## Edgar Filing: EXIDE TECHNOLOGIES - Form SC 13D/A

### ITEM 4. PURPOSE OF TRANSACTION

The purpose of the acquisition of the Shares is for investment purposes, and the acquisitions of the Shares were made in the ordinary course of business and were not made for the purpose of acquiring control of Exide.

Although none of the Reporting Persons has any specific plan or proposal to acquire or dispose of the Shares, consistent with its investment purpose, each Reporting Person at any time and from time to time may acquire additional shares of Exide common stock or dispose of any or all of its Shares depending upon an ongoing evaluation of the investment in the Shares, prevailing market conditions, other investment opportunities, liquidity requirements of the Reporting Persons, and/or other investment considerations.

Consistent with the investment purpose, representatives of SAMC have recently engaged in preliminary discussions with members of the board of directors of Exide, as well as with several shareholders of Exide, regarding Exide, including but not limited to its operations and board composition. The Reporting Persons may engage in further communications with one or more shareholders of Exide, one or more officers of Exide, one or more members of the board of directors of Exide and/or one or more representatives of Exide on a variety of possible subjects regarding ways to increase shareholder value. Some of the suggestions SAMC might make may affect control of Exide and/or may relate to any of the following: changes to the board of directors or management of Exide, the merger, acquisition or liquidation of Exide, the divestiture of certain assets of Exide, a change in the present capitalization or dividend policy of Exide or a change in Exide's charter or by-laws.

On November 10, 2004, SAMC sent a letter to the executive committee of Exide's board of directors requesting a meeting to discuss various topics aimed at enhancing shareholder value, including changes in the size and composition of Exide's board of directors. A copy of this letter is attached hereto as Appendix IV.

Except to the extent the foregoing may be deemed a plan or proposal, none of the Reporting Persons has any specific plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto.
