**PROXY STATEMENT**

This proxy statement and the enclosed proxy are being furnished to shareholders of IntriCon Corporation (the Corporation) in conjunction with the solicitation of proxies by the Board of Directors of the Corporation for use at the 2010 Annual Meeting of Shareholders (the Annual Meeting) to be held on Wednesday, April 21, 2010 at the Hampton Inn North located at 1000 Gramsie Road, Shoreview, Minnesota 55126, at 11:30 a.m., local time, and any adjournment or postponement of the Annual Meeting. This Proxy Statement and accompanying form of proxy are first being sent or given to shareholders on or about March 22, 2010.

The Board of Directors has fixed the close of business on March 12, 2010 as the record date for determination of the shareholders entitled to notice of and to vote at the Annual Meeting. As of March 12, 2010, there were 5,470,893 shares of common stock, par value \$1.00 per share (the Common Shares) of the Corporation outstanding, each of which is entitled to one vote on all matters to be presented at the Annual Meeting.

Proxies in the form enclosed, if properly executed and received in time for voting, and not revoked, will be voted as directed on the proxies. If no directions to the contrary are indicated, the persons named in the proxy will vote all of your Common Shares for the election of the two nominees for director, for the approval of the amendment to the 2006 Equity Incentive Plan and for the ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Corporation's independent auditor for fiscal year 2010. With respect to any other matter that properly comes before the meeting, the proxy holders will vote the proxies in their discretion in accordance with their best judgment. Because the proxy is revocable, sending in a signed proxy will not affect a shareholder's right to attend the Annual Meeting and vote in person. You also have the option of voting by telephone. If you choose to vote by telephone you may call toll-free in the U.S. or Canada, 1-866-578-5350 on a touch-tone telephone. You also have the option of voting over the Internet. To do so, log on to [www.votestock.com](http://www.votestock.com) and follow the web site instructions. Once you have cast your vote, be sure to click on Accept Vote. The deadline to vote telephonically or over the Internet is Tuesday, April 20, 2010, 11:59 p.m., eastern daylight time.

Any shareholder who submits a proxy may revoke it at any time before the proxy is voted at the Annual Meeting by delivering a later dated proxy or by giving written notice to the Secretary of the Corporation or attending the Annual Meeting in person and so requesting. If you vote by telephone or over the Internet, you may change your vote telephonically or over the Internet by following the procedures used to submit your initial vote. The last vote received chronologically will supersede any prior votes. Attendance at the Annual Meeting will not by itself revoke a previously granted proxy.

The presence, in person or represented by proxy, of the holders of a majority of the outstanding Common Shares will constitute a quorum for the transaction of business at the Annual Meeting. All Common Shares present in person or represented by proxy (including broker non-votes described below) and entitled to vote at the Annual Meeting, no matter how they are voted or whether they abstain from voting, will be counted in determining the presence of a quorum. If the Annual Meeting is adjourned because of the absence of a quorum, those shareholders entitled to vote who attend the adjourned Annual Meeting, although constituting less than a quorum as provided herein, shall nevertheless constitute a quorum for the purpose of electing directors. If the Annual Meeting is adjourned for one or more periods aggregating at least 15 days because of the absence of a quorum, those shareholders entitled to vote who attend the reconvened Annual Meeting, if less than a quorum as determined under applicable law, shall nevertheless constitute a quorum for the purpose of acting upon any other matter set forth in the Notice of Annual Meeting.

## Edgar Filing: INTRICON CORP - Form DEF 14A

Each Common Share is entitled to one vote on each matter that may be brought before the Annual Meeting. The election of the director will be determined by a plurality vote and the two nominees receiving the highest number of for votes will be elected. Approval of any other proposal, including approval of the amendment of the 2006 Equity Incentive Plan and ratification of the appointment of the independent auditor for fiscal year 2010, will require the affirmative vote of a majority of the shares entitled to vote and present in person or represented by proxy at the Annual Meeting. Under our Bylaws and the Pennsylvania Business Corporation Law, an abstention or withholding of authority to vote will have the same legal effect as an against vote and will be counted in determining whether the proposal has received the required shareholder vote; however, a broker non-vote will have no effect on whether the proposal has received the required shareholder vote.

If you are a beneficial owner whose shares are held of record by a broker, bank or other nominee, you must instruct the broker, bank or other nominee how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which the broker, bank or other nominee does not have discretionary authority to vote. This is called a broker non-vote. In these cases, the broker, bank or other nominee can register your shares as being present at the Annual Meeting for purposes of determining the presence of a quorum but will not be able to vote on those matters for which specific authorization is required. There is an important change this year regarding broker non-votes and director elections. See below for information about the change.

If you are a beneficial owner whose shares are held of record by a broker, bank or other nominee, your broker, bank or other nominee has discretionary voting authority to vote your shares on the ratification of the independent auditor, even if the broker, bank or other nominee does not receive voting instructions from you. However, your broker, bank or other nominee does not have discretionary authority to vote on the election of directors or the amendment to the 2006 Equity Incentive Plan without instructions from you, in which case a broker non-vote will occur and your shares will not be voted on these matters.

**Important Change:** An New York Stock Exchange rule change that is effective for the 2010 Annual Meeting no longer permits brokers to vote in the election of directors if the holder of record has not received instructions from the beneficial owner. This represents a change from prior years, when brokers had discretionary voting authority in the election of directors. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.

The cost of this solicitation will be borne by the Corporation. In addition to solicitation by mail, proxies may be solicited in person or by telephone, telegraph or teletype by officers, directors or employees of the Corporation, without additional compensation. Upon request, the Corporation will pay the reasonable expenses incurred by record holders of the Corporation's Common Shares who are brokers, dealers, banks or voting trustees, or their nominees, for mailing proxy materials to the beneficial owners of the shares they hold of record.

**PROPOSAL 1**

**ELECTION OF DIRECTORS**

The Board of Directors currently consists of five members divided into three classes.

The Board of Directors, based upon the recommendation of the Nominating and Corporate Governance Committee, has nominated Mark S. Gorder and Michael J. McKenna for election as directors at the Annual Meeting to serve until the 2013 annual meeting of shareholders and until his respective successor has been duly elected and qualified. Each nominee is a current director of the Corporation and previously has been elected as a director by the Corporation's shareholders. Messrs. Gorder and McKenna have each indicated their willingness to continue serving as directors. The Board of Directors knows of no reason why the nominees would be unable to serve as directors. If either of the nominees are for any reason unable to serve, then the proxies will be voted for the election of such substitute nominee as the Board of Directors may designate, unless the Board of Directors reduces the number of directors on the Board.

The Board of Directors recommends that the shareholders vote for the election of each of Messrs. Gorder and McKenna as a director for the ensuing term.

The Board of Directors seeks to ensure that it is composed of members of high character and integrity and whose particular experience, qualifications, attributes and skills, when taken together, will allow the Board of Directors to satisfy its oversight responsibilities effectively. As discussed below under "Director Nomination Process," the slate of directors are nominated by the Board of Directors upon recommendation by the Nominating and Corporate Governance Committee for election at the annual stockholders' meeting each year. In considering whether to recommend a director candidate, the Nominating and Corporate Governance Committee evaluates each individual in the context of the Board as a whole taking into account relevant factors including, among other things:

whether the director candidate has significant leadership experience and outstanding achievement in such director candidate's career field;

whether the director candidate has relevant expertise or experience and would be able to offer advice and guidance to management based on that expertise or experience;

whether the director candidate has the financial expertise or other professional, educational or business experience relevant to understanding to the Corporation's business;

whether the director candidate has sufficient time available to devote to the Corporation;

whether the director candidate has the ability to make independent, analytical inquiries and challenge management;

whether the director candidate will be committed to represent and advance the long-term interests of the Corporation's shareholders; and

whether the director candidate meets the independence requirements of the NASDAQ Stock Market.

## Edgar Filing: INTRICON CORP - Form DEF 14A

The Nominating and Corporate Governance Committee does not have a formal policy regarding director diversity. The Nominating and Corporate Governance Committee believes that the directors should encompass a range of experience, viewpoints, qualifications, attributes and skills in order to provide sound and prudent guidance on the Corporation's operations. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criteria is necessarily applicable to all prospective nominees.

Included in each director nominee's or current director's biography are the particular experiences, qualifications, attributes or skills that led the Board to the conclusion that each director nominee or director should serve as a director of the Corporation. Each director brings a strong and unique background and set of skills to the Board, giving the Board as a whole competence and experience. We believe all of our directors have integrity and honesty and adhere to high ethical standards. They have each demonstrated business acumen and an ability to exercise sound judgment, as well as commitment of service to the Corporation and the Board.

The following table sets forth certain information concerning the nominees and the persons whose terms as directors will continue after the Annual Meeting.

#### Independence of the Board of Directors

Under our corporate governance guidelines, the Board, with the assistance of legal counsel and the Nominating and Corporate Governance Committee, uses the current standards for independence established by The Nasdaq Stock Market, LLC, referred to in the remainder of this proxy statement as Nasdaq, to determine director independence. The Board of Directors has determined that the following directors, constituting a majority of the members of the Board, are independent as defined in the corporate governance rules of the Nasdaq Stock Market, LLC: Messrs. Giordano, Masucci, McKenna and Seamon.

## Edgar Filing: INTRICON CORP - Form DEF 14A

The independence standards of Nasdaq are composed of objective standards and subjective standards. Under the objective standards, a director will not be deemed independent if he directly or indirectly receives payments for services (other than as a director) in excess of certain thresholds or if certain described relationships exist. Under the subjective independence standard, a director will not be deemed independent if he has a material relationship with the Corporation that, in the view of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Under the Nasdaq rules, an independent director must satisfy both the objective and the subjective standards.

In evaluating the independence of Mr. McKenna, the Board considered that a partner of the law firm retained by the Corporation since 2002 is the son-in-law of Mr. McKenna. See Certain Relationships and Related Party Transactions. The Board determined that Mr. McKenna was independent under the objective Nasdaq standards because: (i) no payments were made to Mr. McKenna or his son-in-law directly in exchange for the services provided to the Corporation by the law firm and (ii) the amounts paid to the law firm did not exceed the thresholds contained in the Nasdaq standards. The Board also determined that Mr. McKenna was independent under the subjective Nasdaq standard for the reasons discussed above and because Mr. McKenna's son-in-law was not personally involved in the law firm's legal representation of the Corporation.

### **Board Leadership Structure and Risk Oversight**

We separate the roles of Chief Executive Officer and Chairman of the Board in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting the strategic direction for the Corporation and the day to day leadership and performance of the Corporation, while the Chairman of the Board provides guidance and sets the agenda for Board meetings and presides over meetings of the full Board. The Board believes that this structure ensures a greater role for the independent directors in the oversight of the Corporation and active participation of the independent directors in setting agendas and establishing priorities and procedures that work for the Board. The Chairman of the Board also acts as a key liaison between the Board and management.

The Board of Directors as a whole is responsible for consideration and oversight of risks facing the Corporation, and is responsible for ensuring that material risks are identified and managed appropriately. Certain risks are overseen by committees of the Board of Directors and these committees make reports to the full Board of Directors, including reports on noteworthy risk-management issues. Financial risks are overseen by the Audit Committee which meets with management to review the Corporation's major financial risk exposure and the steps management has taken to monitor and control such exposures. Compensation risks are overseen by the Compensation Committee. Members of the Corporation's senior management team regularly report to the full Board about their areas of responsibility and a component of these reports is risk within the area of responsibility and the steps management has taken to monitor and control such exposures. Additional review or reporting on risks is conducted as needed or as requested by the Board or committee.

### **Communication with the Board**

Shareholders may communicate with the Board of Directors, including any individual director, by sending a letter to the Board of Directors, c/o Corporate Secretary, IntriCon Corporation, 1260 Red Fox Road, Arden Hills, Minnesota 55112. The Corporate Secretary has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications. If deemed an appropriate communication, the Corporate Secretary will submit your correspondence to the Chairman of the Board or to any specific director to whom the correspondence is directed.

**Meetings of the Board and Committees**

The Corporation's Board of Directors held twelve meetings in 2009. During 2009, all directors of the Corporation attended at least 75% of the total number of meetings of the Board of Directors of the Corporation and all committees of which they were members.

**Attendance at Annual Meeting of Shareholders**

The Board of Directors has adopted a policy that all of the directors should attend the annual meeting of shareholders, absent exceptional cause. All five of the directors attended the 2009 annual meeting of shareholders.

**Code of Ethics**

The Corporation has adopted a code of ethics that applies to its directors, officers and employees, including its chief executive officer, chief financial officer, controller and persons performing similar functions. Copies of the Corporation's code of ethics are available without charge upon written request directed to Cari Sather, Director of Human Resources, IntriCon Corporation, 1260 Red Fox Road, Arden Hills, MN 55112. A copy of the code of ethics is also available on the Corporation's website: [www.intricon.com](http://www.intricon.com). The Corporation intends to satisfy the disclosure requirement under Item 5.05 of SEC Form 8-K regarding any future amendments to a provision of its code of ethics by posting such information on the Corporation's website: [www.intricon.com](http://www.intricon.com).

**Director Compensation for 2009**

The following table sets forth information concerning the compensation earned during the year ended December 31, 2009 by each of our directors that was not also an employee.

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (1) (\$)	Option Awards (2) (\$)	All Other Compensation (\$)	Total (\$)
Nicholas A. Giordano	39,600		18,597		64,097
Robert N. Masucci	32,100		18,597		57,097
Michael J. McKenna	53,350(3)		20,152		83,652
Philip N. Seamon	30,300		20,887		54,887

- (1) We have not granted any stock awards to our directors. Under the Non-Employee Director and Executive Officer Stock Purchase Program, directors may purchase Common Shares directly from the Corporation at the last reported sale price on the date that the election to purchase is made. During 2009, Mr. McKenna purchased 20,000 Common Shares from the Corporation under this program at a cost of \$62,000. See Non-Employee Director and Executive Officer Stock Purchase Program.
- (2) The amounts included in the Option Awards column represent the aggregate grant date fair value of stock awards granted during 2009 computed in accordance with Financial Accounting Standards Board's Accounting Standards Codification Topic 718 (FASB Codification Topic 718). For a discussion of valuation assumptions, see Note 12 to our consolidated financial statements included in our annual report on Form 10-K for the fiscal year ended December 31, 2009. The amounts shown include the impact of option forfeitures during 2009. A total of 10,850 options were forfeited under all plans during 2009. As of December 31, 2009, the number of stock option awards held by our non-employee directors was: Mr. Giordano 85,000; Mr. Masucci 85,000; Mr. McKenna 91,500; and Mr. Seamon 35,000.

(3) Pursuant to the Non-Employee Directors Stock Fee Election Program, Mr. McKenna elected to have a total of \$10,406 of his director fees paid in Common Shares and received 3,340 Common Shares. See Non-Employee Directors Stock Fee Election Program.

For 2009, the Chairman of the Board was entitled to received an annual retainer of \$49,000, the Chairman of the Audit Committee was entitled to receive an annual retainer of \$34,000 and each other non-employee member of the Board was entitled to receive an annual retainer of \$24,000. The annual retainers are paid on a quarterly basis. In addition, each non-employee member of the Board was entitled to received \$1,000 for each Board meeting attended in person and \$500 for each telephonic meeting of the Board attended, and \$1,000 for each committee meeting attended in person and \$500 for each telephonic meeting of the committee attended of which such non-employee member of the Board is a member; however, no fee was payable for telephonic board and committee meetings that last less than 30 minutes.

Effective April 1, 2009, the non-employee directors elected to temporarily reduce their quarterly retainer installments and meeting fees by 20% at the same time that the Corporation effected a reduction in the salaries of officers and employees in an effort to reduce costs during the economic slowdown. There has been no defined timeline for restoring the employee salaries or director quarterly retainer installments and meeting fees.

Directors are eligible to receive awards under the 2006 Equity Incentive Plan. The Compensation Committee has approved the automatic grant of options to non-employee directors who are re-elected or continue as a non-employee director at each annual meeting of shareholders as follows: chairman of the board - options to purchase 12,000 Common Shares and each other non-employee director - options to purchase 10,000 Common Shares. Accordingly, following the 2009 annual meeting, Mr. McKenna, in his capacity as chairman of the board, was granted an option to purchase 12,000 Common Shares, while each of Messrs. Giordano, Masucci, and Seamon was granted an option to purchase 10,000 Common Shares, in each case at an exercise price of \$3.03 per share, the fair market value on the date of the grant. Assuming that they are re-elected or continue as a director, as the case may be, at the 2010 annual meeting, the chairman of the board will receive an option to purchase 12,000 Common Shares, and each of the other non-employee directors will receive an option to purchase 10,000 Common Shares, in each case at an exercise price equal to the fair market value of the Common Shares on the date of the 2010 annual meeting. All director options vest in three equal, annual installments beginning one year after the date of grant, except that the options will become immediately exercisable upon a change in control as defined in the 2006 Equity Incentive Plan or the death or disability of the recipient, and expire ten years after the date of grant, unless terminated earlier by the terms of the option.

