General Information About CIGNA's Annual Meeting

When and where is the annual meeting?

The annual meeting will be held on Wednesday, April 28, 2004, at 3:30 p.m. at The Gregg Conference Center at The American College located at 270 S. Bryn Mawr Avenue, Bryn Mawr, Pennsylvania. Directions are on the back of the proxy statement.

When will CIGNA begin mailing the proxy statement, proxy/voting instruction card, and 2003 Annual Report to Shareholders?

CIGNA will begin mailing the proxy statement, proxy/voting instruction card, and 2003 Annual Report to Shareholders on or about March 26, 2004.

Who is entitled to vote at the annual meeting?

Anyone who owns CIGNA common stock as of the close of business on March 1, 2004, is entitled to one vote per share owned. There were 141,017,109 shares of CIGNA common stock outstanding on that date.

Who is seeking authority to vote my shares and when?

CIGNA's Board of Directors is sending you this proxy statement to solicit your proxy, or your authorization for our representatives to vote your shares. Your proxy will be effective for the April 28, 2004, meeting and at any adjournment (or continuation) of that meeting.

What is householding?

If you and other residents at your mailing address own shares of CIGNA stock in street name, your broker or bank may have notified you that your household will receive only one annual report and proxy statement for each company in which you hold stock through that broker or bank. This practice is known as householding. Unless you responded that you did not want to participate in householding, you were deemed to have consented to the process. Your broker or bank will send one copy of our annual report and proxy statement to your address. Each shareholder will continue to receive a separate proxy card or voting instruction card.

If you would like to receive your own set of CIGNA's future annual report and proxy statement or if you share an address with another CIGNA shareholder and together both of you would like to receive only a single set of CIGNA annual disclosure documents, please contact ADP, Household Department, 51 Mercedes Way, Edgewood, NY 11717 or call them at 800.542.1061. Be sure to indicate your name, the name of your brokerage firm or bank and your account number. The revocation of your consent to householding will be effective 30 days following its receipt.

If you did not receive an individual copy of this year's proxy statement or our annual report, we will send a copy to you if you address a written request to CIGNA Corporation, Shareholder Services, 1650 Market Street, OL57 B, Philadelphia, PA 19192 or call 215.761.3516.

Proposals for a Shareholder Vote

What proposals are being presented for a shareholder vote?

Management is presenting two proposals for a shareholder vote.

Item 1. Election of Directors

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR ITS NOMINEES, ROBERT H. CAMPBELL, JANE E. HENNEY, M.D. AND CHARLES R. SHOEMATE TO BE DIRECTORS WITH TERMS EXPIRING APRIL 2007 AND LOUIS W. SULLIVAN, M.D. TO BE A DIRECTOR WITH A TERM EXPIRING APRIL 2006.

You can find information about the board's nominees, as well as information about CIGNA's Board of Directors and its committees, director compensation, and other related matters, beginning on page 6.

Item 2. Ratification of Appointment of PricewaterhouseCoopers LLP

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THIS PROPOSAL TO RATIFY THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT AUDITORS FOR THE YEAR 2004.

You can find information about CIGNA's relationship with PricewaterhouseCoopers LLP beginning on page 17.

What other matters may arise at the meeting?

We do not know of any other matters that will come before the shareholders during the annual meeting. If any other matters are properly presented for a vote, the people named as proxies will have discretionary authority, to the extent permitted by law, to vote on such matters according to their best judgment.

The chairman of the meeting may refuse to allow presentation of a proposal or a nomination for the board from the floor of the Annual Meeting if the proposal or nomination was not properly submitted. The requirements for properly submitting proposals and nominations from the floor of the Annual Meeting for this year's meeting were described in CIGNA's 2003 Proxy Statement and are similar to those described on page 31 for next year's meeting.

General Information About Voting

What constitutes a quorum and why do you need one?

In order to transact business at an annual meeting, we must have a quorum, or the presence of a prescribed number of voting shares. For this meeting, we need the holders of two-fifths of the issued and outstanding shares entitled to vote to either be represented by proxy or attend.

What vote is required to approve each proposal?

Assuming we attain a quorum, the four nominees who receive a plurality (the greatest number) of votes cast on Item 1 will be elected as directors. We need the affirmative vote of a majority of the shareholders present in person at the meeting or represented by proxy to ratify the appointment of independent auditors.

If you attend the meeting or submit your proxy but abstain from voting, your shares will count toward a quorum. Abstentions will not affect the outcome of the election of directors, but they will be treated as *negative* votes on the ratification of appointment of independent auditors.

Many CIGNA shareholders own their shares in street name, which means that brokers are actually the record owners entitled to vote the shares. Brokers will have discretionary authority to vote on Items 1 and 2 described in this proxy statement, which means that your broker can vote your street name shares on Items 1 and 2 even if you do not give specific voting instructions.

Table of Contents

How do I vote?

There are four ways that you can vote your shares.

- 1. Over the Internet.** Vote at <http://www.eproxy.com/ci>. The Internet voting system is available 24 hours a day until 5:00 p.m. E.D.T. on Tuesday, April 27, 2004. Once you are into the Internet voting system, you can record and confirm (or change) your voting instructions.
- 2. By telephone.** Use the telephone number shown on your proxy card. The telephone voting system is available 24 hours a day in the United States until 5:00 p.m. E.D.T. on Tuesday, April 27, 2004. Once you are into the telephone voting system, a series of prompts will tell you how to record and confirm (or change) your voting instructions.
- 3. By mail.** Mark your voting instructions on, and sign and date, the proxy card and then return it in the postage-paid envelope provided. For your mailed proxy card to be counted, we must receive it before the polls close at the meeting. If we receive your signed proxy card, but you do not give voting instructions, our representatives will vote your shares *for* Items 1 and 2. If any other matters arise during the meeting that require a vote, the representatives will exercise their discretion.
- 4. In person.** Attend the annual meeting, or send a personal representative with an appropriate proxy, in order to vote.

If you hold your shares of CIGNA stock in the name of a bank, broker or other nominee, your ability to vote by Internet or telephone depends on their voting process. Please follow their directions carefully. If you want to vote shares of CIGNA stock that you hold in street name at the annual meeting, you must request a legal proxy from your bank, broker or other nominee that holds your shares and present that proxy for entrance to the meeting.

