities due to the consolidation of CEOC. As of September 30, 2015, Caesars has recorded in the accompanying financial statements \$46

CAESARS ENTERTAINMENT CORPORATION
 NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
 (UNAUDITED)

million in liabilities, representing the estimate of its obligations under the deferred compensation plans described above. The additional liability in respect of these plans that Caesars has not recorded is approximately \$27 million, as it was determined that this portion of the liability was attributable to CEOC.

Trust Assets

CEC is a party to a trust agreement and an escrow agreement, each structured as so-called “rabbi trust” arrangements, which hold assets that may be used to satisfy obligations under the deferred compensation plans above. Amounts held pursuant to the trust agreement were approximately \$64 million as of September 30, 2015, and amounts held pursuant to the escrow agreement were approximately \$53 million as of September 30, 2015.

The accompanying financial statements record the assets held pursuant to the trust agreement as long-term restricted assets on CEC’s balance sheet. The accompanying financial statements do not record the assets held pursuant to the escrow agreement on CEC’s balance sheet as we continue to assess the escrow agreement and the propriety of the funds that were contributed in accordance with the agreement.

The amounts recorded as assets and liabilities are based upon Caesars’ current conclusions regarding ownership of assets and obligation to pay liabilities in respect of the plans and trust assets described above. These amounts may change as a result of many factors, including but not limited to the following: further analyses by Caesars, events occurring in connection with discussions with CEOC creditors, and CEOC’s Chapter 11 cases. Such changes, if they occur, could eliminate or reduce the assets or liabilities recorded on Caesars’ balance sheet, increase the asset for all or some portion of the assets held pursuant to the escrow agreement, or increase the liabilities not recorded. Caesars believes that it may have claims to all or some portion of the assets held pursuant to the escrow agreement.

Note 12 — Debt

Summary of Debt by Financing Structure

(In millions)	September 30, 2015		December 31, 2014
	Face Value	Book Value	Book Value
CEOC	\$—	\$—	\$ 15,930
CERP	4,704	4,634	4,754
CGP	2,411	2,343	2,312
CEC	—	—	13
Total Debt	7,115	6,977	23,009
Current Portion of Long-Term Debt	(189) (189) (15,779
Long-Term Debt	\$6,926	\$6,788	\$ 7,230
Current Portion of Long-Term Debt			

The current portion of long-term debt is \$189 million as of September 30, 2015. For CERP, the current portion of long-term debt is \$119 million, which includes the \$81 million outstanding under CERP’s revolving credit facility as well as principal payments on its senior secured loan, other unsecured borrowings, and capitalized lease obligations. For CGP, the current portion of long-term debt is \$70 million, which includes the \$45 million outstanding under the CGPH revolving credit facility as well as principal payments on term loans, special improvement district bonds, and various capitalized lease obligations.

Borrowings under the revolving credit facilities are each subject to separate note agreements executed based on the provisions of the applicable credit facility agreements, and each note has a contractual maturity of less than one year. The applicable credit facility agreements each have a contractual maturity of greater than one year, and we have the ability to rollover the outstanding principal balances on a long-term basis; however, we currently intend to repay the principal balances within the following 12 months. Amounts borrowed under the revolving credit facilities are intended to satisfy short term liquidity needs and are classified as current.

CAESARS ENTERTAINMENT CORPORATION
 NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
 (UNAUDITED)

Debt Discounts and Deferred Finance Charges

Debt discounts and deferred finance charges incurred in connection with the issuance of debt are capitalized and amortized to interest expense based on the related debt agreements primarily using the effective interest method. Unamortized discounts are written off and included in our gain or loss calculations to the extent we retire debt prior to its original maturity date. Effective for our quarter ended June 30, 2015, we adopted authoritative guidance amending the existing requirements for the presentation of deferred finance charges. The amendments to the guidance require that deferred finance charges related to a recognized debt liability be presented in the balance sheet as a direct deduction from that debt liability, consistent with the presentation of a debt discount. As of December 31, 2014, we have reclassified \$204 million of unamortized deferred finance charges from deferred charges and other assets to long-term debt on our Consolidated Balance Sheets.

As of September 30, 2015 and December 31, 2014, book values of debt are presented net of total unamortized discounts of \$107 million and \$2.4 billion, respectively, and total unamortized deferred finance charges of \$31 million and \$204 million, respectively.

Fair Value

As of September 30, 2015 and December 31, 2014, our outstanding debt had fair values of \$6.5 billion and \$17.5 billion, respectively, and face values of \$7.1 billion and \$25.6 billion, respectively. We estimated the fair value of debt based on borrowing rates available as of September 30, 2015 and December 31, 2014 for debt with similar terms and maturities, and based on market quotes of our publicly traded debt. We classify the fair value of debt within level 1 and level 2 in the fair value hierarchy.

CEOC Debt

As described in Note 4, we deconsolidated CEOC effective January 15, 2015. Therefore, no amounts are reported for CEOC debt as of September 30, 2015.

(In millions)	December 31, 2014

CERP Financing

CERP Credit Facilities

As of September 30, 2015, the CERP Credit Facilities provided for an aggregate principal amount of up to \$2.7 billion, composed of (i) senior secured term loans in an aggregate principal amount of \$2.5 billion (the “CERP Term Loans”) and (ii) a senior secured revolving credit facility in an aggregate principal amount of up to \$270 million. The CERP Term Loans require scheduled quarterly payments of \$6 million, with the balance due at maturity. As of September 30, 2015, \$81 million of borrowings were outstanding under the CERP revolving credit facility, and no amounts were committed to outstanding letters of credit.

CERP Notes

As of September 30, 2015, the CERP Notes had an aggregate face value of \$2.2 billion. The CERP Notes consist of (i) \$1.0 billion aggregate principal amount of 8.0% first-priority senior secured notes due 2020 (the “CERP First Lien Notes”) and (ii) \$1.2 billion aggregate principal amount of 11.0% second-priority senior secured notes due 2021 (the “CERP Second Lien Notes”).

CERP pledged a significant portion of its assets as collateral under the CERP Credit Facilities and the CERP Notes.

Registration Statement

In connection with the original financing of CERP, CERP committed to register the CERP Notes originally issued pursuant to Rule 144A and Regulation S of the Securities Act of 1933, as amended (the “Securities Act”), under a registration statement with the SEC by November 17, 2014. Accordingly, CERP registered the CERP Notes pursuant to a registration statement on Form S-4, which was declared effective on February 10, 2015.

The terms of the registered CERP Notes are substantially identical to those of the originally-issued CERP Notes, except that the registered CERP Notes no longer have transfer restrictions or registration rights. The CERP Notes are co-issued, as well as fully and unconditionally guaranteed, jointly and severally, by CERP and each of its subsidiaries on a senior secured basis. CERP is a holding company that owns no operating assets and has no significant operations independent of its subsidiaries.

CERP Restrictive Covenants

The CERP Notes and CERP Credit Facilities include negative covenants, subject to certain exceptions, and contain customary events of default, subject to customary or agreed-upon exceptions, baskets and thresholds (including equity cure provisions in the case of the CERP Credit Facilities).

The CERP Credit Facilities also contain certain customary affirmative covenants and require that CERP maintains a senior secured leverage ratio (“SSLR”) of no more than 8.00 to 1.00, which is the ratio of first lien senior secured net debt to earnings before interest, taxes, depreciation and amortization, adjusted as defined (“CERP Adjusted EBITDA”). CERP is in compliance with the CERP Credit Facilities covenant as of September 30, 2015.

Current Portion of CGP Long-Term Debt			(70)	(70)	(20)
CGP Long-Term Debt			\$2,341	\$2,273	\$2,292

⁽¹⁾ Guaranteed by an indirect subsidiary of Caesars Growth Partners, LLC and certain of its wholly owned subsidiaries. As of September 30, 2015, CIE had \$20 million drawn under a revolver arrangement with Caesars Entertainment.

⁽²⁾ Accordingly, such debt is not considered outstanding in the above presentation. This balance was subsequently paid in October 2015.

CGPH Credit Facilities

As of September 30, 2015, the CGPH Credit Facilities provided for an aggregate principal amount of up to \$1.3 billion, composed of (i) senior secured term loans in an aggregate principal amount of the with a face value of \$1.2 billion (“CGPH Term Loans”) and (ii) a senior secured revolving credit facility in aggregate principal of up to \$150 million. As of September 30, 2015, \$45 million of borrowings were outstanding under the CGPH revolving credit facility, and no material amounts were committed to outstanding letters of credit.

The CGPH Term Loan is guaranteed by the direct parent of CGPH and certain subsidiaries of CGPH, and is secured by the direct parent’s equity interest in CGPH and substantially all of the existing and future assets of CGPH and the subsidiary guarantors.

The CGPH Term Loan includes customary negative covenants, subject to certain exceptions, and contains customary affirmative covenants and customary events of default, subject to customary or agreed-upon exceptions, baskets and thresholds (including equity cure provisions).

The CGPH Term Loan also requires that CGPH maintains an SSLR of no more than 6.00 to 1.00, which is the ratio of first lien senior secured net debt to earnings before interest, taxes, depreciation and amortization, adjusted as defined (“CGPH Adjusted EBITDA”). CGP is in compliance with the CGPH Term Loan covenants as of September 30, 2015.

CGPH Notes

As of September 30, 2015, the CGPH Notes had a face value of \$675 million. The CGPH Notes include negative covenants, subject to certain exceptions, and contains affirmative covenants and events of default, subject to exceptions, baskets and thresholds (including equity cure provisions), all of the preceding being customary in nature. The CGPH Notes are secured by substantially all of the existing and future property and assets of CGPH and the subsidiary guarantors (subject to exceptions).

Registration Rights Agreement. In connection with the issuance of the CGPH Notes, CGPH committed to register the CGPH Notes by April 17, 2015, which were originally issued pursuant to Rule 144A and Regulation S of the Securities Act. Accordingly, CGPH registered the notes pursuant to a registration statement on Form S-4, which was

declared effective on June 26, 2015.

25

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

The terms of the registered CGPH Notes are substantially identical to those of the originally-issued CGPH Notes, except that the registered CGPH Notes have no transfer restrictions or registration rights. The CGPH Notes are guaranteed by CGPH and certain subsidiaries (subject to exceptions). In addition, CGPH is a holding company that owns no operating assets and has no significant operations independent of its subsidiaries.

Horseshoe Baltimore Credit and FF&E Facilities

As of September 30, 2015, the Horseshoe Baltimore Credit Facility provided for an aggregate principal amount of up to \$310 million, consisting of (i) a \$300 million senior secured term facility with a seven-year maturity; and (ii) a \$10 million senior secured revolving facility with a five-year maturity. The Horseshoe Baltimore Credit Facility is secured by substantially all material assets of CBAC Borrower, LLC and its wholly-owned domestic subsidiaries.

As of September 30, 2015, the Horseshoe Baltimore FF&E Facility provided for an aggregate principal amount of up to \$30 million to be used to finance or reimburse the purchase price and certain related costs of furniture, furnishings and equipment (referred to as "FF&E") or refinance the purchase price of FF&E purchased with other funds as part of the development of the Horseshoe Baltimore casino. As of September 30, 2015, \$29 million was outstanding on the Horseshoe Baltimore FF&E Facility.

The Horseshoe Baltimore Credit and FF&E Facilities include negative covenants, subject to certain exceptions, and contains affirmative covenants and events of default, subject to exceptions, baskets and thresholds (including equity cure provisions), all of the preceding being customary in nature.

The Horseshoe Baltimore Credit and FF&E Facilities also require that CBAC maintains an SSLR no more than 7.5 to 1.0 for the first four quarters beginning in the first quarter of 2016, 6.0 to 1.0 for the next four quarters, and 4.75 to 1.0 for the remainder of the agreement.

Management believes that CGP is in compliance with the Horseshoe Baltimore Credit Facility and Horseshoe Baltimore FF&E Facility covenants as of September 30, 2015.

Cromwell Credit Facility

As of September 30, 2015, The Cromwell holds a \$178 million senior secured credit facility (the "Cromwell Credit Facility"). The Cromwell Credit Facility contains certain affirmative and negative covenants and requires The Cromwell to maintain, for each of the second and third full fiscal quarters following its opening date, at least \$7.5 million in consolidated EBITDA (the "Cromwell EBITDA"). In addition, beginning in the second quarter of 2015, and continuing through the first quarter of 2016, the Cromwell SSLR may not exceed 5.25 to 1.00, defined as the ratio of The Cromwell's first lien senior secured net debt to Cromwell EBITDA. The Cromwell SSLR for the four fiscal quarters from the second quarter of 2016 through the first quarter of 2017 may not exceed 5.00 to 1.00. The Cromwell SSLR beginning in the second quarter of 2017 and for each fiscal quarter thereafter, may not exceed 4.75 to 1.00.

The Cromwell Credit Facility allows the right to cure noncompliance with the covenant by making a cash cure payment, subject to certain limitations. CGP is in compliance with the Cromwell Credit Facility covenants as of September 30, 2015.

Note 13 — Earnings Per Share

Basic earnings per share is computed by dividing income from continuing operations and income from discontinued operations, respectively, net of income taxes, by the weighted-average number of common shares outstanding for each period. Diluted earnings per share is computed by dividing income from continuing operations and income from discontinued operations, respectively, net of income taxes, by the sum of weighted-average number of shares of common shares outstanding and dilutive potential common shares.

For periods in which Caesars generated net losses, the weighted-average basic shares outstanding was used in calculating diluted loss per share from continuing operations and diluted loss per share from discontinued operations, as using diluted shares would be anti-dilutive to loss per share.

Note 15 — Stock-Based Compensation

Caesars Entertainment Stock-Based Compensation

We maintain long-term incentive plans for management, other personnel, and key service providers. The plans allow for granting stock-based compensation awards, including time-based and performance-based stock options, restricted stock units, restricted stock awards, stock grants, or a combination of awards.

