PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

Edgar Filing: CUMBERLAND TECHNOLOGIES INC - Form DEF 14A

This statement is furnished for the solicitation by the Board of Directors of proxies for the annual meeting of shareholders of Cumberland Technologies, Inc. ("Cumberland," or the "Company") to be held on October 22, 2001, at 9:00 a.m., Tampa time, at the office of Cumberland Technologies, Inc., 4311 West Waters Avenue, Suite 401, Tampa, Florida 33614. The sending in of a signed proxy will not affect the shareholder's right to attend the meeting and vote in person. A signed proxy may be revoked by the sending in of a timely but later dated, signed proxy. Any shareholder giving a proxy may also revoke it at any time before it is exercised by giving oral or written notice to Carol S. Black, Secretary of the Company, at the offices of the Company. Oral notice may be delivered by telephone call to Ms. Black, at the offices of the Company, at (813) 885-2112.

Holders of record of the Company's \$.001 par value Common Stock at the close of business on September 17, 2001, will be eligible to vote at the meeting. The Company's stock transfer books will not be closed. At the close of business on August 31, 2001, the Company had outstanding a total of 5,597,244 shares of \$.001 par value common stock (excluding a total of 318,112 shares of treasury stock held by the Company, which are not entitled to vote). Each such share will be entitled to one vote (non-cumulative) at the meeting.

Other than the matters set forth herein, management is not aware of any other matters that may come before the meeting. If any other business should properly come before the meeting, the persons named in the enclosed proxy will have discretionary authority to vote the shares represented by the effective proxies and intend to vote them in accordance with their best judgment.

This proxy statement and the attached proxy were first mailed to security holders on behalf of the Company on or about September 17, 2001. Properly executed proxies, timely returned, will be voted and, where the person solicited specifies by means of a ballot a choice with respect to any matter to be acted upon at the meeting, the shares will be voted as indicated by the shareholder. If the person solicited does not specify a choice with respect to election of directors, the shares will be voted "FOR" the nominees identified below for election as directors. In addition to the solicitation of proxies by the use of the mails, directors and officers of the Company may solicit proxies on behalf of the Board by telephone, telegram and personal interview. Such persons will receive no additional compensation for their solicitation activities, and will be reimbursed only for their actual expenses in connection therewith. The costs of soliciting proxies will be borne by the Company.

VOTING PROCEDURES AND VOTE REQUIRED

The Secretary of Cumberland, in consultation with the judges of election, who will be employees of the Company's transfer agent, shall determine the eligibility of persons present at the Annual Meeting to vote and shall determine whether the name signed on each proxy card corresponds to the name of a shareholder of the Company. The Secretary, based on such consultation, shall also determine whether or not a quorum of the shares of the Company (consisting of a majority of the votes entitled to be cast at the Annual Meeting) exists at the Annual Meeting. Both abstentions from voting and broker non-votes will be counted for the purpose of determining the presence or absence of a quorum for the transaction of business. If a quorum exists and a vote is taken at the Annual Meeting, the Secretary of the Company, with the assistance of the judges of election, shall tabulate (i) the votes cast for or against each proposal and (ii) the abstentions in respect of each proposal.

Directors will be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. Since there are three directorships to be filled, this means that the three individuals receiving the most votes will be elected. Abstentions and broker non-votes will therefore not be relevant

Edgar Filing: CUMBERLAND TECHNOLOGIES INC - Form DEF 14A

to the outcome.

The Company's Directors and Executive Officers beneficially own 76.7% of the shares of Cumberland Common Stock and intend to vote such shares in favor of the nominees named below. ELECTION OF DIRECTORS

The proxy holders intend to vote "FOR" election of the nominees named below (who are currently members of the Board) as directors of the Company, unless otherwise specified in the proxy. Directors of the Company elected at the Annual Meeting to be held on October 22, 2001 will hold office until the next Annual Meeting or until their successors are elected and qualified.

Each of the nominees has consented to serve on the Board of Directors, if elected. Should any nominee for the office of director become unable to accept nomination or election, which is not anticipated, it is the intention of the persons named in the proxy, unless otherwise specifically instructed in the proxy, to vote for the election in his stead of such other person as the Board may recommend.

The individuals listed below as nominees for the Board of Directors were directors of the Company during 2000. The name and age of each nominee, his principal occupation, and the period during which such person has served as a director is set forth below:

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee shall not be deemed to be "soliciting material" or be "filed" with the Securities and Exchange Commission ("the Commission") or subject to Regulations 14A or 14C of the Commission or to the liabilities of Section 18 of the Securities and Exchange Act of 1934 (the "Exchange Act") and shall not be deemed incorporated by reference into any filing under the Securities Act of 1933 or the Exchange Act, notwithstanding any general incorporated by reference of this Proxy Statement into any other document.

The Board of Directors maintain an Audit Committee comprised of three members of which two represent the Company's outside directors. The Board of Directors and the Audit Committee believes that the Audit Committee's current member composition satisfies the rule of the National Association of Securities Dealers, Inc. ("NASD") that governs audit committee composition as currently in effect, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200(a)(14). All of the Audit Committee members are independent except for Mr. Williams. Mr. Williams is not independent because he is an officer, director and a controlling shareholder of Kimmins Corp., an affiliate of Cumberland. The Board has determined that Mr. Williams membership on the Audit Committee is in the best interest of the Company. In addition, the Company qualifies as a "small business issuer" under SEC Regulation S-B and therefore, is only required to have two independent directors on its Audit Committee. The Board has adopted a written Charter of the Audit Committee, a copy of which is attached as Appendix A hereto.

The Audit Committee oversees the Company's financial process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of the financial statements with accounting principles generally accepted in the United States of America. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report on Form 10-K for the year ended December 31, 2000 with management. The Audit Committee considered the compatibility of the non-audit services the Company received from its independent auditors and the effect of such engagements on the independence of the independent auditors. The Audit Committee had previously met with management to discuss the interim financial statements of the Company for each applicable reporting period prior to the filing or distribution of such financial statements.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided

Edgar Filing: CUMBERLAND TECHNOLOGIES INC - Form DEF 14A

to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principals or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent."

In reliance on the reviews and discussion referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2000 for filing with Securities and Exchange Commission.

REPORT OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

There is no formal compensation committee of the Board of Directors or other committee of the Board performing equivalent functions. Compensation is determined by Francis M. Williams, Chairman of the Board of the Company under the direction of the Board of Directors. There is no formal compensation policy for the Chief Executive Officer of the Company. Compensation of the Chief Executive Officer, which primarily consists of salary, is based generally on performance and the Company's resources. Compensation for Mr. Joseph Williams has been fixed annually each year by the Chairman of the Board. Mr. Joseph Williams' compensation is not subject to any employment contract.

In general, following initial employment, the granting of stock-based incentives is considered by the Company to be justified when the Company's revenues and earnings, coupled with the individual executive's performance, warrant supplemental compensation in addition to the salary and bonus paid with respect to a given year. The Board thinks it unlikely that any participants in the Company's stock plans will, in the foreseeable future, receive in excess of \$1 Million in aggregate compensation (the maximum amount for which an employer may claim a compensation deduction pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended, unless certain performance-related compensation exemptions are met) during any fiscal year, and has therefore determined that the Company will not take any affirmative action at this time to meet the requirements of such exemptions.