#### **Non-Employee Directors Stock Fee Election Program**

In December 2006, the Board of Directors approved the Non-Employee Directors Stock Fee Election Program, referred to as the Program, as an award under the 2006 Equity Incentive Plan. The Program gives each non-employee director the right under the 2006 Equity Incentive Plan to elect to have some or all of his quarterly director fees paid in Common Shares rather than cash. The minimum amount that can be the subject of such election by a director is 25% of his quarterly director fees. The shares to be issued will be valued based on the last reported sale price of the Common Shares as reported on Nasdaq on the first business day of each calendar quarter when quarterly director fees are paid. The number of shares that will be issued for any such quarterly director fees with respect to which an election is in effect will be equal to the amount of the election divided by the applicable last sale price. No fractional shares will be issued and a director will receive cash in lieu of any fractional shares. That portion of the quarterly director fees for which no election is in effect will continue to be paid in cash. The shares so purchased will be deemed fully vested as of the quarterly payment date. In 2009, Mr. McKenna elected to have a total of \$10,406 of his director fees paid in Common Shares and received 3,340 Common Shares.

**Non-Employee Director and Executive Officer Stock Purchase Program.**

In July 2008, the Compensation Committee approved the Non-Employee Director and Executive Officer Stock Purchase Program (the Purchase Program ) as an award under the 2006 Equity Incentive Plan. The purpose of the Purchase Program is to permit the Corporation's non-employee directors and executive officers to purchase Common Shares directly from the Corporation. Pursuant to the Purchase Program, participants may elect to purchase Common Shares not exceeding an aggregate of \$100,000 during any fiscal year. Participants may make such election one time during each ten business day period following the public release of the Corporation's earnings announcement (a Window Period ) and only if such participant is not in possession of material, non-public information concerning the Corporation and subject to the discretion of the Board to prohibit any transactions in Common Shares by directors and executive officers during a Window Period. The purchase price of the Common Shares to be issued pursuant to the Program will be equal to the last reported sale price of the Common Shares as reported on the Nasdaq Global Market on the business day on which the election is made. Elections by participants may not be modified or revoked. During 2009, Mr. McKenna purchased 20,000 Common Shares from the Corporation under the Purchase Program at a cost of \$62,000.

**Director Share Ownership Requirements**

In April 2006, the Nominating and Corporate Governance Committee adopted a policy that all directors must purchase and own Common Shares with a purchase price equal to at least one-year's annual director fees. All directors are in compliance with this policy.

**Committees of the Board**

The Board of Directors of the Corporation has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

**Audit Committee.** The Board of Directors of the Corporation has appointed a standing Audit Committee consisting of Messrs. Giordano (Chairman), Masucci, McKenna and Seamon. The Board of Directors has determined that each member of the Audit Committee is independent, as defined in applicable Nasdaq corporate governance rules and SEC regulations. In addition, the Board of Directors has determined that Mr. Giordano qualifies as an audit committee financial expert, as defined in applicable SEC rules. The Audit Committee held nine meetings in 2009.

The Audit Committee is governed by a written charter approved by the Board of Directors, a copy of which is available on our website at [www.intricon.com](http://www.intricon.com). The principal duties of the Audit Committee are to monitor the integrity of the financial statements of the Corporation, the compliance by the Corporation with legal and regulatory requirements and the independence and performance of the Corporation's independent auditors. The Audit Committee also approves all related party transactions and establishes procedures for (i) the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls or auditing matters, and (ii) the confidential, anonymous submissions by the Corporation's employees of concerns regarding questionable accounting or auditing matters. In addition, the Committee selects the firm to be engaged as the Corporation's independent public accountants, and approves the engagement of the independent public accountants for all non-audit activities permitted under the Sarbanes-Oxley Act of 2002. The report of the Audit Committee appears on page 42.

**Compensation Committee.** The Board of Directors of the Corporation has appointed a standing Compensation Committee currently consisting of Messrs. McKenna (Chairman), Giordano, Seamon, and Masucci. The Board of Directors has determined that each member of the Compensation Committee is independent, as defined in applicable Nasdaq corporate governance rules. The Compensation Committee reviews and makes recommendations to the Board of Directors concerning officer compensation and officer and employee bonus programs and administers the Corporation's 2006 Equity Incentive Plan, 2001 Stock Option Plan, Amended and Restated 1994 Stock Option Plan, Non-Employee Directors Stock Option Plan and Employee Stock Purchase Plan. The Compensation Committee met two times in 2009.

The Compensation Committee is governed by a written charter approved by the Board of Directors, a copy of which is available on our website at [www.intricon.com](http://www.intricon.com). The principal duties of the Compensation Committee are to formulate, evaluate and approve the compensation of the Corporation's executive officers, oversee all compensation programs involving the issuance of the Corporation's stock and other equity securities of the Corporation, and, if required, review and discuss with the Corporation's management the Compensation Discussion and Analysis and preparing the Committee's report thereon for inclusion in the Corporation's annual proxy statement in accordance with applicable rules and regulations.

A discussion of the Compensation Committee's processes and procedures for the consideration and determination of executive compensation is included in Compensation Discussion and Analysis.

**Nominating and Corporate Governance Committee.** The Board of Directors of the Corporation has appointed a standing Nominating and Corporate Governance Committee currently consisting of Messrs. McKenna (Chairman), Giordano, Masucci and Seamon. The Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is independent, as defined in applicable Nasdaq corporate governance rules. The Nominating and Corporate Governance Committee met two times in 2009.

The Nominating and Corporate Governance Committee is governed by a written charter approved by the Board of Directors, a copy of which is available on our website at [www.intricon.com](http://www.intricon.com). The principal duties of the Nominating and Corporate Governance Committee are to identify individuals qualified to become members of the Board consistent with the criteria approved by the Committee, consider nominees made by shareholders in accordance with the Corporation's bylaws, select, or recommend to the Board, the director nominees for each annual shareholders meeting, recommend to the Board directors to be appointed to each Committee of the Board, recommend to the Board whether to increase or decrease the size of the Board, develop and recommend to the Board corporate governance principles and oversee the evaluations of the Board and senior management.

### Director Nomination Process

**Consideration of Director Candidates Recommended by Shareholders.** The Nominating and Corporate Governance Committee will consider properly submitted shareholder recommendations for director candidates. A shareholder who wishes to recommend a prospective director nominee should send a signed and dated letter to the Chairman of the Nominating and Corporate Governance Committee, c/o Corporate Secretary, IntriCon Corporation, 1260 Red Fox Road, Arden Hills, Minnesota 55112 with the following information:

the name and address of the shareholder making the recommendation and of each recommended nominee;

a representation that the shareholder is a holder of record, and/or a beneficial owner, of voting stock of the Corporation entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to vote for the person(s) recommended if nominated;

a description of all arrangements and understandings between the shareholder and each recommended nominee and any other person(s), naming such person(s), pursuant to which the recommendation was submitted by the shareholder;

such other information regarding each recommended nominee as would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC had the nominee been nominated by the Nominating and Corporate Governance Committee, including the principal occupation of each recommended nominee; and

the consent of each recommended nominee to serve as a director if so nominated and elected.

The deadline for submitting the letter recommending a prospective director nominee for the 2011 annual meeting of shareholders is November 23, 2010. All late or non-conforming recommendations will be rejected.

In addition, under the Corporation's bylaws, shareholders are permitted to nominate directors to be elected at a meeting of shareholders by providing notice and the other required information specified in the bylaws. Although shareholders may nominate directors, such nominees will not appear in the Corporation's proxy statement or in the proxy solicited by the Board of Directors. The Corporation's amended and restated bylaws are available, at no cost, at the SEC's website, [www.sec.gov](http://www.sec.gov), as Exhibit 3.1 to the Corporation's Current Report on Form 8-K filed October 12, 2007 or upon the shareholder's written request directed to the Corporate Secretary at the address given above.

**Director Qualifications.** The Nominating and Corporate Governance Committee has the sole authority to select, or to recommend to the Board of Directors, the Board of Director nominees to be considered for election as a director. The Nominating and Corporate Governance Committee does not have any specific minimum qualifications that must be met by a nominee other than nominees for director must be at least 21 years old. Nominees for director will be selected on the basis of outstanding achievement in their careers; broad experience; education; independence under applicable Nasdaq and SEC rules; financial expertise; integrity; financial integrity; ability to make independent, analytical inquiries; understanding of the business environment; and willingness to devote adequate time to Board and committee duties. The proposed nominee should have sufficient time to devote their energy and attention to the diligent performance of the director's duties, including attendance at Board and committee meetings and review of the Corporation's financial statements and reports, SEC filings and other materials. Finally, the proposed nominee should be free of conflicts of interest that could prevent such nominee from acting in the best interest of shareholders.

Additional special criteria apply to directors being considered to serve on a particular committee of the Board. For example, members of the Audit Committee must meet additional standards of independence and have the ability to read and understand the Corporation's financial statements.

**Identifying and Evaluating Nominees for Director.** The Nominating and Corporate Governance Committee assesses the appropriate size of the Board in accordance with the limits fixed by the Corporation's charter and bylaws, whether any vacancies on the Board are expected and what incumbent directors will stand for re-election at the next meeting of shareholders. If vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee considers candidates for director suggested by members of the Nominating and Corporate Governance Committee and other Board members as well as management, shareholders and other parties. The Nominating and Corporate Governance Committee also has the sole authority to retain a search firm to identify and evaluate director candidates. Except for incumbent directors standing for re-election as described below, there are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for director, based on whether the nominee is recommended by a shareholder or any other party.

## Edgar Filing: INTRICON CORP - Form DEF 14A

In the case of an incumbent director whose term of office expires, the Nominating and Corporate Governance Committee reviews such director's service to the Corporation during the past term, including, but not limited to, the number of Board and committee meetings attended, as applicable, quality of participation and whether the candidate continues to meet the general qualifications for a director outlined above, including the director's independence, as well as any special qualifications required for membership on any committees on which such director serves. When a member of the Nominating and Corporate Governance Committee is an incumbent director eligible to stand for re-election, such director will not participate in that portion of the Nominating and Corporate Governance Committee meeting at which such director's potential nomination for election as a director is discussed by the Nominating and Corporate Governance Committee.

In the case of a new director candidate, the Nominating and Corporate Governance Committee will evaluate whether the nominee is independent, as independence is defined under applicable Nasdaq corporate governance rules, and whether the nominee meets the qualifications for director outlined above as well as any special qualifications applicable to membership on any committee on which the nominee may be appointed to serve if elected. In connection with such evaluation, the Nominating and Corporate Governance Committee determines whether the committee should interview the nominee, and if warranted, one or more members of the Nominating and Corporate Governance Committee interviews the nominee in person or by telephone.

Upon completing the evaluation, and the interview in case of a new candidate, the Nominating and Corporate Governance Committee makes a decision as to whether to nominate the director candidate for election at the shareholders meeting.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

**Background**

The Compensation Committee of our Board of Directors administers our compensation program for executive officers. The objectives of our compensation program are to attract and retain talented and dedicated executive officers and to align a significant portion of their compensation with our business objectives and performance.

**Elements of Executive Compensation**

Our compensation program for executive officers consists of the following elements:

**Base Salary.** Base salary is designed to reward the performance of our executive officers in their daily fulfillment of their responsibilities to us. The Compensation Committee determines the base salary of each of our executive officers by evaluating their scope of responsibilities and experience, years of service with us, our performance and the performance of each of the executive officers during the past year, the executive's future potential and competitive salary practices. We believe that our base salaries are competitive with other companies of our size.

Effective April 1, 2009, in an effort to reduce costs during the economic slowdown, we temporarily effected reductions in the salaries of our officers and employees. Mr. Gorder's salary was reduced by 20%, the salaries of each of our other executive officers was reduced by 15% and the salaries of our employees were reduced by 5-10%. There has been no defined timeline for restoring the employee salaries or directors quarterly retainer installments and meeting fees.

**Annual Cash Incentive Compensation.** The Compensation Committee's philosophy is that a significant portion of the total potential compensation of our executive officers should depend upon the degree of our financial and strategic success in a particular year. In February 2009, the Compensation Committee adopted the Annual Incentive Plan for Executives and Key Employees for Fiscal Year 2009 (the 2009 Incentive Plan). Under the 2009 Incentive Plan, executive officers and selected key employees of IntriCon were eligible to receive incentive compensation based on (i) IntriCon exceeding certain net income targets for 2009 and (ii) achievement of designated strategic objectives. Based on IntriCon achieving from 80% to 150% of targeted net income for 2009 and achieving all strategic objectives, Mr. Gorder was eligible to receive incentive compensation ranging from 25% to 75%, respectively, of his 2009 salary and each of the other Named Officers was eligible to receive incentive compensation ranging from 20% to 60%, respectively, of their 2009 salary.

In February 2010, the Compensation Committee adopted the 2010 incentive plan for executive officers (the 2010 Incentive Plan). For further information, see 2010 Incentive Plan.

**Long-Term Incentive Compensation in the Form of Stock Awards.** In 2006, our Board of Directors and shareholders approved the 2006 Equity Incentive Plan. The 2006 Equity Incentive Plan is designed to:

promote the long-term retention of our employees, directors and other persons who are in a position to make significant contributions to our success;

further reward these employees, directors and other persons for their contributions to our growth and expansion;

provide additional incentive to these employees, directors and other persons to continue to make similar contributions in the future; and

further align the interests of these employees, directors and other persons with those of our shareholders.

To achieve these purposes, the 2006 Equity Incentive Plan permits the Compensation Committee to make awards of stock options, stock appreciation rights, restricted stock or unrestricted stock, deferred stock, restricted stock units or performance awards for our Common Shares. For more information concerning the 2006 Equity Incentive Plan, see Proposal 2: Amendment of 2006 Equity Incentive Plan.

Stock options are granted at the fair market value of our Common Shares on the date of grant. Stock options are granted based on various factors, including the executive's ability to contribute to our long-term growth and profitability.

**Employee Stock Purchase Plan.** All of our fulltime employees, including our executive officers (other than Mr. Gorder), are entitled to participate in our Employee Stock Purchase Plan. Under this Plan, employees may purchase our Common Shares at a discount of up to 10% through payroll deductions.

**Non-Employee Director and Executive Officer Stock Purchase Program.** Under the Non-Employee Director and Executive Officer Stock Purchase Program, executive officers may purchase Common Shares directly from the Corporation at the last reported sale price on the date that the election to purchase is made. During 2009, the executive officers did not purchase any Common Shares from the Corporation under this program.

**Other Benefits.** All of our fulltime employees, including our executive officers, are entitled to participate in our health insurance, life insurance and 401(k) plans. We also maintain a disability insurance policy on behalf of certain of the members of our senior management, including Messrs. Gorder, Geraci, Longval, Conger, Gruenhagen and Gonsior, that is in addition to the disability benefits that we maintain for our salaried employees.

**Additional Benefits Payable to the Chief Executive Officer.** Mr. Gorder, our Chief Executive Officer, receives additional benefits under our employment agreement with him. Under this agreement, we maintain disability insurance for Mr. Gorder's benefit. Additionally, under the employment agreement, we are required to reimburse Mr. Gorder for his country club membership fees. We are also required to provide Mr. Gorder with an automobile for use in connection with the performance of his duties under the employment agreement and reimburse him for all expenses reasonably incurred by him for the maintenance and operation, including fuel, of the automobile.

#### **Processes and Procedures for the Determination of Executive Officer and Director Compensation**

**Scope of Authority of the Compensation Committee.** The scope of the Compensation Committee's authority and responsibilities is set forth in its charter, a copy of which is available on our website at [www.intricon.com](http://www.intricon.com). The Compensation Committee's authority includes the authority to:

determine the following with respect to our executive officers: (i) the annual base salary level, (ii) the annual incentive opportunity level, (iii) the long-term incentive opportunity level, (iv) employment agreements, severance agreements, change in control agreements/provisions and other compensatory arrangements, in each case as, when and if appropriate, and (v) any special or supplemental benefits, in each case subject to the terms of any existing applicable employment agreement terms; and

determine the compensation payable to directors and members of committees of the board, including the Chairman of the Board and the Chairman of each committee, other than directors who are our salaried employees.

**Delegation of Authority.** As provided under the Compensation Committee's charter, the Compensation Committee may delegate its authority to special subcommittees of the Compensation Committee as the Compensation Committee deems appropriate, consistent with applicable law and Nasdaq listing standards. Additionally, the 2006 Equity Incentive Plan permits the Compensation Committee, subject to criteria, limitations and instructions as the Compensation Committee determines, to delegate to an appropriate officer of the Corporation the authority to determine the individual participants under that Plan and amount and nature of the award to be issued to such participants; provided, that no awards may be made pursuant to such delegation to a participant who is subject to Section 16(b) of the Securities Exchange Act of 1934, as amended. To date, the Compensation Committee has not delegated its responsibilities other than delegating to the Chief Executive Officer and Chief Financial Officer the authority to grant a limited number of stock options under the 2006 Equity Incentive Plan to non-executive employees.

**Role of Management in Determining or Recommending Executive Compensation.** Traditionally, the Compensation Committee reviews our executive compensation program in December and/or February of each year, although decisions in connection with new hires and promotions are made on an as-needed basis. Mr. Gorder, our President and Chief Executive Officer, makes recommendations concerning the amount of compensation to be awarded to our executive officers, including himself, but does not participate in the Compensation Committee's deliberations or decisions. The Compensation Committee reviews the recommendations together with a tally sheet showing all items of executive compensation. After a presentation by Mr. Gorder, the Committee meets in executive session to discuss and consider the recommendations and makes a final determination.

**Role of Compensation Consultants in Determining or Recommending Executive Compensation.** Under its charter, the Compensation Committee has authority to retain, at the Corporation's expense, such counsel, consultants, experts and other professionals as it deems necessary.

At the request of the Compensation Committee, the Corporation retained RSM McGladrey to review the Corporation's compensation structure on a company-wide basis in 2008. Based on their review, RSM McGladrey concluded that the Corporation's overall compensation structure appeared to be comparable with that of similarly situated companies. In conjunction with their review, RSM McGladrey assisted in the development of the 2009 Incentive Plan.

