Other than as described above, during the last five years, none of the Reporting Persons or, to the best of the knowledge of the Reporting Persons, any of the individuals set forth in Schedules A, B or C to this Amended Statement, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which such person was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws, or finding any violation with respect to such laws.

The citizenship of each executive officer and director of the Agent, the Trustee and Citigroup is identified in Schedules A, B and C to this Amended Statement.

Item 3. Source and Amount of Funds or Other Consideration.

The information contained in Item 4 of this Amended Statement is incorporated herein by reference.

Item 4. Purpose of the Transaction.

The Reporting Persons filed the Original Statement in connection with a Term Facility Agreement ("Former Facility Agreement") dated June 10, 2003, among

(1) Sea Containers British Isles Limited ("SCBIL"), (2) SBCIL's affiliates named therein (the "Guarantors"), including Sea Containers Ltd. ("SCL"), (3) Citigroup Global Markets Inc., Fortis Bank S.A./N.V. and The Governor and Company of the Bank of Scotland (the "Arrangers"), (4) Citicorp North America, Inc. ("CNA"), Fortis Bank S.A./N.V. ("FB") and The Governor and Company of the Bank of Scotland ("BoS" and, together with CNA and FB, the "Original Lenders"), (5) the Agent and (6) the Trustee, providing a secured term loan facility of US\$158,000,000 (the "Former Facility") to SBCIL, which required SCL, prior to any draw-down under the Former Facility, to enter into a Custodian Account Charge dated June 10, 2003, among SCL, the Trustee and Citibank, and an Escrow Agreement dated June 10, 2003, among SCL, the Trustee and Citibank, and to grant to the Agent an irrevocable limited power-of-attorney dated June 10, 2003.

This amendment is being filed to replace documents relating to the Former Facility included as exhibits to the Original Statement with copies of documents relating to the New Facility (as defined below). In addition, this amendment is filed to update disclosure made in the Original Statement to reflect, among other things, the public offering of OEH shares and the voluntary refinancing of the Former Facility, each as described more fully below.

On December 22, 2003, SCBIL, SCL, the Guarantors and Citibank International PLC entered into an agreement (the "Amendment Agreement") to amend the Former Facility Agreement in order to refinance the Former Facility. In connection with the refinancing of the Former Facility, the parties to the Former Facility Agreement entered into a Revolving Facility Agreement (the "New Facility Agreement") dated December 22, 2003, among SCBIL, the Guarantors, including SCL, the Arrangers, the Original Lenders, the Agent and the Trustee. The New Facility Agreement provides a secured revolving loan facility of up to US\$100,000,000 (the "New Facility") to SBCIL and required SCL, prior to any draw-down under the New Facility, to enter into the following agreements, each dated as of December 22, 2003: (i) a Custodian Account Charge (the "New Charge") among SCL, the Trustee and Citibank, (ii) an Escrow Agreement (the "New Escrow Agreement") among SCL, the Trustee and Citibank, (iii) an OEH Security Agreement (the "OEH Security Agreement") among SCL, the Trustee and Citibank, (iv) an Account Control Agreement (the "Account Control Agreement") among the Trustee, SCL and Citigroup Global Markets Inc., and (v) an irrevocable limited power-of-attorney to the Agent (the "New Power"). The New Facility Agreement, the New Charge, the OEH Security Agreement, the New Escrow Agreement and the New Power are filed as exhibits to this Amended Statement.

The New Charge and the New Power were entered into by SCL to provide security for amounts lent to SBCIL by the Original Lenders and any additional Lenders that may subsequently become a party to the New Facility Agreement under the New Facility ("New Lenders" and, together with the Original Lenders, the "Lenders").

Under the New Facility Agreement, the Agent has the right to sell the OEH Shares, at such times, in such manner and in such volumes as the Agent may direct in its absolute discretion, at any time following the earlier of the occurrence of (1) an event of default under the New Facility Agreement or (2) any date on which the listed value of the OEH Shares is less than an amount equal to double the amount drawn under the New Facility (the maximum amount that may be drawn under the New Facility is US\$100,000,000) for seven consecutive days following notification by the Agent to SCL provided that SCL does not pledge additional OEH Shares, prepay loans or sell certain of the OEH Shares pursuant to the New Facility Agreement.

SCL granted the New Power to the Agent to enable and permit the Agent to sell the OEH Shares in order to enforce the rights of the Agent granted pursuant to the terms of the New Facility Agreement.

SCL entered into the New Charge to provide a charge over all of its

right, title and interest in and to the OEH Shares for the benefit of the Trustee and the Agent, the Arrangers, the Lenders and any receivers in respect of the assets of SCL and the Guarantors securing amounts borrowed under the New Facility. The New Charge will remain in effect until all obligations of SCBIL and the Guarantors under the New Facility Agreement and the related finance documents have been unconditionally and irrevocably paid and discharged in full or until the Agent shall otherwise direct. Pursuant to the New Charge, upon receipt from the Agent of a notice that an event of default under the New Facility Agreement has occurred, the Custodian will be required to transfer the OEH Shares to the Trustee. If an event of default under the New Facility Agreement occurs and is continuing, pursuant to the New Charge the Trustee may solely and exclusively exercise (or refrain from exercising) all voting powers pertaining to the OEH Shares, and may sell, transfer, grant options over or otherwise dispose of the OEH Shares, in either case in such manner and on such terms which the Trustee in its absolute discretion thinks fit.