Requirements for confidential voting. If you want your vote to be confidential, you must indicate that when you submit your proxy. If you choose confidential voting, your votes can be revealed to CIGNA only in limited circumstances, such as to meet a legal requirement or in contested board elections.

How do I revoke my proxy or change my voting instructions?

There are four ways that you can revoke your proxy or change your voting instructions.

- 1. Enter new instructions on either the telephone or Internet voting system before 5:00 p.m. E.D.T. on Tuesday, April 27, 2004.**
- 2. Submit a new proxy card bearing a date later than your last vote.** We must receive your new proxy card before the annual meeting begins.
- 3. Write to the Corporate Secretary, Carol J. Ward, at the address given for CIGNA Corporation in the meeting notice (on the cover of this proxy statement).** Your letter should contain the name in which your shares are registered, the date of the proxy you wish to revoke or change, your new voting instructions, if applicable, and your signature. She must receive your letter before the annual meeting begins.
- 4. Attend the annual meeting and vote in person (or by personal representative with an appropriate proxy).**

What do I do if I have money in the CIGNA Stock Fund of the CIGNA or Intracorp 401(k) plans?

If you have money in the CIGNA Stock Fund of the CIGNA 401(k) Plan or the Intracorp 401(k) Performance Sharing Plan, you do not actually own shares of CIGNA stock. The plan trustees do. Under

Table of Contents

the plans, however, you do have pass-through voting rights based on your interest the amount of money you have invested in the CIGNA Stock Fund.

You may exercise pass-through voting rights in almost the same way that shareholders may vote their shares, but you have an earlier deadline. If your voting instructions are received by **5:00 p.m. E.D.T. on Friday, April 23, 2004**, the trustee will submit a proxy that reflects your instructions. If you have money in the CIGNA Stock Fund of the CIGNA 401(k) Plan and you do not give voting instructions (or give them late), the trustees will vote your interest in the CIGNA Stock Fund as instructed by a CIGNA management advisory committee. If you have money in the CIGNA Stock Fund of the Intracorp 401(k) Performance Sharing Plan and you do not give voting instructions (or give them late), your shares will not be voted.

You may send your instructions to your plan trustee by using the mail (proxy/voting instruction card), telephone or Internet methods described on the proxy/voting instruction card. Your voting instructions will be kept confidential under the terms of the plans.

You may **not** vote in person at the annual meeting.

The board nominated three incumbent directors and one additional nominee to stand for election at the annual meeting for terms ending April 2006 and April 2007 as indicated below. If a nominee becomes unavailable or unable to serve before the annual meeting, the board can either reduce its size or designate a substitute nominee. If the board designates a substitute, proxies that would have been cast for the original nominee will be cast for the substitute nominee.

CIGNA Corporation Board Practices

(also available at <http://www.cigna.com/general/about/governance/practices.html>)

Organizing the CIGNA Corporation Board of Directors work is an inherently dynamic process. The board and committees periodically review their practices with the goal of increasing their effectiveness, and thereby maximizing shareholder value. Over the years, the board and committees have regularly modified their practices. The following are the current practices:

Board Structure and Composition

CIGNA Corporation's Bylaws allow for a board of eight to sixteen members. The board and its Corporate Governance Committee each periodically consider the appropriate size of the board. There is a strong commitment to a board composed principally of independent, non-employee directors. CIGNA Corporation has never had more than two employee directors.

Independence

The board periodically sets forth standards for determining whether non-employee directors shall be considered independent. The current standards, in addition to the independence requirements set forth in the New York Stock Exchange Corporate Governance Listing standards, are as follows:

Revenue received in any given year from the for-profit entity with which the director is primarily affiliated shall not exceed two percent of CIGNA Corporation's consolidated total revenue for that year.

Revenue received in any given year from the CIGNA Companies shall not exceed two percent of the consolidated total revenue of the for-profit entity with which the director is primarily affiliated.

Charitable contributions from CIGNA Corporation, CIGNA Foundation, or any CIGNA affiliate shall not exceed two percent of annual operating fund gifts received by any not-for-profit entity for which a CIGNA director or immediate family member serves as a director, trustee (or equivalent), or officer.

Annually, applying these criteria and NYSE standards, the Corporate Governance Committee considers and the board establishes the independence of non-employee directors.

Director Responsibilities

The Corporate Governance Committee is responsible for advising the board with respect to the board's membership. In fulfilling that responsibility, the committee develops and the board approves the Responsibilities of CIGNA Corporation Directors. Those responsibilities are:

Independence and integrity;

Good understanding of CIGNA's businesses;

Understanding the importance of representing the total shareholder constituency and increasing shareholder value;

Active, objective and constructive participation at board and committee meetings;

Review and understanding of advance briefing materials;

Table of Contents

Sharing one's expertise, experience, knowledge and insights as they relate to the matters before the board;

Advancing CIGNA's purposes and reputation;

Effectively contributing to management evaluation and succession planning;

Availability to the Chief Executive Officer for consultation; and

Regular attendance.

Director Selection

Beyond the Responsibilities, the Corporate Governance Committee, in consultation with the board, develops more specific Director Recruitment Criteria to guide director searches. The criteria are as follows:

Directors should represent all shareholders.

Directors must be free of conflicts of interest.

Directors must possess good judgment and the ability to analyze complex business and public issues.

Directors must have demonstrated a high degree of achievement in their respective fields.

Diversity, in its many forms, is preferred.

The board should reflect the broad-based experience of the directors. Governing CIGNA Corporation effectively requires a wide range of capabilities and professional attributes, among them:

Financial acumen;

Familiarity with channels of distribution;

Awareness of consumer market trends;

Insight into government relationships and processes;

Familiarity with the challenges of operating businesses in the international marketplace;

Familiarity with processes for developing and implementing effective human resources policies and practices; and

Insight into the process of developing and delivering high-quality products and services that respond directly to customer needs and expectations.

The Corporate Governance Committee welcomes suggestions from shareholders for board membership.

The chairman of the Corporate Governance Committee (or another director designated by the chairman of the Corporate Governance Committee) interviews director candidates prior to the committee making its recommendation that the board:

elect the candidate in the case of a director vacancy; or

nominate the candidate for election by the shareholders.