#### **Determination of Executive Compensation**

**Base Salary.** Typically, the Compensation Committee reviews and adjusts base salaries on an annual basis. In December 2008, the Compensation Committee determined that, due to the economic climate, the base salaries of the executive officers would not be increased for 2009.

Effective April 1, 2009, in an effort to reduce costs during the economic slowdown, the Corporation temporarily effected reductions in the salaries of officers and employees. Mr. Gorder's salary was reduced by 20%, the salaries of each of our other executive officers was reduced by 15% and the salaries of our employees were reduced by 5-10%. There has been no defined timeline for restoring the employee salaries or directors quarterly retainer installments and meeting fees.

## Edgar Filing: INTRICON CORP - Form DEF 14A

In December 2009 and February 2010, the Compensation Committee considered the base salaries of the executive officers for 2010. The Compensation Committee increased the base salary of Mr. Gruenhagen to \$150,000, retroactive to January 1, 2009, but subject to the 15% salary reduction for executive officers. The Compensation Committee determined that due to the economic climate, the base salaries of the other executive officers would not be increased.

**Annual Cash Incentive Compensation.** In February 2010, the Compensation Committee determined that because the minimum target under the 2009 Incentive Plan had not been met, no bonuses would be awarded for 2009.

**Long-Term Incentive Compensation in the Form of Stock Awards.** The Compensation Committee generally makes awards on an annual basis but also makes awards in connection with new hires and promotions.

In February 2010, the Compensation Committee awarded stock options to the Corporation's executive officers under the 2006 Equity Incentive Plan to purchase Common Shares at an exercise price of \$3.16 per share, the fair market value of the Common Shares on the date of grant. The options will vest and become exercisable (which may be in whole or in part as determined by the Committee) on or after December 31, 2011 based on the Company's satisfaction of certain strategic objectives established by the Committee, except that the options will become immediately exercisable upon a change in control as defined in the 2006 Equity Incentive Plan or the death or disability of the recipient, and expire ten years after the date of grant, unless terminated earlier by the terms of the option. Mr. Gorder was awarded options to purchase 15,000 Common Shares and each of the other named executive officers was awarded options to purchase 10,000 Common Shares. The Committee has the discretion to determine whether the strategic objectives have been satisfied and to adjust the strategic objectives and vesting of the options as circumstances warrant.

For information concerning stock options granted to our executive officers for through December 31, 2009, see Outstanding Equity Awards at Fiscal Year End.

### Employment Agreements and Change in Control Arrangements

We have entered into employment agreements with Mark S. Gorder, our President and Chief Executive Officer, and the executive officers named in our Summary Compensation Table.

The employment agreement with Mr. Gorder was based on his prior employment agreement and incorporated the provisions of the change in control agreement that was then in effect. The employment agreements with the other executive officers also contain a similar change in control provision. Among other things, each employment agreement provides for a fixed employment term, subject to annual renewals, the executive's base salary and the executive's right to participate in our bonus plans, equity plans and other employee benefits. In addition, in the event that (i) there occurs a change in control (as defined in the agreements) or sale of our assets accounting for 90% of more of our sales and (ii) the executive's employment is involuntarily terminated within one year afterwards, the executive will be entitled to payment of his base salary for one year (two years for Mr. Gorder) in a lump sum and continuation of his medical benefits for a period of one year.

The change in control provisions that we use contain a double trigger requirement, meaning that for an executive to receive a payment under the change of control provision, there must be both a change of control, as defined in the applicable agreement, and an involuntary termination of the executive's employment. The double trigger requirement was chosen to prevent us from having to pay substantial payments in connection with a change in control where an executive had not suffered any adverse employment consequences. However, all stock options will vest and become immediately exercisable upon a change of control, regardless of whether the executive is involuntarily terminated.

## Edgar Filing: INTRICON CORP - Form DEF 14A

We believe that employment agreements and change in control protections are important to attract and retain talented executive officers and to protect our executive officers from a termination or significant change in responsibilities arising after a change in control. For more information, see [Employment Agreements](#) and [Potential Payments Upon Termination of Employment or Change in Control](#).

### Accounting and Tax Considerations

Under our prior stock options plans, the Compensation Committee was limited to issuing stock options. The Compensation Committee considers making awards using the other types of awards permitted under the 2006 Equity Incentive Plan in light of FASB ASC Subtopic 505-50 - Equity-Based Payments to Non-Employees. This accounting standard requires us to record as compensation expense the grant date fair value of a stock option over the life of the option. The Compensation Committee considers the compensation expense of option and other equity grants when making future awards; however, given that, traditionally, the Compensation Committee has not made large grants of option awards to our executive officers and employees, we do not expect that the compensation expense associated with option grants will have a material adverse effect on our reported earnings.

Generally, Section 162(m) of the Internal Revenue Code of 1986, referred to as the Internal Revenue Code, and the Internal Revenue Service, referred to as the IRS, regulations adopted under that section, which are referred to collectively as Section 162(m), deny a deduction to any publicly held corporation, such as the Corporation, for certain compensation exceeding \$1,000,000 paid during each calendar year to each of the chief executive officer and the four other highest paid executive officers, excluding, among other things, certain qualified performance-based compensation. Our policy is to maximize the tax deductibility of compensation paid to our most highly compensated executives under Section 162(m). For example, our 2006 Equity Incentive Plan is intended to satisfy certain of the requirements for an exemption for qualified performance-based compensation under Section 162(m). We do not believe that Section 162(m) will have a material adverse effect on us in 2009.

- (1) We did not grant any stock awards in 2009. Under the Non-Employee Director and Executive Officer Stock Purchase Program, executive officers may purchase Common Shares directly from the Corporation at the last reported sale price on the date that the election to purchase is made. During 2009, the Named Officers did not purchase any Common Shares from the Corporation under this program.
- (2) The amounts included in the Option Awards column represent the aggregate grant date fair value of option awards granted during the year indicated, computed in accordance with FASB Codification Topic 718. For a discussion of valuation assumptions, see Note 12 to our consolidated financial statements included in our annual report on Form 10-K for the fiscal year ended December 31, 2009. The amounts shown include the impact of option forfeitures during 2009. A total of 10,850 options were forfeited under all plans during 2009.
- (3) Amounts for 2007 represent incentive compensation paid under the 2007 Bonus Plan. No incentive compensation was paid for 2008 and 2009.
- (4) Consists of our contributions to each eligible executive's account under our 401(k) plan and payment of premiums for group term life insurance maintained for such executives and disability policies maintained for certain executives. In the case of Mr. Gorder, such amount also includes payment of country club membership dues and payment for his automobile lease and related expenses.

## Employment Agreements

We have entered into employment agreements with Mark S. Gorder, our President and Chief Executive Officer, and our executive officers.

The employment agreements contain the following material terms:

a current employment term expiring on April 30, 2011, subject to automatic renewal for additional one year terms unless either party gives notice of non-renewal at least sixty (60) days prior to the end of the then current employment term; and

a base salary as determined by the Board of Directors or the Compensation Committee, but in no event less than their base salaries for 2007 in effect at the time of the agreement.

For a discussion of the provisions relating to the termination of the employment of the executive officer under certain circumstances, see Potential Payments Upon Termination of Employment or Change in Control.

## 2010 Incentive Plan

In February 2010, the Compensation Committee adopted the 2010 Incentive Plan, which is not set forth in a written agreement. Pursuant to the 2010 Incentive Plan, certain executive officers of IntriCon are eligible to receive incentive compensation based on (i) IntriCon achieving a designated level of adjusted income from continuing operations for 2010, referred to as the plan target and (ii) achievement of designated strategic objectives. A participant will receive incentive compensation only if both the minimum plan target and some or all of the strategic objectives are achieved. Based on IntriCon achieving from 80% to 150% of the plan target for 2010 and achieving all strategic objectives, Mr. Gorder will be eligible to receive incentive compensation ranging from 25% to 75%, respectively, of his 2010 salary and each of the other executive officers named below will be eligible to receive incentive compensation ranging from 20% to 60%, respectively, of their 2010 salary. Between these points, the amount of the incentive compensation available will increase or decrease proportionately based upon IntriCon achieving more or less than the plan target; however, no incentive compensation will be paid if IntriCon achieves less than 80% of the plan target and the maximum incentive compensation payable is capped at IntriCon achieving 150% of the plan target. The plan target is based on 2010 income from continuing operations, as adjusted to add back stock option expense for 2010; provided, that the plan target will not be achieved unless all 2010 salary reductions to all employees have been paid or accrued (and therefore reflected in 2010 income from continuing operations). Further, the plan target must be achieved after accruing any incentive compensation payable under the 2010 Incentive Plan.

The following table shows the potential amounts payable to the executive officers named below under the 2010 Incentive Plan at different levels of the plan target, assuming, in each case, that all of the strategic objectives are met:

Name	Potential incentive compensation payable under the 2010 Incentive Plan at the following levels of Plan Target:		
	Minimum (80% of Plan Target)	Target (100% of Plan Target)	Maximum (150% of Plan Target)
	<b>Potential Incentive Compensation</b>		
Mark S. Gorder	\$ 87,500	\$ 175,000	\$ 262,500
Scott Longval	33,000	66,000	99,000
Christopher D. Conger	37,000	74,000	111,000
Michael P. Geraci	40,000	80,000	120,000
Dennis L. Gonsior	37,000	74,000	111,000
Greg Gruenhagen	30,000	60,000	90,000

The Committee has the discretion to determine whether (and at what level) the plan target and strategic objectives have been satisfied and to adjust the plan target and strategic objectives as circumstances warrant. The Committee also has the authority to weight the importance of the strategic objectives and to determine the amount of the awards if less than all of the strategic objectives are achieved.

### Equity Plans

The following descriptions summarize our equity plans pursuant to which eligible employees, including the Named Officers, and directors receive equity based awards. Our 2006 Equity Incentive Plan replaced our 2001 Stock Option Plan (described below) and the Amended and Restated Non-Employee Director Stock Option Plan, referred to collectively as the Old Plans. No additional grants may be made under the Old Plans. Outstanding grants under the Old Plans continue to be governed by their terms and the terms of the Old Plans.

#### *2006 Equity Incentive Plan*

Our 2006 Equity Incentive Plan, which was adopted by our shareholders at the 2006 annual meeting of shareholders, is summarized under Proposal 2 Amendment to 2006 Equity Incentive Plan.

#### *2001 Stock Option Plan*

The 2001 Stock Option Plan provided for the grant of incentive stock options (as defined in Section 422 of the Internal Revenue Code) and non-qualified stock options for officers and other key employees of the Corporation.

The Compensation Committee administers the 2001 Stock Option Plan. Non-qualified stock options granted under the 2001 Stock Option Plan were required to have a per share exercise price of at least the fair market value of the Common Shares on the date of grant. Incentive stock options granted under the 2001 Stock Option Plan were required to have a per share exercise price of at least 100% of the fair market value of the Common Shares on the date of grant, and not less than 110% of the fair market value in the case of incentive stock options granted to an employee who holds more than 10% of the total voting power of all classes of the Corporation's stock or any parent or subsidiary's stock. Payment of the exercise price or purchase price with respect to any award may be made in cash or other consideration as determined by the Compensation Committee. The term of an option cannot be longer than 10 years from the date of grant or five years from the date of grant of an incentive stock option in the case of a greater than 10% shareholder.

**Potential Payments Upon Termination of Employment or Change in Control**

Our employment agreements with the executive officers named in the Summary Compensation Table provide the following material terms in the event of the termination of the employment of the executive under certain circumstances:

in the event of the termination of the executive's employment without cause, we are required to pay the executive's base salary and medical benefits for a severance period equal to one year (two years in the case of Mr. Gorder with respect to salary); provided that for any executive that has less than 12 years of continuous service with us, the severance period will be equal to 30 days for each year of continuous full-time employment, but in no event less than 90 days or more than one year. We are required to pay the present value of the base salary in a lump sum, using a discount rate of 6%;

in the event that (i) there occurs a change in control or sale of our assets accounting for 90% of more of our sales and (ii) the executive's employment is involuntarily terminated within one year afterwards, we are required to pay the executive's base salary for one year (two years for Mr. Gorder) in a lump sum and to continue medical benefits for a period of one year;

in the sole and absolute discretion of the Board of Directors, in the event that the executive is terminated without cause or there occurs a change of control followed by the executive's involuntary termination, we may elect to pay executive a prorated amount of the bonus that executive would have been entitled to receive for the year in which he was terminated;

the immediate vesting of all stock options and equity awards held by the executive in the event of a change in control or in the event that the executive's employment is terminated (i) by us for any reason other than cause or (ii) by the executive under circumstances that constitute an involuntary termination; and

a one year non-competition covenant (or, if longer, for so long as the period with respect to which executive is entitled to receive, or has received, payment of severance following a termination by us without cause or change of control) and covenants concerning confidentiality and inventions.

In the event that we give a notice of non-renewal of the term of the agreement to the executive and, within 12 months after the date of the non-renewal notice, the executive's employment is terminated by us for any reason other than cause or the death or disability of executive, then the executive will be entitled to the severance benefits described above with respect to a termination without cause except that the severance period shall be reduced by the number of days between the date of the non-renewal notice and the termination of executive's employment.

As defined in the employment agreements:

**Asset Sale** means the sale of our assets (including the stock or assets of our subsidiaries) to which 90% or more of our consolidated sales volume is attributable.

**Cause** means the following, provided that, in the case of circumstances described in the fourth through sixth clauses below, we must have first given written notice to executive, and executive must have failed to remedy the circumstances as determined in the sole discretion of the Board of Directors within 30 days after such notice:

fraud or dishonesty in connection with executive's employment or theft, misappropriation or embezzlement of our funds;

conviction of any felony, crime involving fraud or knowing misrepresentation, or of any other crime (whether or not such felony or crime is connected with his employment) the effect of which in the judgment of the Board of Directors is likely to adversely affect us or our affiliates;

material breach of executive's obligations under the employment agreement;

repeated and consistent failure of executive to be present at work during normal business hours unless the absence is because of a disability as defined in the agreement;

willful violation of any express direction or requirement established by the Board of Directors, as determined by a majority of Board of Directors;

insubordination, gross incompetence or misconduct in the performance of, or gross neglect of, executive's duties under the employment agreement, as determined by a majority of the Board of Directors; or use of alcohol or other drugs which interfere with the performance by executive of his duties, or use of any illegal drugs or narcotics.

Change of control of means an asset sale or a change in majority stock ownership.

Change in majority stock ownership means the acquisition by any person (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, referred to as the Exchange Act), including any affiliate or associate as defined in Rule 12b-2 under the Exchange Act of such person, or any group of persons acting in concert, other than us, any trustee or other fiduciary holding securities under an employee benefit plan of ours, or any corporation or other entity owned, directly or indirectly, by our shareholders in substantially the same proportion as their ownership of capital stock of us, of beneficial ownership (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of 50% or more of the combined voting power of our then outstanding securities.

Involuntarily terminated means:

any termination of the employment of executive by us other than for cause, death or disability; or

any termination of employment of the executive by executive following:

- o a material diminution in the executive's base compensation;
- o a material diminution in the executive's authority, duties, or responsibilities;
- o a material diminution in the authority, duties, or responsibilities of the supervisor to whom the executive is required to report, including a requirement that a executive report to a corporate officer or employee instead of reporting directly to the board of directors;
- o a material diminution in the budget over which the executive retains authority;
- o a material change in the geographic location at which the executive must perform the services; or
- o any other action or inaction that constitutes a material breach by us under the agreement.

Provided, however, that with respect to any termination by executive pursuant to the foregoing, executive shall have first provided notice to us of the existence of the condition proposed to be relied upon within 90 days of the initial existence of the condition, and shall have given us a period of 30 days during which we may remedy the condition and we shall have failed to do so during such period.

## Edgar Filing: INTRICON CORP - Form DEF 14A

The change in control provisions that we use contain a double trigger requirement, meaning that for an executive to receive a payment under the change of control provision, there must be both a change of control, as defined in the applicable agreement, and an involuntary termination of the executive's employment. The double trigger requirement was chosen to prevent us from having to pay substantial payments in connection with a change in control where an executive had not suffered any adverse employment consequences. However, all stock options will vest and become immediately exercisable upon a change of control, regardless of whether the executive is involuntarily terminated.

**Disability Benefits for Certain Named Officers.** We provide all of our full-time salaried employees with short-term disability benefits for six months. We also maintain a disability insurance policy on behalf of certain members of our senior management, including Messrs. Gorder, Geraci and Gonsior, that is in addition to the disability benefits that we maintain for our salaried employees. In the event that any of these executives became disabled, as provided in their respective policies, was unable to return to the performance of their duties after six months and was terminated as an employee effective as of December 31, 2009, they would be paid monthly benefits until age 65 as follows: Mr. Gorder - \$8,370 per month; Mr. Geraci - \$6,450 per month; Mr. Gonsior - \$5,860 per month; Mr. Conger - \$3,000 per month; Mr. Gruenhagen - \$6,935 per month; and Mr. Longval \$3,250 per month.

**Equity Plans.** Our Named Officers hold unvested stock options under our 2001 Stock Option Plan and our 2006 Equity Incentive Plan. All options under the 2001 Stock Option Plan are vested.

Under our 2006 Equity Incentive Plan, all unvested options will automatically accelerate and become vested upon the death, disability, retirement of the holder or upon a change of control of us, as defined in that Plan.

