At the annual meeting, stockholders will be asked to consider and vote upon the following proposals:

1. To elect seven directors to serve until the annual meeting of stockholders held in 2016 and until their respective successors are elected and qualified;
2. To hold an advisory vote on the compensation of our named executive officers;

ABOUT THE MEETING AND VOTING

What is the purpose of the annual meeting?

At our annual meeting, stockholders will act upon the matters outlined in the meeting notice provided with this proxy statement. If you attend the annual meeting, you may vote your shares directly. Whether or not you attend, you may vote by proxy, by which you direct another person to vote your shares at the meeting on your behalf. Our Board of Directors is soliciting your proxy to encourage your participation in voting at the meeting and to obtain your support for the proposals presented. This proxy statement explains the proposals to be voted on at the annual meeting.

Who can attend the meeting?

All stockholders as of the close of business on March 5, 2015, the record date, or their duly appointed proxies, may attend the meeting. If you plan to attend the meeting, please note that you will need to bring your proxy card or voting instruction card and valid picture identification, such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the meeting and all mobile phones must be silenced during the meeting.

Please also note that if you hold your shares through a broker or other nominee, you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on March 5, 2015, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting. There were 50,589,674 shares of our common stock outstanding on the record date.

What are the voting rights of the holders of our common stock?

Each share of our common stock outstanding on the record date will be entitled to one vote on each matter considered at the meeting.

What is the difference between holding shares as a stockholder of record and a beneficial owner?

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered the stockholder of record with respect to those shares, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us by completing, signing, dating and returning a proxy card, or to vote in person at the annual meeting.

Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of your shares. We have sent these proxy materials to your broker or bank. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and you are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the annual meeting unless you request and obtain a proxy from your broker, bank or nominee. Your broker, bank or nominee will provide a voting instruction card for you to use in directing the broker, bank or nominee regarding how to vote your shares.

What is a quorum?

A quorum is the minimum number of our shares of common stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. For the annual meeting, the presence, in person or by proxy, of the holders of at least 25,294,838 shares, which is a simple majority of the 50,589,674 shares outstanding as of the record date, will be considered a quorum allowing votes to be taken and counted for the matters before the stockholders.

If you are a stockholder of record, you must deliver your vote by mail or attend the annual meeting in person and vote in order to be counted in the determination of a quorum.

Abstentions and broker “non-votes” will be counted as present or represented at the annual meeting for purposes of determining the presence or absence of a quorum. A broker “non-vote” occurs when a broker or other nominee who holds shares for a beneficial owner withholds its vote on a particular proposal with respect to which it does not have discretionary voting power or instructions from the beneficial owner.

What is the difference between a routine matter and a non-routine matter?

Brokers cannot vote on their customers’ behalf on “non-routine” proposals such as Proposal 1, the election of directors, Proposal 2, the advisory vote on executive compensation, and Proposal 4, the reincorporation of the company from Massachusetts to Delaware. Because brokers require their customers’ direction to vote on such non-routine matters, it is critical that stockholders provide their brokers with voting instructions. Proposal 3, ratification of the appointment of our independent registered public accounting firm, will be a “routine” matter for which your broker does not need your voting instruction in order to vote your shares.

How do I vote?

If you are a stockholder of record, you have the option of submitting your proxy card by mail or attending the meeting and delivering the proxy card. The designated proxy will vote according to your instructions. You may also attend the meeting and personally vote by ballot.

If you are a beneficial owner of shares, in order to vote at the meeting, you will need to obtain a signed proxy from the broker or nominee that holds your shares. If you have the broker's proxy, you may vote by ballot or you may complete and deliver another proxy card in person at the meeting.

When you vote, you are giving your "proxy" to the individuals we have designated to vote your shares at the meeting as you direct. If you do not make specific choices, they will vote your shares to:

- elect the seven directors nominated by our Board of Directors;
- approve the advisory vote on the compensation of our named executive officers;
- approve the ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for fiscal year 2015; and
- approve the reincorporation of the company from Massachusetts to Delaware.

If any matter not listed in the Notice of Meeting is properly presented at the meeting, the proxies will vote your shares in accordance with their best judgment. As of the date of this proxy statement, we knew of no matters that needed to be acted on at the meeting other than as discussed in this proxy statement.

How does the Board of Directors recommend that I vote?

FOR proposal one — elect the seven nominees to the Board of Directors.

FOR proposal two — approve the advisory vote on the compensation of our named executive officers.

FOR proposal three — approve the ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending November 30, 2015.

FOR proposal four — approve the reincorporation of the company from Massachusetts to Delaware.

Can I change or revoke my vote?

You may revoke your vote at any time before the proxy is exercised by filing with our secretary a written notice of revocation or by signing and duly delivering a proxy bearing a later date. At the meeting, you may revoke or change your vote by submitting a proxy to the inspector of elections or voting by ballot. Your attendance at the meeting will not by itself revoke your vote.

What vote is required to approve each proposal?

Proposal One: Election of Directors: The nominees who receive the most votes (also known as a "plurality" of the votes cast) will be elected. You may vote either **FOR** the nominee or **WITHHOLD** your vote from the nominee. Votes that are withheld will not be included in the vote tally for the election of the directors. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name for the election of the director. As a result, any shares not voted by a customer will be treated as a broker non-vote. These broker non-votes will have no effect on the results of this vote. In an uncontested election, if a nominee receives a greater number of votes "withheld" from his election than votes "for" such election, that nominee will submit his offer of resignation for consideration by our Nominating and Corporate Governance Committee in accordance with our majority vote policy discussed in more detail on page 14 of this proxy statement.

Proposal Two: Advisory Vote on Executive Compensation: The affirmative vote of a majority of the shares present or represented and voting on this proposal is required to approve the advisory vote on the compensation of our named executive officers. Abstentions will not be counted towards the vote total and will have no effect on the results of the vote. Brokerage firms do not have authority to vote customers' unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Those broker non-votes will have no effect on the results of this vote.

Proposal Three: Ratification of Appointment of Independent Registered Public Accounting Firm: The affirmative vote of a majority of the shares present or represented and voting on this proposal is required to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm with respect to the fiscal year ending November 30, 2015. Abstentions will not be counted towards the vote total and will have no effect on the results of the vote. Brokerage firms do have authority to vote customers' unvoted shares held by the

firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to appoint Deloitte & Touche LLP as our independent registered public accounting firm. However, if our stockholders do not ratify the selection of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending November 30, 2015, the Audit Committee of our Board will consider the results of this vote when selecting auditors in the future.

Proposal Four: Reincorporation of the company from Massachusetts to Delaware: The affirmative vote of two-thirds of our issued and outstanding shares as of the record date is required to approve the reincorporation of the company from Massachusetts to Delaware. Abstentions will have the same effect as “Against” votes. Brokerage firms do not have authority to vote customers’ unvoted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Those broker non-votes will have the same effect as “Against” votes.

Why are we proposing to reincorporate in Delaware?

We believe that reincorporating in Delaware will give us a greater measure of flexibility and certainty in corporate governance than is available under Massachusetts law. The State of Delaware is recognized for adopting comprehensive, modern and flexible corporate laws, which are revised periodically to respond to the changing legal and business needs of corporations. Delaware’s specialized business judiciary is composed of experts in corporate law matters, and a substantial body of court decisions has developed construing Delaware corporation law. As a result, Delaware law provides greater clarity and predictability with respect to our corporate legal affairs than is currently the case under Massachusetts law. For these and other reasons, many major U.S. corporations have incorporated in Delaware or have changed their corporate domiciles to Delaware in a manner similar to our proposal.

What is entailed by the reincorporation?

We are currently incorporated in Massachusetts and, as such, governed by Massachusetts law. As a result of the reincorporation, we will be reincorporated in Delaware and governed by Delaware law. The reincorporation will be effected by a plan of domestication that has been adopted by our Board of Directors. A copy of this plan of domestication is attached as Appendix A.

The reincorporation will not involve any change in the business, directors, officers, management, properties, or corporate headquarters of the company.

How will the reincorporation affect my rights as a stockholder?

Your rights as a stockholder currently are governed by Massachusetts law and the provisions of the company’s Restated Articles of Organization, as amended, and the Amended and Restated Bylaws. As a result of the reincorporation, you will remain a stockholder of the company with rights governed by Delaware law and the provisions of the company’s new Certificate of Incorporation and the Amended and Restated Bylaws, which differ in various respects from your current rights. These important differences are discussed in this Proxy Statement under “Proposal Four – Reincorporation of the Company from Massachusetts to Delaware; Comparison of Stockholder Rights Before and After the Reincorporation.” Forms of our new Certificate of Incorporation and Amended and Restated Bylaws after the reincorporation are attached to this Proxy Statement as Appendixes B and C, respectively.

How will the reincorporation affect my ownership percentage in the company?

Your proportionate ownership interest in the company will not be affected by the reincorporation.

Are dissenters' rights available in connection with the reincorporation?

No, Massachusetts law does not afford stockholders dissenters' rights in connection with a reincorporation.

What is "householding" of proxy materials?

In some cases, stockholders holding their shares in a brokerage or bank account who share the same surname and address and have not given contrary instructions received only one copy of the proxy materials. This practice is designed to reduce duplicate mailings and save printing and postage costs. If you would like to have a separate copy of our 10-K and/or proxy statement mailed to you or to receive separate copies of future mailings, please submit your request to the address or phone number that appears on your proxy card. We will deliver such additional copies promptly upon receipt of such request.

In other cases, stockholders receiving multiple copies at the same address may wish to receive only one. If you now receive more than one copy, and would like to receive only one copy, please submit your request to the address or phone number that appears on your proxy card.

Who will count the votes and where can I find the voting results?

Broadridge Financial Services, Inc. will tabulate the voting results. We will announce the voting results at the annual meeting and we will publish the results by filing a Current Report on Form 8-K with the Securities and Exchange Commission within four business days of the annual meeting.

In accordance with its charter, the Compensation Committee:

- oversees our overall executive compensation structure, policies and programs;
- administers our equity-based plans;
- reviews, and recommends to our Board of Directors for its approval, the compensation of our Chief Executive Officer;
- reviews and determines the compensation of all direct reports of the Chief Executive Officer;
- reviews and makes recommendations to our Board of Directors regarding the compensation of our directors; and
- is responsible for producing the annual report included in this proxy statement.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of our Board of Directors during 2014 consisted of Messrs. Gupta, Krall, and Mark, with Mr. Gupta serving as Chairman. The Nominating and Corporate Governance Committee met once during 2014. The Board of Directors has determined that each member of the Nominating and Corporate Governance Committee meets the independence requirements promulgated by NASDAQ.

The Nominating and Corporate Governance Committee operates under a written charter adopted by our Board of Directors, a copy of which can be found on our website at www.progress.com under the heading "Corporate Governance" located on the "Company Info/Who We Are" page.

In accordance with its charter, the Nominating and Corporate Governance Committee:

- is responsible for identifying qualified candidates for election to our Board of Directors and recommending nominees for election as directors at the annual meeting;
- assists in determining the composition of our Board of Directors and its committees;
- assists in developing and monitoring a process to assess the effectiveness of our Board of Directors;
- assists in developing and reviewing succession plans for our senior management, including the Chief Executive Officer; and
- assists in developing and implementing our Corporate Governance Guidelines.

Director Nomination Process

Our Board of Directors has delegated the search for, and recommendation of, director nominees to the Nominating and Corporate Governance Committee. When considering a potential candidate for membership on our Board of Directors, the Nominating and Corporate Governance Committee will consider any criteria it deems appropriate, including, among other things, the experience and qualifications of any particular candidate as well as such candidate's past or anticipated contributions to our Board of Directors and its committees. At a minimum, each nominee is expected to have the highest personal and professional integrity and demonstrated exceptional ability and judgment, and to be effective, with the other directors, in collectively serving the long-term interests of our stockholders. In addition, the Nominating and Corporate Governance Committee has established the following minimum requirements:

- at least five years of business experience;
- no identified conflicts of interest as a prospective director of our company;
- no convictions in a criminal proceeding (aside from traffic violations) during the five years prior to the date of selection; and
- willingness to comply with our Code of Conduct and Finance Code of Professional Ethics.

The Board of Directors retains the right to modify these minimum qualifications from time to time, and exceptional candidates who do not meet all of these criteria may still be considered.

In addition to any other standards the Nominating and Corporate Governance Committee may deem appropriate from time to time for the overall structure and composition of our Board of Directors, the Nominating and Corporate Governance Committee may consider the following factors when recommending that our Board of Directors select persons for nomination:

• Whether the nominee has direct experience in the software industry or in the markets in which we operate.

• Whether the nominee, if elected, assists in achieving a mix of members on our Board of Directors that represents a diversity of background, experience, skills, ages, race and gender.

The Nominating and Corporate Governance Committee may also consider other criteria that it deems appropriate from time to time for the overall composition and structure of our Board of Directors. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no criterion is necessarily applicable to all prospective nominees. Neither the Nominating and Corporate Governance Committee nor our Board of Directors has a specific policy with regard to the consideration of diversity in identifying director nominees, although, as described above, both may consider diversity when identifying and evaluating proposed director candidates.

In the case of incumbent directors, the Nominating and Corporate Governance Committee reviews each incumbent director's overall past service to us, including the number of meetings attended, level of participation, quality of performance, and whether the director continues to meet applicable independence standards. In the case of a new director candidate, the Nominating and Corporate Governance Committee determines whether the candidate meets the applicable independence standards, and the level of the candidate's financial expertise. The candidate will also be interviewed by the Nominating and Corporate Governance Committee.

Generally, the Nominating and Corporate Governance Committee identifies candidates for director nominees in consultation with the other directors and management, through the use of search firms or other advisors, through recommendations submitted by stockholders or through other methods that the Nominating and Corporate Governance Committee deems to be helpful to identify candidates. Once a candidate has been identified, the Nominating and Corporate Governance Committee confirms that the candidate meets all of the minimum qualifications for a director nominee established by the Committee. The Nominating and Corporate Governance Committee then meets to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of our Board of Directors. The same procedures apply to all candidates for director nomination, including candidates submitted by stockholders.

Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates for our Board of Directors' approval as director nominees for election to our Board of Directors. The Nominating and Corporate Governance Committee also recommends candidates to our Board of Directors for appointment to its committees.

The Nominating and Corporate Governance Committee will consider director nominee candidates who are recommended by stockholders of our company. Recommendations sent by stockholders must provide the following information:

• the name and address of record of the stockholder;

• a representation that the stockholder is a record holder of our common stock, or if the stockholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Exchange Act;

• the name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed director candidate;

• a description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications described above;

• a description of all arrangements or understandings between the stockholder and the proposed director candidate; and

any other information regarding the proposed director candidate that is required to be included in a proxy statement filed under SEC rules.

The submission must be accompanied by a written consent of the individual to be named in our proxy statement as standing for election if nominated by our Board of Directors and to serve if elected by the stockholders. Stockholder recommendations of candidates for election as directors at an annual meeting of stockholders must be given at least 120 days prior to the date on which our proxy statement was released to stockholders in connection with our previous year's annual meeting.

Stockholders may recommend director candidates for consideration by the Nominating and Corporate Governance Committee by sending a written communication to the Committee at our offices located at 14 Oak Park, Bedford, Massachusetts 01730, c/o Corporate Secretary.

CORPORATE GOVERNANCE

Independence of Members of our Board of Directors

We have determined that all of our current directors except Mr. Pead (our current President and Chief Executive Officer) are independent within the meaning of the director independence standards of NASDAQ and the applicable rules of the SEC. In making this determination, we evaluated whether any of our directors, or any member of his immediate family, had a direct or indirect material interest in any transactions involving our company, was involved in a debt relationship with our company or received personal benefits outside the scope of the director's normal compensation. We considered the responses of the directors, and independently considered the commercial agreements, acquisitions and other material transactions entered into by us during 2014, and determined that none of our non-employee directors had a material interest in those transactions.

Board Leadership Structure

Our Corporate Governance Guidelines do not require the separation of the roles of Chairman of the Board and Chief Executive Officer, as our Board believes that effective board leadership structure can be highly dependent on the experience, skills and personal interaction between persons in leadership roles. In recent years, we have had, alternately, an independent Chairman and a non-independent Executive Chairman with a Lead Independent Director. Our policy is to have a Lead Independent Director if the Chairman is not independent.

Our Board leadership structure is currently composed of a non-executive Chairman (Mr. Egan). We believe the current Board leadership structure serves us and our stockholders well by having a strong non-executive Chairman to provide independent leadership of the Board. This leadership structure, coupled with a strong emphasis on Board independence, provides effective independent oversight of management. Board members have complete access to and are encouraged to utilize members of our senior management regularly, and they have the authority to retain independent advisors as they deem necessary. The Board believes this leadership structure affords our company an effective combination of internal and external experience, continuity and independence.

Executive Sessions of Independent Directors

Our independent directors meet in executive session without the Chief Executive Officer at every regularly scheduled Board meeting to discuss, among other matters, the performance of the Chief Executive Officer. Executive sessions do not include the employee directors of our company, and the Chairman is responsible for chairing the executive sessions.

Board of Directors' Role in Risk Oversight

Our Board of Directors believes that its oversight responsibility with respect to the various risks confronting our company is one of its most important areas of responsibility and provides further checks and balances on our leadership structure. Our Board of Directors views its oversight of risk as an ongoing process that occurs throughout the year in the course of evaluating the strategic direction and actions of our company. A fundamental aspect of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also determining what level of risk is appropriate for the company. We believe that having an independent Chairman enhances our board's ability to oversee our risks.

In carrying out this critical function, our Board is involved in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management directly by our Board and through its committees. Each committee's specific area of responsibility is as follows:

The Audit Committee is primarily responsible for overseeing risk management as it relates to our financial condition, financial statements, financial reporting process, internal controls and accounting matters. The Audit Committee also assists our Board of Directors in fulfilling its oversight responsibilities with respect to conflict of interest issues that may arise.

The Compensation Committee is responsible for overseeing our overall compensation practices, policies and programs and assessing the risks arising from those policies and programs.

The Nominating and Corporate Governance Committee considers risks related to corporate governance, including evaluating and considering evolving corporate governance best practices and director and management succession planning.

Our Board of Directors receives reports from members of senior management on the functional areas for which they are responsible. These reports may include operational, financial, sales, competitive, legal and regulatory, strategic and other risks, as well as any related management and mitigation.

Relationships Among Directors, Executive Officers and Director Nominees

There are no family relationships between any director, executive officer or director nominee.

Policy Governing Stockholder Communications with our Board of Directors

Our Board of Directors welcomes communications from stockholders. Any stockholder may communicate either with our Board of Directors as a whole, or with any individual director, by sending a written communication addressed to the Board of Directors or to such director at our offices located at 14 Oak Park, Bedford, Massachusetts 01730, or by submitting an email communication to board@progress.com. All communications sent to our Board of Directors will be forwarded to the Board of Directors, as a whole, or to the individual director to whom such communication was addressed.

Policy Governing Director Attendance at Annual Meetings of Stockholders

We do not require members of our Board of Directors to attend the annual meeting of stockholders. Two of the members of our Board of Directors attended the 2014 annual meeting of stockholders.

Corporate Governance Guidelines

Our Board of Directors has adopted Corporate Governance Guidelines which can be found on our website at www.progress.com under the heading "Corporate Governance" located on the "Company Info/Who We Are" page.

Codes of Conduct

Our Board of Directors has adopted a Finance Code of Professional Ethics that applies to the Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and other employees of our finance organization and a Code of Conduct that applies to all of our officers, directors and employees. Copies of the Code of Conduct and the Finance Code of Professional Ethics can be found on our website at www.progress.com under the heading "Corporate Governance" located on the "Company Info/Who We Are" page.