CIE Stock-Based Compensation

CIE grants stock-based compensation awards in CIE common stock to its employees, directors, service providers and consultants in accordance with the Caesars Interactive Entertainment, Inc. Amended and Restated Management Equity Incentive Plan (the "Plan"), which is intended to promote the interests of CIE and its shareholders by providing key employees, directors, service providers and consultants with an incentive to encourage their continued employment or service and improve the growth and profitability of CIE.

Stock-based compensation expense attributable to CIE is recorded in property, general, administrative, and other in the consolidated condensed statements of operations and comprehensive income and totaled \$22 million and \$42 million for the three and nine months ended September 30, 2015, respectively, and \$22 million and \$48 million for the three and nine months ended September 30, 2014, respectively. As of the September 30, 2015 and December 31, 2014, the liability related to outstanding options and warrants was \$95 million and \$103 million, respectively. The current portion is recorded in accrued expenses and other current liabilities on the Consolidated Balance Sheets, while the long-term portion is recorded in deferred credits and other liabilities.

Note 16 — Income Taxes

Caesars' provision for income taxes during the interim reporting periods has historically been calculated by applying an estimate of the annual effective tax rate for the full year to "ordinary" income or loss (pre-tax income or loss excluding unusual or infrequently occurring discrete items) for the reporting period. We have utilized a discrete effective tax rate method, as allowed by ASC 740-270 "Income Taxes, Interim Reporting", to calculate taxes for the three and nine months ended September 30, 2015. We determined that as small changes in estimated "ordinary" income would result in significant changes in the estimated annual effective tax rate, the historical method would not provide a reliable estimate for the three and nine months ended September 30, 2015.

Income Tax Allocation

(Dollars in millions)	Three Months Ended September 30,		Nine Months Ended September 30,	
	2015	2014	2015	2014
Income tax benefit/(provision) applicable to:				
Income/(loss) from continuing operations, before income taxes	\$187	\$170	\$(1)	\$480
Discontinued operations	\$—	\$(2)	—	11
Effective tax rate benefit	19.8	% 15.4	% —	% 22.9

We classify reserves for tax uncertainties within accrued expenses and deferred credits and other in our consolidated condensed balance sheets, separate from any related income tax payable or deferred income taxes. Reserve amounts relate to any potential income tax liabilities resulting from uncertain tax positions and potential interest or penalties associated with those liabilities.

Management assesses the available positive and negative evidence to estimate if sufficient future taxable income will be generated to use the existing deferred tax assets. We have provided a valuation allowance on certain federal and state deferred tax assets that were not deemed realizable based upon estimates of future taxable income.

The effective tax rate benefit for the three months ended September 30, 2015 differed from the expected federal tax benefit of 35% primarily due to an increase in the federal valuation allowance against 2015 losses from continuing operations. The effective rate benefit for the three months ended September 30, 2014 differed from the expected federal tax benefit of 35% primarily due to an increase in the federal valuation allowance against 2014 losses from continuing operations and nondeductible goodwill impairments. The effective tax rate expense for the nine months ended September 30, 2015 differed from the expected federal tax expense of 35% primarily due to the nontaxable portion of the gain on deconsolidation of CEOC. The effective rate benefit for the nine months ended September 30, 2014 differed from the expected federal tax benefit of 35% primarily due to an increase in the federal valuation allowance against 2014 losses from continuing operations and nondeductible goodwill impairments partially offset by a tax benefit from the reversal of uncertain federal and state tax positions.

We file income tax returns, including returns for our subsidiaries, with federal, state, and foreign jurisdictions. We are under regular and recurring audit by the Internal Revenue Service on open tax positions, and it is possible that the amount of the liability for unrecognized tax benefits could change during the next 12 months.

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

Note 17 — Segment Reporting

We view each casino property and CIE as operating segments and currently aggregate all such casino properties and CIE into three reportable segments based on management's view of these properties, which aligns with their ownership and underlying credit structures: CERP, CGP Casinos, and CIE. CGP Casinos is comprised of all subsidiaries of CGP excluding CIE. CIE is comprised of the subsidiaries that operate CGP's social and mobile games operations and WSOP. CEOC remained a reportable segment; however, it was deconsolidated effective January 15, 2015 (see Note 4).

The results of each reportable segment presented below are consistent with the way Caesars management assesses these results, which is a consolidated view that adjusts for the impact of certain transactions between reportable segments within Caesars, as described below. Accordingly, the results of certain reportable segments presented in this filing differ from the financial statement information presented in their stand-alone filings.

“Other” includes parent, consolidating, and other adjustments to reconcile to consolidated Caesars results.

Property EBITDA - by Segment

Property EBITDA is defined as revenues less property operating expenses and is comprised of net income/(loss) before (i) interest expense, net of interest capitalized and interest income, (ii) (benefit)/provision for income taxes, (iii) depreciation and amortization, (iv) corporate expenses, and (v) certain items that we do not consider indicative of its ongoing operating performance at an operating property level. In evaluating Property EBITDA you should be aware that, in the future, we may incur expenses that are the same or similar to some of the adjustments in this presentation. The presentation of Property EBITDA should not be construed as an inference that future results will be unaffected by unusual or unexpected items.

Property EBITDA is a financial measure commonly used in our industry and should not be construed as an alternative to net income/(loss) as an indicator of operating performance or as an alternative to cash flow provided by operating activities as a measure of liquidity (as determined in accordance with GAAP). Property EBITDA may not be

comparable to similarly titled measures reported by other companies within the industry. Property EBITDA is included because management uses Property EBITDA to measure performance and allocate resources, and believes that Property EBITDA provides investors with additional information consistent with that used by management.

Transactions with Sponsors and their Affiliates

The members of Hamlet Holdings LLC (“Hamlet Holdings”) are comprised of individuals affiliated with Apollo Global Management, LLC (“Apollo”) and affiliates of TPG Capital LP (“TPG”) (collectively, the “Sponsors”). As of September 30, 2015, Hamlet Holdings beneficially owned a majority of our common stock pursuant to an irrevocable proxy providing Hamlet Holdings with sole voting and sole dispositive power over those shares, and, as a result, the Sponsors have the power to elect all of our directors.

CEC has a services agreement with the Sponsors relating to the provision of financial and strategic advisory services and consulting services. The Sponsors granted a waiver of the monitoring fees for management services; however, we reimburse the Sponsors for expenses they incur related to these management services. The reimbursed expenses are included in corporate expense and are included in the table above.

We may engage in transactions with companies owned or controlled by affiliates of the Sponsors in the normal course of business. We believe such transactions are conducted at fair value. Amounts paid to affiliates of the Sponsors are included in the table above.

In addition, certain entities affiliated with or under the control of our Sponsors may from time to time transact in and hold our debt securities, and participate in any modifications of such instruments on terms available to any other holder of our debt.

Transactions with CEOC

As described in Note 4, upon its filing for Chapter 11 and its subsequent deconsolidation, transactions with CEOC are no longer eliminated in consolidation and are considered related party transactions for Caesars. A summary of these transactions is provided in the table above.

Services Joint Venture

CES provides certain corporate and administrative services to its Members, and the costs of these services are allocated among the Members, which include CEOC. CEOC reimburses CES for the allocated costs. The CES allocated costs include amounts for insurance coverage. See Note 1.

Insurance Coverage

Prior to the deconsolidation of CEOC, we were self-insured for employee medical (health, dental and vision) and risk products, including workers compensation and surety bonds, and our insurance claims and reserves included accruals of estimated settlements for known claims, as well as accruals of actuarial estimates of incurred but not reported claims.

We continue to be self-insured for workers compensation and other risk insurance as of September 30, 2015. Caesars Entertainment provides insurance coverage to CEOC and receives insurance premiums on an installment basis, which are intended to cover claims processed on CEOC’s behalf. We prepay CEOC for estimated employee medical insurance claims.

CEOC Shared Services Agreement

Pursuant to a shared services agreement, CEOC provides Caesars with certain corporate and administrative services, and the costs of these services are allocated to Caesars. Certain services are now provided by CES (see Note 1).

Management Fees

CGP pays a management fee to CEOC for the CGP properties that are managed by CEOC or CES.

Octavius Tower Lease Agreement

Under the Octavius Tower lease agreement, CEOC leases the Octavius Tower at Caesars Palace from CERP and pays rent totaling \$35 million annually through expiration in April 2026.

LINQ Access and Parking Easement Lease Agreement

Under the LINQ Access and Parking Easement lease agreement, CEOC leases the parking lot behind The LINQ promenade and The LINQ Hotel to CERP and CGP. Together, CERP and CGP pay approximately \$2 million annually, subject to a 3% annual increase through expiration in April 2028.

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

Service Provider Fee

CEOC, CERP and CGP have a shared services agreement under which CERP and CGP pay for certain indirect corporate support costs. CEOC is authorized to charge CERP and CGP for an amount equal to 21.8% and 12.8%, respectively, of unallocated corporate support costs.

Cross Marketing and Trademark License Agreement

CIE and CEOC have a Cross Marketing and Trademark License Agreement in effect until December 31, 2026, unless terminated earlier pursuant to the terms of the agreement. The agreement grants CIE the exclusive right to use various brands of Caesars Entertainment in connection with social and mobile games and online real money gaming in exchange for a 3% royalty. This agreement also provides for cross-marketing and promotional activities between CIE and CEOC, including participation by CIE in Caesars' Total Rewards loyalty program. CEOC also receives a revenue share from CIE for customer referrals.

Stock-Based Compensation

Caesars maintains an equity incentive awards plan under which CEC may issue time-based and performance-based stock options, restricted stock units and restricted stock awards to CEOC employees. Although awards under the plan result in the issuance of shares of CEC, because CEOC is no longer a consolidated subsidiary of CEC, we have accounted for these awards as nonemployee awards subsequent to the date of deconsolidation.

Employee Benefit Plans

CEC maintains a defined contribution savings and retirement plan in which employees of CEOC may participate. The plan provides for, among other things, pre-tax and after-tax contributions by employees. Under the plan, participating employees may elect to contribute up to 50% of their eligible earnings (subject to certain IRS and plan limits).

Due from/to Affiliates

Amounts due to or from affiliates for each counterparty represent the net receivable or payable as of the end of the reporting period primarily resulting from the transactions described above and are settled on a net basis by each counterparty in accordance with the legal and contractual restrictions governing transactions by and among Caesars' consolidated entities and CEOC. The amount due from CEOC represents the maximum exposure to loss as a result of Caesars' involvement with CEOC.

As of September 30, 2015, due from affiliates was \$39 million and represented a receivable due to CES from CEOC for shared services performed on behalf of CEOC.

As of September 30, 2015, due to affiliates was \$17 million and represented a payable due to CEOC primarily from CGP for shared services performed on their behalf.

Note 19 — Subsequent Events

On October 7, 2015, we filed a Current Report on Form 8-K announcing that CEC and CEOC entered into the Fifth Amended and Restated Restructuring Support and Forbearance Agreement, dated as of October 7, 2015 ("First Lien Bond RSA"), which amended and restated the Fourth Amended and Restated Restructuring Support and Forbearance Agreement, dated as of July 31, 2015. See Note 1.

As described more fully in Note 5, on October 20, 2015, Wilmington Trust filed the New York Senior Notes Lawsuit against CEC.

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations

The following discussion and analysis of the financial position and operating results of Caesars Entertainment for the three and nine months ended September 30, 2015 and 2014 should be read in conjunction with the unaudited consolidated condensed financial statements and the notes thereto and other financial information included elsewhere in this Form 10-Q as well as Management’s Discussion and Analysis of Financial Condition and Results of Operations (“MD&A”) presented in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 (“2014 10-K”). Note references are to the notes to consolidated condensed financial statements included in Item 1, “Unaudited Financial Statements.”

In this filing, the name “CEC” refers to the parent holding company, Caesars Entertainment Corporation, exclusive of its consolidated subsidiaries and variable interest entities, unless otherwise stated or the context otherwise requires. The words “Company,” “Caesars,” “Caesars Entertainment,” “we,” “our,” and “us” refer to Caesars Entertainment Corporation, inclusive of its consolidated subsidiaries and variable interest entities, unless otherwise stated or the context otherwise requires.

The statements in this discussion regarding our expectations regarding our future performance, liquidity and capital resources, and other non-historical statements are forward-looking statements. These forward-looking statements are subject to numerous risks and uncertainties. Our actual results may differ materially from those contained in or implied by any forward-looking statements.

Overview

CEC is primarily a holding company with no independent operations of its own. Caesars’ consolidated financial results include three reportable segments:

- Caesars Entertainment Resort Properties (“CERP”);
- Caesars Growth Partners Casino Properties and Developments (“CGP Casinos”); and
- Caesars Interactive Entertainment (“CIE”).

CGP Casinos is comprised of all subsidiaries of our consolidated variable interest entity, Caesars Growth Partners, LLC (“CGP”) excluding CIE. CIE is comprised of the subsidiaries that operate CGP’s social and mobile games operations and the World Series of Poker. CEOC remained a reportable segment until its deconsolidation effective January 15, 2015 (see Note 4).

Summary of Casino Properties (excluding CEOC properties)

CERP	CGP
Flamingo Las Vegas	Bally’s Las Vegas
Harrah’s Atlantic City	The Cromwell
Harrah’s Las Vegas	Harrah’s New Orleans
Harrah’s Laughlin	Horseshoe Baltimore
Paris Las Vegas	Planet Hollywood
Rio All-Suites Hotel & Casino	The LINQ Hotel & Casino

Going Concern

As described more fully in Note 1 and summarized below, we made material commitments under the CEOC’s plan of reorganization (the “Restructuring”) and we are a defendant in litigation, including the Noteholder Disputes, and other noteholder disputes relating to certain CEOC transactions dating back to 2010. The circumstances described in Note 1 under “CEC Liquidity” raise substantial doubt as to CEC’s ability to continue as a going concern beyond the Effective Date of the Restructuring while continuing to meet its commitments under the Restructuring. Additionally, in each of the litigation matters described in Note 1 under “Litigation,” claims have been made or could be made against CEC that, if resolved against us, raise substantial doubt about CEC’s ability to continue as a going concern. Under the terms of the Restructuring, all of the above litigation should be resolved. However, in the event of a material adverse ruling on one or all of the litigation matters set forth above, it is likely that a reorganization under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”) would be necessary.