Under both the 2001 Stock Option Plan and 2006 Equity Incentive Plan, options held by an employee whose employment is terminated for cause, as defined in those plans, will terminate immediately. In addition, under the 2006 Equity Incentive Plan, the voluntary resignation of employment by an employee will not result in the acceleration of unvested options.

### CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Mr. Gorder, our president, chief executive officer and a director, is a general partner (with a one-third interest) of Arden Partners I, L.L.P., a Minnesota limited liability partnership, referred to as Arden, that owns and leases to our subsidiary, Resistance Technology, Inc., referred to as RTI, property under a lease entered into November 31, 1991, and amended and restated on November 1, 1996. The leased property is one of RTI's two manufacturing facilities. In 2002, the lease was renewed with a term of October 31, 2011. Under the lease, RTI pays Arden a base monthly rent of approximately \$30,667. In each of 2008 and 2009, we paid Arden approximately \$477,000 for rent, real estate taxes and other charges. Mr. Gorder's interest in each such payment was approximately \$159,000.

We use the law firm of Blank Rome LLP for legal services. A partner of that firm, David A. Dorey, is the son-in-law of the Chairman of our Board of Directors, Mr. McKenna; however, the legal services are provided by other attorneys at that firm and not by Mr. Dorey. In 2008 and 2009, we paid that firm approximately \$235,000 and \$344,500 for legal services and costs. The interest of Mr. Dorey in such amounts is not determinable.

**PROPOSAL 2**

**AMENDMENT OF 2006 EQUITY INCENTIVE PLAN**

**Description of the Proposal**

In March 2006, the Board of Directors, upon recommendation from the Compensation Committee, adopted, and in April 2006, the Corporation's shareholders approved, the 2006 Equity Incentive Plan (the "2006 Equity Plan"). On March 12, 2010, the Board of Directors, upon recommendation from the Compensation Committee, adopted an amendment to the 2006 Equity Plan, subject to shareholder approval, to:

increase the authorized number of Common Shares reserved and issuable thereunder by an additional 250,000 Common Shares; and

increase the maximum number of incentive stock options that may be granted under the 2006 Equity Plan to be the same as the maximum number of Common Shares that may be granted under the Plan.

The Corporation is submitting the amendment to the 2006 Equity Plan to shareholders for approval in accordance with the Nasdaq Stock Market listing standards that require shareholder approval of most equity-based compensation plans, including the 2006 Equity Plan, and amendments thereto. The amendment to the 2006 Equity Plan is also being submitted for shareholder approval so that, among other reasons, the requisite shareholder approval may be obtained to permit the issuance of incentive stock options under the Internal Revenue Code and to permit the Corporation to deduct certain performance-based compensation under Section 162(m) of the Internal Revenue Code.

**Description of the 2006 Equity Plan**

The material terms of the 2006 Equity Plan are summarized below. A copy of the full text of the 2006 Equity Plan, as proposed to be amended, is attached as Appendix A to this Proxy Statement. This summary of the 2006 Equity Plan is not intended to be a complete description of the 2006 Equity Plan and is qualified in its entirety by the actual text of the 2006 Equity Plan to which reference is made. Capitalized terms used but not defined herein have the meanings set forth in the 2006 Equity Plan.

***General***

The purposes of the 2006 Equity Plan are to attract and promote the long-term retention of key employees, directors and certain other persons who are in a position to make significant contributions to the success of the Corporation, to reward these employees, directors and other persons for their contributions, to provide additional incentive to such employees, directors and other persons to continue making similar contributions and to further align the interests of these employees, directors and other persons with those of the Corporation's shareholders. To achieve these purposes, the 2006 Equity Plan permits grants of incentive stock options ( "ISOs" ), options not intended to qualify as incentive stock options ( "non-ISOs" ), stock appreciation rights ( "SARs" ), restricted and unrestricted stock awards, restricted stock units, performance awards, supplemental cash awards and combinations of the foregoing (collectively referred to as "Awards" ). Awards of restricted and unrestricted stock, restricted stock units and/or deferred stock may also be issued to participants in connection with management or employee purchase programs. Shares issuable under Awards that terminate unexercised or otherwise terminate without an issuance of shares, shares issuable under Awards that are payable in stock or cash but are paid in cash, shares issued but later forfeited and shares that, at the election of the plan participant, are withheld by the Corporation to pay the exercise or purchase price of the Award or applicable withholding taxes will be available for future Awards under the 2006 Equity Plan.

## Edgar Filing: INTRICON CORP - Form DEF 14A

The 2006 Equity Plan is intended to satisfy the requirements of Section 162(m) of the Internal Revenue Code (the "Section 162(m) Limitations"), which limits the deductibility of certain compensation in excess of \$1,000,000 per year paid by a publicly traded corporation to Covered Employees. Covered Employees are determined at the end of the tax year, and are the Chief Executive Officer plus the other three most highly compensated employees of the Corporation whose compensation is required to be reported to shareholders by reason of such employee being among the three highest compensated officers for the taxable year under applicable SEC rules and regulations.

Compensation paid to Covered Employees will not be subject to the Section 162(m) Limitations if it is considered "qualified performance-based compensation." Under the regulations to Section 162(m), compensation related to Awards (other than supplemental cash awards) is deemed to constitute qualified performance-based compensation if the Award meets the following conditions: (i) it is made by a committee of the board of directors comprised solely of two or more outside directors; (ii) the plan under which the Award is made sets forth the maximum number of shares with respect to Awards that may be granted to any individual during a specified period; (iii) under the terms of the Award, the amount of compensation that an employee can receive is based solely on an increase in the value of the Common Shares after the date of the grant or award or the entitlement to the compensation subject to the Award is contingent solely on the attainment of one or more pre-established and objective performance goals; and (iv) the material terms of plan are disclosed to and approved by shareholders. As described in more detail below, the terms of the 2006 Equity Plan are intended to satisfy the foregoing requirements with respect to Awards to Covered Employees.

### *Administration*

The 2006 Equity Plan is administered by the Compensation Committee (the "Committee") of the Board of Directors, which has full and exclusive power to administer and interpret the 2006 Equity Plan, to grant Awards and to adopt such administrative rules, regulations, procedures and guidelines governing the 2006 Equity Plan and the Awards as it may deem necessary in its discretion, from time to time. The Committee is comprised solely of outside directors of the Corporation who are intended to satisfy the requirements of the Section 162(m) Limitations. The Committee's authority includes the authority to: (i) determine the type of Awards to be granted under the 2006 Equity Plan; (ii) select Award recipients and determine the extent of their participation; (iii) determine the method or formula for establishing the fair market value of the Common Shares for various purposes under the 2006 Equity Plan; and (iv) establish all other terms, conditions, restrictions and limitations applicable to Awards and the Common Shares issued pursuant to Awards, including, but not limited to, those relating to a participant's retirement, death, disability, leave of absence or termination of employment. The Committee may accelerate or defer the vesting or payment of Awards, cancel or modify outstanding Awards, waive any conditions or restrictions imposed with respect to Awards or the Common Shares issued pursuant to Awards and make any and all other interpretations and determinations which it deems necessary with respect to the administration of the 2006 Equity Plan, other than a reduction of the exercise price of an option after the grant date and subject to the provisions of Section 162(m) of the Internal Revenue Code with respect to Covered Employees. The Committee's right to make any decision, interpretation or determination under the 2006 Equity Plan shall be in its sole and absolute discretion.

The Committee may, subject to criteria, limitations and instructions as the Committee determines, delegate to an appropriate officer of the Corporation the authority to determine the individual Participants and amount and nature of the Award to be issued to such Participants; provided, that no Awards may be made pursuant to such delegation to a Participant who is subject to Section 16(b) of the Securities Exchange Act of 1934, as amended.

*Eligibility*

ISOs may be granted under the 2006 Equity Plan only to employees of the Corporation. All current and future employees of the Corporation, directors and other persons who, in the opinion of the Committee, are in a position to make significant contributions to the success of the Corporation, such as consultants and non-employee directors, are eligible to receive all other types of Awards under the 2006 Equity Plan.

*Number of Shares Available for Issuance*

Under the 2006 Equity Plan as approved by the shareholders on April 26, 2006, the Corporation was authorized to issue up to 698,500 Common Shares, subject to increase from time to time by a number of shares equal to the number of Common Shares that are issuable pursuant to option grants outstanding under the Corporation's 2001 Stock Option Plan and Amended and Restated Non-Employee Directors' Stock Option Plan (collectively, the "Old Plans") as of April 26, 2006 that, but for the termination and/or suspension of the Old Plans, would otherwise have reverted to the share reserve of the Old Plans pursuant to the terms thereof as a result of the expiration, termination, cancellation or forfeiture of such options. As of April 26, 2006, options to purchase 519,000 Common Shares were outstanding under the Old Plans.

As of March 12, 2010:

no shares had been issued under the 2006 Equity Plan;

options to purchase 573,100 Common Shares were outstanding under the 2006 Equity Plan;

a total of 161,404 Common Shares were available for new awards under the 2006 Equity Plan (not including the share reserve increase that is the subject of this Proposal 2); and

options to purchase 480,700 Common Shares were outstanding under the Old Plans, which shares will become available for new awards under the 2006 Equity Plan in the event of the expiration, termination, cancellation or forfeiture of such awards as described below.

On March 12 2010, the Board of Directors approved an amendment to the 2006 Equity Plan to increase the number of Common Shares issuable under the 2006 Equity Plan by 250,000 shares, subject to shareholder approval. Assuming Proposal 2 is approved by shareholders, a total of 948,500 shares would be authorized and reserved for issuance under the 2006 Equity Plan, plus such number of shares that may become available for grant under the 2006 Equity Plan upon the expiration, termination, cancellation or forfeiture of outstanding awards under the Old Plans.

The maximum number of Common Shares for which Stock Options may be granted to any person in any fiscal year and the maximum number Common Shares subject to SARs granted to any person in any fiscal year will each be 25,000. The maximum number of Common Shares subject to other Awards granted to any person in any fiscal year will be 25,000 shares. The foregoing provisions will be construed in a manner consistent with Section 162(m).

***Adjustments***

In the event of any stock dividend, stock split, combination or exchange of equity securities, merger, consolidation, recapitalization, reorganization, divestiture or other distribution (other than ordinary cash dividends) of assets to shareholders, or any other event affecting the Common Shares that the Committee deems, in its sole discretion, to be similar circumstances, the Committee may make such adjustments as it may deem appropriate, in its discretion, to:

the maximum number of shares available for issuance under the 2006 Equity Plan or to any one participant;

the number or kind of shares of Common Shares covered by outstanding Awards;

the exercise price applicable to outstanding Awards;

any measure of performance that relates to an Award in order to reflect such change in the Common Shares; and/or

any other affected terms of any equity-based Award.

***Exercise Price***

The Committee determines the exercise price applicable to each ISO, non-ISO and SAR, which will not be less than the fair market value of Corporation Common Shares at the time of the grant, as described below. The 2006 Equity Plan does not permit the repricing of options without prior shareholder approval. As of March 10, 2010, the closing price of the Corporation's Common Shares as reported on the Nasdaq Global Market was \$3.18 per share.

***Options***

Recipients of stock options under the 2006 Equity Plan will have the right to purchase Common Shares at an exercise price, during a period of time and on such other terms and conditions as are determined by the Committee. For ISOs, the recipient must be an employee, the exercise price must be at least 100% (110% if issued to a greater than ten percent shareholder of the Corporation) of the fair market value of the Corporation's Common Shares on the date of grant and the term cannot exceed ten years (five years if issued to a greater than ten percent shareholder of the Corporation) from date of grant. The limit on the maximum number of ISOs that may be granted under the 2006 Equity Plan is being increased by the amendment to 948,500 Common Shares, plus such number of shares that may become available for grant under the 2006 Equity Plan upon the expiration, termination, cancellation or forfeiture of outstanding awards under the Old Plans. The exercise price of a non-ISO must be at least 100% of the fair market value of Common Shares on the date of grant, except that such exercise price may be offset by forfeiture of an amount of cash compensation equivalent to the reduction in the exercise price. An option exercise price may be paid in cash or by check, bank draft or money order payable to the order of the Corporation, or if permitted by the Committee and subject to certain conditions, by delivery of Common Shares that have been owned by the recipient for at least six months (unless the Committee expressly approves a shorter period) and have a fair market value on the date of exercise at least equal to the exercise price, or an unconditional and irrevocable undertaking by a broker to promptly deliver the necessary funds (including in connection with so-called "cashless exercise" effected by such broker) or by a combination of such methods. The Committee may cancel options (other than those granted in tandem with SARs) and cause the Corporation to pay to the recipient, in cash or Common Shares (valued at the then fair market value of Common Shares), an amount equal to such fair market value minus the exercise price of the option shares. The Committee may at any time accelerate the time at which all or any part of the option may be exercised.

***Stock Appreciation Rights***

SARs may be granted under the 2006 Equity Plan either alone or in tandem with stock options. Generally, recipients of SARs are entitled to receive upon exercise, cash or Common Shares (valued at the then fair market value of Common Shares; 110% of its fair market if issued to a greater than ten percent shareholder of the Corporation) equal to such fair market value on the date of exercise minus the fair market value on the date of grant of the shares subject to the SAR, although certain other measurements also may be used. A SAR granted in tandem with a stock option is exercisable only if and to the extent that the option is exercised.

***Stock Awards***

The 2006 Equity Plan provides for restricted and unrestricted stock awards, restricted stock units and deferred stock awards. Restricted and unrestricted stock awards allow the recipient to acquire Common Shares for no consideration, nominal consideration or any higher price determined by the Committee. In the case of restricted stock awards, the shares acquired are subject to a vesting schedule and other possible conditions determined by the Committee. A restricted stock unit is an award denominated in restricted Common Shares, pursuant to a formula determined by the Committee, which may be settled either in restricted Common Shares or in cash, in the discretion of the Committee, subject to such other terms, conditions, restrictions and limitations determined by the Committee from time to time. A deferred stock award entitles the recipient to receive Common Shares to be delivered in the future. Delivery of the Common Shares will take place at such time or times, and on such terms and conditions, as the Committee may determine.

***Performance Awards***

The 2006 Equity Plan provides for performance awards entitling the recipient to receive Awards without payment upon achieving certain performance goals determined by the Committee. At the discretion of the Committee, any of the above-described Awards may be contingent on attainment of performance goals which are based on certain pre-established criteria. Performance goals may involve overall corporate performance, operating group or business unit performance, personal performance or any other category of performance determined by the Committee.

***Supplemental Cash Awards***

Under the 2006 Equity Plan and subject to applicable law, supplemental cash awards may be granted to recipients of Awards to help defray taxes due as a result of the Awards. The terms and conditions of supplemental cash awards are determined by the Committee.

***Termination of Awards***

Upon termination of a recipient's employment or other relationship with the Corporation due to death, Disability or Retirement, except as otherwise determined by the Committee: (i) stock options and SARs will automatically become exercisable in full and will remain exercisable for a period of one year in the event of death or disability, but not longer than the term of the stock option or SAR, and for a period equal to the unexpired term of the stock option or SAR in the case of retirement; (ii) all restricted stock and restricted stock units shall automatically become free of all restrictions and conditions; and (iii) any payment or benefit under deferred stock awards, performance awards and supplemental grants shall be made by the Corporation. Retirement is defined in the 2006 Equity Plan as termination of employment with or service to the Corporation by a participant other than by reason of death or permanent disability or termination for cause at a time when such participant has attained age 65 or greater; provided that such participant has performed a minimum of five years of service for the Corporation.

Upon termination of a recipient's employment or other relationship with the Corporation for any reason other than death, Disability or Retirement, except as otherwise determined by the Committee: (i) stock options and SARs will remain exercisable for a period of 90 days, but not longer than the term of the stock option or SAR, to the extent that they were exercisable at the time of termination; (ii) all restricted stock shall be transferred to the Corporation for purchase for the amount of cash paid for such stock, or forfeited to the Corporation if no cash were paid; and (iii), any payment or benefit under restricted stock units, deferred stock awards, performance awards and supplemental grants to which the recipient was not irrevocably entitled at the time of termination shall be forfeited and such Awards cancelled as of the date of such termination.

***Deferral of Awards***

In connection with the adoption of the 2006 Equity Plan, the Board of Directors has adopted a deferred compensation plan that will permit participants in the 2006 Equity Plan to defer receipt of Awards granted pursuant to the 2006 Equity Plan. If deferred, the Awards would be paid at a future date pursuant to the deferred compensation plan.

***Section 162(m) Limitations***

If the Committee determines at the time an Award that is intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code is granted to a recipient that such recipient is, or may be as of the end of the tax year for which the Corporation would claim a tax deduction in connection with such Award, a covered employee, then, if necessary to preserve the deductibility of the Award under Section 162(m), the Committee may provide that the Award be subject to the achievement of specified levels of one or more of the following performance goals, unless and until the Corporation's shareholders approve a change to such performance goals: operating income, net earnings, earnings before interest, taxes, depreciation and amortization (EBITDA), earnings before interest and taxes (EBIT), net income, earnings per share, total shareholder return, cash flow, return on assets, decrease in expenses, Common Share price, price-earnings multiple, comparisons to market indices, sales growth, market share, the achievement of certain quantitatively and objectively determinable non-financial performance measures including, but not limited to, growth strategies, strategic initiatives, corporate development and leadership development, and any combination of the foregoing. The performance goals shall be determined and approved by the Committee within the first 90 days of each fiscal year, or, if shorter, the first 25% of the performance period to which the Award relates. Awards subject to such conditions may not be adjusted upward; however, the Committee shall retain the discretion to adjust such Awards downward. Prior to the payment of any Award subject to these Section 162(m) Limitations, the Committee shall certify in writing that the applicable performance goal was satisfied.

