SECOND CONSENT STATEMENT

Edgar Filing: KANZER STEVE H - Form PREN14A

OF
STEVE H. KANZER
FOR
DOR BIOPHARMA, INC.

This Consent Solicitation Statement (this "Consent Statement") is furnished to you by Steve H. Kanzer (the "Solicitor") in connection with a solicitation of written consents from the holders of common stock, par value \$0.001 per share (the "Common Stock"), and Series B convertible preferred stock, par value \$0.05 per share (the "Preferred Stock"; together with the Common Stock, the "Stock"), of DOR Biopharma, Inc., a Delaware corporation ("DOR" or the "Company"), to take the following actions without a meeting of DOR's stockholders, as permitted by the Delaware General Corporation Law (the "DGCL"):

1. Remove (i) all current members of DOR's Board of Directors (the "Board of Directors") other than Steve H. Kanzer, Paul Rubin, M.D., Richard Dunning, Peter Kliem, Guy Rico, and Steven Thornton (the "Remaining Directors"), and (ii) any other person or persons (other than the persons elected pursuant to this consent) elected or appointed to the Board of Directors prior to the effective time of this stockholder action in addition to or in lieu of any of such current members (including any persons elected or appointed in lieu of the Remaining Directors) to fill any newly-created directorship or vacancy on the Board of Directors or otherwise (the "Director Removal Proposal").

2. Elect Gilbert Goldstein, Larry J. Kessel, M.D. and Peter Salomon, M.D., FACG (collectively, the "Nominees") as directors of DOR to serve until their respective successors are duly elected and qualified (the "Director Election Proposal").

3. Repeal any By-Laws adopted by the Board of Directors subsequent to May 29, 2002, and prior to the effectiveness of the Solicitor Proposals (as defined below), other than the amendment to the By-Laws contemplated by this Consent Statement (the "By-Laws Proposal"; collectively with the Director Removal Proposal, and the Director Election Proposal, the "Solicitor Proposals").

Call for a Special Meeting of Stockholders

Resolved, that the stockholders owning a majority of the shares of capital stock of DOR issued and outstanding as of May 29, 2002 do hereby call for a special meeting of stockholders at 10:00am central time on the first business day that is twenty (20) days after the date on which Steve H. Kanzer receives a number of consents constituting a majority of the shares of capital stock of DOR as of May 29, 2002 for the purpose of considering the Solicitor Proposals, unless such proposals are adopted by written consent in lieu of a meeting.

The Solicitor asks that stockholders of DOR consent to each of the Solicitor Proposals by marking the enclosed blue consent form appropriately, signing and dating it, and returning it promptly in accordance with the instructions set forth below.

This Consent Statement and the enclosed consent form are first being furnished to DOR's stockholders on or about May __, 2002.

SUMMARY OF CONSENT PROCEDURE

On May 24, 2002 the Solicitor filed an initial Consent Statement (the "Initial Consent Statement") with the Securities and Exchange Commission ("SEC") seeking the nearly identical resolutions contained herein by written consent of majority of the stockholders of DOR. Simultaneous therewith, on May 24, 2002 the Solicitor delivered by U.S. mail, facsimile and overnight mail the

Edgar Filing: KANZER STEVE H - Form PREN14A

Solicitor's own written consent as a stockholder taken in lieu of a meeting to DOR Biopharma, Inc. Under the DGCL, the record date of a written consent unless fixed by the board of directors of the corporation is the date on which the first consent is delivered to the corporation but may not be dated more than sixty (60) days following the delivery of the first written consent. Pursuant to SEC regulations, the Solicitor will not be permitted to solicit written consents from stockholders of DOR pursuant to the Initial Consent Statement until such date and time that the Initial Consent Statement is reviewed and declared effective for use by the SEC. Accordingly, until the Initial Consent Statement is declared effective by the SEC, the Solicitor's sixty (60) day "window" to solicit consents under the Initial Consent Statement is reduced by each passing day. In the event that the SEC review process extends beyond sixty (60) days from May 24, 2002, the Solicitor may be effectively precluded from seeking any consents based upon the record date of May 24, 2002 utilizing the date of delivery of the Solicitor's initial written consent.