The board requires that any director discontinuing the principal position that prevailed at the time of the director's election to the board give notice and an offer of resignation to the Corporate Governance Committee.

Edgar Filing: CIGNA CORP - Form DEF 14A

Under ordinary circumstances, the Chief Executive Officer will leave the board when he/she retires as a CIGNA employee.

Table of Contents

Directors shall retire no later than the annual meeting of shareholders following their seventy-second birthday.

Committee Structure and Composition

There currently are four working committees of the board: Audit, Corporate Governance, Finance, and People Resources.

The Executive Committee has authority to manage CIGNA's business between regular board meetings. However, it is not intended to be a working committee and meets infrequently. The board has, at various times, created *ad hoc* committees to focus on particular issues. The Corporate Governance Committee is responsible for ensuring the appropriateness and effectiveness of the board's committee structure.

Annually, the Corporate Governance Committee reviews committee assignments. In consultation with the Chairman of the Board, it recommends (for action by the full board) committee assignments for directors, in line with board needs and individual strengths. Directors generally serve on a working committee for about five years before rotating.

The four working committees consist of directors who meet the New York Stock Exchange's standards for independence. In addition, Audit Committee members meet the Securities and Exchange Commission's standards for independence. At least one Audit Committee member will be an audit committee financial expert, as defined by the Securities and Exchange Commission.

Summary of committee responsibilities: (Note: a current copy of the committee charters can be found on the Company's website <http://www.cigna.com/general/about/governance/committee.html>)

The Audit Committee is responsible for ensuring that policies and procedures are in place to ensure the timely disclosure of accurate information, compliance with legal requirements and adherence to ethical standards. It is also responsible for appointing, compensating, overseeing the work of and removing CIGNA Corporation's independent auditors.

The Corporate Governance Committee is responsible for reviewing, advising, and reporting to the board regarding the board's membership, structure, organization and performance as well as director selection and compensation.

The Finance Committee is responsible for overseeing and advising the board regarding the Corporation's capital structure and use, long-term financial objectives and progress against those objectives, and investments.

The People Resources Committee is responsible for overseeing the policies and processes for people development, including the succession plan for the principal executive officers. In fulfilling that responsibility, the committee conducts an annual management development and succession plan review. The committee reports to the board on this review. This committee also evaluates the Chief Executive Officer annually and shares its assessment with the board when reporting on compensation actions for the Chief Executive Officer. The committee's evaluation and report to the board are done in the absence of the Chief Executive Officer. The results of the evaluation are shared with the Chief Executive Officer. The committee also reviews and approves executive compensation plans and equity-based plans, subject to applicable board and shareholder approvals.

Committee chairs regularly report to the full board on committee proceedings and actions.

Table of Contents

Agenda, Materials, Education & Resources

The board meeting schedule and agenda are developed with direct input from directors. The duration of each meeting varies as business needs dictate.

Briefing materials generally are distributed at least a full week in advance of the board and committee meetings. The briefing materials include regular reviews of operating results, competitive performance, performance against plan and background information for the presentations and discussions to occur at the upcoming meetings.

New directors participate in an orientation program. They meet with the Chief Executive Officer and staff officers at the time they join the board. Upon election to a committee, they meet with that committee's staff officer and are provided with more committee-specific training/reading.

The board and committees regularly devote time to continuing director education.

The board and its committees are able to access appropriate independent advisors.

Periodically, board meetings are devoted primarily to strategy issues.

Performance Evaluation

The board regularly discusses its performance at some length. On an ongoing basis, directors offer suggestions and alternatives intended to further improve board performance.

Annually, each working committee reviews its performance and the adequacy of its written charter. Then, in consultation with the committee's staff officer, it agrees upon a meeting schedule (including frequency and length of meetings) and tentative agenda for the upcoming year. Agenda items are added and deleted during the course of the year at the members' request and as business developments warrant.

The Corporate Governance Committee reviews the performance of each director annually and always in advance of making a determination as to whether the committee should recommend the director's renomination to the board.

The Chairman conducts exit interviews with retiring directors.

Senior Management and the Board

Over the years, the CIGNA Corporation Board has modified the roles and responsibilities of CIGNA's top officers utilizing in varying combinations and configurations the offices of Chairman, Chief Executive Officer, Co-Chairman, Vice Chairman, Chief Operating Officer and President as circumstances required. The board is responsible for electing people to fill these positions.

Each committee is assigned a member of senior management to act as a staff officer. The staff officers always attend the committee meetings and board meetings. This gives directors a range of contact people within the company with whom they are familiar.

Several members of the Chief Executive Officer's staff regularly attend board meetings. Others attend when making presentations. In between meetings and at their discretion, directors are free to contact members of management.

The board has established a process to identify the next Chief Executive Officer. The board has established desired characteristics for the Chief Executive Officer position, essentially to guide the succession planning process and management development programs.

Table of Contents

Executive Sessions

The board meets in Executive Session at the beginning of every board meeting. The Chief Executive Officer leaves these sessions when the board feels it is appropriate. Twice a year, the board meets in extended Executive Session without the Chief Executive Officer. Generally, the appropriate committee chairperson leads the discussion in regularly scheduled executive sessions at which the Chief Executive Officer is not present.

Director Compensation

The Corporate Governance Committee reviews the non-employee director compensation program annually. The committee then makes recommendations to the board for action.

Stock-based compensation has been and is an important component of the non-employee director compensation program.

No non-employee director is paid consulting, advisory or other fees in addition to the compensation paid pursuant to the non-employee director compensation program.

External Relationships

In general, management speaks for the corporation. Inquiries from reporters, shareholders or others are referred to management for response.

Directors must consult with the Chairman and Chief Executive Officer prior to accepting additional for-profit directorships.

The board maintains an address for receipt of shareholder and interested party communications.

The board encourages directors attendance at the Annual Meeting of Shareholders.

Table of Contents**Board of directors and committee meetings, membership and attendance**

The full board held 13 meetings during 2003.

The board has five committees: Audit, Corporate Governance, Executive, Finance and People Resources. A summary description of each committee's responsibilities can be found in Board Practices on page 10 of this proxy statement. The following table shows the members of each committee and how many meetings were held during 2003.

Ten directors, all of the 2003 nominees and directors continuing in office following the 2003 meeting, attended the 2003 Annual Meeting of Shareholders.