The Committee shall have the discretion to impose such other restrictions on Awards as it may deem necessary or appropriate to ensure that such Awards qualify as performance-based compensation for purposes of Section 162(m) of the Code. In the event that applicable tax/and or securities laws change to permit the Committee the discretion to alter the governing performance goals without obtaining shareholder approval, the Committee shall have the sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as performance-based compensation for purposes of Section 162(m) of the Code, the Committee may make such grants without satisfying the Section 162(m) Limitations.

***Change in Control***

The 2006 Equity Plan generally provides that, unless the Committee determines otherwise at the time of grant with respect to a particular Award, in the event of a change in control (as defined below), (1) any options and SARs shall automatically become exercisable in full upon the occurrence of such change of control, (2) any restricted stock shall automatically become free of all restrictions and conditions upon the occurrence of such change of control, and (3) any conditions on restricted stock units, deferred stock awards performance awards and supplemental grants which relate only to the passage of time and continued employment shall automatically terminate upon the occurrence of such change of control.

A change in control means: (i) the occurrence of an event that would, if known to the Corporation's management, be required to be reported by the Corporation as a change in control pursuant to the SEC's Current Report on Form 8-K under to the Exchange Act; or (ii) the acquisition or receipt, in any manner, by any person (as defined for purposes of the Exchange Act) or any group of persons acting in concert, of direct or indirect beneficial ownership (as defined for purposes of the Exchange Act) of more than 50% of the Corporation's combined voting securities ordinarily having the right to vote for the election of directors of the Corporation; or (iii) a change in the constituency of the Board of Directors with the result that individuals (the Incumbent Directors) who are members of the Board on the effective date of the 2006 Equity Plan cease for any reason to constitute at least a majority of the Board of Directors, provided that any individual who is elected to the Board after the effective date of the 2006 Equity Plan and whose nomination for election was unanimously approved by the Incumbent Directors shall be considered an Incumbent Director beginning on the date of his or her election to the Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest (as defined for purposes of the Exchange Act) with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board of Directors; or (iv) the sale, exchange, liquidation or other disposition of all or more than 50% of the Corporation's business or assets; unless in any such case, at least a majority of the Incumbent Directors determine, prior to the occurrence of such change in control, that no change in control has or will have occurred; or (v) the occurrence of a reorganization, merger, consolidation or other corporate transaction involving the Corporation, in each case, with respect to which the Corporation's shareholders immediately prior to such transaction do not, immediately after such transaction, own more than 50% of the combined voting securities ordinarily having the right to vote for the election of directors of the Corporation or other corporation resulting from such transaction; or (vi) the approval by the Corporation's shareholders of a complete liquidation or dissolution of the Corporation; or (vii) any similar transaction, circumstance or event which the Committee determines to constitute a change in control.

***Additional Cancellation Provisions***

In any instance where the rights of a recipient under an Award continue after termination of their relationship with the Corporation, all of such rights shall terminate and be forfeited if, in the determination of the Committee, the recipient, at any time prior or subsequent to such termination, breached or violated, in a material way, the terms of any agreement with the Corporation, including any employment agreement, termination agreement, confidentiality agreement, non-solicitation agreement or non-competition agreement or engaged or engages in conduct that would have permitted the Corporation to terminate the recipient's employment for Cause if the recipient was still an employee of the Corporation.

***Reduction of Payments to Participants***

If any payment or benefit under the 2006 Equity Plan constitutes a parachute payment within the meaning of Section 280G of the Internal Revenue Code and would be subject to the excise tax imposed on the participant by Section 4999 of the Internal Revenue Code (the Excise Tax), then such payment will be reduced, if on an after-tax basis (including the Excise Tax), such reduction would result in the recipient receiving a greater amount of the payment.

**Summary of Federal Income Tax Consequences**

The following is a brief summary of the principal United States federal income tax consequences of transactions under the 2006 Equity Plan, based on current United States federal income tax laws. This summary is not intended to be exhaustive, does not constitute tax advice and, among other things, does not describe state, local or foreign tax consequences.

*Non-ISOs.* No taxable income is recognized by a participant upon the grant of a non-ISO. Upon the exercise of a non-ISO, the participant will recognize ordinary income in an amount equal to the excess, if any, of the fair market value of the Common Shares exercised over the aggregate non-ISO exercise price, even though that Common Share may be subject to a restriction on transferability or may be subsequently forfeited, in limited circumstances. Income and payroll taxes are required to be withheld by the Corporation on the amount of ordinary income resulting to the participant from the exercise of a non-ISO. Any ordinary income recognized by the participant is generally deductible by the Corporation for federal income tax purposes, subject to the possible limitations on deductibility of compensation paid to some executives under Section 162(m) of the Internal Revenue Code. The participant's tax basis in Common Shares acquired by exercise of a non-ISO will be equal to the exercise price plus the amount taxable as ordinary income to the participant.

Upon a sale of the Common Shares received by the participant upon exercise of the non-ISO, any gain or loss will generally be treated for federal income tax purposes as long-term or short-term capital gain or loss, depending upon the holding period of that stock. The participant's holding period for shares acquired after the exercise of a non-ISO begins on the date of exercise of that option.

If the participant pays the exercise price in full or in part by using shares of previously acquired Common Shares, the exercise will not affect the tax treatment described above and no gain or loss generally will be recognized to the participant with respect to the previously acquired shares. The shares received upon exercise which are equal in number to the previously acquired shares used will have the same tax basis as the previously acquired shares surrendered to the Corporation, and will have a holding period for determining capital gain or loss that includes the holding period of the shares used. The value of the remaining shares received by the participant will be taxable to the participant as compensation, even though those shares may be subject to sale restrictions. The remaining shares will have a tax basis equal to the fair market value recognized by the participant as ordinary income and the holding period will commence on the exercise date. Shares used to pay applicable income and payroll taxes arising from that exercise will generate taxable income or loss equal to the difference between the tax basis of those shares and the amount of income and payroll taxes satisfied with those shares. The income or loss will be treated as long-term or short-term capital gain or loss depending on the holding period of the shares used. Where the shares used to pay applicable income and payroll taxes arising from that exercise generate a loss equal to the difference between the tax basis of those shares and the amount of income and payroll taxes satisfied with those shares, that loss may not be currently recognizable if, within a period beginning 30 days before the exercise date and ending 30 days after that date, the participant acquires or enters into a contract or option to acquire additional Common Shares.

## Edgar Filing: INTRICON CORP - Form DEF 14A

*ISOs.* No taxable income is realized by a participant upon the grant or exercise of an ISO. If Common Shares are issued to a participant after the exercise of an ISO and if no disqualifying disposition of those shares is made by that participant within two years after the date of grant or within one year after the receipt of those shares by that participant, then:

upon the sale of those shares, any amount realized in excess of the option exercise price will be taxed to that participant as a long-term capital gain, and

the Corporation will not be allowed a deduction.

Additionally, the exercise of an ISO will give rise to an item of tax preference that may result in alternative minimum tax liability for the participant.

If Common Shares acquired upon the exercise of an ISO are disposed of prior to the expiration of either holding period described above, that disposition would be a disqualifying disposition, and generally:

the participant will realize ordinary income in the year of disposition in an amount equal to the excess, if any, of the fair market value of the shares on the date of exercise, or, if less, the amount realized on the disposition of the shares, over the ISO exercise price, and

the Corporation will be entitled to deduct that amount.

Any other gain realized by the participant on that disposition will be taxed as short-term or long-term capital gain, and will not result in any deduction to the Corporation. If a participant pays the exercise price in full or in part with previously acquired Common Shares, the exchange will not affect the tax treatment of the exercise. Upon the exchange, no gain or loss generally will be recognized upon the delivery of the previously acquired shares to the Corporation, and the shares issued in replacement of the shares used to pay the exercise price will have the same basis and holding period for capital gain purposes as the previously acquired shares. A participant, however, would not be able to utilize the holding period for the previously acquired shares for purposes of satisfying the ISO statutory holding period requirements. Additional Common Shares will have a basis of zero and a holding period that commences on the date the Common Shares are issued to the participant upon exercise of the ISO. If this exercise is effected using Common Shares previously acquired through the exercise of an ISO, the exchange of the previously acquired shares may be a disqualifying disposition of those Common Shares if the holding periods discussed above have not been met.

If an ISO is exercised at a time when it no longer qualifies as an ISO, the option will be treated as a non-ISO. Subject to some exceptions for permanent disability or death, an ISO generally will not be eligible for the federal income tax treatment described above if it is exercised more than three months following a termination of employment (one year if termination is due to death or disability, as defined in the Internal Revenue Code).

*Stock Appreciation Rights.* Upon the exercise of a SAR, the participant will recognize ordinary income in an amount equal to the cash received plus the fair market value of any Common Shares received from the exercise. The participant's tax basis in the Common Shares received in the exercise of the SAR will be equal to the ordinary income recognized with respect to the Common Shares. The participant's holding period for shares acquired on the exercise of a SAR begins on the exercise date. Income and payroll taxes are required to be withheld on the amount of compensation attributable to the exercise of the SAR, whether the income is paid in cash or shares. Upon the exercise of a SAR, the Corporation will generally be entitled to a deduction in the amount of the ordinary income recognized by the participant.

## Edgar Filing: INTRICON CORP - Form DEF 14A

*Unrestricted and Restricted Stock.* Upon the grant of an unrestricted stock award, the participant recognizes ordinary income equal to the fair market value on the date of grant minus the price paid for the shares awarded. A recipient of a restricted stock award recognizes ordinary income only as of and when the shares vest or are no longer subject to a substantial risk of forfeiture (as defined in the Internal Revenue Code). The ordinary income recognized on each vesting or transfer date equals the fair market value on that date less any purchase price paid for the shares. A recipient of a restricted stock award may, however, choose or be required by the terms of the award to elect under Section 83(b) of the Internal Revenue Code to have the ordinary income associated with all of the restricted shares recognized and measured on the date of grant. A recipient who makes such an election and later forfeits restricted shares may claim a loss for tax purposes only in an amount equal to the excess of the purchase price paid for the shares (if any) over the amount received (if any) upon the forfeiture. The Corporation will generally be entitled to a deduction at the time and in the amount of the ordinary income recognized by the participant.

*Restricted Stock Units.* A recipient of a restricted stock unit award recognizes ordinary income only as of and when the shares vest or are no longer subject to a substantial risk of forfeiture (as defined in the Internal Revenue Code). The ordinary income recognized on each vesting or transfer date equals the fair market value on that date less the price paid for the shares. The Corporation will generally be entitled to a deduction at the time and in the amount of the ordinary income recognized by the participant.

*Performance Awards and Supplemental Grants.* The tax consequences of a performance award depend upon the nature of the underlying award earned if and when the performance goals are achieved. The recipient of a supplemental cash award recognizes ordinary income equal to the amount received, and the Corporation will generally be entitled to a corresponding deduction.

*Certain Limitations on Deductibility of Executive Compensation.* As discussed above, the Section 162(m) Limitations apply to all Awards granted under the 2006 Equity Plan, unless certain conditions are satisfied. Compensation under the 2006 Equity Plan generally is intended to satisfy those conditions and constitute qualified performance-based compensation, but there is no guarantee that an individual Award will do so. As discussed above, payments to or benefits for participants that constitute parachute payments within the meaning of Section 280G of the Internal Revenue Code may be subject to an excise tax imposed on the participant by Section 4999 of the Code. If any such payment or benefit is subject to the excise tax, the payment or benefit may not be deducted by the Corporation.

*Section 409A of the Internal Revenue Code.* Certain awards under the 2006 Equity Plan may be subject to Section 409A of the Internal Revenue Code, which addresses nonqualified deferred compensation. Awards under the 2006 Equity Plan are generally designed to avoid the additional taxes, excise taxes and interest imposed by Section 409A on participants, but there is no guarantee that an individual Award will do so. If an Award under the 2006 Equity Plan that is subject to Section 409A is not administered in compliance with Section 409A or if an Award under the 2006 Equity Plan that is exempt from Section 409A is not administered in compliance with such exemption, then all compensation under the 2006 Equity Plan that is considered nonqualified deferred compensation (and awards under any other plan of the Corporation that are required pursuant to Section 409A to be aggregated with the Award under the 2006 Equity Plan) will be taxable to the participant as ordinary income in the year of the violation, or if later, the year in which the compensation subject to the award is no longer subject to a substantial risk of forfeiture. In addition, the participant will be subject to an additional tax equal to 20% of the compensation that is required to be included in income as a result of the violation, plus interest from the date that the compensation subject to the award was required to be included in taxable income.

**Amendment and Termination**

The 2006 Equity Plan may be amended or terminated by the Committee at any time, without the approval of shareholders or participants, provided that no amendment that would require shareholder approval under the applicable American Stock Exchange listing standards, applicable law or the Internal Revenue Code, including but not limited to Section 162(m), may become effective without shareholder approval. No Awards may be granted under the 2006 Equity Plan from and after April 24, 2016, unless the 2006 Equity Plan is otherwise terminated prior to that date.

**New Plan Benefits**

No stock awards have been granted under the 2006 Equity Plan on the basis of the share increase that forms part of this Proposal. Because benefits under the 2006 Equity Plan will depend on the individuals selected at the discretion of the Board and/or the Compensation Committee to receive stock awards, the number of shares to be awarded and the fair market value of the Common Shares at various future dates, it is not possible at this time to determine the benefits that will be received under the 2006 Equity Plan by all eligible employees, officers, directors or consultants.

**The Board of Directors recommends that the shareholders vote for approval of the amendment to the 2006 Equity Plan.**

**Equity Compensation Plans**

The following table details information regarding the Corporation's existing equity compensation plans as of December 31, 2009:

Plan Category	(a) Number of securities to be issued upon exercise of outstanding options, warrants and rights	(b) Weighted-average exercise price of outstanding options, warrants and rights	(c) Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
Equity compensation plans approved by security holders(1)	871,300	\$ 6.25	161,404
Equity compensation plans not approved by security holders(2)	182,500	\$ 3.02	
<b>Total</b>	<b>1,053,800</b>	<b>\$ 5.69</b>	<b>161,404</b>

(1) The amount shown in column (c) represents shares issuable under the Company's 2006 Equity Plan. Under the terms of the 2006 Equity Plan, as outstanding options under the Company's Old Plans expire, the Common Shares subject to the expired options will become available for issuance under the 2006 Equity Plan. As of December 31, 2009, 399,200 Common Shares were subject to outstanding options under the Old Plans. Accordingly, if any of these options expire, the Common Shares subject to expired options also will be available for issuance under the 2006 Equity Plan. This amount does not include the effect of the proposed amendment to the 2006 Equity Plan to increase the authorized shares by an additional 250,000 shares.

## Edgar Filing: INTRICON CORP - Form DEF 14A

(2) Represents shares issuable under the Non-Employee Directors Stock Option Plan, the ( Non-Employee Directors Plan ), pursuant to which directors who are not employees of the Company or any of its subsidiaries were eligible to receive options. The exercise price of the option was the fair market value of the stock on the date of grant. Options become exercisable in equal one-third annual installments beginning one year from the date of grant, except that the vesting schedule for discretionary grants is determined by the Compensation Committee. As a result of the approval of the 2006 Equity Plan by the shareholders at the 2006 annual meeting of shareholders, no further grants will be made pursuant to the Non-Employee Directors Plan.

## PROPOSAL 3

## RATIFICATION OF APPOINTMENT OF AUDITOR

The Corporation's independent registered public accounting firm for the fiscal year ended December 31, 2009 was the firm of Baker Tilly Virchow Krause, LLP (previously known as Virchow, Krause & Corporation), referred to as Baker Tilly. Services provided to the Corporation and its subsidiaries by Baker Tilly in 2009 are described below under Independent Registered Public Accounting Firm. The Audit Committee of the Board of Directors has appointed Baker Tilly to serve as the independent registered public accounting firm for the year ending December 31, 2010. Shareholders will be asked to ratify this appointment. Although action by the shareholders on this matter is not required, the Audit Committee believes it is appropriate to seek shareholder ratification of the appointment of the independent registered public accounting firm to provide a forum for shareholders to express their views with regard to the Audit Committee's appointment. If the shareholders do not ratify the appointment of Baker Tilly, the selection of independent registered public accounting firm may be reconsidered by the Audit Committee; provided however, the Audit Committee retains the right to continue to engage Baker Tilly. Notwithstanding the ratification of Baker Tilly as the Corporation's independent registered public accounting firm for the year ending December 31, 2010, the Audit Committee retains the right to replace Baker Tilly at any time without shareholder approval. A representative of Baker Tilly is expected to be present at the annual meeting and to be available to respond to appropriate questions. The representative will have the opportunity to make a statement if he or she so desires.

### SHAREHOLDER PROPOSALS FOR 2011 ANNUAL MEETING

Under the Corporation's bylaws, shareholder proposals with respect to the 2011 Annual Meeting of Shareholders, including nominations for directors, which have not been previously approved by the Board of Directors, must be submitted to the Secretary of the Corporation no later than November 23, 2010. Any such proposals must be in writing and sent either by personal delivery, nationally recognized express mail or United States mail, postage prepaid to Corporate Secretary, IntriCon Corporation, 1260 Red Fox Road, Arden Hills, Minnesota 55112. Shareholder proposals for the 2011 Annual Meeting of Shareholders must be submitted to the Corporation by November 23, 2010 to receive consideration for inclusion in the Corporation's Proxy Statement relating to the 2009 annual meeting of shareholders. Any such proposal must also comply with SEC proxy rules, including SEC Rule 14a-8, and any applicable requirements set forth in the bylaws.