Majority Vote Policy

It is our policy that any nominee for election to the Board in an uncontested election who receives a greater number of votes "withheld" from his or her election than votes "for" such election is to submit his or her offer of resignation for consideration by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is to consider all of the relevant facts and circumstances and recommend to the Board the action to be taken with respect to that offer of resignation. The Board will then act on the Nominating and Corporate Governance Committee's recommendation.

DIRECTOR COMPENSATION

We pay our directors a mix of cash and equity compensation. Employee directors receive no compensation for their service as directors.

In January 2013, upon the recommendation of the Compensation Committee, our Board of Directors reduced the annual cash retainer from \$75,000 to \$50,000 and reduced the annual cash retainer payable to the non-executive Chairman of the Board from \$37,500 to \$30,000. Our Board of Directors also adopted stock retention guidelines applicable to directors as described below. These changes were consistent with the market data provided by the Compensation Committee's external compensation consultant and reflected the fact that we reduced the size of our company by approximately 40% as a result of planned product line divestitures and cost reductions.

For 2014, our Board of Directors determined that there should be no changes to director compensation from the changes made in 2013. Accordingly, for 2014, our non-employee directors were paid an annual retainer of \$250,000. This annual retainer was paid \$50,000 in cash and \$200,000 in equity (with the equity paid in the form of restricted stock units (RSUs) or stock options or any combination of the two, at the election of the individual director). The non-executive Chairman of the Board was paid an additional cash retainer of \$30,000.

The number of options was determined by dividing the compensation amount by the grant date Black-Scholes value. The number of RSUs was determined by dividing the compensation amount by the grant date closing price of our common stock as reported by NASDAQ. Upon issuance, the options and RSUs vested in a single installment on December 1, 2014, subject to continued service on our Board of Directors.

With respect to service on the committees of our Board of Directors, the following fees were paid:

• Audit Committee - \$25,000 for the Chairman and \$20,000 for the other members;

• Compensation Committee - \$20,000 for the Chairman and \$15,000 for the other members; and

• Nominating and Corporate Governance Committee - \$12,500 for the Chairman and \$10,000 for the other members.

The fees paid for service on the committees of our Board of Directors were paid in cash.

The fiscal 2014 director compensation was paid to our non-employee directors in one installment on March 31, 2014. In January 2013, our Board of Directors adopted revised stock retention guidelines for non-employee directors. These guidelines provide for all non-employee directors to hold an amount of our common stock, restricted shares, stock options and/or deferred stock units having a value equal to at least three times the annual cash retainer. Directors have five years to attain this ownership threshold.

Each newly elected director receives an initial director appointment grant of \$300,000 of option equivalent shares at the first April or October grant date following his or her election to our Board of Directors. This initial grant may be received in the form of options, deferred stock units or a combination of the two. The split between options and deferred stock units is determined by each director individually by written election made prior to the newly elected director's appointment to our Board of Directors. The election will be expressed as a percentage of the initial director appointment grant (e.g., 50% in options and 50% in deferred stock units) and may consist of all options, all deferred stock units or any combination thereof. Options and deferred stock units vest over a 48-month period, beginning on the first day of the month following the month the director joins our Board of Directors, with full acceleration of vesting upon a change in control.

Director Compensation Table – Fiscal 2014

The following table sets forth a summary of the compensation earned by or paid to our non-employee directors in 2014.

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (1) (2) (\$)	Option Awards (3)(4) (\$)	Total (\$)

Charles F. Kane	90,000	200,015	—	290,015
David A. Krall	80,000	200,015	—	280,015
Michael L. Mark	80,000	200,015	—	280,015

(1) Represents RSUs issued to the named directors electing to receive RSUs in the following amounts:

Name	Total RSUs Granted in 2014
Mr. Bycoff	9,175
Mr. Egan	6,881
Mr. Gupta	9,175
Mr. Kane	9,175
Mr. Krall	9,175
Mr. Mark	9,175

The RSUs to the named directors in the table above vested on December 1, 2014.

Represents the grant date fair value of RSUs granted on March 31, 2014. The grant date fair value is equal to the (2) number of RSUs granted multiplied by \$21.80, the closing price on the date of grant. In the case of Mr. Egan, also includes the fair value of deferred stock units that vested during 2014.

Mr. Egan elected to receive 25% of the equity compensation portion of his annual retainer in the form of stock options. As a result, Mr. Egan was granted an option to purchase 8,403 shares of our common stock with an (3) exercise price of \$21.80 on March 31, 2014, which became fully exercisable on December 1, 2014. The aggregate grant date fair value of these options was approximately \$50,000.

Each non-employee director had the following unexercised stock options outstanding as of the record date:

Name	Unexercised Stock Options Outstanding at Record Date
Mr. Bycoff	34,878
Mr. Egan	66,743
Mr. Gupta	—
Mr. Kane	19,205
Mr. Krall	7,705
Mr. Mark	173,434

Represents the grant date fair value of options granted on March 31, 2014. The grant date fair value of our options is equal to the number of shares subject to the option by the fair value of our options on the date of grant determined by using the Black-Scholes option valuation model. The Black-Scholes value of our (4) options on March 31, 2014 was \$5.95. The methodology and assumptions used to calculate the Black-Scholes value of our options are described in Note 12 of the consolidated financial statements contained in our Annual Report on Form 10-K for the fiscal year ended November 30, 2014.

PROPOSAL 2: ADVISORY VOTE ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

We are asking our stockholders to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement. We urge you to read the “Compensation Discussion and Analysis” and “Executive Compensation” sections of this proxy statement which describe in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the related compensation tables and narrative, which provide detailed information on the 2014 compensation of our named executive officers.

Required Vote and Board Recommendation

We are asking our stockholders to indicate their support for the compensation of our named executive officers, as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we ask our stockholders to vote “FOR” the following resolution at our annual meeting:

“RESOLVED, that the company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the company’s proxy statement for the 2015 annual meeting of stockholders pursuant to the compensation disclosure rules of the SEC, including the “Compensation Discussion and Analysis,” the “Summary Compensation Table - Fiscal Years 2014, 2013, and 2012” and the other related tables and narrative disclosure.”

This say-on-pay vote is advisory only and not binding on the company, the Compensation Committee or our Board of Directors. Although the vote is advisory, we, our Board of Directors and our Compensation Committee value the opinions of our stockholders and expect to take the outcome of this vote into account when considering future compensation arrangements for our executive officers.

Our Board of Directors recommends that you vote FOR the approval of the compensation of our named executive officers.

PROPOSAL 3: RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposal Three is to ratify the selection by the Audit Committee of Deloitte & Touche LLP as our independent registered public accounting firm for the current fiscal year ending November 30, 2015. Deloitte & Touche LLP was the independent registered public accounting firm for our company for the fiscal year ended November 30, 2014. Although ratification by stockholders is not required by law or by our by-laws, the Audit Committee believes that submission of its selection to stockholders is a matter of good corporate governance. Even if the selection is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time if the Audit Committee believes that such a change would be in the best interests of our company and its stockholders. If our stockholders do not ratify the selection of Deloitte & Touche LLP, the Audit Committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of an independent registered public accounting firm.

We have been advised that a representative of Deloitte & Touche LLP will be present at the annual meeting. This representative will have the opportunity to make a statement if he or she desires and will be available to respond to appropriate questions presented at the meeting.

Independent Registered Public Accounting Firm Fees

Aggregate fees billed to us for services performed for the fiscal years ended November 30, 2014 and November 30, 2013 by our independent registered public accounting firm, Deloitte & Touche LLP, were as follows:

	2014	2013
Audit Fees ⁽¹⁾	\$ 1,945,917	\$2,449,885
Tax Fees ⁽²⁾	310,468	1,287,965
Audit-Related Fees ⁽³⁾	405,200	—
All Other Fees ⁽⁴⁾	2,600	2,200

Represents fees billed for each of the last two fiscal years for professional services rendered for the audit of our annual financial statements included in Form 10-K and reviews of financial statements included in our interim (1) filings on Form 10-Q, as well as statutory audit fees related to our wholly-owned foreign subsidiaries. In accordance with the policy on Audit Committee pre-approval, 100% of audit services provided by the independent registered public accounting firm are pre-approved.

(2) Includes fees primarily for tax services. In accordance with the policy on Audit Committee pre-approval, 100% of tax services provided by the independent registered public accounting firm are pre-approved.

(3) Represents fees billed for due diligence services in connection with the acquisition of Telerik AD.

(4) Represents fees billed for the subscription to an online accounting research tool.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee is responsible for appointing, setting compensation, and overseeing the work of our independent registered public accounting firm. The Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm.

Requests for specific services by the independent registered public accounting firm which comply with the auditor services policy are reviewed by our Finance, Tax, and Internal Audit departments. Requests approved by the group are aggregated and submitted to the Audit Committee in one of the following ways:

Request for approval of services at a meeting of the Audit Committee; or

Request for approval of services by the Chairman of the Audit Committee and then the approval by the full committee at the next meeting of the Audit Committee.

The request may be made with respect to either specific services or a type of service for predictable or recurring services.

Our Board of Directors recommends that you vote FOR the ratification of the selection of independent registered public accounting firm for fiscal year 2015.

PROPOSAL 4: REINCORPORATION OF THE COMPANY FROM MASSACHUSETTS TO DELAWARE

General

Our Board of Directors has approved and recommends to stockholders a proposal to change our company's state of incorporation from The Commonwealth of Massachusetts to the State of Delaware. We refer to this as the "Reincorporation" in this proxy statement. If our stockholders approve the Reincorporation, we will accomplish the Reincorporation by domesticating in Delaware as provided in the Delaware General Corporation Law (DGCL) and the Massachusetts Business Corporation Act (MBCA).

The affirmative vote of the holders of two-thirds (2/3) of the issued and outstanding shares of our common stock as of the record date is required for the approval of our reincorporation from Massachusetts to Delaware. Abstentions and broker non-votes will be counted as a vote AGAINST our reincorporation from Massachusetts to Delaware.

Principal Features of the Reincorporation

The Reincorporation will be effected pursuant to the Plan of Domestication, which is attached as Appendix A. Approval of this Proposal Four will constitute approval of the Plan of Domestication. The Plan of Domestication provides that we will reincorporate in Delaware and that there will be no change in the business, properties, assets, obligations or management of the company as a result of the Reincorporation. The directors and officers of our company immediately prior to the Reincorporation will serve as the directors and officers of our company following the Reincorporation. We will continue to maintain our headquarters in Massachusetts.

The Plan of Domestication also provides that each outstanding share of our common stock will remain unaffected by the Reincorporation. You will not have to exchange your existing stock certificates for new stock certificates. At the same time, each outstanding option or right to acquire shares of our common stock will continue to be an option or right to acquire an equal number of shares of our common stock under the same terms and conditions.

At the effective time of the Reincorporation, our common stock will continue to be traded on the NASDAQ Stock Market under the symbol "PRGS." There will be no interruption in the trading of our common stock as a result of the Reincorporation.

Following the Reincorporation, our company will be governed by the DGCL instead of the MBCA. Furthermore, when the Reincorporation becomes effective, we will be governed by the Certificate of Incorporation attached hereto as Appendix B and the Amended and Restated Bylaws attached hereto as Appendix C. In this section, we refer to these documents as the "Delaware Charter" and the "Delaware Bylaws", respectively. Approval of Proposal Four will constitute approval of the Delaware Charter and the Delaware Bylaws. Our Company's current Amended and Restated Articles of Organization and Amended and Restated By-Laws will not be applicable to our Company upon completion of the Reincorporation. In this section, we refer to these documents as the "Massachusetts Charter" and the "Massachusetts Bylaws", respectively.

Reasons for the Reincorporation

For many years, Delaware has followed a policy of encouraging incorporation in that state and, in furtherance of that policy, has been a leader in adopting, construing, and implementing comprehensive, flexible corporate laws responsive to the legal and business needs of corporations organized under its laws. Many corporations have initially chosen Delaware, or chosen to reincorporate in Delaware, in a manner similar to our proposed Reincorporation.

Our Board of Directors believes that the principal reasons for considering such a reincorporation are:

- the development in Delaware over the last century of a well-established body of case law construing the DGCL, which provides businesses with a greater measure of predictability than exists in any other jurisdiction;

the certainty afforded by the well-established principles of corporate governance under Delaware law are of benefit to us and our stockholders and should assist us in continuing to attract and retain outstanding directors and officers; Delaware law itself, which is generally acknowledged to be the most advanced and flexible corporate statute in the country;

the Delaware Court of Chancery, which brings to its handling of complex corporate issues a level of experience, a speed of decision and a degree of sophistication and understanding unmatched by any other court in the country; and the Delaware General Assembly, which each year considers and adopts statutory amendments that are designed to meet changing business needs.

Potential Anti-Takeover Implications of Reincorporation

Delaware, like many other states, permits a corporation to adopt a number of measures designed to reduce a corporation's vulnerability to unsolicited takeover attempts through amendment of the corporate certificate of incorporation or by-laws or otherwise. Like Massachusetts, Delaware has a statute limiting business combinations with interested stockholders. However, as discussed above, the Reincorporation is being proposed to allow us to avail ourselves of the favorable corporate environment in Delaware, and not to prevent a change in control of our company. Furthermore, the Delaware Charter and the Delaware Bylaws will not contain certain provisions that are currently in our organizational documents and which may be viewed as offering anti-takeover protections. For example, as described below in the section entitled, "Comparison of Stockholder Rights Before and After Reincorporation", the Delaware Charter permits stockholders to remove directors with or without cause by two-thirds vote of the holders of outstanding shares entitled to vote on the matter. Conversely, the Massachusetts Bylaws permit stockholders to remove directors only with cause (as defined in the Massachusetts Bylaws) and only with the vote of the holders of 80% of the outstanding shares entitled to vote on the matter.

Comparison of Stockholder Rights Before and After the Reincorporation

Because of differences between the MBCA and the DGCL, as well as differences between the Massachusetts Charter and Massachusetts Bylaws and the Delaware Charter and Delaware Bylaws, the Reincorporation will effect some changes in the rights of our stockholders. Summarized below is a comparison of significant rights of our stockholders before and after the Reincorporation under the MBCA and the DGCL, the Massachusetts Charter and the Delaware Charter, and the Massachusetts Bylaws and the Delaware Bylaws.

The summary below is not intended to be relied upon as an exhaustive list of all differences or a complete description of the differences between the DGCL and the Delaware Charter and Delaware Bylaws, on the one hand, and the MBCA and the Massachusetts Charter and Massachusetts Bylaws, on the other hand. The summary below is qualified in its entirety by reference to the actual text of the MBCA, the Massachusetts Charter, the Massachusetts Bylaws, the DGCL, the Delaware Charter and the Delaware Bylaws.

The MBCA does not have any provisions governing transactions with large or significant stockholders. However, under Chapter 110D of the Massachusetts General Laws, Massachusetts regulates “control share acquisitions”, which are defined as the acquisition by any person of beneficial ownership of shares of an issuing public corporation, which, but for the provisions of Chapter 110D, would have voting rights and which, when added to all other shares of the corporation owned by such person, would entitle the person to vote shares of the corporation having voting power in the election of directors within any of the following ranges of voting power (i) one-fifth or more but less than one-third of all voting power, (ii) one-third or more but less than a majority of all voting power, or (iii) a majority or more of all voting power.

The Massachusetts Bylaws provide that we have elected not be subject to the control share acquisition statute.

The Massachusetts Charter provides that a business combination with an “interested stockholder” requires the approval of the holders of at least 80% of the voting power of all of our shares entitled to vote generally in the election of directors, voting together as a single class. However, a business combination with an interested stockholder does not require the higher stockholder vote if the transaction has been approved by a majority of the disinterested directors of our Board of Directors and certain pricing and procedural criteria are satisfied. An interested stockholder is defined to include any person that is:

- (i) the beneficial owner of 15% or more of the outstanding voting stock of the corporation,
- (ii) an affiliate of the corporation and was the beneficial owner of 15% or more of the outstanding voting stock of the corporation, at any time within two years immediately prior to the relevant date, or
- (iii) the assignee of or successor to our capital stock beneficially owned by an interested stockholder at any time within two years immediately prior to the relevant date as a result of transactions not involving a public offering.

Following the Reincorporation, we will be governed by Section 203 of the DGCL. Section 203 of the DGCL provides that, subject to certain exceptions specified therein, a corporation may not engage in any business combination with any “interested stockholder” for a three-year period following the date that such stockholder becomes an interested stockholder unless:

- (i) prior to such date, the Board of Directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder,
- (ii) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced (excluding shares held by directors who are also officers and employee stock purchase plans in which employee participants do not have the right to determine confidentially whether plan shares will be tendered in a tender or exchange offer), or
- (iii) on or subsequent to such date, the business combination is approved by the Board of Directors of the corporation and by the affirmative vote at an annual or special meeting, and not by written consent, of at least 66 2/3% of the outstanding voting stock which is not owned by the interested stockholder.

Except as specified in Section 203 of the DGCL, an interested stockholder is defined to include (a) any person that is the owner of 15% or more of the outstanding voting stock of the corporation or is an affiliate or associate of the corporation and was the owner of 15% or more of the outstanding voting stock of the corporation, at any time within three years immediately prior to the relevant date, and (b) the affiliates and associates of any such person.

Franchise Taxes: Massachusetts imposes no franchise tax or similar fee on Massachusetts corporations.

After, the Reincorporation, we will be required to pay annual franchise taxes to Delaware determined by a formula based on the number of our authorized shares, or the value of our assets, whichever would result in a lesser tax. We expect to pay approximately \$180,000 per year in franchise taxes, which is the maximum franchise tax amount currently imposed on corporations by the State of Delaware. We will pay a prorated share of the annual Delaware franchise tax for 2015 if the Reincorporation is approved and effected, based upon the effective date of the Reincorporation. If the State of Delaware increases the maximum franchise tax amount in the future, our annual franchise taxes may increase above the current \$180,000 per year maximum.

The Delaware Charter provides that the Court of Chancery of the State of Delaware will be the sole and exclusive forum for:

- (i) any derivative action or proceeding brought on behalf of our company;
- (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee to our company or our stockholders;
- (iii) any action asserting a claim against our company or any director or officer or other employee arising pursuant to any provision of the DGCL, the Delaware Charter or the Delaware Bylaws; or
- (iv) any action asserting a claim against our company or any director or officer or other employee governed by the internal affairs doctrine.

Exclusive Forum: The Massachusetts Charter does not contain a provision relating to the forum to bring matters against or on behalf of our company.

Regulatory Approvals

We expect the Reincorporation to become effective upon the filing of the Delaware Charter and the Certificate of Conversion from a Non-Delaware Corporation to a Delaware Corporation with the Secretary of State of the State of Delaware and the filing of Articles of Charter Surrender with the Secretary of State of the Commonwealth of Massachusetts.

Securities Act Consequences

After the Reincorporation, we will continue to be a publicly-held company, the shares of our common stock will continue to be traded on the NASDAQ Stock Market under the symbol "PRGS", and we will continue to file periodic reports and other documents with the Securities and Exchange Commission and provide to our stockholders the same types of information that we have previously filed and provided. We and our stockholders will be in the same respective positions under the federal securities laws after the Reincorporation as we and our stockholders were prior to the Reincorporation.