The Restructuring is subject to approval by the Bankruptcy Court and the receipt of required gaming regulatory approvals. Because more than a majority of the first lienholders have approved the First Lien RSAs, we believe it is probable that the contingent obligations will be paid and, therefore, we have accrued the items below in Deconsolidation and Restructuring of CEOC and Other in the consolidated condensed statements of operations:

Description	Amount
Fixed payments ⁽¹⁾	\$406
Additional consideration ⁽²⁾	138
Upfront payments ⁽³⁾	63
Bank guaranty settlement	359
Total accrued restructuring and support expenses	\$966

⁽¹⁾ \$85 million was paid in the fourth quarter of 2015

⁽²⁾ For the purposes of determining this amount, the Effective Date is estimated to be in the third quarter of 2016; however this date is outside of our control and is highly subject to change.

⁽³⁾ \$57 million was paid in fourth quarter of 2015

Summary of 2015 Events

CEOC Deconsolidation

As described in Note 4, effective January 15, 2015, the results of CEOC and its subsidiaries are no longer consolidated with Caesars subsequent to CEOC's voluntarily filing for reorganization under Chapter 11 of the Bankruptcy Code.

CEOC Reorganization

As described in Note 1, CEC and CEOC and certain of its United States subsidiaries are party to the (a) Fourth Amended and Restated Restructuring Support and Forbearance Agreement dated July 31, 2015, with certain holders of claims in respect of claims under CEOC's first lien notes (the "First Lien Bond RSA") (see also Note 19) and (b) Restructuring Support and Forbearance Agreement dated August 21, 2015, with certain holders of claims in respect of claims under CEOC's first lien credit agreement (the "First Lien Bank RSA" and, together with the First Lien Bond RSA, the "First Lien RSAs").

Recent Accounting Pronouncements

For discussions of the adoption and potential impacts of recently issued accounting standards, see Note 6.

Critical Accounting Policies

The following is an update to the critical accounting policies previously disclosed in our 2014 10-K. For additional critical accounting policies, please refer to our 2014 10-K.

Consolidation

We consolidate all subsidiaries in which we have a controlling financial interest and variable interest entities ("VIEs") for which we or one of our consolidated subsidiaries is the primary beneficiary. Control generally equates to ownership percentage, whereby (1) affiliates that are more than 50% owned are consolidated; (2) investments in affiliates of 50% or less but greater than 20% are generally accounted for using the equity method where we have determined that we have significant influence over the entities; and (3) investments in affiliates of 20% or less are generally accounted for using the cost method.

We consolidate a VIE when we have both the power to direct the activities that most significantly impact the results of the VIE and the right to receive benefits or the obligation to absorb losses of the entity that could be potentially significant to the VIE. For VIEs that are under common control with affiliates, in lieu of an assessment of the power to direct the activities that most significantly impact the results of the VIE, we may be required to assess a number of other factors to determine the consolidating entity, including the following: (i) the closeness of the association that the VIE has with the businesses of the affiliated entities, (ii) the entity from which the VIE obtained its assets; (iii) the nature of ongoing management and other agreements; and (iv) the obligation to absorb losses and the right to receive residual returns that could potentially be significant to the VIE. Along with the VIEs that are consolidated in accordance with the above guidelines, we also hold variable interests in other VIEs that are not consolidated because we are not the primary beneficiary. We continually monitor both consolidated and unconsolidated VIEs to determine if any events

have occurred that could cause the primary beneficiary to change. A change in determination could have a material impact on our financial statements, see Note 2.

Despite a majority financial interest, we may only possess non-substantive voting rights that do not confer upon us the ability to control key activities of the entity, such as determining operating budgets, payment of obligations, management of assets, and/or other activities necessary for the ordinary course of business. We continually monitor both consolidated and unconsolidated VIEs to determine if any events have occurred that could cause the primary beneficiary to change.

Goodwill and Other Non-Amortizing Intangible Assets

The evaluation of goodwill and other non-amortizing intangible assets requires the use of estimates about future revenues and EBITDA, valuation multiples, and discount rates to determine their estimated fair value. Our future revenues and EBITDA assumptions are determined based upon actual results giving effect to expected changes in operating results in future years. Our valuation multiples and discount rates are based upon market participant assumptions using a defined gaming peer group. Changes in these assumptions can materially affect these estimates. Thus, to the extent the gaming volumes deteriorate further in the near future, discount rates increase significantly, or we do not meet our projected performance, we could have additional impairments to record in the next twelve months, and such impairments could be material. This is especially true for any of our properties where goodwill and other non-amortizing intangible assets have been partially impaired as a result of a recent impairment analysis, and for our Las Vegas properties, which comprise a significant portion of our remaining goodwill balance.

As of September 30, 2015, we had approximately \$1.7 billion in goodwill and \$148 million of other non-amortizing intangible assets. As of September 30, 2015, we had \$956 million in total book value of goodwill associated with reporting units that have had impairments relative to goodwill. Consequently, goodwill at these reporting units has no margin; as such, these reporting units are at risk of partial or total impairment should we experience minor adverse changes in our significant assumptions used in our impairment analyses.

Impairment charges related to goodwill or intangible assets other than goodwill are recognized in impairment of goodwill or impairment of tangible and other intangible assets in the Statements of Operations. See Note 9, for additional information.

Key Performance Metrics

Our revenues and operating performance are dependent upon the volume of customers at our resorts, which affects the price we can charge for our hotel rooms and other amenities, and directly impacts our gaming volumes. We use the following key performance indicators to evaluate gaming and hotel revenues for our properties.

♣ Gaming hold (“hold”) – the amount of money that is retained by the casino from customer wagers

♣ Hotel average daily rate (“Cash ADR”) – a price indicator determined by room revenue and rooms occupied

Consolidated Operating Results

As described above, we deconsolidated CEOC effective January 15, 2015. As such, all amounts presented in the following analysis exclude the operating results of CEOC subsequent to January 15, 2015. Prior period results have not been recasted to reflect the deconsolidation of CEOC.

Because CEOC operating results for 2015 are not comparable with 2014 as a result of CEOC’s deconsolidation, the following analysis of our operating results will include discussion of the components that remain in the consolidated Caesars entity subsequent to the deconsolidation of CEOC. In the table below, the “CERP, CGP Casinos, and CIE” columns include the entities and associated parent company and elimination adjustments that represent the Caesars structure as of September 30, 2015, and for subsequent periods.

Edgar Filing: CAESARS ENTERTAINMENT Corp - Form 10-Q

CERP, CGP Casinos, and CIE Combined Results of Operations

The following reflects a discussion and analysis of components of our results of operations and key metrics that remain in the consolidated CEC entity subsequent to the deconsolidation of CEOC. All of the following discussion and analysis compares the 2015 and 2014 columns included in the preceding tables identified as “CERP, CGP Casinos, and CIE,” unless the context requires or indicates otherwise.

Net Revenues - Category

(Dollars in millions)	Three Months Ended September 30,		Change %	Nine Months Ended September 30,		Change %	
	2015	2014		2015	2014		
Casino	\$535	\$479	11.7	% \$1,620	\$1,382	17.2	%
Food and beverage	211	200	5.5	% 614	576	6.6	%
Rooms	220	183	20.2	% 645	571	13.0	%

Less: casino promotional allowances	(134)) (138)) 2.9	% (402)) (402)) —	%
Net revenues	\$1,141	\$1,015	12.4	% \$3,377	\$2,892	16.8	%

Three Months Ended September 30, 2015 compared with September 30, 2014 (CERP, CGP Casinos, and CIE)

Net revenues increased \$126 million (12.4%) primarily due to (i) an increase of \$56 million (11.7%) in casino revenues mainly attributable to CGP’s opening of Horseshoe Baltimore in the third quarter of 2014 and favorable gaming hold; and (ii) an increase of \$37 million (20.2%) in rooms revenue primarily due to CGP’s completion of room renovations at The LINQ Hotel & Casino (“The LINQ Hotel”) during the first half of 2015 and the expansion of our resort fees program in the first quarter of 2015, which contributed to a 15.0% improvement in cash ADR to \$114. Interactive entertainment revenues increased \$30 million (18.5%) as a result of continued growth in CIE’s social and mobile games business due to the focus on increasing the number of users and the conversion of those users into players who purchase CIE’s virtual currency.

Nine Months Ended September 30, 2015 compared with September 30, 2014 (CERP, CGP Casinos, and CIE)

Net revenues increased \$485 million (16.8%) primarily due to (i) the opening of Horseshoe Baltimore, resulting in increases in casino revenues and food and beverage revenues; and (ii) continued growth in CIE’s social and mobile games business, resulting in a \$124 million (28.8%) increase in interactive entertainment revenues. The opening of

The Cromwell and favorable gaming hold also contributed to the \$238 million (17.2%) increase in casino revenues.

40

Edgar Filing: CAESARS ENTERTAINMENT Corp - Form 10-Q

Rooms revenues increased \$74 million (13.0%) primarily from the impact of room renovations at The LINQ Hotel and the expansion of our resort fees program in the first quarter of 2015, which contributed to a 12.5% improvement in cash ADR to \$116.

Income from Operations - Category

Total operating expenses	1,002	1,052	4.8	%	2,917	2,735	(6.7)%	
Income/(loss) from operations	\$139	\$(37)	*	\$460	\$157	193.0	%	

Three Months Ended September 30, 2015 compared with September 30, 2014 (CERP, CGP Casinos, and CIE)

Income from operations improved \$176 million primarily due to no impairment charges being recorded in 2015 (\$120 million in impairment charges were recorded in 2014) combined with the increase in net revenues described above, partially offset by related increases in operating expenses and the increase in corporate described below. Income from operations also benefitted from a reduction in operating expenses associated with operational initiatives and improved marketing efficiencies.

The opening of Horseshoe Baltimore was the primary driver for the \$4 million increase in casino expenses and the \$12 million increase in property, general, administrative and other expenses, which correlates with its contribution to the increase in net revenues.

Corporate expense increased \$20 million primarily due to costs associated with stock-based compensation programs and certain professional fees associated with the volume of corporate transactions and initiatives, including the costs associated with having multiple SEC registrants.

Nine Months Ended September 30, 2015 compared with September 30, 2014 (CERP, CGP Casinos, and CIE)

Income from operations increased \$303 million primarily due to no impairment charges being recorded in 2015 (\$108 million in impairment charges were recorded in 2014) combined with the increase in net revenues described above and a reduction in operating expenses associated with operational initiatives and improved marketing efficiencies.

These improvements were partially offset by increases in casino expense and property, general, administrative and other expenses driven by the openings of The Cromwell and Horseshoe Baltimore.

Corporate expense increased \$63 million primarily due to costs associated with stock-based compensation programs and certain professional fees associated with corporate transactions and initiatives (including related litigation), having multiple SEC registrants, and the registration efforts of CERP and CGPH.

Net Income/(Loss) (CERP, CGP Casinos, and CIE)

Net loss was \$791 million in the third quarter of 2015 compared with \$131 million in 2014. The benefit of the improvement in income from operations described above was more than offset by \$966 million of accrued expenses associated with the CEOC restructuring (see Note 1) and the income tax provision related to the federal valuation allowance against 2015 losses from continuing operations (see Note 16).

Net income was \$6.1 billion in the first nine months of 2015 compared with a loss of \$169 million in 2014. The improvement was primarily due to the \$7.1 billion gain recognized as of part of the deconsolidation of CEOC (see Note 4) as well as the factors described above that contributed to the improvement in income from operations, partially offset by the \$966 million of accrued expenses associated with the CEOC restructuring (see Note 1) and the income tax provision related to the federal valuation allowance against 2015 losses from continuing operations (see Note 16).

Property EBITDA increased \$98 million (46.0%) in the third quarter 2015 compared with the prior year quarter, and increased \$288 million (42.2%) in the first nine months of 2015 compared with the prior year period. Further details on this non-GAAP financial measure follow later in this filing.

Reportable Segments

Segment results in this Management's Discussion and Analysis are presented consistent with the way Caesars management assesses the results subsequent to the deconsolidation of CEOC, which is a consolidated view that adjusts for the impact of certain transactions between reportable segments within Caesars for all periods presented, as described below. Therefore, the results of certain reportable segments presented in this filing differ from the financial statement information presented in their separate filings.

"Other" includes parent, consolidating, and other adjustments to reconcile to consolidated Caesars results.

CEOC is included in our operating results for the period prior to its deconsolidation on January 15, 2015, as described in Note 4.

Net Revenues - Segment

(Dollars in millions)	Three Months Ended			Nine Months Ended			
	September 30,		Change %	September 30,		Change %	
	2015	2014		2015	2014

Three Months Ended September 30, 2015 compared with September 30, 2014 (Segment)

CERP net revenues increased \$6 million (1.1%) primarily due to (i) a \$14 million increase in rooms revenues, mainly driven by the expansion of our resort fees program, which contributed to the increase in cash ADR to \$111 in 2015 from \$98; and (ii) partially offset by a decrease in other revenues, primarily due to fewer large events being held at our entertainment venues in 2015 compared with the prior year period resulting in declines in entertainment and related revenues.

CGP Casinos net revenues increased \$83 million (25.6%) primarily due (i) a \$57 million increase in casino revenues, mainly driven by the opening of Horseshoe Baltimore in the third quarter of 2014; and (ii) a \$23 million increase in rooms revenue, mainly driven by the benefit of upgraded rooms at The LINQ Hotel and the expansion of our resort fees program, which contributed to the increase in cash ADR to \$119 in 2015 from \$103.