On May 29, 2002, subsequent to the filing of the Initial Consent Statement and delivery of the Solicitor's initial written consent to DOR, the Chairman of DOR called a special meeting of the board of directors to take place on May 30, 2002, specifically including the purpose of amending the bylaws of DOR. A draft of such new amended and restated bylaws of DOR (the "Draft Amended and Restated Bylaws") were circulated to the board of directors of DOR by the Chairman of DOR, for their consideration at the upcoming board of directors meeting called for May 30, 2002. As of the date of this writing, May 29, 2002, the Draft Amended and Restated Bylaws have not been considered for approval by the board of directors of DOR.

Among other amendments, such as the inclusion of a prenotification period for the nomination of individuals to serve on the board of directors, the Draft Amended and Restated Bylaws, if approved by the board of directors as drafted, eliminate the ability of the stockholders of DOR to call a special meeting of stockholders which would also effectively eliminate the ability of the stockholders to act by written consent in lieu of a meeting without the consent of the board of directors of DOR. In light of such potential disenfranchisement of the stockholders of DOR and the potential for a protracted review process by the SEC in light of the Draft Amended and Restated Bylaws, that the Initial Consent Statement and this Second Consent Statement seek to revoke and declare null and void, the Solicitor decided to file this Second Consent Statement which is in addition to, and specifically not in lieu of the Initial Consent Statement. This Second Consent Statement is intended to be a protective "back-up" measure by the Solicitor in the event that a protracted SEC review process substantially curtails or eliminates the sixty (60) day window beginning May 24, 2002 for the Solicitor to seek written consents pursuant to the Initial Consent Statement.

This Second Consent Statement is similar to the Initial Consent Statement in form and objectives with one essential difference. Pursuant to this Second Consent Statement, the Solicitor does not intend to deliver his own written consent as a stockholder or any other stockholder written consent to DOR until after this Second Consent Statement is declared effective by the SEC. Pursuant to this Second Consent Statement, Solicitor's effective sixty (60) day window may be preserved since the record date will not begin and the sixty (60) day window to receive later dated written consents will not begin to expire until this Second Consent Statement is approved by the SEC and delivery of the first written consent is delivered to DOR.

This Second Consent Statement also seeks to revoke any amendment to the bylaws of DOR effective after May 24, 2002. This will necessarily include the Draft Amended and Restated Bylaws if such bylaws are approved by the board of directors of DOR on or after May 30, 2002. Although the record date of this Second Consent Statement will be after the date of enactment of the Draft

Edgar Filing: KANZER STEVE H - Form PREN14A

Amended and Restated Bylaws, the Solicitor believes that the Solicitor's prior notice given to the Board of Directors of DOR pursuant to the Initial Consent Statement dated May 24, 2002 and this Second Consent Statement filed with the SEC on May 29, 2002, should not disenfranchise powers held by the stockholders of DOR that are stockholders of record as of such dates and continue to remain stockholders as of the record date as established by the later delivery of the first written consent delivered by the Solicitor after the effectiveness of this Second Consent Statement and as may be amended. It is the Solicitor's belief that such outcome is in accordance with both the letter and intent of the laws of the State of Delaware and regulations of the SEC.

The Solicitor's Proposals will become effective on the date when the written consents of holders of a majority of the shares of Stock outstanding on the record date as determined in accordance with Delaware law (the "Record Date") are delivered to DOR, so long as each of those consents is delivered to DOR within 60 days of the earliest dated consent delivered to DOR. Section 213(b) of the DGCL provides that a corporation's board of directors may fix a record date for a consent solicitation, but that the date selected may not be more than ten days after the date upon which the resolution fixing the record date is adopted by the board. Section 213(b) also provides that if the board does not fix a record date, the record date will be the first date on which a signed written consent is delivered to the corporation. The written consents accompanying this Second Consent Statement specifically state that they shall not be considered validly delivered to DOR until after this Second Consent Statement, as amended, is declared effective by the SEC. Accordingly, the Record Date pursuant to the Second Consent Statement will not be until after this Second Consent Statement is declared effective by the SEC. The written consents will take effect when shares representing a majority of the shares of DOR entitled to vote are received by the Solicitor and delivered to DOR. The solicitation period will terminate after 60 days from the date when the SEC declares this proxy statement effective.