Effective Time

If approved by the requisite vote of the holders of shares of our common stock, it is anticipated that the Reincorporation will become effective at the time set forth in each of the Certificate of Conversion from a Non-Delaware Corporation to a Delaware Corporation to be filed with the Secretary of State of Delaware in accordance with the DGCL and the Articles of Charter Surrender to be filed with the Secretary of State of Massachusetts in accordance with the MBCA.

Effect of Not Obtaining the Required Vote for Approval

If the Reincorporation proposal fails to obtain the requisite vote for approval, the Reincorporation will not be consummated and we will continue to be incorporated in Massachusetts.

Abandonment, Deferral and Amendment

Notwithstanding a favorable vote of the stockholders, our Board of Directors may decide to abandon or defer the Reincorporation prior to its effectiveness. The Plan of Domestication, however, may not be amended after stockholder approval if the amendment would have a material adverse effect on the rights of our stockholders or violate applicable law.

Our Board of Directors recommends that you vote FOR the approval of the reincorporation of our company from Massachusetts to Delaware.

COMPENSATION DISCUSSION AND ANALYSIS

This “Compensation Discussion and Analysis” section describes the elements of our compensation programs for our executive officers. This section also provides an overview of our executive compensation philosophy and analyzes how and why the Compensation Committee of our Board of Directors arrives at specific compensation decisions and policies.

We describe below our compensation philosophy, policies and practices relating to the fiscal year ended November 30, 2014 with respect to the following individuals:

• Philip M. Pead, our Chief Executive Officer;

• Chris E. Perkins, our Chief Financial Officer;

• John P. Goodson, our Senior Vice President, Chief Product and Technology Officer;

• Andrew E. Zupsic, who served as our Senior Vice President, Global Field Operations until September 1, 2014;

• Karen Tegan Padir, our President, Application Development and Deployment Business Unit; and

• Antonio J. Aquilina, our Senior Vice President, Strategy and Corporate Development.

We refer to these individuals collectively as our named executive officers.

On September 1, 2014, we restructured our internal operations into three distinct business units: OpenEdge, Data Connectivity and Integration, and Application Development and Deployment, each with dedicated sales, product management and product marketing functions. In connection with the new organizational structure, Ms. Padir, who was previously Chief Technology Officer, became President of our Application Development and Deployment Business Unit. In addition, Mr. Goodson assumed the role of Chief Technology Officer, as a result of which, in addition to being responsible for product development, Mr. Goodson became responsible for defining and delivering our technology strategy, innovation and vision. Lastly, in connection with the new organizational structure, Mr. Zupsic left our company on September 1, 2014.

Executive Summary

We are a global software company that simplifies the development, deployment and management of business applications on premise or in the cloud, on any platform or device, to any data source, with enhanced performance, minimal IT complexity and low total cost of ownership. Our comprehensive portfolio of products provides leading solutions for rapid application development, broad data integration and efficient data analysis. Our vision is to become the preferred destination for developers.

Execution of Transformational Strategic Plan

Beginning in 2012, we embarked on a major shift in our strategy by refocusing our efforts on our core strengths in application development with the ultimate goal of becoming a leading provider of next-generation application development and deployment capabilities in the cloud for the platform-as-a-service (or PaaS) market. This evolution in our strategy required us to take many transformative steps, several of which occurred in 2014:

Introducing the Progress Pacific PaaS, that seamlessly brings together intelligent workflows, business logic, deployment options and data sources and is composed of existing and new product assets. In May 2014, we released a new version of our Pacific PaaS that dramatically simplifies and accelerates the way web and mobile applications are built and deployed and makes cloud-based data integration easier and more self-service than ever. This new release incorporated EasyL, a data analysis tool that simplifies the process of accessing, blending, and reporting on organizational data, and Rollbase Mobile, our rapid application development solution with unique features for creating and deploying enterprise-class mobile and web applications significantly faster than traditional development methods.

Making key acquisitions designed to add to our foundation for future growth. In May 2014, we acquired Modulus, a PaaS provider offering a platform for easily hosting, deploying, scaling and monitoring data-intensive, real-time applications using powerful, rapidly growing Node.js and MongoDB technologies. In December 2014, we acquired Telerik, a leading provider of application

development tools. Telerik enables its 1.4 million strong developer community to create compelling user experiences across cloud, web, mobile and desktop applications. Through the Telerik acquisition, we now provide comprehensive cloud and on-premise platform offerings that enable developers to rapidly create beautiful applications, driven by data for any web, desktop or mobile platform. The acquisitions of Modulus and Telerik expose us to a significant number of new developers, moving us closer to achieving our vision of becoming the preferred destination for both productivity and control developers.

Renewing our commitment to our core product, OpenEdge. In 2014, we continued to provide our large base of OpenEdge partners and customers with the products they need to thrive. In late 2014, we released the Pacific Application Server for OpenEdge product which provides an enterprise-class web/application server that simplifies the task of creating, deploying and operating business applications. This is the latest release for our core product, to which we have added more new features during the past two years than in the previous five years. In October 2014, we acquired BravePoint, a leading provider of OpenEdge consulting, training and application development services designed to increase customers' profitability and competitiveness through the use of technology. The acquisition of BravePoint significantly extends our services capabilities and enhances our ability to quickly enable our partners and customers to modernize their applications, enabling them to remain competitive in their markets.

Restructuring our organization and the way we go to market, how we implement product roadmaps and how we operate and report our financial results. In September 2014, we began operating as three distinct business units: OpenEdge, Data Connectivity and Integration, and Application Development and Deployment, each with dedicated sales, product management and product marketing functions. These changes enable us to better deliver against the fast paced requirements in the on-premise and cloud application development and data connectivity and integration markets.

These 2014 actions were part of the multi-year journey we began in 2012 as reflected in the chart below. Although we have completed the major elements of the new strategic plan, our transformation is on-going and the continued execution of our vision to become the leading destination for developers, which is our foundation for future growth, remains our top priority. As described below, our executive compensation programs have been designed with this transformation in mind by tying the outcomes of our executive incentive compensation awards to the achievement of aggressive strategic and financial performance objectives designed to build sustainable long-term stockholder value.

2014 Financial Results and Commitment to Pay-for-Performance Philosophy

Despite our strategic accomplishments in 2014, our financial results fell short of our expectations. We were adversely impacted by a weak first quarter in which several transactions were not completed within expected timeframes.

Because of our focus on entering the PaaS market and other aspects of our strategic transformation, we did not have a sufficient pipeline within our core products to make up for these delayed opportunities. In addition, the development of our cloud operations as well as the implementation of changes in the way we price and deliver our products proved more challenging than we anticipated.

After the first fiscal quarter, we made changes in our go-to-market efforts and the focus of our sales organization designed to improve our responsiveness to the market and build additional pipeline. These efforts, together with the execution of the other aspects of our strategic plan described above, contributed to our improved financial results during the remainder of 2014. However, we did not meet our overall 2014 financial objectives. We continue to believe the execution of our long-term strategic transformation will benefit our shareholders and enable us to build a foundation for sustainable long-term growth.

As described below, the core of our executive compensation philosophy is pay for performance. Accordingly, a significant portion of our named executive officers' compensation is composed of performance-based pay and our named executive officers' target and actual compensation reflect this linkage.

Significant Percentage of Target Pay is Performance-Based. Over 60% of our named executive officers' target compensation was performance-based for 2014.

Rigorous Performance Goals. Our 2014 annual cash and share incentive programs required achievement of financial objectives that were designed to ensure that no payout would occur unless we achieved growth in the financial objectives over the prior fiscal year and at a level in excess of 90% of our annual operating plan and budget.

No Payout for Performance Below Target. Based on our achievement of \$327 million of revenue against a target of \$349 million, and \$122 million of adjusted non-GAAP operating income against the target of \$128 million, our named executive officers did not receive any portion of their annual cash bonus and none of the performance-based equity they were awarded relating to 2014 performance was earned.

Our performance in 2014 relative to the metrics and targets under our compensation plans is shown in the first table below and our named executive officers' total target and earned/still earnable compensation for 2014 is shown in the second table below.

	2014 Target	2014 Actual	% Achieved
Total Revenue	\$349.0 million	\$327.0 million	94%
Non-GAAP Operating Income	\$128.0 million	\$122.0 million	95%

A reconciliation between the Non-GAAP measures and GAAP results is located in Appendix D at the end of this proxy statement.

Name	2014 Total Target Compensation (1)	2014 Total Earned/Still Earnable Compensation (2)	% Earned/Still Earnable
Philip M. Pead	\$6,100,000	\$3,700,000	61%
Chris E. Perkins	\$2,125,000	\$1,475,000	69%
Andrew E. Zupsic	\$2,050,000	\$1,572,274	77%
John P. Goodson	\$2,030,000	\$1,409,235	70%
Karen Tegan Padir	\$1,395,000	\$1,110,000	80%
Antonio J. Aquilina	\$1,348,500	\$1,066,000	79%

Total Target Compensation is defined as the sum of (a) base salary, (b) target bonus, (c) the value of restricted stock units awarded equal to the number of RSUs granted multiplied by the closing price of our stock on the grant date, (d) the value of the performance share units awarded relating to 2014 performance equal to the number of (1) PSUs granted multiplied by the closing price of our stock on the grant date, and (e) the value of the PSUs awarded under the Long Term Incentive Plan equal to the number of PSUs granted multiplied by the closing price of our stock on the grant date.

Total Earned/Still Earnable Compensation is defined as the sum of (a) base salary, (b) the value of restricted stock units awarded equal to the number of RSUs granted multiplied by the closing price of our stock on the grant date, and (c) the value of the PSUs awarded under the Long Term Incentive Plan equal to the number of PSUs granted multiplied by the closing price of our stock on the grant date. No bonuses were paid in 2014 and none of the PSUs (2) relating to 2014 performance were earned. We included the value of the PSUs under the Long Term Incentive Plan in the Total Earned/Still Earnable Compensation even though the Long Term Incentive Plan is based on a three-year performance period and, as a result, none of the PSUs can be earned until the performance period closes at the end of our 2016 fiscal year.

Response to 2014 Say-on-Pay Vote

In 2014, the percentage of votes cast “for” our advisory “say-on-pay” resolution to approve our 2013 executive compensation declined to 58% from approximately 99% with respect to our 2012 executive compensation say-on-pay vote. We contacted stockholders to discuss and obtain feedback on the various components of our executive compensation program. We conducted these calls both before and after our 2014 Annual Stockholders Meeting with stockholders who collectively owned over 60% of our stock. Based on our discussions with stockholders, we believe this decrease in support was primarily the result of three concerns:

- the use of one-year performance periods for our performance-based equity that were identical to the goals used in our annual cash bonus program;

- the size and terms of the new hire awards issued to executives who joined our company in 2012 and 2013; and

- the fact that certain former executives who abruptly departed in 2012 and 2013 realized partial gains from time-based new hire awards before departing.

During our stockholder engagement process, we also received positive feedback with respect to the long-term incentive compensation plan we adopted in January 2014. This plan provides for awards of performance-based equity subject to the achievement of total stockholder return objectives over a three-year performance period.

As a result of this engagement process and the Compensation Committee’s desire to further align our compensation programs with our short- and long-term business goals, the Compensation Committee approved or extended a number of significant changes to our 2015 compensation structure, including:

- Maintaining the same approach for long-term performance-based equity awards granted in January 2015. These awards are eligible to vest based on our total stockholder return over a three-year performance period.

- Decreasing the proportion of performance-based equity subject to annual performance criteria for all named executive officers, with Mr. Pead’s annual award being reduced by two-thirds.

- Increasing the proportion of total target compensation that is performance-based.

- Adopting different performance metrics for the annual performance-based equity awards from those used under our annual cash bonus plan.

Designing our 2015 annual bonus plan so that no payout would occur unless we achieve financial objectives that are over 95% of our aggressive 2015 operating plan and budget and capping the maximum payout that can occur under the bonus plan at 150% of target.

- Adopting a “clawback” policy.

- Committing that any new hire equity awards issued to executives will be at least 60% performance-based and within market guidelines.

Commitment to Responsible Executive Compensation Philosophy and Practices

We believe that our executive compensation program is appropriately designed in that it both encourages our named executive officers to work for our long-term prosperity and reflects a pay-for-performance philosophy, without encouraging our employees to assume excessive risks. Below we summarize certain executive compensation practices, both the responsible practices we have implemented and the practices we have not implemented because we do not believe they would serve our stockholders' long-term interests.

What We Do:

• Pay for performance (page 42)

• Grant performance-based equity awards with performance measures that span up to three years (page 45)

• Use a balanced mix of fixed and variable cash incentives and long-term equity (page 45)

• Maintain stock ownership guidelines (page 46)

• Maintain a compensation recovery (or "clawback") policy (page 47)

• Limit payments and benefits following a change in control of our company to situations involving an involuntary termination of employment (a so-called "double trigger" arrangement) (page 47)

• Design our annual incentive plans so that payout of awards does not occur if we fail to achieve growth in the applicable financial metrics over the prior year and if we do not achieve at least 90% of our annual operating plan and budget (page 43)

• Cap the amounts our executives can earn under our annual incentive plans (page 49)

• Aim to mitigate the potential dilutive effect of equity awards and to return capital to stockholders through a share repurchase program

What We Don't Do:

• We don't provide perquisites or other personal benefits that are not available to all of our employees (page 47)

• We don't allow unvested and unexercised equity awards to be transferred

• We don't guarantee salary increases or non-performance-based bonuses (page 42)

• We don't provide excise tax gross-ups upon a change in control of our company (page 48)

• We don't allow hedging transactions or pledging of company stock by directors and executive officers (page 49)

Executive Compensation Philosophy

Our philosophy is to reward executive officers based upon corporate performance, as well as to provide long-term incentives for the achievement of future financial and strategic goals. We use a combination of cash compensation, composed of base salary and an annual cash bonus program, short-term and long-term equity incentive compensation programs and a broad-based benefits program to create a competitive compensation package for our executive management team that we believe advances both the short- and long-term interests of our stockholders.

In recent years, including 2014, the Compensation Committee has structured our executive compensation programs to reflect an appropriate risk/reward balance in light of the transformational change in our strategy we have undertaken. As such, our philosophy is to provide substantial rewards/incentives to our executive team for achieving challenging results that are aligned with stockholder goals. For example, in structuring our performance-based compensation programs, such as our annual corporate bonus plan, our philosophy is to set financial targets that are difficult to attain and require achievement of financial objectives closely linked to our annual operating plan and budget. If those targets are not met within 90% (or for 2015, 95%) of our budget, no bonus is paid. However, if we meet or exceed our aggressive goals, bonuses in excess of target can be earned subject to maximum payouts. In either case, the interests of our stockholders are met.

As shown in the following chart, for 2014, a large percentage of our named executive officers' target total direct compensation was performance-based, with approximately 78% of Mr. Pead's target total direct compensation delivered in the form of equity-based awards and 67% of our other named executive officers' target total direct compensation delivered in the form of equity-based awards.

Executive Officer Compensation Components for 2014

The following table summarizes the principal components of our executive compensation program in 2014 and explains how each element accomplishes the goals and objectives of our program. When results do not meet our expectations, as was the case in 2014, our named executive officers' receive compensation that is below our target levels and may be below market in comparison to our peer group. When superior results are achieved, our named executive officers may receive compensation that is above our target levels and above market.

Compensation Review Process

Role of Compensation Committee

Each year, the Compensation Committee begins the process of reviewing executive officer compensation for the next fiscal year. The Compensation Committee is provided with reports from its independent compensation consultant comparing our executive compensation and equity granting practices relative to the market and to our peer group. The Compensation Committee reviews recommendations from management on the current fiscal year annual and long-term incentive compensation programs. The Compensation Committee then reviews and approves changes to executive officers' total target cash compensation, which includes base salary and target incentive compensation, and long-term equity incentive compensation. The Compensation Committee reviews all recommendations in light of our compensation philosophy and generally seeks input from its independent compensation consultant prior to making any final decisions.

Role of Chief Executive Officer

As our Chief Executive Officer, Mr. Pead makes recommendations to the Compensation Committee with respect to compensation for his direct reports (including our other named executive officers), including the terms of these executives' annual incentive compensation and long-term equity compensation. Mr. Pead considers factors such as tenure, individual performance, responsibilities and experience levels of the executives, as well as the compensation of the executives relative to one another, when making recommendations regarding appropriate total compensation of our executives.

Mr. Pead typically discusses his initial recommendations with the Chairman of the Compensation Committee or has management present them at Compensation Committee meetings. The Compensation and Benefits group within our Human Resources Department and individuals within our Finance and Legal Departments support the Compensation Committee in the performance of its responsibilities. During 2014, our Chief Financial Officer, General Counsel and Senior Vice President of Human Resources and other representatives of the Human Resources and Finance departments regularly attended the Compensation Committee meetings to provide perspectives on the competitive landscape, the needs of the business, information about our financial performance and relevant legal and regulatory developments. The Compensation Committee meets in executive session without management to deliberate on executive compensation matters. The Compensation Committee considers, but does not always accept, Mr. Pead's recommendations regarding executive compensation.

Role of Compensation Consultant

For 2014, our Compensation Committee retained Pearl Meyer to advise it on all matters related to executive compensation. Other than providing limited guidance regarding our broad-based equity plan design for all employees, Pearl Meyer did not directly provide any services for management. Pearl Meyer consulted with our management when requested by the Compensation Committee and only as necessary to obtain relevant compensation and performance data for the executives as well as essential business information so that it could effectively support the Compensation Committee with appropriate competitive market information and relevant analyses.

During 2014, Pearl Meyer provided a range of services to the Compensation Committee to support the Compensation Committee's agenda and obligations, including providing regulatory updates, peer group compensation data so that the Compensation Committee could set compensation for executives in accordance with our policies, advice on the structure and competitiveness of our compensation programs and advice on the consistency of our programs with our executive compensation philosophy.

Representatives of Pearl Meyer attended Compensation Committee meetings and provided advice to the Compensation Committee upon its request. The Compensation Committee assessed the independence of Pearl Meyer and determined that Pearl Meyer is independent of our company and has no relationships that could create a conflict of interest with us. As part of its assessment, the Compensation Committee considered the fact that Pearl Meyer provides no other services to us and consults with our management only as necessary to provide the services described above.

Peer Group

To assist the Compensation Committee in making decisions on total compensation for executives and company-wide equity grants, the Compensation Committee utilizes peer and industry group data and analyses. Each year, the Compensation Committee reviews with its external compensation consultant the list of peer companies as points of comparison, as necessary, to ensure that comparisons are meaningful. For 2014, Pearl Meyer provided recommendations on the composition of our peer group. Based on the facts described in the table below and management's input, for 2014, Pearl Meyer recommended, and the Compensation Committee approved, the following peer group:

Peer Group for 2014

General Description	Criteria Considered	Peer Group List
Software and high technology companies which operate in similar or related businesses and with which Progress competes for talent	Companies' revenues and market capitalization within 0.3x to 3.0x of Progress	ANSYS Inc. Aspen Technology, Inc. Avid Technology, Inc. CommVault Systems, Inc. Concur Technologies, Inc. Manhattan Associates, Inc. MicroStrategy, Inc NetSuite, Inc. Pegasystems, Inc. Qlik Technologies, Inc. Riverbed Technology Inc. SolarWinds TIBCO Software Inc. Websense, Inc.

Pearl Meyer then prepared a compensation analysis compiled from both an executive compensation survey and data gathered from publicly available information for our peer group companies. The executive compensation analysis prepared by Pearl Meyer also included survey data from the Radford High Technology Executive Compensation Survey that contained between 65-135 companies (depending upon position) with revenues between \$200 million and \$500 million. The Compensation Committee used this data to compare the current compensation of our named executive officers to the peer group and to determine the relative market value for position, based on direct, quantitative comparisons of pay levels. The survey data was used when there was a lack of public peer data for an executive's position and to obtain a general market understanding of current compensation practices.