Based on CIGNA's director independence standards, the board has affirmatively determined that all of the directors, except Mr. Hanway, are independent.

All Audit Committee members have significant experience with financial reporting and internal control matters. Our designated audit committee financial expert is Joseph Neubauer, the chair of the committee, although other members of the Audit Committee also would qualify as audit committee financial experts. Each member of the Audit Committee is an independent director under the listing standards of the New York Stock Exchange.

Shareholder suggestions for board nominees

The Corporate Governance Committee is responsible for reviewing, advising, and reporting to the board regarding the board's membership, structure, organization and performance as well as director selection and compensation. In that capacity, the committee welcomes shareholder suggestions for board nominees. Shareholders desiring the committee to consider their suggestions for board nominees should submit their suggestions together with appropriate biographical information and qualifications to the committee. Correspondence may be addressed to CIGNA Corporation, Corporate Secretary, 1650 Market Street, Philadelphia, Pennsylvania, 19192. The Corporate Governance Committee generally considers nominees for the following Annual Meeting in October. Accordingly, suggestions for board nominees should be submitted by October 1, 2004 to ensure consideration for the 2005 Annual Meeting. Shareholder suggestions for board nominees are evaluated using the same criteria described in CIGNA's Board Practices on page 9 of this proxy statement.

Shareholders and interested parties may contact the board of directors, all of the non-employee directors or specified individual directors by writing to them at: Director Access Address, Attn: Office of the Corporate Secretary, 1650 Market Street, OL 56A, Philadelphia, PA 19192. All communications will be compiled by the Corporate Secretary and periodically submitted to the board or individual directors. Table of Contents**Stock held by directors and executive officers as of January 31, 2004**

The following table shows:

how much CIGNA common stock each director, nominee, the Chief Executive Officer, and each executive officer named in the Summary Compensation Table (named executive officers) owns, either directly or beneficially;

how much CIGNA common stock the directors, nominees and executive officers own as a group, either directly or beneficially; and

the number of common stock equivalents that non-employee directors and executive officers have accumulated under deferred compensation arrangements.

Stock is owned beneficially by the person who exercises voting or investment power over the security, even if another person is the record owner.

Common stock equivalents track the economic performance of CIGNA common stock but do not carry voting rights.

Additional information about stock held by directors and executive officers

No director or executive officer beneficially owns more than 1.0% of CIGNA's outstanding common stock. Directors, nominees, and executive officers as a group beneficially own approximately 1.9% of the outstanding common stock. These beneficial ownership percentages have been calculated exclusive of common stock equivalents and based on 140,973,691 shares of common stock outstanding on January 31, 2004.

On January 31, 2004, the CIGNA Pension Plan held 292,500 shares, or approximately 0.21% of the outstanding common stock on that date. A CIGNA management advisory committee determines how these shares will be voted.

On January 31, 2004, the CIGNA Stock Funds of CIGNA's two 401(k) plans for employees held a total of 4,099,479 shares, or approximately 3.0% of the outstanding common stock on that date. A CIGNA management advisory committee determines how the shares held in the CIGNA Stock Fund of the CIGNA 401(k) Plan will be voted only to the extent the plan's individual participants do not give voting instructions.

The directors and executive officers control the voting and investment of all shares of common stock they own beneficially, except as described above. This number includes shares of common stock that they have the option to buy within 60 days of January 31, 2004, and shares of restricted common stock.

Non-employee director compensation

Board retainer. Each director receives \$50,000 annually for board membership. At least \$25,000 of the annual board retainer must be paid in CIGNA common stock equivalents, which provide deferred cash compensation credited at rates of return that track the economic performance of CIGNA common stock.

Committee member retainer. Each director receives \$10,000 annually for each committee membership. Committee chairs and members of the Executive Committee do not receive this retainer.

Committee chair retainer. Each committee chair other than the chair of the Executive Committee receives \$15,000 annually.

In addition to the \$25,000 annual board retainer paid in CIGNA common stock equivalents, directors can elect to receive some (or all) of their cash compensation in:

common stock equivalents; or
deferred cash compensation credited at the same rates of return earned on employee participant contributions to certain funds offered by the CIGNA 401(k) Plan.

Annual credit. Each director is entitled to an annual credit of \$61,000 to a Restricted Deferred Compensation Account under the Deferred Compensation Plan for directors of CIGNA Corporation. This amount is credited in restricted common stock equivalents and is payable in cash when a director dies or retires from the Board.

Hypothetical dividends. Hypothetical dividends are paid on common stock equivalents and restricted common stock equivalents and can be reinvested in common stock equivalents or invested in the hypothetical investments available for deferred cash compensation.

Restricted stock. Any non-employee director who was not an officer or employee of CIGNA or any of its subsidiaries in the preceding 10 years is entitled to a one-time grant of 4,500 shares of common stock under the Restricted Stock Plan for Non-Employee Directors of CIGNA Corporation. A director who receives shares under this plan can collect dividends and vote the shares, but cannot transfer them until the later of:

six months from the date of grant; or
end of service due to death, disability, a change of control, retirement at or after age 72, or retirement between ages 65 and 72 with the consent of a majority of the other members of the board.

Shares are forfeited if a director's service ends for any other reason.

Table of Contents

Travel accident coverage. Each director is provided \$450,000 of coverage.

Financial planning. Each director can use the financial planning services available to CIGNA executive officers.

Insurance. Each director may purchase or participate in life insurance, medical/dental care programs, property/casualty personal lines insurance programs and matching gift programs available to CIGNA employees.

Transactions with affiliates

CIGNA companies engaged in the following types of transactions with entities (or their subsidiaries) of which CIGNA directors were executive officers or 10% shareholders during 2003:

- providing insurance coverages, health care services, pension contracts, and related products and services to these entities;
- purchasing various products and services from these entities;
- acquiring, disposing of, or holding debt or equity issued by these entities; and
- relying on the credit of these entities.

Various CIGNA directors and executive officers purchased products marketed by CIGNA companies. None of these transactions exceeded reportable thresholds.

In 2003, CIGNA paid approximately \$350,000 in legal fees to the law firm of Davis & Harman LLP. A member of Davis & Harman LLP, is the spouse of Judith E. Soltz, Executive Vice President and General Counsel of CIGNA.