## INTRICON CORPORATION

## 2006 EQUITY INCENTIVE PLAN

1. Purposes

The purposes of the IntriCon Corporation 2006 Equity Incentive Plan (the "Plan") are to (i) promote the long-term retention of employees of IntriCon Corporation ( "IntriCon"), and its current and future subsidiaries (collectively, the "Company"), directors of IntriCon and other persons who are in a position to make significant contributions to the success of the Company; (ii) further reward these employees, directors and other persons for their contributions to the Company's growth and expansion; (iii) provide additional incentive to these employees, directors and other persons to continue to make similar contributions in the future; and (iv) to further align the interests of these employees, directors and other persons with those of IntriCon's shareholders. These purposes will be achieved by granting to such employees and other persons, in accordance with the provisions of this Plan, Options, Stock Appreciation Rights, Restricted Stock or Unrestricted Stock, Deferred Stock, Restricted Stock Units or Performance Awards, for shares of IntriCon's common stock, par value \$1.00 per share ( "Common Stock"), or Supplemental Grants, or combinations thereof (collectively, "Awards").

As of the Effective Date of the Plan, no additional grants will be made under the Company's 2001 Stock Option Plan and Amended and Restated Non-Employee Directors' Stock Option Plan (collectively, the "Old Plans"). Any shares of Common Stock not subject to exercised or outstanding grants under the Old Plans may be issued under this plan (the "Old Plans Shares"). Outstanding grants under the Old Plans will continue to be governed by their terms under the Old Plans.

2. Aggregate Number of Awards

2.1 Shares Subject to the Plan and Maximum Awards. The aggregate number of shares of Common Stock for which Awards may be granted under the Plan shall be 948,500 shares of Common Stock (which includes the Old Plans' Shares); provided, however, that such share reserve shall be increased from time to time by a number of shares equal to the number of shares of Common Stock that are issuable pursuant to option grants outstanding under the Old Plans as of the Effective Date that but for the termination of the Old Plans as of the Effective Date, would otherwise have reverted to the share reserve of the Old Plans pursuant to the terms thereof as a result of the expiration, termination, cancellation or forfeiture of such options. Such maximum numbers of shares are subject to adjustment in accordance with Section 2.5. Treasury shares, reacquired shares (including shares of Common Stock purchased in the open market) and unissued shares of Common Stock may be used for purposes of the Plan, at IntriCon's sole discretion. No fractional shares of Common Stock shall be delivered under the Plan.

2.2 Section 162(m) Limits. The maximum number of shares of Stock for which Stock Options may be granted to any person in any fiscal year and the maximum number of shares of Stock subject to SARs granted to any person in any fiscal year will each be 25,000. The maximum number of shares subject to other Awards granted to any person in any fiscal year will be 25,000 shares. The foregoing provisions will be construed in a manner consistent with Section 162(m).

## Edgar Filing: INTRICON CORP - Form DEF 14A

2.3 Reversion of Shares to the Share Reserve. Shares of Common Stock that were issuable pursuant to an Award that has terminated but with respect to which such Award had not been exercised, shares of Common Stock that are issued pursuant to an Award but that are subsequently forfeited and shares of Common Stock that were issuable pursuant to an Award that was payable in Common Stock or cash but that was satisfied in cash, shall be available for future Awards under the Plan and shall not count toward the maximum number of shares of Common Stock that may be issued under the Plan as set forth in Section 2.1.

2.4 Shares Used to Pay Exercise Price and Taxes. If a Participant pays the exercise price of an Option by surrendering previously owned shares of Common Stock, as may be permitted by the Compensation Committee ( Committee ) of the Board of Directors ( Board ) of IntriCon, and/or arranges to have the appropriate number of shares of Common Stock otherwise issuable upon exercise withheld by the Company to cover the withholding tax liability associated with the Option exercise, the surrendered shares of Common Stock and shares of Common Stock used to pay taxes shall not count towards the maximum number of shares of Common Stock that may be issued under the Plan as set forth in Section 2.1. If a Participant, as permitted by the Committee, arranges to have an appropriate number of shares of a Stock Award withheld by the Company to cover the withholding tax liability associated with such Stock Award, the shares of Common Stock used to pay taxes shall not count towards the maximum number of shares of Common Stock that may be issued under the Plan as set forth in Section 2.1.

2.5 Other Items Not Included in Allocation. The maximum number of shares of Common Stock that may be issued under the Plan as set forth in Section 2.1 shall not be affected by (i) the payment in cash of dividends or dividend equivalents in connection with outstanding Awards; (ii) the granting or payment of stock-denominated Awards which by their terms may be settled only in cash; or (iii) Awards that are granted through the assumption of, or in substitution for, outstanding awards previously granted to individuals who have become employees as a result of a merger, consolidation, or acquisition or other corporate transaction involving the Company.

2.6 Adjustments. In the event of any stock dividend, stock split, combination or exchange of equity securities, merger, consolidation, recapitalization, reorganization, divestiture or other distribution (other than ordinary cash dividends) of assets to shareholders, or any other event affecting the Common Stock that the Committee deems, in its sole discretion, to be similar circumstances, the Committee may make such adjustments as it may deem appropriate, in its discretion, to: (i) the maximum number of shares of Common Stock that may be issued under the Plan as set forth in Section 2.1; (ii) the maximum number of shares of Common Stock that may be granted to any single individual pursuant to Section 2.1; (iii) the number or kind of shares subject to an Award; (iv) the Exercise Price applicable to an Award; (v) any measure of performance that relates to an Award in order to reflect such change in the Common Stock; and/or (vi) any other affected terms of any equity-based Award. The Committee may also make such adjustments to take into account material changes in law or in accounting practices or principles, mergers, consolidations, acquisitions, dispositions or similar corporate transactions, or any other event, as the Committee may determine in its sole discretion.

2.7 Par Value. Notwithstanding anything herein to the contrary, if a Participant is required by applicable law to pay the par value of the Common Stock subject to an Award, such payment may be made in any form permitted by applicable law, including services performed or contracted to be performed, in the sole discretion of the Committee.

3. Participation

3.1 Eligible Persons. All current and future employees of the Company, including officers ( Employees ), all directors of IntriCon (including directors who are Employees and directors who are not Employees) and all other persons who are not Employees or directors who, in the opinion of the Committee, are in a position to make a significant contribution to the success of the Company, shall be eligible to receive Awards under the Plan (each, a Participant ). No eligible Employee, director or other person shall have any right to receive an Award except as expressly provided in the Plan.

3.2 Considerations to Participation. The Participants who shall actually receive Awards under the Plan shall be determined by the Committee in its sole discretion. In making such determinations, the Committee shall consider the positions and responsibilities of eligible Employees and other persons, their past performance and contributions to the Company s growth and expansion, the value of their services to the Company, the difficulty of finding qualified replacements, and such other factors as the Committee deems pertinent in its sole discretion.

3.3 Cancellation and Modification of Awards. In the event of a change in a Participant s duties and responsibilities, or a transfer of the Participant to a different position, the Committee may cancel or modify any Award granted to such Participant or adjust the number of shares of Common Stock subject thereto commensurate with the transfer or change in responsibility, as determined by the Committee, in its discretion, provided that no such action shall violate the provisions of Section 5.1(b)(4), and provided further that the Committee may not modify or cancel Awards exercisable at the time of such change in duties or responsibilities or transfer or to which the Participant was irrevocably entitled at the time of such change or transfer.

4. Administration

4.1 Power and Authority. The Committee shall have full and exclusive power to administer and interpret the Plan, to grant Awards and to adopt such administrative rules, regulations, procedures and guidelines governing the Plan and the Awards as it may deem necessary in its discretion, from time to time. The Committee s authority shall include, but not be limited to, the authority to: (i) determine the type of Awards to be granted under the Plan; (ii) select Award recipients and determine the extent of their participation; (iii) determine the method or formula for establishing the fair market value of the Common Stock for various purposes under the Plan; and (iv) establish all other terms, conditions, restrictions and limitations applicable to Awards and the shares of Common Stock issued pursuant to Awards, including, but not limited to, those relating to a Participant s Retirement ( as defined in Section 6.1(e)), death, Disability, leave of absence or termination of employment. The Committee may accelerate or defer the vesting or payment of Awards, cancel or modify outstanding Awards, waive any conditions or restrictions imposed with respect to Awards or the Common Stock issued pursuant to Awards and make any and all other interpretations and determinations which it deems necessary with respect to the administration of the Plan, subject to the limitations contained in Section 5.1(b)(4) with respect to all Participants and subject to the provisions of Section 162(m) of the Code with respect to covered employees as defined thereunder, except that the Committee may not, without the consent of the holder of an Award or unless specifically authorized by the terms of the Plan or an Award, take any action under this clause with respect to such Award if such action would adversely affect the rights of such holder. The Committee s right to make any decision, interpretation or determination under the Plan shall be in its sole and absolute discretion.

## Edgar Filing: INTRICON CORP - Form DEF 14A

4.2 Administrators of the Plan. The Plan shall be administered by the Committee. The Committee may delegate all or any portion of its authority hereunder to one or more subcommittees consisting of at least one Committee member (and references in this Plan to the Committee shall thereafter be to the Committee or such subcommittees). The Committee shall be comprised of no fewer than three members, each of whom must qualify as (i) an Independent Director within the meaning of Section 121 of the American Stock Exchange Company Guide or any future corresponding rule; (ii) a non-employee director within the meaning of Rule 16b-3(b)(3) under the Securities Exchange Act of 1934, as amended (the 1934 Act ), or any future corresponding rule; and (iii) an outside director within the meaning of the regulations promulgated under Section 162(m) of the Code, or any future corresponding rule, provided that the failure of the Committee or of the Board for any reason to be composed solely of Independent Directors, non-employee directors or outside directors shall not prevent an Award from being considered granted under this Plan. Without limiting the generality of the foregoing, the Committee shall have the authority to select a class of potential Award recipients and the extent of their participation and to delegate to an appropriate officer of the Company the authority to determine the individual Participants and amount and nature of the Award to be issued to such Participants, subject to such criteria, limitations and instructions as the Committee shall determine; provided, however, that no Awards shall be made pursuant to such delegation to a Participant who is subject to Section 16(b) of the 1934 Act.

4.3 Administration of the Plan. The Committee may adopt such rules for the administration of the Plan as it deems necessary or advisable, in its sole discretion. For all purposes of the Plan, a majority of the members of the Committee shall constitute a quorum, and the vote of a majority of the members of the Committee (or written consent of all of the members) on a particular matter shall constitute the act of the Committee on that matter. The Committee shall have the exclusive right to construe the Plan and any Award, to settle all controversies regarding the Plan or any Award, to correct defects and omissions in the Plan and in any Award, and to take such further actions as the Committee deems necessary or advisable, in its sole discretion, to carry out the purpose and intent of the Plan. Such actions shall be final, binding and conclusive upon all parties concerned.

4.4 Liability; Indemnification. No member of the Committee shall be liable for any act or omission (whether or not negligent) taken or omitted in good faith, or for the good faith exercise of any authority or discretion granted in the Plan to the Committee, or for any act or omission of any other member of the Committee. The members of the Committee shall be entitled to indemnification and reimbursement to the fullest extent provided in IntriCon's articles of incorporation, bylaws and applicable law. In the performance of its functions under the Plan, the Committee shall be entitled to rely upon information and advice furnished by IntriCon's officers, accountants, counsel and other parties the Committee deems necessary, and no member of the Committee shall be liable for any action taken or not taken in reliance upon such advice.

4.5 Costs; Liabilities. All costs incurred in connection with the administration and operation of the Plan shall be paid by the Company. Except for the express obligations of the Company under the Plan and under Awards granted in accordance with the provisions of the Plan, the Company shall have no liability with respect to any Award, or to any Participant or any transferee of shares of Common Stock from any Participant, including, but not limited to, any tax liabilities, capital losses, or other costs or losses incurred by any Participant or any such transferee.

## 5. Types of Awards

### 5.1 Options.

(a) An Option is an Award entitling the recipient on exercise thereof to purchase Common Stock at a specified exercise price. Both incentive stock options, as defined in Section 422 of the Code (any Option intended to qualify as an incentive stock option is hereinafter referred to as an ISO ), and Options that are not incentive stock options (any such Option is hereinafter referred to as a non-ISO ), may be granted under the Plan. ISOs shall be awarded only to Employees. The maximum amount of ISOs that may be awarded under the Incentive Plan will not exceed 948,500 shares of Common Stock plus the number of shares of Common Stock that are issuable pursuant to option grants outstanding under the Old Plans as of the Effective Date that but for the termination of the Old Plans as of the Effective Date, would otherwise have reverted to the share reserve of the Old Plans pursuant to the terms thereof as a result of the expiration, termination, cancellation or forfeiture of such options.

## Edgar Filing: INTRICON CORP - Form DEF 14A

(b) The exercise price of an Option shall be determined by the Committee subject to the following:

(1) The exercise price of an ISO shall not be less than 100% (110% in the case of an ISO granted to a ten percent or greater shareholder) of the fair market value of the Common Stock subject to the ISO, determined as of the time the Option is granted. A ten percent shareholder is any person who at the time of grant owns, directly or indirectly, or is deemed to own by reason of the attribution rules of Section 424(d) of the Code, stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of any of its subsidiaries.

(2) The exercise price of a non-ISO shall not be less than 100% of the fair market value of the Common Stock subject to the non-ISO, determined as of the time the non-ISO is granted.

(3) To the extent required by applicable law, the exercise price paid for Common Stock which is part of an original issue of authorized Common Stock shall not be less than the par value per share of the Common Stock.

(4) In no case may the Committee reduce the exercise price of an Option at any time after the time of grant, including by amendment or cancellation and subsequent issuance, except in the case of an adjustment as set forth in Section 2.6(iv) or unless approved by Shareholders.

(5) Notwithstanding (1) and (2) above, an Option (whether an ISO or non-ISO) may be granted with an exercise price determined according to the provisions of Section 424(a) of the Code, if the grant of such Option is pursuant to a transaction described in Section 424(a) of the Code.

(c) The period during which an Option may be exercised shall be determined by the Committee, except that the period during which an Option may be exercised shall not exceed ten years (five years, in the case of an ISO granted to a ten percent shareholder) from the day immediately preceding the date the Option was granted.

(d) An Option shall become exercisable at such time or times, and on such terms and conditions, as the Committee may determine. The Committee may at any time accelerate the time at which all or any part of the Option may be exercised. Any exercise of an Option must be in writing, signed by the proper person and delivered or mailed to the Company, accompanied by (i) any documents required by the Committee and (ii) payment in full in accordance with Section 5.1(e) below for the number of shares for which the Option is exercised.

(e) Stock purchased on exercise of an Option must be paid for as follows: (i) in cash or by check (acceptable to IntriCon in accordance with guidelines established for this purpose), bank draft or money order payable to the order of IntriCon or (ii) if so permitted by the instrument evidencing the Option (or in the case of an Option which is not an ISO, by the Board at or after grant of the Option), (A) through the delivery of shares of Common Stock which have been outstanding for at least six months (unless the Board expressly approves a shorter period) and which have a fair market value on the date of exercise at least equal to the exercise price, or (B) by delivery of an unconditional and irrevocable undertaking by a broker to deliver promptly to IntriCon sufficient funds to pay the exercise price (including in connection with a so-called cashless exercise effected by such broker), or (C) by any combination of the permissible forms of payment.

## Edgar Filing: INTRICON CORP - Form DEF 14A

(f) In the event a Participant tenders shares of Common Stock to pay the exercise price of an Option and/or arranges to have a portion of the shares otherwise issuable upon exercise withheld or sold to pay the applicable withholding taxes, in no case may the Committee grant reload or restoration options entitling the Participant to purchase shares of Common Stock equal to the sum of the number of such shares tendered to pay the exercise price and the number of shares used to pay the withholding taxes.

(g) Any Employee who disposes of shares acquired upon the exercise of an ISO either (i) within two years after the date of grant of such ISO or (ii) within one year after the transfer of such shares to the Employee shall notify the Company of such disposition and of the amount realized upon such disposition.

### 5.2 Stock Appreciation Rights.

(a) A Stock Appreciation Right ( SAR ) is an Award entitling the recipient on its exercise to receive an amount, in cash or Common Stock or a combination thereof (such form to be determined by the Committee), determined in whole or in part by reference to appreciation in Common Stock value. In general, a SAR entitles the Participant to receive, with respect to each share of Common Stock as to which the SAR is exercised (110% of its fair market value in the case of grants to ten percent or greater shareholders), the excess of the share's fair market value on the date of exercise over its fair market value on the date the SAR was granted, except that if a SAR is granted retroactively in substitution for an Option, the fair market value established by the Committee may be the fair market value at the time such Option was granted. Any such substitution of a SAR for an Option granted to a covered employee under Section 162(m) of the Code may only be made in compliance with the provisions thereof.

(b) Notwithstanding the above, the Committee may provide at the time of grant that the amount the recipient is entitled to receive shall be adjusted upward or downward under rules established by the Committee to take into account the performance of the Common Stock in comparison with the performance of other stocks or an index or indices of other stocks. The Committee may also grant SARs that provide that following a Change in Control of the Company (as defined in Section 6.3(c)) the holder of such SAR shall be entitled to receive, with respect to each share of Common Stock subject to the SAR, an amount equal to the excess of a specified value (which may include an average of values) for a share of Common Stock during a period preceding such Change in Control over the fair market value of a share of Common Stock on the date the SAR was granted.