Competitive Positioning

The 2014 target total direct compensation for our named executive officers was set by the Compensation Committee based predominantly on competitive pay practices, as reflected in the peer group and survey data. The Compensation Committee targeted between the 50th and 75th percentile of our peer group in setting our executive compensation programs. Additional adjustments were considered based on an individual importance to our company, tenure, company and individual performance, anticipated future contributions, internal pay equity and historical pay levels, as well as the level of an executive officer's unvested equity awards and incentives.

Pay Mix

In setting the mix among the different elements of executive compensation, we do not target specific allocations, but generally weight target compensation more heavily toward performance-based compensation, both cash and equity. The percentage of performance-based compensation for our executive officers and other employees increases with job responsibility, reflecting our view of internal pay equity and the ability of a given employee to contribute to our results. We also generally align our compensation mix with the practices of our peer group when possible and to the extent consistent with our compensation strategy and business plan.

Analysis of Compensation Decisions for 2014

The target total direct compensation established for each of the named executive officers is set forth in the table below.

Name	Target Total Annual Compensation		Annual Performance-Based Equity (1)	Target Long-Term Equity		Total Direct Compensation
	Base Salary	Target Bonus		Performance-Based (2)	Time-Based (3)	
Philip M. Pead	\$650,000	\$650,000	\$ 1,750,000	\$1,300,000	\$1,750,000	\$6,100,000
Chris E. Perkins	\$375,000	\$300,000	\$ 350,000	\$750,000	\$350,000	\$2,125,000
Andrew E. Zupsic	\$350,000	\$300,000	\$ 350,000	\$700,000	\$350,000	\$2,050,000
John P. Goodson	\$350,000	\$250,000	\$ 365,000	\$700,000	\$365,000	\$2,030,000
Karen Tegan Padir	\$330,000	\$165,000	\$ 120,000	\$660,000	\$120,000	\$1,395,000
Antonio J. Aquilina	\$315,000	\$157,500	\$ 125,000	\$626,000	\$125,000	\$1,348,500

(1) Represents the grant date fair value of performance share units, which is equal to the number of PSUs granted at target performance multiplied by the closing price of our stock on the grant date. Upon issuance, these PSUs were subject to one-year performance metrics followed by additional time-based vesting. See the “Executive Compensation--Grants of Plan-Based Awards Table” for further detail regarding these awards.

(2) Represents the number of PSUs granted at target performance multiplied by the closing price of our stock on the date awarded. These PSUs were issued under our Long Term Incentive Plan and are subject to three-year performance metrics. See the “Executive Compensation--Grants of Plan-Based Awards Table” for further detail regarding these awards.

(3) Represents the grant date fair value of RSUs. The grant date fair value of RSUs is equal to the number of RSUs granted multiplied by the closing price of our stock on the grant date. See the “Executive Compensation--Grants of Plan-Based Awards Table” for further detail regarding these awards.

These allocations reflect our belief that a significant portion of our named executive officers’ compensation should be performance-based and therefore “at risk” based on company performance, as well as subject to service requirements. Since our cash incentive opportunities and equity incentive awards have both upside opportunities and downside risks and our actual performance can deviate from the target goals, the amount of compensation actually earned will differ from the target allocations.

Base Salary

For 2014, the Compensation Committee reviewed the base salaries for each of our named executive officers and compared those salaries to the base salary levels in the market data or at the companies in our peer group. Mr. Pead provided his recommendations for each named executive officer other than himself. The Compensation Committee also considered various other criteria, including individual performance, levels of responsibilities, individual competencies, skills and contributions and internal compensation equity issues. The weight given each factor by the Compensation Committee may vary with each individual.

In light of these criteria, the Compensation Committee determined that no changes should be made to the base salaries of Mr. Pead and the other named executive officers (except Mr. Goodson). At Mr. Pead’s recommendation, the Compensation Committee increased Mr. Goodson’s base salary from \$320,000 to \$350,000 based on its determination that the breadth of his role as Chief Product Officer in which he was responsible for the product management, product marketing and engineering areas of our company justified increasing his salary to the 75th percentile.

Annual Cash Bonus

It is our philosophy to base a significant portion of each executive officer’s total compensation opportunity on performance incentives. Our named executive officers participate in our corporate bonus plan, which is intended to motivate eligible participants toward overall business results, to tie their goals and interests

to those of the company and its stockholders, and to enable the company to attract and retain highly qualified executives. This bonus plan is administered by our Compensation Committee.

Awards under the corporate bonus plan are based upon the achievement of performance metrics established on an annual basis by the Compensation Committee. Performance is measured over a one-year period. These performance goals are based on our strategy as reflected in our annual operating plan and budget.

In January 2014, the Compensation Committee formally approved the 2014 Corporate Bonus Plan. Consistent with prior years, the Compensation Committee adopted two plan metrics, both of which would be utilized to determine funding and payout under the cash bonus plan. These two plan metrics were total corporate revenue and total adjusted non-GAAP operating income, with total corporate revenue being weighted 60% and total non-GAAP operating income weighted 40%. Each metric would be measured separately and not impacted by performance with respect to the other metric. The performance measures selected for our cash bonus plan were designed to support our goals of expanding our non-GAAP operating income and achieving meaningful growth in total revenue, both of which would result in increased stockholder value.

Non-GAAP operating income differs from operating income determined under GAAP by excluding amortization of acquired intangibles, stock-based compensation, restructuring and transition expense and acquisition-related expenses. We use non-GAAP measures to make operational and investment decisions because we believe the costs and expenses that we exclude from GAAP operating income are not tied to our core results. For these reasons, we use non-GAAP operating income as a performance goal.

For 2014, the Compensation Committee determined that, for purposes of earning any award under the Corporate Bonus Plan, it was necessary to achieve threshold total revenue and total non-GAAP operating income goals in excess of 90% of the corresponding goals in our 2014 operating plan and budget. If the threshold goals were not achieved, none of the participants in the Corporate Bonus Plan would be eligible to earn any annual cash award. The steep slope of the targets under the Corporate Bonus Plan was designed to ensure that no bonus would be earned if we did not exceed the total revenue and total non-GAAP operating income results achieved in 2013. Similarly, the slope of the targets was set such that our named executive officers could earn significantly higher than target bonuses for performance that exceeded our 2014 operating plan and budget.

The targets established with respect to the total revenue goal reflected the challenge we faced in growing our core revenues while implementing a new strategy. The targets established with respect to the non-GAAP operating income metric were consistent with maintaining the strong operating margins we established in fiscal 2013. At the time the corporate goals were set for 2014, the Compensation Committee believed that the goals were achievable, but only with significant effort.

Annual Bonus Plan Criteria and Achievement. As shown in the table below, no portion of the annual bonus would be earned by the named executive officers unless the threshold of \$342 million in total revenue and \$123 million in total non-GAAP operating income was achieved, at which point 50% of the bonus would be earned. Thereafter, up to the remaining 50% of the bonus could be earned based on the extent to which revenue between the threshold of \$342 million and the target of \$349 million and operating income between the threshold of \$123 million and the target of \$128 million were achieved. Additional amounts could be earned to the extent of overachievement.

2014 Annual Bonus Plan Criteria and Achievement

Metric	Threshold (50%)	Target (100%)	Maximum (200%)	Actual Achievement	Funding Percentage %
Corp. Revenue ⁽¹⁾	\$342 million	\$349 million	\$384 million	\$327 million	0%
Non-GAAP Operating Income ⁽¹⁾	\$123 million	\$128 million	\$157 million	\$122 million	0%

(1) Targets and actual achievement figures shown in the table above are based on budgeted exchange rates.

Amounts Earned under the 2014 Corporate Bonus Plan. As shown in the table above, because we did not achieve at least threshold performance under either metric, no bonuses were earned or paid under the 2014 Corporate Bonus Plan to our named executive officers. Although the Compensation Committee has the discretion to determine that bonuses should be paid under the 2014 Corporate Bonus Plan notwithstanding achievement with respect to the financial results under the plan, the Compensation Committee did not exercise this discretion with respect to our named executive officers. The Compensation Committee did exercise this discretion with respect to participants in the Corporate Bonus Plan other than our executive officers.

Equity Awards

We also use equity compensation to attract, retain, motivate and reward our named executive officers. We issue annual and new hire equity awards based on guidelines for awards commensurate with position levels and that reflect grant practices within our peer group and the broader software industry generally. The Compensation Committee reviews the mix of equity awards to our named executive officers on an annual basis.

During the past few years, the Compensation Committee has altered the mix of equity compensation to executive officers so that a greater proportion of equity compensation is awarded in the form of performance-based restricted stock units (PSUs) rather than time-based restricted stock units (RSUs).

PSUs are subject to performance criteria aligned with our business plan and are earned only to the extent the performance criteria are achieved, with any PSUs earned being subject to subsequent time-based vesting (one-third vests upon determination of achievement of the performance goals established for that year and one-third in each of the next two years if the executive remains employed on each vesting date).

RSUs typically vest in six equal installments over three years beginning six months after issuance. In a volatile stock market, RSUs continue to provide value when stock options may not, which the Compensation Committee believes is useful in retaining talented executives in unpredictable economic times.

Target Value and Award Determination

The Compensation Committee's decisions regarding the amount and type of equity incentive compensation, the allocation of equity and relative weighting of these awards within total executive compensation have been based on advice provided by our external compensation consultant and the Compensation Committee's understanding and individual experiences with market practices of similarly-situated companies. Equity-based incentive awards are intended to be the longer-term components of our overall executive compensation program and are designed to encourage performance by our executive officers over several years.

To determine the size of the equity awards, the Compensation Committee first determined the total number of shares that would be available for the annual equity awards to all proposed recipients. The total number of shares was determined by consideration of the potential dilution to our stockholders and average burn rate of other companies in our industry. The Compensation Committee utilized the grant data from the peer group and other information provided by Pearl Meyer to assist it in determining the size of the overall equity pool for our company as well as the individual grants to the named executive officers.

To determine the size of the individual annual equity awards, the Compensation Committee, with the assistance of data provided by Pearl Meyer, compared the long-term equity incentive compensation levels of our executives with similar positions within our peer group and survey data to determine the long-term equity incentive compensation amount for each executive. The Compensation Committee evaluated the total value delivered by the annual equity grant against the average of the 50th and the 75th percentile of the value of long-

term incentive compensation of our peer group and broader software industry. In finalizing the amounts of the 2014 annual equity awards, the Compensation Committee considered Mr. Pead's recommendations, the burn rate of the executive grants, and the degree to which those amounts would be aligned with our goals of motivating and retaining key employees. For 2014, in light of the Long Term Incentive Plan described below, the Compensation Committee granted annual equity awards designed to deliver total value against our peer companies at the 50th percentile rather than the average of the 50th and 75th percentile.

Long-Term Incentive Plan

In 2014, the Compensation Committee made fundamental changes to the equity program applicable to our named executive officers. In January 2014, the Compensation Committee approved a new long-term equity incentive compensation plan consisting of the grant of PSUs, the vesting of which would be entirely based on performance over a three-year measurement period. The number of PSUs awarded was equal to two times each recipient's base salary. The number of shares actually earned is determined by comparing our total stockholder return (TSR) for the relevant period against the total stockholder return of the component companies of the NASDAQ Software Index.

Under the LTIP, participants can earn between 0% and 200% (the payout cap under the LTIP) of the target amount of PSUs. The cumulative three-year TSR measure compares the TSR of our common stock against the TSR of companies included in the NASDAQ Software Index as of December 1, 2013 during the course of the three-year period. As shown in the table below, one of the PSUs will be earned unless we outperform the median of the index.

Relative Performance (TSR Percentile Rank)	% of Target PSU Earned
Less than 50 th Percentile	0%
60 th Percentile	50%
70 th Percentile	100%
80 th Percentile	150%
90 th Percentile	200% (Maximum)

Awards interpolated for performance within stated percentiles

Additionally, regardless of our relative position with respect to the NASDAQ Software Index, the award will be reduced by 50% if our absolute TSR over the measurement period is negative.

The PSUs align our named executive officers' interests with those of our stockholders over the long term, while also providing key retention incentives, as the shares will only be awarded if a named executive officer remains with our company for the entire three-year measurement period. Moreover, the economics of the LTIP will result in strengthened retention incentives for our named executive officers during periods over which we are delivering favorable returns to our investors.

For illustrative purposes only, based on our the price of our common stock for the thirty day trading period ending November 30, 2014, the end of our fiscal 2014, our TSR compared to the NASDAQ Software Index for the same period would have placed us below the 50th percentile, meaning that none of the PSUs awarded as the LTIP would have been earned. Because the LTIP is based on a three-year performance period, none of the PSUs will be earnable until the performance period closes at the end of our 2016 fiscal year.

2014 Annual Equity Program

Simultaneously with the adoption of the LTIP, the Compensation Committee also determined that our named executive officers should receive an annual equity award separate from the LTIP. Consistent with prior years, these annual awards consisted of time-based RSUs and performance-based PSUs tied to one-year performance measures consistent with our 2014 financial objectives. In contrast to the LTIP, which provides incentives for delivering favorable returns to investors over a multi-year period, the Compensation Committee viewed the award of PSUs tied to 2014 financial objectives as an important component of our pay for performance philosophy during a time of transition in our strategy.

For 2014, the Compensation Committee made two modifications to the annual equity awards issued to our named executive officers:

• In light of the addition of the Long Term Incentive Plan, the size of the annual equity awards was reduced so that the value of the awards approximated the 50th percentile among our peer companies.

¶ The proportion of equity compensation awarded in the form of PSUs was increased from 40% to 50%.

The Compensation Committee has extended these modifications further in 2015 as the value of the annual awards has been further reduced to below the 50th percentile among our peer companies and the proportion of the annual awards issued in the form of PSUs has been increased to 60%. For example, in Mr. Pead's case, the value of his 2015 annual equity award has been reduced to \$1.2 million from \$3.5 million, the value of his 2014 annual equity award.

2014 Annual PSU Program. In January 2014, the Compensation Committee adopted the metrics that would apply to the Annual PSUs. The Compensation Committee determined to utilize the same metrics as applied to the Annual Bonus Plan. We considered adopting separate performance measures for the cash bonus and PSUs but determined that utilizing the same metrics was the preferred approach because it placed greater emphasis on accomplishing our twin goals of improving our non-GAAP operating margin and establishing a foundation for future revenue growth. Achieving these two goals in 2014 was particularly important in light of the changes our company was undergoing as a result of the continuing transformation under our new strategic plan.

PSUs Earned under the 2014 Annual PSU Program. As shown in the table on page 44, because we did not achieve at least threshold performance under the total revenue or total non-GAAP operating income metric, no portion of any 2014 Annual PSU award was earned.

2014 Annual RSU Program. Recognizing that a substantial portion of our named executive officers' compensation is performance-based, and therefore, inherently at risk, the Compensation Committee granted time-based RSUs to our named executive officers in order to promote retention and continuity in our business during periods where our executives may not realize any value from other forms of performance-based compensation.

Timing of Equity Grants

We do not time grants either to take advantage of a depressed stock price or in anticipation of an increase in stock price and have limited the amount of discretion that can be exercised in connection with the timing of awards. We generally make awards only on pre-determined dates to ensure that awards cannot be timed to take advantage of material non-public information.

Equity awards may be made only by the Compensation Committee. The Compensation Committee makes awards only at Committee meetings and awards are generally not effective in trading blackout periods (the period encompassing ten days prior to the end of each fiscal quarter through 48 hours after the earnings for that quarter are announced).

Ownership Guidelines and Policies

Stock Ownership Guidelines. In January 2013, our Board of Directors adopted revised stock retention guidelines for non-employee directors. These guidelines provide for all non-employee directors to hold an amount of our common stock, restricted shares, stock options and/or deferred stock units having a value equal to at least three times the annual cash retainer (\$50,000). Directors have five years to attain this ownership threshold. Our Corporate Governance Guidelines require that our executive officers maintain direct ownership of at least 1,000 shares of our common stock.

Hedging and Pledging Policy. Our policies explicitly prohibit our directors and executive officers from "hedging" their ownership by engaging in short sales or trading in any derivatives involving our securities. Our policies also prohibit our directors and executive officers from "pledging" their ownership by holding our stock in a margin account or pledging our stock as collateral for a loan.

Tax and Accounting Considerations and Compensation Recovery Policies

Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code places a limit of \$1 million on the amount of compensation that public companies may deduct in any one year with respect to certain of their named executive officers. Certain performance-based compensation approved by stockholders is not subject to this deduction limit. The Compensation Committee's strategy in this regard is to be cost and tax effective. Therefore, the Compensation Committee intends to preserve corporate tax deductions, while maintaining the flexibility in the future to approve arrangements that it deems to be in our best interests and the best interests of our stockholders and so we may pay compensation to our executive officers that is not deductible.

Section 409A of the Internal Revenue Code. Section 409A of the Internal Revenue Code imposes additional significant taxes in the event that an executive officer, director or service provider receives "deferred compensation" that does not satisfy the requirements of Section 409A. Our severance and change in control agreements described below, including the Employee Retention and Motivation Agreements we entered into with our named executive officers, contain provisions that are intended to either avoid the application of Section 409A or, to the extent doing so is not possible, comply with the applicable Section 409A requirements. The Compensation Committee has the sole discretion to change the severance guidelines applicable to executive officers to the extent necessary to avoid the application of Section 409A or comply with applicable Section 409A requirements.

Accounting for Stock-Based Compensation. Stock-based compensation expense reflects the fair value of stock-based awards measured at the grant date and recognized over the relevant service period. We estimate the fair value of each stock-based award on the measurement date using either the current market price of the stock, the Black-Scholes option valuation model, or the Monte Carlo Simulation valuation model.

Compensation Recovery Policies. We have adopted a clawback policy providing that in the event of a material restatement of financial statements triggered by executive-level misconduct, we may require that the bonuses and other incentive compensation paid to that executive be forfeited. The amount of incentive compensation subject to recovery would be the amount in excess of what the executive officer would have earned in accordance with the restatement, as determined by the Compensation Committee.

401(k) Plan

We currently provide a non-elective contribution under our 401(k) plan. All employees who participate in our 401(k) plan, including our named executive officers, receive up to a 3% matching contribution. Our Compensation Committee has the discretion to add up to a 3% additional matching contribution under the 401(k) plan but did not exercise that discretion in 2014.

Other Benefits

We believe that establishing competitive benefit packages for our employees is an important factor in attracting and retaining highly qualified personnel. The named executive officers are eligible to participate in all of our health and insurance plans, in each case on the same basis as other employees. In addition, our stock purchase plan is available to all employees other than employees, if any, who hold 5% or more of our common stock.

Severance and Change in Control Benefits

In December 2009, we adopted company-wide severance guidelines applicable to our employees in the United States in connection with the undertaking of a large reduction in force. These guidelines provide for severance and other benefits to be paid to employees who are involuntarily terminated from employment with our company, with the precise amount of severance determined based on position and seniority. Former members of our executive management team have received severance and other benefits in accordance with these guidelines, which were approved by the Compensation Committee.