During 2003, various CIGNA companies engaged in transactions with Barclays PLC (see page 30) which beneficially owns more than 5 percent of CIGNA's outstanding common stock. CIGNA companies paid Barclays PLC approximately \$688,000 for investment management services. Barclays PLC paid CIGNA companies approximately \$13,000,000 for health care coverage and services.

Management believes that transactions described in this section were in the ordinary course of business and on terms as favorable as CIGNA would have received from unaffiliated persons or organizations. Similar transactions will likely occur in varying amounts during 2004.

Information About Item 2: Ratification of Appointment of Independent Auditors

The Audit Committee approved the appointment of PricewaterhouseCoopers LLP as independent auditors for 2004. As a matter of good corporate practice, the board wants shareholders to ratify this appointment even though ratification is not legally required. If shareholders do not ratify this appointment, the board will reconsider it.

PricewaterhouseCoopers LLP has served as independent auditors for CIGNA and its subsidiaries since 1983, and performed the same role for Connecticut General Corporation, a predecessor company of CIGNA, and its subsidiaries since 1967. A representative from PricewaterhouseCoopers LLP will attend the annual meeting, may make a statement, and will be available to respond to appropriate questions.

The Board of Directors unanimously recommends that shareholders vote FOR this proposal.

Table of Contents**Policy for the pre-approval of audit and non-audit services**

The Audit Committee adopted its pre-approval policy in January of 2003, and revised it in December 2003 to reflect additional SEC guidance. Under this policy, the Audit Committee approves all audit services provided by the Company's accounting firms and all non-audit services provided by the Company's principal independent auditors. Specifically:

During the fourth quarter of a calendar year, the full Audit Committee approves all known audit, review and attest services and their related fees for the following calendar year. The Audit Committee considers at subsequent meetings the approval of additional audit, review and attest services that arise during a calendar year.

At the first Audit Committee meeting of each calendar year, the General Auditor presents to the full Audit Committee a schedule, accompanied by detailed documentation, listing all known permissible non-audit services expected to be performed by the Company's principal independent auditors during the calendar year. The Audit Committee reviews the schedule and documentation, and approves the non-audit services it deems necessary and appropriate. For additional permissible non-audit services which arise during the calendar year, the General Auditor presents an updated schedule reflecting the additional services for review and consideration for approval by the Audit Committee.

The policy permits the approval of additional permissible non-audit services by the Audit Committee Chairman and/or another Audit Committee member designated by the Chairman in the event the full Audit Committee is unavailable to review and approve these additional services. The Chairman or his or her designee reports to the full Audit Committee any additional services approved in this manner.

The General Auditor reports to the Audit Committee regularly on fees incurred for non-audit services performed.

Fees billed by independent auditors

Aggregate fees billed for professional services rendered by PricewaterhouseCoopers LLP during 2003 and 2002 were as follows:

	Fees Billed	
	2003	2002
Audit Fees	\$ 7,108,000	\$ 6,848,000
Audit-Related Fees	931,000	1,603,000
Tax Fees	114,000	492,000
All Other Fees	2,713,000	4,707,000
Total	\$ 10,866,000	\$ 13,650,000

Audit fees include the audit of annual financial statements, reviews of quarterly financial statements and statutory audits.

Audit-related fees include assurance and related services that were reasonably related to the audit of annual financial statements and reviews of quarterly financial statements, but not reported under Audit Fees. Audit-related fees in 2003 and 2002 included employee benefit plan audits; internal control reviews (for example, Statement on Auditing Standards No. 70 reports); financial statement audits in connection with a divestiture; and consultation concerning financial accounting and reporting standards.

Tax fees include tax recovery services and tax consulting.

All other fees include professional services rendered by PricewaterhouseCoopers LLP not otherwise reported. All other fees in 2003 and 2002 included business process advisory and consulting services and regulatory compliance advisory services.

Audit Committee Report

CIGNA has maintained an independent Audit Committee for many years. It operates under a written charter (Appendix A of this proxy statement) adopted by the Board of Directors. A summary description of the duties and powers of the Audit Committee is set forth at page 10 of this proxy statement.

All of the members of the Audit Committee are independent (as defined in the listing standards of the New York Stock Exchange).

Management is responsible for CIGNA's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of CIGNA's consolidated financial statements and issuing a report on these financial statements. As provided in its charter, the Audit Committee's responsibilities include oversight of these processes. As part of its oversight responsibilities, the Audit Committee meets with CIGNA's General Auditor and independent auditors, with and without management present, to discuss the adequacy and effectiveness of CIGNA's internal controls and the quality of the financial reporting process.

In this context, before CIGNA filed its Annual Report on Form 10-K for the year ended December 31, 2003 with the Securities and Exchange Commission, the Audit Committee:

Reviewed and discussed with company management the audited financial statements included in the Form 10-K and confirmed management's view that the financial statements present fairly, in all material respects, the financial condition and results of operations of CIGNA.

Discussed with PricewaterhouseCoopers LLP, CIGNA's independent auditors, matters related to the conduct of their audit that are required to be communicated by auditors to audit committees by Statement on Auditing Standards No. 61, as amended and related to the fair presentation of CIGNA's financial condition and results of operations, including critical accounting estimates and judgments.

Received the communications from PricewaterhouseCoopers LLP required by Standard No. 1 of the Independence Standards Board to disclose all relationships that in the auditors' professional judgment may reasonably be thought to bear on their independence and to confirm their independence. Based on these communications, the Audit Committee discussed with PricewaterhouseCoopers LLP its independence from CIGNA.

Reviewed and considered the compatibility of non-audit services provided by PricewaterhouseCoopers LLP with maintaining the auditors independence.

Discussed with each of CIGNA's chief executive officer and chief financial officer his required certifications contained in CIGNA's Annual Report on Form 10-K for the year ended December 31, 2003.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that such audited financial statements be included in CIGNA's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

1 Options become exercisable over a three-year period, with one-third becoming exercisable no earlier than the first anniversary of their grant date. The options granted in 2003 and in several prior years have a replacement feature. The replacement feature for all outstanding options expires on June 30, 2004. Options granted in 1995 or later, and gains realized upon exercise of those options for certain periods, may be forfeited by the named executive officers if, following termination of employment with CIGNA, they engage in activities harmful to or in competition with CIGNA.

