SECTION 9 FINANCIAL STATEMENTS AND EXHIBITS

ITEM 9.01 FINANCIAL STATEMENTS AND EXHIBITS

(a) FINANCIAL STATEMENTS OF THE ACQUIRED BUSINESS

Audited consolidated financial statements of Aquilex Specialty Repair and Overhaul LLC, a Delaware limited liability company ("Aquilex SRO") as of December 31, 2012 (Successor) and 2011 (Predecessor) and for the periods February 3, 2012 to December 31, 2012 (Successor), January 1, 2012 to February 2, 2012 (Predecessor) and the year ended December 31, 2011 (Predecessor).

(b) UNAUDITED PRO FORMA CONDENSED COMBINED CONSOLIDATED FINANCIAL STATEMENTS

The following unaudited pro forma condensed combined consolidated balance sheet as of February 28, 2013 and the unaudited pro forma condensed combined consolidated statements of earnings for the fiscal year ended February 28, 2013 are based on the historical financial statements of AZZ and Aquilex SRO after giving effect to the acquisition of Aquilex SRO by AZZ and after applying the assumptions, reclassifications and adjustments described in the accompanying notes to the unaudited pro forma condensed combined consolidated financial statements. On March 29, 2013 AZZ acquired control of Aquilex SRO and it became a wholly-owned subsidiary of AZZ.

The unaudited pro forma condensed combined consolidated financial statements have been prepared by AZZ for illustrative purposes only and reflect the preliminary estimates and assumptions based on information available at the time of preparation, including preliminary fair value estimates of the intangible assets acquired and net liabilities assumed as discussed below. The unaudited pro forma condensed combined consolidated financial statements are not intended to represent or be indicative of the consolidated results of operations or financial condition of AZZ that would have been reported had the acquisition been completed as of the dates presented and should not be taken as representative of the future consolidated results of operations or financial condition of AZZ. The unaudited pro forma condensed combined consolidated financial statements do not reflect any operating efficiencies and/or cost savings that AZZ may achieve with respect to the combined companies.

AZZ and Aquilex SRO have different fiscal year ends. Accordingly, the unaudited pro forma condensed combined consolidated balance sheet as of February 28, 2013 combines AZZ's historical audited consolidated condensed balance sheet as of February 28, 2013 and Aquilex SRO's historical audited condensed consolidated balance sheet as of December 31, 2012 (Successor) and is presented as if the acquisition of Aquilex SRO had occurred on February 28, 2013. The unaudited pro forma condensed combined consolidated statement of earnings for the fiscal year ended February 28, 2013 combines the historical results of AZZ for the year ended February 28, 2013 and the historical results of Aquilex SRO for the periods January 1, 2012 to February 2, 2012 (Predecessor), and February 3, 2012 to December 31, 2012 (Successor). The unaudited pro forma condensed combined consolidated statements of earnings are presented as if the acquisition had occurred on March 1, 2012.

The acquisition of Aquilex SRO has been accounted for under the acquisition method of accounting. Accordingly, the total estimated purchase price, calculated as described in Note 1 to these unaudited pro forma condensed combined consolidated financial statements, has been allocated on a preliminary basis to assets acquired and liabilities assumed in connection with the acquisition based on their estimated fair values as of the completion of the acquisition. These allocations reflect various preliminary estimates and analyses, including preliminary work performed by third-party valuation specialists, and are subject to change during the purchase price allocation period as valuations are finalized.

The unaudited pro forma condensed combined consolidated financial statements should be read in conjunction with AZZ's historical consolidated financial statements and accompanying notes contained in AZZ's Annual Report on Form 10-K for its fiscal year ended February 28, 2013 and Aquilex SRO's historical audited consolidated financial statements and accompanying notes for its fiscal year ended December 31, 2012 which is included as Exhibit 99.1 to this Form 8-K/A.

NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED
CONSOLIDATED FINANCIAL STATEMENTS

Note 1. Basis of Pro Forma Presentation

On March 29, 2013, we completed our acquisition (the "Acquisition") of all of the equity securities of Aquilex Specialty Repair and Overhaul LLC, a Delaware limited liability company ("Aquilex SRO"), pursuant to the terms of the Securities Purchase Agreement dated February 22, 2013 (the "Purchase Agreement"). Aquilex SRO provides the energy industry with specialty repair and overhaul solutions designed to improve mechanical integrity and extend component life. The Acquisition is part of our strategy to expand our offerings in the Electrical and Industrial Products and Services Segment to enhance our presence in the power generation market.

The Purchase Agreement provided for AZZ's acquisition of all equity securities of Aquilex for cash consideration in the amount of \$276.9 million, subject to adjustment as set forth in the Purchase Agreement

Under the acquisition method of accounting the total purchase price will be allocated to Aquilex SRO's net tangible and intangible assets based on their estimated fair values as of March 29, 2013, the date on which AZZ acquired control. The excess of the purchase price over the net tangible and intangible assets will be recorded as goodwill. AZZ has made a preliminary allocation of the estimated purchase price using estimates as described in the introduction to these unaudited pro forma condensed combined consolidated financial statements as follows (in thousands):

Purchase Price Allocation

| | | | |
|------------------------|----|---------|---|
| Current Assets | \$ | 81,615 | |
| Property and Equipment | | 27,669 | |
| Intangible Assets | | 85,000 | |
| Goodwill | | 109,483 | |
| Other Assets | | 303 | |
| Total Assets Acquired | | 304,070 | |
| Current Liabilities | | (27,093 |) |
| Net Assets Acquired | \$ | 276,977 | |

On February 3, 2012, Aquilex SRO (Predecessor) became majority owned by affiliates of Centerbridge Partners L.P. when it completed a consensual out-of-court financial restructuring with lenders under its First Lien Credit Agreement and Second Lien Credit Agreement and holders. All membership interest of Aquilex Holdings LLC outstanding prior to February 3, 2012 were cancelled. In conjunction with the debt-for-equity exchange, holders of Senior Notes invested \$80,000 of new equity in the Parent Company in exchange for new Preferred Units. Proceeds from the cash equity investment were used to pay down debt on the First Lien Credit Agreement and to pay expenses associated with the transaction. The Parent Company's debt was reduced from approximately \$441,324 to \$136,509 as a result of the transaction. This change in control resulted in a new basis of accounting for Aquilex SRO (Successor). Accordingly, the 2012 historical financial results for Aquilex SRO have been presented for the Successor and Predecessor companies' separately.

Note 2. Reclassifications

Certain reclassifications have been made to conform Aquilex SRO's historical amounts to AZZ's presentation. These reclassifications relate primarily to reclassifying Aquilex SRO's depreciation and amortization expense and other accrued liabilities which are included in a line item on Aquilex SRO's historical statement of earnings and historical balance sheet to the appropriate line items as presented on AZZ's historical consolidated balance sheet and statement of earnings.