Currently, the severance guidelines applicable to our executive management team provide upon involuntary termination for the payment of severance of twelve months of total target cash compensation as of the date of termination, the provision of twelve months of health benefits and twelve months of acceleration of

unvested stock options and RSUs. Receipt of these severance payments and benefits is subject to the execution of our standard form of separation and release agreement, which includes a non-competition clause. Although subject to change in the sole discretion of the Compensation Committee, we expect that these severance guidelines will continue to apply to involuntary terminations of executive officers, including the named executive officers in the future. These severance guidelines, however, will not apply in the event that the executive officer is entitled to severance under a specific agreement between the executive officer and our company.

We entered into Executive Employment Agreements with each of Messrs. Pead and Perkins upon their respective appointment as Chief Executive Officer and Chief Financial Officer. These agreements provide Messrs. Pead and Perkins with certain payments and benefits upon an involuntary termination of employment. See “Executive Compensation-Severance and Change in Control Agreements.”

We have also entered into an Employee Retention and Motivation Agreement with each of the named executive officers. Each agreement provides for certain payments and benefits upon a change in control of our company and/ or certain involuntary terminations of employment thereafter. Under no circumstances would any of our executive officers be entitled under these agreements to a gross-up payment for any excise taxes to which he or she may be subject if any payments and benefits are considered to be “parachute payments.” Our Board of Directors determined that it is in the best interests of our company and its stockholders to ensure that we will have the continued dedication and objectivity of our key employees, despite the possibility, threat or occurrence of a change in control of the company. These agreements are described below. See “Executive Compensation -Severance and Change in Control Agreements.”

The Compensation Committee periodically reviews these agreements to determine if these agreements should be maintained. The Compensation Committee believes that these agreements are important motivational and retention tools because, in a time of increased consolidation in our industry and increased competition for executive talent, they provide a measure of earnings security by offering income protection in the form of severance and continued benefits if the executive is terminated without cause, economic protection for the executive's family if the executive becomes disabled or dies, and additional protections in connection with a change in control of our company.

Compensation Committee Interlocks and Insider Participation

The members of our Compensation Committee during 2014 were Messrs. Egan, Kane and Krall. Messrs. Egan, Kane and Krall are not nor have they ever been an officer or employee of our company or of any of its subsidiaries, or had any relationship with us requiring disclosure in this proxy statement. There are no compensation committee interlocks amongst any of our directors.

Analysis of Risk Associated with Our Compensation Plans

In setting compensation, the Compensation Committee considers the risks to our stockholders and to the achievement of our goals that may be inherent in the compensation plans and programs for all employees, including our executives. When evaluating our executive compensation program, the Compensation Committee considers whether the program is based on the appropriate philosophy, benchmarked against the appropriate peer group and balanced between long and short-term performance targets, company and individual performance. Although a significant portion of our executives' compensation is performance-based and "at-risk," we believe our compensation plans and programs are appropriately structured so as not to encourage our employees to take excessive or unreasonable risks.

We considered the following elements of our compensation plans and policies when evaluating whether such plans and policies are structured to encourage our employees to take unreasonable risks:

• A detailed planning process with executive or Compensation Committee oversight exists for all compensation programs.

• The proportion of an employee's performance-based pay increases as the responsibility and potential impact of the employee's position increases, which structure is in line with market practices.

• Compensation consists of both fixed and variable components. The fixed portion (i.e., base salary) and variable portion (i.e., performance-based bonus and equity awards) provide a mix of compensation intended to produce corporate performance without encouraging excessive risks.

• We set performance goals that we believe are aggressive and consistent with building long-term shareholder value.

• We use consistent corporate performance metrics from year-to-year rather than changing the metric to take advantage of changing market conditions.

• Our short-term incentive plans are capped as to the maximum potential payout, which we believe mitigates excessive risk taking by limiting bonus payments even if we dramatically exceed the performance targets.

• We use a combination of PSUs and RSUs for equity awards because RSUs retain value even in a depressed market, which makes our executives less likely to take unreasonable risks to earn PSU awards or get, or keep, stock options "in-the-money."

• The time-based vesting for RSUs (including a portion of PSU awards earned) ensures that our executives' interests align with those of our stockholders for the long-term performance of our company.

• Assuming achievement of at least a minimum level of performance, payouts under our performance-based plans result in some compensation at levels below full target achievement, rather than an "all-or-nothing" approach.

• In accordance with our written stock option grant policy, all equity grants must occur at a meeting of the Compensation Committee and management has no authority to issue equity.

• The Compensation Committee retains and does not delegate any of its power to determine matters of executive compensation.

• We maintain a system of controls and procedures designed to ensure that amounts are earned and paid in accordance with our plans and programs.

• We do not allow our executives and directors to hedge their exposure to ownership of, or interest in, our stock. We also do not allow them to engage in speculative transactions with respect to our stock.

These amounts do not reflect the actual economic value realized by the named executive officer. In accordance with FASB ASC Topic 718, we estimate the fair value of each stock-based award on the measurement date using either the current market price of the stock or the Monte Carlo Simulation valuation model, assuming the probable (1) outcome of related performance conditions at target levels. For 2014, these amounts do not include the performance share units relating to 2014 performance because those amounts were not ultimately earned. See the description of our 2014 Annual Equity Program described in “Compensation Discussion and Analysis” in this proxy statement.

Represents the grant date fair value of options on the date of grant. The grant date fair value of our options is equal to the number of shares subject to the option multiplied by the fair value of our options on the date of grant (2) determined using the Black-Scholes option valuation model. The methodology and assumptions used to calculate the Black-Scholes value of our options are described in Note 12 of the consolidated financial statements contained in our Annual Report on Form 10-K for the fiscal year ended November 30, 2014.

The amounts listed reflect the amounts earned under our corporate bonus plan as described in “Compensation Discussion and Analysis” in this proxy statement. For all individuals, bonus payments were accrued and earned in (3) the year indicated and paid in the succeeding fiscal year. As described in “Compensation Discussion and Analysis,” no bonus payments were earned relative to 2014 performance.

(4) Amounts listed in this column for 2014 include:

Name	Company Contributions (401(k))	Insurance Premiums	Taxable Relocation	Termination Related
Mr. Pead	\$7,800	\$720	\$95,158	\$—
Mr. Perkins	7,800	540	118,064	—
Mr. Goodson	7,800	504	—	—
Mr. Zupsic	7,800	336	5,996	163,654
Ms. Padir	7,800	475	—	—
Mr. Aquilina	7,800	454	—	—

Included in the amounts shown under the column “Taxable Relocation” with respect to Mr. Pead and Mr. Perkins are taxes paid by us on behalf of Mr. Pead and Mr. Perkins relating to taxable commuting expenses incurred by Mr. Pead and Mr. Perkins and reimbursed by us during 2014. Included in the column “Termination Related” with respect to Mr. Zupsic are amounts paid to Mr. Zupsic upon termination of employment as described in Note 7 below.

Mr. Pead became our Executive Chairman on October 8, 2012 and our Interim Chief Executive Officer on November 2, 2012. On December 7, 2012, Mr. Pead became our President and Chief Executive Officer. From and (5) after the date of his appointment as Executive Chairman, Mr. Pead was no longer eligible to receive compensation paid to our non-employee directors. The amount shown in the Stock Awards column for 2013 with respect to Mr. Pead includes the grant date fair value of 1,480 RSUs Mr. Pead was awarded in January 2013 in connection with his service as Executive Chairman.

Mr. Perkins became our Chief Financial Officer on February 1, 2013. The amounts shown for Mr. Perkins in 2013 (6) are base salary and non-equity incentive plan compensation for the period from February 1, 2013 until November 30, 2013.

On April 2, 2012, Mr. Zupsic became our Senior Vice President, Global Field Operations. The amounts shown for Mr. Zupsic in 2012 are base salary and non-equity incentive plan compensation for the period of April 2, 2012 until November 30, 2012. On September 1, 2014, Mr. Zupsic’s employment with our company terminated. The (7) amounts shown for Mr. Zupsic in 2014 are base salary and non-equity incentive plan compensation for the period from December 1, 2013 until August 31, 2014. The amount shown in the Summary Compensation Table under “All Other Compensation” applicable to Mr. Zupsic is severance paid to him between September 1, 2014 and November 30, 2014 pursuant to the terms of the severance agreement we entered into with Mr. Zupsic in connection with his termination of employment. See “Severance and Change in Control Agreements.”

(8) Ms. Padir was not a named executive officer in fiscal 2013 or 2012.

Mr. Aquilina became Senior Vice President, Strategy and Corporate Development on January 9, 2012. The amounts shown for Mr. Aquilina in 2012 are base salary and non-equity incentive plan compensation for the period of January 9, 2012 until November 30, 2012. The amount shown for Mr. Aquilina under the “Bonus” column (9) includes a new hire signing bonus of \$75,000 in connection with his commencement of employment and a special one-time cash bonus of \$35,000 paid to Mr. Aquilina in November 2012 in connection with the completion of substantially all of the divestitures of the non-core product lines.

(1) These columns indicate the range of payouts targeted for 2014 performance under our corporate bonus plan as described in “Compensation Discussion and Analysis” in this proxy statement. The actual payout with respect to 2014 for each named executive officer is shown in the Summary Compensation Table in the column titled “Non-Equity Incentive Plan Compensation.”

(2) The second row of these columns with respect to each named executive officer indicates the range of payouts with respect to performance share units subject to 2014 performance criteria and subsequent time-based restrictions.

These performance shares units could be earned only to the extent the established criteria were met.

(3) The third row of these columns with respect to each named executive officer represents performance share units awarded under our Long Term Incentive Plan. These columns show the performance share units that could be earned at threshold, target and maximum levels of performance. If we do not achieve the threshold performance

performance share units will be earned. Because the LTIP is based on a three-year performance period, none of the performance share units will be earnable until the performance period closes following our 2016 fiscal year. See “Compensation Discussion and Analysis” section of this proxy statement for additional discussion of the LTIP.

Represents RSUs that vest, so long as the executive continues to be employed with us, in six equal installments (4) over three years beginning approximately six months after date of issuance. Dividends are not payable on unvested RSUs.

Represents the grant date fair value of the award, which is equal to the number of RSUs granted multiplied by the closing price of our stock on the grant date. In the case of PSUs, represents the number of PSUs granted at target (5) performance multiplied by the closing price of our stock on the date awarded. The closing price of our stock on January 13, 2014 was \$23.83.

Narrative Summary to Summary Compensation Table and Grants of Plan-Based Awards in 2014 Table

The material terms of our named executive officers’ annual compensation, including base salaries, cash incentive plan, annual PSU program, time-based RSUs and Long Term Incentive Plan and the explanations of the amounts of salary, cash incentives and equity values in proportion to total compensation are described under “Compensation Discussion and Analysis” in this proxy statement.

As discussed in greater detail in “Compensation Discussion and Analysis,” the 2014 non-equity incentive awards were granted pursuant to the Corporate Bonus Plan, with amounts to be earned based on the achievement of certain financial targets. In 2014, we did not achieve the financial targets under the Corporate Bonus Plan and, as a result, none of the non-equity incentive awards was earned.

As discussed in greater detail in “Compensation Discussion and Analysis,” the PSUs awarded as the 2014 PSU Award were subject to the achievement of certain one-year financial targets. In 2014, we did not achieve those financial targets and, as a result, none of the 2014 PSUs was earned.

As discussed in greater detail in “Compensation Discussion and Analysis,” the PSUs awarded under the Long Term Incentive Plan will be earned based on the results achieved during the three year performance period as determined following our 2016 fiscal year, contingent upon each named executive officer’s continued service.

The RSUs granted to our named executive officers at the outset of 2014 vest in equal installments every six months over three years, subject to continued employment. There is no purchase price associated with performance share or RSU awards. We did not pay dividends on our common stock during 2014.

The value realized on exercise for stock option awards is calculated as the difference between the closing price of our common stock on the NASDAQ Global Select Market on the exercise date and the exercise price of the applicable stock option award. The value realized on vesting for RSUs is calculated as the product of the number of shares subject to the RSUs that vested and the closing price of our common stock on the NASDAQ Global Select Market on the vesting date.

Severance and Change in Control Agreements

We have agreements with, or guidelines applicable to, our executive officers that provide the benefits described below in connection with certain terminations of employment or a change in control of our company.

Mr. Pead's Executive Employment Agreement

In connection with his appointment as our President and Chief Executive Officer, we and Mr. Pead entered into an employment agreement, effective as of December 7, 2012, setting forth Mr. Pead's compensation and certain other terms. Mr. Pead's employment agreement provides that in the event that his employment is terminated as a result of an “involuntary termination,” he will be entitled to:

- the payment of cash severance equal to 18 months of total target cash compensation as of the date of termination, which will be paid over 18 months;
- the continuation, for a period of 18 months, of benefits that are substantially equivalent to the benefits (medical, dental and vision) that were in effect immediately prior to termination; and
- 18 months of acceleration of unvested stock options and RSUs.

Receipt of the severance and benefits is subject to the execution of a standard separation and release agreement.

Separation payments upon any involuntary termination within twelve months following a change in control would be governed by the Employee Retention and Motivation Agreement described below and not by Mr. Pead's employment agreement.

An “involuntary termination” is defined in the employment agreement as a termination of employment by us other than for cause, disability or death or a termination by Mr. Pead as a result of certain events occurring without his consent such as an assignment to him of duties, a significant reduction of his duties, either of which is materially inconsistent with his position prior to the assignment or reduction, or the removal of Mr. Pead from that position, a material reduction in Mr. Pead's base salary or target bonus, a relocation of Mr. Pead to a facility or

location more than fifty miles from his then present location or a material breach of the employment agreement by us. Mr. Pead's employment agreement also includes non-competition and related covenants. The non-competition covenant will be in effect for the duration of the period in which severance and other benefits are paid. The non-competition covenant relates to certain businesses with similar product areas and activities as our company.

Mr. Pead's Employee Retention and Motivation Agreement

We and Mr. Pead have also entered into an Employee Retention and Motivation Agreement ("Pead ERMA"), which provides certain compensation and benefits if his employment is involuntarily terminated within 12 months of a change in control of our company. If an involuntary termination of Mr. Pead's employment occurs under other circumstances, the severance terms of his employment agreement, as described above, would control and not the Pead ERMA.

Change in Control Benefits. Under the Pead ERMA, upon a change in control of our company, Mr. Pead would be entitled to:

- the payment of his annual target cash bonus on a pro-rata basis with respect to the elapsed part of the relevant fiscal year; and

- accelerated vesting of all unvested stock options and RSUs, unless the acquirer assumes all such options and restricted equity. If such outstanding stock options and shares of restricted equity held by Mr. Pead are continued by us or assumed by our successor entity, then vesting will continue in its usual course.

Involuntary Termination Following Change in Control. In the event of an involuntary termination within twelve (12) months following a change in control, Mr. Pead would be entitled to:

- the payment of cash severance equal to 18 months of total target cash compensation as of the date of termination, which will be paid over 18 months;

- the continuation, for a period of 18 months, of benefits that are substantially equivalent to the benefits (medical, dental and vision) that were in effect immediately prior to termination; and

- accelerated vesting of all unvested stock options and RSUs.

In the event that any amounts provided for under the Pead ERMA or otherwise payable to Mr. Pead would constitute "parachute payments" within the meaning of Section 280G of the Internal Revenue Code and be subject to the related excise tax, Mr. Pead would be entitled to receive either full payment of the benefits under the agreement or such lesser amount which would result in no portion of the benefits being subject to the excise tax, whichever results in the greatest amount of after-tax benefits to Mr. Pead.

Mr. Perkins' Executive Employment Agreement

In connection with his appointment as our Chief Financial Officer, we and Mr. Perkins entered into an employment agreement, effective as of February 1, 2013, setting forth Mr. Perkins' compensation and certain other terms. Mr. Perkins' employment agreement provides that in the event that his employment is terminated as a result of an "involuntary termination," he will be entitled to:

- the payment of cash severance equal to 12 months of total target cash compensation as of the date of termination, which will be paid over 12 months;

- the continuation, for a period of 12 months, of benefits that are substantially equivalent to the benefits (medical, dental and vision) that were in effect immediately prior to termination; and

- 12 months of acceleration of unvested stock options and RSUs.

Receipt of the severance and benefits is subject to the execution of a standard separation and release agreement.

Separation payments upon any involuntary termination within twelve months following a change in control would be governed by the Employee Retention and Motivation Agreement described below and not by Mr. Perkins' employment agreement.

An “involuntary termination” is defined in the employment agreement as a termination of employment by us other than for cause, disability or death or a termination by Mr. Perkins as a result of certain events occurring without his consent such as an assignment to him of duties, a significant reduction of his duties, either of which is materially inconsistent with his position prior to the assignment or reduction, or the removal of Mr. Perkins from that position, a material reduction in Mr. Perkins’ base salary or target bonus, a relocation of Mr. Perkins to a facility or location more than fifty miles from his then present location or a material breach of the employment agreement by us.

Mr. Perkins’ employment agreement also includes non-competition and related covenants. The non-competition covenant will be in effect for the duration of the period in which severance and other benefits are paid. The non-competition covenant relates to certain businesses with similar product areas and activities as our company.

Mr. Zupsic’s Executive Severance Agreement

On September 1, 2014, Mr. Zupsic’s employment terminated and, in connection with that termination, we entered into an executive severance agreement with Mr. Zupsic. Consistent with the Executive Severance Policy described below, Mr. Zupsic’s severance agreement provided for:

- the payment of cash severance equal to 12 months of his total target cash compensation as of the date of termination, which will be paid over 12 months;
- the continuation, for a period of 12 months, of benefits that are substantially equivalent to the benefits (medical, dental and vision) that were in effect immediately prior to termination; and
- 12 months of acceleration of unvested and RSUs.

Mr. Zupsic’s severance agreement included a release of claims, non-competition, non-disparagement and related covenants.

Executive Severance Policy

We have adopted severance guidelines applicable to our executive officers, including the named executive officers other than Mr. Pead and Mr. Perkins. Any severance payable to Mr. Pead or Mr. Perkins is governed by the employment agreements described above. Our executive severance policy provides that upon an involuntary termination and the execution of a standard release of claims, an executive officer is entitled to:

- the payment of cash severance equal to 12 months of total target cash compensation as of the date of termination, which will be paid over 12 months;
- the continuation, for a period of 12 months, of benefits that are substantially equivalent to the benefits (medical, dental and vision) that were in effect immediately prior to termination; and
- 12 months of acceleration of unvested stock options and RSUs.

Severance payments and benefits upon any involuntary termination within 12 months following a change in control are governed by the Employee Retention and Motivation Agreement described below.

The payment of severance and other benefits is conditioned upon the executive agreeing to non-competition, non-disparagement and related covenants. The non-competition covenant would be in effect for one year following the termination of employment.

Other Employee Retention and Motivation Agreements

In addition to the agreement with Mr. Pead, we have entered into an ERMA with each of the other named executive officers. Each agreement is substantially identical to the Pead ERMA except that upon the involuntary termination of the executive officer within 12 months following a change of control, the executive officer will be entitled to receive a lump sum payment equal to 15 months of his total target compensation and his benefits will continue for 15 months.

Under no circumstances would any of our executive officers be entitled to a gross-up payment under the ERMAs for any excise taxes to which he or she may be subject if any of the above payments and benefits are considered to be “parachute payments.”

Estimate of Severance and Change in Control Benefits

The following table indicates the estimated payments and benefits that each of Messrs. Pead, Perkins, Goodson, Aquilina and Padir would have received under (a) their respective employment agreements, in the case of Messrs. Pead and Perkins, (b) our severance policy applicable to executive officers, in the case of Messrs. Goodson, Aquilina and Padir, and (c) their respective ERMAs, assuming that the change of control of our company and/or termination of his or her employment occurred at November 30, 2014. Mr. Zupsic's employment terminated on September 1, 2014 and he received the severance and other benefits provided under his severance agreement described above. These amounts are estimates only and do not necessarily reflect the actual amounts that would be paid to the named executive officer, which would only be known at the time that he becomes entitled to such payment.