CIE net revenues increased \$33 million (20.4%) as a result of organic sales growth in social and mobile games due to the focus on increasing the number of users and the conversion of those users into players who purchase CIE's virtual currency.

Nine Months Ended September 30, 2015 compared with September 30, 2014 (Segment)

CERP net revenues increased \$71 million (4.5%) primarily due to (i) a \$32 million increase in casino revenues, mainly driven by favorable gaming hold in Las Vegas; and (ii) a \$29 million increase in rooms revenues, mainly driven by the expansion of our resort fees program, which contributed to the increase in cash ADR to \$112 from \$102. In addition, food and beverage revenues were \$7 million higher as a result of the continued ramp up of new outlets.

CGP Casinos net revenues increased \$276 million (30.4%) primarily due to (i) a \$206 million increase in casino revenues, mainly driven by the opening of The Cromwell and Horseshoe Baltimore in the second and third quarter of 2014, respectively; (ii) a \$45 million increase in rooms revenue, mainly driven by the benefit of upgraded rooms at The LINQ Hotel, which contributed to the increase in cash ADR to \$122 in 2015 from \$106; and (iii) a \$30 million increase in food and beverage revenues, mainly due to the opening of new outlets at the The Cromwell and Horseshoe Baltimore in 2014 and The LINQ Hotel in 2015.

CIE net revenues increased \$126 million (29.5%) as a result of organic sales growth in social and mobile games, as well as the inclusion of nine months of activity from Pacific Interactive in 2015 compared with seven months in 2014.

Income/(Loss) from Operations - Segment

(Dollars in millions)	Three Months Ended			Nine Months Ended		
	September 30, 2015	September 30, 2014	Change %	September 30, 2015	September 30, 2014	Change %

Total	\$139	\$(328)) *	\$469	\$(50)) *

*Not meaningful

Three Months Ended September 30, 2015 compared with September 30, 2014 (Segment)

CERP income from operations improved \$148 million primarily due to no impairment charges being recorded in 2015 (\$118 million in impairment charges were recorded in 2014), a \$13 million decrease in casino operating expenses as a result of our cost-reduction initiatives, and the \$6 million increase in net revenues described above.

CGP Casinos income from operations decreased \$16 million. However, excluding the impact of contingently issuable non-voting membership units from both periods, CGP Casinos' income from operations increased \$43 million, which is primarily due to the results generated by opening Horseshoe Baltimore and renovations at The LINQ Hotel. CGP's contingently issuable non-voting membership units represents a liability to Caesars Entertainment (see Note 2).

Therefore, the effect of changes in this liability on income from operations is eliminated in consolidation and reported in "other" in the table above.

CIE income from operations improved \$22 million primarily due to the increase in net revenues, partially offset by the related increase in platform fees.

Nine Months Ended September 30, 2015 compared with September 30, 2014 (Segment)

CERP income from operations improved \$254 million primarily due to no impairment charges being recorded in 2015 (\$118 million in impairment charges were recorded in 2014) combined with the \$71 million increase in net revenues described above and a \$32 million decrease in casino operating expenses as a result of our cost-reduction initiatives.

CGP Casinos income from operations increased \$183 million, or \$74 million after excluding the impact of contingently issuable non-voting membership units. This increase was primarily due to the results generated by opening The Cromwell and Horseshoe Baltimore and renovations at The LINQ Hotel.

CIE income from operations increased \$114 million primarily due to the decrease in other operating costs described above related to CIE's contingent consideration and the increase in net revenues, partially offset by the related increase in platform fees.

Consolidated interest expense decreased \$561 million and \$1,423 million for the three and nine months ended September 30, 2015, respectively, compared with the corresponding prior year periods primarily due to the CEOC deconsolidation. Excluding the effect of the CEOC deconsolidation, interest expense increased \$4 million in the third quarter of 2015 and \$36 million in the nine months ended September 30, 2015. The increase for the nine months ended September 30, 2015, is primarily comprised of:

a \$25 million increase in interest associated with the CGPH Term Loan, which provided funding for the four properties CGP acquired from CEOC in May 2014, and the Horseshoe Baltimore Credit and FF&E Facilities after Horseshoe Baltimore construction was completed in the second quarter of 2014;

a \$5 million increase in CERP interest due to increased utilization of its revolving credit facility during 2015 and because of the additional interest assessed on the CERP Notes prior to the consummation of the Exchange Offer in the first quarter of 2015, as described in Note 12;

a \$27 million reduction in capitalized interest due to CERP completing The LINQ promenade in the first quarter of 2014 and CGP completing The Cromwell in the second quarter of 2014 and Horseshoe Baltimore in the third quarter; and

a partially offsetting \$9 million increase in capitalized interest associated with CERP's construction of the Atlantic City Convention Center, which was completed during the third quarter of 2015, and CGP's renovations of The LINQ Hotel; and

a partially offsetting \$15 million reduction related to the Planet Hollywood debt that was repaid in the second quarter of 2014 with proceeds from the CGPH Term Loan.

Deconsolidation and Restructuring of CEOC and Other

As described in Note 4, effective January 15, 2015, we deconsolidated CEOC and recognized a gain of \$7.1 billion.

As described in Note 1, we accrued \$966 million of expenses associated with the CEOC restructuring.

Income Taxes

The effective tax rate benefit for the three months ended September 30, 2015 was 19.8% and the effective tax rate benefit for the three months ended September 30, 2014 was 15.4%. The effective tax rate benefit in 2015 was unfavorably impacted by an increase in the federal valuation allowance against losses from continuing operations. The effective tax rate benefit in 2014 was unfavorably impacted by an increase in federal valuation allowance against 2014 losses from continuing operations and nondeductible goodwill impairments.

The effective tax rate expense for the nine months ended September 30, 2015 was zero and the effective tax rate benefit for the nine months ended September 30, 2014 was 22.9%. The effective tax rate expense in 2015 was favorably impacted by the nontaxable portion of the gain on deconsolidation of CEOC offset by an unfavorable impact of an increase in the federal valuation allowance. The effective tax rate benefit in 2014 was unfavorably impacted by an increase in federal valuation allowance against 2014 losses from continuing operations and nondeductible goodwill impairments offset by a tax benefit from the reversal of federal and state uncertain tax positions.

Loss from Discontinued Operations, Net of Income Taxes

See Note 7 for additional information.

Liquidity and Capital Resources

Liquidity Discussion and Analysis

We are a highly-leveraged company and had \$7.1 billion in face value of debt outstanding as of September 30, 2015.

As a result, a significant portion of our liquidity needs are for debt service, including significant interest payments. Our estimated consolidated debt service obligation for the remainder of 2015 is \$274 million, consisting of \$62 million in principal maturities and \$212 million in required interest payments. Our estimated consolidated debt service obligation for 2016 is \$710 million, consisting of \$141 million in principal maturities and \$569 million in required interest payments.

CEC is primarily a holding company with no independent operations, employees, or material debt issuances of its own. It has ownership interests in CEOC, CERP and CGP; however, CEC does not receive any financial benefit from CEOC during the bankruptcy, as all earnings and cash flows are retained by CEOC. In addition, the restrictions included in certain debt arrangements entered into by CERP and CGP (and/or their respective subsidiaries) generally do not allow for CERP, CGP, or their subsidiaries to provide dividends to CEC, and CEC has no requirement to fund the operations of CERP, CGP, or their subsidiaries.

CEC has no requirement to fund the operations of CERP, CGP, or their subsidiaries. Accordingly, CEC cash outflows are primarily used for corporate development opportunities and other corporate-level activity. CEC is generally limited to raising additional capital through borrowings or equity transactions because it has no operations of its own and the restrictions on its subsidiaries under lending arrangements generally prevent the distribution of cash from the subsidiaries to CEC, except for certain restricted payments that CERP and CGPH are authorized to make in accordance with their lending arrangements.

Consolidated cash and cash equivalents, excluding restricted cash, as of September 30, 2015 as shown in the table below, includes amounts held by CERP, CGP, and CES, which are not readily available to CEC. Parent reflects CEC and its various non-operating subsidiaries.

Cash and Available Revolver Capacity

(In millions)	September 30, 2015						
	CERP	CES	CGP	Parent

CERP	\$11	\$117	\$26	\$25	\$25	\$4,500	\$4,704
CGP	51	24	21	26	203	2,086	2,411
Total	\$62	\$141	\$47	\$51	\$228	\$6,586	\$7,115
Future Estimated Interest Payments							
(In millions)	2015	2016	2017	2018	2019	Thereafter	Total
CERP	\$149	\$384	\$383	\$391	\$396	\$485	\$2,188
CGP	63	185	184	188	192	318	1,130
Total	\$212	\$569	\$567	\$579	\$588	\$803	\$3,318

See Note 12 for details of our debt outstanding. This detail includes, among other information, a table presenting details of our individual borrowings outstanding as of September 30, 2015 and December 31, 2014, as well as discussion of recent changes in our debt outstanding and, if applicable, changes in the terms of existing debt subsequent to December 31, 2014.

CERP Liquidity Discussion and Analysis

As of September 30, 2015, CERP's cash and cash equivalents totaled \$218 million. Its operating cash inflows are typically used for operating expenses, debt service costs, and working capital needs. CERP is highly leveraged and a significant portion of its liquidity needs are for debt service. As of September 30, 2015, CERP had \$4.7 billion face value of indebtedness outstanding, including capital lease obligations. See Note 12 for additional information related to CERP indebtedness and related restrictive covenants. Cash paid for interest for the nine months ended September 30, 2015 was \$245 million.

CERP's operating cash inflows are used for operating expenses, debt service costs, working capital needs, and capital expenditures in the normal course of business. CERP's ability to fund its operations, pay its debt obligations, and fund planned capital expenditures depends, in part, upon economic and other factors that are beyond its control, and disruptions in capital markets and restrictive covenants related to its existing debt could impact CERP's ability to secure additional funds through financing activities. We believe that CERP's cash and cash equivalents balance, its cash flows from operations, and/or financing available under its revolving credit facility will be sufficient to meet normal operating requirements, to fund planned capital expenditures, and to fund debt service during the next 12 months and the foreseeable future.

CERP Credit Facilities

As of September 30, 2015, the CERP Credit Facilities provided for an aggregate principal amount of up to \$2.7 billion, composed of (i) senior secured term loans in an aggregate principal amount of \$2.5 billion ("CERP Term Loans") and (ii) a senior secured revolving credit facility in an aggregate principal amount of up to \$270 million. The CERP Term Loans require scheduled quarterly payments of \$6 million, with the balance due at maturity. As of September 30, 2015, there was \$81 million in borrowings outstanding under the senior secured revolving credit facility, and no amounts were committed to outstanding letters of credit.

CERP Notes

As of September 30, 2015, the CERP Notes consist of (i) \$1.0 billion aggregate principal amount of 8.0% first-priority senior secured notes due 2020 and (ii) \$1.2 billion aggregate principal amount of 11.0% second-priority senior secured notes due 2021, for an aggregate face value of \$2.2 billion.

See Note 12, "Debt - CERP Debt," for a description of CERP's debt covenant requirements and restrictions.

CGP Liquidity Discussion and Analysis

CGP's primary sources of liquidity include currently available cash and cash equivalents, cash flows generated from its operations and borrowings under the CGP's revolving credit facilities (see Note 12). CGP's cash and cash equivalents, excluding restricted cash, totaled \$901 million as of September 30, 2015, and includes \$78 million held by foreign subsidiaries.

CGP's operating cash inflows are used for operating expenses, debt service costs, working capital needs and capital expenditures in the normal course of business. Long-term obligations are expected to be paid through operating cash flows, refinancing of existing debt or the issuance of new debt, or, if necessary, additional investments from its equity holders. CGP's ability to refinance debt will depend upon numerous factors such as market conditions, our financial performance, and the limitations applicable to such transactions under CGP's and its subsidiaries' financing documents. Additionally, CGP's ability to fund operations, pay debt obligations, and fund planned capital expenditures depends, in part, upon economic and other factors that are beyond CGP's control, and disruptions in capital markets and restrictive covenants related to CGP's existing debt could impact CGP's ability to fund liquidity needs, pay indebtedness and secure additional funds through financing activities.

We believe that CGP's cash and cash equivalents balance, its cash flows from operations, and/or financing available under its revolving credit facility will be sufficient to meet normal operating requirements, to fund planned capital expenditures, and to fund debt service during the next 12 months and the foreseeable future.

Caesars Growth Properties Holdings ("CGPH") Credit Facilities

As of September 30, 2015, the CGPH Credit Facilities provided for the CGPH Term Loan with a face value of \$1.2 billion and a \$150 million revolving facility. The CGPH Term Loan matures in 2021 and requires quarterly payments in amounts equal to 0.25% of the original aggregate principal amount, with the balance due at maturity. As of September 30, 2015, \$45 million in borrowings were outstanding under the CGPH revolving credit facility, and no material amounts were committed to outstanding letters of credit.

CGPH Notes

As of September 30, 2015, the CGPH Notes had a face value of \$675 million. The CGPH Notes include customary negative covenants, subject to certain exceptions, and contain customary events of default, subject to customary or agreed-upon exceptions, baskets and thresholds.

Horseshoe Baltimore Financing

As of September 30, 2015, the Horseshoe Baltimore Credit Facility provided for (i) a \$300 million senior secured term facility with a seven-year maturity, and (ii) a \$10 million senior secured revolving facility with a five-year maturity.

As of September 30, 2015, the Horseshoe Baltimore FF&E Facility provided for an aggregate principal amount of up to \$30 million to be used to finance or reimburse the purchase price and certain related costs of furniture, furnishings and equipment (referred to as "FF&E") or refinance the purchase price of FF&E purchased with other funds as part of the development of the Horseshoe Baltimore casino. As of September 30, 2015, \$29 million was outstanding on the Horseshoe Baltimore FF&E Facility.