Some of or all of the OEH Shares pledged under the New Facility will be in non-certificated form. As a result, SCL entered into the OEH Security Agreement and the Account Control Agreement to provide a security interest over all of its right, title and interest in and to the OEH Shares that are in non-certificated form for the benefit of the Trustee and the Agent, the Arrangers, the Lenders and any receivers in respect of the assets of SCL and the Guarantors securing amounts borrowed under the New Facility. The OEH Security Agreement will remain in effect until all obligations of SCBIL and the Guarantors under the New Facility Agreement and the related finance documents have been unconditionally and irrevocably paid and discharged in full or until the Agent shall otherwise direct. If an event of default under the New Facility Agreement occurs and is continuing, pursuant to the OEH Security Agreement, the Trustee may solely and exclusively exercise (or refrain from exercising) all voting powers pertaining to the OEH Shares, and may sell, transfer, grant options over or otherwise dispose of the OEH Shares, in either case in such manner and on such terms which the Trustee in its absolute discretion thinks fit.

SCL entered into the New Escrow Agreement to establish a custody account in which to hold the certificated OEH Shares subject to the security interest in such OEH Shares granted to the Trustee pursuant to the New Charge.

The Agent and the Trustee will review on a continuous basis their interests in the OEH Shares. The Agent and the Trustee may in the future take such actions in respect of their interests in the OEH Shares as they deem appropriate in light of the circumstances existing from time to time. Currently, these actions include holding the OEH Shares they may be deemed to beneficially own or disposing of the OEH Shares. Such dispositions could be effected in private transactions, through a public offering or, upon compliance with the rules under the Securities Act of 1933, as amended (the "Securities Act"), in the open market. Additionally, it is possible that the Trustee, the Agent and/or the other Reporting Persons could seek to acquire additional OEH Shares, although none of them has any current plans to do so. Any acquisition of OEH Shares could be effected in the open market, in privately negotiated transactions, or otherwise. OEH Shares may be transferred from time to time among the Reporting Persons and their affiliates. Any sales, purchases or transfers or other actions described in this Amended Statement may be made at any time without further prior notice. In reaching any conclusion as to the foregoing matters, the Agent and the Trustee will take into consideration various factors, such as the obligations of the Agent and the Trustee to the Lenders, SCL's business, prospects and financial condition, other developments concerning SCL, the market price for the OEH Shares, stock market conditions, general economic conditions, OEH's business and prospects and other developments concerning OEH.

On February 18, 2003, OEH filed with the Commission a shelf

registration statement on Form S-3 under the Securities Act (the "Shelf Registration Statement"), registering for sale under the Securities Act, from time to time, the 14,403,300 Class A Shares (including 2,459,399 Class B Shares issuable upon conversion thereof) owned of record by SCL. The Shelf Registration Statement was declared effective by the Commission, and would allow the sale of the OEH Shares by SCL, the Agent or the Trustee through a public offering or in the public market. The New Facility Agreement contains provisions whereby SCL has agreed to use its reasonable best efforts, including through using its voting rights and board representation in OEH, to procure that OEH will maintain the effectiveness of the Shelf Registration Statement and cooperate with any offering of the OEH Shares that might be made thereunder or otherwise. The Agent (acting pursuant to the New Power), the Trustee (acting pursuant to the Charge) or SCL (with the consent of the Agent) may dispose of the OEH Shares through a public offering or in open market sales as contemplated by the Shelf Registration Statement or otherwise. The Reporting Persons or their affiliates may act as an underwriter or agent in connection with any such sales.

On November 6, 2003, OEH filed with the Commission a registration statement on Form S-3 (File No. 333-110296) under the Securities Act (the "Registration Statement"), registering for sale under the Securities Act of 3,450,000 Class A Shares and 3,450,000 rights to purchase Series A Junior Participating Preferred Shares. Pursuant to a prospectus dated November 20, 2003, 3,000,000 Class A Shares were offered for sale in a public offering and a total of 3,450,000 Class A Shares were sold through a complete exercise of the underwriters' over-allotment option. Citigroup Global Markets Inc., a subsidiary of Citigroup, acted as an underwriter in connection with the offer.