The amounts shown in the first column, with respect to stock options and RSUs, represent the value of certain (1) unvested options and RSUs becoming fully vested and are calculated using the exercise price for each unvested stock option and the closing price of our common stock on November 28, 2014, which was \$25.79.

In the event of a change of control, there is no accelerated vesting of options or RSUs provided that the acquirer assumes all existing, outstanding stock options and RSUs of the individual. These tables have been prepared under that assumption. However, if the acquirer does not assume all existing, outstanding stock options and RSUs of the (2) individual, all unvested stock options and RSUs become fully vested and the value indicated in the third column would apply upon a change of control. The amounts shown in the third column are calculated using the exercise price for each unvested stock option and the closing price of our common stock on November 28, 2014, which was \$25.79.

(3) Represents the estimated value (based on the cost as of November 30, 2014) of continuing benefits (medical, dental and vision) for:

• 8 months in the case of an involuntary termination of Mr. Pead's employment;

• 12 months in the case of an involuntary termination of employment of Messrs. Perkins, Aquilina, Goodson and Ms. Padir, other than in connection with a change in control; and

• 15 months, in the case of the third column, with respect to Messrs. Perkins, Aquilina, Goodson and Ms. Padir.

If Proposal 4 passes, stockholder proposals will be governed by the Delaware Bylaws. Under the Delaware Bylaws, any stockholder intending to present any proposal (other than a proposal made by, or at the direction of, our Board of Directors) at the 2016 annual meeting, must give written notice of that proposal (including certain information about any nominee or matter proposed and the proposing stockholder) to our Secretary not later than the close of business on the 90th day (February 5, 2016) nor earlier than the close of business on the 120th day (January 6, 2016) prior to the first anniversary of the preceding year's annual meeting. However, in the event that the date of the annual meeting is advanced by more than 30 days before or delayed by more than 30 days after that anniversary date, the notice must be delivered not earlier than the close of business on the 120th day prior to the annual meeting and not later than the close of business on the later of the 90th day prior to the annual meeting or the 10th day following the day on which public announcement of the date of the meeting is first made. In the event that proposal 4 does not pass, stockholder proposals will be governed by the Massachusetts Bylaws. Under the Massachusetts Bylaws, any stockholder intending to present any proposal (other than a proposal made by, or at the direction of, our Board of Directors) at the 2016 annual meeting, must give written notice of that proposal (including certain information about any nominee or matter proposed and the proposing stockholder) to our Secretary not later than the close of business on the 90th day (February 5, 2016) nor earlier than the close of business on the 120th day (January 6, 2016) prior to the first anniversary of the preceding year's annual meeting. However, in the event that the date of the annual meeting is advanced by more than 30 days before or delayed by more than 60 days after that anniversary date, the notice must be delivered not earlier than the close of business on the 120th day prior to the annual meeting and not later than the close of business on the later of the 90th day prior to the annual meeting or the 10th day following the day on which public announcement of the date of the meeting is first made.

WHEREAS, the Company wishes to change its domicile of incorporation from Massachusetts to Delaware by domesticating in Delaware on the terms set forth herein; and

WHEREAS, the Board of Directors of the Company has adopted a resolution approving this Plan of Domestication; NOW THEREFORE, the Company agrees as follows:

1. Conversion and Domestication. The Company shall convert from a Massachusetts corporation to a Delaware Corporation by domesticating in Delaware pursuant to Section 265 of the Delaware General Corporation Law and Section 9.20 of the Massachusetts Business Corporation Act. Following the domestication the Company shall be governed by the laws of the State of Delaware. The domestication of the Company in Delaware shall herein be referred to as the “Domestication.”
2. Stockholder Approval. As soon as practicable after the execution of this Plan of Domestication, the Company shall submit this Plan of Domestication to its stockholders for approval.
3. Effective Date. The Domestication shall be effective upon the filing of a Certificate of Conversion from a Non-Delaware Corporation to a Delaware Corporation (the “Certificate of Conversion”) with the Secretary of State of the State of Delaware and the filing of Articles of Charter Surrender with the Secretary of State of the Commonwealth of Massachusetts, which filings shall be made as soon as practicable after all required stockholder approvals have been obtained. The time of such effectiveness shall herein be referred to as the “Effective Date.”
4. Common Stock of the Company. On the Effective Date, by virtue of the Domestication and without any action on the part of the holders thereof, each share of Common Stock of the Company issued and outstanding immediately prior thereto shall be unchanged, shall continue to represent one share of Common Stock of the Company as a Delaware corporation, and shall remain issued and outstanding immediately after consummation of the Domestication.
5. Options/Restricted Equity of the Company. On the Effective Date, by virtue of the Domestication and without any action on the part of the holders thereof, all stock options, restricted stock units or other restricted equity outstanding and unexercised as of the Effective Date and awarded under the Company’s equity plans in effect on such date shall continue and remain in effect upon the same terms and conditions as were in effect immediately prior to the Domestication, and the Company shall continue to reserve that number of shares of Common Stock with respect to each such equity plan as was reserved by the Company prior to the Effective Date with no other changes in the terms and conditions thereof.
6. Stock Certificates. On and after the Effective Date, all of the outstanding certificates which prior to that time represented shares of the Common Stock of the Company shall be deemed for all purposes to continue to evidence ownership of and to represent the shares of the Company into which the shares represented by such certificates have been converted as herein provided. The registered owner on the books and records of the Company or its transfer agent of any such outstanding stock certificate shall, until such certificate shall have been surrendered for transfer or conversion or otherwise accounted for to the Company or its transfer agent, have and be entitled to exercise any voting and other rights with respect to and to receive any dividend and other distributions upon the shares of the Company evidenced by such outstanding certificate as above provided.

7. Succession. On the Effective Date, all of the rights, privileges, debts, liabilities, powers and property of the Company as a Massachusetts corporation shall continue to be the rights, privileges, debts, liabilities and powers of the Company as a Delaware Corporation in the manner and as more fully set forth in Section 265 of the Delaware General Corporation Law. Without limiting the foregoing, upon the Effective Date, all property, rights, privileges, franchises, patents, trademarks, licenses, registrations, agreements, contracts and other assets of every kind and description of the Company shall continue to be vested in and devolved upon the Company without further act or deed. All rights of creditors of the Company and all liens upon any property of the Company shall be preserved unimpaired, and all debts, liabilities and duties of the Company shall continue to be obligations of the Company.

8. Certificate of Incorporation and By-Laws. Immediately prior to or simultaneously with the filing of the Certificate of Conversion, the Company shall file the Certificate of Incorporation in the form of Exhibit A hereto (the "Certificate of Incorporation") with the Secretary of State of the State of Delaware, which shall be the Certificate of Incorporation of the Company following the Domestication. 9. Directors and Officers. The members of the Board of Directors and the officers of the Company immediately prior to the Effective Date shall continue in office following the Effective Date of the Domestication until the expiration of their respective terms of office and until their successors have been elected and qualified.

10. Amendment. This Plan of Domestication may be amended by the Board of Directors of the Company at any time prior to the Effective Date, provided that an amendment made subsequent to the approval of this plan by the stockholders of the Company shall not alter or change (a) the amount or kind of shares or other securities, interests, obligations, rights to acquire shares, other securities or interests, cash, or other property to be received by the stockholders hereunder, (b) any term of the Certificate of Incorporation or the Bylaws, other than changes permitted by the Delaware General Corporation Law comparable to those permitted by Section 10.05 of the Massachusetts Business Corporation Act, or (c) any of the terms and conditions of this Plan of Domestication if such alteration or change would adversely affect the holders of any class or series of stock of the Company.

11. Abandonment or Deferral. At any time before the Effective Time, this Plan of Domestication may be terminated and the Domestication may be abandoned by the Board of Directors of the Company, notwithstanding the approval of this Plan of Domestication by the stockholders of the Company or the consummation of the Domestication may be deferred for a reasonable period of time if, in the opinion of the Board of Directors of the Company, such action would be in the best interests of the Company. In the event of termination of this Plan of Domestication, this Plan of Domestication shall become void and of no effect and there shall be no liability on the part of the Company or its Board of Directors or stockholders with respect thereto, except that the Company shall pay all expenses incurred in connection with the Domestication or in respect of this Plan of Domestication or relating thereto.

APPENDIX B--CERTIFICATE OF INCORPORATION

CERTIFICATE OF INCORPORATION
OF
PROGRESS SOFTWARE CORPORATION

Pursuant to Section 103 of the
Delaware General Corporation Law

I.

The name of this company is Progress Software Corporation (the “Company” or the “Corporation”).

II.

The address of the registered office of this Corporation in the State of Delaware is The Corporation Trust Center, 1209 Orange Street, Wilmington, New Castle County, Delaware 19801, and the name of the registered agent of this Corporation in the State of Delaware at such address is The Corporation Trust Company.

III.

The purpose of this Company is to engage in any lawful act or activity for which a corporation may be organized under the Delaware General Corporation Law (“DGCL”).

IV.

A. This Company is authorized to issue two classes of stock to be designated, respectively, “Common Stock” and “Preferred Stock.” The total number of shares which the Company is authorized to issue is two hundred ten million (210,000,000) shares. Two hundred million (200,000,000) shares shall be Common Stock, each having a par value of one-hundredth of one cent (\$0.01) and ten million (10,000,000) shares shall be Preferred Stock, each having a par value of one-hundredth of one cent (\$0.01).

B. The Preferred Stock may be issued from time to time in one or more series. The Board of Directors of the Company (the “Board of Directors”) is hereby expressly authorized to provide for the issue of all of any of the shares of the Preferred Stock in one or more series, and to fix the number of shares and to determine or alter for each such series, such voting powers, full or limited, or no voting powers, and such designation, preferences, and relative, participating, optional, or other rights and such qualifications, limitations, or restrictions thereof, as shall be stated and expressed in the resolution or resolutions adopted by the Board of Directors providing for the issuance of such shares and as may be permitted by the DGCL. The Board of Directors is also expressly authorized to increase or decrease the number of shares of any series subsequent to the issuance of shares of that series, but not below the number of shares of such series then outstanding. In case the number of shares of any series shall be decreased in accordance with the foregoing sentence, the shares constituting such decrease shall resume the status that they had prior to the adoption of the resolution originally fixing the number of shares of such series. The number of authorized shares of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of the stock of the Corporation entitled to vote thereon, without a separate vote of the holders of the Preferred Stock, or of any series thereof, unless a vote of any such holders is required pursuant to the terms of any certificate of designation filed with respect to any series of Preferred Stock.

C. Each outstanding share of Common Stock shall entitle the holder thereof to one vote on each matter properly submitted to the stockholders of the corporation for their vote; provided, however, that, except as otherwise required by law, holders of Common Stock shall not be entitled to vote on any amendment to this Certificate of Incorporation (including any certificate of designation filed with respect to any series of Preferred Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together as a class with the holders of one or more other such series, to vote thereon by law or pursuant to this Certificate of Incorporation (including any certificate of designation filed with respect to any series of Preferred Stock).

V.

For the management of the business and for the conduct of the affairs of the Company, and in further definition, limitation and regulation of the powers of the Company, of its directors and of its stockholders or any class thereof, as the case may be, it is further provided that:

B-1

A. Management of Business.

1. The management of the business and the conduct of the affairs of the Company shall be vested in its Board of Directors. The number of directors which shall constitute the Board of Directors shall be fixed exclusively by resolutions adopted by a majority of the authorized number of directors constituting the Board of Directors.

2. The Company expressly elects to be governed by § 203 of the DGCL.

B. Board of Directors.

Each director shall be elected to hold office for a one-year term expiring at the next annual meeting of stockholders. Each director shall serve until his or her successor is duly elected and qualified or until his or her earlier death, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

C. Removal of Directors.

Subject to rights of any series of Preferred Stock to elect additional directors under specified circumstances, or any limitation imposed by law, any individual director or directors may be removed with or without cause by the affirmative vote of the holders of at least sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the voting power of all then-outstanding shares of capital stock of the Corporation entitled to vote generally at an election of directors.

D. Vacancies.

Subject to any limitations imposed by applicable law and subject to the rights of the holders of any series of Preferred Stock, any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors, shall, unless the Board of Directors determines by resolution that any such vacancies or newly created directorships shall be filled by the stockholders and except as otherwise provided by applicable law, be filled only by the affirmative vote of a majority of the directors then in office, even though less than a quorum of the Board of Directors, and not by the stockholders. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been elected and qualified.

E. Bylaw Amendments.

1. The Board of Directors is expressly empowered to adopt, amend or repeal the Bylaws of the Company. Any adoption, amendment or repeal of the Bylaws of the Company by the Board of Directors shall require the approval of a majority of the authorized number of directors. The stockholders shall also have power to adopt, amend or repeal the Bylaws of the Company; provided, however, that, in addition to any vote of the holders of any class or series of stock of the Company required by law or by this Certificate of Incorporation, such action by stockholders shall require the affirmative vote of the holders of at least sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the voting power of all of the then-outstanding shares of the capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class.

2. The directors of the Company need not be elected by written ballot unless the Bylaws so provide.

3. No action shall be taken by the stockholders of the Company except at an annual or special meeting of stockholders called in accordance with the Bylaws, and no action shall be taken by the stockholders by written consent or electronic transmission.

4. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Company shall be given in the manner provided in the Bylaws of the Company.

VI.

A. The liability of the directors for monetary damages shall be eliminated to the fullest extent under applicable law.

B. To the fullest extent permitted by applicable law, the Company is authorized to provide indemnification of (and advancement of expenses to) directors, officers and agents of the Company (and any other persons to which applicable law permits the Company to provide indemnification) through Bylaw provisions, agreements with such agents or other persons, vote of stockholders or disinterested directors or otherwise in excess of the indemnification and advancement otherwise permitted by such applicable law. If applicable law is amended after approval by the stockholders of this Article VI to authorize corporate action further eliminating or limiting the personal liability of

directors, then the liability of a director to the company shall be eliminated or limited to the fullest extent permitted by applicable law as so amended.

C. Any repeal or modification of this Article VI shall only be prospective and shall not affect the rights or protections or increase the liability of any director under this Article VI in effect at the time of the alleged occurrence of any act or omission to act giving rise to liability or indemnification.

B-2

VII.

Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (A) any derivative action or proceeding brought on behalf of the Company; (B) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or the Company's stockholders; (C) any action asserting a claim against the Company or any director or officer or other employee of the Company arising pursuant to any provision of the DGCL, the Certificate of Incorporation or the Bylaws of the Company; or (D) any action asserting a claim against the Company or any director or officer or other employee of the Company governed by the internal affairs doctrine.

VIII.

A. The Company reserves the right to amend, alter, change or repeal any provision contained in this Certificate of Incorporation, in the manner now or hereafter prescribed by statute, except as provided in paragraph B. of this Article VIII, and all rights conferred upon the stockholders herein are granted subject to this reservation.

B. Notwithstanding any other provisions of this Certificate of Incorporation or any provision of law which might otherwise permit a lesser vote or no vote, but in addition to any affirmative vote of the holders of any particular class or series of the Company required by law or by this Certificate of Incorporation or any certificate of designation filed with respect to a series of Preferred Stock, the affirmative vote of the holders of at least sixty-six and two-thirds percent (66 2/3%) of the voting power of all of the then outstanding shares of capital stock of the Company entitled to vote generally in the election of directors, voting together as a single class, shall be required to alter, amend or repeal Articles V, VI, VII and VIII.

Section 5. Annual Meetings.

(a) The annual meeting of the stockholders of the corporation, for the purpose of election of directors and for such other business as may properly come before it, shall be held on such date and at such time as may be designated from time to time by the Board of Directors. Nominations of persons for election to the Board of Directors of the corporation and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders: (i) pursuant to the corporation's notice of meeting of stockholders (with respect to business other than nominations); (ii) brought specifically by or at the direction of the Board of Directors; or (iii) by any stockholder of the corporation who was a stockholder of record at the time of giving the stockholder's notice provided for in Section 5(b) below, who is entitled to vote at the meeting and who complied with the notice procedures set forth in Section 5. For the avoidance of doubt, clause (iii) above shall be the exclusive means for a stockholder to make nominations and submit other business (other than matters properly included in the corporation's notice of meeting of stockholders and proxy statement under Rule 14a-8 under the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder (the "1934 Act")) before an annual meeting of stockholders.

(b) At an annual meeting of the stockholders, only such business shall be conducted as is a proper matter for stockholder action under Delaware law and as shall have been properly brought before the meeting.

(i) For nominations for the election to the Board of Directors to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of Section 5(a) of these Bylaws, the stockholder must deliver written notice to the Secretary at the principal executive offices of the corporation on a timely basis as set forth in Section 5(b)(iii) and must update and supplement such written notice on a timely basis as set forth in Section 5(c). The corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as an independent director of the corporation or that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such proposed nominee.

(ii) Other than proposals sought to be included in the corporation's proxy materials pursuant to Rule 14(a)-8 under the 1934 Act, for business other than nominations for the election to the Board of Directors to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of Section 5(a) of these Bylaws, the stockholder must deliver written notice to the Secretary at the principal executive offices of the corporation on a timely basis as set forth in Section 5(b)(iii), and must update and supplement such written notice on a timely basis as set forth in Section 5(c). Such stockholder's notice shall set forth: (A) as to each matter such stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting, and any material interest (including any anticipated benefit of such business to any Proponent (as defined below) other than solely as a result of its ownership of the corporation's capital stock, that is material to any Proponent individually, or to the Proponents in the aggregate) in such business of any Proponent; and (B) the information required by Section 5(b)(iv).

(iii) To be timely, the written notice required by Section 5(b)(i) or 5(b)(ii) must be received by the Secretary at the principal executive offices of the corporation not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting; provided, however, that, subject to the last sentence of this Section 5(b)(iii), in the event that the date of the annual meeting is advanced more than thirty (30) days prior to or delayed by more than thirty (30) days after the anniversary of the preceding year's annual meeting, notice by the stockholder to be timely must be so received not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made. In no event shall an adjournment or a postponement of an annual meeting for which notice has been given, or the public announcement thereof has been made, commence a new time period for the giving of a stockholder's notice as described above.

(iv) The written notice required by Section 5(b)(i) or 5(b)(ii) shall also set forth, as of the date of the notice and as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (each, a "Proponent" and collectively, the "Proponents"): (A) the name and address of each Proponent, as they appear on the corporation's books; (B) the class, series and number of shares of the corporation that are owned beneficially and of record by each Proponent; (C) a description of any agreement, arrangement or understanding (whether oral or in writing) with respect to such nomination or proposal between or among any Proponent and any of its affiliates or associates, and any others (including their names) acting in concert, or otherwise under the agreement, arrangement or understanding, with any of the foregoing; (D) a representation that the Proponents are holders of record or beneficial owners, as the case may be, of shares of the corporation entitled to vote at the meeting and intend to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice (with respect to a notice under Section 5(b)(i)) or to propose the business that is specified in the notice (with respect to a notice under Section 5(b)(ii)); (E) a representation as to whether the Proponents intend to deliver a proxy statement and form of proxy to holders of a sufficient number of holders of the corporation's voting shares to elect such nominee or nominees (with respect to a notice under Section 5(b)(i)) or to carry such proposal (with respect to a notice under Section 5(b)(ii)); (F) to the extent known by any Proponent, the name and address of any other stockholder supporting the proposal on the date of such stockholder's notice; and (G) a description of all Derivative Transactions (as defined below) by each

Proponent during the previous twelve (12) month period, including the date of the transactions and the class, series and number of securities involved in, and the material economic terms of, such Derivative Transactions.