The Horseshoe Baltimore Credit Facility and Horseshoe Baltimore FF&E Facility contain affirmative and negative covenants customary for facilities of this type. Management believes that CGP is in compliance with the Horseshoe Baltimore Credit Facility and Horseshoe Baltimore FF&E Facility covenants as of September 30, 2015.

See Note 12, "Debt - CGP Debt," for a description of CGP's debt covenant requirements and restrictions.

Consolidated Liquidity Discussion and Analysis

Consolidated cash and cash equivalents, excluding restricted cash, totaled \$1.6 billion as of September 30, 2015. In addition to cash flows from operations, available sources of cash include amounts available under our current revolving credit facilities. The

CERP Revolving Credit Facility provides for up to \$270 million, of which \$189 million remained as available borrowing capacity for CERP as of September 30, 2015. CGP's total revolving credit facilities provide for up to \$160 million, with \$115 million available as of September 30, 2015.

We generated consolidated operating cash inflows of \$250 million for the nine months ended September 30, 2015, including negative operating cash flows of \$220 million from CEOC before deconsolidation on January 15, 2015. As previously noted, CEOC filed for reorganization under Chapter 11 of the Bankruptcy Code. Because of the absence of cross-default provisions in the indebtedness issued by other CEC subsidiaries and the modification of the parent guarantee (as discussed in Note 11), we do not believe that the impact of the event of default by CEOC, resulting from its bankruptcy filing, will materially impact the liquidity of CEC and its consolidated subsidiaries as of September 30, 2015.

Going Concern. As stated above and described more fully in Note 1, there is substantial doubt as to CEC's ability to continue as a going concern.

Capital Spending and Development

We incur capital expenditures in the normal course of business, and we perform ongoing refurbishment and maintenance at our existing casino entertainment facilities to maintain our quality standards. We also continue to pursue development and acquisition opportunities for additional casino entertainment and other hospitality facilities, and online businesses that meet our strategic and return on investment criteria. Cash used for capital expenditures in the normal course of business is typically made available from cash flows generated by our operating activities and established debt programs, while cash used for development projects is typically funded from established debt programs, specific project financing, and additional debt offerings.

Our planned development projects, if they proceed, will require, individually and in the aggregate, significant capital commitments and, if completed, may result in significant additional revenues. The commitment of capital, the timing of completion, and the commencement of operations of development projects are contingent upon, among other things, negotiation of final agreements and receipt of approvals from the appropriate political and regulatory bodies. We must also comply with covenants and restrictions set forth in our debt agreements.

Projected Capital Expenditures for 2015

(In millions)	Low	High
CERP	\$130	\$200
CGP	205	230
CES	30	50
Total	\$365	\$480

For the nine months ended September 30, 2015, our capital spending totaled \$285 million, net of a decrease in related payables of \$20 million. These capital expenditures were primarily related to The LINQ Hotel renovation and the Atlantic City Convention Center. Estimated total capital expenditures for 2015 are expected to be between \$365 million and \$480 million (excluding CEOC) and include funds for hospitality and maintenance projects, completion of The LINQ Hotel renovation and the Atlantic City Convention Center, and funds for information technology, marketing, analytics, accounting, payroll, and other projects that benefit the operating structures. We expect to fund these capital expenditures from cash flows generated by our operating activities. CES capital expenditures will be funded by its Members.

Summary of Capital Expenditures

(In millions)	Nine Months Ended		Increase/ (Decrease)
	September 30, 2015	2014	
Development	\$89	\$333	\$(244)
Renovation/refurbishment	174	454	(280)
Other	22	30	(8)
Total capital expenditures	\$285	\$817	\$(532)

Included in capital expenditures:

Capitalized payroll costs	\$4	\$8
Capitalized interest	11	39

Capital expenditures decreased \$532 million in the nine months ended September 30, 2015 compared with the prior year period, primarily due to development expenditures in 2014 associated with the Horseshoe Baltimore development and renovations for The Cromwell, which were completed in the second and third quarters of 2014, respectively, combined with the decline due to the deconsolidation of CEOC effective January 15, 2015.

Cash Flow Activity

Cash Flows from Operating Activities

Cash flows provided by operating activities was \$250 million in 2015 compared with cash flows used in operating activities of \$422 million in 2014. The increased cash flow was primarily due to an improvement in property operating cash flows from the operating results factors described previously for CERP, CGP Casinos, and CIE, combined with a \$1.1 billion decline in cash paid for interest due to the deconsolidation of CEOC effective January 15, 2015. However, these improvements were offset by cash outflows of \$220 million from CEOC during the 15-day period in 2015 preceding its deconsolidation.

Cash Flows from Investing Activities

Cash flows used in investing activities was \$1.2 billion in 2015 compared with \$473 million in 2014. The increase in cash flows used was primarily due to (i) the 2015 deconsolidation of CEOC's ending cash balance of \$958 million as of January 15, 2015; (ii) a \$320 million decrease in restricted cash during 2014 primarily related to release of cash that was restricted for use in the construction of Horseshoe Baltimore and for the payment of interest on the Cromwell Credit Facility; and (iii) a decrease of \$532 million in acquisitions of property and equipment in 2015 compared with 2014.

Cash Flows from Financing Activities

Cash flows used in financing activities was \$214 million in 2015 compared with \$1.4 billion provided by financing activities in 2014. This decrease was primarily due to proceeds of \$4.2 billion received in 2014 from the issuance of long-term debt related to the four properties CGP acquired from CEOC in the second quarter of 2014 and the debt refinancing completed by CEOC in the third quarter of 2014. Additionally, net repayments of long-term debt related to revolving credit facilities increased in 2015, primarily since the balance outstanding under CERP's revolving credit facility decreased from \$180 million as of December 31, 2014 to \$81 million as of September 30, 2015, which included the repayment of additional borrowings of \$271 million during 2015. The balance as of December 31, 2014, and the additional activity during 2015 were primarily use to fund CERP's initial contributions to CES in the fourth quarter of 2014, the construction in process at the Atlantic City Convention Center (completed in September 2015), and other operational activity.

Contractual Obligations and Commitments

Material changes to our aggregate indebtedness are described in Note 12.

Except as described in Note 1, as of September 30, 2015, there have been no other material changes outside of the ordinary course of business to our other known contractual obligations, which are set forth in the table included in Item 7 in our 2014 10-K.

Reconciliation of Non-GAAP Financial Measures

Property EBITDA is presented as a supplemental measure of the Company's performance. Property EBITDA is defined as revenues less property operating expenses and is comprised of net income/(loss) before (i) interest expense, net of interest income, (ii) income tax (benefit)/provision, (iii) depreciation and amortization, (iv) corporate expenses, and (v) certain items that we do not consider indicative of its ongoing operating performance at an operating property level. In evaluating Property EBITDA you should be aware that, in the future, we may incur expenses that are the same or similar to some of the adjustments in this presentation. The presentation of Property EBITDA should not be construed as an inference that future results will be unaffected by unusual or unexpected items.

Property EBITDA is a non-GAAP financial measure commonly used in our industry and should not be construed as an alternative to net income/(loss) as an indicator of operating performance or as an alternative to cash flow provided by operating activities as a measure of liquidity (as determined in accordance with GAAP). Property EBITDA may not be comparable to similarly titled measures reported by other companies within the industry. Property EBITDA is included because management uses Property EBITDA to measure performance and allocate resources, and believes that Property EBITDA provides investors with additional information consistent with that used by management.

CAUTIONARY STATEMENT PURSUANT TO THE PRIVATE
SECURITIES LITIGATION REFORM ACT OF 1995

This Quarterly Report on Form 10-Q contains or may contain "forward-looking statements" intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. These statements can be identified by the fact that they do not relate strictly to historical or current facts. We have based these forward-looking statements on our current expectations about future events. Further, statements that include words such as "may," "will," "project," "might," "expect," "believe," "anticipate," "intend," "could," "would," "estimate," "continue," "present," "preserve," or "pursue," or the negative of these words or other words or expressions of similar meaning may identify forward-looking statements. These forward-looking statements are found at various places throughout the report. These forward-looking statements, including, without limitation, those relating to future actions, new projects, strategies, future performance, the outcome of contingencies such as legal proceedings, the restructuring of CEOC and future financial results, wherever they occur in this report, are necessarily estimates reflecting the best judgment of our management and involve a number of risks and uncertainties that could cause actual results to differ materially from those suggested by the forward-looking statements. These forward-looking statements should, therefore, be considered in light of various important factors set forth above and from time to time in our filings with the Securities and Exchange Commission.

In addition to the risk factors set forth below, important factors that could cause actual results to differ materially from estimates or projections contained in the forward-looking statements include without limitation:

- the outcome of currently pending or threatened litigation and demands for payment by certain creditors against CEC and by the National Retirement Fund;
- the effects of CEOC's bankruptcy on CEOC and its subsidiaries and affiliates, including Caesars Entertainment, and the interest of various creditors, equity holders and other constituents;
- the ability to retain key employees during the restructuring of CEOC;
- the event that the First Lien RSAs may not be consummated in accordance with its terms, or persons not party to an RSA may successfully challenge the implementation thereof;
- the length of time CEOC will operate in the Chapter 11 cases or CEOC's ability to comply with the milestones provided by the RSAs;
- risks associated with third party motions in the Chapter 11 cases, which may hinder or delay CEOC's ability to consummate the restructuring as contemplated by the RSAs;
- the potential adverse effects of Chapter 11 proceedings on Caesars Entertainment's liquidity or results of operations;
- the effects of local and national economic, credit and capital market conditions on the economy, in general, and on the gaming industry, in particular;
- the financial results of CGP's business;
- the impact of our substantial indebtedness and the restrictions in our debt agreements;
- access to available and reasonable financing on a timely basis, including the ability of the Company to refinance its indebtedness on acceptable terms;
- the ability of our customer tracking, customer loyalty, and yield management programs to continue to increase customer loyalty and same-store or hotel sales;
- changes in laws, including increased tax rates, smoking bans, regulations or accounting standards, third-party relations and approvals, and decisions, disciplines and fines of courts, regulators and governmental bodies;
- our ability to recoup costs of capital investments through higher revenues;
- abnormal gaming holds ("gaming hold" is the amount of money that is retained by the casino from wagers by customers);

• the effects of competition, including locations of competitors, competition for new licenses, and operating and market competition;

• the ability to timely and cost-effectively integrate companies that we acquire into our operations;

• the potential difficulties in employee retention and recruitment as a result of our substantial indebtedness or any other factor;

• construction factors, including delays, increased costs of labor and materials, availability of labor and materials, zoning issues, environmental restrictions, soil and water conditions, weather and other hazards, site access matters, and building permit issues;

• litigation outcomes and judicial and governmental body actions, including gaming legislative action, referenda, regulatory disciplinary actions, and fines and taxation;

• acts of war or terrorist incidents, severe weather conditions, uprisings or natural disasters, including losses therefrom, losses in revenues and damage to property, and the impact of severe weather conditions on our ability to attract customers to certain of our facilities, such as the amount of losses and disruption to our company as a result of Hurricane Sandy in late October 2012;

• the effects of environmental and structural building conditions relating to our properties;

• access to insurance on reasonable terms for our assets;

• the impact, if any, of unfunded pension benefits under multi-employer pension plans; and

• the other factors set forth under "Risk Factors" below.

You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this Quarterly Report on Form 10-Q. We undertake no obligation to publicly update or release any revisions to these forward-looking statements to reflect events or circumstances after the date of this Form 10-Q or to reflect the occurrence of unanticipated events, except as required by law.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

There have been no material changes to our market risk in 2015. For information on our exposure to market risk, refer to Part II, Item 7A, "Quantitative and Qualitative Disclosures about Market Risk," contained in our Annual Report on Form 10-K for the year ended December 31, 2014.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

We maintain disclosure controls and procedures designed to ensure that information required to be disclosed in reports filed under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), is recorded, processed, summarized and reported within the specified time period. Management, with the participation of the Company's Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO"), has evaluated the effectiveness of the Company's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act), as of September 30, 2015. Based on that evaluation and considering the material weaknesses in internal control over financial reporting reported in Part II, Item 9A of the Annual Report on Form 10-K for the year ended December 31, 2014, the Company's CEO and CFO concluded that the Company's disclosure controls and procedures were not effective as of September 30, 2015.

In light of the material weaknesses as of September 30, 2015, prior to the filing of this Form 10-Q for the period ended September 30, 2015, management determined that key quarterly controls were performed timely and also performed additional procedures, including validating the completeness and accuracy of the underlying data used to support the amounts reported in the quarterly financial statements. These control activities and additional procedures have allowed us to conclude that, notwithstanding the material weaknesses, the consolidated condensed financial statements in this Form 10-Q fairly present, in all material respects, our financial position, results of operations, and cash flows for the periods presented in conformity with United States GAAP.

Changes in Internal Control Over Financial Reporting

In addition to changes discussed below, the Company's majority owned subsidiary, CEOC, filed for bankruptcy in January 2015. CEOC was deconsolidated during the first quarter of 2015, and additional changes in the corporate structure are planned upon CEOC emerging from bankruptcy. As these changes take place, we plan to adjust our business processes and systems to align with the new structure. We will continue to monitor our internal control over financial reporting throughout the process.

Previously Identified Material Weaknesses

As reported in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, management identified the following material weaknesses in internal control over financial reporting related to its risk assessment process for non-gaming activities which did not adequately assess risk at an appropriate level of detail to allow for (i) the design of controls with the appropriate precision and responsiveness to address those risks, (ii) the design of controls to validate the completeness and accuracy of underlying data used in the performance of controls over the determination of significant estimates, accounting transactions and disclosures, (iii) the timely and effective implementation of controls, including evidence of operating effectiveness, and (iv) effective monitoring of the controls. Accordingly, a reasonable possibility exists that material misstatements in the Company's financial statements will not be prevented or detected on a timely basis.