2 We used the Black-Scholes option pricing model, adapted for use in valuing employee stock options, to calculate these amounts. Our calculation required several assumptions: an expected option life of three and a half years, a dividend yield of 1.9% (reflecting the dividend at the grant date; CIGNA anticipates reducing the dividend mid-2004), a price volatility of CIGNA common stock of 44.3%, and an annualized risk-free interest rate of 1.9%. The calculation also reflects an 8.0% discount per year for risk of forfeiture over the option vesting schedules. The actual value, if any, an executive may realize on options will depend on the excess of the stock price on the date the option is exercised over the exercise price. Executives will not necessarily realize the estimated value that the Black-Scholes model generates. CIGNA believes that no model can accurately predict the future price of CIGNA common stock or assign an accurate present value to stock options.

3 Mr. Welch forfeited all of his options on his termination date, September 26, 2003.

* The discussion below explains the minimum amount payable under the CIGNA Long-Term Incentive Plan.

1 CIGNA will pay Mr. Welch for only 25% of the 15,000 units awarded for the 2003-2005 performance period in accordance with the terms of his termination agreement.

Edgar Filing: CIGNA CORP - Form DEF 14A

CIGNA provides long-term incentives to executive officers and other key employees by awarding them strategic performance units, called SPU's, under the Long-term Incentive Plan. The value of SPU's is based on CIGNA's achievement over a three-year period of financial and strategic performance objectives in comparison to a group of competitors that overall have business lines similar to CIGNA's.

The People Resources Committee assigns a value to SPU's by comparing CIGNA's performance each year in the three-year performance period with the performance for a defined group of competitors and then assigns dollar values to the units based on the rankings, using a conversion formula. For awards made in

Table of Contents

years prior to 2003, the sole performance metric for purposes of the comparison was return on equity. For awards made in 2003 and years thereafter, the People Resources Committee will also use total shareholder return, as a proxy for profitable growth, as a metric weighted equally with return on equity. The total shareholder return metric will be phased in over three years starting with measurement of 2003 results as part of the 2003-2005 performance period.

In August 2003, to help achieve CIGNA's retention goals, the People Resources Committee approved an arrangement by which recipients of SPUs payable in 2004 through 2006 will receive amounts to offset the impact of post-2002 accounting charges attributable to the run-off reinsurance operations. These operations have been inactive since 2000.

The Committee has discretion to reduce the dollar value of each SPU by up to \$25, based on its judgment regarding strategic and financial performance during the period. The final dollar value of each unit may be from zero to \$200. The Committee sets a target value for the SPUs when they are awarded, which is the target to be paid when CIGNA's three-year return on equity and, beginning in 2003, total shareholder return is in the median range compared to the competitors. The target is currently \$75 per unit. The Committee also has the discretion to reduce the payment or eliminate it entirely.

If within two years after a change of control of CIGNA an employee is terminated, or resigns because of certain adverse changes in employment conditions, that employee must be paid within 30 days for all SPU awards not yet valued and paid. The dollar value of each SPU would be the greatest of:

the target value;

the value for a unit paid in the preceding twelve-month period; or

the average of the unit values for the last two unit payments.

No payment is made to an employee terminated after conviction of a felony involving fraud or dishonesty directed against CIGNA.

Pension Plan Table

The CIGNA Pension Plan provides two methods of determining retirement benefits. Mr. Hanway, Mr. Bell, Ms. Soltz, and Mr. Levinson, and most other employees hired before January 1, 1989 participate in Part A of the Plan. This table shows annual retirement benefits under Part A (before the Social Security offset of 50% of an individual's annual primary Social Security benefit) under a straight life annuity, computed assuming the recipient retires at age 65 after specified years of service and earnings.

Remuneration	Years of Service				
	15	20	25	30	35
\$ 600,000	\$ 180,000	\$ 240,000	\$ 300,000	\$ 360,000	\$ 420,000
1,000,000	300,000	400,000	500,000	600,000	700,000
1,400,000	420,000	560,000	700,000	840,000	980,000
1,800,000	540,000	720,000	900,000	1,080,000	1,260,000
2,200,000	660,000	880,000	1,100,000	1,320,000	1,540,000
2,600,000	780,000	1,040,000	1,300,000	1,560,000	1,820,000
3,000,000	900,000	1,200,000	1,500,000	1,800,000	2,100,000
3,400,000	1,020,000	1,360,000	1,700,000	2,040,000	2,380,000
3,800,000	1,140,000	1,520,000	1,900,000	2,280,000	2,660,000

Under Part A, annual retirement benefits are based upon:

the employee's earnings (generally, average annual earnings over the final 36 months of service or, if greater, the three consecutive calendar years with the highest earnings);

an annual accrual rate of 2%;

Table of Contents

length of credited service (up to a maximum of 30 years); and

age at retirement.

Messrs. Kim, Welch, and Wolf and other employees hired on or after January 1, 1989 participate in Part B of the Pension Plan.

Pension benefits under Part B equal the sum of an employee's accumulated annual benefit credits and quarterly interest credits. Annual benefit credits are based on age, years of credited service and earnings. Quarterly interest credits are based on U.S. Treasury bond rates.

The estimated annual pension benefit payable under Part B for Mr. Wolf at age 65 is \$151,000. CIGNA anticipates that Mr. Kim will be employed by the purchaser of the retirement business following the close of the sale and that he will be vested in his Part B annual pension benefit that, upon retirement at age 65, will be in the amount of \$38,900. Mr. Welch was not vested in his Part B pension benefit as of his September 26, 2003 termination date. These estimates assume level compensation until retirement, annual interest credits of 5.5%, current plan formulas and regulatory environment, and payout under a straight life annuity. Part B benefits may be paid at or after separation from service in cash in a lump sum or in an annuity form.

Covered earnings under both Part A and Part B include salary and bonuses, but not long-term incentive plan payouts or any other incentive awards. Salary and bonus information for the named executive officers is in columns (c) and (d) of the summary compensation table on page 20.

As of January 1, 2004, the named executive officers had the following years of credited service: Mr. Hanway, 26 years; Mr. Kim, 2 years; Mr. Bell, 19 years; Ms. Soltz, 26 years; Mr. Wolf, 2 years; Mr. Welch, 2 years; and Mr. Levinson, 33 years. (Mr. Levinson earned additional years of credited service pursuant to a retention agreement.)