For purposes of Sections 5 and 6, a “Derivative Transaction” means any agreement, arrangement, interest or understanding entered into by, or on behalf or for the benefit of, any Proponent or any of its affiliates or associates, whether record or beneficial:

(w) the value of which is derived in whole or in part from the value of any class or series of shares or other securities of the corporation,

(x) which otherwise provides any direct or indirect opportunity to gain or share in any gain derived from a change in the value of securities of the corporation,

(y) the effect or intent of which is to mitigate loss, manage risk or benefit of security value or price changes, or

(z) which provides the right to vote or increase or decrease the voting power of, such Proponent, or any of its affiliates or associates, with respect to any securities of the corporation,

which agreement, arrangement, interest or understanding may include, without limitation, any option, warrant, debt position, note, bond, convertible security, swap, stock appreciation right, short position, profit interest, hedge, right to dividends, voting agreement, performance-related fee or arrangement to borrow or lend shares (whether or not subject to payment, settlement, exercise or conversion in any such class or series), and any proportionate interest of such Proponent in the securities of the corporation held by any general or limited partnership, or any limited liability company, of which such Proponent is, directly or indirectly, a general partner or managing member.

(c) A stockholder providing written notice required by Section 5(b)(i) or (ii) shall update and supplement such notice in writing, if necessary, so that the information provided or required to be provided in such notice is true and correct in all material respects as of (i) the record date for the meeting and (ii) the date that is five (5) business days prior to the meeting and, in the event of any adjournment or postponement thereof, five (5) business days prior to such adjourned or postponed meeting. In the case of an update and supplement pursuant to clause (i) of this Section 5(c), such update and supplement shall be received by the Secretary at the principal executive offices of the corporation not later than five (5) business days after the record date for the meeting. In the case of an update and supplement pursuant to clause (ii) of this Section 5(c), such update and supplement shall be received by the Secretary at the principal executive offices of the corporation not later than two (2) business days prior to the date for the meeting, and, in the event of any adjournment or postponement thereof, two (2) business days prior to such adjourned or postponed meeting.

(d) Notwithstanding anything in Section 5(b)(iii) to the contrary, in the event that the number of directors is increased and there is no public announcement of the appointment of a director to fill such vacancy, or, if no appointment was made, of such vacancy, made by the corporation at least ten (10) days before the last day a stockholder may deliver a notice of nomination in accordance with Section 5(b)(iii), a stockholder's notice required by this Section 5 and which complies with the requirements in Section 5(b)(i), other than the timing requirements in Section 5(b)(iii), shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be received by the Secretary at the principal executive offices of the corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the corporation.

(e) A person shall not be eligible for election or re-election as a director unless the person is nominated either in accordance with clause (ii) of Section 5(a), or in accordance with clause (iii) of Section 5(a). Except as otherwise required by law, the chairperson of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made, or proposed, as the case may be, in accordance with the procedures set forth in these Bylaws and, if any proposed nomination or business is not in compliance with these Bylaws, or the Proponent does not act in accordance with the representations in Sections 5(b)(iv)(D) and 5(b)(iv)(E), to declare that such proposal or nomination shall not be presented for stockholder action at the meeting and shall be disregarded, notwithstanding that proxies in respect of such nominations or such business may have been solicited or received.

(f) Notwithstanding the foregoing provisions of this Section 5, in order to include information with respect to a stockholder proposal in the proxy statement and form of proxy for a stockholders' meeting, a stockholder must also comply with all applicable requirements of the 1934 Act and the rules and regulations thereunder. Nothing in these Bylaws shall be deemed to affect any rights of stockholders to request inclusion of proposals in the corporation's proxy statement pursuant to Rule 14a-8 under the 1934 Act; provided, however, that any references in these Bylaws to the 1934 Act or the rules and regulations thereunder are not intended to and shall not limit the requirements applicable to proposals and/or nominations to be considered pursuant to Section 5(a)(iii) of these Bylaws.

(g) For purposes of Sections 5 and 6,

(i) "public announcement" shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the 1934 Act; and

(ii) "affiliates" and "associates" shall have the meanings set forth in Rule 405 under the Securities Act of 1933, as amended (the "1933 Act").

Section 6. Special Meetings.

(a) Special meetings of the stockholders of the corporation may be called, for any purpose as is a proper matter for stockholder action under Delaware law, by (i) the Chairperson of the Board of Directors, (ii) the Chief Executive Officer, (iii) the Board of Directors pursuant to a resolution adopted by a majority of the total number of authorized directors (whether or not there exist any vacancies in previously authorized directorships at the time any such resolution is presented to the Board of Directors for adoption), or (iv) the Secretary, or in case of the death, absence, incapacity or refusal of the Secretary, by any other officer, upon written application of one or more Stockholders who hold at least eighty percent (80%) in interest of the capital stock of the Corporation entitled to vote at such meeting.

(b)The Board of Directors shall determine the time and place, if any, of such special meeting. Upon determination of the time and place, if any, of the meeting, the Secretary shall cause a notice of meeting to be given to the stockholders entitled to vote, in accordance with the provisions of Section 7 of these Bylaws. No business may be transacted at such special meeting otherwise than specified in the notice of meeting.

(c)Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected (i) by or at the direction of the Board of Directors or (ii) by any stockholder of the corporation who is a stockholder of record at the time of giving notice provided for in this paragraph, who shall be entitled to vote at the meeting and who delivers written notice to the Secretary of the corporation setting forth the information required by Section 5(b)(i). In the event the corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder of record may nominate a person or persons (as the case may be), for election to such position(s) as specified in the corporation's notice of meeting, if written notice setting forth the information required by Section 5(b)(i) of these Bylaws shall be received by the Secretary at the principal executive offices of the corporation not later than the close of business on the later of the ninetieth (90th) day prior to such meeting or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. The stockholder shall also update and supplement such information as required under Section 5(c). In no event shall an adjournment or a postponement of a special meeting for which notice has been given, or the public announcement thereof has been made, commence a new time period for the giving of a stockholder's notice as described above.

(d) Notwithstanding the foregoing provisions of this Section 6, a stockholder must also comply with all applicable requirements of the 1934 Act and the rules and regulations thereunder with respect to matters set forth in this Section 6. Nothing in these Bylaws shall be deemed to affect any rights of stockholders to request inclusion of proposals in the corporation's proxy statement pursuant to Rule 14a-8 under the 1934 Act; provided, however, that any references in these Bylaws to the 1934 Act or the rules and regulations thereunder are not intended to and shall not limit the requirements applicable to nominations for the election to the Board of Directors to be considered pursuant to Section 6(c) of these Bylaws.

Section 7. Notice Of Meetings. Except as otherwise provided by law, notice, given in writing or by electronic transmission, of each meeting of stockholders shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting, such notice to specify the place, if any, date and hour, in the case of special meetings, the purpose or purposes of the meeting, and the means of remote communications, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at any such meeting. If mailed, notice is given when deposited in the United States mail, postage prepaid, directed to the stockholder at such stockholder's address as it appears on the records of the corporation. Notice of the time, place, if any, and purpose of any meeting of stockholders may be waived in writing, signed by the person entitled to notice thereof, or by electronic transmission by such person, either before or after such meeting, and will be waived by any stockholder by his attendance thereat in person, by remote communication, if applicable, or by proxy, except when the stockholder attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Any stockholder so waiving notice of such meeting shall be bound by the proceedings of any such meeting in all respects as if due notice thereof had been given.

Section 8. Quorum. At all meetings of stockholders, except where otherwise provided by statute or by the Certificate of Incorporation, or by these Bylaws, the presence, in person, by remote communication, if applicable, or by proxy duly authorized, of the holders of a majority of the outstanding shares of stock entitled to vote shall constitute a quorum for the transaction of business. In the absence of a quorum, any meeting of stockholders may be adjourned, from time to time, either by the chairperson of the meeting or by vote of the holders of a majority of the shares represented thereat, but no other business shall be transacted at such meeting. The stockholders present at a duly called or convened meeting, at which a quorum is present, may continue to transact business until adjournment, notwithstanding the withdrawal of enough stockholders to leave less than a quorum. Except as otherwise provided by statute or by applicable stock exchange rules, or by the Certificate of Incorporation or these Bylaws, in all matters other than the election of directors, the affirmative vote of the majority of shares present in person, by remote communication, if applicable, or represented by proxy at the meeting and entitled to vote generally on the subject matter shall be the act of the stockholders. Except as otherwise provided by statute, the Certificate of Incorporation or these Bylaws, directors shall be elected by a plurality of the votes of the shares present in person, by remote communication, if applicable, or represented by proxy at the meeting and entitled to vote generally on the election of directors. Where a separate vote by a class or classes or series is required, except where otherwise provided by the statute or by the Certificate of Incorporation or these Bylaws, a majority of the outstanding shares of such class or classes or series, present in person, by remote communication, if applicable, or represented by proxy duly authorized, shall constitute a quorum entitled to take action with respect to that vote on that matter. Except where otherwise provided by statute or by the Certificate of Incorporation or these Bylaws, the affirmative vote of the majority (plurality, in the case of the election of directors) of shares of such class or classes or series present in person, by remote communication, if applicable, or represented by proxy at the meeting shall be the act of such class or classes or series.

Section 9. Adjournment And Notice Of Adjourned Meetings. Any meeting of stockholders, whether annual or special, may be adjourned from time to time either by the chairperson of the meeting or by the vote of a majority of the shares present in person, by remote communication, if applicable, or represented by proxy at the meeting. When a meeting is adjourned to another time or place, if any, notice need not be given of the adjourned meeting if the time and place, if any, thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty (30) days or if after the adjournment a new record date is fixed for the adjourned

meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Section 10. **Voting Rights.** For the purpose of determining those stockholders entitled to vote at any meeting of the stockholders, except as otherwise provided by law, only persons in whose names shares stand on the stock records of the corporation on the record date, as provided in Section 12 of these Bylaws, shall be entitled to vote at any meeting of stockholders. Every person entitled to vote shall have the right to do so either in person, by remote communication, if applicable, or by an agent or agents authorized by a proxy granted in accordance with Delaware law. An agent so appointed need not be a stockholder. No proxy shall be voted after three (3) years from its date of creation unless the proxy provides for a longer period.

Section 11. **Joint Owners Of Stock.** If shares or other securities having voting power stand of record in the names of two (2) or more persons, whether fiduciaries, members of a partnership, joint tenants, tenants in common, tenants by the entirety, or otherwise, or if two (2) or more persons have the same fiduciary relationship respecting the same shares, unless the Secretary is given written notice to the contrary and is furnished with a copy of the instrument or order appointing them or creating the relationship wherein it is so provided, their acts with respect to voting shall have the following effect: (a) if only one (1) votes, his act binds all; (b) if more than one (1) votes, the act of the majority so voting binds all; (c) if more than one (1) votes, but the vote is evenly split on any particular matter, each faction may vote the securities in question proportionally, or may apply to the Delaware Court of Chancery for relief as provided in the DGCL, Section 217(b). If the instrument filed with the Secretary shows that any such tenancy is held in unequal interests, a majority or even-split for the purpose of subsection (c) shall be a majority or even-split in interest.

Section 12. **List Of Stockholders.** The Secretary shall prepare and make, at least ten (10) days before every meeting of stockholders, a complete list of the stockholders entitled to vote at said meeting, arranged in alphabetical order, showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, (a) on a reasonably accessible electronic network, provided that the information

required to gain access to such list is provided with the notice of the meeting, or (b) during ordinary business hours, at the principal place of business of the corporation. In the event that the corporation determines to make the list available on an electronic network, the corporation may take reasonable steps to ensure that such information is available only to stockholders of the corporation. The list shall be open to examination of any stockholder during the time of the meeting as provided by law.

Section 13. Action Without Meeting. No action shall be taken by the stockholders except at an annual or special meeting of stockholders called in accordance with these Bylaws, and no action shall be taken by the stockholders by written consent or by electronic transmission.

Section 14. Organization.

(a) At every meeting of stockholders, the Chairperson of the Board of Directors, or, if a Chairperson has not been appointed or is absent, the Chief Executive Officer, or if no Chief Executive Officer is then serving or is absent, the President, or, if the President is absent, a chairperson of the meeting chosen by a majority in interest of the stockholders entitled to vote, present in person or by proxy, shall act as chairperson. The Chairperson of the Board may appoint the Chief Executive Officer as chairperson of the meeting. The Secretary, or, in his or her absence, an Assistant Secretary or other officer or other person directed to do so by the chairperson of the meeting, shall act as secretary of the meeting.

(b) The Board of Directors of the corporation shall be entitled to make such rules or regulations for the conduct of meetings of stockholders as it shall deem necessary, appropriate or convenient. Subject to such rules and regulations of the Board of Directors, if any, the chairperson of the meeting shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chairperson, are necessary, appropriate or convenient for the proper conduct of the meeting, including, without limitation, establishing an agenda or order of business for the meeting, rules and procedures for maintaining order at the meeting and the safety of those present, limitations on participation in such meeting to stockholders of record of the corporation and their duly authorized and constituted proxies and such other persons as the chairperson shall permit, restrictions on entry to the meeting after the time fixed for the commencement thereof, limitations on the time allotted to questions or comments by participants and regulation of the opening and closing of the polls for balloting on matters which are to be voted on by ballot. The date and time of the opening and closing of the polls for each matter upon which the stockholders will vote at the meeting shall be announced at the meeting. Unless and to the extent determined by the Board of Directors or the chairperson of the meeting, meetings of stockholders shall not be required to be held in accordance with rules of parliamentary procedure.

ARTICLE IV

DIRECTORS

Section 15. Number And Term Of Office. The authorized number of directors of the corporation shall be fixed in accordance with the Certificate of Incorporation. Directors need not be stockholders unless so required by the Certificate of Incorporation. If for any cause, the directors shall not have been elected at an annual meeting, they may be elected as soon thereafter as convenient at a special meeting of the stockholders called for that purpose in the manner provided in these Bylaws.

Section 16. Powers. The powers of the corporation shall be exercised, its business conducted and its property controlled by the Board of Directors, except as may be otherwise provided by statute or by the Certificate of Incorporation.

Section 17. Term. Each director shall serve until his successor is duly elected and qualified or until his earlier death, resignation or removal. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

Section 18. Vacancies. Unless otherwise provided in the Certificate of Incorporation, and subject to the rights of the holders of any series of Preferred Stock or as otherwise provided by applicable law, any vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes and any newly created directorships resulting from any increase in the number of directors shall, unless the Board of Directors determines by resolution that any such vacancies or newly created directorships shall be filled by stockholders, be filled only by the affirmative vote of a majority of the directors then in office, even though less than a quorum of the Board of Directors,

or by a sole remaining director, and not by the stockholders, provided, however, that whenever the holders of any class or classes of stock or series thereof are entitled to elect one or more directors by the provisions of the Certificate of Incorporation, vacancies and newly created directorships of such class or classes or series shall, unless the Board of Directors determines by resolution that any such vacancies or newly created directorships shall be filled by stockholders, be filled by a majority of the directors elected by such class or classes or series thereof then in office, or by a sole remaining director so elected, and not by the stockholders. Any director elected in accordance with the preceding sentence shall hold office for the remainder of the full term of the director for which the vacancy was created or occurred and until such director's successor shall have been elected and qualified. A vacancy in the Board of Directors shall be deemed to exist under this Bylaw in the case of the death, removal or resignation of any director.

Section 19. Resignation. Any director may resign at any time by delivering his or her notice in writing or by electronic transmission to the Secretary, such resignation to specify whether it will be effective at a particular time. If no such specification is made, the Secretary, in his or her discretion, may either (a) require confirmation from the director prior to deeming the resignation effective, in which case the resignation will be deemed effective upon receipt of such confirmation, or (b) deem the resignation effective at the time of delivery of the resignation to the Secretary. When one or more directors shall resign from the Board of Directors, effective at a future date, a majority of the directors then in office, including those who have so resigned, shall have power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each Director so chosen shall hold office

for the unexpired portion of the term of the Director whose place shall be vacated and until his successor shall have been duly elected and qualified.

Section 20. Removal.

- (a) Subject to the rights of holders of any series of Preferred Stock to elect additional directors under specified circumstances, neither the Board of Directors nor any individual director may be removed without cause.
- (b) Subject to any limitation imposed by law, any individual director or directors may be removed with cause by the affirmative vote of the holders of at least sixty-six and two-thirds percent (66 2/3%) of the voting power of all then outstanding shares of capital stock of the corporation entitled to vote generally at an election of directors, voting together as a single class.

Section 21. Meetings.

- (a) Regular Meetings. Unless otherwise restricted by the Certificate of Incorporation, regular meetings of the Board of Directors may be held at any time or date and at any place within or without the State of Delaware which has been designated by the Board of Directors and publicized among all directors, either orally or in writing, by telephone, including a voice-messaging system or other system designed to record and communicate messages, facsimile, telegraph or telex, or by electronic mail or other electronic means. No further notice shall be required for regular meetings of the Board of Directors.
- (b) Special Meetings. Unless otherwise restricted by the Certificate of Incorporation, special meetings of the Board of Directors may be held at any time and place within or without the State of Delaware whenever called by the Chairperson of the Board, the Chief Executive Officer or a majority of the total number of authorized directors.
- (c) Meetings by Electronic Communications Equipment. Any member of the Board of Directors, or of any committee thereof, may participate in a meeting by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting.
- (d) Notice of Special Meetings. Notice of the time and place of all special meetings of the Board of Directors shall be orally or in writing, by telephone, including a voice messaging system or other system or technology designed to record and communicate messages, facsimile, telegraph or telex, or by electronic mail or other electronic means, during normal business hours, at least twenty-four (24) hours before the date and time of the meeting. If notice is sent by US mail, it shall be sent by first class mail, charges prepaid, at least three (3) days before the date of the meeting. Notice of any meeting may be waived in writing, or by electronic transmission, at any time before or after the meeting and will be waived by any director by attendance thereat, except when the director attends the meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened.
- (e) Waiver of Notice. The transaction of all business at any meeting of the Board of Directors, or any committee thereof, however called or noticed, or wherever held, shall be as valid as though it had been transacted at a meeting duly held after regular call and notice, if a quorum be present and if, either before or after the meeting, each of the directors not present who did not receive notice shall sign a written waiver of notice or shall waive notice by electronic transmission. All such waivers shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 22. Quorum And Voting.

- (a) Unless the Certificate of Incorporation requires a greater number, and except with respect to questions related to indemnification arising under Section 44 for which a quorum shall be one-third of the exact number of directors fixed from time to time, a quorum of the Board of Directors shall consist of a majority of the exact number of directors fixed from time to time by the Board of Directors in accordance with the Certificate of Incorporation; provided, however, at any meeting whether a quorum be present or otherwise, a majority of the directors present may adjourn from time to time until the time fixed for the next regular meeting of the Board of Directors, without notice other than by announcement at the meeting.
- (b) At each meeting of the Board of Directors at which a quorum is present, all questions and business shall be determined by the affirmative vote of a majority of the directors present, unless a different vote be required by law, the Certificate of Incorporation or these Bylaws.

