Elba, Alabama (April 10, 2007) On April 5, 2007, The National Security Group, Inc. (NSG) entered into a purchase agreement with a private investment group to sell ninety percent of its fifty percent equity interest in Mobile Attic, Inc. Total proceeds from the sale are two million seven hundred thousand dollars (\$2,700,000) with the total pre-tax gain to be realized by NSG from the transaction totaling approximately two million dollars (\$2,000,000). The agreement also released The National Security Group from the terms of a guarantee agreement whereby NSG guaranteed debt of Mobile Attic totaling \$9,400,000.

Additionally, under the terms of the agreement, NSG will receive an additional contingent payment of one million eight hundred thousand dollars (\$1,800,000) upon Mobile Attic achieving one of the following two goals:

If during any period of six consecutive months (Six Month Period) prior to the expiration of twenty-four (24) months after the Closing Date either the (1) Operating Profit of Mobile Attic, Inc. averages one hundred twenty-five thousand dollars (\$125,000) each month or (2) Gross Revenue of Mobile Attic, Inc. reaches a total of three million seven hundred fifty thousand dollars (\$3,750,000) (the Adjustment Trigger), NSG shall be paid an additional one million eight hundred thousand dollars (\$1,800,000).

The management of NSG will have no control or influence over the achievement of the objectives regarding the contingent payment. However, Mobile Attic has retained certain members of its management in the acquisition and those members of management have a similar incentive arrangement based on goals as outlined above. NSG will recognize the additional contingent payment when and if it is earned. The contingent payment is not expected to impact earnings in 2007.