(c) SARs may be granted in tandem with, or independently of, Options granted under the Plan. A SAR granted in tandem with an Option that is not an ISO may be granted either at or after the time the Option is granted. A SAR granted in tandem with an ISO may be granted only at the time the Option is granted.

(d) When SARs are granted in tandem with Options, the following rules shall apply:

(1) The SAR shall be exercisable only at such time or times, and to the extent, that the related Option is exercisable and shall be exercisable in accordance with the procedure required for exercise of the related Option.

(2) The SAR shall terminate and no longer be exercisable upon the termination or exercise of the related Option, except that a SAR granted with respect to less than the full number of shares covered by an Option shall not be reduced until the number of shares as to which the related Option has been exercised or has terminated exceeds the number of shares not covered by the SAR.

## Edgar Filing: INTRICON CORP - Form DEF 14A

(3) The Option shall terminate and no longer be exercisable upon the exercise of the related SAR.

(4) The SAR shall be transferable only with the related Option.

(5) A SAR granted in tandem with an ISO may be exercised only when the market price of the Stock subject to the Option exceeds the exercise price of such option.

(e) A SAR not granted in tandem with an Option shall become exercisable at such time or times, and on such terms and conditions, as the Committee may specify. The Committee may at any time accelerate the time at which all or any part of the SAR may be exercised. Any exercise of an independent SAR must be in writing, signed by the proper person and delivered or mailed to IntriCon, accompanied by any other documents required by the Committee.

### 5.3 Stock Awards.

(a) Form of Awards. The Committee may grant Awards ( Stock Awards ) which are payable in shares of Common Stock or denominated in units equivalent in value to shares of Common Stock or are otherwise based on or related to shares of Common Stock, including, but not limited to, Awards of Unrestricted Stock, Restricted Stock, Deferred Stock and Restricted Stock Units, subject to such terms, conditions, restrictions and limitations as the Committee may determine to be applicable to such Stock Awards, in its discretion, from time to time. The Committee may consider the impact of the conditions, restrictions or limitations applicable to a Stock Award, as well as the possibility of forfeiture or cancellation, in determining the fair market value for purposes of determining the number of shares of Common Stock allocable to a Stock Award. Without limiting the generality of the foregoing, the Committee may issue Stock Awards to Participants in connection with management or employee stock purchase programs.

(b) Unrestricted Stock. Shares of Common Stock may be used as payment for services rendered (including any compensation that is intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code), and unless otherwise determined by the Committee, no minimum vesting period shall apply to such shares. Any shares of Common Stock used for such payment shall be valued at the fair market value of such shares at the time of payment and shall be subject to such terms, conditions, restrictions and limitations as shall be determined by the Committee at the time of payment.

(c) Restricted Stock. A Restricted Stock Award entitles the recipient to acquire shares of Common Stock subject to the restrictions described in Section 5.3(c)(3) ( Restricted Stock ) for no consideration, nominal consideration or any higher price, all as determined by the Committee, subject to Section 2.7.

(1) A Participant who is granted a Restricted Stock Award shall have no rights with respect to such Award unless the Participant accepts the Award by written instrument delivered or mailed to IntriCon accompanied by payment in full of the specified purchase price, if any, of the shares covered by the Award. Payment may be by certified or bank check or other instrument acceptable to the Committee.

(2) A Participant who receives Restricted Stock shall have all the rights of a shareholder with respect to such stock, including voting and dividend rights, subject to the restrictions described in 5.3(c)(3) and any other conditions imposed by the Committee at the time of grant. Unless the Committee otherwise determines, certificates evidencing shares of Restricted Stock shall remain in the possession of the Company until such shares are free of all restrictions under the Plan.

## Edgar Filing: INTRICON CORP - Form DEF 14A

(3) Except as otherwise specifically provided by the Plan or the Award, Restricted Stock may not be sold, assigned, exchanged, pledged, gifted or otherwise disposed of, or transferred, and if a Participant suffers a Status Change (as defined in Section 6.1) for any reason (other than by reason of death or Permanent Disability or Retirement), must be offered to IntriCon for purchase for the amount of cash paid for such stock, or forfeited to the Company if no cash was paid. These restrictions shall lapse at such time or times, and on such terms and conditions, as the Committee may determine. The Committee may at any time accelerate the time at which the restrictions on all or any part of the shares shall lapse.

(4) Any Participant making, or required by an Award to make, an election under Section 83(b) of the Code with respect to Restricted Stock shall deliver to IntriCon, within ten days of the filing of such election with the Internal Revenue Service, a copy of such election.

(5) The Committee may, at the time any Award described in this Section 5 is granted, provide that any or all the Common Stock delivered pursuant to the Award shall be Restricted Stock.

(6) The Committee may, in its sole discretion, approve the sale to any Participant of shares of Common Stock free of restrictions under the Plan for a price which is not less than the par value of the Common Stock.

(d) Deferred Stock. A Deferred Stock Award entitles the recipient to receive shares of Common Stock to be delivered in the future. Delivery of the Common Stock shall take place at such time or times, and on such terms and conditions, as the Committee may determine. The Committee may at any time accelerate the time at which delivery of all or any part of the Common Stock shall take place. At the time any Award described in this Section 5 is granted, the Committee may provide that, at the time Common Stock would otherwise be delivered pursuant to the Award, the Participant shall instead receive an instrument evidencing the Participant's right to future delivery of Deferred Stock. Awards of Deferred Stock represent only an unfunded, unsecured promise to deliver shares in the future and do not give Participants any greater rights than those of an unsecured general creditor of the Company.

(e) Restricted Stock Units. A Restricted Stock Unit is an Award denominated in shares of Restricted Stock, pursuant to a formula determined by the Committee, which may be settled either in shares of Restricted Stock or in cash, in the discretion of the Committee, subject to such other terms, conditions, restrictions and limitations determined by the Committee from time to time.

5.4 Supplemental Grants. In connection with any Award under this Section 5, the Committee may grant a supplemental cash award to the Participant (a Supplemental Grant) not to exceed an amount equal to (i) the amount of any Federal, state and local income tax on ordinary income for which the Participant may be liable with respect to the Award, determined by assuming taxation at the highest marginal rate, plus (ii) an additional amount on a grossed-up basis intended to make the Participant whole on an after-tax basis after discharging all the Participant's income tax liabilities arising from all payments under this Section 5. Any payments under this Section 5.4 shall be made at the time the Participant incurs Federal income tax liability with respect to the Award.

5.5 Performance Awards. A Performance Award entitles the recipient to receive, without payment, an Award or Awards described in this Section 5 (such form to be determined by the Committee) following the attainment of such performance goals, during such measurement period or periods, and on such other terms and conditions, all as the Committee may determine. Performance goals may be related to personal performance, corporate performance, group or departmental performance or any such other category of performance as the Committee may determine. The Committee shall have the authority to determine the performance goals, the period or period during which performance is to be measured and all other terms and conditions applicable to the Award.

5.6 Section 162(m) Limitations.

(a) If the Committee determines at the time an Award that is intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code is granted to a Participant that such Participant is, or may be as of the end of the tax year for which the Company would claim a tax deduction in connection with such Award, a covered employee, then this Section 5.6 is applicable to such Award under such terms as the Committee shall determine.

(b) If an Award is subject to this Section 5.6, then any grant shall be subject to the achievement of specified levels of one or more of the following performance goals, unless and until the Company's shareholders approve a change to such performance goals: operating income, net earnings, earnings before interest, taxes, depreciation and amortization (EBITDA), earnings before interest and taxes (EBIT), net income, earnings per share, total shareholder return, cash flow, return on assets, decrease in expenses, Common Stock price, price-earnings multiple, comparisons to market indices, sales growth, market share, the achievement of certain quantitatively and objectively determinable non-financial performance measures including, but not limited to, operational measures, growth strategies, strategic initiatives, corporate development and leadership development, and any combination of the foregoing. The performance goals shall be determined and approved by the Committee within the first 90 days of each fiscal year. Awards subject to this Section 5.6 may not be adjusted upward. The Committee shall retain the discretion to adjust such Awards downward. Prior to the payment of any Award subject to this Section 5.6, the Committee shall certify in writing that the applicable performance goal was satisfied.

(c) The Committee shall have the discretion to impose such other restrictions on Awards subject to this Section 5.6 as it may deem necessary or appropriate to ensure that such Awards qualify as performance-based compensation for purposes of Section 162(m) of the Code. In the event that applicable tax/and or securities laws change to permit the Committee the discretion to alter the governing performance goals without obtaining shareholder approval, the Committee shall have the sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards, or modify existing Awards, that shall not qualify as performance-based compensation for purposes of Section 162(m) of the Code, the Committee may make such grants and modifications without satisfying the requirements of Section 162(m) of the Code.

5.7 Section 409A of the Code.

(a) Awards under the Plan are intended either to be exempt from or to satisfy the requirements of the rules of Section 409A of the Code and shall be construed accordingly. However, the Company shall not be liable to any Participant or other holder of an Award with respect to any Award-related adverse tax consequences arising under Section 409A or other provision of the Code.

(b) To the extent that an Award under the Plan is intended to satisfy the requirements of Section 409A of the Code and a provision of the Plan or an Award agreement contravenes any Treasury regulations or other guidance promulgated under Section 409A of the Code or could cause an Award to be subject to the interest and additional tax under Section 409A of the Code, such provision of the Plan or Award shall be modified to maintain, to the maximum extent practicable, the original intent of the applicable provision without violating the provisions of Section 409A of the Code. Moreover, any discretionary authority that the Committee may have pursuant to the Plan shall not be applicable to an Award that is subject to Section 409A of the Code to the extent such discretionary authority will contravene Section 409A of the Code or the Treasury regulations or other guidance promulgated thereunder.

## Edgar Filing: INTRICON CORP - Form DEF 14A

(c) Notwithstanding any provisions of this Plan or any Award granted hereunder to the contrary, no acceleration shall occur with respect to any Award to the extent such acceleration would cause the Plan or an Award granted hereunder to fail to comply with Section 409A of the Code.

(d) Notwithstanding any provisions of this Plan or any applicable Award agreement to the contrary, no payment shall be made with respect to any Award granted under this Plan to a specified employee (as such term is defined for purposes of Section 409A of the Code) prior to the six-month anniversary of the employee's separation of service to the extent such six-month delay in payment is required to comply with Section 409A of the Code.

### 6. Events Affecting Outstanding Awards

6.1 Termination of Service by Death or Permanent Disability or Retirement. If a Participant who is an Employee or director ceases to be an Employee or director, or if there is a termination of the consulting, service or other relationship in respect of which a non-Employee Participant was granted an Award under the Plan (such termination of employment or other relationship referred to as a Status Change) in any case by reason of death or Permanent Disability or Retirement, the following rules shall apply, unless otherwise determined by the Committee:

(a) All Options and SARs held by the Participant at the time of such Status Change shall automatically become exercisable in full and shall continue to be exercisable by the Participant or his or her heirs, executor, administrator or other legal representative for a period of one year after the Participant's Status Change by reason of death or Permanent Disability and for a period equal to the unexpired term of the Option or SAR in the case of Retirement. After the expiration of such one-year period, all such Options and SARs shall terminate. In no event, however, shall an Option or SAR remain exercisable beyond the latest date on which it could have been exercised without regard to this Section 6.1.

(b) All Restricted Stock and Restricted Stock Units held by the Participant at the time of such Status Change shall automatically become free of all restrictions and conditions.

(c) The Participant shall automatically be entitled to any payment or benefit under all Deferred Stock Awards, Performance Awards or Supplemental Grants, held by the Participant at the time of such Status Change.

(d) Disability or Permanent Disability shall mean disability as defined in Section 22(e)(3) of the Internal Revenue Code or as otherwise determined by the Committee.

(e) Retirement means termination of employment with or service to the Company by a Participant other than by reason of death or Permanent Disability or termination for Cause at a time when such Participant has attained age 65 or greater; provided that such Participant has performed a minimum of five Years of Service. For purposes of the Plan, Years of Service means each period of twelve consecutive months (including any permitted leaves of absences) beginning on the Participant's first day of employment with or service to the Company and each anniversary thereof in which the Participant continues to be employed by or provide service to the Company.

## Edgar Filing: INTRICON CORP - Form DEF 14A

6.2 Termination of Service Other Than by Death or Permanent Disability or Retirement. Subject to the provisions of Section 6.4, if a Participant suffers a Status Change other than by reason of death or Permanent Disability (as determined by the Committee) or Retirement, the following rules shall apply, unless otherwise determined by the Committee:

(a) All Options and SARs held by the Participant at the time of such Status Change, to the extent then exercisable, shall continue to be exercisable by the Participant for a period of 90 days after the Participant's Status Change. After the expiration of such 90-day period, all such Options and SARs shall terminate. In no event, however, shall an Option or SAR remain exercisable beyond the latest date on which it could have been exercised without regard to this Section 6.2. All Options and SARs held by a Participant at the time of such Status Change that are not then exercisable shall terminate upon such Status Change.

(b) All Restricted Stock held by the Participant at the time of such Status Change shall be transferred to the Company (and, in the event the certificates representing such Restricted Stock are held by the Company, such Restricted Stock shall be so transferred without any further action by the Participant) in accordance with Section 5.3(c) above.

(c) Any payment or benefit under a Restricted Stock Unit, Deferred Stock Award, Performance Award, or Supplemental Grant, to which the Participant was not irrevocably entitled at the time of such Status Change shall be forfeited and the Award canceled as of the date of such Status Change.

(d) For all purposes of this Section 6.2 and Section 6.3, the employment with the Company of a Participant who is an Employee shall not be deemed to have been terminated if the Participant is transferred from IntriCon to a subsidiary of IntriCon, or vice versa, or from one subsidiary of IntriCon to another and, in the sole discretion of the Committee, a Status Change shall not be deemed to have occurred if, on the date that a Participant's employment, directorship, consulting, service or other relationship with the Company terminates, such Participant has an employment, directorship, consulting, service or other relationship with the Company that, in the discretion of the Committee, would otherwise permit such Participant to receive an Award under this Plan.

(e) Anything in this Section to the contrary notwithstanding, all Awards held by a Participant whose employment, directorship, consulting, service or other relationship with the Company was terminated for Cause shall, in the discretion of the Committee, terminate immediately as of the date of such Status Change. A termination by the Company of a Participant's employment, directorship, consulting, service or other relationship with the Company shall be for Cause if the Committee determines that the Participant: (i) was guilty of fraud, gross negligence or willful misconduct in the performance of his or her duties for the Company, (ii) willfully and continually failed to perform substantially the Participant's duties with the Company (other than any such failure resulting from incapacity due to Permanent Disability) after delivery of written demand for substantial performance to the Participant by the Board, the Committee or the Chief Executive Officer that specifically identified the manner in which the Board, the Committee or the Chief Executive Officer believed the Participant did not substantially perform his or her duties, (iii) breached or violated, in a material respect, any agreement between the Participant and the Company or any of the Company's codes of conduct or corporate policies, including policy statements regarding conflicts-of-interest, insider trading or confidentiality, (iv) committed a material act of dishonesty or breach of trust, (v) acted in a manner that was inimical or injurious, in a material respect, to the business or interests of the Company, or (vi) was convicted of, or plead guilty or nolo contendere to, a felony or any other crime involving moral turpitude which subjects, or if generally known, would subject, the Company to public ridicule or embarrassment.

6.3 Change in Control.

(a) Notwithstanding the provisions of Section 6.3(b), in the event of a Change in Control (as defined in Section 6.3(c)), the following rules shall apply, unless otherwise expressly provided by the Committee in accordance with Section 6.3(d):

(1) Each outstanding Option and SAR shall automatically become exercisable in full upon the occurrence of such Change in Control. This provision shall not prevent an Option or SAR from becoming exercisable sooner as to Common Stock or cash that would otherwise have become available under such Option or SAR during such period.

(2) Each outstanding share of Restricted Stock shall automatically become free of all restrictions and conditions upon the occurrence of such Change in Control. This provision shall not prevent the earlier lapse of any restrictions or conditions on Restricted Stock that would otherwise have lapsed during such period.

(3) Conditions on Restricted Stock Units, Deferred Stock Awards, Performance Awards and Supplemental Grants, which relate only to the passage of time and continued employment shall automatically terminate upon the occurrence of such Change in Control. This provision shall not prevent the earlier lapse of any conditions relating to the passage of time and continued employment that would otherwise have lapsed during such period. Performance or other conditions (other than conditions relating only to the passage of time and continued employment) shall continue to apply unless otherwise provided in the instrument evidencing the Awards or in any other agreement between the Participant and the Company or unless otherwise agreed to by the Committee.

(b) The Committee may, in its discretion, at the time an Award is made hereunder or at any time prior to, coincident with or after the time of a Change in Control: (i) require the purchase and sale of any Awards for an amount of cash equal to the amount which a Participant could have obtained upon the exercise or realization of such rights had such Awards been currently exercisable; (ii) make such adjustment to the Awards then outstanding as the Committee deems appropriate to reflect such Change in Control; (iii) if applicable, provide that such Awards shall be cancelled upon the effectiveness of such Change of Control and converted into the right to receive the same consideration as shareholders are receiving in such Change of Control (net of any exercise price and/or purchase price payable by the Participant and/or Base Amount in the case of a SAR); and/or (iv) cause the Awards then outstanding to be assumed, or their rights substituted therefor, by the surviving or acquiring corporation in such Change in Control. The Committee may, in its discretion, include such further provisions and limitations in any Award Agreement as it may deem in the best interests of the Company.