Section 23. Action Without Meeting. Unless otherwise restricted by the Certificate of Incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all members of the Board of Directors or committee, as the case may be, consent thereto in writing or by electronic transmission, and such writing or writings or transmission or transmissions are filed with the minutes of proceedings of the Board of Directors or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

Section 24. Fees And Compensation. Directors shall be entitled to such compensation for their services as may be approved by the Board of Directors, including, if so approved, by resolution of the Board of Directors, a fixed sum and expenses of attendance, if any, for attendance at each regular or special meeting of the Board of Directors and at any meeting of a committee of the Board of Directors. Nothing herein contained shall be construed to preclude any director from serving the corporation in any other capacity as an officer, agent, employee, or otherwise and receiving compensation therefor.

C-6

Section 25. Committees.

(a) Executive Committee. The Board of Directors may appoint an Executive Committee to consist of one (1) or more members of the Board of Directors. The Executive Committee, to the extent permitted by law and provided in the resolution of the Board of Directors shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the corporation, and may authorize the seal of the corporation to be affixed to all papers which may require it; but no such committee shall have the power or authority in reference to (i) approving or adopting, or recommending to the stockholders, any action or matter (other than the election or removal of directors) expressly required by the DGCL to be submitted to stockholders for approval, or (ii) adopting, amending or repealing any Bylaw of the corporation.

(b) Other Committees. The Board of Directors may, from time to time, appoint such other committees as may be permitted by law. Such other committees appointed by the Board of Directors shall consist of one (1) or more members of the Board of Directors and shall have such powers and perform such duties as may be prescribed by the resolution or resolutions creating such committees, but in no event shall any such committee have the powers denied to the Executive Committee in these Bylaws.

(c) Term. The Board of Directors, subject to any requirements of any outstanding series of Preferred Stock and the provisions of subsections (a) or (b) of this Section 25, may at any time increase or decrease the number of members of a committee or terminate the existence of a committee. The membership of a committee member shall terminate on the date of his death or voluntary resignation from the committee or from the Board of Directors. The Board of Directors may at any time for any reason remove any individual committee member and the Board of Directors may fill any committee vacancy created by death, resignation, removal or increase in the number of members of the committee. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee, and, in addition, in the absence or disqualification of any member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member.

(d) Meetings. Unless the Board of Directors shall otherwise provide, regular meetings of the Executive Committee or any other committee appointed pursuant to this Section 25 shall be held at such times and places as are determined by the Board of Directors, or by any such committee, and when notice thereof has been given to each member of such committee, no further notice of such regular meetings need be given thereafter. Special meetings of any such committee may be held at any place which has been determined from time to time by such committee, and may be called by any Director who is a member of such committee, upon notice to the members of such committee of the time and place of such special meeting given in the manner provided for the giving of notice to members of the Board of Directors of the time and place of special meetings of the Board of Directors. Notice of any special meeting of any committee may be waived in writing or by electronic transmission at any time before or after the meeting and will be waived by any director by attendance thereat, except when the director attends such special meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Unless otherwise provided by the Board of Directors in the resolutions authorizing the creation of the committee, a majority of the authorized number of members of any such committee shall constitute a quorum for the transaction of business, and the act of a majority of those present at any meeting at which a quorum is present shall be the act of such committee.

Section 26. Duties of Chairperson of the Board of Directors. The Chairperson of the Board of Directors, if appointed and when present, shall preside at all meetings of the stockholders and the Board of Directors. The Chairperson of the Board of Directors shall perform other duties commonly incident to the office and shall also perform such other duties and have such other powers, as the Board of Directors shall designate from time to time.

Section 27. Organization. At every meeting of the directors, the Chairperson of the Board of Directors, or, if a Chairperson has not been appointed or is absent, the Chief Executive Officer (if a director), or, if a Chief Executive Officer is absent, the President (if a director), or if the President is absent, the most senior Vice President (if a director), or, in the absence of any such person, a chairperson of the meeting chosen by a majority of the directors present, shall preside over the meeting. EXECUTION OF CORPORATE INSTRUMENTS AND VOTING SECURITIES OWNED BY THE CORPORATION

Section 33. Execution Of Corporate Instruments. The Board of Directors may, in its discretion, determine the method and designate the signatory officer or officers, or other person or persons, to execute on behalf of the corporation any corporate instrument or document, or to sign on behalf of the corporation the corporate name without limitation, or to enter into contracts on behalf of the corporation, except where otherwise provided by law or these Bylaws, and such execution or signature shall be binding upon the corporation.

All checks and drafts drawn on banks or other depositories on funds to the credit of the corporation or in special accounts of the corporation shall be signed by such person or persons as the Board of Directors shall authorize so to do.

Unless authorized or ratified by the Board of Directors or within the agency power of an officer, no officer, agent or employee shall have any power or authority to bind the corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or for any amount.

Section 34. Voting Of Securities Owned By The Corporation. All stock and other securities of other corporations owned or held by the corporation for itself, or for other parties in any capacity, shall be voted, and all proxies with respect thereto shall be executed, by the person authorized so to do by resolution of the Board of Directors, or, in the absence of such authorization, by the Chairperson of the Board of Directors, the Chief Executive Officer, the President, or any Vice President.

ARTICLE VII

SHARES OF STOCK

Section 35. Form And Execution Of Certificates. The shares of the corporation shall be represented by certificates, or shall be uncertificated if so provided by resolution or resolutions of the Board of Directors. Certificates for the shares of stock, if any, shall be in such form as is consistent with the Certificate of Incorporation and applicable law. Every holder of stock in the corporation represented by certificate shall be entitled to have a certificate signed by or in the name of the corporation by the Chairperson of the Board of Directors, or the President or any Vice President and by the Treasurer or Assistant Treasurer or the Secretary or Assistant Secretary, certifying the number of shares owned by him in the corporation. Any or all of the signatures on the certificate may be facsimiles. In case any officer, transfer agent, or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent, or registrar before such certificate is issued, it may be issued with the same effect as if he were such officer, transfer agent, or registrar at the date of issue.

Section 36. Lost Certificates. A new certificate or certificates shall be issued in place of any certificate or certificates theretofore issued by the corporation alleged to have been lost, stolen, or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen, or destroyed. The corporation may require, as a condition precedent to the issuance of a new certificate or certificates, the owner of such lost, stolen, or destroyed certificate or certificates, or the owner's legal representative, to agree to indemnify the corporation in such manner as it shall require or to give the corporation a surety bond in such form and amount as it may direct as indemnity against any claim that may be made against the corporation with respect to the certificate alleged to have been lost, stolen, or destroyed.

Section 37. Transfers.

(a) Transfers of record of shares of stock of the corporation shall be made only upon its books by the holders thereof, in person or by attorney duly authorized, and, in the case of stock represented by certificate, upon the surrender of a properly endorsed certificate or certificates for a like number of shares.

(b) The corporation shall have power to enter into and perform any agreement with any number of stockholders of any one or more classes of stock of the corporation to restrict the transfer of shares of stock of the corporation of any one or more classes owned by such stockholders in any manner not prohibited by the DGCL.

Section 38. Fixing Record Dates.

- (a) In order that the corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall, subject to applicable law, not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.
- (b) In order that the corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment of any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than

sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 39. Registered Stockholders. The corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Delaware.

ARTICLE VIII

OTHER SECURITIES OF THE CORPORATION

Section 34. Execution Of Other Securities. All bonds, debentures and other corporate securities of the corporation, other than stock certificates (covered in Section 35), may be signed by the Chairperson of the Board of Directors, the President or any Vice President, or such other person as may be authorized by the Board of Directors, and the corporate seal impressed thereon or a facsimile of such seal imprinted thereon and attested by the signature of the Secretary or an Assistant Secretary, or the Chief Financial Officer or Treasurer or an Assistant Treasurer; provided, however, that where any such bond, debenture or other corporate security shall be authenticated by the manual signature, or where permissible facsimile signature, of a trustee under an indenture pursuant to which such bond, debenture or other corporate security shall be issued, the signatures of the persons signing and attesting the corporate seal on such bond, debenture or other corporate security may be the imprinted facsimile of the signatures of such persons. Interest coupons appertaining to any such bond, debenture or other corporate security, authenticated by a trustee as aforesaid, shall be signed by the Treasurer or an Assistant Treasurer of the corporation or such other person as may be authorized by the Board of Directors, or bear imprinted thereon the facsimile signature of such person. In case any officer who shall have signed or attested any bond, debenture or other corporate security, or whose facsimile signature shall appear thereon or on any such interest coupon, shall have ceased to be such officer before the bond, debenture or other corporate security so signed or attested shall have been delivered, such bond, debenture or other corporate security nevertheless may be adopted by the corporation and issued and delivered as though the person who signed the same or whose facsimile signature shall have been used thereon had not ceased to be such officer of the corporation.

ARTICLE IX

Section 35. Declaration Of Dividends. Dividends upon the capital stock of the corporation, subject to the provisions of the Certificate of Incorporation and applicable law, if any, may be declared by the Board of Directors pursuant to law at any regular or special meeting. Dividends may be paid in cash, in property, or in shares of the capital stock, subject to the provisions of the Certificate of Incorporation and applicable law.

Section 36. Dividend Reserve. Before payment of any dividend, there may be set aside out of any funds of the corporation available for dividends such sum or sums as the Board of Directors from time to time, in their absolute discretion, think proper as a reserve or reserves to meet contingencies, or for equalizing dividends, or for repairing or maintaining any property of the corporation, or for such other purpose as the Board of Directors shall think conducive to the interests of the corporation, and the Board of Directors may modify or abolish any such reserve in the manner in which it was created.

ARTICLE X

Fiscal Year

Section 43. Fiscal Year. The fiscal year of the corporation shall be fixed by resolution of the Board of Directors.

ARTICLE XI

Indemnification

Section 44. Indemnification of Directors, Executive Officers, Other Officers, Employees and Other Agents.

(a) Directors and executive officers. The corporation shall indemnify its directors and executive officers (for the purposes of this Article XI, "executive officers" shall have the meaning defined in Rule 3b-7 promulgated under the 1934 Act) to the extent not prohibited by the DGCL or any other applicable law; provided, however, that the corporation may modify the extent of such indemnification by individual contracts with its directors and executive

officers; and, provided, further, that the corporation shall not be required to indemnify any director or executive officer in connection with any proceeding (or part thereof) initiated by such person unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Board of Directors of the corporation, (iii) such indemnification is provided by the corporation, in its sole discretion, pursuant to the powers vested in the corporation under the DGCL or any other applicable law or (iv) such indemnification is required to be made under subsection (d).

(b)Other Officers, Employees and Other Agents. The corporation shall have power to indemnify its other officers, employees and other agents as set forth in the DGCL or any other applicable law. The Board of Directors shall have the power to delegate the determination of whether indemnification shall be given to any such person except executive officers to such officers or other persons as the Board of Directors shall determine.

(c)Expenses. The corporation shall advance to any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a director or executive officer, of the corporation, or is or was serving at the request of the corporation as a director or executive officer of another corporation, partnership, joint venture, trust or other enterprise, prior to the final disposition of the

C-10

proceeding, promptly following request therefor, all expenses incurred by any director or executive officer in connection with such proceeding provided, however, that if the DGCL requires, an advancement of expenses incurred by a director or executive officer in his or her capacity as a director or executive officer (and not in any other capacity in which service was or is rendered by such indemnitee, including, without limitation, service to an employee benefit plan) shall be made only upon delivery to the corporation of an undertaking (hereinafter an "undertaking"), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal (hereinafter a "final adjudication") that such indemnitee is not entitled to be indemnified for such expenses under this section or otherwise.

Notwithstanding the foregoing, unless otherwise determined pursuant to paragraph (e) of this section, no advance shall be made by the corporation to an executive officer of the corporation (except by reason of the fact that such executive officer is or was a director of the corporation in which event this paragraph shall not apply) in any action, suit or proceeding, whether civil, criminal, administrative or investigative, if a determination is reasonably and promptly made (i) by a majority vote of directors who were not parties to the proceeding, even if not a quorum, or (ii) by a committee of such directors designated by a majority vote of such directors, even though less than a quorum, or (iii) if there are no such directors, or such directors so direct, by independent legal counsel in a written opinion, that the facts known to the decision-making party at the time such determination is made demonstrate clearly and convincingly that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the corporation.

(d) Enforcement. Without the necessity of entering into an express contract, all rights to indemnification and advances to directors and executive officers under this Bylaw shall be deemed to be contractual rights and be effective to the same extent and as if provided for in a contract between the corporation and the director or executive officer.

Any right to indemnification or advances granted by this section to a director or executive officer shall be enforceable by or on behalf of the person holding such right in any court of competent jurisdiction if (i) the claim for indemnification or advances is denied, in whole or in part, or (ii) no disposition of such claim is made within ninety (90) days of request therefor. To the extent permitted by law, the claimant in such enforcement action, if successful in whole or in part, shall be entitled to be paid also the expense of prosecuting the claim. In connection with any claim for indemnification, the corporation shall be entitled to raise as a defense to any such action that the claimant has not met the standards of conduct that make it permissible under the DGCL or any other applicable law for the corporation to indemnify the claimant for the amount claimed. In connection with any claim by an executive officer of the corporation (except in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such executive officer is or was a director of the corporation) for advances, the corporation shall be entitled to raise a defense as to any such action clear and convincing evidence that such person acted in bad faith or in a manner that such person did not believe to be in or not opposed to the best interests of the corporation, or with respect to any criminal action or proceeding that such person acted without reasonable cause to believe that his conduct was lawful. Neither the failure of the corporation (including its Board of Directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the DGCL or any other applicable law, nor an actual determination by the corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct. In any suit brought by a director or executive officer to enforce a right to indemnification or to an advancement of expenses hereunder, the burden of proving that the director or executive officer is not entitled to be indemnified, or to such advancement of expenses, under this section or otherwise shall be on the corporation.

(e) Non-Exclusivity of Rights. The rights conferred on any person by this Bylaw shall not be exclusive of any other right which such person may have or hereafter acquire under any applicable statute, provision of the Certificate of Incorporation, Bylaws, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in his official capacity and as to action in another capacity while holding office. The corporation is specifically authorized to enter into individual contracts with any or all of its directors, officers, employees or agents respecting indemnification and advances, to the fullest extent not prohibited by the DGCL, or by any other applicable law.

- (f) **Survival of Rights.** The rights conferred on any person by this Bylaw shall continue as to a person who has ceased to be a director or executive officer or officer, employee or other agent and shall inure to the benefit of the heirs, executors and administrators of such a person.
- (g) **Insurance.** To the fullest extent permitted by the DGCL or any other applicable law, the corporation, upon approval by the Board of Directors, may purchase insurance on behalf of any person required or permitted to be indemnified pursuant to this section.
- (h) **Amendments.** Any repeal or modification of this section shall only be prospective and shall not affect the rights under this Bylaw in effect at the time of the alleged occurrence of any action or omission to act that is the cause of any proceeding against any agent of the corporation.
- (i) **Saving Clause.** If this Bylaw or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the corporation shall nevertheless indemnify each director and executive officer to the full extent not prohibited by any applicable portion of this section that shall not have been invalidated, or by any other applicable law. If this section shall be invalid due to the application of the indemnification provisions of another jurisdiction, then the corporation shall indemnify each director and executive officer to the full extent under any other applicable law.
- (j) **Certain Definitions.** For the purposes of this Bylaw, the following definitions shall apply:

(i)The term “proceeding” shall be broadly construed and shall include, without limitation, the investigation, preparation, prosecution, defense, settlement, arbitration and appeal of, and the giving of testimony in, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative.

(ii)The term “expenses” shall be broadly construed and shall include, without limitation, court costs, attorneys’ fees, witness fees, fines, amounts paid in settlement or judgment and any other costs and expenses of any nature or kind incurred in connection with any proceeding.

(iii)The term the “corporation” shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this section with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

(iv)References to a “director,” “executive officer,” “officer,” “employee,” or “agent” of the corporation shall include, without limitation, situations where such person is serving at the request of the corporation as, respectively, a director, executive officer, officer, employee, trustee or agent of another corporation, partnership, joint venture, trust or other enterprise.

(v)References to “other enterprises” shall include employee benefit plans; references to “fines” shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to “serving at the request of the corporation” shall include any service as a director, officer, employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee, or agent with respect to an employee benefit plan, its participants, or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “not opposed to the best interests of the corporation” as referred to in this section.

ARTICLE XII

NOTICES

Section 45. Notices.

(a)Notice To Stockholders. Written notice to stockholders of stockholder meetings shall be given as provided in Section 7 herein. Without limiting the manner by which notice may otherwise be given effectively to stockholders under any agreement or contract with such stockholder, and except as otherwise required by law, written notice to stockholders for purposes other than stockholder meetings may be sent by US mail or nationally recognized overnight courier, or by facsimile, telegraph or telex or by electronic mail or other electronic means.

(b)Notice To Directors. Any notice required to be given to any director may be given by the method stated in subsection (a), as otherwise provided in these Bylaws with notice other than one which is delivered personally to be sent to such address as such director shall have filed in writing with the Secretary, or, in the absence of such filing, to the last known address of such director.

(c)Affidavit Of Mailing. An affidavit of mailing, executed by a duly authorized and competent employee of the corporation or its transfer agent appointed with respect to the class of stock affected, or other agent, specifying the name and address or the names and addresses of the stockholder or stockholders, or director or directors, to whom any such notice or notices was or were given, and the time and method of giving the same, shall in the absence of fraud, be prima facie evidence of the facts therein contained.

(d)Methods of Notice. It shall not be necessary that the same method of giving notice be employed in respect of all recipients of notice, but one permissible method may be employed in respect of any one or more, and any other permissible method or methods may be employed in respect of any other or others.

(e)Notice To Person With Whom Communication Is Unlawful. Whenever notice is required to be given, under any provision of law or of the Certificate of Incorporation or Bylaws of the corporation, to any person with whom communication is unlawful, the giving of such notice to such person shall not be required and there shall be no duty to apply to any governmental authority or agency for a license or permit to give such notice to such person. Any action

or meeting which shall be taken or held without notice to any such person with whom communication is unlawful shall have the same force and effect as if such notice had been duly given. In the event that the action taken by the corporation is such as to require the filing of a certificate under any provision of the DGCL, the certificate shall state, if such is the fact and if notice is required, that notice was given to all persons entitled to receive notice except such persons with whom communication is unlawful.

(f) Notice to Stockholders Sharing an Address. Except as otherwise prohibited under DGCL, any notice given under the provisions of DGCL, the Certificate of Incorporation or the Bylaws shall be effective if given by a single written notice to stockholders who share an address if consented to by the stockholders at that address to whom such notice is given. Such consent shall have been deemed to have been given if such stockholder fails to object in writing to the corporation within sixty (60) days of having been given notice by the corporation of its intention to send the single notice. Any consent shall be revocable by the stockholder by written notice to the corporation.

ARTICLE XIII
AMENDMENTS

Section 46. Subject to the limitations set forth in Section 44(h) of these Bylaws or the provisions of the Certificate of Incorporation, the Board of Directors is expressly empowered to adopt, amend or repeal the Bylaws of the corporation. Any adoption, amendment or repeal of the Bylaws of the corporation by the Board of Directors shall require the approval of a majority of the authorized number of directors. The stockholders also shall have power to adopt, amend or repeal the Bylaws of the corporation; provided, however, that, in addition to any vote of the holders of any class or series of stock of the corporation required by law or by the Certificate of Incorporation, such action by stockholders shall require the affirmative vote of the holders of at least sixty-six and two-thirds percent (66-2/3%) of the voting power of all of the then-outstanding shares of the capital stock of the corporation entitled to vote generally in the election of directors, voting together as a single class.