Although the Record Date will be after the date in which the Draft Amended and Restated Bylaws are adopted by the Board of Directors of DOR, if so adopted, the Solicitor believes that his prior notification to DOR on May 24, 2002 in the form of his filing of the Initial Consent Statement and delivery to DOR of the accompanying written consent associated therewith and prior notification on May 29, 2002 in the form of filing this Second Consent Statement with the SEC, should not disenfranchise stockholders of record of such date that continue to be stockholders of record as of the later Record Date pursuant to the Bylaws of DOR in effect on May 24, 2002 and May 29, 2002. In particular, the stockholders of DOR currently have the right to (a) call a special meeting of stockholders "at the request in writing . . . of the stockholders owning a majority of the shares of capital stock of [DOR] issued and outstanding and entitled to vote." Article II, Section 4, Bylaws of DOR (as successor to Biological Therapeutics, Inc. (a Delaware corporation)) and (b) the right to act by written consent "without a meeting, without prior notice, and without a vote, if a written consent, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present or represented by proxy or voted." Article II, Section 10, Bylaws of DOR (as successor to Biological Therapeutics, Inc.

To the Solicitor's knowledge, at the close of business on May 29, 2002, there were approximately 20,825,710 shares of Common Stock and 108,442 shares of Preferred Stock outstanding and entitled to vote. Each holder of Common Stock is entitled to one vote for each share of Common Stock held by it as of the Record Date. Each holder of Preferred Stock is entitled to one vote for each share of Common Stock into which a share of Preferred Stock was convertible as of the Record Date. As of the record date, the Solicitor believes each share of Preferred Stock is convertible into 13.55 shares of Common Stock.

Edgar Filing: KANZER STEVE H - Form PREN14A

Consequently, as of the Record Date, the Preferred Stock was entitled to an aggregate of 1,469,404 votes. The total voting power represented by the Common Stock and the Preferred Stock as of the Record Date is 22,295,114, with 11,147,557 votes constituting the majority required for adoption of the Solicitor Proposals.

As of the May 29, 2002, Mr. Kanzer owned 391,674 shares of Common Stock, and options exercisable within 60 days for 416,800 shares of Common Stock, representing in the aggregate approximately 3.62% of the voting power of the outstanding Stock as of the Record Date. As of the Record Date, Mr. Goldstein owned 50,423 shares of Common Stock representing in the aggregate approximately 0.23% of the voting power of the outstanding Stock as of the Record Date. Mr. Goldstein's three adult children own approximately 16,807 shares of Common Stock, as to which Mr. Goldstein disclaims beneficial ownership. As of the Record Date, Dr. Kessel owned no shares of Common Stock, although his wife owns 12,500 shares of Common Stock as to which Dr. Kessel disclaims beneficial ownership. As of the Record Date, Dr. Salomon does not own any shares of Common Stock. Accordingly, taken together the Solicitor and the Nominees own a total of 858,897 shares of Common Stock and options exercisable within 60 days, representing in the aggregate approximately 3.85% of the outstanding Stock as of the Record Date.

The Solicitor recommends that you consent to each of the Solicitor Proposals by marking the enclosed blue consent form appropriately, signing and dating it, and returning it promptly in the postage-paid envelope provided. Failure to sign and return your consent will have the same effect as voting against the Solicitor Proposals.

If your shares are held in the name of a brokerage firm, bank nominee or other institution, you should contact the person responsible for your account and give instructions for the consent form representing your shares to be marked, dated, signed and mailed. Only that institution can execute a consent form with respect to your shares held in the name of that institution and only upon receipt of specific instructions from you. The Solicitor urges you to confirm in writing your instructions to the person responsible for your account and to provide a copy of those instructions to the Solicitor at the address set forth below so that the Solicitor is aware of all instructions given and can attempt to ensure that those instructions are followed.