If Mr. Welch complies with contractual obligations to CIGNA, which include obligations not to compete, he will receive supplemental pension benefits from CIGNA. Mr. Welch's supplemental pension benefit is based on the pension accrual formula of his former employer and covered earnings under the CIGNA Plan. The estimated annual benefit under this supplemental arrangement beginning in 2004 is \$31,000.

The CIGNA Pension Plan (Part A and Part B) cannot be terminated, or benefit accruals reduced, for a three-year period following a change of control of CIGNA. If Part A is terminated in the fourth or fifth year following a change of control, additional benefits will be provided to participants, including an immediate 10% increase to persons receiving benefits and an annual 3% increase in benefits beginning at age 65. In addition, participants in Part A and Part B who are terminated, other than for cause, within three years following a change of control will receive certain benefits. Participants in Part A will receive up to three years of additional service credit and a floor amount of final average earnings based on their level of earnings when a change of control occurred. Participants in Part B will receive a special benefit credit for the year of termination equal to a percentage of adjusted eligible earnings.

Termination of Employment

General

CIGNA employees are entitled to severance benefits under certain circumstances, but not if they are terminated for cause or resign. Severance benefits include payments equal to the employee's salary rate at termination for a specified period based on the employee's years of service. The period is generally two to 52 weeks, but it is 13 to 104 weeks if the employee is terminated within two years after a change of control of CIGNA.

An employee terminated because of job elimination or within two years after a change of control of CIGNA also receives a supplemental payment equal to:

For a termination from January 1 to March 31 the average of the bonuses paid during the two years before the year of termination, offset by any bonus paid in the year of termination;

Table of Contents

For a termination from April 1 to December 31 the average of the bonuses paid for the two years before the year of termination, prorated to reflect actual months worked in the year of termination; and

The value of restricted CIGNA stock forfeited upon termination.

Executive level employees (including the named executive officers) who are terminated within two years after a change of control will receive:

Payments, at the salary rate in effect at termination (regardless of years of service), for 156 weeks for senior executives (including the named executive officers) and 104 weeks for other executives;

The higher of the bonus actually received for the preceding calendar year or the amount of the annual incentive bonus guideline applicable to the employee under the Corporation's incentive bonus plan immediately before the change of control multiplied by three for senior executives (including the named executive officers) and by two for other executives; and

The value of restricted CIGNA stock forfeited upon termination.

If within two years after a change of control certain changes affect an executive level employee, and he or she then resigns following written notification to CIGNA, the resignation will be treated as a termination after a change of control. The covered changes are any reduction in compensation; any material reduction in authority, duties or responsibilities; or a relocation of the executive's office more than 35 miles from its location on the date of the change of control.

Executive level employees who are terminated as a result of conviction of a felony involving fraud or dishonesty directed against CIGNA will not receive the payments described above.

Agreements

In connection with the proposed sale of CIGNA's Retirement business and in recognition of Mr. Kim's role in that transaction, CIGNA entered into a retention agreement with Mr. Kim to secure his services through the date of sale. Pursuant to the agreement, Mr. Kim received 15,000 restricted stock units, that CIGNA expects will vest three months after the close of the sale, and will receive a cash bonus of \$600,000 payable three months after the close of the sale if he is employed by the purchaser. In addition, the agreement guaranteed Mr. Kim's 2003 bonus.

In connection with Mr. Welch's termination of employment on September 26, 2003, he entered into an agreement pursuant to which he agreed not to compete with CIGNA for a period of one year following his termination date. Pursuant to this agreement, Mr. Welch will receive salary continuance for one year as severance (included in the All Other Compensation column of the Summary Compensation Table on page 20), the bonus payment shown in that Table and \$1,152,000 for shares of restricted stock that he held on his termination date. Also, the units previously granted to Mr. Welch under CIGNA's Long-Term Incentive Plan will be valued by the People Resources Committee, and paid, as the related performance periods are completed. While the value of these units is not determinable at this time, the Plan and the method for valuing the units is described on pages 22-23, except that the payment in 2004 will be no less than \$1,850,000, consistent with Mr. Welch's offer of employment, and the payment in 2006 will be for only 25% of the 15,000 units that were granted to him for the 2003 to 2005 performance period. Mr. Welch will receive office space and secretarial service for up to six months from his termination date, and access to CIGNA's Financial Services Program through 2004.

In connection with Mr. Levinson's retirement on December 31, 2003, he entered into an agreement pursuant to which he agreed not to compete with CIGNA for a period of two years following his retirement. Under this agreement, Mr. Levinson received the bonus payment set forth in the Summary Compensation Table on page 20 and the cash value of shares of restricted stock he held on his retirement date in the amount of \$1,468,000. Also, the units previously granted to Mr. Levinson under CIGNA's Long-Term Incentive Plan will be valued by the People Resources Committee, and paid, as the related performance periods are completed. While the value of these units is not determinable at this time, the Plan and the method for valuing the units is described on page 22-23. Mr. Levinson retains his stock options, all of which vested upon his retirement, with their original expiration terms. Mr. Levinson will continue to have access to CIGNA's Financial Services Program through 2008.

Board Compensation Committee Report on Executive Compensation

The functions performed by the People Resources Committee are described on page 10. All members of the Committee are independent outside directors.

Summary

The main objectives of CIGNA's executive compensation program are to attract and retain senior management and encourage performance that maximizes shareholder value. CIGNA pays executives through:

base salary;

annual bonus; and

long-term incentives.

Each is described below under Elements of the Executive Compensation Program.

The base salary provides annual compensation that is competitive with similarly sized companies. The annual bonus recognizes short-term business results and individual performance. Long-term incentives for executive officers are based upon sustained corporate-wide results, linked directly to shareholder value creation. Annual bonus and long-term incentives vary based on competitive and absolute performance versus plan goals.

Program Description

For each executive, CIGNA establishes a total pay target based on median compensation levels for executives in comparable positions in similarly sized companies. In making comparisons, the Committee considers a significant number of companies, including most of the companies in the S&P Insurance/ Managed Care Indexes shown in the performance graph on page 29. Using these total pay targets, the Committee determines the appropriate competitive mix of compensation that will motivate these executives to achieve CIGNA's performance and strategic objectives and to remain with the company.

