ITEM 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers;  
Compensatory Arrangements of Certain Officers

Adoption of Amendments of the 2012 Equity Incentive Plan

On October 29, 2018, the Board of Directors of Natus Medical Incorporated (the “Company”) approved, subject to stockholder approval, the Company's 2018 Equity Incentive Plan (the “2018 Plan”), which amended and restated the Company's 2011 Stock Awards Plan (the “Prior Plan”). The 2018 Plan was approved by the Company's stockholders at a Special Meeting of Stockholders held on December 13, 2018. The 2018 Plan reserved for issuance an additional 3,000,000 shares of the Company's common stock, and shares subject to awards granted under the Prior Plan that are outstanding on the effective date of the 2018 Plan that are cancelled, forfeited, repurchased or that expire by their terms without shares being issued are returned to the pool of shares available for grant and issuance under the 2018 Plan. The 2018 Plan continues to provide that stock options or stock appreciation rights granted thereunder will reduce the pool available for award grants on a 1:1 ratio, and that any other type of award, including restricted stock and restricted stock units, will reduce the pool at a 2.5:1 ratio. The 2018 Plan continues to provide for the same types of equity awards and the same eligible participants as the Prior Plan.

A more complete description of the 2018 Plan and its terms is set forth in the Company's definitive proxy statement filed with the Securities and Exchange Commission on November 26, 2018 (the “Proxy Statement”). The foregoing description of the 2018 Plan and the description of the 2018 Plan in the Proxy Statement do not purport to be complete and are qualified in their respective entireties by reference to the 2018 Plan, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K.