The Solicitor currently intends to cease the solicitation of consents once he has determined that valid and unrevoked consents representing a majority of the voting power represented by issued and outstanding shares of Stock as of the Record Date have been obtained and to deliver those consents to DOR in the manner required by Section 228 of the DGCL as soon as practicable thereafter. Once the Solicitor Proposals for which consents are given become effective, a stockholder will be unable to revoke his or her consent.

If the Solicitor Proposals become effective, as required by the DGCL, DOR will promptly notify by mail the stockholders who have not consented to the Solicitor Proposals.

Please return your completed consent form (or institution instructions), and direct any questions, to Steve H. Kanzer at the following coordinates:

WHY YOU SHOULD CONSENT TO THE SOLICITOR PROPOSALS

The Solicitor is concerned about the Company's current rate of spending and headcount relative to its available working capital. According to the Company's most recent 10QSB filing on May 15, 2002, the Company had \$4.7 million in working capital, with a quarterly loss of \$1.9 million (an increase of 61% from a loss of \$1.2 million for the first quarter 2001). The Solicitor disagrees in particular with the Company's rate of spending in the areas of management salaries, headcount, legal and accounting expenditures, and research and development relating to early stage, as opposed to late stage, pharmaceutical product opportunities. In addition, according to the Company's most recent 10QSB filing, "the Company may also seek to obtain funds from possible future public or private sales of our securities". The Solicitor would consider such a sale currently to be inadvisable given the Company's low stock price.

The Solicitor believes that DOR has substantial inherent value, and sufficient working capital to meet its objectives, if properly focused. The Solicitor is proposing the removal of all directors who are or were members of management and replacing such directors with directors that are independent of the Company's current or former management. If the consent solicitation is successful, the Solicitor is hopeful that the reconstituted board will direct management to: (i) institute a significant cost cutting program, reduction of Company management and reduction in headcount from its current level of 22 full-time employees; (ii) preserve the Company's existing capital (\$4.7 million as of the most recent 10QSB filing); (iii) focus the Company's remaining existing financial and human resources on completing the ongoing pivotal phase III clinical trial of orBectMI for Intestinal Graft-Vs-Host Disease (IGVHD) and Phase II trial for Crohn's disease; and (iv) as a consequence, hopefully avoid the need for any immediate dilutive financing transaction(s).

RESULTS OF THE DOR 2002 ANNUAL MEETING OF SHAREHOLDERS

At DOR's Annual Meeting of Stockholders held on May 23, 2002 (the "2002 Annual Meeting"), Mr. Kanzer nominated three individuals to be considered for election to the board of directors of DOR, Mr. Goldstein, Dr. Kessel and a third individual, Mr. Nicholas Stergis. At the 2002 Annual Meeting, Mr. Kanzer voted his 380,258 shares of Common Stock and voting proxies from eight (8) additional stockholders of record representing an additional approximately 7,948,850 shares of Common Stock and shares of Common Stock into which the Preferred Stock is convertible in favor of election of Mr. Goldstein, Dr. Kessel and Mr. Stergis. At the 2002 Annual Meeting, the approximately 8,099,621 total votes cast in favor of Mr. Goldstein, Dr. Kessel and Mr. Stergis were not sufficient to successfully elected these individuals to the board of directors due to the approximately 11,500,000 majority of votes cast in favor of the reelection of Mr. Colin Bier, the current Chairman and Chief Executive Officer of DOR, Mr. Michael Rosen, the current President and Chief Operating Officer of DOR and Kenneth Tempero, M.D., Ph.D., the former Chairman of DOR, whom this Consent seeks to remove from the board of directors. Of the 11,500,000 shares voting in favor of Messrs. Bier, Rosen and Dr. Tempero, approximately 8,400,000 shares were voted by transfer agents and various brokerage firms holding shares of Common Stock in "street name" on behalf of other beneficial owners. The Solicitor believes that most of these transfer agents and brokerage firms have abided by the common practice of voting such "street name" shares for which the beneficial owners fail to respond to a Company proxy in a so-called "uncontested election" in favor of the slate of directors recommended by the Company absent alternative instructions received from the beneficial owners. The precise number of votes cast under standing instructions as described is not known by the Solicitor.

