## Item 2.02 Results of Operations and Financial Condition

On November 9, 2010, Franklin Covey Co. (the Company) announced its financial results for the fiscal quarter and fiscal year ended August 31, 2010. A copy of the earnings release is being furnished as exhibit 99.1 to this current report on Form 8-K.

Exhibit 99.1 to this report contains information that references “Adjusted EBITDA,” which is a non-GAAP financial measure as defined in Regulation G. The Company defines Adjusted EBITDA as net loss from operations excluding the impact of interest expense, income tax benefit, income or loss from discontinued operations, amortization, depreciation, and other specified charges. The Company references this non-GAAP financial measure in its decision making because it provides supplemental information that facilitates consistent internal comparisons to the historical operating performance of prior periods and the Company believes it provides investors with greater transparency to evaluate operational activities and financial results.

Certain information in this Report (including the exhibit) is furnished pursuant to Item 2.02 and shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing made by the Company under the Securities Act of 1933, as amended, or the Exchange Act, except as expressly set forth by specific reference in such a filing.