The Committee regularly reviews CIGNA's compensation program, keeping in mind the company's strategic goals as well as industry practices and trends. The Committee modifies the program when the Committee believes a change will promote shareholder interests. Most recently, for example, to further align executive and long-term shareholder interests, and to recognize the challenging competitive environment, the Committee took the following actions, effective for 2003:

- (1) modified the calculation of awards under the Long-Term Incentive Plan to increase the focus on profitable growth and competitive total shareholder return;
- (2) froze or decreased 2003 compensation targets for the CEO and for most executive officers; and
- (3) froze the number of stock option shares awarded in 2003 at 2002 award levels.

Also in 2003, the Committee approved retention awards in the form of performance-accelerated deferred restricted stock units to the named executives and other direct reports to the CEO. Performance-accelerated restricted stock grants were made to certain other executives. In addition, the Committee approved an arrangement by which recipients of Strategic Performance Units payable in 2004 through 2006 will receive amounts to offset the impact of post 2002 accounting charges attributable to the run-off reinsurance operations. These operations have been inactive since 2000. These actions were intended to retain managers key to achieving future earnings per share goals and restoring investor confidence.

We expect CIGNA executives to demonstrate confidence in the company's future by sustained ownership of a substantial amount of CIGNA stock. In particular, we expect the executive officers to own stock valued at between three and five times their base salaries. The Committee reviews ownership levels annually.

We intend compensation paid to the named executive officers to be fully tax-deductible to the company and have structured our compensation plans to achieve that result. However, in some cases, it may be

Table of Contents

necessary for the company to exceed the tax-deductible limits in order to meet competitive market pressures and to attract and retain senior executives.

Elements of the Executive Compensation Program

Base Salary

Base salary is intended to provide competitive annual compensation that reflects the scope and nature of basic job responsibilities. While increases were not granted to most executive officers in 2003, the Committee generally grants a salary increase, if appropriate, based on an individual's performance and an assessment of whether the current salary is competitive relative to executives in comparable positions at similarly sized companies.

Annual Bonus

Named executive officers who are covered under Section 162(m) of the Internal Revenue Code earn awards under the shareholder-approved CIGNA Executive Incentive Plan. The Plan was designed to motivate these officers with competitive awards based upon achievement of competitive financial and operational goals. The Plan limits award amounts and complies with Section 162(m) of the Internal Revenue Code. The Plan does not pay awards unless CIGNA attains certain objective performance goals.

Annual bonus awards recognize contributions to annual business results as measured against competitors and against CIGNA's operational plans. In particular, we assess corporate-wide, business unit and individual performance in relation to the following major factors, listed in order of importance: earnings, revenue growth and cost management. Financial results must be achieved within the context of customer service, quality and financial integrity standards. We generally reward performance that meets CIGNA's operational plans and equals the results of the competition with a bonus that is equal to median bonus levels at other large companies. Performance that exceeds or fails to meet CIGNA's operational plans can result in a bonus that is higher or lower than the median. An individual's bonus can range from 0 to 200% of the competitive median.

Long-Term Incentives

The long-term incentives CIGNA offers to its executives may include Strategic Performance Units, restricted stock (including performance-accelerated restricted stock), stock options and cash. In making long-term incentive awards in 2003, the Committee intended to focus management on competitively superior long-term results, to align executives' interests with shareholder interests, to ensure that CIGNA executives have incentive opportunities comparable to their counterparts at CIGNA's competitors, and to motivate key executives to remain with the company. CIGNA's stock options typically have terms of ten years and vesting periods of up to three years.

CEO Compensation

Mr. Hanway's overall compensation package acknowledges the following factors, in addition to CIGNA's absolute and competitive performance:

strong performance in healthcare specialty operations, and the retirement and investment, disability and life and international divisions;

progress toward achieving core medical turnaround initiatives, including strong customer service improvements, significant reductions in medical cost trends and disciplined pricing and underwriting execution;

44% increase in total shareholder return during 2003 versus a 29% increase in the S&P 500;

implementation of a strategic restructuring plan including negotiation of a sale of the retirement business;

continued people and management team strengthening;

Table of Contents

investments in customer service, technology and e-commerce that are expected to have a positive impact on future earnings; and

financial stewardship and integrity.

Approximately 90% of Mr. Hanway's total pay opportunity is variable compensation (such as bonuses, restricted stock, stock options and strategic performance units). It is at risk and tied to competitive and absolute corporate business results. Approximately one-third of his total compensation opportunity is based on annual competitive and absolute business performance; over half is dependent upon long-term competitive results. Mr. Hanway's total compensation opportunity (as well as the individual base salary and variable compensation components) is consistent with the total compensation opportunity for CEOs of comparably sized companies.

The Committee considers several factors to assess the performance of CIGNA and Mr. Hanway:

absolute and competitive profitability of each business unit;

profit improvement;

growth in revenue from profitable products/services;

expense management;

customer service;

specific measures that vary by business activity, such as profit margin and membership growth in the health care business and profitable asset growth in the pension business; and

competitive total shareholder return.

Mr. Hanway's compensation package for 2003 is itemized in the summary compensation table on page 20. (His payment under the Long-Term Incentive Plan for the three-year period ending December 31, 2003 will be determined in April and included in next year's summary compensation table.) What follows is an explanation of how the Committee arrived at the amounts of the various components.

2003 Bonus. CIGNA exceeded one or more of the objective financial performance goals established under the CIGNA Executive Incentive Plan. Specific issues that the Committee considered included the factors listed above, CIGNA's earnings from each of its businesses and overall earnings per share performance.

Payment under Long-Term Incentive Plan. The Committee approved a formula-generated value of \$133 for each Strategic Performance Unit awarded in 2000. This amount, which reflects CIGNA's mixed performance over the period from 2000 to 2002 compared to the peer group, was distributed in cash to Mr. Hanway because he met CIGNA's stock ownership guideline (five times salary).

Restricted stock. The Committee approved a grant of 100,000 shares of performance-accelerated deferred restricted stock units for Mr. Hanway for retention purposes and to provide an incentive for the achievement of earnings per share goals for 2004 and beyond.

Stock Options. Mr. Hanway received 250,000 options to provide a competitive compensation opportunity and to link his future compensation opportunity to the creation of additional shareholder value.