THE SOLICITOR PROPOSALS

Edgar Filing: KANZER STEVE H - Form PREN14A

The Solicitor is seeking written consents from the holders of shares of Stock to elect the Nominees and adopt the other Solicitor Proposals and to take the following actions without a stockholders meeting, as permitted by the DGCL and the Company's By-Laws. The effectiveness of each of the Solicitor Proposals is subject to, and conditioned upon, the adoption of each of the other Solicitor Proposals by the holders of record, as of the close of business on the Record Date, of a majority of the voting power of the shares of Stock then outstanding. If, however, the By-Laws Proposal is not so adopted, the Solicitor reserves the right to waive this condition, but only with respect to the By-Laws Proposal.

Board Removal Proposal

This proposal would remove each of the current members of the Board of directors other than the Remaining Directors (as defined below) and the persons elected pursuant to this consent. The text of the resolution is as follows:

RESOLVED, that (1) each current member of the Board of Directors of DOR, other than Steve H. Kanzer, Paul Rubin, M.D., Richard Dunning, Peter Kliem, Guy Rico, and Steven Thornton (those current members, the "Remaining Directors"), and (2) any other person or persons (other than the persons elected pursuant to this consent) elected or appointed to the Board of Directors of DOR prior to the effective time of this resolution, in addition to or in lieu of any of such current members (including any persons elected or appointed in lieu of the Remaining Directors) to fill any newly created directorship or vacancy on the Board of Directors of DOR, or otherwise, is hereby removed and the office of each such member of the Board of Directors of DOR is hereby declared vacant.

Delaware law provides that directors of DOR may be removed, with or without cause, by the holders of a majority of the shares of stock then entitled to vote at an election of the directors. This Solicitor Proposal would remove three (3) of the current nine (9) directors (other than the Remaining Directors) so that the three (3) Nominees would, if elected, constitute, along with the six (6) Remaining Directors all of the nine (9) members of the Board of Directors. Each member of the Board of Directors would then serve until a successor is elected and qualified or until he resigns or is removed.

Director Election Proposal

This proposal would elect Gilbert Goldstein and Drs. Larry J. Kessel and Peter Salomon as directors of DOR. The text of the resolution is as follows:

RESOLVED, that Gilbert Goldstein, Larry J. Kessel, M.D. and Peter Salomon, M.D. are hereby elected as directors of DOR, to serve until their respective successors are duly elected and qualified.

The Solicitor seeks to replace Messrs. Bier, Rosen and Dr. Tempero with the three (3) Nominees. Pursuant to this Solicitor Proposal, the three (3) Nominees would, if elected, constitute, along with the six (6) Remaining Directors all of the nine (9) members of the Board of Directors. The Solicitor proposes that the Nominees named above, once elected, serve until the next annual meeting of the stockholders and until their successors have been duly elected and qualified. Each of the Nominees has consented to serve as a director of DOR if elected. See "Certain Information Regarding the Solicitor and the Nominees" for more information about the Nominees.

By-Laws Proposal

This proposal would repeal each provision of any amendment to the By-Laws adopted subsequent to May 29, 2002 (the day Mr. Kanzer delivered a notice to DOR of his intention to seek consent of the majority of the stockholders of DOR and

Edgar Filing: KANZER STEVE H - Form PREN14A

initially filed his consent solicitation documents for review by the Securities and Exchange Commission ("SEC"), and prior to the effectiveness of the Solicitor Proposals. This proposal is designed to prevent the existing Board of Directors from taking actions to amend the By-Laws which might prevent the stockholders from accomplishing the objectives described in this Consent Statement. Pursuant to this proposal, the Draft Amended and Restated Bylaws, if adopted by the board of directors of DOR on or after May 30, 2002 would be repealed upon effectiveness of the Solicitor Proposals. If the current Board of Directors adopts any other material amendments they would be repealed upon effectiveness of the Solicitor Proposals. The Solicitor will provide stockholders with additional materials regarding the Draft Amended and Restated Bylaws if adopted by the board of directors and of any other amendments as described above. The text of the resolution is set forth below.

