PRESS RELEASE

Amsterdam, 15 April 2003

Edgar Filing: ING GROEP NV - Form 6-K

ING announces level of revaluation reserve at Annual General Meeting of Shareholders

At today's Annual General Meeting of Shareholders, ING will announce the level of the revaluation reserve for equity investments. On Monday 14 April 2003, the revaluation reserve was approximately EUR 0.3 billion negative.

Should the stock markets show a further recovery in the course of 2003, the revaluation reserve may become positive again, offsetting a potential negative effect on the result for the year 2003. Ultimately, the level of the revaluation reserve on 31 December 2003 determines whether the result for the year 2003 will be affected.

ING also announces that the shareholders' equity of ING Verzekeringen N.V. on 14 April 2003 was 63% above the legally required level. At the end of 2002, this surplus was 69%.

The financial results of ING Group for the first three months of 2003 will be published on 15 May 2003.