We are engaged in various stages of remedial actions to address the material weaknesses described above. We are using both internal and external resources to assist in the following actions:

- Reviewing the accounting and financial assurance organizations to ensure an appropriate organization and skills to sustain the remedial actions. This includes performing training to enhance knowledge and skills of the finance team and hiring of additional skilled resources, as appropriate.

- Enhancing the Company's internal control monitoring program including an enhanced documented risk assessment process to identify the appropriate in scope balances and related controls, computer systems, and applications.

- Performing a comprehensive review of the Company's accounting processes including controls to ensure the processes and controls are adequately designed, clearly documented and appropriately communicated to enhance control ownership throughout the finance organization.

- Evaluating and designing of controls to address the completeness and accuracy of data used to support key estimations, accounting transactions and disclosures, primarily associated with spreadsheets and other key reports.

- Implementing new systems and tools to automate manual processes and to document and monitor adherence to standardized processes and controls.

- Reviewing and updating accounting policies to ensure they address the Company's current environment.

We believe the remedial actions described above have strengthened the Company's internal control over financial reporting and will remediate the material weaknesses identified. However, as of September 30, 2015, these remediation measures are ongoing and had not been in operation long enough to measure their operating effectiveness in order to conclude that the identified material weaknesses were fully remediated. We will continue to monitor the effectiveness of these remediation activities and expect to make further changes to improve the Company's internal control over financial reporting.

PART II—OTHER INFORMATION

Item 1. Legal Proceedings

Noteholder Disputes

On August 4, 2014, Wilmington Savings Fund Society, FSB, solely in its capacity as successor Indenture Trustee for the 10.00% Second-Priority Senior Secured Notes due 2018 (the "10.00% Second-Priority Notes"), on behalf of itself and, it alleges, derivatively on behalf of CEOC, filed a lawsuit (the "Delaware Second Lien Lawsuit") in the Court of Chancery in the State of Delaware against CEC and CEOC, CGP, CAC, CERP, CES, Eric Hession, Gary Loveman, Jeffrey D. Benjamin, David Bonderman, Kelvin L. Davis, Marc C. Rowan, David B. Sambur, and Eric Press. The lawsuit alleges claims for breach of contract, intentional and constructive fraudulent transfer, breach of fiduciary duty, aiding and abetting breach of fiduciary duty, and corporate waste. The lawsuit seeks (1) an award of money damages; (2) to void certain transfers, the earliest of which dates back to 2010; (3) an injunction directing the recipients of the assets in these transactions to return them to CEOC; (4) a declaration that CEC remains liable under the parent guarantee formerly applicable to the 10.00% Second-Priority Notes; (5) to impose a constructive trust or equitable lien on the transferred assets; and (6) an award to plaintiffs for their attorneys' fees and costs. CEC believes this lawsuit is without merit and will defend itself vigorously. A motion to dismiss this action was filed by CEC and other defendants in September 2014, and the motion was argued in December 2014. During the pendency of its Chapter 11 bankruptcy proceedings, the action has been automatically stayed with respect to CEOC. The motion to dismiss with respect to CEC was denied on March 18, 2015. Subsequently, plaintiffs advised the judge presiding over the CEOC bankruptcy proceeding that they would pursue in this litigation only those claims alleging that CEC remains liable under the parent guarantee formerly applicable to the 10.00% Second-Priority Notes. We believe that fact discovery in the case is substantially complete. No trial date has been set.

On August 5, 2014, CEC, along with CEOC, filed a lawsuit in the Supreme Court of the State of New York, County of New York, against certain institutional first and second lien note holders. The complaint states that such institutional first and second lien note holders have acted against the best interests of CEOC and other creditors, including for the purpose of inflating the value of their credit default swap positions or improving other unique securities positions. The complaint asserts claims for tortious interference with prospective economic advantage, declaratory judgment and breach of contract and seeks, among other things, (1) money damages; (2) a declaration that no default or event of default has occurred or is occurring and that CEC and CEOC have not breached their fiduciary duties or engaged in fraudulent transfers or other violation of law; and (3) a preliminary and permanent injunction prohibiting the defendants from taking further actions to damage CEC or CEOC. Defendants filed motions to dismiss this action in October 2014. On January 16, 2015, the claims against the first lien note holder defendant were voluntarily dismissed and on June 29, 2015, the declaratory judgment claim against the second lien note holder defendants was also voluntarily dismissed. On July 6, 2015, the claim for tortious interference with prospective economic advantage brought by CEOC against the second lien note holders was voluntarily dismissed as well, without prejudice, leaving in the action only the tortious interference with prospective economic advantage claim brought by CEC against the second lien note holder defendants. On July 20, 2015, the Court granted the second lien note holder defendants' motion to dismiss that claim and ordered that the action be marked disposed.

On September 3, 2014, holders of approximately \$21 million of CEOC 6.50% Senior Unsecured Notes due 2016 and 5.75% Senior Unsecured Notes due 2017 (collectively, the "Senior Unsecured Notes") filed suit in federal district court in Manhattan against CEC and CEOC, claiming broadly that an August 12, 2014 Note Purchase and Support Agreement between CEC and CEOC (on the one hand) and certain other holders of the Senior Unsecured Notes (on the other hand) impaired their own rights under the Trust Indenture Act of 1939 and the indentures governing the Senior Unsecured Notes. The lawsuit seeks both declaratory and monetary relief. On October 2, 2014, a holder of CEOC's 6.50% Senior Unsecured Notes due 2016 purporting to represent a class of all persons who held these Notes from August 11, 2014 to the present filed a substantially similar suit in the same court, against the same defendants, relating to the same transactions. Both lawsuits (the "Senior Unsecured Lawsuits") have been assigned to the same judge. The claims against CEOC have been automatically stayed during its Chapter 11 bankruptcy proceedings. The court denied a motion to dismiss both lawsuits with respect to CEC. The parties have completed fact discovery with respect to both plaintiffs' claims against CEC. Plaintiffs in the action that involves both tranches of Senior Unsecured

Notes have moved for summary judgment, and under the schedule imposed by the court, briefing on such motion will be completed by December 2, 2015. Plaintiffs in the other action, brought on behalf of holders of CEOC's 6.50% Senior Unsecured Notes, have indicated that they will move for class certification, and under the schedule imposed by the court for this motion, briefing will be completed by February 1, 2016.

On November 25, 2014, UMB Bank ("UMB"), as successor indenture trustee for CEOC's 8.50% Senior Secured Notes due 2020 (the "8.50% Senior Secured Notes"), filed a verified complaint (the "Delaware First Lien Lawsuit") in Delaware Chancery Court

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

against CEC, CEOC, CERP, CAC, CGP, CES, and against individual past and present Board members Loveman, Benjamin, Bonderman, Davis, Press, Rowan, Sambur, Hession, Colvin, Kleisner, Swann, Williams, Housenbold, Cohen, Stauber, and Winograd, alleging generally that defendants improperly stripped CEOC of certain assets, wrongfully affected a release of CEC's parent guarantee of the 8.50% Senior Secured Notes and committed other wrongs. Among other things, UMB Bank asked the court to appoint a receiver over CEOC. In addition, the suit pleads claims for fraudulent conveyances/transfers, insider preferences, illegal dividends, declaratory judgment (for breach of contract as regards to the parent guarantee and also as to certain covenants in the bond indenture), tortious interference with contract, breach of fiduciary duty, usurpation of corporate opportunities, and unjust enrichment, and seeks monetary, equitable and declaratory relief. The lawsuit has been automatically stayed with respect to CEOC during its Chapter 11 bankruptcy process. Pursuant to the First Lien Bond RSA, the lawsuit also has been stayed in its entirety, with the consent of all of the parties to it. The consensual stay will expire upon the termination of the First Lien Bond RSA.

On February 13, 2015, Caesars Entertainment received a Demand For Payment of Guaranteed Obligations (the "February 13 Notice") from Wilmington Savings Fund Society, FSB, in its capacity as successor Trustee for CEOC's 10.00% Second-Priority Notes. The February 13 Notice alleges that CEOC's commencement of its voluntary Chapter 11 bankruptcy case constituted an event of default under the indenture governing the 10.00% Second-Priority Notes; that all amounts due and owing on the 10.00% Second-Priority Notes therefore immediately became payable; and that Caesars Entertainment is responsible for paying CEOC's obligations on the 10.00% Second-Priority Notes, including CEOC's obligation to timely pay all principal, interest, and any premium due on these notes, as a result of a parent guarantee provision contained in the indenture governing the notes that the February 13 Notice alleges is still binding. The February 13 Notice accordingly demands that Caesars Entertainment immediately pay Wilmington Savings Fund Society, FSB, cash in an amount of not less than \$3.7 billion, plus accrued and unpaid interest (including without limitation the \$184 million interest payment due December 15, 2014 that CEOC elected not to pay) and accrued and unpaid attorneys' fees and other expenses. The February 13 Notice also alleges that the interest, fees and expenses continue to accrue.

On February 18, 2015, Caesars Entertainment received a Demand For Payment of Guaranteed Obligations (the "February 18 Notice") from BOKF, N.A. ("BOKF"), in its capacity as successor Trustee for CEOC's 12.75% Second-Priority Senior Secured Notes due 2018 (the "12.75% Second-Priority Notes"). The February 18 Notice alleges that CEOC's commencement of its voluntary Chapter 11 bankruptcy case constituted an event of default under the indenture governing the 12.75% Second-Priority Notes; that all amounts due and owing on the 12.75% Second-Priority Notes therefore immediately became payable; and that CEC is responsible for paying CEOC's obligations on the 12.75% Second-Priority Notes, including CEOC's obligation to timely pay all principal, interest and any premium due on these notes, as a result of a parent guarantee provision contained in the indenture governing the notes that the February 18 Notice alleges is still binding. The February 18 Notice therefore demands that CEC immediately pay BOKF cash in an amount of not less than \$750 million, plus accrued and unpaid interest, accrued and unpaid attorneys' fees, and other expenses. The February 18 Notice also alleges that the interest, fees and expenses continue to accrue.

In accordance with the terms of the applicable indentures and as previously disclosed under Item 8.01 in our Current Report on Form 8-K filed August 22, 2014, CEC is not subject to the above-described guarantees. As a result, we believe the demands for payment are meritless.

On March 3, 2015, BOKF filed a lawsuit (the "New York Second Lien Lawsuit") against CEC in federal district court in Manhattan, in its capacity as successor trustee for CEOC's 12.75% Second-Priority Notes. On June 15, 2015, UMB filed a lawsuit (the "New York First Lien Lawsuit") against CEC, also in federal district court in Manhattan, in its capacity as successor trustee for CEOC's 11.25% Senior Secured Notes due 2017, 8.50% Senior Secured Notes due 2020, and 9.00% Senior Secured Notes due 2020. Plaintiffs in these actions allege that CEOC's filing of its voluntary Chapter 11 bankruptcy case constitutes an event of default under the indenture governing these notes, causing all

principal and interest to become immediately due and payable, and that CEC is obligated to make those payments pursuant to a parent guarantee provision in the indentures governing these notes that plaintiffs allege are still binding. Both plaintiffs bring claims for violation of the Trust Indenture Act of 1939, breach of contract, breach of duty of good faith and fair dealing and for declaratory relief and BOKF brings an additional claim for intentional interference with contractual relations. The cases have both been assigned to the same judge presiding over the other Parent Guarantee Lawsuits (as defined below) that are taking place in Manhattan. CEC filed its answer to the BOKF complaint on March 25, 2015, and to the UMB complaint on August 10, 2015. On June 25, 2015, and June 26, 2015, BOKF and UMB, respectively, moved for partial summary judgment, specifically on their claims alleging a violation of the Trust Indenture Act of 1939, seeking both declaratory relief and damages. On August 27, 2015, those motions were denied. The court, on its own motion, certified its order with respect to the interpretation of the Trust Indenture Act for interlocutory appeal to the United States Court of Appeals for the Second Circuit, where it remains pending. Meanwhile, the parties have completed fact discovery in both actions and currently are engaged in expert discovery.

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

On October 20, 2015, Wilmington Trust, National Association (“Wilmington Trust”), filed a lawsuit (the “New York Senior Notes Lawsuit” and, together with the Delaware Second Lien Lawsuit, the Delaware First Lien Lawsuit, the Senior Unsecured Lawsuits, the New York Second Lien Lawsuit, and the New York First Lien Lawsuit, the “Parent Guarantee Lawsuits”) against CEC in federal district court in Manhattan in its capacity as successor indenture trustee for CEOC’s 10.75% Senior Notes due 2016 (the “10.75% Senior Notes”). Plaintiff alleges that CEC is obligated to make payment of amounts due on the 10.75% Senior Notes pursuant to a parent guarantee provision in the indenture governing those notes that plaintiff alleges is still in effect. Plaintiff raises claims for violations of the Trust Indenture Act of 1939, breach of contract, breach of the implied duty of good faith and fair dealing, and for declaratory judgment, and seeks monetary and declaratory relief. CEC’s initial response to the complaint is currently scheduled to be filed on or before November 12, 2015.

On March 11, 2015, CEOC filed an adversary proceeding in bankruptcy court requesting that the Parent Guarantee Lawsuits be enjoined against all defendants through plan confirmation; in subsequent submissions, CEOC stated that it sought a temporary stay of those lawsuits until 60 days after the issuance of a final report by the Bankruptcy Examiner. CEOC argued that contemporaneous prosecution of related claims against CEC would impair the bankruptcy court’s jurisdiction over the Debtors’ reorganization by threatening the Debtors’ ability to recover estate property for the benefit of all creditors, diminishing the prospects of a successful reorganization, and depleting property of the estate. On July 22, 2015, the bankruptcy court denied CEOC’s request. The denial was affirmed by the United States District Court for the Northern District of Illinois in October 2015, and currently is on appeal to the United States Court of Appeals for the Seventh Circuit, with oral arguments scheduled for December 10, 2015. The bankruptcy court’s ruling does not address the merits of the Parent Guarantee Lawsuits.

