Item 1. Security and Issuer.

This Amendment No. 1 amends the statement on Schedule 13D (such schedule as amended being the "Schedule 13D") originally filed on October 4, 2002 and relating to the ordinary shares, nominal value NOK5 per share (the "Shares"), and the American depositary shares, each representing one Share (the "ADSs") and evidenced by American depositary receipts, of Petroleum Geo-Services ASA, a Norwegian allmennaksjeselskap (the "Company"), and is being filed pursuant to Rule 13d-2 of the Exchange Act. The address of the principal executive offices of the Company is Strandveien 4, N-1366 Lysaker, Kingdom of Norway. References herein to Shares include references to ADSs unless the context otherwise requires. Capitalized terms not otherwise defined herein have the meanings ascribed to them in the Schedule 13D.

Item 2. Identity and Background.

This statement is being filed by Compagnie Generale de Geophysique, a French societe anonyme (the "Reporting Person"). The list of the executive officers and directors of the Reporting Person attached hereto as Schedule I and incorporated herein by reference contains the following information with respect to each such person: (i) name, (ii) business address, (iii) present principal occupation or employment and name, principal business and address of any corporation or other organization in which such employment is conducted and (iv) citizenship.

The Reporting Person is a societe anonyme duly incorporated under the laws of the Republic of France.

The Reporting Person participates in the oilfield services industry by providing seismic data acquisition, processing and geoscience services and equipment to clients in the oil and gas exploration and production business.

The address of the principal business and principal office of the Reporting Person is 1, rue Leon Migaux, 91341 Massy, France.

Neither the Reporting Person nor, to the best of its knowledge, any of the persons named in Schedule I has, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

Edgar Filing: GENERAL GEOPHYSICS CO - Form SC 13D/A

Item 3. Source and Amount of Funds or Other Consideration.

No Amendment.

Item 4. Purpose of Transaction.

Item 4 is amended to add the following final paragraph:

As a significant shareholder of the Company since September 26, 2002 with a 7.5% equity stake, the Reporting Person has given its support to the financial restructuring plan as set forth in a Plan Support Agreement dated June 18, 2003. This support is materialized by the participation of the Reporting Person to the group of "supporting shareholders" who have committed to jointly acquire 30% of the post-restructuring equity of the Company for a global amount of \$85 million (of which \$22 million for the Reporting Person and \$60 million for another shareholder of the Company unaffiliated with the Reporting Person). 75% of this 30% tranche will be proposed to the Company's shareholders pro-rata to their share ownership at a date to be determined,

therefore potentially reducing the amount guaranteed to the "supporting shareholders" to a minimum 25% of this tranche (corresponding to \$5.5 million for the Reporting Person). Upon completion of this process anticipated by fall 2003, the Reporting Person's stake in the Company will therefore be comprised between 2.7% and 8.1%.