RESOLVED, that all By-Laws adopted subsequent to May 29, 2002, and prior to the effectiveness of this resolution are null and void and of no force and effect.

Section 109 of the DGCL provides that "the power to adopt, amend or repeal bylaws shall be in the stockholders entitled to vote ...; provided, however, any corporation may, in its certificate of incorporation, confer the power to adopt, amend or repeal bylaws upon the directors The fact that such power has been so conferred upon the directors ... shall not divest the stockholders ... of the power, nor limit their power to adopt, amend or repeal bylaws." The Solicitor believes that such an unequivocal statement makes it clear that the stockholders of DOR have the power under Delaware law to repeal By-Laws as provided by the By-Laws Proposal, whether or not the By-Laws so amended or repealed are known to the stockholders. To the knowledge of the Solicitor, the Delaware courts have not addressed the validity of a proposal in the form of the By-Laws Proposal. Based upon a review of the By-Laws on file with the Commission as of May 29, 2002, the Solicitor does not believe that the invalidity of this proposal would have an adverse effect on the stockholders or this consent solicitation. Upon effectiveness of this proposal, all By-Laws adopted subsequent to May 29, 2002, whether they could be considered as beneficial or detrimental to the stockholders, will be repealed. If prior to the effectiveness of the Solicitor Proposals the Board of Directors adopts any material amendments to the By-Laws that are relevant to the Solicitor Proposals, the Solicitor will forward additional solicitation materials to DOR's stockholders regarding those actions.

Special Meeting of Stockholders Proposal

Resolved, that the stockholders owning a majority of the shares of capital stock of DOR issued and outstanding as of May 29, 2002 do hereby call for a special meeting of stockholders at 10:00am central time on the first business day that is twenty (20) days after the date on which Steve H. Kanzer receives a number of consents constituting a majority of the shares of capital stock of DOR as of May 29, 2002 for the purpose of considering the Solicitor Proposals, unless (a) such proposals are adopted by written consent in lieu of a meeting, or (b) Steve H. Kanzer delivers written notice to DOR consenting to the calling off of such special meeting of stockholders.

In 2001, the Aries Funds transferred the shares of the Company's common stock and the rights under the purchase agreements to Aries Select, Ltd. and Aries Select I LLC. THE CONSENT PROCEDURE

Section 228 of the DGCL states that, unless otherwise provided in a corporation's certificate of incorporation, any action that may be taken at any meeting of stockholders may be taken without a meeting, if consents in writing, setting forth the action so taken, are signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Those consents must be delivered to the corporation by delivery to its registered office in Delaware, its principal place of business or an officer or agent of the corporation having custody of

Edgar Filing: KANZER STEVE H - Form PREN14A

the book in which proceedings of meetings of stockholders are recorded. In the case of this consent solicitation, written, unrevoked consents of the holders of a majority of the outstanding shares of Stock as of the Record Date must be delivered to DOR as described above to effect the actions as to which consents are being solicited hereunder. Section 228 of the DGCL further provides that no written consent shall be effective to take the corporate action referred to therein unless, within 60 days of the earliest dated consent delivered in the manner required by Section 228, written consents signed by a sufficient number of holders to take such action are delivered to the corporation in the manner required by Section 228.

The Solicitor currently intends to cease the solicitation of consents once he has determined that valid and unrevoked consents representing a majority of the voting power represented by issued and outstanding shares of Stock as of the Record Date have been obtained. He then intends to deliver those consents to DOR in the manner required by Section 228 of the DGCL as soon as practicable thereafter. When the Solicitor Proposals for which consents are given become effective, a stockholder will be unable to revoke his or her consent.

If the Solicitor Proposals become effective, DOR will be required by the DGCL, to promptly notify by mail the stockholders who have not consented to the Solicitor Proposals.