We believe that the claims and demands described above against CEC are without merit and we intend to defend the company vigorously. The claims against CEOC have been stayed due to the Chapter 11 process and, in some instances, the actions against CEC have been allowed to continue. See additional disclosure relating to CEOC’s Chapter 11 filing in Note 4. We believe that the Noteholder Disputes and the Parent Guarantee Lawsuits have a reasonably possible likelihood of an adverse outcome, but should these matters ultimately be resolved through litigation outside of the financial restructuring of CEOC (the “Financial Restructuring”), and should a court find in favor of the claimants in some or all of the Noteholder Disputes, such determination would likely lead to a reorganization under Chapter 11 of the Bankruptcy Code (see Note 1). We are not able to estimate a range of reasonably possible losses should any of the Noteholder Disputes ultimately be resolved against us, although they could potentially exceed \$11 billion. (see Note 1).

CEC-CAC Merger Litigation

On December 30, 2014, Nicholas Koskie, on behalf of himself and, he alleges, all others similarly situated, filed a lawsuit (the “Merger Lawsuit”) in the Clark County District Court in the State of Nevada against CAC, CEC and members of the CAC board of directors Marc Beilinson, Philip Erlanger, Dhiren Fonseca, Don Kornstein, Karl Peterson, Marc Rowan, and David Sambur (the individual defendants collectively, the “CAC Directors”). The Merger Lawsuit alleges claims for breach of fiduciary duty against the CAC Directors and aiding and abetting breach of fiduciary duty against CAC and CEC. It seeks (1) an order directing the CAC Directors to fulfill alleged fiduciary duties to CAC in connection with the proposed merger between CAC and CEC announced on December 22, 2014 (the “Proposed Merger”), specifically by announcing their intention to (a) cooperate with bona fide interested parties proposing alternative transactions, (b) ensure that no conflicts exist between the CAC Directors’ personal interests and their fiduciary duties to maximize shareholder value in the Proposed Merger, or resolve all such conflicts in favor of the latter, and (c) act independently to protect the interests of the shareholders; (2) an order directing the CAC Directors to account for all damages suffered or to be suffered by plaintiff and the putative class as a result of the Proposed Merger; and (3) an award to plaintiff for his costs and attorneys’ fees. It is unclear whether the Merger Lawsuit also seeks to enjoin the Proposed Merger. CEC believes that this lawsuit is without merit and will defend itself vigorously. The deadline to respond to the Merger Lawsuit has been adjourned without a date by agreement of

the parties.

Employee Benefit Obligations

In December 1998, Hilton Hotels Corporation (“Hilton”) spun-off its gaming operations as Park Place Entertainment Corporation (“Park Place”). In connection with the spin-off, Hilton and Park Place entered into various agreements, including an Employee Benefits and Other Employment Allocation Agreement dated December 31, 1998 (the “Allocation Agreement”) whereby Park Place assumed or retained, as applicable, certain liabilities and excess assets, if any, related to the Hilton Hotels Retirement Plan (the “Hilton Plan”) based on the benefits of Hilton employees and Park Place employees. CEOC is the ultimate successor to this Allocation Agreement. In 2013, a lawsuit was settled related to the Hilton Plan, which retroactively and prospectively increased total benefits to be paid under the Hilton Plan. In 2009, we received a letter from Hilton, notifying us of a lawsuit related to the Hilton Plan that alleged that CEC had a potential liability for the additional claims under the terms of the Allocation Agreement.

56

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

Based on conversations between our representative and a representative of the defendants, we recorded a charge of \$25 million during the second quarter 2010, representing CEC's (including subsidiaries) allocated share of the total damages estimate.

In December 2013, we received a letter from Hilton notifying us that all final court rulings have been rendered in relation to this matter. We were subsequently informed that CEC's obligation under the Allocation Agreement was approximately \$54 million, and that approximately \$19 million relates to contributions for historical periods and approximately \$35 million relates to estimated future contributions. We met with Hilton representatives in March 2014 and had discussions subsequently. We cannot currently predict the ultimate outcome of this matter, but continue to believe that we may have various defenses against such claims, including defenses as to the amount of liabilities. On November 21, 2014, in response to a letter from Hilton, we agreed to attempt to mediate a resolution of the matter. On December 24, 2014, Hilton sued CEC and CEOC in federal court in Virginia primarily under the Employee Retirement Income Security Act ("ERISA"), and also under state contract and unjust enrichment law theories, for monetary and equitable relief in connection with this ongoing dispute. Hilton amended its lawsuit in January 2015 to remove CEOC as a defendant. We moved to dismiss the lawsuit in February 2015, and that motion was argued in March 2015. On April 14, 2015, the Court issued an Opinion dismissing with prejudice the unjust enrichment claim, and transferring the purported contract and ERISA claims to the Northern District of Illinois, as had been requested by CEC. The Northern District of Illinois subsequently referred the case to the Bankruptcy Court presiding over the CEOC bankruptcy, and the matter remains pending.

See additional disclosures related to litigation and other matters in Note 5.

Other Matters

In January 2015, a majority of the Trustees of the National Retirement Fund ("NRF"), a multi-employer defined benefit pension plan, voted to expel CEC and its participating subsidiaries ("CEC Group") from the plan. NRF claims that CEOC's bankruptcy presents an "actuarial risk" to the plan because, depending on the outcome of the bankruptcy proceeding, CEC might no longer be liable to the plan for any partial or complete withdrawal liability. NRF has advised the CEC Group that its expulsion has triggered withdrawal liability with a present value of approximately \$360 million, payable in 80 quarterly payments of about \$6 million.

Prior to NRF's vote, the CEC Group reiterated its commitment to remain in the plan and not seek rejection of any collective bargaining agreements in which the obligation to contribute to NRF exists. It is completely current with respect to pension contributions. We opposed the NRF actions in the appropriate legal forums including seeking a declaratory judgment in federal district court challenging NRF's authority to expel the CEC Group and also seeking relief in the CEOC bankruptcy proceeding. The parties entered into a Standstill Agreement in March 2015 staying the CEC Group's obligation to commence quarterly payments and instead continue making its monthly contributions, and also setting a briefing schedule in the bankruptcy proceeding for both CEOC's motion that NRF's action violated the automatic stay and our motion to extend the stay to encompass NRF's collection lawsuit against CEC. Both matters have been fully briefed, but the Bankruptcy Court has yet to rule. NRF has filed a motion to dismiss the federal district court action asserting that the governing statute requires that the issue must first be arbitrated. All briefs have been submitted, but the court has yet to rule.

We believe our legal arguments against the actions undertaken by NRF are strong and will pursue them vigorously. Because legal proceedings with respect to this matter are at the preliminary stages, we cannot currently provide assurance as to the ultimate outcome of the matters at issue.

In recent years, governmental authorities have been increasingly focused on anti-money laundering ("AML") policies and procedures, with a particular focus on the gaming industry. In October 2013, CEOC's subsidiary, Desert Palace, Inc. (the owner of and referred to herein as Caesars Palace), received a letter from the Financial Crimes Enforcement Network of the United States Department of the Treasury ("FinCEN"), stating that FinCEN was investigating Caesars Palace for alleged violations of the Bank Secrecy Act to determine whether it is appropriate to assess a civil penalty and/or take additional enforcement action against Caesars Palace. Caesars Palace responded to FinCEN's letter in

January 2014. Additionally, we were informed in October 2013 that a federal grand jury investigation regarding anti-money laundering practices of the Company and its subsidiaries had been initiated. CEC and Caesars Palace have been cooperating with FinCEN, the Department of Justice and the Nevada Gaming Control Board (the “GCB”) on this matter. On September 8, 2015, FinCEN announced a settlement pursuant to which Caesars Palace agreed to an \$8 million civil penalty for its violations of the Bank Secrecy Act, which penalty shall be treated as a general unsecured claim in Caesars Palace’s bankruptcy proceedings. In addition, Caesars Palace agreed to conduct periodic external audits and independent testing of its AML compliance program, report to FinCEN on mandated improvements, adopt a rigorous training regime, and engage in a “look-back” for suspicious transactions. The terms of the FinCEN settlement are subject to bankruptcy court approval.

CAESARS ENTERTAINMENT CORPORATION
NOTES TO CONSOLIDATED CONDENSED FINANCIAL STATEMENTS (CONTINUED)
(UNAUDITED)

CEOC and the GCB reached a settlement on the same facts as above, wherein CEC agreed to pay \$1.5 million and provide to the GCB the same information that is reported to FinCEN and to resubmit its updated AML policies. On September 17, 2015, the settlement agreement was approved by the Nevada Gaming Commission. CEOC continues to cooperate with the Department of Justice in its investigation of this matter. We do not believe the outcome will have a material impact on our consolidated financial position, results of operations, or cash flows.

Item 1A. Risk Factors

The following is an update to the risk factors previously disclosed in our Annual Report on Form 10-K for the year ended December 31, 2014. For additional risk factors that could cause actual results to differ materially from those anticipated, please refer to our Annual Report on Form 10-K for the year ended December 31, 2014. Note references are to the notes to consolidated condensed financial statements included in Item 1, “Unaudited Financial Statements.” If a court were to find in favor of the claimants in the Noteholder Disputes, it would likely have a material adverse effect on our business, financial condition, results of operations and cash flows and, absent an intervening event, a reorganization under Chapter 11 of the Bankruptcy Code would likely be necessary due to the limited resources available at CEC to resolve such matters.

We are subject to a number of Noteholder Disputes related to various transactions that CEOC has completed since 2013. Plaintiffs in certain of these actions raise allegations of breach of contract, intentional and constructive fraudulent transfer, and breach of fiduciary duty, among other claims. Although the Delaware First Lien Lawsuit has been subject to a consensual stay pursuant to the First Lien Bond RSA since CEOC’s filing for Chapter 11, and the Delaware Second Lien Lawsuit is not proceeding with respect to fraud or breach of fiduciary duty claims, should a court find in favor of the plaintiffs on such claims in any of the Noteholder Disputes, including the New York First Lien Lawsuit, the New York Second Lien Lawsuit or the Senior Unsecured Lawsuits, the transactions at issue in those lawsuits may be subject to rescission and/or the Company may be required to pay damages to the plaintiffs. In the event of an adverse outcome on one or all of these matters, it is likely that a reorganization under Chapter 11 of the Bankruptcy Code would be necessary due to the limited resources available at CEC to resolve such matters. See Note 5.

A number of the Noteholder Disputes also involve claims (the “Guarantee Claims”) that the Company is liable for all amounts due and owing on certain notes issued by CEOC, based on allegations that provisions in the governing indentures pursuant to which the Company guaranteed CEOC’s obligations under those notes remain in effect. Such claims were most recently raised against Caesars Entertainment in the New York Second Lien Lawsuit filed on March 3, 2015 by BOKF, N.A. and in the New York First Lien Lawsuit filed on June 15, 2015 by UMB Bank, N.A., both in the United States District Court for the Southern District of New York (the “SDNY Court”). Adverse rulings on such claims in the New York Second Lien Lawsuit or any of the other Noteholder Disputes could negatively affect our position on such claims in other Noteholder Disputes, or with respect to potential claims by other holders of certain other notes issued by CEOC. If the court in any of these Noteholder Disputes were to find in favor of the plaintiffs on such claims, CEC may become obligated to pay all principal, interest, and other amounts due and owing on the notes at issue. If CEC became obligated to pay amounts owed on CEOC’s indebtedness as a result of these claims, it is likely that a reorganization under Chapter 11 of the Bankruptcy Code would be necessary due to the limited resources available at CEC to resolve such matters. Accordingly, as certain of the Guarantee Claims have not been stayed, and given the timing on which these Guarantee Claims are proceeding and the inherent uncertainties of litigation, we have concluded that these matters raise substantial doubt about the Company’s ability to continue as a going concern. Certain matters in the Senior Unsecured Lawsuits are expected to be subject to summary judgment motions, and the remaining issues in these lawsuits are expected to be tried as early as March 2016. In the event of an adverse outcome on such matters, CEC would likely seek reorganization under Chapter 11 of the Bankruptcy Code soon thereafter.

Risks Related to the Bankruptcy Proceedings

CEOC and a substantial majority of its wholly owned subsidiaries filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code, and are subject to the risks and uncertainties associated with bankruptcy proceedings.

As a result of CEOC’s highly-leveraged capital structure and the general decline in its gaming results since 2007, on January 15, 2015, CEOC and certain of its United States subsidiaries (collectively, the “Debtors”) voluntarily filed for reorganization under Chapter 11 of the Bankruptcy Code in the Bankruptcy Court. Because CEOC is under the control of the Bankruptcy Court, CEC deconsolidated this subsidiary effective January 15, 2015 (see Note 4).

We are subject to a number of risks and uncertainties associated with the Chapter 11 proceedings, which may lead to potential adverse effects on our liquidity, results of operations, or business prospects. We cannot assure you of the outcome of the Chapter 11 proceedings. Risks associated with the Chapter 11 proceedings include the following:

- the ability of the Debtors to continue as a going concern;

the ability of the Debtors to obtain bankruptcy court approval with respect to motions in the Chapter 11 proceedings and the outcomes of bankruptcy court rulings of the proceedings in general;

risks associated with involuntary bankruptcy proceedings filed in the United States Bankruptcy Court for the District of Delaware and now pending in the Bankruptcy Court;

the ability of the Debtors to comply with and to operate under the cash collateral order and any cash management orders entered by the Bankruptcy Court from time to time;

the length of time the Debtors will operate under the Chapter 11 proceedings and their ability to successfully emerge, including with respect to obtaining any necessary regulatory approvals;

the ability of the Debtors to negotiate, confirm and consummate a plan of reorganization with respect to the Chapter 11 proceedings;

the possibility of Caesars Entertainment losing ownership or control over the operation of the Debtors as a result of the restructuring process, including as a result of a market test of the Debtors' proposed plan of reorganization;

risks associated with third party motions, proceedings and litigation in the Chapter 11 proceedings, which may interfere with the Debtors' plan of reorganization;

the ability to maintain sufficient liquidity throughout the Chapter 11 proceedings;

increased costs related to the bankruptcy filing and other litigation;

- our ability to manage contracts that are critical to our operation, and to obtain and maintain appropriate credit and other terms with customers, suppliers and service providers;

our ability to attract, retain and motivate key employees;

our ability to fund and execute our business plan;

- whether our non-Debtor subsidiaries continue to operate their business in the normal course;

the disposition or resolution of all pre-petition claims against us and the Debtors; and

our ability to maintain existing customers and vendor relationships and expand sales to new customers.