(c) A Change in Control means: (i) the occurrence of an event that would, if known to IntriCon's management, be required to be reported by IntriCon as a change in control under Form 8-K pursuant to the 1934 Act; or (ii) the acquisition or receipt, in any manner, by any person (as defined for purposes of the 1934 Act) or any group of persons acting in concert, of direct or indirect beneficial ownership (as defined for purposes of the 1934 Act) of more than 50% of the combined voting securities ordinarily having the right to vote for the election of directors of IntriCon; or (iii) a change in the constituency of the Board with the result that individuals (the Incumbent Directors) who are members of the Board on the Effective Date (as defined in Section 13) cease for any reason to constitute at least a majority of the Board, provided that any individual who is elected to the Board after the Effective Date and whose nomination for election was unanimously approved by the Incumbent Directors shall be considered an Incumbent Director beginning on the date of his or her election to the Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest (as defined for purposes of the 1934 Act) with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board; or (iv) the sale, exchange, liquidation or other disposition of all or more than 50% of IntriCon's business or assets; unless in any such case, at least a majority of the Incumbent Directors determine, prior to the occurrence of such Change in Control, that no Change in Control has or will have occurred; or (v) the occurrence of a reorganization, merger, consolidation or other corporate transaction involving IntriCon, in each case, with respect to which IntriCon's shareholders immediately prior to such transaction do not, immediately after such transaction, own more than 50% of the combined voting securities ordinarily having the right to vote for the election of directors of IntriCon or other corporation resulting from such transaction; or (vi) the approval by IntriCon's shareholders of a complete liquidation or dissolution of IntriCon; or (vii) any similar transaction, circumstance or event which the Committee determines to constitute a Change in Control.

## Edgar Filing: INTRICON CORP - Form DEF 14A

(d) The provisions (or any of them) of Section 6.3(a) shall not apply to the extent expressly determined by at least 75% of the Incumbent Directors at a duly convened meeting of the Board held before the occurrence of a Change in Control.

(e) Any good faith determination by the Committee as to whether a Change in Control within the meaning of this Section 6.3 has occurred shall be conclusive and binding on the Participants.

(f) Compliance with Section 409A of the Code. In the case of an Award providing for the payment of deferred compensation subject to Section 409A of the Code, any payment of such deferred compensation by reason of a Change in Control shall be made only if the event constituting the Change in Control is an event described in subsection (a)(2)(A)(v) of Section 409A of the Code and Treasury regulations or other guidance thereunder and shall be paid consistent with the requirements of Section 409A. If any deferred compensation that would otherwise be payable by reason of a Change in Control cannot be paid by reason of the immediately preceding sentence, it shall be paid as soon as practicable thereafter consistent with the requirements of Section 409A of the Code, as determined by the Committee.

6.4 Special Forfeiture Provisions Following a Termination of Employment. Notwithstanding the provisions of Section 6.2, in any instance where the rights of a Participant with respect to an Award extend beyond a Status Change other than by reason of death, all of such rights shall terminate and be forfeited, if, in the determination of the Committee, the Participant, at any time prior or subsequent to such Status Change (a) breaches or violates, in a material way, the terms of any agreement with the Company, including any employment agreement, termination agreement, confidentiality agreement, non-solicitation agreement or non-competition agreement or (b) engaged or engages in conduct that would have permitted the Company to terminate such Participant's employment for Cause (as defined in Section 6.2(e)) if such Participant was still an employee of the Company.

### 7. Grant and Acceptance of Awards

7.1 Evidence of Approval. The Committee's approval of a grant of an Award under the Plan, including the names of Participants and the size of the Award, including the number of shares of Common Stock subject to the Award, shall be reflected in minutes of meetings held by the Committee or in written consents signed by members of the Committee. Once approved by the Committee, each Award shall be evidenced by such written instrument, containing such terms as are required by the Plan and such other terms, consistent with the provisions of the Plan, as may be approved from time to time by the Committee.

7.2 Award Agreements. Each instrument may be in the form of agreements to be executed by both the Participant and the Company, or certificates, letters or similar instruments, which need not be executed by the Participant but acceptance of which shall evidence agreement to the terms thereof. The grant of an Award shall not impose any obligation on the Participant to accept the Award.

## Edgar Filing: INTRICON CORP - Form DEF 14A

7.3 Conditions. Except as specifically provided by the Plan or the instrument evidencing an Award, a Participant shall not become a shareholder of IntriCon until (i) the Participant makes any required payments in respect of the Common Stock issued or issuable pursuant to the Award, (ii) the Participant furnishes IntriCon with any required agreements, certificates, letters or other instruments, and (iii) the Participant actually receives the shares of Common Stock. Subject to any terms and conditions imposed by the Plan or the instrument evidencing an Award, upon the occurrence of all of the conditions set forth in the immediately preceding sentence, a Participant shall have all rights of a shareholder with respect to shares of Common Stock, including, but not limited to, the right to vote such shares and to receive dividends and other distributions paid with respect to such shares. The Committee may, upon such terms and conditions as it deems appropriate, provide that a Participant will receive a benefit in lieu of cash dividends that would have been payable on any and all Common Stock subject to the Participant's Award, had such Common Stock been outstanding. Without limitation, the Board may provide for payment to the Participant of amounts representing such dividends, either currently or in the future, or for the investment of such amounts on behalf of the Participant.

7.4 Payments and Deferrals. Payment of Awards may be in the form of cash, shares of Common Stock, other Awards, or combinations thereof as the Committee shall determine, subject to such terms, conditions, restrictions and limitations as it may impose. The Committee may postpone the exercise of Options or SARs, and may require or permit Participants to elect to defer the receipt or issuance of shares of Common Stock pursuant to Awards or the settlement of Awards in cash under such rules and procedures as it may establish, in its discretion, from time to time. The Committee may adopt deferred compensation plans to permit a Participant to defer the time when such Award is recognized for income tax purposes. It also may provide for deferred settlements of Awards including the payment or crediting of earnings on deferred amounts, or the payment or crediting of dividend equivalents where the deferred amounts are denominated in common share equivalents. In addition, the Committee may stipulate in an Award Agreement, either at the time of grant or by subsequent amendment, that a payment or portion of a payment of an Award be delayed in the event that Section 162(m) of the Code (or any successor or similar provision of the Code) would disallow a tax deduction by the Company for all or a portion of such payment. The period of any such delay in payment shall be until the payment, or portion thereof, is tax deductible, or such earlier date as the Committee shall determine in its discretion.

7.5 Removal of Restrictions. Notwithstanding any other provision of the Plan, the Company shall not be obligated to deliver any shares of Common Stock pursuant to the Plan or to remove any restriction from shares of Common Stock previously delivered under the Plan (i) until all conditions to the Award have been satisfied or removed, (ii) until, in the opinion of counsel to the Company, all applicable Federal and state laws and regulations have been complied with, (iii) if the outstanding Common Stock is at the time listed on any stock exchange or included for quotation on an inter-dealer system, until the shares to be delivered have been listed or included or authorized to be listed or included on such exchange or system upon official notice of notice of issuance, (iv) if it might cause the Company to issue or sell more shares of Common Stock than the Company is then legally entitled to issue or sell, and (v) until all other legal matters in connection with the issuance and delivery of such shares have been approved by counsel to the Company. If the sale of Common Stock has not been registered under the Securities Act of 1933, as amended, the Company may require, as a condition to exercise of an Award, such representations or agreements as counsel to the Company may consider appropriate to avoid violation of such Act and may require that the certificates evidencing such Common Stock bear an appropriate legend restricting transfer. If an Award is exercised by the Participant's legal representative, the Company shall be under no obligation to deliver Common Stock pursuant to such exercise until the Company is satisfied as to the authority of such representative.

8. Tax Withholding

The Company shall withhold from any cash payment made pursuant to an Award an amount sufficient to satisfy all Federal, state and local withholding tax requirements (the withholding requirements). In the case of an Award pursuant to which Common Stock may be delivered, the Committee shall have the right to require that the Participant or other appropriate person remit to the Company an amount sufficient to satisfy the withholding requirements, or make other arrangements satisfactory to the Committee with regard to such requirements, prior to the delivery of any Common Stock. If and to the extent that such withholding is required, the Committee may permit a Participant or such other person or entity to elect at such time and in such manner as the Committee may determine to have the Company hold back from the shares of Common Stock to be delivered, or to deliver to the Company, Common Stock having a value calculated to satisfy the withholding requirement. If at the time an ISO is exercised, the Committee determines that the Company could be liable for withholding requirements with respect to a disposition of the Common Stock received upon exercise, the Committee may require as a condition of exercise that the person exercising the ISO agree (i) to inform the Company promptly of any disposition (within the meaning of Section 424(c) of the Code) of Common Stock received upon exercise, and (ii) to give such security as the Committee deems adequate to meet the potential liability of the Company for the withholding requirements and to augment such security from time to time in any amount reasonably deemed necessary by the Board to preserve the adequacy of such security.

9. Dividends and Dividend Equivalents

The Committee may provide that Stock Awards shall earn dividends or dividend equivalents. Such dividends or dividend equivalents may be paid currently or may be credited to an account maintained on the books of the Company. Any payment or crediting of dividends or dividend equivalents will be subject to such terms, conditions, restrictions and limitations as the Committee may establish, from time to time, including reinvestment in additional shares of Common Stock or common share equivalents. Unless the Committee determines otherwise, any Employee subject to the reporting requirements of Section 16(a) of the 1934 Act may not participate in dividend reinvestment programs established under the Plan. The Committee shall determine the Participant's rights under the Plan with respect to extraordinary dividends or distributions on the shares of Common Stock.

10. Voting

The Committee shall determine whether a Participant shall have the right to direct the vote of shares of Common Stock allocated to a Stock Award. If the Committee determines that an Award shall carry voting rights, the shares allocated to such Award shall be voted by the Company's Secretary, or such other person as the Committee may designate in accordance with instructions received from the Participant (unless to do so would constitute a violation of fiduciary duties). Shares as to which no instructions are received shall be voted by the Committee or its designee proportionately in accordance with instructions received from Participants in the Plan (unless to do so would constitute a violation of fiduciary duties).

11. Unfunded Plan

Unless otherwise determined by the Committee, the Plan shall be unfunded and shall not create (or be construed to create) a trust or a separate fund or funds. The Plan shall not create any fiduciary relationship between the Company on behalf of any Participant or other person. To the extent any Participant holds any rights by virtue of an Award granted under the Plan, such rights shall constitute general unsecured liabilities of the Company and shall not confer upon any Participant any right, title, or interest in any assets of the Company.

12. Rights as Shareholder

Unless the Committee determines otherwise, a Participant shall not have any rights as a shareholder with respect to shares of Common Stock covered by an Award until the date the Participant becomes the holder of record with respect to such shares in accordance with Section 7.3. No adjustment shall be made for dividends or other rights for which the record date is prior to such date, except as provided in Section 9.

13. Effective Date and Term of Plan

The effective date of this Plan (the Effective Date) is April 26, 2006, the date on which the Plan was approved by the affirmative vote of the holders of IntriCon's Common Stock. No Award shall be granted more than ten years after the Effective Date.

14. Effect, Amendment, Suspension and Termination

Unless otherwise determined by the Committee, Awards received by Participants under the Plan shall not be deemed a part of a Participant's regular, recurring compensation for purposes of calculating payments or benefits under any Company benefit plan or severance program. No Employee, director or other person shall have any claim or right to be granted an Award under the Plan. There shall be no obligation of uniformity of treatment of Employees, directors or other persons under the Plan and the terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated). Neither adoption of the Plan nor the grant of Awards to a Participant shall affect the Company's right to grant to such Participant awards that are not subject to the Plan, to issue to such Participant Common Stock as a bonus or otherwise, or to adopt other plans or arrangements under which Common Stock may be issued to Employees or other persons or entities. The Committee reserves the right, at any time and from time to time, to amend the Plan in any way, or to suspend or terminate the Plan, effective as of the date specified by the Committee when it takes such action, which date may be before or after the date the Committee takes such action; provided that any such action shall not affect any Awards granted before the actual date on which such action is taken by the Committee; and further provided that the approval of IntriCon's shareholders shall be required whenever necessary for the Plan to continue to satisfy the conditions of Rule 16b-3 under the 1934 Act, Section 422 of the Code with respect to the award of ISOs (unless the Board determines that ISOs shall no longer be granted under the Plan), any bylaw, rule or regulation of the market system or stock exchange on which IntriCon's Common Stock is then listed or admitted to trading, or any other applicable law, rule or regulation. Unless terminated earlier by the Board, this Plan shall terminate on such date (which shall not be prior to April 26, 2016) as all Awards under the Plan have been exercised or shall have terminated.

15. Other Provisions

15.1 Future Rights. Nothing contained in the Plan or any Award shall confer upon any Employee or other Participant the right to continue in the employ of, or to continue to provide service to, the Company or any affiliated person, or interfere in any way with the right of the Company or any affiliated person to terminate the employment or service of any Employee or other Participant for any reason.

15.2 Grant Date. Corporate action constituting an offer by IntriCon of Common Stock to any Participant under the terms of an Award shall be deemed completed as of the date of grant of the Award, regardless of when the instrument, certificate, or letter evidencing the Award is actually received or accepted by the Participant.

## Edgar Filing: INTRICON CORP - Form DEF 14A

15.3 Transferability. None of a Participant's rights under any Award or under the Plan may be assigned or transferred in any manner other than by will or under the laws of descent and distribution. The foregoing shall not, however, restrict a Participant's rights with respect to Unrestricted Stock or the outright transfer of cash, nor shall it restrict the ability of a Participant's heirs, estate, beneficiaries, or personal or legal representatives to enforce the terms of the Plan with respect to Awards granted to the Participant. Notwithstanding the foregoing, at the discretion of the Committee, the terms of an Award may permit a Participant to transfer such Award to one or more members of the Participant's family or to trusts, family partnerships, or other entities for the benefit of the Participant and/or members of the Participant's family to the extent provided in such Award and permitted under the terms for use of Form S-8 promulgated under the Securities Act of 1933, as amended.

15.4 Governing Law. The Plan, and all Awards granted hereunder, shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania.

15.5 Interpretation. The headings of the Sections of the Plan are for convenience of reference only and shall not affect the interpretation of the Plan. All pronouns and similar references in the Plan shall be construed to be of such number and gender as the context requires or permits. When used in this Plan, the words "including" and "include" shall be deemed followed by the words "without limitation." Except as otherwise indicated, the term "person" as used in the Plan shall include individuals, corporations, partnerships, trusts, estates, limited liability companies and partnerships and any other type of entity.

15.6 Severability. If any provision of the Plan is determined to be unenforceable for any reason, then that provision shall be deemed to have been deleted or modified to the extent necessary to make it enforceable, and the remaining provisions of the Plan shall be unaffected.

15.7 Notices. All notices with respect to the Plan shall be in writing and shall be hand delivered or sent by certified mail or reputable overnight delivery service, expenses prepaid. Notices to the Company or the Committee shall be delivered or sent to IntriCon's headquarters to the attention of its Chief Financial Officer. Notices to any Participant or holder of shares of Common Stock issued pursuant to an Award shall be sufficient if delivered or sent to such person's address as it appears in the regular records of the Company or its transfer agent.

15.8 Prior Services. In any case that a Participant purchases Common Stock under an Award for a price equal to the par value of the Common Stock, the Committee may determine, in its sole discretion, that such price has been satisfied by past services rendered by the Participant.

15.9 Fair Market Value. For the purposes of the Plan and any Award granted hereunder, unless otherwise determined by the Committee, the term "fair market value" of Common Stock on a specified date shall mean the last sale price for one share of Common Stock on the last trading day on or before the specified date, as reported on the American Stock Exchange, or on such other market system or stock exchange on which IntriCon's Common Stock is then listed or admitted to trading, or, if the foregoing does not apply, the market value determined by the Board.

15.10 Reduction of Payments. Unless otherwise agreed upon in writing by the Company and a Participant, in the event that any payment, benefit or transfer under the Plan to or for the benefit of a Participant pursuant to a Change in Control from the Company or otherwise (a Payment ) would (i) constitute a parachute payment within the meaning of Section 280G of the Code, and (ii) but for this Section 15.10, be subject to the excise tax imposed by Section 4999 of the Code (the Excise Tax ), then such Payment shall be reduced to the Reduced Amount. The Reduced Amount shall be either (x) the largest portion of the Payment that would result in no portion of the Payment being subject to the Excise Tax or (y) the largest portion, up to and including the total, of the Payment, whichever amount, after taking into account all applicable federal, state and local employment taxes, income taxes, and the Excise Tax (all computed at the highest applicable marginal rate), results in the Participant's receipt, on an after-tax basis, of the greater amount of the Payment notwithstanding that all or some portion of the Payment may be subject to the Excise Tax. If a reduction in payments or benefits constituting parachute payments is necessary so that the Payment equals the Reduced Amount, reduction shall occur in the following order unless the Participant elects in writing a different order (provided, however, that such election shall be subject to the Company's approval if made on or after the date on which the event that triggers the Payment occurs): reduction of cash payments; cancellation of accelerated vesting of Awards; and reduction of employee benefits. In the event that the acceleration of vesting of Award compensation is to be reduced, such acceleration of vesting shall be cancelled in the reverse order of the date of grant of the Participant's Awards unless the Participant elects in writing a different order for cancellation.

15.11 Successors and Assigns. The Plan and any applicable Award Agreement entered into under the Plan shall be binding on all successors and assigns of a Participant, including the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.
