Item 1.01. Entry into a Material Definitive Agreement

Edgar Filing: UNITED STATES STEEL CORP - Form 8-K

On October 22, 2004, United States Steel Corporation completed the amendment and restatement of its \$600 million revolving credit facility, secured by all domestic inventory and related assets, including receivables other than those sold under its receivables sales program. The principal changes in the amended and restated agreement are: 1) the maturity was extended until October 2009; 2) the advance rates on semi-finished and raw materials were increased; 3) pricing for both borrowings and undrawn commitments was reduced; 4) certain of the required reserves were reduced; and 5) many of the restrictive covenants apply now only when average availability under the facility is less than \$100 million. Borrowings on the facility will be used for working capital and general corporate purposes.