Consents may only be executed by stockholders of record at the close of business on the Record Date. To the knowledge of the Solicitor, as of the close of business on the Record Date there were outstanding approximately 20,825,710 shares of Common Stock and 1,469,404 shares of Preferred Stock. Given that the Solicitor owns in the aggregate shares accounting for less than 4% of the voting power of the Stock, consents of stockholders owning approximately 47% of the voting power of the outstanding shares of Stock other than those owned by the Solicitor on the Record Date are still required to adopt the Solicitor Proposals. Since the Solicitor must receive consents from the holders of a majority of the voting power represented by DOR's outstanding shares in order for the Solicitor Proposals to be adopted, a broker non-vote or direction to withhold authority to vote on the consent form will have the same effect as a "no" vote with respect to the Solicitor's solicitation.

Consent Form Special Instructions

If you were a record holder as of the close of business on the Record Date, you may elect to consent to, withhold consent or abstain with respect to each Solicitor Proposal by marking the "CONSENT," "WITHHOLD CONSENT," or "ABSTAIN" box, as applicable, underneath EACH Solicitor Proposal on the accompanying blue consent form and signing, dating and returning it promptly in the enclosed postage-paid envelope. If any stockholder who has executed and returned the blue consent form has failed to check a box marked "CONSENT," "WITHHOLD CONSENT," or "ABSTAIN" for any or all of the Solicitor Proposals, that stockholder's consent form will be voted in favor of that Solicitor Proposal or those Solicitor Proposals. If the enclosed consent form is signed and returned and no direction is given, it will be voted in favor of all of the Solicitor Proposals. If the consent form is signed and returned and not dated, it will be dated on or about the date it is received.

The Solicitor recommends that you consent to each of the Solicitor Proposals. Your consent is important. If your shares are held in the name of a brokerage firm, bank nominee or other institution, you should contact the person responsible for your account and give instructions for the consent form representing your shares to be marked, dated, signed and mailed. Only that institution can execute a consent form with respect to your shares held in the name of the institution and only upon receipt of specific instructions from you. The Solicitor urges you to confirm in writing your instructions to the person responsible for your account and to provide a copy of those instructions to Steve H. Kanzer at the address set forth under "Summary of Consent Procedure" so that the Solicitor is aware of all instructions given and can attempt to ensure that such instructions are followed.

The Solicitor urges each stockholder to ensure that the record holder of his or her shares marks, signs, dates and returns the enclosed blue consent form as soon as possible.

REVOCATION; COSTS OF CONSENT SOLICITATION

A consent executed by a stockholder may be revoked at any time before its exercise by submitting (i) a written, dated revocation of that consent or (ii) a later dated consent covering the same shares. A revocation may be in any written form validly signed by the record holder as long as it clearly states that the consent previously given is no longer effective and must be executed and delivered prior to the time that the action authorized by the executed consent is taken. The revocation may be delivered to Steve H. Kanzer, c/o Accredited Ventures, Inc. 801 Brickell Avenue, Suite 900, Miami, FL 33131.

The purpose of the Solicitor's Proposals being made by the Solicitor in this Consent Statement is to advance the interests of all of DOR's stockholders. Therefore, the Solicitor believes that his expenses in connection with the consent solicitation, which are being paid by the Solicitor, should be reimbursed by DOR. The Solicitor intend to seek reimbursement of their expenses from DOR if the Solicitor Proposals become effective. This request will not be submitted to a stockholder vote. Costs related to the solicitation of consents to the Solicitor Proposals include expenditures for attorneys and postage and are expected to aggregate approximately \$____. To date, the Solicitor have incurred costs of approximately \$____. The actual costs and expenses could be materially different than the estimate set for above, and, in particular, could be substantially higher if for any reason litigation is instituted in connection with the matters related to this Consent Statement.

Upon the effectiveness of this Proxy Statement, the Solicitor plans to retain a proxy solicitation firm to aid in the assistance in contacting DOR stockholders.

Your consent is important. No matter how many or how few shares you own, please consent to the Solicitor Proposals by marking, sign, dating, and mailing the enclosed blue consent form promptly.
