1. Teva Hungary Chooses Magic xpi Integration Platform to Improve Business Performance

PRESS RELEASE

Teva Hungary Chooses Magic xpi Integration Platform to Improve Business Performance

Or Yehuda, Israel, September 19, 2012 Magic Software Enterprises Ltd. (NASDAQ: MGIC), a global provider of software platforms for enterprise mobility, cloud applications, and business integration, announced today that Teva Hungary has adopted Magic xpi Integration Platform to update and enhance its customer ordering process.

Teva Hungary, which has been using Magic's technology for many years to manage all its operational processes, chose the Magic xpi code-free business integration platform to improve the efficiency, security, and performance of its electronic customer ordering process.

We were encountering many difficulties in implementing our electronic ordering system, in particular with regard to error-handling and order clarification. We solved these problems with Magic xpi, which offered the ideal solution for integrating all our logistics systems into a single, unified solution that truly works. said Mr. Janos Gorbe, Project Manager at Teva Hungary.

Commenting on the new deal, Yoram Aharon, CEO of Magic Israel, said: We are very pleased with Teva Hungary's decision to continue using Magic's technology. Magic xpi offers fast and cost-effective integration, providing enormous added value to our customers.
