Item 1. Security and Issuer

This statement on Schedule 13D ("Schedule 13D") relates to the common shares, without par value ("Common Shares"), of Entree Gold Inc., a corporation continued under the laws of British Columbia (the "Company"). The Company's principal offices are located at Suite 1201, 1166 Alberni Street, Vancouver, British Columbia, V6E 3Z3, Canada.

Item 2. Identity and Background.

This Schedule 13D is filed by the following entities (collectively referred to herein as the "Reporting Persons", and each as a "Reporting Person"):

Rio Tinto plc, a public limited company incorporated under the laws of England and Wales ("Rio Tinto"), is an international mining company with operations around the world. Rio Tinto's principal executive offices are located at 6 St. James's Square, London, SW1Y 4LD, England.

Kennecott Canada Exploration Inc., a corporation incorporated under the laws of Canada and an indirect wholly owned subsidiary of Rio Tinto ("Kennecott"), is a mining company the principal business of which is the discovery and acquisition of mineral resources in North and Central America. Kennecott's principal offices are located at 200 Granville Street, Suite 354, Vancouver, British Columbia, V6C 1S4, Canada.

The name, business address, present principal occupation or employment and citizenship of each of the executive officers and directors of the Reporting Persons are set forth in Schedule I hereto and are incorporated by reference herein.

During the last five years, neither of the Reporting Persons and, to the knowledge of each of the Reporting Persons, none of the persons listed in Schedule I hereto has been: (i) convicted of a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

On June 19, 2005, Kennecott and the Company entered into an Equity Participation Agreement, dated as of June 17, 2005 (the "EPA"). Pursuant to the EPA, on June 29, 2005 and July 6, 2005, Kennecott and the Company executed two Subscription Agreements (the "Subscription Agreements"). A copy

of the EPA is included as Exhibit A hereto, and copies of the Subscription Agreements are included as Exhibits B and C hereto. The descriptions of the EPA and Subscription Agreements contained herein are qualified in their entirety by

Edgar Filing: ENTREE GOLD INC - Form SC 13D

reference to Exhibits A, B and C, which are incorporated herein by reference.

Pursuant to the EPA and the Subscription Agreements, Kennecott has acquired 6,306,921 units (each, a "Unit") of the Company at a price of C\$2.20 per unit, for a total consideration of C\$13,875,226, which was funded from intergroup loans. Each Unit consists of one Common Share, one common share purchase A warrant and one common share purchase B warrant. Two A warrants will entitle the holder to purchase one Common Share at a price of C\$2.75 for a period of two years. Two B warrants will entitle the holder to purchase one Common Share at a price of C\$3.00 for a period of two years.

Following the acquisition of the Units, the Reporting Persons own 6,306,921 Common Shares (representing approximately 9.9% of the issued and outstanding Common Shares) and 12,613,842 warrants, exercisable for an aggregate of 6,306,920 Common Shares. If the warrants were to be exercised, the Reporting Persons would own approximately 18.0% of the Company's Common Shares.

Under the EPA, Kennecott also has the right to participate in future financings by the Company so as to maintain its proportional equity interest in the Company.

Under the EPA, the Company has granted to Kennecott a right of first refusal over its mining license for the Ulziit Uul concession in Southern Mongolia and over the geographical area covered by such license for a period of up to four years (the "Ulziit Uul ROFR").

Item 4. Purpose of the Transaction

The information set forth in Item 3 is hereby incorporated by reference in this Item 4.

Under the EPA, Kennecott has agreed to vote its Common Shares in the manner specified by the board of directors of the Company with respect to:

- (a) fixing the number of directors to be elected;
- (b) the election of the directors of the Company;
- (c) the appointment and remuneration of the auditors of the Company; and

Page 6 of 15

- (d) the approval of any corporate incentive compensation plan or any amendment thereof, provided the compensation plan does not result at any time in the number of Common Shares reserved for issuance under the plan exceeding 20% of the issued and outstanding Common Shares.

Voting instructions given by the board of directors of the Company will be based on a resolution passed by a majority of the directors. Kennecott's voting obligations do not apply if the number of Common Shares held by Kennecott and its affiliates represents (a) less than 10% of the Company's issued and outstanding Common Shares or (b) 40% or more of the Company's issued and outstanding Common Shares (excluding in each case Common Shares issuable on the exercise of any securities held by Kennecott and its affiliates which are convertible into or exchangeable for Common Shares but which have not actually been issued) at such time, and terminate on the fourth anniversary of the date on which Kennecott acquires the Units.

Edgar Filing: ENTREE GOLD INC - Form SC 13D

Under the EPA, Kennecott has also agreed to restrictions on its ability to dispose of any of its Common Shares or any of its securities convertible into or exchangeable for Common Shares (collectively, the "Entree Securities"), subject to certain agreed exceptions including dispositions to affiliates of Kennecott or pursuant to a take over bid in respect of the Company. The restrictions also do not apply if at the time of the disposition the number of Common Shares held by Kennecott and its affiliates represents (a) less than 10% of the issued and outstanding Common Shares (assuming the exercise of all securities held by Kennecott and its affiliates which are convertible into or exchangeable for Common Shares but which have not actually been issued, other than any such securities which are non-transferable) at such time, or (b) 40% or more of the Company's issued and outstanding Common Shares (excluding any Common Shares issuable on the exercise of any securities held by Kennecott and its affiliates which are convertible into or exchangeable for Common Shares but which have not actually been issued) at such time. The restrictions terminate on the fourth anniversary of the date on which Kennecott acquires the Units. Under the restrictions, Kennecott has agreed to give the Company prior notice (the "Disposition Notice") of any proposed disposition. Upon such notice, the Company may notify Kennecott of the identity of one or more persons who will purchase the Entree Securities. If the Company does not notify Kennecott of the identity of such purchasers or if the disposition is not completed within 45 days of the Company's receipt of the Disposition Notice, then Kennecott may dispose of the Entree Securities to any third party purchaser provided the disposition occurs within 105 days of the Company's receipt of the Disposition Notice.

Under the EPA, Kennecott also obtains the Ulziit Uul ROFR.

As a result, the Reporting Persons expect to evaluate on an ongoing basis the Company's financial condition, business, operations and prospects, the market price of the Company's securities, conditions in the securities markets generally, general economic and industry conditions and other factors. The Reporting Persons reserve the right to change their plans and intentions at any time.

Except as set forth in this Item 4 of this Schedule 13D, none of the Reporting Persons has any current plans or proposals that relate to or would result in any transaction, event or action enumerated in paragraphs (a) through (j) of Item 4 of schedule 13D promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Item 5. Interest in Securities of the Issuer.

Pursuant to the EPA and the Subscription Agreements, the Reporting Persons acquired Units comprising 6,306,921 Common Shares (representing approximately 9.9% of the issued and outstanding Common Shares) and 12,613,842 warrants exercisable for 6,306,920 Common Shares. If the warrants were to be exercised, the Reporting Persons would own approximately 18.0% of the Company's Common Shares. Except as set forth in this Schedule 13D, none of the Reporting Persons, and to the knowledge of the Reporting Persons, none of the persons listed in Schedule I, beneficially owns any Common Shares of the Company.