Except as set forth above, none of the Reporting Persons nor, to the best of the knowledge and belief of the Reporting Persons, any of the individuals set forth in Schedule A, B or C to this Amended Statement, has any plans or proposals, that relate to or would result in (a) the acquisition by any person of additional securities of OEH or the disposition of securities of OEH; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving OEH or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of OEH or any of its subsidiaries; (d) any change in the present board of directors or management of OEH, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of OEH; (f) any other material change in OEH's business or corporate structure; (g) changes in OEH's charter, by-laws or instruments corresponding thereto, or other actions which may impede the acquisition of control of OEH by any person; (h) any class of OEH's securities being delisted from a national securities exchange or ceasing to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) any class of OEH's equity securities becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (j) any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.

As of the date of this Amended Statement, the Reporting Persons, with the exception of Citigroup, may be deemed to beneficially own, within the meaning of Rule 13d-3 under the Securities Exchange Act of 1934, as amended, 14,403,300 OEH Shares. This amount consists of 11,943,901 Class A Shares and 2,459,399 Class B Shares, all or a portion of which may be converted into Class A Shares, of which SCL is the record owner but which the Reporting Persons may be deemed to beneficially own as a result of the New Facility Agreement, the New Charge and the New Power. As of the date of this Amended Statement, Citigroup may be deemed to beneficially own 3,200 Class A Shares that may be deemed to be beneficially owned by other subsidiaries of Citigroup for the benefit of

third-party customers. The 14,403,300 OEH Shares held of record by SCL represent approximately 42.1% of the Class A Shares outstanding and the 3,200 Class A Shares that may be deemed to be beneficially owned by other subsidiaries of Citigroup for the benefit of third-party customers represent less than 0.01% of the Class A Shares outstanding. The foregoing calculations are based on (i) 31,790,601 Class A Shares outstanding as of the completion of an offering of 3,450,000 Class A Shares by OEH in connection with a prospectus dated November 20, 2003 and including the 2,459,399 Class B Shares referred to above upon conversion thereof, (ii) a review of the 10-Q for OEH filed with the Commission on November 12, 2003 (File No. 001-16017) and (iii) the latest amendment to the Registration Statement on Form S-3 relating to the offering referred to above filed with the Commission on November 14, 2003 (File No. 333-110296).

By virtue of entering into the New Charge, as of the date of this Amended Statement, the Trustee may be deemed to have sole voting and dispositive power with respect to the 14,403,300 OEH Shares owned of record by SCL. The Trustee expressly disclaims beneficial ownership of the OEH Shares owned of record by SCL.

By virtue of entering into the New Facility Agreement and having been granted the New Power by SCL, as of the date of this Amended Statement the Agent may be deemed to have sole dispositive power with respect to the 14,403,300 OEH Shares owned of record by SCL. The Agent expressly disclaims beneficial ownership of the OEH Shares owned of record by SCL.

Citigroup may be deemed to have shared voting power with third party customers of subsidiaries of Citigroup with respect to the 3,200 Class A Shares that may be deemed to be beneficially owned by other subsidiaries of Citigroup for the benefit of third party customers. Citigroup expressly disclaims beneficial ownership of the Class A Shares that may be deemed to be beneficially owned by other subsidiaries of Citigroup for the benefit of third party customers.

By virtue of their potential status as a "group" for purposes of Rule 13d-5, each of the Reporting Persons may be deemed to have shared voting and/or dispositive power over the shares that may be deemed to be beneficially owned by the other Reporting Persons. Each of the Reporting Persons expressly disclaims beneficial ownership of the OEH Shares that may be deemed to be beneficially owned by the other Reporting Persons.

Neither the filing of this Amended Statement, nor any of its contents, shall be deemed to constitute an admission that any Reporting Person is the beneficial owner of any OEH Shares referred to in this Amended Statement for the purposes of Section 13(d) of the Exchange Act or for any other purpose, and such beneficial ownership is expressly disclaimed.

To the best knowledge of the Reporting Persons, during the past 60 days preceding the date of this Amended Statement, none of the Reporting Persons nor any of the individuals set forth in Schedules A, B and C to this Amended Statement, has effected any transaction in the shares of OEH, except as described in Item 4 above (excluding transactions that may have been effected by certain subsidiaries of Citigroup for managed accounts with funds provided by third-party customers).

Item 6. Contracts, Arrangements, Understandings or Relationships with respect to Securities of the Issuer.

The descriptions of the Amendment Agreement, the New Facility Agreement, the New Charge, the OEH Security Agreement, the Account Control Agreement, the New Escrow Agreement and the New Power (collectively, the "Financing Agreements") contained in Item 4 of this Amended Statement are

incorporated herein by reference. Such descriptions are summaries of certain provisions of the Financing Agreements, each of which have been filed as exhibits to this Amended Statement and such summaries are qualified by, and subject to, the full text of such agreements which is incorporated by reference herein.

To the best knowledge of the Reporting Persons, except as described in this Amended Statement or in the documents referred to and incorporated by reference herein, there are no contracts, arrangements, understandings or relationships (legal or otherwise) among the Reporting Persons or any of the individuals set forth in Schedules A, B or C to this Amended Statement, or between such persons and any person with respect to any securities of OEH.