The Chapter 11 proceedings may disrupt our business and may materially and adversely affect our operations.

We have attempted to minimize the adverse effect of the Debtors' Chapter 11 proceedings on our relationships with our employees, suppliers, customers and other parties. Nonetheless, our relationships with our customers, suppliers, and employees may be adversely impacted by negative publicity or otherwise and our operations could be materially and adversely affected. In addition, the Chapter 11 proceedings could negatively affect our ability to attract new employees and retain existing high performing employees or executives, which could materially and adversely affect our operations.

The Chapter 11 proceedings limit the flexibility of our management team in running the Debtors' business.

While the Debtors' operate their businesses as debtors-in-possession under supervision by the Bankruptcy Court, the Bankruptcy Court approval is required with respect to the Debtors' business, and in some cases certain holders of claims in respect of claims under CEOC's first lien notes and first lien bank debt who have entered into the RSAs (as defined below), prior to engaging in activities or transactions outside the ordinary course of business. Bankruptcy Court approval of non-ordinary course activities entails preparation and filing of appropriate motions with the Bankruptcy Court, negotiation with various parties-in-interest, including any statutory committees appointed in the Chapter 11 proceedings, and one or more hearings. Such committees and parties-in-interest may be heard at any Bankruptcy Court hearing and may raise objections with respect to these motions. This process could delay major transactions and limit the Debtors ability to respond quickly to opportunities and events in the marketplace.

Furthermore, in the event the Bankruptcy Court does not approve a proposed activity or transaction, the Debtors could be prevented from engaging in non-ordinary course activities and transactions that they believe are beneficial to them.

Additionally, the terms of the final cash collateral order entered by the Bankruptcy Court will limit the Debtors' ability to undertake certain business initiatives. These limitations may include, among other things, the Debtors' ability to:

- sell assets outside the normal course of business;

consolidate, merge, sell or otherwise dispose of all or substantially all of the Debtors' assets;
grant liens;
incur debt for borrowed money outside the ordinary course of business;
prepay prepetition obligations; and
finance the Debtors' operations, investments or other capital needs or to engage in other business activities that would be in the Debtors' interests.

We cannot assure you that any reorganization of the Debtors will be on terms contemplated by the RSAs or otherwise on terms acceptable to Caesars Entertainment.

We and CEOC entered into the Fifth Amended and Restated Restructuring Support and Forbearance Agreement, dated as of October 7, 2015, with certain holders of claims in respect of CEOC's first lien notes (the "First Lien Bond RSA") and also entered into the Restructuring Support and Forbearance Agreement, dated as of August 21, 2015, with certain holders of claims in respect of CEOC's first lien bank debt (the "Bank RSA" and, together with the First Lien Bond RSA, the "RSAs"), pursuant to which, among other things, CEOC agreed to file a plan of reorganization in accordance with the terms of the RSAs (the "Plan"). The creditors party to the RSAs have agreed to vote in favor of the Plan when properly solicited to do so, there are certain material conditions CEOC must satisfy under the RSAs, including the timely satisfaction of milestones in the Chapter 11 proceedings such as obtaining orders from the Bankruptcy Court with respect to the use of cash collateral, approval of the disclosure statement and confirmation of the Plan. The Debtors' ability to timely complete such milestones is subject to risks and uncertainties that may be beyond our control. If the applicable creditors are not required to vote for the Plan, the Plan may not be confirmed, in which case there could be an alternative plan of reorganization that may or may not be acceptable to Caesars Entertainment.

The Debtors may not be able to obtain Bankruptcy Court confirmation of the Plan or may have to modify the terms of the Plan.

Even if approved by each class of holders of claims and interests entitled to vote (a "Voting Class"), the Bankruptcy Court may, as a court of equity, exercise substantial discretion and could choose not to confirm the Plan. Bankruptcy Code Section 1129 requires, among other things, a showing that confirmation of the Plan will not be followed by liquidation or the need for further financial reorganization for the Debtors, and that the value of distributions to dissenting holders of claims and interests will not be less than the value such holders would receive if the Debtors liquidated under Chapter 7 of the Bankruptcy Code. Although we believe that the Plan will satisfy such tests, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

Confirmation of the Plan will also be subject to certain conditions. These conditions may not be met, and there can be no assurance that we and a requisite amount of the applicable creditors under the RSAs will agree to modify or waive such conditions. Further, changed circumstances may necessitate changes to the Plan. Any such modifications could result in less favorable treatment of any non-accepting class, as well as any classes junior to such non-accepting class, than the treatment that will currently be provided in the Plan in accordance with the RSAs. Such less favorable treatment could include a distribution of property (including new securities) to the class affected by the modification of a lesser value than what the RSAs contemplate will be provided in the Plan or no distribution of property whatsoever under the Plan. In addition, any changes to the Plan, including any changes that would result in Caesars Entertainment no longer controlling the ownership or operations of CEOC, could have an adverse effect on Caesars Entertainment and its remaining operations. Changes to the Plan may also delay the confirmation of the Plan and the Debtors' emergence from bankruptcy.

If the Plan contemplated by the RSAs is confirmed, CEC will be required to invest and pay significant amounts of cash in connection with the restructuring of CEOC, which may have a negative impact on Caesars' business and operating condition.

If the Bankruptcy Court approves the Plan, in connection with the Debtors' emergence from Chapter 11, CEC will be required to (i) contribute over \$400 million to pay a forbearance fee, for general corporate purposes and to fund sources and uses, (ii) purchase up to approximately \$1.0 billion of new equity in the restructured Debtors and (iii) spend over \$300 million to purchase claims of the first lien bank lenders that survive the effective date of the Plan. As a result of these payments and investments, CEC may have less cash available in future periods for investments and

operating expenses and, as a result, the confirmation of the Plan and emergence of the Debtors may have a negative impact on Caesars' business and operating conditions.

61

If the Plan contemplated by the RSAs is confirmed, CEC will be required to guarantee the lease payments owed by the restructured operating company to the restructured property companies and the debt issued by the restructured operating company to the creditors and, if the restructured operating company is unable to or does not pay amounts due under the leases or debt, CEC will be obligated to pay the full amount.

If the Bankruptcy Court approves the Plan, in connection with the Debtors' emergence from Chapter 11, Caesars Entertainment will guarantee (i) the two leases between the restructured operating company ("OpCo") and the restructured property companies ("CPLV PropCo" and "Non-CPLV PropCo", collectively "PropCo") and (ii) OpCo's senior secured credit facilities and first lien notes and second lien notes received by the Debtors' creditors under the Plan (the "OpCo Debt"). Pursuant to the leases, CPLV PropCo and Non-CPLV PropCo will lease properties to OpCo: (1) for the Caesars Palace Las Vegas ("CPLV") property (the "CPLV Lease") and (2) for certain properties currently owned by CEOC other than CPLV (the "Non-CPLV PropCo Lease" and, together with the CPLV Lease, the "Leases"). Under the terms of a proposed management lease support agreement, Caesars Entertainment will guarantee the payment and performance of all monetary obligations of OpCo under the Leases. Under the terms of the guarantees of the OpCo Debt, Caesars Entertainment will provide a full guarantee of the OpCo Debt, secured by a first-priority pledge of substantially all of the material assets of Caesars Entertainment, subject to certain exceptions. If OpCo is unable to meet its monetary obligations under the Leases or the OpCo Debt, Caesars Entertainment may be subject to significant obligations, which could materially and adversely affect Caesars Entertainment's business and operating conditions. The merger with CAC is subject to various closing conditions, including governmental approvals, and other uncertainties and there can be no assurances as to whether and when it may be completed.

On December 21, 2014, Caesars Entertainment entered into the Merger Agreement with CAC, under which CAC will merge with and into Caesars Entertainment, with Caesars Entertainment continuing as the surviving corporation. The consummation of the merger is subject to a number of closing conditions, many of which are not within Caesars Entertainment's control, and failure to satisfy such conditions may prevent, delay or otherwise materially adversely affect the completion of the transaction. These conditions include, among other things, (a) obtaining any necessary licenses, consents or other approvals, including from gaming authorities, to effect the merger, (b) the Plan having been confirmed by the Bankruptcy Court, (c) minimum cash conditions for each of (i) CGP LLC and its subsidiaries and (ii) Caesars Entertainment and CERP, (d) receipt of certain tax opinions or rulings regarding certain tax aspects of the restructuring of CEOC and (e) a threshold amount of tax costs to Caesars Entertainment related to certain aspects of the restructuring of CEOC. It also is possible that a change, event, fact, effect or circumstance that could lead to a material adverse effect on Caesars Entertainment may occur, which may result in CAC not being obligated to complete the merger. We cannot predict with certainty whether and when any of the required closing conditions will be satisfied or if an uncertainty resulting in a material adverse effect on Caesars Entertainment may arise. If the merger does not receive, or timely receive, the required regulatory approvals and clearances, or if another event occurs delaying or preventing the merger, such delay or failure to complete the merger may cause uncertainty or other negative consequences that may materially and adversely affect Caesars Entertainment's business, financial performance and operating results and the price per share for Caesar Entertainment's common stock.

In the event that the pending merger with CAC is not completed, the trading price of our common stock and our future business and financial results may be negatively impacted.

As noted above, the conditions to the completion of the merger with CAC may not be satisfied, and even if the Plan is confirmed, under certain circumstances the exchange ratio between shares of CAC Class A common stock and CEC common stock may be adjusted or the merger agreement may be terminated. If the merger with CAC is not completed for any reason, we would still be liable for significant transaction costs and the focus of our management would have been diverted from seeking other potential opportunities without realizing any benefits of the completed merger. If we do not complete the merger, certain litigation against us will remain outstanding and not be released. If we do not complete the merger, the price of our common stock may decline significantly from the current market price, which may reflect a market assumption that the merger will be completed.

CEOC may have insufficient liquidity for its business operations during the Chapter 11 proceedings.

Although we believe that CEOC will have sufficient liquidity to operate its businesses during the pendency of the Chapter 11 proceedings, there can be no assurance that the revenue generated by CEOC's business operations and cash

made available to CEOC under the cash collateral order or otherwise in its restructuring process will be sufficient to fund its operations, especially as we expect CEOC to incur substantial professional and other fees related to its restructuring. CEOC has not made arrangements for financing in the form of a debtor-in-possession credit facility, or DIP facility. In the event that revenue flows and other available

cash are not sufficient to meet CEOC's liquidity requirements, CEOC may be required to seek additional financing. There can be no assurance that such additional financing would be available or, if available, offered on terms that are acceptable. If, for one or more reasons, CEOC is unable to obtain such additional financing, CEOC could be required to seek a sale of the company or certain of its material assets or its businesses and assets may be subject to liquidation under Chapter 7 of the Bankruptcy Code, and CEOC may cease to continue as a going concern.

Any plan of reorganization that the Debtors may implement will be based in large part upon assumptions and analyses developed by CEOC. If these assumptions and analyses prove to be incorrect, the Debtors' plan may be unsuccessful in its execution.

Any plan of reorganization that the Debtors may implement could affect both the Debtors' capital structure and the ownership, structure and operation of the Debtors' businesses and will reflect assumptions and analyses based on CEOC's experience and perception of historical trends, current conditions and expected future developments, as well as other factors that CEOC considers appropriate under the circumstances. Whether actual future results and developments will be consistent with CEOC's expectations and assumptions depends on a number of factors, including but not limited to (i) CEOC's ability to substantially change the Debtors' capital structure; (ii) CEOC's ability to restructure the Debtors as a separate operating company and property company, with a real estate investment trust directly or indirectly owning and controlling the property company, (iii) the ability of the Debtors to obtain adequate liquidity and financing sources; (iv) our ability to maintain customers' confidence in our viability as a continuing entity and to attract and retain sufficient business from them; (v) the Debtors' ability to retain key employees; and (vi) the overall strength and stability of general economic conditions in the United States and in global markets. The failure of any of these factors could materially adversely affect the successful reorganization of the Debtors' businesses.

In addition, any plan of reorganization will rely upon financial projections, including with respect to revenues; earnings before interest, taxes, depreciation and amortization ("EBITDA"), capital expenditures, debt service, and cash flow. Financial forecasts are necessarily speculative, and it is likely that one or more of the assumptions and estimates that are the basis of these financial forecasts will not be accurate. The forecasts for the Debtors will be even more speculative than normal, because they may involve fundamental changes in the nature of the Debtors' capital structure and corporate structure. Accordingly, CEOC expects that its actual financial condition and results of operations will differ, perhaps materially, from what CEOC has anticipated. Consequently, there can be no assurance that the results or developments contemplated by any plan of reorganization implemented by the Debtors will occur or, even if they do occur, that they will have the anticipated effects on the Debtors and their subsidiaries or businesses or operations. The failure of any such results or developments to materialize as anticipated could materially adversely affect the successful execution of any plan of reorganization.

As a result of the Chapter 11 proceedings, our historical financial information will not be indicative of our future financial performance.

Our capital structure and our corporate structure will likely be significantly altered under any plan of reorganization ultimately confirmed by the Bankruptcy Court. As of the Petition Date, CEOC was deconsolidated from our financial statements. Consequently, our results of operations following the deconsolidation will not be comparable to the financial condition and results of operations reflected in our historical financial statements.
